Recommends approval of the listed UNDERGRADUATE PROGRAM CHANGES in the following colleges and/or schools/program: COLLEGE OF ARTS & MEDIA

- COLLEGE OF ARTS & MEDIA:

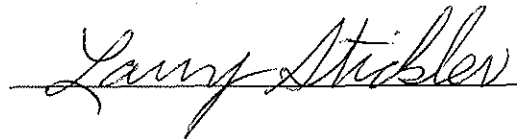

***Name of Major:** Bachelor of Arts in the Arts, Art Major, Art History Track

***Rationale:** The BA in the Arts program that was approved by Faculty Senate and the Board of Governors inadvertently left out twelve credit hours of studio electives in the art history track. In the catalog copy, between "Art History Electives" and "Minor", the following should be added: "Studio electives: 12 credit hours (selected from 200- and 300-level courses, may include foundations courses)." Additionally, ART 413 has been removed from the art history track core and moved to art history electives, and ART 464 has been removed as an art history elective; it remains as an art history track core course. Also, the requirement in art history electives has been increased from 15-18 to 18 hours in order to align with the BA in the Arts curricular structure of 49-52 credit hours. These changes insure that all students pursuing this degree track have the 120 hours needed to graduate. (Attached is both the old and new catalog language for comparison).

***Curriculum:** This revision raises the number of credit hours in the art history track by 12 studio elective credit hours to conform to the 120-credit-hour undergraduate degree model that was intended.
