**CURRICULUM COMMITTEE
RECOMMENDATION**

SR-14-15-51 CC

NOTE: The curricular form for each item listed may be accessed at www.marshall.edu/senate/ucc. Click the UCC Agendas/Minutes link; click the link for the April 3, 2015 meeting date; click the link in the Description column to open a particular item.

Recommends approval of the listed UNDERGRADUATE PROGRAM CHANGES in the following colleges and/or schools/program: COLLEGE OF EDUCATION & PROFESSIONAL DEVELOPMENT, COLLEGE OF HEALTH PROFESSIONS.

- **COLLEGE OF EDUCATION & PROFESSIONAL DEVELOPMENT:**

*NAME OF MAJOR: Elementary Education K-6 (EEM4)

*Rationale: The recent adoption of the Next Generation Science Standards necessitates that the science courses taken by our elementary education students be reevaluated and refashioned to meet these demands. In addition, 2 of the 3 new courses will be taught in a lab setting which will provide a better model of instruction for their future classrooms.

*Curriculum: PS 109 (4 credits) and PS 110 (4 credits) are being replaced with PS 120 (3 credits), PS 121 (3 credits), and PS 122 (3 credits).

- **COLLEGE OF HEALTH PROFESSIONS:**

*NAME OF MAJOR: HE-10 Exercise Science

*Rationale: Due to courses not being offered and to better accommodate 120 total hours for graduation. This change will establish more competitive Undergraduate Exercise Science Program and to better align the program for accreditation candidacy.

*Curriculum: Addition of ESS 215 Introduction to Exercise Science (3) and 6 credit hours from upper division courses. HS 220 Personal Health (3), HS 221 Personal Health II (3), CMM 374 Introduction to Health Communication (3), and PHL 302 Applied Ethics (3) courses are no longer required.
