**UNIVERSITY FUNCTIONS COMMITTEE  
RECOMMENDATION**

**SR-12-13-28 BAPC**

Recommends to the Faculty Executive Committee, Faculty Senate and the Faculty Senate Chair that the university allows ROTC students priority scheduling status.

**RATIONALE:**

- (a) The Cadets with the Marshall University ROTC program are required to complete multiple required classes designated by the federal government, which are up to four credit hours per semester and a three credit hour Military History class (all in addition to the required classes for their major);
- (b) Contracted Cadets are mandated by the United States Army to graduate on a specific date, which makes it more difficult for said Cadets who cannot schedule the aforementioned required courses due to scheduling conflicts;
- (c) Many Cadets are not able to take a particular class that is required for their graduation or able to schedule around their military obligations because the required courses fill with non-ROTC students;
- (d) Therefore, be it recommended that the Marshall University Student Government Association fully support the recommendation to the Faculty Executive Committee, the Faculty Senate, the Faculty Senate Chair and finally, the University President to allow Marshall University ROTC Cadets priority scheduling.
