**BUDGET and ACADEMIC POLICY COMMITTEE
RECOMMENDATION**

SR-12-13-38 BAPC

The BAPC recommends changes in the Mid-Term Grade notification policy. The BAPC proposes to extend the D and F mid-term grade notification to include both Freshmen and Sophomore students.

RATIONALE:

The proposed change is intended to increase student retention. A survey performed at peer institutions (i.e. Kent State and Central Arkansas), but not restricted to, indicates that expanding the Mid-Term Grade Notifications to Sophomore students had a beneficial effect on student retention. Reported grades can be used as an intervention and retention tool.
