**CURRICULUM COMMITTEE
RECOMMENDATION**

SR-08-09-31 CC

Recommends approval of the **REQUEST FOR UNDERGRADUATE ADDITION, DELETION, OR CHANGE OF A MAJOR** from the LEWIS COLLEGE OF BUSINESS.

Action Requested: Change in the existing major, Management (BM-10)

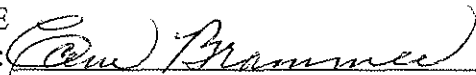

Rationale: The proposed changes were made to reflect current trends in management education and reduce overlap in course content.

Curriculum: One new course will be added (MGT 428) to the required course list. The following courses become electives as opposed to required courses—MGT 260, 461 and 423. The number of required courses will remain the same (10); however there will be 5 required and 5 electives. In the past there were 8 required courses and 2 electives. Proposed required courses: 419, 420, 422, 424, 428 and 15 hours electives.

Statement of Non-duplication: The proposed changes to the management major have no impact on any other programs inside or outside the LCOB. The total number of courses is the same. The proposed course addition will address the theory and practice of negotiation in business settings and is clearly within the domain of the LCOB.
