**CURRICULUM COMMITTEE
RECOMMENDATION**

SR-03-04-11 CC

Recommends approval of the listed **COURSE DELETION** in the **COLLEGE OF NURSING & HEALTH PROFESSIONS:**

DTS 404 Diet Therapy

Rationale: Because FCS 210 (Nutrition) was eliminated for non-majors, a course was needed to cover the basic nutrition content area. There is overlap in concepts taught in FCS 210 & DTS 404; therefore, one course is being proposed in place of FCS 210 & DTS 404, which are currently required for nursing majors.

Course being added in place of this deletion: DTS 314; Nutrition and Diet Therapy
