**EXECUTIVE COMMITTEE  
RECOMMENDATION**

**SR-03-04-23 EC**

Recommends approval of the request from the Department of Mathematics to offer an honors version of MTH 121, Concepts and Applications of Mathematics, to be designated MTH 121H, one section offered every fall semester. This request has been approved by the Honors Council.

**RATIONALE:**

Since MTH 121 is the primary Marshall Plan mathematics class for a majority of majors, it makes sense to have an honors version of the class for honors students and, generally, for students with high ACT Math scores.
