University Council approves media policy

The University Council met on Sept. 23 and conducted the following items of business:

The Faculty Meeting Participation policy relative to the news media was approved following a two year trial period. The newly approved policy is as follows:

FACULTY MEETING PARTICIPATION

Participation in Marshall University Faculty Meetings is limited to those provided for in the Marshall University faculty Constitution and to others who may be invited to speak to specific matters. Other persons in the University Community may attend faculty meetings as abservers and may be seated in the designated section of the auditorium.

Members of the news media may attend meetings of the Marshall University faculty, other

STREAM STUDY FELLOWSHIP RENEWED

Marshall University graduate student Janet Elizabeth Robinson, left, describes some of her stream ecology research work to Dr. Bernard Queen, executive director of the Marshall University Foundation, after receiving a second-year fellowship from the foundation to continue the research. At right is Dr. Donald C. Tarter, chairman of the Department of Biological Sciences, who is supervising Miss Robinson's study of the effects of acid rain on streams in the region. She is conducting the research as a recipient of the Lemotto Smith-John Goodno Fellowship in Biological Sciences, named in honor of a 102-year-old Florida philanthropist and his business associate, Goodno, a Marshall alumnus.

than executive sessions. The representatives of the news media will be seated in a designated section of the auditorium. They may observe the proceedings but may not take part in them.

Still cameras, television cameras, tape recorders and other broadcast equipment will be permitted. In order to minimize distration, such equipment should be set up prior to the beginning of the meeting in a specific area designated by either the presiding officer or the Director of Univesity Relations. The equipment should not be moved during the course of the meeting other than for unobstrusive departure.

Interpretation of the policy is the responsibility of the Director of University Relations and inquiries regarding the policy should be brought to the attention of that office.

(Approved by University Council, September, 1981)

2. The recommendations to the University Council from the standing faculty committees were considered. All have been resolved with the exception of the Student Conduct and Welfare Committee requesting an amendment to the Faculty Constitution

Preliminary enrollment report: 11,859 MU students registered

A preliminary enrollment report show 11,859 students registered at Marshall University for the Fall Term, according to Registrar Robert H. Eddins.

The figure includes 6,816 full-time students, an increase of 143 from last fall, and 5,043 part-time students, a decrease of 167 from the 1980 total.

"I must emphasize that these are only preliminary figures and they are subject to change," Eddins said. "The data we report to the Board of Regents will be verified through the board's computer programs and the official figures will be announced there."

Last year's Fall Term enrollment was a record 11.883. or 24 more than the preliminary figure reported for this year.

"Based on the preliminary data, it appears that Marshall's enrollment is holding up better than might be expected." Eddins said, noting that the traditional collegeage population is declining throughout the country.

CAMPUS ANNOUNCEMENTS...

Career services/placement sets recruiting schedule for October

A variety of recruiters are scheduled to interview seniors and graduate students for career positions this semester in the Career Services and Placement Center. Students interested in signing up for job interviews are required to submit their credential files at the time they sign up for the interviews, and a student may sign up within 2 weeks of the recruiting date. Credential files include a data sheet, grade sheet, and 3 references, and in order to complete one, the student must attend a seminar in the Placement Center in the lobby of Prichard Hall. Questions may be directed to the Placement Center at 696-2370.

Alumni are also permitted to interview, but seniors and graduate students have first priority on a first-come, first-served basis. Alumni must remain on a waiting list until 2 days before the recruiting date. All others must have signed up by that time.

In addition to employers, some law school representatives will also be visiting campus. The schedule for October and the majors the employers are interested in follows:

Campus-wide drive nets 302 pints of blood

"One of the best" is how Pam Stacey, donor resources consultant for the Red Cross, described last week's campus-wide blood drive which netted the Red Cross 302 pints of blood from student, faculty and staff donors.

This was the best turnout in several years for a Marshall blood drive, according to Ms. Stacey. The turnout was even larger than that for the MU-Morehead (Ky.) State University competition held in November 1980, which netted 292 prints. "The Marshall community should be proud," she said.

"The campus turn-out for this blood drive was just great." said Judith Webb, MU Health Education Program advisor, who was campus coordinator, "Marshall also should be proud of the leadership shown by the students who worked on the drive," she added.

The drive was sponsored by Marshall's Alpha Epsilon Delta Chapter, professional honorary for the health sciences, with assistance from the Reserve Officer Training Corps (ROTC).

The Red Cross Bloodmobile will return to campus for the second in a series of four blood drives on Nov. 18-19.

Council receives report on standing committees status

(Continued from page 1)

for the purpose of increasing student representation. The amendment is currently being considered by the faculty. A two-thirds majority of those voting is required for passage. The voting results will be available Oct. 5.

- There was a report on the status of the various standing committees operating under the Faculty Constitution. There have been some changes in membership and leadership. This information will be made available as soon as all vacancies have been filled.
- There was a brief discussion of the administrative 4 decision making process. The issue concerned the observation that many decisions are made during the summer in the absence of the full faculty. Nothing adverse was read into the situation. It is still a matter for consideration. The issue was raised by the discontinuance of faculty and staff discounts at the University Bookstore. The announcement of this was made on Aug. 1. The Council concensus lamented the passing of one of the few fringe benefits remaining for University employees.
