CURRICULUM COMMITTEE RECOMMENDATION

SR-02-03-(26) 56 CC

Recommends approval of the listed **COURSE CHANGES** for the **LEWIS COLLEGE OF BUSINESS**:

1. MS 101 Introduction to ROTC

Change in title to: Foundations of Officership

Rationale: Our higher headquarters revised the curriculum and standardized it for 270 ROTC universities. All the classes being taught are the same material covered before, but the course name is the only change occurring based on higher guidance.

-AND-

Change in Credit Hours: **FROM** 2 credit hours **TO** 1 credit hour.

Rationale: Our higher headquarters, Cadet Command, directed that the MS 101 and MS 102 military science classes be reduced to meet one hour a week. The course activities and materials covered will not change. The workload will cover the same material, but will not have as much repetition build into the class work. Currently the class meets one hour and then has an independent study for an hour so the credits match the hours. We need to meet one hour a week to accomplish what the class needs to teach.

2. MS 102 Introduction to Leadership

Change in title to: Basic Leadership

Rationale: Our higher headquarters revised the curriculum and standardized it for 270 ROTC universities. All the classes being taught are the same material covered before, but the course name is the only change occurring based on higher guidance.
