**PHYSICAL FACILITIES & PLANNING COMMITTEE  
RECOMMENDATION**

**SR-02-03-(55) 85 PFPC**

Recommends that each year the Physical Facilities & Planning Committee after consulting with the Provost & Senior Vice President for Academic Affairs, the Senior Vice President for Operations, the Registrar, and interested department chairs, identify and recommend for refurbishing as many classrooms as the allocated budget will allow with the goal of updating between two or more classrooms per year.

**RATIONALE:**

Most classrooms have not been refurbished since the buildings were constructed. The Faculty Senate and the President approved remodeling at least two classrooms a year per Recommendation SR-00-01-(37) 78 PFPC. This recommendation charges the Physical Facilities & Planning Committee with the annual job of identifying the rooms to be refurbished. Because the money allocated to this project is expected to vary, the number of rooms identified each year must be flexible.
