**CURRICULUM COMMITTEE  
RECOMMENDATION**

**SR-00-01-(9) 50 (CC)**

Recommends approval of the following **COURSE ADDITIONS** in the College of Nursing and Health Professions:

- |       |     |   |         |
|-------|-----|---|---------|
| • DTS | 201 | <i>Nutrition and Food Technology I</i>              | 4 hours |
| • DTS | 202 | <i>Nutrition and Food Technology II</i>             | 4 hours |
| • DTS | 301 | <i>Foodservice Safety and Systems Management I</i>  | 4 hours |
| • DTS | 302 | <i>Foodservice Safety and Systems Management II</i> | 4 hours |
| • DTS | 304 | <i>Fundamentals of Meal Planning</i>                | 3 hours |
| • DTS | 310 | <i>Life Span Nutrition</i>                          | 3 hours |
| • DTS | 460 | <i>Research in Dietetics</i>                        | 3 hours |
| • DTS | 468 | <i>Chemistry of Foods</i>                           | 3 hours |
| • DTS | 476 | <i>Senior Seminar in Dietetics</i>                  | 3 hours |
| • DTS | 478 | <i>Senior Practicum in Dietetics</i>                | 3 hours |

**RATIONALE:**

The new Dietetics courses reflect changes in the revised education standards set forth by the Commission on Accreditation of Dietetics Education. The standards are very detailed and specific; each course is needed to meet them. Also, new classes provide a more "hands on" approach to learning.
