CURRICULUM COMMITTEE
RECOMMENDATION

SR-00-01-(21) 62 (CC)

Recommends approval of the listed **COURSE CHANGE** for the **College of Information Technology & Engineering:**

1. SED   490   Safety Internship
    Change in credit hours **FROM:** 3 hours **TO:** 3-12 hours.
    Rationale: Most students take 3 hours and complete 150+ hours of work. A need has arisen where a student may take a job, which lasts for a semester, and a student will work 40 hours a week for 12 to 16 weeks. This change will help students on the GI Bill receive monies due them based on clock hours rather than semester hours.
