**LIBRARY COMMITTEE
RECOMMENDATION**

SR-99-00-39 (EC)

Recommends that *SR-98-99-(7) 66 (LC)*, which recommended the integration of the Library Policy Board into the existing Library Committee *be abolished* and that the appointment of the Dean of University Libraries (voting member) and a representative from the Library Committee (ex-officio) as members of the Information Technology Committee be approved.

RATIONALE: The ITC is the highest level committee on campus dealing with technology issues and technology is central to the mission of the Drinko Library. Currently, the ITC has no library representation and this proposal would correct this situation. Furthermore, the original proposal creates an extra layer of bureaucracy that is not necessary.
