STUDENT CONDUCT AND WELFARE COMMITTEE
RECOMMENDATION

SR-93-94-79(SCW)

That an addendum to the **Marshall University 1993-95 Undergraduate and Graduate Catalogues** be published and distributed informing students that free health care will only be provided from 8:00 a.m. to 5:00 p.m., Monday through Friday, at John Marshall Medical Services. Students seeking after hours medical care will be financially responsible for the cost.

This information shall be published in the catalog, in all supplements or addenda to the catalog, and in the student handbook.

RATIONALE: Page 15 of the **Marshall University 1993-95 Undergraduate Catalog** and pages 14-15 of the **Marshall University 1993-95 Graduate Catalog** implies students who paid student fees are eligible to receive free emergency health care at Cabell Huntington Hospital. At least one student went to Cabell Huntington Hospital seeking medical service only to be told the hospital provides no such service. An addendum to the **Marshall University 1993-95 Undergraduate and Graduate Catalogues** will clarify the status of providing emergency health care for students.
