ACADEMIC STANDARDS AND CURRICULA REVIEW COMMITTEE  
RECOMMENDATION

**SR-93-94-89(ASCR)**

To approve **CHANGES** for the following course:

SED 373: Safety and Industrial Technology II

(Course change forms are available for inspection in the Faculty Senate Office - Northcott Hall Room 209-A.)

**RATIONALE:** Safety and Industrial Technology II is too broad, requiring topic specialization. Currently, undergraduates lack adequate safety information in ergonomics and human factors as recommended by the American Society of Safety Engineers Accreditation members.

**FACULTY SENATE PRESIDENT:**
