PHYSICAL FACILITIES AND PLANNING COMMITTEE  
Recommendation

**SR-91-92-13(PFPC)**

On football game days, parking lots W, I, and V (including meters) shall be offered as free and open parking for faculty/staff members of Marshall University. These lots, which include approximately 400 spaces, shall be available on a first-come, first-serve basis. All other campus lots, excluding east and west football stadium lots, G lot, Henderson Center lot, the Physical Plant lot, and Y lot which will be managed by the Athletic department, shall be leased to student organizations and/or other non-profit organizations by the University's Parking Office, where individuals will be charged for game day parking. Any vehicle parked on these parking areas prior to the lot being secured for parking sales shall be allowed to remain on the lot without a charge.

Classified Staff or Faculty who need or are required to be on campus on the Saturdays of home football games can receive a pass to park on any University lot, except Y, G, W, I, and V. The passes are available on a game by game or a full season basis and can be picked up at the Main Desk of the Memorial Student Center. In addition, anyone who is hosting or sponsoring an activity such as a workshop, conference, tryouts, or special classes can request temporary permits through the Parking Office. In all cases, however, possession of a pass does not guarantee a parking space, as student organizations will be charging the general public for parking in these lots. This policy will be reviewed annually by the Physical Facilities and Planning Committee.
