Subject: The Naming of the building that will house the
National H.E.L.P. Center

Date: October 2, 1991

John, we are delighted that the construction of the new H.E.L.P. Program building is beginning as the result of a very significant gift from Mr. Wilbur E. Myers. Needless to say, Mr. Myers feels very deeply about the accomplishments of the H.E.L.P. Program and has contributed in excess of \$300,000 for the building. As a result of his gift and enthusiasm for the program, Dean Carole Vickers and Dr. Barbara Guyer join me in requesting that the building be named The Wilbur E. Myers Building.

We think this will be a fitting tribute to an extraordinary man whose generosity made a dream come true for our students and the program that brought them to Marshall University.
