GRADUATE COMMITTEE  
Recommendation

**SR-91-92-31(GR)**

That students be allowed to write a thesis in field after graduation and that credit for the thesis hours be treated the same as any other course a student takes after graduation. The statement on the thesis may read: "This post graduation thesis fulfills the requirements for (course number) ."

**RATIONALE:** Students have requested that they be allowed to write theses after having completed a degree following a non-thesis option. The committee considers this a laudable objective which should be encouraged.
