STUDENT CONDUCT & WELFARE COMMITTEE
Recommendation

SR-91-92-90(SCW)

To approve the following change to the Visitation Policy for students living in dormitories:

Offer a variety of visitation plans differentiated by unit.

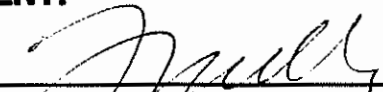

RATIONALE: Residence Life Office staff approved of this change. By offering a variety of visitation plans, students are more likely to find an option that fits their personal needs. The current policy, which does not allow overnight visitation for first-semester freshmen and allows overnight visitation for other students only Thursday-Saturday nights, extends to all dormitory residents except those in Laidley Hall and the first floors of Buskirk and Holderby Halls. The key to this recommended change is the word variety. By offering a variety of visitation options to students (including the one currently in force, as well as some that are both more and less restrictive) students will be better-served.
