STUDENT CONDUCT & WELFARE COMMITTEE
Recommendation

SR-91-92-97(SCW)

That the Faculty Senate create a resolution to be sent to the President urging him to follow through with his plan to hold a seat for the Dean of Students on the President's Cabinet, or whatever advisory body the President might use in the future.

RATIONALE: In a press release, dated 21 November 1991, announcing the details of "Operation Streamline," the President noted that "[W]hile the dean of students and the directors of athletics and human resources will be reporting to other administrators, all three will continue to have direct access to the president and will remain members of the President's Cabinet." The purpose of this recommendation is to applaud Dr. Gilley's intention, and to remind him of the importance of close communication with the Dean of Students, who plays a pivotal and vital role on this campus.
