That the following recommendations of the Parking Subcommittee be approved:

- 1) Limit number of parking permits on Area D (18th Street).
- 2) Parking for basketball is another one year problem. Relief of 1300 additional parking spaces will be utilized at the stadium site. 1990-91 season will have approximately 5 games during class nights.
- 3) Faculty/Staff who have permits on Area's D or G may contact the Parking Manager, to make arrangements to park on other lots, during Basketball Games, if they deem it convenient.

DISCUSSION/RATIONALE: SCW feels that the resolutions determined by the subcommittee at the request of Faculty Senate will alleviate parking problems where academic and athletic events occur.
