AD HOC CALENDAR COMMITTEE
Recommendation

SR-90-91-(18)171 (AHC)

That the TTH 3:45-5:45 p.m. time slot for final examinations be eliminated.

RATIONALE: Currently many classes are scheduled for 4:00 and 5:00 p.m. These are considered night classes and their finals are scheduled at the same time as the class. Since their number has been increasing, and indications are that the upward trend will continue, we must eliminate the possibility of having anyone scheduled for two final examinations at the same time. Elimination of the 3:45-5:45 time slot accomplishes this.
