SUBJECT: Support for Faculty Travel

The Research Committee unanimously approves a motion requesting that the Faculty Senate convey to the Interim President, Dr. Alan B. Gould, the need for additional funds to support faculty travel.

The Committee administers the Queen and Quinlan Endowments. The former supports travel related to faculty development; the relatively small amount of money available has been allocated. The latter supports travel related to research and is substantially larger than the former, but is not nearly large enough to allow affirmative response to all meritorious requests.

In 1989-90, Dr. Dale F. Nitzschke established a Special Presidential Fund for Faculty Development in the amount of \$15,000. This enabled the Committee to fund a high percentage of deserving applications during that year. A similar action by Dr. Gould, even if the amount is more modest, is appropriate and will be of great benefit to the University and its faculty.

MEMORANDUM

TO: Ms. Kathryn Chezik, President
Faculty Senate

FROM: Alan B. Gould *ABG*

SUBJECT: Supplementary Travel Funds

Kathy, in response to SR-90-91-(84)236(RC), a request for additional funds to support faculty travel for the remainder of this academic year, I am supplementing the budget of the Research Committee by \$10,000. This money, which is being made available immediately, can be requisitioned through forms available from John Hubbard. The requisition forms must be signed by the faculty member, John Hubbard, and the President.

I am happy that the Research Corporation was able to help us in providing financial support for this worthwhile purpose.
