ACADEMIC STANDARDS AND CURRICULA REVIEW COMMITTEE

Recommendation  
November 10, 1989

**SR-89-90-19 (ASCR)**

To accept the recommendation of the Standards Subcommittee that credit for non-collegiate learning awarded by the Community College shall be recorded at the completion of the semester during which credit is awarded.

**RATIONALE:** At present credit for non-collegiate learning is not recorded on student transcripts until completion of their degree program. This change will remove concerns about students' being able to transfer to other institutions and about their maintaining student loans.
