ACADEMIC STANDARDS AND CURRICULA REVIEW COMMITTEE

Recommendation

February 9, 1990

SR-89-90-78 (ASCR)

The following is a proposed change in the University's policy on incomplete grades. The policy as stated on page 67 of the current undergraduate catalog is vague in terms of the decision to allow a student to receive an incomplete grade.

1. Delete the first sentence, "An I grade (Incomplete) is given to students who do not complete course requirements because of illness or for some other valid reason."
2. Replace that sentence with the following explanation.

The instructor may grant an I grade (Incomplete) when student's illness or some other valid reason makes it impossible to complete course requirements. It is the instructor's decision as to whether an I is to be granted based on such considerations as the amount of course work completed, the student's demonstrated potential to successfully complete the work, and the appropriateness and feasibility of granting an I based on the design of the course and the reason for failure to complete the course.

3. The remainder of the description in the catalog would remain as written.
