# MARSHALL UNIVERSITY

Effective Date ..	Section .. PHYSICAL PLANT	Section No. ..
Approved By ..	Subject .. WORK PRIORITIES	Subject No. ..

**PURPOSE:** Work accomplished by Physical Plant Operations to be performed on a priority basis to insure limited resources are controlled in the best interest of Marshall University.

**RESPONSIBILITY:** The Director of Physical Plant and/or his designees will insure that this policy is carried out.

**POLICY:** The following is a list of priorities with definitions for work to be accomplished in the most efficient manner.

- Priority 1. Hazards to Life, Health, and Property.  
Work required to provide or restore adequate security to a facility to eliminate hazards to life or health (safety), or to protect valuable property.
- Priority 2. Essential Support  
Work needed to accomplish the institution's primary objectives (teaching and research), to prevent a breakdown of essential operation or housekeeping functions, or to improve the operating performance of a necessary system.
- Priority 3. New Programs  
Alterations or additions required to accommodate experimental programs, revised teaching approaches, added functions, or re-organizations.
- Priority 4. Desirable  
Convenience and environmental improvement items not qualifying for higher priority.

**NOTE:** Within each category those items affecting the most people will be handled first.
