STUDENT CONDUCT AND WELFARE COMMITTEE

Recommendation

SR-89-90-114(SC&W)

That in the Residence Hall Handbook the policy on windows be revised to read:

"Objects may not be placed on window sills or ledges. Screens must remain in place at all times. In the Towers, windows may not be opened more than six inches. Throwing, hanging, waving, or dropping of anything from windows, exits, or stairwells will subject residents to disciplinary action."

DISCUSSION/RATIONALE: This policy is in the obvious interests of safety. It was pointed out that the word "waving" refers to objects, not hands; it was further noted that window fans are exempted from this prohibition in another part of the Handbook.
