The Faculty

Date following name indicates first appointment to a staff position at Marshall University

ABBAS, JABIR A., Associate Professor of Political Science, 1962
Ph.D. 1971, Indiana University

ABBOTT, REVONDA A., Instructor in Physical Education, 1970
M.S. 1970, Florida State University

ADAMS, CHARLES E., Assistant Professor of Sociology, 1971
M.S.W. 1959, West Virginia University; graduate study, Episcopal Seminary

ADKINS, HOWARD G., Assistant Professor of Geography, 1970
Ph.D. 1972, University of Tennessee

ADKINS, JOAN F., Assistant Professor of English, 1963
M.A. 1961, Marshall University; graduate study, University of Minnesota, West Virginia University, Marshall University, University of Utah

ADKINS, NEAL G., Instructor in Accounting, 1969
M.A. 1968, Marshall University; graduate study, Marshall University

ADKINS, RICHARD L., Assistant Professor of Engineering, 1966
M.Sc. 1964, Ohio State University; graduate study, Ohio State University

AKKIHAL, RAMCHANDRA G., Associate Professor of Economics, 1968
Ph.D. 1969, University of Tennessee

ALDRED, FRANCIS K., Associate Professor of History, 1967
Ph.D. 1967, University of Virginia

ALEXANDER, ROBERT P., Associate Professor of Management, 1958
Ph.D. 1969, Ohio University

AL-GAILANI, GHAZI, Assistant Professor of Journalism, 1971
Ph.D. 1971, University of Iowa

ALLEN, EARLINE S., Instructor in Art, 1970
M.A. 1966, Marshall University; graduate study, Marshall University, Ohio University

ALLEN, THOMAS R., JR. Assistant Professor of Education, 1971
Ed.D. 1971, University of Georgia
ALMALEL, CORAZON, Associate Professor of Modern Languages (Spanish), 1970
Ph.D. 1962, University of Madrid

ALSIP, JONATHAN E., Assistant Professor of Psychology, 1970
Ph.D. 1969, Iowa State University

ANDERSON, SARA E., Professor of Office Administration, 1966
Ed.D. 1964, Indiana University

ARAZA, LEONARD W., JR. Instructor in Sociology, 1970
M.A. 1970, Marshall University

ARDINGER, BRUCE, Instructor in English, 1971
M.A. 1968, Duquesne University; graduate study, Kent State University

ARHELGER, HOMER, Professor of Education and Director of Institutional Research, 1962
Ed.D. 1962, Indiana University

ARNOLD, GEORGE T., JR., Assistant Professor of Journalism, 1968
M.A. 1965, Marshall University; graduate study, Marshall University, Ohio University

ASH, STANLEY W., Associate Professor of Biological Sciences, 1956
M.A. 1954, Marshall University; graduate study, University of Pennsylvania, Florida State University

ASHER, MARY S., R.N., Assistant Professor of Nursing, 1967
M.A. 1945, Case Western Reserve University; M.A. 1968, Marshall University

ASHFORD, WILLIAM F., Professor of Marketing, 1970
Ph.D. 1969, Ohio University

BAILEY, ALAN, Assistant Professor of Geology, 1971
Ph.D. 1970, Michigan State University

BAILEY, LOUISE S., Assistant Professor of English, 1961
M.A. 1953, University of Florida; graduate study, University of Tennessee, University of Florida

BALSHAW, PAUL A., Associate Professor of Music, 1965
D.Mus.A. 1963, Eastman School of Music

BARBOUR, RICHARD L., Associate Professor of Music, 1969
Ph.D. 1968, University of Oregon

BARKER, LAWRENCE W., Assistant Professor of Education, 1970
Ed.D. 1968, West Virginia University

BAUER, DARYLL D., JR., Associate Professor of Education, 1970
Ed.D. 1970, University of Virginia
BAUSERMAN, THOMAS, Professor of Mathematics, 1955
   Ph.D. 1961, University of Pittsburgh

BEASLEY, R. MICHAEL, Instructor in English, 1969
   M.A. 1968, San Francisco State College

BENNETT, GRACE, Professor of Home Economics, 1965
   Ph.D. 1957, Purdue University

BERTRAM, ORIANA R., R.N., Instructor in Nursing, 1967
   B.S.N. 1949, University of Chile

BIAS, CHARLES V., Assistant Professor of History, 1967
   M.A. 1967, Marshall University; graduate study, West Virginia University

BINDER, FRANKLIN L., Assistant Professor of Biological Sciences (Botany), 1971
   Ph.D. 1971, West Virginia University

BIRD, MARGARET A., Assistant Professor of Biological Sciences (Zoology), 1970
   Ph.D. 1970, North Carolina State University

BISATO, GIOVANNA L., R.N., Assistant Professor of Nursing, 1968
   M.S.N. 1960, Catholic University of America; graduate study, University of Dayton

BISHOP, THOMAS S., Assistant Dean of School of Business and Associate Professor of Management, 1969
   Ph.D. 1969, University of Iowa

BLANKENSHP, MARTHA D., Associate Professor of Home Economics, 1961
   Ph.D. 1970, Pennsylvania State University

BLEAU, EDWARD R., Instructor in Economics, 1970
   M.A. 1970, University of Illinois

BONNETT, RICHARD B., Assistant Professor of Geology, 1968
   Ph.D. 1970, Ohio State University

BOOTH, RICHARD M., Instructor in Geography, 1969
   M.S. 1969, Marshall University

BRENNER, WILLIAM M., Instructor in Speech, 1971
   M.A. 1971, Ohio State University

BROADWATER, ERNEST H., Assistant Professor of Education, 1971
   M.Ed. 1968, Temple University; graduate study, Ohio State University

BROH, HITE C., Assistant Professor of Speech, 1967
   M.A. 1966, West Virginia University; graduate study, West Virginia University, Marshall University
BROMLEY, NORMAN P., Assistant Professor of Finance, 1969
  J.D. 1962, West Virginia University

BROWN, JACK R., Professor of English, 1948
  Ph.D. 1937, Northwestern University

BROWN, MAHLON C., Professor of Social Studies, 1955
  D.S.S. 1959, Syracuse University

   University, University of North Carolina, Marshall University

GOEN, JAMES R., Instructor in Social Studies, 1970
   M.A. 1970, Ball State University

GOEN, SUSAN E., R.N., Instructor in Nursing, 1971
   B.A. 1968, Ball State University

GOODWIN, JOHN, Associate Professor of Bible and Religion, 1968
   Ph.D. 1970, Temple University

GORDON, BILL K., Associate Professor of Education, 1967
   Ed.D. 1967, University of Kentucky

GOULD, ALAN B., Associate Professor of History, 1969
   Ph.D. 1969, West Virginia University

GREEN, PATRICIA A., Assistant Professor of Music, 1953
   M.F.A. 1955, Ohio University; graduate study, University of Colorado,
   Syracuse University, Oberlin College, Marshall University

GREENWOOD, BRUCE E., Instructor in Speech, 1969
   M.A. 1969, Montclair State College

GRUBBS, ROBERT D., Assistant Professor of Sociology, 1969
   M.A.S.W. 1966, Indiana University

GRUBER, CHARLES F., Instructor in Social Studies, 1967
   M.A. 1967, Ohio University; graduate study, University of Pittsburgh,
   University of Louisville

HABEL, SAMUEL T., Professor of Sociology, 1964
   Ph.D. 1945, University of Edinburgh; postdoctoral study, University of
   North Carolina
HAGER, OLIVE B., Instructor in Physical Education, 1965
M.A. 1960, Marshall University; graduate study, Marshall University, Bowling Green State University

HALE, ROISCOE, JR., Assistant Professor of Education, 1968
Ph.D. 1971, Ohio University

HALL, RALPH H., Assistant Professor of Education, 1965
M.A. 1952, Marshall University; graduate study, Marshall University, West Virginia University

HANGER, NANCY W., Assistant Professor of Education, 1968
M.A. 1960, Marshall University; graduate study, Marshall University, West Virginia University

HANRAHAN, EDWARD S., Professor of Chemistry, 1963
Ph.D. 1959, West Virginia University

HARBOLD, GEORGE J., Dean of College of Arts and Sciences and Professor of Speech, 1947
Ph.D. 1955, Ohio State University

HARDMAN, D. HUNTER, Professor of Mathematics, 1946
Ph.D. 1963, University of Pittsburgh

HARLESS, JAMES W., Director of Admissions and Assistant Professor of Education, 1963
M.A. 1962, Marshall University; graduate study, Marshall University, West Virginia University

HARROD, BARBARA F., Assistant Professor of Speech, 1971
M.A. 1962, University of Kentucky; graduate study, University of Kentucky, Boston University, Murray State University, University of Cincinnati

HARVEY, PAULINE M., Assistant Professor of Education, 1968
Ph.D. 1971, Ohio State University

HATFIELD, STEVEN H., Assistant Professor of Mathematics, 1963
M.S. 1963, West Virginia University; graduate study, West Virginia University, Marshall University

HAYES, ROBERT B., Dean of Teachers College and Professor of Education, 1965
Ed.D. 1960, University of Kansas

HEGER, THEODORE C., Assistant Professor of Music, 1965
M.F.A. 1971, University of Iowa

HELWIG, RAYMOND C., Assistant Professor of Finance, 1971
M.B.A. 1958, University of Michigan; graduate study, Michigan State University
HENRY, SARA L., Instructor in Modern Languages (Spanish), 1968
   M.A. 1969, Marshall University; graduate study, Marshall University

HENSLEY, BARBARA R., Instructor in Journalism, 1971
   M.A.J. 1970, Marshall University; graduate study, Marshall University

HERDEN, RICHARD P., Instructor in Management, 1971
   M.B.A. 1970, University of South Florida

HESS, CLARKE F., Professor of Education, 1951
   Ed.D. 1958, University of Pennsylvania

HICKS, DOROTHY E., Professor of Physical Education, 1969
   Ed.D. 1964, University of Tennessee

HIXSON, KENNETH N., Instructor in Journalism, 1970
   M.A. 1970, University of Iowa

HOAK, EUGENE Q., Professor of Speech, 1960
   Ph.D. 1954, Ohio State University

HOBACK, JOHN H. Professor of Chemistry, 1945
   Ph.D. 1947, West Virginia University

HOGAN, JOHN W., Associate Professor of Mathematics, 1969
   Ph.D. 1969, Virginia Polytechnic Institute

HOPE, BEN W., Professor of Speech, 1947
   Ph.D. 1960, Ohio State University

HOY, LOUISE P., Professor of Classical Languages, 1963
   Ph.D. 1952, Bryn Mawr College

HUGHES, JUANITA A., Instructor in Office Administration, 1971
   M.A. 1971, Marshall University; graduate study, Marshall University

HUNTER, HELEN S., Assistant Professor of Education, 1957
   M.A. 1956, Marshall University; M.A. 1964, Marshall University; graduate study, Florida State University

HUTTON, ROBERT P., Instructor in Art, 1970
   M.F.A. 1970, Pennsylvania State University

IMPERI, LEO V., Associate Professor of Music, 1952
   M.A. 1951, Columbia University; graduate study, Columbia University, University of Denver

IRVIN, JAMES E., Professor of Education, 1959
   Ph.D. 1958, Ohio State University

JANSSEN, FRED L., Assistant Professor of Accounting, 1970
   M.B.A. 1967, Xavier University; M.Ed. 1970, Xavier University
JARRELL, JANICE, Instructor in Biological Sciences, 1968
M.S. 1968, Marshall University

JARRETT, PEGGY P., Assistant Professor of Education, 1959
M.A. 1954, West Virginia University; graduate study, West Virginia
University, Marshall University

JENKINS, OFFA LOU, Professor of Education, 1965
Ed.D. 1967, University of Virginia; postdoctoral study, Purdue University

JENNINGS, LOUIS B., Professor of Bible and Religion, 1948
Ph.D. 1964, University of Chicago

JENSON, JOHN R., Associate Professor of Journalism, 1971
Ph.D. 1970, Bowling Green University

JERVIS, JACK, JR., Associate Professor of Education, 1964
Ed.D. 1971, University of Tennessee

JINKS, WILLARD L., Assistant Professor of Biological Sciences (Zoology),
1967
Ph.D. 1968, University of Kentucky

JOHNSON, DOROTHY R., Assistant Professor of Speech, 1965
M.A. 1947, University of Pennsylvania; M.A. 1948, Northwestern
University; graduate study, Marshall University, Ohio University, Ohio
State University

JORDAN, BERFITT, Associate Professor of Mathematics, 1960
M.A. 1947, Marshall University; graduate study, Cornell University, West
Virginia University, University of Colorado, Oberlin College

KAHLE, E. BOWIE, Instructor in Biological Sciences, 1968
M.S. 1966, West Virginia University; graduate study, West Virginia
University

KARR, CAROLYN M., Assistant Professor of Social Studies, 1966
Ph.D. 1972, Ohio State University

KEARNS, WILLIAM G., Associate Professor of Speech, 1956
M.A. 1955, Ohio University; graduate study, Ohio University

KEENAN, ROBERT A., Assistant Professor of English, 1969
M.A. 1969, Ohio University; graduate study, Ohio University
KEHOE, WILLIAM J., Assistant Professor of Marketing, 1971
M.B.A. 1969, Xavier University

KELLER, JAMES R., Assistant Professor of Mathematics, 1966
M.S.T. 1967, University of Arizona; graduate study, University of Illinois

KELLNER, CLARENCE A., Associate Professor of Speech, 1969
Ph.D. 1969, Ohio University

KHATENA, JOE, Associate Professor of Education, 1969
Ph.D. 1969, University of Georgia

KILGORE, JUNE Q., Associate Professor of Art, 1959
M.F.A. 1971, Pratt Institute

KINGSBURY, C. LAWRENCE, Professor of Music, 1950
Ed.D. 1945, Indiana University

KNOUSE, DAVID C., Assistant Professor of Modern Languages (Spanish), 1947
M.A. 1967, West Virginia University; graduate study, Marshall University

KONG, CHANG L., Associate Professor of Chemistry, 1967
Ph.D. 1967, St. Louis University

KONTOS, NICHOLAS C., Assistant Professor of Economics, 1965
M.A. 1958, Indiana University; graduate study, University of Michigan,
University of Colorado, West Virginia University

KOONTZ, DAVID E., Associate Professor of Education, 1970
Ph.D. 1967, Kent State University

KOPP, MARY S., R.N., Instructor in Nursing, 1969
B.S. 1948, Ohio State University; R.N. 1941, Jewish Hospital School of
Nursing

LA CASCIA, JOSEPH S., Professor of Economics, 1969
Ph.D. 1967, University of Florida

LANEGGER, ALFRED P., Associate Professor of Music, 1947
M.M. 1947, Syracuse University; Diploma, State Academy of Music,
Munich, Germany, 1929

LARSON, JOHN W., Assistant Professor of Chemistry, 1968
Ph.D. 1968, Carnegie-Mellon University

LAWSON, DONNA L., Instructor in Physical Education, 1967
M.S. 1966, Marshall University

LEMKE, THOMAS F., Assistant Professor of Chemistry, 1970
Ph.D. 1968, Lehigh University

LENNING, ANN, Instructor in English, 1969
M.A. 1966, Marshall University; graduate study, Marshall University, Ohio University

LEPLEY, ARTHUR R., Professor of Chemistry, 1965
Ph.D. 1958, University of Chicago

LESLIE, SHARON, MTASCP, Clinical Instructor in Medical Technology, 1968
B.S.M.T. 1962, Marshall University

LICHTENSTEIN, JOSEPH M., Associate Professor of Education, 1946
M.A. 1940, Fordham University; graduate study, Columbia University, Rutgers University, University of Cincinnati, New York University

LIEBERMAN, JULIUS, Professor of Modern Languages (German), 1946
Ph.D. 1943, University of Cincinnati

LISH, G. REX, Instructor in Accounting, 1971
M.B.A. 1971, Idaho State University

LITTLER, JOHN G. F., Assistant Professor of Chemistry, 1968
Ph.D. 1966, Nottingham University

LUSTIG, VINCENT F., Assistant Professor of Speech, 1969
Ph.D. 1970, Ohio State University

MacCONNEY, LINDA K., Instructor in Office Administration, 1969
M.A. 1969, Marshall University

McCARDELL, WALLIN S., Instructor in Journalism, 1971
M.A. 1968, Brigham Young University; graduate study, University of Iowa

McCARNES, EDWIN C., Instructor in Speech, 1967
M.A. 1965, West Virginia University; graduate study, Ohio University, Marshall University

McCLELLAN, BETTY K., Instructor in English, 1967
M.A. 1961, Case Western Reserve University; graduate study, Marshall University

McCOY, ZANE, Associate Professor of Education, 1969
Ph.D. 1970, Ohio State University

McDOWELL, WILLIAM A., Assistant Professor of Education, 1971
Ph.D. 1971, Kent State University

McGHEE, JERRIE L., Instructor in Home Economics, 1970
M.S. 1968, Pennsylvania State University

McKERNAN, JOHN J., Assistant Professor of English, 1967
M.F.A. 1971, Columbia University

McMULLEN, KYLE G., Associate Professor of Accounting, 1966
M.B.A. 1970, West Virginia University; C.P.A., 1960
MADDOX, ROBERT F., Assistant Professor of History, 1966
M.A. 1966, Marshall University; graduate study, University of Kentucky

MANAKKIL, THOMAS J., Associate Professor of Physics and Physical Sciences (Physics), 1967
Ph.D. 1967, New Mexico State University

MARPLE, JAMES D., Instructor in Marketing, 1971
M.B.A. 1971, Marshall University

MARSHALL, MARY E., Assistant Professor of Physical Education, 1966
M.S. 1964, University of Tennessee; graduate study, University of Tennessee, Connecticut College School of Dance, University of North Carolina - Greensboro

MARSTELLER, DANIEL F., Assistant Professor of English, 1970
M.A. 1965, University of Virginia; graduate study, Vanderbilt University

MARTIN, DONALD C., Professor of Physics and Physical Sciences (Physics), 1943
Ph.D. 1936, Cornell University; postdoctoral study, Northeastern University, University of New Mexico

MARTIN, JOHN L., Professor of Modern Languages (Spanish), 1935
Ph.D. 1940, University of Pittsburgh

MATHEWS, SHIRLEY F., Instructor in Education, 1945
M.A. 1944, University of Wisconsin; graduate study, University of Southern California, University of Wisconsin, University of Minnesota, Marshall University

MATTICE, EDSON R., Colonel, U. S. Army, Professor of Military Science, 1969
B.S. 1937, University of New Hampshire

MATZ, CLAIR W., JR., Assistant Professor of Political Science, 1970
Ph.D. 1970, University of Virginia

MEAD, JOHN H., Assistant Professor of Music, 1969
M.A.T. 1968, University of Vermont; graduate study, University of Kentucky

MEADOWS, STEVEN A., Assistant Professor of Education, 1967
M.A. 1965, Marshall University; graduate study, Marshall University, George Washington University

MENDENHALL, GEORGE M., Assistant Professor of Engineering, 1960
B.E.S. 1960, Marshall University; graduate study, West Virginia University (KVGC), Louisiana Polytechnic Institute

MILAM, EDITH W., Assistant Professor of English, 1958
M.A. 1955, Marshall University; graduate study, George Peabody College for Teachers, Morehead State University, Marshall University
MILICIA, MAUREEN B., Assistant Professor of Speech, 1968
M.A. 1967, Marshall University; graduate study, Marshall University

MILLER, CARL B., Associate Professor of Marketing, 1946
M.A. 1942, Northwestern University; graduate study, University of Kentucky, University of Colorado, Boston University

MILLER, EVA L., Assistant Professor of Accounting, 1946
M.A. 1942, Columbia University

MILLS, HOWARD L., Professor of Biological Sciences (Botany), 1951
Ph.D. 1951, State University of Iowa

MILLS, MARVIN D., Associate Professor of Physical Education, 1968
M.A. 1949, New York University; graduate study, New York University, West Virginia University, University of Kentucky, Michigan State University

MININNI, FRANK J., Associate Professor of Philosophy, 1970
Ph.D. 1970, University of Innsbruck

MITCHELL, MARVIN O., Professor of English, 1952
Ph.D. 1953, University of North Carolina

MODLIN, PHILIP E., Assistant Professor of Biological Sciences, 1957
M.A. 1957, Marshall University; graduate study, West Virginia University

MOFFAT, CHARLES H., Professor of History, 1946
Ph.D. 1946, Vanderbilt University

MORELL, R. W., Dean of School of Business and Professor of Business Administration, 1969
Ph.D. 1957, St. Louis University; postdoctoral study, Indiana University

MORGAN, PATRICK H., Acting Dean of Applied Science and Assistant Professor of Engineering, 1962
M.A. 1965, Marshall University

MORGAN, RONALD R., Assistant Professor of Education, 1971
Ph.D. 1970, Arizona State University

MORRIS, DAN E., Assistant Professor of Education, 1971
M.Ed. 1965, University of Cincinnati; graduate study, Ohio University

MOSHER, MELVYN W., Assistant Professor of Chemistry, 1969
Ph.D. 1968, University of Idaho

MURPHY, HAROLD T., Associate Professor of Modern Languages (Spanish), 1960
M.A. 1955, Vanderbilt University; graduate study, University of Guanajuato, Case Western Reserve University
NICHOLS, JACK E., Departmental Assistant and Assistant Professor of Curriculum and Instruction, 1970
M.A. 1951, Marshall University; graduate study, Marshall University

NORDEEN, ELIZABETH H., Instructor in English, 1967
M.A. 1967, West Virginia University; graduate study, KVGC, West Virginia University

NOVAK, ELAINE A., Professor of Speech, 1956
Ph.D. 1963, Ohio State University

NUNLEY, GARY S., Instructor in English, 1969
M.A. 1967, University of Kansas; graduate study, University of Kansas

OBERLY, RALPH E., Assistant Professor of Physics and Physical Sciences (Physics), 1970
Ph.D. 1970, Ohio State University

O'CONNELL, THOMAS S., Associate Professor of Music, 1948
M.M. 1947, University of Michigan; graduate study, University of Michigan

OHGREN, LINNEA C., Instructor in Sociology, 1971
M.A. 1971, University of North Carolina, Chapel Hill

OLIPHANT, C. A. (Bill), Professor of Journalism, 1970
Ph.D. 1968, University of Iowa

OLSON, LeVENE A., Assistant Professor of Education, 1971
Ed.D. 1971, University of Georgia

OLSON, ROBERT D., Professor of Speech, 1968
Ph.D. 1965, Northwestern University

OLSON, THOMAS W., Assistant Professor of Engineering, 1955
B.E.S. 1955, Marshall University; graduate study, Marshall University, K.V.G.C., Iowa State University; P.E.

OVERHOLT, SHIRLEY W., Instructor in Office Administration, 1968
M.A. 1966, Marshall University; graduate study, Marshall University

PAGE, CLAYTON R., Professor of Speech, 1946
M.A. 1939, Pennsylvania State University; M.A. 1940, Baylor University; graduate study, State University of Iowa

PARRISH, VIRGINIA N., Associate Professor of Modern Languages (French), 1947
M.A. 1940, University of Kentucky; graduate study, University of Kentucky

PARSONS, KATHRYN T., R. N., Instructor in Nursing, 1970
B.S.N.Ed. 1949, University of Virginia
PATHAK, CHANDRA P., Assistant Professor of Economics, 1969
Ph.D. 1971, University of Tennessee

PATRAM, SARAH L., R. N., Associate Professor of Nursing, 1964
M.S.N. 1959, Catholic University of America

PAYNE, BRUCE C., Instructor in Finance, 1970
M.B.A. 1970, University of South Florida

PAYNTER, WILLIAM H., Assistant Professor of Social Studies, 1968
M.A. 1963, Ohio State University; graduate study, Ohio State University

PEELE, CHARLES V., Assistant Professor of Mathematics, 1967
Ph.D. 1971, University of Cincinnati

PERL, WALTER H., Professor of Modern Languages (German), 1948
Ph.D. 1936, University of Zurich

PERRY, SIMON D., Professor of Political Science, 1962
Ph.D. 1961, Michigan State University

PETERS, KEITH W., Instructor in Social Studies, 1970
M.A. 1970, Marshall University

PHILLIPS, B. MAXINE, Associate Professor of English, 1964
M.A. 1957, University of Alabama; graduate study, University of North Carolina, University of Kentucky

PHILLIPS, EDWARD S., Assistant Professor of Economics, 1971
Ph.D. 1970, University of Colorado

PHOTIADES, PHOTIOS, Instructor in Mathematics, 1968
M.S. 1968, Ohio University; graduate study, Ohio University

PILTZ, ETHEL D., Assistant Professor of Marketing, 1960
M.Ed. 1949, University of Pittsburgh; graduate study, Ohio University, Marshall University

PITTMAN, PHILIP M., Associate Professor of English, 1968
Ph.D. 1967, Vanderbilt University

PLOTT, JOHN C., Associate Professor of Philosophy, 1965
Ph.D. 1956, Banaras Hindu University

PLYBON, IRA F., Assistant Professor of English, 1970
M.A. 1962, Marshall University, graduate study, University of Maryland

PLYMALE, EDWARD L., Professor of Biological Sciences (Botany), 1946
Ph.D. 1942, State University of Iowa

PLYMALE, LYLE F., Associate Professor of Physics and Physical Sciences (Physical Science), 1965
M.A. 1948, Marshall University; graduate study, University of North Carolina, Marshall University

PLYMALE, SALLIE H., Instructor in Education, 1968
M.A. 1968, Marshall University; graduate study, Marshall University, Ohio University

POOLE, GEORGE C., Captain, U. S. Army, Assistant Professor of Military Science, 1970
B.A. 1965, William and Mary College

POWELL, LUTHER C., Major, U. S. Army, Assistant Professor of Military Science, 1970
B.A. 1961, Southern University

PRELAZ, EDWARD J., Assistant Professor of Physical Education, 1954
M.S. 1956, West Virginia University; graduate study, West Virginia University, Marshall University

PRICE, HOWARD C., Assistant Professor of Chemistry, 1971
Ph.D. 1971, State University of New York, Binghamton

PUTZ, MARILYN R., Associate Professor of English and Director of Creative Writing, 1956
M.A. 1955, Vanderbilt University and George Peabody College for Teachers; graduate study, Vanderbilt University, Instituto Allende San Miguel de Allende, Mexico, George Peabody College for Teachers, Morehead State University

QUEEN, BERNARD, Professor of Education, 1963
Ph.D. 1967, Ohio State University

RACZOK, HARRY A., Instructor in Biological Sciences (Botany), 1968
M.S. 1966, Marshall University; graduate study, University of Maryland, Marshall University

RAILEY, JIMMY H., Associate Professor of Physical Education, 1971
P.E.D. 1969, Indiana University

RAMSEY, WILLIAM C., Assistant Professor of English, 1970
Ph.D. 1971, University of North Carolina

REED, TERENCE J., Assistant Professor of Mathematics, 1971
Ph.D. 1966, University of Minnesota

REGULA, WALTER E., Associate Professor of Education, 1962
Ph.D. 1965, Ohio State University

RIDDEL, FRANK S., Instructor in Social Studies, 1968
Ed.D. 1971, Ohio State University

RITCHIE, CHARLES C., Jr., Professor of Education, 1959
Ed.D. 1963, West Virginia University
THE FACULTY

ROBERTS, BETTY R., Assistant Professor of Physical Education, 1969
M.S. 1963, University of Tennessee; graduate study, University of
Tennessee, University of North Carolina

ROBERTS, JOSEPH L., Associate Professor of Chemistry, 1966
Ph.D. 1964, University of Cincinnati

ROGERS, WILEY S., Professor of Geology, 1969
Ph.D. 1960, University of North Carolina

ROSSWURM, RICHARD H., Assistant Professor of Political Science, 1968
M.A. 1964, Catholic University of America; graduate study, University of
Maryland

ROWE, CLYDE E., Sergeant First Class, U. S. Army, Instructor in Military
Science, 1970

ROYER, HERBERT H., Assistant Professor of Education, 1948
M.A. 1952, Marshall University; graduate study, San Jose State College,
California Polytechnic Institute, University of Pacific, Monterey Peninsula
College

RUMMELL, MARTHA B., Assistant Professor of Education, 1938
M.Ed. 1938, University of Cincinnati; graduate study, University of
Minnesota, Marshall University

RUNYAN, CHARLES S., Professor of Education, 1953
Ed.D. 1953, University of Missouri

RUTHERFORD, JAMES W., Assistant Professor of Physics and Physical
Sciences (Physical Science), 1960
M.S. 1949, West Virginia University; graduate study, Marshall University

SADLER, JASPER E., Clinical Professor of Medical Technology, 1956
M.D. 1950, University of Cincinnati

SAGER, MICHAEL O., Instructor in Physical Education, 1970
M.Ed. 1970, Ohio University

SANDERSON, DEWEY D., Instructor in Geology, 1971
B.S. 1964, University of Wisconsin

SAUNDERS, ROBERT C., Assistant Professor of Physical Education, 1967
M.A. 1963, Ohio State University; graduate study, University of Maryland,
Ohio State University

SAWANIEWSKI, WALTER, Assistant Professor of English, 1963
M.A. 1963, Marshall University; graduate study, Morehead State
University, Marshall University, University of London, England

SCHWENDIMAN, GARY, Assistant Professor of Psychology, 1969
Ph.D. 1971, Brigham Young University
SHAMBORA, WILLIAM E., JR., Lieutenant Colonel, U. S. Army, Professor of Military Science, 1971
B.S.E. 1950, United States Military Academy

SHANHOLTZER, WESLEY L., Assistant Professor of Physics and Physical Sciences (Physics), 1966
Ph.D. 1968, West Virginia University

SHARMA, CHANDRA B., Associate Professor of Chemistry, 1968
Ph.D. 1965, Texas A & M University

SHEILS, JOHN P., Clinical Associate Professor of Medical Technology, 1965
M.D. 1960, Medical College of Virginia

SHEPHERD, JANE B., Professor of Music, 1958
M.M. 1942, Cincinnati Conservatory of Music; graduate study, Julliard School of Music

SHOEMAKER, JON P., Associate Professor of Biological Sciences (Zoology), 1964
Ph.D. 1964, Auburn University

SILL, MAURICE L., Professor of Sociology, 1969
Ph.D. 1958, Pennsylvania State University

SIMPKINS, KATHERINE W., Associate Professor of Education, 1971
Ph.D. 1969, Ohio University

SIMPKINS, O. NORMAN, Professor of Sociology, 1948
Ph.D. 1953, University of North Carolina

SINGH, RAM N., Assistant Professor of Sociology, 1969
Ph.D. 1970, University of Georgia

SISARCICK, WOOD C., Assistant Professor of Mathematics, 1965
Ph.D. 1971, University of Kentucky

SKEINS, HARRY, JR., Major, U. S. Army, Assistant Professor of Military Science, 1969
M.A. 1960, Marshall University

SLAATTE, HOWARD A., Professor of Philosophy, 1965
Ph.D. 1956, Drew University

SMITH, ALLEN C., JR., Assistant Professor of Engineering, 1968
M.S.M.E. 1965, Virginia Polytechnic Institute; graduate study, Virginia Polytechnic Institute

SMITH, BIRNA R., Instructor in Speech, 1968
M.A. 1968, Ohio University; graduate study, Marshall University, Ohio State University
SMITH, JOHN E., Assistant Professor of Education, 1969
    Ed.D. 1969, West Virginia University

SMITH, THELMA T., Assistant Professor of Education, 1950
    M.A. 1950, Marshall University; graduate study, Marshall University

SOWARDS, HARRY E., Assistant Professor of Education, 1966
    M.A. 1961, Marshall University; graduate study, Marshall University,
        Colorado State College, Ohio University

STACY, WILLIAM B., Instructor in Music, 1968
    M.A. 1968, University of North Carolina; graduate study, University of
        Colorado

STERNS, HARVEY N., Associate Professor of Education, 1969
    Ph.D. 1968, University of Michigan

STEWART, PAUL D., Professor of Political Science, 1948
    Ph.D. 1948, Duke University

STICKMAN, BARBARA B., Assistant Professor of English, 1965
    M.A. 1965, Marshall University; graduate study, Marshall University, West
        Virginia University, Ohio University

STINSON, SAMUEL T., Professor of Engineering, 1940
    M.S.E. 1950, University of Michigan; graduate study, Virginia Polytechnic
        Institute; P.E.

STOOKE, DAVID E., Associate Professor of English, 1967
    M.A. 1962, George Peabody College for Teachers; graduate study, George
        Peabody College for Teachers, University of Missouri

STONE, JOSEPH M., JR., Instructor in Management, 1971
    J.D. 1970, West Virginia University

STULL, ELLA D., Instructor in Physical Education, 1968
    M.S. 1966, West Virginia University; graduate study, Ohio State University

STUMP, NANCY K., Assistant Professor of Modern Languages (French), 1968
    M.A. 1968, Ohio State University; graduate study, Ohio State University

SUITER, PHIL E., Associate Professor of Education, 1966
    Ph.D. 1969, Ohio State University

SULLIVAN, HENRY J., Instructor in Speech, 1969
    M.A. 1969, West Virginia University

SULLIVAN, WILLIAM P., Professor of English, 1968
    Ph.D. 1961, Columbia University

TAGGART, JAMES L., Associate Professor of Music, 1970
    Ph.D. 1963, University of Iowa
TARTER, DONALD C., Associate Professor of Biological Sciences (Zoology), 1969
   Ph.D. 1968, University of Louisville

TAYLOR, ELINORE, Instructor in English, 1970
   M.A. 1966, Marshall University; graduate study, University of Virginia

TAYLOR, WAYNE G., Assistant Professor of Physical Education, 1971
   Ed.D. 1971, University of Tennessee

TEEL, JOHN W., Assistant Professor of English, 1967
   M.A. 1962, Marshall University; graduate study, Kent State University

TEN HARMSEL, LARRY, Assistant Professor of English, 1971
   Ph.D. 1971, Ohio University

TERRY, ELEANOR H., Assistant Professor of Education, 1971
   M.S.L.S. 1971, University of Kentucky

THEIS, ANN V., Associate Professor of Education, 1953
   M.A. 1948, Case Western Reserve University; M.S. in Library Science, 1955, Case Western Reserve University

THOMPSON, LAYTON O., Associate Professor of Mathematics, 1955
   M.S. 1955, West Virginia University

THORN, ERIC P., Associate Professor of English and Director of Honors Program, 1956
   M.A. 1956, Brooklyn College; graduate study, New York University

TUCKER, GLENN G., Associate Professor of Education, 1969
   Ed.D. 1969, University of Florida

TURKO, JOHN, Assistant Professor of Physical Education, 1969
   M.S. 1962, West Virginia University; graduate study, West Virginia University

TURNER, RALPH, Instructor in Journalism, 1968
   M.A. 1969, Marshall University; graduate study, Marshall University, Rochester Institute of Technology

TURNER, TAYLOR E., JR., Associate Professor of Education and Director of Reading Center, 1968
   Ed.D. 1967, University of Virginia

TYSON, A. MERVIN, Director of Institutional Self Study and Professor of English, 1959
   Ph.D. 1952, University of Pennsylvania

VALENTINE, CAROL T., Assistant Professor of English, 1965
   M.A. 1963, Marshall University; graduate study, Marshall University, Morehead State University
VASS, MARGARET S., Assistant Professor of Education, 1958
M.A. 1961, Marshall University; graduate study, Marshall University

VEST, GAYLE L., Instructor in Modern Languages (German), 1969
M.A. 1968, West Virginia University

VICKERS, CAROL A., Associate Professor of Home Economics, 1966
Ph.D. 1969, Ohio State University

VIRGALLITO, BEULAH B., Assistant Professor of English, 1960
M.A. 1960, Marshall University; graduate study, Ohio State University, Marshall University

WAITE, RICHARD W., Associate Professor of Education, 1968
Ph.D. 1968, University of Michigan

WALDRON, DIANA C., Instructor in English, 1968
M.A. 1968, University of Virginia

WALLACE, WILLIAM A., Professor of Education, 1967
Ed.D. 1966, Wayne State University

WARD, GEORGE, II., Professor of Psychology, 1962
Ph.D. 1961, Ohio State University

WARD, HAROLD E., Professor of Biological Sciences, 1950
Ph.D. 1964, Ohio State University

WARREN, JOHN R., Professor of Biological Sciences (Botany), 1964
Ph.D. 1950, Ohio State University

WEAKS, THOMAS E., Assistant Professor of Biological Sciences, 1971
Ph.D. 1971, University of Tennessee

WEBB, A. BERT, Assistant Professor of Education, 1971
Ed.D. 1971, University of Tennessee

WEBB, CHARLES D., Associate Professor of Accounting, 1967
M.B.A. 1969, West Virginia University; C.P.A. 1966

WEBSTER, WESLEY G., Instructor in English, 1969
M.A. 1969, University of Arkansas

WELLMAN, RUTH T., Associate Professor of Education, 1970
Ph.D. 1971, Ohio University

WELLS, JANE F., Assistant Professor of English, 1966
M.A. 1966, Marshall University; graduate study, Marshall University, Morehead State University, West Virginia University

WERTHAMMER, SIEGFRIED, Clinical Professor of Medical Technology, 1956
M.D. 1937, University of Vienna
WESTBROOK, WILLIAM S., Associate Professor of Economics, 1971
Ph.D. 1966, Ohio State University

WHEAR, PAUL W., Associate Professor of Music, 1969
Ph.D. 1961, Case Western Reserve University

WHITLEY, W. THURMON, Assistant Professor of Mathematics, 1970
Ph.D. 1969, Virginia Polytechnic Institute

WIDEMAN, THOMAS B., JR., Assistant Professor of Education, 1969
Ed.S. 1970, University of Alabama

WILLEY, HAROLD L., Professor of Education, 1946
Ed.D. 1958, University of Tennessee

WILLIAMS, T. D. DUNCAN, Professor of English, 1966
M.A. 1956, Oxford University, England

WILLIAMS, TONY L., Associate Professor of Education, 1970
Ed.D. 1970, West Virginia University

WILSON, LAURA L., R.N., Assistant Professor of Nursing, 1967
B.S.N.Ed. 1953, University of Pittsburgh

WISWELL, MERIDETH P., Assistant Professor of Management, 1970
J.D. 1948, University of Michigan (Law); Th.M. 1959, Claremont
University Center; LL.M. 1960, Yale University (Law)

WITOFSKY, STANLEY I., Instructor in Speech, 1970
M.F.A. 1970, Ohio University

WOLF, ELIZABETH B., Professor of Psychology, 1960
Ph.D. 1946, Case Western Reserve University

WOLFF, ROBERT D., Professor of Music, 1963
Ed.D. 1961, Columbia University

WOODEN, WARREN W., Assistant Professor of English, 1968
Ph.D. 1971, Vanderbilt University

WOODWARD, DAVID R., Associate Professor of History, 1970
Ph.D. 1965, University of Georgia

WRIGHT, BERNICE F., Associate Professor of Education, 1946
M.A. 1929, University of Michigan; graduate study, University of
Washington, Marshall University

WRIGHT, KATHRYN W., Instructor in Education, 1967
M.A. 1967, Marshall University, graduate study, Ohio State University,
Ohio University

Wehler, Katherine, Professor of English .................. 1922-1953
White, L. Marie, Assistant Registrar ..................... 1941-1953
White, Mary Ann W., Associate Professor of English ...... 1934-1958
General Information

Marshall University, supported by the State of West Virginia, encourages individual growth by offering programs and instruction in the attainment of scholarship, acquisition of skills, and personality development.

The university provides students with opportunities to understand and to make contributions to the culture in which they live; to develop and maintain physical health; to participate in democratic processes; to learn worthwhile spiritual, social and economic values; to develop intellectual curiosity and the desire to continue personal growth; and to share in a varied cultural program.

Professional, technical, or industrial career studies are available through the various departments of the university.

Marshall also recognizes an obligation to the state and community by offering evening courses, extension classes, lectures, musical programs, conferences, forums, and other campus and field activities.

HISTORY

Marshall University was founded as Marshall Academy in 1837 by a group of Cabell County citizens. According to tradition, they met first at the home of John Laidley, who chose the name “Marshall” in honor of his close friend, Chief Justice John Marshall, who had died two years earlier.

A subscription school, operated by Isaac Peck at Mount Hebron, two miles down the Ohio River from the town of Guyandotte, became the nucleus of the new institution. The school had met in a log structure, also used as a church, which stood on a knoll, now the site of part of "Old Main."

A year later the academy was incorporated by the Virginia Assembly with Mr. Laidley as president of the Board of Trustees. The trustees purchased one and one-half acres of land from James and Lucy Holderby who stipulated that it was to be used "for purposes of an academy and no other." They also erected a two-story brick building to replace the log structure, enclosed the land and sank a well.

For more than a decade the academy was successful in attracting students and preparing them for college entrance and for teaching positions in the county schools, in spite of inadequate financial support.

In 1850 the academy and its financial obligations were accepted by the conferences of the Methodist Episcopal Church, South. Educational progress continued under church auspices and, in 1858, the original act of incorporation was amended to raise the institution to college level. The name was changed to Marshall College, a faculty of five was elected, and a full college program was offered.

However, financial difficulties, doubtless aggravated by the sectional differences of the time, became acute and, near the beginning of the Civil War, the institution was sold for debt.

During the war years the college premises were occupied by a family some members of which conducted a private school to satisfy the clause in the deed which limited use of the property to school purposes. Tradition holds that the building was also used for a time as a hospital for Union soldiers.
In 1867, four years after the birth of the new state of West Virginia, the Legislature passed an act creating a normal school "... to be called West Virginia State Normal School ... to be established at Marshall College in the County of Cabell."

College preparatory work was offered in addition to teacher training and, by 1886, there was also a full, "academical" course of two years. Through the later years of the 19th century and the first two decades of the 20th, the college offered, in addition to secondary work, two years of liberal arts work and two years of teacher training.

In 1920 the West Virginia State Board of Education approved the granting of a bachelor's degree in education. Teachers College conferred degrees upon four candidates in June 1921.

The degree of Bachelor of Science was authorized in 1938, Bachelor of Engineering Science in 1940, and Bachelor of Science in Chemistry in 1951. The Bachelor of Business Administration was approved in 1954. In 1945 two-year programs leading to degrees of Associate in Arts and Associate in Science were approved.

A Division of Adult Education was established in 1947 to provide continuing education programs. The division, now the Division of Continuing Education, directs evening courses on the graduate and undergraduate level, offers extension work in various cities, and conducts special workshops, seminars, and institutes.

The Graduate School, authorized in May, 1948, grew out of a program of graduate work in six departments which had been established in 1938. Courses leading to the Master of Arts and Master of Science degrees were offered.

The College of Applied Science, established in 1960, offers studies in engineering, medical technology, cytotechnology, nursing, and military science. West Virginia's first educational FM station, WMUL, began broadcast activities in 1960.

The expanded academic program was officially recognized by the West Virginia Legislature in 1961 when it changed the name of the college to Marshall University. In 1963 Marshall University again enlarged its program by establishing Branches at Logan and Williamson. In 1971, these two branches were combined by the West Virginia Board of Regents under the name of Southern West Virginia Community College, an institution independent of Marshall University.

In 1966 a new degree program leading to the Master of Business Administration was approved, followed by new degrees of Master of Arts in Journalism, Bachelor of Science in Cytotechnology and Associate in Science in Cytotechnology in 1969.

Closed circuit television was first used for classroom instruction on the main campus in 1968. WMUL-TV began telecasting instructional and educational programs in 1969.

The School of Business was established as a major division in 1969.

**DEGREES AWARDED**

Four-year programs at Marshall University lead to the undergraduate degrees: Bachelor of Arts (A.B.), Bachelor of Science (B.S.), Bachelor of Science in Chemistry (B.S. in Chemistry), Bachelor of Science in Civil Engineering (B.S.C.E.), Bachelor of Engineering Science (B.E.S.), Bachelor of Science in Medical Technology (B.S. in Medical Technology), Bachelor of Science in
GENERAL INFORMATION

Cytotechnology (B.S. in Cytotechnology), and Bachelor of Business Administration (B.B.A.).

Two-year undergraduate programs lead to the degrees: Associate in Arts (A.A.), Associate in Science (A.S.), Associate in Science in Nursing (A.S. in Nursing), Associate in Science in Cytotechnology (A.S. in Cytotechnology).

The Graduate School offers programs leading to the degrees: Master of Arts (M.A.), Master of Science (M.S.), Master of Business Administration (M.B.A.), and Master of Arts in Journalism (M.A.J.).

ACCREDITATION

Marshall University is accredited by the North Central Association of Colleges and Secondary Schools and by the National Council for Accreditation of Teacher Education. Academic credits earned at Marshall University are fully standardized and are accepted by all other colleges and universities.

The Department of Chemistry is accredited by the American Chemical Society. The Civil Engineering Curriculum is accredited by the Engineer’s Council for Professional Development. The Nursing Education program is accredited by the National League for Nursing.

The university is approved for attendance of nonimmigrant students under the Federal Immigration and Nationality Act, and is approved by the American Association of University Women. Marshall holds membership in the American Council on Education, the Association of American Colleges, and the American Association of Colleges for Teacher Education.

LOCATION

The main campus of Marshall University is located in Huntington, W. Va. Huntington is located on the Ohio River close to the boundary of Kentucky, Ohio, and West Virginia, and it is served by rail, air, and highway transportation. A second campus, University Heights, is located four miles east of the main campus.

DIVISIONS

The university functions through six divisions: Teachers College, College of Arts and Sciences, College of Applied Science, Graduate School, Division of Continuing Education, and School of Business.

BUILDINGS

The Marshall University main campus consists of 65.5 acres near the center of Huntington. Building facilities are:

OLD MAIN, the oldest building on the campus, was built in sections between 1868 and 1908. It houses an auditorium, administrative and service offices, classrooms, and faculty offices.

NORTHCOTT HALL, completed in 1915 and named in honor of the late G. A. Northcott, a distinguished citizen of Huntington, provides facilities for the School of Business and the Department of Home Economics.

SCIENCE BUILDING, built in 1950 at a cost of $2,353,000 includes a 300-seat auditorium, laboratories, geology museum, classrooms, offices and a greenhouse.
MARSHALL UNIVERSITY LIBRARY, main section erected in 1930 honoring a former president of the university James E. Morrow. Additions completed in 1967.

STEWART HAROLD SMITH HALL, completed in 1967, the eight-story structure houses the departments of art, history, journalism, mathematics, modern languages, nursing education, political science, sociology and anthropology, and speech. Named for the university president who served from 1947-1968.

EVELYN HOLLBERG SMITH MUSIC HALL, completed in 1967 as part of the complex which includes the Stewart Harold Smith Hall. Total construction cost of the complex was $3,800,000. Houses the Department of Music. Named for the wife of the university president who served from 1947-1968.

OTTO GULLICKSON HALL was completed in 1961 and named in 1963 to honor an outstanding Marshall leader and teacher. The building houses the Department of Athletics, Department of Physical Education for Men, Department of Military Science and the Student Health Center. Facilities include classrooms, a main gymnasium with seating for 1,500, three auxiliary gymnasiums, a regulation swimming pool with seating for 350 spectators, a rifle range, 30-bed dormitory, and physical therapy rooms.

WOMEN'S PHYSICAL EDUCATION BUILDING, completed in 1921, houses the Department of Physical Education for Women, and includes a swimming pool, playing courts, and offices.

ALBERT GALLATIN JENKINS BUILDING was dedicated in 1937 and named in honor of a distinguished Confederate cavalry officer who was a native of Cabell County. It houses the Teachers College offices, faculty offices, and classrooms.

SHAWKEY BUILDING, built in 1932, it is named in honor of Morris P. Shawkey, a former president of the university. An addition to the building in 1955 doubled its original facilities.

UNIVERSITY DINING HALL was completed in 1940.

CAMPUS CHRISTIAN CENTER, erected in 1960 was built and is maintained by private donations. The center includes a 200-seat chapel, 250-seat fellowship hall, library, lounge, kitchen, conference rooms, and offices of religious counselors.

PRESIDENT'S HOUSE located at 1040 Thirteenth Avenue was provided as the president's resident in 1971. Located at 1515 Fifth Avenue is the house which served as the residence for university presidents from 1966 until 1971.

LAIDLEY HALL, opened in 1937, is a residence hall for women. It is named in honor of the university's founder, John Laidley.

LUCY PRICHARD HALL, housing women, was completed in 1955. Originally known as the Freshman Women's Dormitory, it was renamed in 1962 in honor of an outstanding former teacher at Marshall.

HODGES HALL, opened in 1937. It is named in honor of Thomas E. Hodges, a former president of the university.

SOUTH HALL, first four floors completed in 1961. Five additional floors completed in 1968. Designed for co-educational use.

WEST HALL, completed in 1964 to house women.

TWIN TOWERS RESIDENCE HALL, completed in 1969, two 17-story dormitories house nearly 1,000 men and women. Dining facility connects the skyscrapers.

MAINTENANCE, headquarters for the Department of Buildings and
Grounds.

MEMORIAL FIELD HOUSE, located 10 blocks east of the university, seats 6,250 and is used as Marshall's home basketball court.

FAIRFIELD STADIUM, seating 17,000 is 8 blocks south of the campus and serves as Marshall's football stadium.

UNIVERSITY HEIGHTS CAMPUS comprises 185 acres 4 miles east of the main campus. It provides space for married student housing, field research, recreation, and will be further developed for the academic program.

ENGINEERING BUILDING (Temporary), former State Road Commission structure now housing the Department of Engineering.

TELECOMMUNICATIONS CENTER, attached to the east side of Stewart Harold Smith Hall, houses the studio facilities of WMUL-TV, radio station WMUL, closed circuit television, and the Audiovisual Center. Completed in 1970.

MEMORIAL STUDENT CENTER, center of student social life, was completed in 1971. Houses the offices of the Student Government, Alumni Affairs, and Bookstore. Numerous recreational and meeting facilities provided.

SCHOOL OF BUSINESS, located at 1616 Fifth Avenue.

CENTER FOR STUDENT SERVICES, located at 1618 Fifth Avenue.

CAREER PLANNING AND PLACEMENT, located at 1620 Fifth Avenue.

NURSERY, located on the first floor at 1636 Fifth Avenue. Offices for federal programs are located on the second floor.

OLD MUSIC BUILDING, built in 1926 and used by the Department of Music prior to the completion of the Evelyn Hollberg Smith Music Hall. From 1966 to 1970 it housed the campus television facilities.

COMPUTER CENTER

An IBM 1620 data processing system was installed on the campus in 1964. The Computer Center consists of the 1620 computer unit, plus auxiliary equipment, and several accounting machines. The center is used for university administration, research, and courses of instruction in computer language and computer operation.

DEVELOPMENT AND ALUMNI AFFAIRS

The Office of Development and the Office of Alumni Affairs coordinate activities of the Marshall University Alumni Association and the Marshall University Foundation, Inc. The alumni association coordinates alumni activities and alumni support for the University; the Marshall University Foundation secures financial aid to supplement state appropriations for general operations and capital improvements.

The Marshall University Foundation, Inc.

The Marshall University Foundation, Inc., a nonprofit corporation chartered by the state of West Virginia in 1947, receives and holds in trust real and personal property that is given, devised, bequeathed, given in trust, or in any way assigned for use by Marshall University, any student, or any professor to carry out university work, teaching, or research. The corporation invests and dispenses all monies received and manages, administers and controls all property received according to the specifications established by the donors.
The Foundation is governed by a 21-member board of directors which includes representatives of the administration, faculty, alumni, and four members of the community without reference to their affiliation with the university or alumni association.

For purposes of the foundation, university needs are grouped into five general projects: scholarships and fellowships, library improvements, research, the president's fund for general undesignated aid, and capital funds.

Contributions, which may be made to any of the specific projects, should be made payable to The Marshall University Foundation, Incorporated, and should be sent to the secretary of the foundation, Marshall University, Huntington, West Virginia 25701.

The Marshall University Alumni Association

To provide communication and additional services to university alumni, the Marshall University Alumni Association maintains names and addresses of some 30,000 former students. Alumni publications include The Marshall Alumnus, a magazine. The Marshall Loyalty and Development Fund, receiving agency for annual alumni gifts to the university, is centered and serviced here. All Marshall alumni events (Alumni Day and Homecoming), projects and chapter activities are administered through this office.

MARSHALL UNIVERSITY LIBRARY

The Marshall University Library is housed in the James E. Morrow Library Building. Library facilities are open to university students, faculty, and staff. Permission for use of the facilities is also extended to others in the Huntington area when such use does not specifically interfere with use by those in the university community. Arrangements have been made with the Huntington Public Library to provide for cooperation in making the facilities of both collections available when necessary.

The library contains approximately 200,331 volumes, and more than 1,500 current periodicals are received regularly. The library is a designated depository for U.S. Government documents. Several special collections are available for reference use.

AUDIOVISUAL CENTER

The audiovisual program at Marshall University aids the university faculty in selecting and utilizing audiovisual aids, and trains teachers and prospective teachers in the use of all types of audiovisual materials, equipment, and techniques. Courses and workshops in audiovisual education are offered at the university and in extension centers throughout the state.

RADIO STATION WMUL

WMUL, Marshall's educational-FM radio station, began broadcasting in 1961. It is a university-wide activity, operated by a staff of volunteer students who are interested in broadcasting. The radio station is supervised by the Director of Educational Radio-TV, and is the first educational-FM station to operate in West Virginia. WMUL broadcasts on 88.1 Mhz seven days a week during the first and second semesters.
WMUL-TV

Operated by Marshall University and Associates Broadcasting, this non-commercial television station broadcasts educational, cultural, and entertaining programs on Channel 33. Studios are located on the main campus in the Telecommunications Center and at Nitro, West Virginia.

SHAKESPEARE ROOM

Located in the Marshall University Library, displays feature a model of the "Globe" theater, costumes from Shakespeare's plays, and other artifacts relating to the life of the "Bard".

This facility is unique in the nation, and offers opportunities for study and research.

GEOLOGY MUSEUM

The university geology museum contains a collection of more than 5,000 geological specimens gathered from around the world, state and area. The museum is located in the Science Building, as part of the Department of Geology. It is the only one of its kind in West Virginia.

MARSHALL ARTISTS SERIES, INC.

This non-profit corporation provides for the appearance of artists in the performing arts and lecture authorities. There are six divisions of activity within the Marshall Artists Series: Baxter Series, Mount Series, Forum Series, Convocation Series, Young Peoples Series, and Summer Series. Marshall University students with Activity Cards may attend all but the Young Peoples Series at no charge. Inquiries should be addressed to: Marshall Artists Series, Inc., Marshall University, Huntington, W. Va. 25701.
Admission

GENERAL ADMISSION PROCEDURE

All high school and transfer students applying for admission to Marshall University must file an application and health record on forms provided by the Office of Admissions. All credentials in support of an application must be on file at least two weeks before the opening of a semester or term.

All correspondence and matters pertaining to admissions should be addressed to:
  Director of Admissions
  Marshall University
  Huntington, West Virginia 25701

GENERAL REQUIREMENTS OF ALL APPLICANTS FOR ADMISSION

All credentials submitted in support of an application for admission become the property of the university and are not returned to the student. Such credentials include an official transcript of high school or college grades and an application for admission and a health record. The prospective student is responsible for the submission of all necessary forms and records in support of an application for admission.

Prospective students are notified as soon as action is taken on their application.

Admission is for one semester or term and may be used only for that time. If the student fails to register during the semester or term for which he has been admitted, he must file another application if he desires admission at a later date.

Admission to the university does not guarantee housing. An application for housing will be sent after the student has been admitted to Marshall University. All housing arrangements must be made through the office of the Assistant Dean of Students for Housing.

A dormitory reservation or a scholarship award or grant in aid is void unless the student applies for and is admitted to the university.

Any student admitted on the basis of false and/or incomplete credentials is subject to immediate dismissal from Marshall University.

ADMISSION OF WEST VIRGINIA HIGH SCHOOL GRADUATES

To be eligible for admission from an approved West Virginia high school, the applicant must have graduated with a minimum of 17 units and rank in the upper three-fourths of the high school graduating class and have a satisfactory recommendation from his high school principal. West Virginia high school graduates who rank in the lower quarter of their class may be admitted if they attain a composite score of 14 or above on the American College Test (ACT). The following high school units are required for admission by the West Virginia Board of Regents:
  English—four units
Must be basic English with no substitutes such as speech, journalism, drama or library.

Science—two units
   One of which must be biology. The second unit must be basic science such as general science, chemistry, physical science, physics, etc.

Mathematics—two units
   One of which must be algebra

Social Studies—three units
   One of which must be American history

Health and Physical Education—one unit
   Unless waived by the high school principal upon written recommendation of a physician.

Foreign language—Two units recommended but not required.
   The two units should be in the same language.

Students who are deficient not more than two subjects in the required course pattern, and not more than one in the same area, may be eligible for admission if they rank in the upper half of their graduation class and attain a score of 17 or above on the American College Test (ACT) or a total score of 800 on the College Entrance Examination Board (CEEB).

Under exceptional circumstances the above requirements may be waived.

NOTE: Those who have graduated from West Virginia high schools before 1961 are automatically eligible for admission to Marshall University.

Veterans of one year or more who have graduated from West Virginia high schools and have not attended college level work are also automatically eligible for admission to Marshall University.

Admission to the university is not necessarily admission to a particular college or curriculum within the university. Each student must meet the requirements of the college he wishes to enter, or of the degree he seeks.

Entrance into certain programs may entail requirements in addition to those stated above. For example, entrance into the nursing program requires a personal interview, and entrance into the music program requires an audition. Candidates for these programs should consult with the appropriate departmental chairman.

It is recommended that students interested in earning certain degrees have units in addition to those required or recommended above:

Associate in Science or Bachelor of Science degree and pre-professional students—one unit of plane geometry.

Bachelor of Science in Chemistry degree—additional one unit of algebra, half unit of geometry, half unit of trigonometry, one unit of chemistry and one unit of physics recommended.

Associate in Science in Nursing degree—one unit of chemistry recommended. A satisfactory physical examination is required. Specific information concerning admission to the nursing program should be requested.

Bachelor of Science in Civil Engineering and Bachelor of Engineering Science degrees—recommended mathematics: algebra, plane and solid geometry, trigonometry, analytical geometry, and an introduction to calculus through the equivalent of Mathematics 180. One unit of chemistry and one unit of physics are also recommended.
ADMISSION OF NONRESIDENT HIGH SCHOOL GRADUATES

Applicants whose legal residence is in a state other than West Virginia may be granted admission if they rank in the upper half of their graduating classes, meet the high school subject matter pattern as required for resident students, and have the recommendation of the high school principal or counselor. Students in the lower half of their high school graduating class may be admitted if they present adequate scores on the American College Test (ACT). Students who are deficient not more than two subjects in the required course pattern, and not more than one in the same area, may be eligible for admission if they rank in the upper half of their graduating class and attain a score of 17 or above on the American College Test (ACT) or a total of 800 on the College Entrance Examination Board (CEEB).

ADMISSION OF TRANSFER STUDENTS

Any person who has attended another accredited institution* of collegiate grade, whether he has earned credit or not, is classified as a transfer student. The university does not at any time or under any conditions disregard college or university credits earned elsewhere in order to admit an applicant solely on the basis of his high school record. All credentials submitted in support of an application for admission become the permanent property of the university. Credit earned at other accredited colleges and universities is allowed toward a degree if applicable.

To be eligible for unconditional admission, a transfer student must present evidence that he is capable of doing university level work and should have maintained an overall average of "C" (2.0) or better on all college work previously attempted.

Applications of transfer students with cumulative averages slightly below a 2.0 may be considered for admission if the work done in other colleges is equal to or above the academic standing required of a student in good standing at Marshall University.

The policy regarding transfer of student credits and grades between two-year and four-year institutions and between four-year institutions in the public higher education system of West Virginia is as follows:

Credit and grades earned for all baccalaureate level courses at any baccalaureate degree-granting institution in the West Virginia state-supported system of higher education shall be transferable to Marshall University.

Seventy-two hours of credits and grades earned for college-parallel courses completed at community colleges or branch colleges in the West Virginia system of higher education shall be transferable to Marshall University.

Transfer students must fulfill the graduation requirements of Marshall University to receive a degree.

Candidates for graduation must have a quality point average of 2.0 or higher on all work attempted at Marshall University.

NOTE: A student who attends another institution of collegiate level during the summer session immediately following graduation from high school is

*Accredited colleges or universities are those approved by national or regional accrediting associations or the state university in the state in which the institution is located.
admitted as an entering freshman with advanced standing. New students attending Marshall University's Summer Session will not be eligible for advanced registration during the September orientation period for new freshmen.

ADMISSION OF PART-TIME STUDENTS

Part-time students must meet the same requirements as full-time students, with the exception of auditors (those who attend classes for no credit). Auditors must file an application and obtain the permission of the instructor to sit in on the class.

SPECIAL STUDENTS

Individuals who hold the baccalaureate degree from an accredited institution may enter an undergraduate college or school at Marshall University by completing the application for admission and by presenting evidence of the receipt of the degree: either final transcript or diploma.

CLASSIFICATION OF FRESHMEN

Graduates of accredited high schools are admitted in good standing if their grade average on required content subjects is between C and A-

Graduates whose scholastic average is A- (3.75) or above are admitted with honors.

THE AMERICAN COLLEGE TEST

Marshall University requires the American College Test (ACT) for the placement of all freshmen. Test scores are used in placing students in sections of English and mathematics, for scholarship and loan applications, and in the academic counseling programs of the colleges and School of Business. High school students are urged to take this test during October or December of their senior year at the nearest test center. Information and applications may be secured from the high school principal or counselor. The test results must be on file in the Admissions Office before a student will be permitted to participate in orientation or registration.

ADMISSION BY GENERAL EDUCATION DEVELOPMENT TEST

Applicants, veterans and nonveterans, must be 19 years of age or past the age they would have been had they remained in high school until they graduated and must have been out of school more than one year preceding their application.

Applicants for admission who completed the test in the armed forces may have an official copy of their scores forwarded to the Office of Admissions by writing to the United States Armed Forces Institute, Madison, Wisconsin.

A non-high school graduate is admitted to Marshall University if he attains a standard score of 40 or above on each of the 5 parts of the test or an average standard score of 50 or above on the entire test.

No credit is granted for completion of the college level GED Test.
PROVISIONAL ADMISSION OF HIGH SCHOOL STUDENTS

Provisional admission is granted to high school students who have attained a C+ (2.5) average or better on at least 12 units of the college bound curriculum at the end of 6 semesters of high school work, but final admission is not granted until after graduation from high school and the submission of the official high school record. Provisional admission is also granted to high school seniors during the second semester of their senior year. Final admission is granted after receipt of the final high school transcript.

ADMISSION OF SUPERIOR AND TALENTED HIGH SCHOOL STUDENTS

The university admits a limited number of outstanding high school students who have completed the junior year. This program permits superior and talented students to accelerate their education by attending the Summer Session between the junior and senior year of high school, or, if convenient they may take a course during the senior year. To be eligible for admission to the Summer Session under this program a student must:

1. Have completed the junior year of the college bound curriculum of his high school.
2. Have a B+ (3.50) or better average on high school subjects in the college bound curriculum.
3. Have the recommendation of his high school principal.
4. File an application for admission and submit transcripts of high school credits and grades.
5. Be approved by the Director of Admissions.
6. Pay regular university fees.

For additional information concerning this program write to the Director of Admissions.

ADVANCED PLACEMENT

Marshall University will accept advanced placement in the following fields: biology, chemistry, French, German, Latin, English composition, mathematics, physics, and Spanish.

The examination is prepared by the college board and the papers graded by readers of the Educational Testing Service, Princeton, New Jersey 08540. The examination paper, with the grade and an interpretation of the grade, a set of the examination questions, a description of the course as prepared by the school in which the work was done, and the school’s recommendation, are forwarded to Marshall University. Students scoring five or four on the examination are given credit while those scoring three are referred to the chairmen of the various departments for their decision as to whether credit should be given. Credit will not be allowed for students scoring below three.

INTERNATIONAL STUDENTS

Foreign students are admitted to Marshall when they demonstrate proficiency in written and spoken English by the successful completion of the Test of English as a Foreign Language, administered by the Educational Testing Service of Princeton, New Jersey 08540. Information concerning this test can be
secured through U.S. embassies and consulates throughout the world or by writing to TOEFL, 1755 Massachusetts Avenue, N.W., Washington, D.C. 20036.

This applicant must also file an application for admission and an official transcript of all academic credits and grades. The transcript must be sent by the institution last attended. The Application for Admission to an Educational Institution in the United States may be secured by writing to the Director of Admissions, Marshall University, Huntington, West Virginia 25701.

Foreign students admitted to the university must have sufficient funds to take care of all expenses.

International students at Marshall University should address questions regarding their immigration status to: Office of the United States Immigration and Naturalization Service, Pittsburgh, Pennsylvania.

**ORIENTATION PROGRAM**

The orientation program is designed to acquaint the new student with Marshall University, give him a chance to meet his academic advisor, and enable him to participate in registration. Orientation is held during the summer and in September. An invitation to this program is extended by the coordinator for orientation and specific questions should be directed to him.
Academic Information

FACULTY-STUDENT ADVISORY PROGRAM

Each student admitted to Marshall University is normally assigned to a faculty adviser, when possible from the field in which the student has expressed an interest. The adviser renders academic guidance by assisting in the preparation of class schedules, by counseling the student in meeting degree requirements, and by checking with him on his academic progress.

SEMESTER HOURS

The semester hour is the basis of college credit within the institution. A semester hour is the credit received for passing a subject taken one hour per week for one semester.

Laboratory courses require two or three hours per week for each semester hour of credit.

STUDENT SCHEDULES AND COURSES

1. SEMESTER LOAD. To make normal progress toward graduation, the student should complete approximately 25 per cent of the degree requirements within a calendar year. Semester programs of nineteen hours or more may be taken with permission of the academic dean if not stipulated in a degree program.

2. CHANGE OF SCHEDULE. Adding courses, dropping courses, changing class hours or days, or other changes of any kind after registration must have the written approval of the academic dean prior to making the change.

3. FULL TIME STUDENT DEFINED. A student carrying at least 12 semester hours in a regular semester, four semester hours in a single summer term. To qualify for full veterans’ benefits, a student must carry at least 14 hours in a regular semester, or four hours in a single summer term.

4. NUMBERING OF COURSES. Courses numbered 100-199 are primarily for freshmen. Courses numbered 200-299 are primarily for sophomores. Courses numbered 300-499 are primarily for juniors and seniors.

CLASSIFICATION OF STUDENTS

Students who have completed 90 hours or more of college work are classified as seniors.

Students who have completed at least 58 hours and less than 90 hours of college work are classified as juniors.

Students who have completed at least 26 hours and less than 58 hours of college work are classified as sophomores.

Students who have completed less than 26 hours of college work are classified as freshmen.
CLASSIFICATION OF ENGINEERING STUDENTS

Students who have completed 110 hours or more of college work are classified as seniors.

Students who have completed 70 hours and less than 110 hours of college work are classified as juniors.

Students who have completed 30 hours and less than 70 hours of college work are classified as sophomores.

Students who have completed less than 30 hours of college work are classified as freshmen.

GRADES AND QUALITY POINTS

The following system of grades and quality points is used within the institution:

A. For superior performance. Four quality points are earned for each semester hour with a grade of A.
B. For performance distinctly above the average in quality. Three quality points are earned for each semester hour with a grade of B.
C. For performance that is of average quality. Two quality points are earned for each semester hour with a grade of C.
D. For performance of below-average quality. One quality point is earned for each semester hour with a grade of D.
E. Failure, given for unsatisfactory work. No quality points.
W. Withdrawn prior to the last week of classes or withdrawn passing during the last week of classes. Not considered in determining the quality point average. (See regulations on withdrawal.)
WF. Withdrawn failing during the last week of classes. No quality points.
I. Incomplete, given to students who miss some of the last exercises of class work because of illness or some other valid reason beyond the control of the student. When the work missed is done satisfactorily, the final grade may be any one of the four passing marks. If a deficiency represented by I is not made up within a calendar year, or if the makeup work is unsatisfactory, the grade becomes an F. I-grade is not considered in determining the quality point average.

QUALITY POINTS REQUIRED FOR TEACHER CERTIFICATION AND GRADUATION

Quality points are based on the following quality point values for each semester hour of credit: "A"-4; "B"-3; "C"-2; "D"-1; and "F", "WF"-0.

The quality point average is computed on all work for which the student has registered with the following exceptions:

a. Courses with grades of "W" and "WP".
b. If a student earns a grade of "D" or "F" on any course taken no later than the quarter, semester, or summer term when he has attempted a total of 60 semester hours, and if he repeats this course one time only, first grade shall be disregarded for the purpose of determining the student's quality point average and the grade earned the second time this course is taken shall be used in determining his grade point average.
c. This regulation shall be effective only for students entering upon
college study for the first time in the fall term of 1968 and thereafter.

d. The first grade recorded shall not be deleted from the student’s record, and the second grade shall be entered adjacent thereto.

-Approved by the West Virginia Board of Education August 26, 1968.

Candidates for graduation and/or teacher certification must have a quality point average of 2.0 (C) or higher.

It is the student’s responsibility to keep informed on his quality point standing and his degree and/or certificate requirements. This information can be obtained from the dean of the college in which the student is registered.

REGULATIONS ON WITHDRAWAL FROM COURSES OR FROM THE UNIVERSITY

Official Withdrawal From Courses or From the University:

A student who wants to withdraw from one or more courses must apply to the dean of his college for permission. The dean informs the registrar, who in turn informs the instructors concerned.

A student desiring to withdraw from the university must apply to the dean of his college for permission. If permission is granted, the student must secure the approval of the appropriate administrative offices, as listed on the student withdrawal form. When applying for withdrawal whether in person or by mail, the student must turn in his unused meal book tickets, his activity card, and his student identification card. The semester’s validation on the I.D. card is voided and the card returned to the student for use in future registration.

In all cases of withdrawal from one or more courses or from the University the instructors report grades for the student as follows:

1. Students withdrawing before the final week of classes or withdrawing passing during the final week of classes will receive a grade of W. Not considered in determining the quality point average.

2. Students withdrawing during the final week of classes will receive a grade of WF if failing. No quality points.

3. Official withdrawals during the last week of classes and the examination period of a regular semester or the last week of a summer term are not permitted except in cases of extreme emergency beyond the control of the student. Withdrawals in this period will be permitted only through personal conference with the academic dean.

4. Men and women called to the armed services of the United States shall be granted full refund of fees, but no credit, if the call comes before the end of the first three-fourths of the term, and full credit but no refund of fees, shall be granted if the call comes thereafter; provided, however, that credit as described above will be granted only in those courses in which the student is maintaining a passing mark at the time of his or her departure to military service. In recording the final grades for three-fourths of a term or more, both passing and failing grades are to be shown on the student’s permanent record card.
Irregular Withdrawal From Courses or From the University:

Students who drop out of one or more courses without permission and who do not follow regulations provided in the preceding paragraphs receive a grade of F at the end of the semester or summer term.

ABSENCES FROM EXAMINATIONS

Students are required to take all regular examinations. If a student attends a course throughout the semester and is absent from the final examination without permission, the instructor counts the examination as zero and reports the final grade of F. If the absence is the result of illness or some other valid reason beyond the control of the student the grade of I is reported, and the student may, upon application, take the examination at a later date. (See "Incomplete" under Grades and Quality Points.)

ATTENDANCE POLICY

A student should recognize that one of the most vital aspects of a college experience is attendance and participation in classes and that the value of this academic experience cannot be fully measured by testing procedures alone.

The members of the student body are considered sufficiently mature to appreciate the necessity of regular attendance, to accept this personal responsibility, and to demonstrate the kind of self-discipline essential for such performances.

It is the responsibility of each individual instructor to evaluate the importance of student class attendance for his classes. Accordingly, each instructor prepares at the beginning of each semester a written statement setting forth his policy for consideration of unexcused absences, make-up examinations, and related matters, which will be in force for that semester. The statement is filed with the chairman of his department and a statement of policy on attendance appropriate to each class is read at the first class meeting.

In those cases where marked violations of class attendance policy occur, the instructor may notify his dean so that every effort can be made to find and counsel the student whose academic prospects are being jeopardized by non-attendance.

Absences such as those resulting from illness, death in the family, or institutional activities (those approved by the academic deans, such as debate, artistic performances and athletics) are to be excused when a student reports and verifies them to his instructor. For such excused absences, the students should not be penalized.

ACADEMIC PROBATION

Any student who has less than a 2.0 average is on academic probation.

INELIGIBILITY FOR SCHOLASTIC DEFICIENCIES

Students are subject to the academic regulations of the university. For failure to comply with such regulations, a student may be suspended as provided by the West Virginia Board of Regents.

1. A student must show marked improvement in academic
It is expected that his quality point average will be better than 2.0 on all work attempted during each succeeding term in which he is enrolled. If he fails to meet this standard, he may be declared ineligible to attend the next regular academic semester or he may be dismissed from the university.

2. A student who has a deficit of 20 or more quality points and who did not receive better than a 2.0 average on all work attempted during the semester in which he last enrolled may be declared ineligible to attend the next regular academic semester.

READMISSION OF STUDENTS DECLARED INELIGIBLE TO ATTEND THE REGULAR ACADEMIC YEAR

A student who has been declared ineligible for readmission to either the fall or spring semester may attend either or both of the summer sessions to improve his academic standing. After he has reduced his quality point deficiency to fewer than 20 or by the number stipulated by his college, he may petition for enrollment in the First and/or Second Semester. A student who is ineligible to attend a regular academic semester may attend one or both summer sessions and take one or more courses. If the student’s academic standing continues to deteriorate rather than improve, he will be subject to dismissal from the university.

Any student who enters another college or university following academic dismissal from Marshall University and thereafter seeks readmission to Marshall, is classified as a transfer student and is governed by the regulations applying to transfer students.

It should be understood, however, that students must have a quality point average of 2.0 or higher on all work attempted at Marshall University. Quality points earned at another institution may not be used to reduce a quality point deficiency created at Marshall.

TRANSFER FROM ONE COLLEGE TO ANOTHER

All decisions regarding a student’s transfer to another college within the university is controlled by the student and the dean of the college to which the student proposes to transfer.

Individuals who are returning to the university from one or more years of active military duty are eligible to enter the college of their choice.

POLICY REGARDING THE TRANSFERABILITY OF CREDITS AND GRADES

Whereas, The Board of Regents at its meeting on June 8, 1971, recognized that the state system of higher education should provide flexible opportunities which facilitate the attainment of individual educational objectives, and

Whereas, The Board at that time recorded its intention to establish a policy concerning the transfer of credits and grades which would enable students who complete college-parallel programs in the state community colleges to obtain baccalaureate degrees in two additional years with the possible exception of certain specialized curricula,

Therefore Be It Resolved, That the West Virginia Board of Regents establishes the following policy regarding the transfer of student credits and
grades between two-year and four-year institutions and between four-year institutions in the public higher educational system of West Virginia.

1. Credit and grades earned for all baccalaureate level courses at any baccalaureate degree-granting institution in the West Virginia state system of higher education shall be transferable to any other institution in the state system.

2. Seventy-two hours of credits and grades earned for college-parallel courses completed at community colleges or branch colleges in the West Virginia system of higher education shall be transferable to any baccalaureate degree-granting institution in the state system. 3. Transfer students must fulfill the graduation requirements of the institution from which they expect to receive a degree.

4. Each institution shall establish reasonable and nondiscriminatory policies that will permit transfer students from within the state system to graduate with honors.

5. Consistent with provisions 1 and 2 above, each baccalaureate degree-granting institution may require transfer students to meet any of the following standards:

   a. An average of "C" on previous work attempted, provided that the average be determined according to Board-approved regulations applicable to the institution from which the student is transferring.

   b. An average of "C" on work taken at the degree-granting institution, and an over-all "C" average according to the rules of that institution, as well as any requirements that may be established under provision 3 above.

   c. The completion of up to 36 additional hours of credit, in residence, regardless of the number of hours transferred.

   d. The completion of 16 of the last 32 hours before graduation in residence.

   e. The completion of up to 15 additional hours of credit in his major field regardless of the number of hours and the nature of the courses transferred.

Be It Further Resolved, That any policies of this Board contrary to the foregoing are rescinded.

Adopted: West Virginia Board of Regents
November 5, 1971

MINIMUM RESIDENCE REQUIREMENTS FOR GRADUATION

For all undergraduate degrees at least one year's work in residence is required, one semester of which must be in the senior year. A "year in residence" must represent not less than 36 weeks' work in residence with not less than 24 hours credit. (Except "Combined College and Professional Programs," see p. 133.

Candidates for bachelor's degrees who entered Marshall University within 10 years prior to their graduation may graduate by meeting the requirements in effect on the date of their entrance. When the time between entrance and graduation is greater than 10 years, the student must meet the graduation requirements in effect on the date of his graduation. For courses no longer offered, substitutions may be made by permission of the academic dean.

In all cases students in Teachers College must meet prevailing requirements for teacher certification.
QUALIFYING EXAMINATION IN ENGLISH COMPOSITION

To encourage an acceptable standard of written English, the university requires for graduation a grade of C or better in English 102 or 201 H or the passing of a qualifying examination in English composition.

The examination is given six times each year: twice during each regular semester and once each summer term. Students in four-year programs take the examination at the first opportunity after they have reached junior classification (58 hours credit, including the required courses in composition). Students in associate degree (two-year) programs are eligible to take the examination in their second year, after they have passed six hours of regular freshman English (not including English 100).

Foreign students from countries whose national language is not English and students who receive A, B, or C in English 102 or 201 H are excused. For all others in the undergraduate colleges, passing the examination is a requirement for graduation. Passing the examination is also a requirement for admission to student teaching.

The date of the student’s passing, or a notation of his being excused, is entered in his permanent record. Those who do not pass the examination are required to attend the noncredit English Composition Clinic in the next half-semester before they retake it. The examination may be taken as many times as necessary.

VETERANS PHYSICAL EDUCATION CREDIT

Students who are veterans with at least one year of military service, and who have completed at least twelve semester hours with a “C” average, shall upon their request be granted a maximum of four semester hours of credit in physical education. This credit is to include the general education requirement in physical education and two hours of general electives in the field of health and physical education. The specific credit to be allowed will be determined by the physical education department chairman upon the request of the veteran.

STUDY YEAR ABROAD

Basel, Switzerland; Verona, Italy

Through its membership in the Regional Council for International Education, Marshall University offers the opportunity for a unique foreign study experience in Europe. Two academic year abroad programs sponsored by the regional council offer curriculums designed for the undergraduate student majoring in any one of a number of fields.

The study year in Basel, Switzerland, focuses the student’s attention on the development of modern Europe with emphasis on the phenomena of nationalism and internationalism as two opposing currents which have characterized Europe in modern times. In Verona, Italy, the focus of study is on the humanistic aspects of the western tradition, the major strain of which stems from Italy.

Each program provides a course of intensive language study for acquiring speaking ability as quickly as possible and a good working knowledge of the language by the end of the sojourn. Each student is required to live and take meals with a Swiss or Italian family, thus sharing a genuine foreign language
situation every day and combining his language learning with his other academic and intercultural experiences.

**STUDY YEAR IN BASEL**

**Course Listings**

I. Preterm · German Language and Orientation · 3 hrs.

II. First Term (Minimum 15 hrs. credit)
- European Nationalism and Internationalism · 3 hrs.
- Seminar in Modern European Political Thought I · 3 hrs.
- The Dynamics of European Art I · 3 hrs.
- Main Currents in Modern European Literature I · 3 hrs.
- The Sociology of Europe · 3 hrs.
- Political Patterns of Modern Europe I · 3 hrs.
- Directed Study · 3 hrs.
- Introductory German · 3 hrs.
- Intermediate German · 3 hrs.
- Advanced German · 3 hrs.
- Advanced French · 3 hrs.
- French Honors · 3 hrs.

III. Second Term (Minimum, 15 hrs. credit)
- Europe Between Integral Nationalism and Unification · 3 hrs.
- Seminar in Modern European Political Thought II · 3 hrs.
- The Dynamics of European Art II · 3 hrs.
- Main Currents in Modern European Literature II · 3 hrs.
- Economic Patterns in Europe · 3 hrs.
- Political Patterns in Europe II · 3 hrs.
- Directed Study · 3 hrs.
- All language courses, continued · 3 hrs.

**STUDY YEAR IN VERONA**

**Course Listings**

I. Preterm · Italian Language and Culture I · 4 hrs.

II. First Term
- The Italian Renaissance · 3 hrs. Required.
- The Art of Italy · 3 hrs. Required.
- Italian II · 6 hrs. Required.
- Choose one:
  - The Literature of the Renaissance · 3 hrs.
  - History of the Veneto · 3 hrs.
  - University of Verona · 3 hrs.

III. Second Term
- History and Society of Modern Italy · 3 hrs. Required.
- Italian III · 3 hrs. Required.
- Directed Study · 3 hrs. Required.
- Choose one:
  - Seminar in Italian Literature · 3 hrs.
Seminar in Italian History - 3 hrs.
Seminar in Art History - 3 hrs.
University of Verona - 3 hrs.

Courses at Basel and Verona are conducted in English under the supervision of a resident American dean and follow the instructional mode to which the American student is accustomed, but in a European setting. Planned social activities, study trips, and excursions are covered by tuition, unless on an optional basis.

Eligibility: Any American student may apply, although applicants attending member institutions of the Regional Council receive priority.

Fees and Costs:
For Basel and Verona, 1971-72:
$2,690 (including room and board, tuition, program-related excursions, transportation from New York to site of the program, not return transportation to the United States) $700 minimum (for personal expenses): books, incidentals, personal traveling, etc.

Application:
Catalogs and form available, Office of Academic Affairs, Old Main 110.
Transfer of credits should be discussed with faculty adviser and academic dean.
Application forms should be sent to:
Regional Council Study Year Abroad
1101 Bruce Hall, University of Pittsburgh
Pittsburgh, Pennsylvania 15213

Further information may be obtained from the Pittsburgh address, or from Old Main 110.

AUDIT AND NONCREDIT COURSES

An audit student is one who enrolls as an observer or listener only. Auditing is allowed only when there is space available in the class and the academic dean having jurisdiction over the course authorizes audit status. Enrollment for audit is limited to the regular registration period for the semester or term. Students who want to audit classes must enroll and pay fees in the same manner and at the same tuition rate as students enrolling for credit. Audit students receive no credit. Faculty members wanting to audit courses must secure approval of their dean and the instructor of the course or courses desired and must enroll in the regular manner for such courses.

THE DEAN’S LIST

Students registered for 12 or more hours who, at the end of the semester, receive grades averaging B or above are considered honor students and a list of such students constitutes the Dean’s List.

HONORS COURSES

Students of exceptional ability who possess a high degree of initiative may register for a departmental or interdisciplinary honors course. Such students are excused from some of the routine demands of the undergraduate courses but they are required to maintain a higher standard of academic work. Juniors with outstanding scholastic records may apply to the chairmen of the departments to
enroll as candidates for honors in the field of their choosing. Students recommended by the chairman of their departments, and approved by the honors committee, may receive six to eight hours credit during their senior year in courses numbered 495H and 496H. Applicants must file by the opening of the second semester of the junior year, and must be recommended by the chairman of the major department. A 3.3 grade point average in the major and a 3.0 over-all average are required normally of applicants. In extraordinary circumstances, a student with slightly lower averages may be admitted to the program with the approval of the chairman of the department, the dean, and the honors council. Both courses must be taken in sequence in order to receive credit.

Interdisciplinary honors seminars are held for freshmen, sophomores and upperclassmen. Further information is found in the University Honors listing on page 259.

**GRADUATION WITH HONORS**

Candidates for graduation who have achieved special distinction in academic work are recognized at Commencement by having printed on their diplomas their honor status as determined by quality points:

- **summa cum laude** (3.85 and above)
- **magna cum laude** (3.6 to 3.84)
- **cum laude** (3.3 to 3.5)

To be eligible for graduation with honors:

1. A transfer student from a two-year college within the state system must have earned at least 56 hours of work at Marshall University (all work to be included in determining graduation with honors).
2. A transfer student from a four-year institution within the state system must have earned a minimum of 36 hours of work at Marshall University (all work to be included in determining graduation with honors).
3. All other transfer students must have earned at least 72 hours of work at Marshall University (work transferred from another institution is not included in determining graduation with honors).

**TRANSCRIPTS**

Every student is entitled to one free official transcript of his record. Each additional copy costs $1 in cash or money order. Two to three weeks may be required to process an application for a transcript.

A student who defaults in the payment of any university financial obligation forfeits his right to claim a transcript.

An application for a transcript of credit must furnish the date of last attendance at Marshall University and student identification number. A married woman should give both her maiden and married name.

All requests for transcripts must be sent directly to the registrar. Transcripts are prepared in the order received.

**ACADEMIC PUBLICATIONS OF THE UNIVERSITY**

The university issues seven bulletins annually: the General Undergraduate Catalog, the Catalog of the Graduate School, admission bulletin, the schedule of
courses for each semester, the summer session bulletin and Research Bulletin. Other special publications are issued from time to time.
Fees and Expenses

Enrollment fees are due and payable when invoices are rendered to the student from the Office of Business Affairs. Invoices will be sent to the students home address. Payment may be mailed or paid in person to the cashier, Old Main Building. Payment must be received by the cashier by the due date, which is reflected on the invoice. Until enrollment fees are paid a student has not completed his registration. Failure to pay fees by the due date may result in dismissal from the university. Enrollment fees accepted by the cashier after the due date are subject to the late registration fee. Every student who registers incurs a financial obligation to the university. Official withdrawal or administrative cancellation of a registration for nonpayment of fees does not eliminate the obligation. Failure to pay enrollment fees does not automatically relieve the student of his responsibility to withdraw properly and officially from the university through his academic dean. Students dropping courses from their original schedule or withdrawing completely from the university will not be allowed to deduct the amount from the original invoice. They must pay the invoice for the original number of hours. Refunds will be granted under the regular university policy for refunding fees. When withdrawals occur without prior payment of fees, a pro-rate percentage of the amount of fees due shall be payable to the cashier on the date of withdrawal. The student must pay for the time incurred in class up until the date of the withdrawal.

Students who are recipients of financial aid through the university's Director of Student Financial Aid, the university's Department of Athletics, a private loan or scholarship or any governmental agency must accept the responsibility of delivering the invoice to their source of financial assistance and providing the cashier with payment or proper arrangements for payment by the due date. If a funding agency requires additional copies of this invoice or a different type of invoice, the student should contact the cashier.

Faculty, staff and graduate assistants, who are eligible for a waiver of tuition should contact the cashier for fee remissions.

Students who receive aid through vocational rehabilitation must obtain an authorization for fees from their funding agency. The authorization must be received by the cashier on or before the due date.

The cashier accepts cash, postal money orders, or personal checks written for the exact amount of the obligations. All checks must be made payable to Marshall University. A student's registration may be cancelled when payment is made by a check which is dishonored by the bank.

A handling fee of $3.00 may be collected for each check returned unpaid by the bank upon which it is drawn unless the student can obtain an admission or error from the bank.

If the check returned by the bank was in payment of tuition and registration fees, the Office of Business Affairs may declare the fees unpaid and registration cancelled. The return of the check unpaid constitutes late registration, and the applicable late registration fee may be levied. In such case the student may be reinstated upon redemption of the unpaid check, payment of the $3.00 handling charge and payment of the applicable late fee not to exceed $15.00.
A student who owes a financial obligation to the university may not be permitted to take final examinations or enroll in subsequent semesters until the obligation is paid.

All fees and expenses are subject to change without prior notice.

ENROLLMENT FEES - EXTENSION DIVISION

Tuition fee $11.00 per semester hour; registration fee $4.00 per semester hour; and a course fee of $3.00, all payable on the date of registration.

DORMITORY FEE

Students assigned to a university residence hall are required to sign a contract to live and eat in the university facilities for the entire academic year. Because the residence halls have been constructed with borrowed funds, a stability of income must be maintained. The residence hall contract, therefore, is a means of insuring facilities for a large number of students to eat, sleep, study, and benefit from group living at the lowest possible cost.

Residence hall contracts are effective for the full academic year, fall and spring semester, and are binding on all students who sign a contract for this period.

All housing applications and contracts for residential accommodations received prior to July must be accompanied by a non-refundable deposit of $25.00. The deposit will be credited toward the initial room and board bill. The university's acceptance of a deposit for housing does not constitute a guarantee of admission to the university. In addition, a $25.00 damage deposit is required of all dormitory residents. The deposit will accompany the first quarterly dormitory payment. All applications received after July 1 must be accompanied by the first quarterly dormitory payment and damage deposit.

*I.D. Card $.25; Student Union $5.00; Health Service $5.00; balance to Laboratory and Course Fees.
Cancellation of a room reservation on or after the first day of classes of any semester will result in the forfeiture of the prepaid quarterly dormitory fee. Cancellation of a room reservation after the payment due date of the second and fourth quarterly dormitory fees will likewise result in the forfeiture of the prepaid quarterly dormitory fee.

Meals are available to students rooming off campus at the same rate as resident students. The food service plan is not valid during vacation periods. If it is necessary for the student to remain on campus during such periods, meals can be obtained at regular dining hall prices if the dining halls remain open. Food service plans will become effective on the first day of any given semester or summer term. Meals prior to the first day of classes must be paid in cash. Students must present their I.D. card with receipt of dormitory fee payment to the Director of Food Service and their respective dormitory director. Students must take their meals in the dining hall assigned by the Director of Food Service.

NOTE: No deduction or refund is made in food service charges unless the student is absent from the campus for more than a calendar week because of personal illness or a university-approved trip. No deduction or refund is made in room charges for absences. Reservations for housing may be made through the Assistant Dean of Students for Housing.

**RATES**

**Regular Semester**

- Twin Towers (and private rooms in other residence halls.)
  - $566.00 (including $16.49 W. Va. State Consumers Sales Tax) per semester (room and board) or $283.00 per quarterly installment.
- South Hall, Hodges Hall, West Hall, Prichard Hall and Laidley Hall
  - $545.00 (including $15.87 West Virginia State Consumers Sales Tax) per semester (room and board) or $272.50 per quarterly installment.

**Summer Terms**

- Twin Towers (room and board)
  - $154.00 (including $4.49 W. Va. State Consumers Sales Tax) per 5 week term (double room)
- Private rooms $166.00 (including $4.84 W. Va. State Consumers Sales Tax) per 5 week term.

Note: $25.00 deposit must accompany applications.

**HOUSING FOR MARRIED STUDENTS**

Housing for married students is provided in 84 furnished family dwelling units owned and operated by the university. The units include a wide variety of accommodations. The rents range from $55.00 to $120.00 per month. Applications may be procured from the university housing office. To be eligible for married-student housing, students must be enrolled for course work, as follows: graduate students, 9 hours; undergraduate students, 12 hours.

Rates are subject to change without prior notice as economic conditions warrant.
ESTIMATE OF EXPENSES AND DATES PAYMENTS DUE

Estimated semester expenses of a full-time undergraduate student living on campus at Marshall University are in the following table:

<table>
<thead>
<tr>

</tr>
</tbody>
</table>

Note: Add $21.00 for students residing in Twin Towers Dormitory or private rooms.

SPECIAL FEES

Late Registration Fee (Nonrefundable)
- Charge for first day after close of regular registration: $10.00
- Second day: $12.00
- Third day: $13.00
- Fourth day: $14.00
- Fifth day: $15.00

Note: Late registration fees are also applicable to payments of tuition accepted by the cashier after the due date.

Graduation Fees
- Associate Degree: $5.00
- Baccalaureate Degree: $5.00
- Graduate Degree: $10.00

Cap and Gown Purchase (Keepsake cap and gown)
- Associate Degree: $5.00
- Baccalaureate Degree: $5.00
- Graduate Degree: $10.00

*Enrollment Fee: Payment due when invoice is rendered by the Office of Business Affairs. Invoices are mailed approximately one week after the regular registration date of a given semester.

**Dormitory Fee: Payments may be paid in four equal installment for the academic year. The due date for the first quarterly installment is July 15. All applications and nonrefundable deposits received prior to July 15 will receive $25.00 credit toward the first quarterly installment. All applications received after July 15 must be accompanied by the entire first quarterly payment. The second, third, and fourth installments are due on October 1, December 15, and March 1. Invoices will be mailed from the Director for Residence Life.

Dormitory Fee: per summer term of 5 weeks. The cost of the dormitory fee per 5 week summer session is $154.00 (private rooms $166.00). A $25.00 deposit must accompany the application. Balance due on notice from the Director for Residence Life.

***Books - Supplies: Books and supplies may be purchased from the University Bookstore. Payment must be made at the time of purchase.
Graduation fees are due and payable to the cashier on notification from the dean of the student’s respective college or school.

      first hour plus $.10 per hour or portion of an hour (computed for all hours library is open except Sundays.)
   c. Lost and damaged books - estimated replacement cost of books (list price of in-print book).

**REMISSIONS OF TUITION AND REGISTRATION FEES**

1. **Full-Time Faculty**
Tuition and registration fees are waived for full-time members of faculties of any accredited college in West Virginia who register for graduate study at Marshall University. Accreditation shall be by the North Central Association of Colleges and Secondary Schools. The graduate courses enrolled for and the request for waiver of fees shall be approved by the Dean of Graduate School. THE STUDENT ACTIVITY-SERVICE FEE IS NOT WAIVED AND MUST BE PAID.

2. Non-Academic Personnel
Tuition and registration fees are waived for non-academic personnel at Marshall University and the state colleges who have been in the employ of the institution for 12 months or more at the time of application for admission. This waiver is not to exceed six semester hours, and the request for this work shall be approved by the applicant’s immediate supervisor and the appropriate academic dean. THE STUDENT ACTIVITY-SERVICES FEE IS NOT WAIVED AND MUST BE PAID.

3. Graduate and Teaching Assistants
Tuition and registration fees are waived for graduate and teaching assistants, approved by the Dean of Graduate School. THE STUDENT ACTIVITY-SERVICES FEE IS NOT WAIVED AND MUST BE PAID.

The cost of the Student Activity-Service Fee applicable to the three foregoing enrollment plans may be obtained from the cashier or by the reference to pages 60 and 61.

4. Higher Education Personnel
Full-time employees of the West Virginia Board of Regents and the institutions under its jurisdiction, full-time ROTC personnel assigned to the institutions, and their spouses and dependent children shall be considered West Virginia residents for the purpose of the payment of tuition and fees.

5. Fees for Auditing Courses
   a. Full-time staff members may audit courses without charge. All full-time staff members wanting to audit courses must secure the approval of their dean and the instructor of the course or courses they want to audit. It will also be necessary for them to enroll in the regular manner for such courses.
   b. Non-staff members who audit classes must enroll and pay fees in the same manner and at the same tuition rate as students enrolling for credit.

REFUND OF FEES

1. Withdrawal from the university
   Enrollment, Tuition and Registration Fees

   Students who withdraw regularly from the university may have a refund on tuition and registration fees in accordance with the following schedule:
FEES AND EXPENSES

Main
Campus and
Extension
Division

First Regular Semester
1st period of refunds-August 28-September 10, 1972 90%
2nd period of refunds-September 11-September 24, 1972 70%
3rd period of refunds-September 25-October 8, 1972 50%
After October 8, 1972 - No refund.

Second Regular Semester
1st period of refunds-January 8-January 21, 1973 90%
2nd period of refunds-January 22-February 4, 1973 70%
3rd period of refunds-February 5-February 18, 1973 50%
After February 18, 1973 - No refund.

When a student withdraws from the university without prior payment of enrollment fees, a pro-rate percentage of the fees due shall be due and payable to the cashier on the withdrawal date. Pro-rata percentages are: 10%, when withdrawals occur within 1st period of refunds; 30%, when withdrawals occur within 2nd period of refunds; 50%, when withdrawals occur within 3rd period of refunds; 100%, when withdrawals occur after 3rd period of refunds.

Laboratory, activity and course fees are to be refunded in the same percentages as outlined above.

When it becomes necessary to cancel a class by administrative and/or faculty action, a student is granted a full-refund for the class cancelled unless he registers in another course of like value in terms of semester hours. This action does not apply to withdrawals due to disciplinary action.

II. Food Service Plans
Refunds will be pro-rated on the basis of a full week of 20 meals and not on the total number of meals remaining on the meal plan for the semester.

IV. Refunds to students called to armed services
Men and women called to the armed services of the United States shall be granted full refund of fees, but no credit, if the call comes before the end of the first three-fourths of the term, and full credit by courses, but no refund of fees, shall be granted to men and women called to the armed forces of the United States if the call comes thereafter.

V. Special fee refunds
The I.D. card fee of $.25 is not refundable. The student activity fee is not refundable unless the activity card is returned to the Office of Business Affairs.

VI. Late fees are nonrefundable

POLICY REGARDING CLASSIFICATION OF RESIDENTS AND NONRESIDENTS FOR ADMISSION AND FEE PURPOSES

The West Virginia Board of Regents at its meeting February 2, 1971, adopted the following regulations governing the classification of students as residents or nonresidents for admission and fee purposes at all institutions under its jurisdiction, effective the Fall semester of 1971:

CLASSIFICATION OF RESIDENTS AND NONRESIDENTS FOR ADMISSION AND FEE PURPOSES

General - Students enrolling in a West Virginia public institution of higher education shall be classified as resident or nonresident for admission, tuition, and fee purposes by the registrar or other officer designated by the president. The decision shall be based upon information furnished by the student and all other relevant information. The registrar is authorized to require such written documents, affidavits, verifications, or other evidence as are deemed necessary to establish the domicile of a student, including proof of emancipation, adoption, award of custody, or appointment of a guardian. The burden of establishing that a student is exempt from paying the nonresident tuition and fees is upon the student.

If there is a question as to residence, the matter must be brought to the attention of the registrar and passed upon at least two weeks prior to registration and payment of tuition and fees. Any student found to have made a false or misleading statement concerning his residence shall be subject to dismissal from the college.

For purposes of resident and nonresident classifications, the word "parents" as herein used shall include legal guardian.

Residence Determined by Domicile - Domicile within the state means adoption of the state as a fixed permanent home and involves personal presence within the state. West Virginia domicile is presumed to be established upon the completion of at least twelve months of continued residence within the state prior to the date of first registration, provided that such twelve months residency is not for the purpose of attendance as an undergraduate or graduate.
Establishment of West Virginia domicile with less than twelve months residence prior to the date of first registration must be supported by proof of positive and unequivocal action such as the purchase of a West Virginia home, establishment of a permanent place of residence, full-time employment within the state, and assessment of property tax. Proof of one or more of these actions shall be considered only as evidence which may be used in determining whether or not a domicile has been established.

There must be no intent on the part of the person involved to return to another state or country.

Minors - The residence of a minor shall follow that of the parents at all times, except in extremely rare cases where emancipation can be proved beyond question. The residence of the father, or the residence of the mother if the father is deceased, is the residence of the unmarried or unemancipated minor. If the father and the mother have separate places of residence, the minor takes the residence of the parent with whom he lives or to whom he has been assigned by court order. The parents of a minor will be considered residents of West Virginia if their domicile is within the state.

An unemancipated minor student loses resident status twelve months after his parents have ceased to maintain a domicile in West Virginia.

Emancipated Minor - An emancipated minor may be considered as an adult in determining residence, provided satisfactory evidence is presented that his parents, or legal guardian, if living, do not contribute to his support and do not claim him as a dependent for federal government income tax purposes.

In the event that the fact of emancipation is established, the emancipated minor assumes all of the responsibilities of an adult to establish residence for tuition and fee purposes. Proof must be provided that emancipation was not achieved principally for the purpose of establishing residence for attendance at an institution of higher education.

An emancipated minor, orphan, or abandoned child who has been domicile in West Virginia for at least one year following his emancipation and next preceding the date of registration may be classified as a resident for tuition and fee purposes.

Students Over Twenty-one Years of Age - A resident student twenty-one years of age is (1) one whose parents were residents of the state at the time he reached his majority and who has not acquired a domicile in another state, or (2) who, while an adult, has established a bona fide domicile in the State of West Virginia. Bona fide residence in West Virginia means that the student must not be in the state primarily to attend a college and he must be in the state for purposes other than to attempt to qualify for resident status.

Any nonresident student who reaches the age of twenty-one years while a student at any school or college in West Virginia does not by virtue of such fact attain residence in this state for admission or tuition and fee payment purposes.

A student who is classified as a resident at the time that he reaches the age of twenty-one shall continue to be classified as a resident provided that he retains a domicile in West Virginia and that he does not establish a domicile, or legal residence, in another state.

Marriage - The residence of a married woman is determined by the rules which would apply to her husband if he were to seek enrollment, except that a woman who would have been classified as a West Virginia resident immediately prior to her marriage may continue to be classified as a West Virginia resident if she continued to be domiciled in the state.
Military - An individual who is on active federal military service or an employee of the federal government may be classified as a resident for the purpose of payment of tuition and fees provided he had established domicile in West Virginia prior to entrance into federal service, that he entered the federal service from West Virginia, and that he has at no time while in federal service claimed, or established, a domicile in any other state. Sworn statements attesting to these conditions may be required. The wife and dependent children of such individuals shall also be classified as residents of the State of West Virginia for tuition and fee purposes.

Aliens - An alien who has entered the United States on a resident visa, or who has taken out first papers for citizenship, and who has established a bona fide residence in West Virginia by living in the state for at least twelve consecutive months immediately preceding registration may be eligible for resident classification, provided he is in the state for purposes other than to attempt to qualify for resident status as a student.

Higher Education Personnel - Full-time employees of the West Virginia Board of Regents and the institutions under its jurisdiction, full-time ROTC personnel assigned to the institutions, and their spouses and dependent children, shall be considered West Virginia residents for the purpose of the payment of tuition and fees.

Appeal Process - The decision of the Registrar or other officer charged with the determination of residence classification may be appealed to the President of the institution. The President may establish such committees and procedures as he determines necessary for the processing of appeals. The decision of the President of the institution may be appealed in writing with supporting documentation to the West Virginia Board of Regents. The appeal will be reviewed by the State Committee on Residency which shall make recommendations to the Board for final decision. The members of the State Committee on Residence shall be appointed by the Board of Regents.

Adopted: West Virginia Board of Regents
February 2, 1971
Division of Continuing Education

EVENING SCHOOL

Marshall University helps meet community needs through the Evening School. Credit and noncredit may be taken for personal, business, cultural, domestic, industrial and recreational improvement or as a refresher of other interests.

Classes are provided for those not interested in college credit but who wish to meet for one or more sessions to discuss some topic of vital interest to them in their daily work. A class of 15 or more students is required to organize a special interest group.

The Evening School serves those who need or want further education for credit or noncredit. It is possible to earn college credit which will serve the needs of those working toward college degrees in various fields of study.

For those who want college credit there are two lines of work:

1. Undergraduate work for high school graduates who wish to improve their employment status through education or those who want to extend their knowledge in some direction or wish to satisfy their intellectual curiosity by following a particular line of studies.

2. Graduate work for those who hold a baccalaureate degree and who wish to work for a master's degree. Work done in evening classes carries residence credit.

EXTENSION CLASSES

Extension classes are offered for teachers and others who cannot be in residence. Credit or noncredit courses in several fields are offered on a semester basis. Not more than 28 semester hours are acceptable toward an undergraduate degree and 12 hours toward a master’s degree. Not more than six semester hours may be earned during a semester nor more than 12 semester hours within one year. (This applies to public school teachers under contract in the state.)

The quality of instruction in extension is on the same level as that of regularly taught classes on the campus since all staff members doing extension are full-time faculty members.

Admission requirements for those who desire credit in extension are set forth below:

Undergraduates

Undergraduates not previously enrolled in Marshall University must furnish the Office of Admissions with official transcripts of credit from other colleges or with transcripts of high school credit and file an application for admission. Those who wish to earn credit to be transferred to other colleges or to renew certificates may satisfy this requirement by having letters of good standing written from their undergraduate colleges to the Director of Admissions of Marshall University.
Graduate Students

College graduates enrolled for credit in extension courses must do the following before credit can be earned to count toward a degree in Marshall University.

1. File an application for admission to the Graduate School on a form furnished by the Graduate School Office.
2. Furnish two official transcripts of all previous college work. Those holding the bachelor’s degree from Marshall University must have one copy of a transcript sent from the Registrar’s Office to the Graduate School Office.
3. Receive a letter from the dean of the Graduate School concerning eligibility for admission.

Those who wish to earn credit to be transferred to other colleges may enroll for a course by filing a transcript application.

COMMUNITY SERVICES

As a state-supported institution Marshall University recognizes its obligation to provide for the people of West Virginia certain community services in addition to the regular academic programs. Some of the services available upon request are:

Speakers and Programs - The Office of Information is glad to receive requests for speakers to appear before school, civic and community organizations, scientific societies, service clubs.

The student Speakers Bureau is an honorary service organization, under the direction of the Department of Speech, which offers to the Marshall-Huntington community programs for social, civic, church and educational organizations. Speakers Bureau programs, provided free of charge, include panel discussions, entertaining oral readings, and informative speeches. A Speakers Bureau brochure, available at the Department of Speech, lists the currently available programs and speakers.

A limited number of musical and dramatic programs are available for presentation during the year.

School Surveys and Consultant Services - The university provides consultant services and assists in surveys in the field of education and other areas. Counties or groups wanting assistance with such problems as transportation, building programs, curriculum development and other problems of similar nature should request such assistance. The Director of Continuing Education should be informed of the needs and desires of a particular organization or county before the beginning of the semester whenever possible.

Conferences, Workshops, Seminars and Discussion Groups - Marshall University organizes and conducts conferences, workshops, seminars and discussion groups for industrial, educational and other groups in so far as facilities and availability of staff permit.
Student Life

STUDENT LIVING

Comfortable, healthful, and congenial living conditions contribute much to the success of university life and work. Comfortable living conditions aid students to do their best in their studies and contribute, through the experience of group life, to the building of character and personality. Hence the university is vitally concerned with student housing.

UNIVERSITY DORMITORIES

Seven halls of residence are maintained on the campus by the institution, accommodating approximately 2,300 students. Individual halls accommodate from 180 to 500 occupants, largely in rooms for two persons, although there are a limited number of private rooms. The halls are planned to provide each student with the best possible living and learning conditions. Student Government experiences, social programs, recreational facilities and association with trained residence staff members provide opportunity for sound academic and social development. Most of the halls are relatively new and modern, located at points convenient to most parts of the campus.

ROOM APPLICATIONS AND RESERVATIONS

A university residence hall application is automatically sent to a student after his application for admission to the university has been accepted by the Office of Admissions. Room reservations should be made as early as possible. Contracts for dormitory accommodations are for room and board for the entire academic year. Applications must be made on an official form and must be accompanied by a room deposit of $25.00 which will be applied to the first term's room and board payment. Room assignments are made without regard to a student's race, religion, or natural origin.

DORMITORY LIVING EXPENSES

Board and room costs in university dormitories range from approximately $520.00 to $575.00 per semester, depending on the facility -- a total of approximately $1100.00 for the academic year. (These figures are tentative and are subject to change without prior notice.) Room rents for each hall are found under the title "Fees."

CANCELLATIONS AND REFUNDS

Failure to pay the balance of the first installment by September 1 will result in an automatic cancellation of the room reservation. Cancellation of a room reservation after the first day of classes of any semester will necessitate the forfeit of the room fee for the respective semester. The $25.00 room deposit will be refunded if a student is declared ineligible to return.
ROOM

Rooms are furnished with study desks, chairs, single beds, chests of drawers and study lamps. Linens, (blankets, sheets, pillows, pillow cases) are provided by the student. Draperies are provided only in Twin Towers Dormitory.

BREAKAGE

Each resident is required to deposit a $25.00 damage fee with the university. This fee will be refunded at the end of the academic year if no damages are incurred. Students are expected to exercise reasonable care in the use and custody of university property in the residence halls. The cost of repair (to be determined by the Superintendent of Buildings and Grounds) for any unnecessary or careless breakage or damage to a room or furniture is assessed to the responsible student or students.

UNIVERSITY HOUSING POLICY

The following policy pertains to university housing for freshmen and sophomores:

1. All full-time incoming freshmen must live in a Marshall University residence hall their freshman year unless the entering freshman resides with his parents or legal guardian and commutes from that residence to the main campus.
2. In the event that space is available, sophomores may be required to live in a university residence hall.

Exceptions to this policy:

a. Married students
b. Students 21 years of age or older

The university maintains three dining facilities available to students offering meals at reasonable prices. All students living in university residence halls are required to purchase their meals through the university dining halls.

HOUSING FOR MARRIED STUDENTS

Housing for married students is provided in 84 furnished family dwelling units owned and operated by the university. The units include a wide variety of accommodations. The rents range from $55.00 to $120.00 per month. Applications may be procured from the university housing office. To be eligible for married-student housing, students must be enrolled for course work, as follows: graduate students, 9 hours; undergraduate students, 12 hours.

The university housing office maintains a list of privately-owned apartments and houses to assist married students and staff. This list contains information regarding rental rates, whether the apartment is furnished or unfurnished, approximate distance from the campus, etc. This is available during the regular office hours. Staff members are available during these same hours for consultation regarding specific listings as well as other related matters.
STUDENT HEALTH SERVICE

The Student Health Service provides students with outpatient medical care, and in cooperation with a local hospital, provides 24-hour emergency medical care to both full-time and part-time students.

The Student Health Service is located in the basement of Gullickson Hall and is staffed by three physicians, three registered nurses, a laboratory technician and office personnel. The Student Health Service is financed by student fees. For additional information, students should contact the Student Health Service or the Student Personnel Programs Office.

The university’s medical examination form completed by the family physician and submitted as part of the admission credentials must be on file in the Student Health Service.

HEALTH INSURANCE

The Marshall University Student Government offers a specially designed student accident and sickness group insurance plan providing coverage for hospital and medical expenses. The plan provides annual coverage, on-campus and away from the university.

Information and application forms can be obtained from the Student Government Office in the Memorial Student Center.

THE SPEECH AND HEARING CLINIC

The Department of Speech operates a clinic to provide free assistance to any Marshall student who wants help with speech and hearing problems. The clinic also gives training in clinical procedures to future public school speech and hearing therapists.

Consultation, examination, and recommendations are available to the public insofar as time and facilities permit. The clinic is located in Smith Hall.

The Speech Improvement Program. The Department of Speech provides special training for students requiring speech improvement. People who have substandard speech patterns not considered to be clinically significant but which require changes for more effective communication are scheduled in the speech improvement program. Students admitted to the program come from a screening procedure required as a part of courses in education and speech, from self-referral or by request of any course instructor.

THE READING CENTER

The Reading Center provides special reading programs for Marshall University students, who may enroll for periodic short-term intensive reading improvement courses. These courses are available for students who are presently deficient readers and for students competent in reading but who would like to develop greater reading proficiency.

OFFICE OF CAREER PLANNING AND PLACEMENT

Marshall University provides a placement service for all students and alumni. The main function of the office is to assist Marshall students in securing permanent employment.
The facilities of the office also give students the opportunity to receive employment counseling and to meet with employing officials from all areas of business, industry, education, and federal and state government agencies. This office is located at 1620 Fifth Avenue.

**STUDENT CONDUCT**

The faculty and administration of Marshall University recognize fully the rights and responsibilities of students. These include the privilege and obligation of maintaining high standards of social and personal conduct. While encouraging the students to develop independence, the university embraces the concept that liberty and license are not synonymous, and it therefore accepts the obligation to maintain those rules which will provide for the welfare of the individual and the campus community at large.

Students should familiarize themselves with university policies and regulations as expressed in the Student Handbook. The Student Handbook is available from either the Admissions or Dean of Students Office.

**STUDENT GOVERNMENT**

The Student Government provides an instrument for all students to have a voice in any program which would make Marshall a better university. It is constructed to represent democratically all members of the student body. It is designed to reflect student opinion, and to crystallize and make effective any constructive program. It encourages initiative and civic development; it trains for intelligent citizenship.

**LIABILITY**

Marshall University, as a state agency, cannot assume responsibility for loss of or damage to the personal property of students. Furthermore, the university cannot assume responsibility for personal injury to students.

Students and their parents are strongly urged to make certain that such matters are covered by their personal insurance.

**CULTURAL LIFE**

The performing arts, films, lecture authorities, and art exhibits are offered by the Marshall Artists Series, University Theatre, Memorial Student Center, Campus Christian Center, and the departments of art, history, music, and speech.

**DEBATE, SPEECH CONTESTS, AND THE SPEAKERS BUREAU**

Marshall University's forensics program, under the direction of the Department of Speech, provides students with opportunities for intercollegiate competition and for appearances before audiences in the Huntington area.

Marshall's debaters meet teams from other colleges and universities through a season which culminates in the regional or national Pi Kappa Delta Meet. Marshall students also compete in intercollegiate contests in oratory, extemporaneous speaking, discussion, after-dinner speaking, and interpretive reading. Tryouts for the debate squad and for the individual speaking events are
open to all full-time undergraduates.

Pi Kappa Delta is the national honorary forensics fraternity. Membership is conferred on those achieving distinction in intercollegiate debate and other intercollegiate speaking events.

The Speakers Bureau is an honorary service organization offering to the Marshall-Huntington community programs for social, civic, church, and educational organizations. Speakers Bureau programs, provided free of charge, include panel discussions, entertaining oral readings, and informative speeches. Membership in the Speakers Bureau, open to all Marshall University students, is earned through auditions.

UNIVERSITY THEATRE

University Theatre, an all-university activity, is under the general direction of the Department of Speech. Normally three full-length plays and several studio and experimental dramas are produced each year.

University Theatre experience is intended not merely to give training in dramatic skills and techniques, but to develop such qualities as poise, confidence, initiative, self-reliance, and cooperativeness. A further purpose is to encourage appreciation of dramatic literature, and to help keep alive the plays which have made dramatic history.

BAND, ORCHESTRA AND CHORAL GROUPS

All students at Marshall University are eligible to enroll for any one of the major musical organizations on the campus such as the Marching Band, Concert Band, Stage Band, Marshall Community Symphony, Symphonic Choir, Men’s Glee Club, A Cappella Choir, Choral Union, Madrigal Singers, Opera Workshops, Wind Ensemble, and the Chamber Brass Ensemble. These organizations perform for many school functions and make a number of appearances in Huntington and occasionally make trips to other parts of West Virginia and neighboring states. Each major organization offers the student an enjoyable experience and an opportunity for advancement to higher musical achievement. Students interested in enrolling for any of the organizations should consult first with the Department of Music.

STUDENT PUBLICATIONS

The Parthenon, the campus newspaper, is published four times a week by students working in the Department of Journalism.

The Student Handbook is published annually by the Student Senate and the Dean of Students Office and contains general information for all students with particular emphasis on information for freshmen.

The Chief Justice, the university annual, is published by students constituting the Chief Justice Board.

Et Cetera is a campus literary magazine and is published semiannually.

Shavetail is the monthly newspaper published by the cadets of the Marshall University Battle Group, Department of Military Science.

RELIGIOUS LIFE

The purpose of the campus ministry is to develop an inclusive, consciously
religious fellowship where all persons are welcomed and where each may come to a deeper commitment to God. To accomplish this purpose, the campus ministry constantly strives to include the following emphasis:

A conscious effort to discern God's purpose for each individual especially as it relates to his vocation;
A fellowship of faculty and students joined in common worship and the search for truth;
A concerted appraisal of the needs of the university community in an effort to witness more effectively within it;
A conscious concern for the life and mission of the church and encouragement of responsible participation in it;
A compulsion to relate all areas of life to God in a prophetic way.

This purpose is accomplished by the churches working together in a united effort, promoting study groups, action projects and worship.

INTRAMURALS

The intramural program at Marshall University is a program of competitive athletics and recreational activities promoted for every student on the campus. The program is sponsored and personally conducted by members of the physical education staff. It includes a variety of activities in every field of athletics and recreational interests designed for lifelong participation.

INTERCOLLEGIATE ATHLETICS

The Athletic Committee schedules non-conference games with institutions of similar academic and athletic standards. Marshall University is also a member of the National Collegiate Athletic Association and conforms to its standards.

The Director of Athletics who reports to the president is responsible for implementing the athletic policy of the university. The athletic program is advised by the Athletic Committee, consisting of five faculty members, an alumnus, the Vice President of Business, the Dean of Students, two student representatives and the Director of Athletics who serves as secretary-ex-officio.

Athletic coaches also serve as academic instructors and are required to have degrees for teaching on a college level.

The university participates in the following intercollegiate sports: football, basketball, baseball, track, cross country, tennis, golf, swimming and wrestling.

STUDENT ORGANIZATIONS

Dramatic and Forensic Organizations: Alpha Psi Omega—National Honorary in Dramatics; Pi Kappa Delta—National Honorary Debate Society; University Theatre, Speakers Bureau.

Music Organizations: Delta Omicron—National Honorary Society for Women; Phi Mu Alpha Sinfonia—National Honorary for Men.

Religious Organizations: Campus Crusade for Christ; Newman Apostolate (Roman Catholic).

Honor Groups: Alpha Beta Alpha—Library Science; Alpha Delta—Advertising; Alpha Epsilon Delta—Pre-Medical Fraternity; Alpha Kappa Delta—Sociological Society; Alpha Kappa Psi—National Business Administration Fraternity; Alpha Lambda Delta—Scholastic Fraternity for Freshman Women; Chi Beta Phi—National Science Society; D-Rho D-Theta—
Engineering, Eta Sigma Phi—Classical Society; Fagus—Leadership for Junior and Senior Women; Theta Sigma Phi—Women Journalism Majors; Gamma Theta Upsilon—National Geography Society; Kappa Delta Pi—Professional Educators; Kappa Omicron Phi—Home Economics National; Kappa Pi—National Art Society; Mu Gamma Sigma—Geology; Omicron Delta Kappa—National Leadership for Junior and Senior Men; Phi Alpha Theta—National Historical Society; Phi Eta Sigma—Scholastic for Freshman Men, National; Phi Mu Alpha Sinfonia—National Honorary for Men; Phi Mu Epsilon—Mathematics; Pi Delta Phi—National French Society; Pi Sigma Alpha—Political Science; Pi Omega Pi—National Society for Business Education Students; Psi Chi—National for Psychology Majors; Scabbard and Blade—Military Science; Sigma Delta Pi—National Society for Spanish Students; The Robe—Leadership Fraternity for Men; Sigma Tau Delta—National English Society; The Order of Omega—Honorary for Fraternity Men.

Special Interest and Professional Groups: Appalachian Interest Group; American Chemical Society; Association of Childhood Education; Black United Students; Chess Club; Chief Justice; Classical Association; 4-H Club; German Club; Home Economics Club; Marshall Arts Cinema Society; Le Cercle Francais; Marshall University Engineering Association; Marshall University Student Chapter of American Society of Civil Engineers; Marshall University Student Chapter of American Society of Civil Engineers; Marshall Chapter of Young Americans for Freedom; M.U. Action Committee of F.R.E.E.; Pershing Rifles—Military Science; Pershing Ruffles; Student Nurses Association; Students for a Democratic Society; Undergraduate Alumni Association; Veterans Club; Women’s Recreation Association; Young Democratic Club; M.U. College Republican Club.

Greek Social: Panhellenic Council (governing body for sororities); Interfraternity Council (governing body for fraternities).

Sororities: Alpha Chi Omega, Alpha Sigma Alpha, Alpha Xi Delta, Delta Sigma Theta, Delta Zeta, Phi Mu, Sigma Kappa, Sigma Sigma Sigma.

Fraternities: Alpha Sigma Phi, Kappa Alpha Order, Kappa Alpha Psi, Lambda Chi Alpha, Omega Psi Phi, Phi Kappa Tau, Pi Kappa Alpha, Sigma Alpha Epsilon, Sigma Phi Epsilon, Tau Kappa Epsilon, Theta Xi and Zeta Beta Tau.

Greek Interest: Crescent Club, Little Delta Iotas, Little Sisters of Minerva, Sister of the Golden Heart, Daughters of the Crimson Rose, Sisters of the Laurel.
Student Financial Aid

The financial aid program at Marshall University assists worthy students in furthering their education through scholarships, grants, loans, and employment. The scholarship program recognizes excellent high school achievement by incoming freshmen and outstanding academic performance by upperclass students. All scholarships are awarded on the basis of scholastic achievement and financial need. In addition, loans, grants, and employment programs exist in order to aid those students who have serious financial problems.

All forms of financial assistance are administered by the Office of Student Financial Aid consistent with the policies and procedures set forth by the Student Financial Aid Advisory Council. The Student Financial Aid Advisory Council believes that the primary responsibility for financing a college education rests with the student and his family. Financial aid from the university and other sources, therefore, is viewed as supplementary to the efforts of the family. In addition, students requesting financial assistance are usually expected to earn a portion of their college expenses.

SCHOLARSHIPS

Academic Scholarships

Marshall University offers a number of scholarships to incoming freshmen and upperclassmen who demonstrate academic superiority. Scholarships are based upon academic achievements, interests, activities and financial need. Close study is given to family income and other financial conditions.

Athletic Grants-In-Aid

Applicants for athletic grants should write to Marshall University, Director of Athletics, P.O. Box 1360, Huntington, W. Va. 25715.

Educational Opportunity Grants

Established by the Higher Education Act of 1965, Educational Opportunity Grants are awarded to exceptionally needy students who otherwise would be unable to continue their education. Students are not required to repay funds received through the Educational Opportunity Grants Program.

The grants vary from $200 to $1,000 per year with a matching amount provided by Marshall University through one or more of the following sources: scholarship; National Defense Student Loan; employment under the College Work-Study Program.

To be considered for an Educational Opportunity Grant, an incoming freshman must demonstrate academic talent or creative promise. These grants are renewable for each year of undergraduate study (Maximum: one initial year grant and three renewal year grants) provided the student maintains satisfactory academic progress and continues to demonstrate exceptional financial need. Please note that a grant will be renewed only if the student meets the above
qualifications and if the financial aid office receives his application for grant renewal before the March 1 deadline date.

Nursing Student Scholarships

Scholarships based on need and academic achievement are available to full-time students in the Department of Nursing under this program established by the federal government.

LOANS

National Defense Student Loans

Under the National Defense Student Loan Program, full-time undergraduates may borrow up to $1,000 a year for a maximum of $5,000 during their undergraduate college careers. Full-time graduate students may borrow up to $2,500 a year. The total of loans made to a student for all years, including any loans made to him as an undergraduate, may not exceed $10,000. The loans are based on financial need and availability of funds.

The borrower (and his co-signer, if the borrower is under twenty-one [21] years of age) is required to sign a promissory note payable to Marshall University, and the borrower must subscribe in writing to an oath of affirmation of allegiance to the United States of America.

Repayment of principal and interest at three per cent (3%) commences nine months after the date the borrower ceases to carry at least one-half the normal full-time academic load. Repayment may be deferred for graduate school or for active military duty, Peace Corps, or VISTA service. Cancellation of loans ranging from 50% to 100% is available to individuals who enter the teaching field upon leaving school.

Nursing Student Loan Program

The Nursing Student Loan Program for full-time students in the Department of Nursing is established on the same basis as the National Defense Student Loan Program. The purpose of this program is to increase the opportunity for the training of nurses through the establishment of a loan fund.

Emergency Loans

Full-time students may be granted short-term loans to meet emergency college-related costs. The maximum loan is $100 and all recipients must sign a ninety (90) day, six per cent (6%) note payable to Marshall University. If the recipient is under the age of 21, he must supply a suitable co-signer.

STUDENT GUARANTEED BANK LOAN PROGRAM

Students who do not apply for, do not qualify for, or do not receive federal funds through the financial aid office may participate in the bank loan program. No Parents’ Confidential Statement is required. This program is administered through the student’s hometown bank. A student must be a resident of his home state, a citizen or permanent resident of the United States, and a full-time student. Maximum awards in most cases are $1,500 per year for
an undergraduate student and $2,500 per year for a graduate student. A student from a family with an adjusted income of less than $15,000 pays no interest while in school, because the 7% interest rate which starts on issuance of the loan will be paid by the federal government. When the period of instruction ends, the student will start repaying the funds borrowed at the approved interest rate set by Congress until the loan is paid in full. Applications are available at hometown participating banks or from the financial aid office.

Out-of-state students should apply through the Guaranteed Student Bank Loan Program established in their home states.

EMPLOYMENT

Under the College Work-Study Program, established under Title I (C) of the Economic Opportunity Act of 1964, Marshall University attempts to secure part-time and summer employment for students who need financial assistance to remain in school. Jobs are available both on and off campus. All placements are made on an academic year basis and reapplication is necessary each year. Employment records, grade point averages, and financial need are utilized in reappointments.

A small amount of institutional employment is available on campus. Students demonstrating financial need and/or possessing specialized or technical knowledge receive preference in job placement under this program.

A number of jobs for both male and female students are available in Huntington. Available positions are listed in the financial aid office and the Office of Career Planning and Placement.

APPLICATIONS

In order to apply for any type of financial aid at Marshall University, a student must have his parents complete a Parents' Confidential Statement (PCS). This PCS should be sent to the College Scholarship Service (CSS) in Evanston, Illinois. CSS will analyze the PCS and send a Financial Need Analysis Report (FNAR) to Marshall. This FNAR then becomes the student's application for financial aid. It should be noted by incoming freshmen that they cannot be awarded financial aid until they have been admitted for enrollment at Marshall University.

Incoming freshmen can acquire the PCS and an application for admission to Marshall University from their high school guidance counselor or principal. Upperclassmen should bear in mind that they must re-apply each year for any type of financial aid. Upperclassmen may acquire the PCS and an institutional application form from the financial aid office, Room 124, Old Main.

APPLICATION DEADLINES

All Financial Need Analysis Reports must be received by the financial aid office from the College Scholarship Service no later than March 1st. Applications received after this date will be placed on a waiting list for later consideration pending the availability of funds.
Teachers College

The purpose of the Teachers College is to function as the means for the preparation of teachers and school service personnel. This preparation is accomplished through meaningful curricula planning and faculty organization.

TEACHERS COLLEGE STUDENTS

Those students who desire to become teachers in kindergarten, elementary, and secondary schools or at the college level, and who are confident that they can attain the standards of academic and professional competency required, enroll in the Teachers College. A faculty adviser and the representatives of the academic dean's office direct the student in the program of his choice throughout his college life. Students who are enrolled in another college or school of the university may enroll for three (3) semester hours in the field of professional education if they desire. These students are limited to enrollment in Educational Foundations 218, Human Development.

TEACHERS INSERVICE CREDIT

Six (6) hours per semester, or a total of twelve (12) semester hours during any school year, is the maximum credit allowed for courses completed by inservice teachers. Teachers who intend to earn credit while inservice should first confer with their superintendents or school personnel officers.

CREDIT FOR COURSES OFFERED BY CORRESPONDENCE, EXTENSION,
CREDIT FOR MILITARY SERVICE,
CREDIT FOR COURSES OFFERED BY RADIO AND TELEVISION,
AND THROUGH SPECIAL EXAMINATIONS

Credits earned through these means are accepted up to a maximum of twenty-eight (28) semester hours. Courses are accepted only if such courses are offered by institutions of higher education that are accredited by a regional accreditation association of secondary schools and colleges and the National Council for Accreditation of Teacher Education.

PRE-STUDENT TEACHING LABORATORY EXPERIENCES

All Teachers College students participate in experiences which permit them to observe children or youth in activities which are examples of the teaching/learning process. These experiences are provided by the public schools of the area as well as by non-school agencies. Students who enroll for these activities must meet the standards of dress and conduct which apply to teachers in the school or staff in the agency to which they are assigned.

Students who receive transfer credit for courses which are co-requisite to the pre-student teaching activities are required to complete the activities as non-credit assignments.
The first of these activities accompanies Educational Foundations 218, Human Development, and consists of assigned experiences in a non-school community agency. The specific assignment, the nature of the experiences and the length of the experiences are determined by the faculty. The successful completion of these experiences is required for a passing grade in Educational Foundations 218. The second required laboratory assignment for all students is associated with Educational Foundations 319, Human Development. These experiences are provided in an assignment in the public schools. The specific assignment, the nature of the experiences and the length of the experiences are determined by the faculty. The successful completion of the experiences is required for a passing grade in Educational Foundations 319. A student must have attained junior standing (58 hours) and have a 2.0 average to enroll for Educational Foundations 319.

STUDENT TEACHING

An applicant for a professional certificate, who is to be recommended to his state department of education, must complete student teaching at Marshall University.

Students with three years of public school teaching experience at the level and in the subject specialization for which certification is desired may apply for student teaching during the summer. A statement verifying the experience must be filed prior to the approval of the application. Student teaching during the summer is limited to a few students. Students desiring to enroll for student teaching during the summer should check with the Coordinator of Student Teaching to verify the opportunities available prior to finalizing their plans.

A student may not enroll for more than one course other than those included in the student teaching block during the semester in which student teaching is included in his schedule of classes. Any class scheduled during the student teaching period must meet after 4:00 p.m.

Students are assigned to public schools which agree to provide the student teaching experiences for Marshall University. Since the supply of supervising teachers is limited, and the Teachers College has a large supply of teacher candidates, it is necessary that students be assigned in Cabell, Jackson, Kanawha, Logan, Mason, Mingo, Wayne, and Wood counties in West Virginia and other selected schools. In all cases the assignment responsibility rests with the Coordinator of Student Teaching with the approval of the public school administration in the school in which the student is to be placed. Students who are assigned a student teaching position but who do not complete the assignment may not be assured of a future assignment.

Admission to student teaching at Marshall University requires the following:

1. Applications must be completed by mid-term of the semester previous to enrolling for this experience. The deadline date for enrollment in student teaching will be posted outside the dean's office. Students must file in the office of the Coordinator of Student Teaching an application for permission to enroll for each course in student teaching.

An application for permission to enroll for student teaching during the summer must be filed in the office of the Coordinator of Student Teaching twelve (12) weeks prior to the beginning of the summer session.
2. **Student teaching is preceded by an orientation period** which includes large group meetings and seminars. Orientation periods are scheduled twice each year. Students who have not successfully completed the orientation period will not be admitted to student teaching. When the student makes application for student teaching, information concerning the dates of the orientation periods will be provided.

3. A **quality point average of 2.0 (c)** in all courses attempted; in all courses in the teaching specializations; and in all courses in professional education. Courses formerly listed in education and those presently listed in educational foundations, curriculum and instruction, counseling and rehabilitation, educational media and vocational-technical education are included in professional education.

   It will be the student’s responsibility to insure that the above grade averages have been met prior to entering student teaching. Any student who enters teaching without the above grade averages will be withdrawn by administrative action.

4. *The completion of approximately three-fourths (3/4) of the course work* in the teaching specializations and teaching methods in the primary subject specialization. (Elementary education students must have completed Curriculum and Instruction 443, Teaching Reading in Elementary Schools.)

**ACADEMIC PROBATION**

Any student who has less than a 2.0 average is on academic probation.

**INELIGIBILITY FOR SCHOLASTIC DEFICIENCIES**

Students are subject to the academic regulations of the university. For failure to comply with such regulations, a student may be suspended as provided by the West Virginia Board of Regents.

1. A student must show marked improvement in academic performance. It is expected that his quality point average will be better than 2.0 on all work attempted during each succeeding term in which he is enrolled. If he fails to meet this standard, he may be declared ineligible to attend the next regular academic semester or he may be dismissed from the university.

2. A student who has a deficit of 20 or more quality points and who did not receive the reduction stipulated by Teachers College on all work attempted during the period of his last enrollment may be declared ineligible to attend the next regular academic semester.

**READMISSION OF STUDENTS DECLARED INELIGIBLE TO ATTEND THE REGULAR ACADEMIC YEAR**

A student who has been declared ineligible for readmission to either the fall or spring semester may attend either or both of the summer sessions to improve his academic standing. After he has reduced his quality point deficiency by the number stipulated by Teachers College, he may petition for enrollment in the first and/or second semester. A student who is ineligible to attend a regular
academic semester may attend one or both summer sessions and take one or more courses. If the student's academic standing continues to deteriorate rather than improve, he will be subject to dismissal from the university.

Any student who enters another college or university following academic dismissal from Marshall University and thereafter seeks readmission to Marshall, is classified as a transfer student and is governed by the regulations applying to transfer students.

It should be understood, however, that students must have a quality point average of 2.0 or higher on all work attempted at Marshall University. Quality points earned at another institution may not be used to reduce a quality point deficiency created at Marshall.

TRANSFER FROM ONE COLLEGE TO ANOTHER

All decisions regarding a student's transfer to another college within the university is controlled by the student and the dean of the college to which the student proposes to transfer.

Individuals who are returning to the university from one or more years of active military duty are eligible to enter the college of their choice.

GRADUATION REQUIREMENTS

Grade Requirements

1. A quality point average of 2.0 (C) or better for all courses attempted.
2. A quality point average of 2.0 (C) or better in all comprehensive or subject specializations.
3. A quality point average of 2.0 (C) or better in all professional education courses.
4. A quality point average of 2.0 (C) or better in all courses attempted at Marshall University. Transfer credit may not be used to increase the grade point average.

All courses within the selected comprehensive or subject specialization(s) are considered in computing the grade point average, whether or not they are listed as requirements for the student's specific comprehensive or subject specialization(s).

National Teacher Examinations

All Teachers College students must complete the National Teacher Examinations during their senior year. The NTE includes:

1. The common examination.
2. The area examination.

Applications for the examination must be filed with Educational Testing Services, Princeton, New Jersey, on or before the deadline date published with the test announcement. The examination is scheduled three (3) times during the year and the student is responsible for the filing of his own application. The deadline date for filing will be announced for each examination.

Residency Requirements

Marshall University residency requirements will also apply to those students who choose to enroll in the Teachers College.
Program Requirements

The following information refers to the programming required in the Teachers College.

1. Students must complete the curricular requirements as outlined in the undergraduate catalog in effect at the time they enter Marshall University or as outlined in this catalog. However, no catalog previous to the 1967-68 edition may be used to determine requirements for graduation.

2. A minimum of one-hundred and twenty-eight (128) semester hours is required for graduation.
   a. Credit for English 100, Preparatory English, is not included in the minimum one-hundred and twenty-eight (128) hour total. Students who are required to take English 100 must complete an additional three (3) semester hours of work for a minimum total of one-hundred and thirty-one (131) semester hours for graduation.
   b. Students enrolling in the first year of a foreign language must complete six (6) semester hours if it is to be included in the minimum one-hundred and twenty-eight (128) semester hours required for graduation. Students who complete one-half or three (3) semester hours of the requirement must complete an additional three (3) hours of credit for a total of one-hundred and thirty-one (131) semester hours for graduation.

3. A minimum of forty-five (45) semester hours must be earned in 300-400 level courses. Courses transferred from two year colleges may not be used as part of the 300-400 level requirements. Courses transferred from four-year accredited colleges retain their original numbers.

4. Those students who expect to complete degree requirements in the Teachers College are required to complete their student teaching, a majority of their professional education courses, and teaching specialization requirements at Marshall University. Arrangements must be made in advance for those courses that are to be completed in other institutions or locations.

Curricular Requirements

The curricula to be completed by a student are identified under the following headings: (1) General Studies, (2) Professional Education, and (3) Subject Specializations. These are incorporated into a teacher education program that provides the basic framework for achieving specific objectives. The student specializing in Elementary Education, Early Childhood Education, Special Education and Teaching All Grades (1-12) must also complete the Diversified Subjects Requirements. Each teacher education program will describe the specific curricular requirements which apply to that program. The programs which are provided in Teachers College are listed on the pages which follow.
EARLY CHILDHOOD EDUCATION

The early childhood education program provides professional preparation for teaching in the nursery school, kindergarten or in grades one (1) through six (6) of the elementary school.

Minimum Requirements for Graduation

1. General studies requirements for an A.B. degree.
2. Diversified subjects requirements for teaching in a self-contained classroom.
3. Professional requirements:
   Educational Foundations 218, Human Development ........ 3 hrs.
   Educational Foundations 319, Human Development ........ 3 hrs.
   Curriculum and Instruction 410, Supervised Student Teaching ...................................... 8 hrs.
   Curriculum and Instruction 443, Teaching Reading in Elementary Schools ......................... 3 hrs.

   Total 20 hrs.

4. Specialization requirements:
   Child Development Directed to Early Childhood Education
   Home Economics 303, Child Development ......................... 3 hrs.
   (Includes actual experiences with children)
   Organization and Administration of Early Childhood
   Curriculum and Instruction 367, Early Childhood Organization and Administration .................. 3 hrs.
   Early Childhood Education and Curriculum to Include:
   Sciences, Art, Music and Language Development
   Curriculum and Instruction 409, Early Childhood Curricula ........................................ 3 hrs.
   Curriculum and Instruction 307, Science in the Elementary School .................................. 3 hrs.
   Speech 250, Storytelling and Dramatization ................................................................. 3 hrs.
   Speech Development
   Speech 418, Communication Disorders of School Children ............................................. 3 hrs.

   Total 18 hrs.

ELEMENTARY SCHOOL TEACHING

The elementary school teaching program provides professional preparation for teaching in elementary schools (grades 1-6) and for teaching subject specializations for grades 1-9.
Minimum Requirements for Graduation

1. General studies requirements for an A.B. degree.
2. Diversified subjects requirements for teaching in a self-contained classroom.
3. Professional requirements:
   Educational Foundations 218, Human Development ........ 3 hrs.
   Educational Foundations 319, Human Development ........ 3 hrs.
   Educational Foundations 406, Foundations of Education .... 3 hrs.
   Curriculum and Instruction 400, Elementary Education ...... 4 hrs.
   Curriculum and Instruction 405, Supervised Student Teaching ... 8 hrs.
   Curriculum and Instruction 443, Teaching Reading In Elementary Schools ........ 3 hrs.

   Total 24 hrs.

4. Subject specialization requirements:
   Students preparing to teach in an elementary school must select one of the subject specializations for grades 1-9 or a specialization for special education or the specialization requirements for early childhood education.

REHABILITATION EDUCATION

The rehabilitation education program leads to an A.B. degree and prepares the student for work or for additional specialized study in rehabilitation and in related fields. This does not qualify an individual for public school teaching.

Minimum Requirements for Graduation

1. General studies requirements for an A.B. degree. The rehabilitation student must complete Biological Science 201-202 to meet the science requirement.
2. Professional requirements:
   Counseling and Rehabilitation 306, Introduction to Rehabilitation .......... 3 hrs.
   Counseling and Rehabilitation 406, Rehabilitation Services ........ 3 hrs.
   Counseling and Rehabilitation 407, Rehabilitation Practicum .......... 4 hrs.

   Total 10 hrs.

3. Specialization requirements:
   Psychology (6 hours)
   Psychology 201, General Psychology .................. 3 hrs.
   Psychology 311, Psychological Development: Infancy to Old Age .......... 3 hrs.
   Sociology (9 hours)
   Sociology 200, Introductory Sociology ................ 3 hrs.
   Sociology 305, Community Organization ................. 3 hrs.
   Sociology 409, Social Welfare ........................... 3 hrs.
Zoology (4 hours)
Zoology 315, Human Anatomy and Physiology .......... 4 hrs.

Total 19 hrs.

4. Supporting requirements: (18 hours)
The following courses are suggested. Others may be selected with the approval of the rehabilitation education adviser.

Include four of the following:
Educational Foundations 435
Counseling and Rehabilitation 425, 490
Psychology 204, 223, 302, 406
Sociology 302, 310, 332, 342, 400, 408, 412, 413, 433

Include two of the following:
Counseling and Rehabilitation 408
Psychology 340, 408
Sociology 311, 435, 436
Curriculum and Instruction 420, 433, 444
Speech 418

5. Electives to complete 128 hours (37 hours)

SECONDARY SCHOOL TEACHING
(Grades 7-12)

The secondary school teaching program provides professional preparation for teaching in secondary schools (grades 7-12).

Minimum Requirements for Graduation

1. General studies requirements for an A.B. degree.
2. Professional requirements:
   Educational Foundations 218, Human Development .... 3 hrs.
   Educational Foundations 319, Human Development .... 3 hrs.
   Curriculum and Instruction 450, Supervised Student Teaching ...................................... 8 hrs.
   Curriculum and Instruction 475, Secondary Education .. 4 hrs.
   Methods in the teaching specialization for grades 7-12 ............................................. 2 hrs.

   Total 23 hrs.

3. Subject specialization requirements:
   Each program has its specific set of requirements. Reference should be made to the subject specialization for a listing of these requirements. The secondary school teaching program provides professional preparation for teaching in the junior high and high schools. Secondary teaching candidates may select from the following subject specialization requisites:
   a. One comprehensive subject specialization for grades 7-12 from the following: biological and general science, business education, chemistry and general science, home economics, language arts (comprehensive for English, speech and
journalism), mathematics, physics and general science, and
social studies.

or

b. Two single subject specializations for grades 7-12, from the
following: art, business principles, English, French, German,
journalism, Latin, mathematics, physical education, safety
education (may be used as a second subject specialization for
those students completing a comprehensive specialization. For
all others it must be completed as a third subject
specialization) secretarial studies, Spanish and speech.

or

c. One single subject specialization for grades 7-12 (as listed in
(b) above) and one designed for grades 7-9 from the following:
French, general science, German, home economics, language
arts, mathematics, social studies, Spanish and speech.

d. One single subject specialization for teaching and/or school
services for grades 1-12. Specific subject specializations as
follows provide preparation in art, library science,* music and
speech and hearing therapy.

SPECIAL EDUCATION

The special education program is designed with four (4) options for the
student who wishes to participate in the field of teaching exceptional children.
Options A and C are combined with the program for the preparation of
elementary school teachers.

Options B and D are combined with the program for the preparation of
secondary school teachers.

Option A
Teaching Mentally Retarded
Elementary Education

Minimum Requirements for Graduation

1. General studies requirements leading to an A.B. degree.
2. Diversified subjects requirements for teaching in a self-contained
classroom.
3. Professional requirements:
   Educational Foundations 218, Human Development .... 3 hrs.
   Educational Foundations 319, Human Development .... 3 hrs.
   Educational Foundations 406, Foundations of
   Education ................................................. 3 hrs.
   Curriculum and Instruction 400, Elementary
   Education ................................................. 4 hrs.
   Curriculum and Instruction 405, Supervised
   Student Teaching ....................................... 4 hrs.

* Requires a second subject specialization.
Curriculum and Instruction 440, Student Teaching With Mentally Retarded Children ............. 4 hrs.

Total .................................................. 21 hrs.

4. Specialization requirements:
   Orientation to Exceptional Children
   Curriculum and Instruction 320, Introduction to Exceptional Children ..................... 3 hrs.
   Characteristics and Psychological Needs
   Curriculum and Instruction 433, The Mentally Retarded Child ............................... 3 hrs.
   Educational Procedures, Curriculum, Methods
   Curriculum and Instruction 453, Curriculum Development for Teachers of the Mentally Retarded .... 3 hrs.
   Related Contents
   Educational Foundations 435, Tests and Measurements .................................. 3 hrs.
   Speech 418, Communication Disorders of School Children .................................. 3 hrs.
   Other
   Curriculum and Instruction 443, Teaching Reading in Elementary Schools .............. 3 hrs.

Total .................................................. 18 hrs.

Option B
Teaching Mentally Retarded Secondary Education

Minimum Requirements for Graduation

1. General studies requirements leading to an A.B. degree.
2. Professional requirements:
   Educational Foundations 218, Human Development .................................. 3 hrs.
   Educational Foundations 319, Human Development .................................. 3 hrs.
   Curriculum and Instruction 450, Supervised Student Teaching ......................... 4 hrs.
   Curriculum and Instruction 440, Student Teaching With Mentally Retarded Children .... 4 hrs.
   Curriculum and Instruction 475, Secondary Education .................................. 4 hrs.
   Methods in the subject specialization .................................................. 2 hrs.

Total .................................................. 23 hrs.

3. Subject specializations as outlined for secondary school teachers.
4. Specialization requirements:
   Orientation to Exceptional Children
   Curriculum and Instruction 320, Introduction to Exceptional Children ............. 3 hrs.
   Characteristics and Psychological Needs
   Curriculum and Instruction 433, The Mentally Retarded Child ....................... 3 hrs.
Educational Procedures, Curriculum, Methods
Curriculum and Instruction 453, Curriculum Development
  For Teachers of The Mentally Retarded .................. 3 hrs.
Related Contents
  Educational Foundations 435, Tests and Measurements  . 3 hrs.
  Speech 418, Communication Disorders of School
    Children ..................................................... 3 hrs.
Supporting requirements:
  Art 340, Art Education: Crafts ............................. 3 hrs.
  Curriculum and Instruction 307, Science Education:
    Science in the Elementary School ........................ 3 hrs.
  Curriculum and Instruction 203, Children's Literature .... 3 hrs.
  Curriculum and Instruction 201, Mathematics Education:
    Mathematics for Elementary Teachers II ................ 3 hrs.
  Curriculum and Instruction 300, Mathematics Education:
    Teaching Arithmetic ....................................... 2 hrs.
  Music 370, Music Materials and Procedures ................. 3 hrs.
  Physical Education 314, Materials and Methods for
    Elementary Schools ....................................... 3 hrs.
Other
  Curriculum and Instruction 443, Teaching Reading in
    Elementary Schools,
    or
  Curriculum and Instruction 445, Teaching Reading in
    Secondary Schools ...................................... 3 hrs.
Total 38 hrs.

Option C
Teaching Crippled and Other Handicapped
Elementary Education

Minimum Requirements for Graduation

1. General studies requirements leading to an A.B. degree.
2. Diversified subjects requirements for teaching in a self-contained classroom.
3. Professional requirements:
    Educational Foundations 218, Human Development .......... 3 hrs.
    Educational Foundations 319, Human Development .......... 3 hrs.
    Educational Foundations 406, Foundations of
      Education ............................................... 3 hrs.
    Curriculum and Instruction 400, Elementary Education .... 4 hrs.
    Curriculum and Instruction 405, Supervised
      Student Teaching ........................................ 5 hrs.
    Curriculum and Instruction 496, Student Teaching
      With Students With Crippling Conditions ................ 3 hrs.
    Total ..................................................... 21 hrs.
4. Specialization requirements:
    Orientation to Exceptional Children
Curriculum and Instruction 320, Special Education:  
  Introduction to Exceptional Children .................. 3 hrs.

Characteristics and Psychological Needs
Curriculum and Instruction 444, Special Education:  
  Characteristics of Crippled Children .................. 3 hrs.

Educational Procedures, Curriculum, Methods
Curriculum and Instruction 453, Special Education:  
  Curriculum Development for Teachers of the Mentally Retarded ............... 3 hrs.
  Clinical Implications of Crippling Conditions (Special Topics) .............. 3 hrs.

Related Contents
Educational Foundations 435, Tests and Measurements .................. 3 hrs.

Other
Curriculum and Instruction 443, Teaching Reading  
  In The Elementary Schools .................. 3 hrs.

Total .............. 18 hrs.

Option D
Teaching Crippled and Other Handicapped Secondary Education

Minimum Requirements for Graduation

1. General studies requirements leading to an A.B. degree.
2. Professional requirements:
   Educational Foundations 218, Human Development ........... 3 hrs.
   Educational Foundations 319, Human Development ........... 3 hrs.
   Curriculum and Instruction 450, Supervised Student Teaching ............ 5 hrs.
   Curriculum and Instruction 496, Student Teaching With Students With Crippling Conditions ........... 3 hrs.
   Curriculum and Instruction 475, Secondary Education ........... 4 hrs.
   Methods in the subject specialization ........... 2 hrs.

Total ........... 23 hrs.

3. Subject specializations as outlined for secondary school teachers.
4. Specialization requirements:
   Orientation to Exceptional Children
   Curriculum and Instruction 320, Special Education:  
     Introduction to Exceptional Children .................. 3 hrs.

Characteristics and Psychological Needs
Curriculum and Instruction 444, Special Education:  
  Characteristics of Crippled Children .................. 3 hrs.

Educational Procedures, Curriculum, Methods
Curriculum and Instruction 453, Special Education:
Curriculum and Development for Teachers of the Mentally Retarded ........................................... 3 hrs.
Curriculum and Instruction 482, Special Education:
   Clinical Implications of Crippling Conditions (Special Topics) ......................................... 3 hrs.

**Related Contents**
Educational Foundations 435, Tests and Measurements ......................................................... 3 hrs.

**Supporting requirements:**
Art 340, Art Education: Crafts ............................................................. 3 hrs.
Curriculum and Instruction 307, Science Education:
   Science in The Elementary School ............................................................ 3 hrs.
Curriculum and Instruction 203, Children's Literature ....................................................... 3 hrs.
Curriculum and Instruction 201, Mathematics Education:
   Mathematics for Elementary Teachers II ............................................................................ 3 hrs.
Curriculum and Instruction 300, Mathematics Education:
   Teaching Arithmetic ......................................................................................... 2 hrs.
Music 370, Music Materials and Procedures ....................................................................... 3 hrs.
Physical Education 314, Materials and Methods for Elementary Schools ............................. 3 hrs.

**Other:**
Curriculum and Instruction 443, Teaching Reading
   In The Elementary Schools
or
Curriculum and Instruction 445, Teaching Reading
   In Secondary Schools ......................................................................................... 3 hrs.

Total ........................................................................................................................................... 38 hrs.

**TEACHING ALL GRADES (1-12)**

The teaching all grades program provides professional preparation for teaching in an elementary school and for teaching subject specializations in a secondary school.

**Minimum Requirements for Graduation**

1. General studies requirements for an A.B. degree.
2. Diversified subjects requirements for teaching in a self-contained classroom.
3. Professional requirements:
   Educational Foundations 218, Human Development ......................................................... 3 hrs.
   Educational Foundations 319, Human Development ......................................................... 3 hrs.
   Curriculum and Instruction 400, Elementary Education .................................................. 4 hrs.
   Curriculum and Instruction 405, Supervised Student Teaching (1-6) ................................. 4 hrs.
   Curriculum and Instruction 443, Teaching Reading In Elementary Schools ...................... 3 hrs.
   Curriculum and Instruction 450, Supervised Student Teaching (7-12) .............................. 4 hrs.
Methods in the subject specialization 2 hrs.  
Total 26 hrs.  

4. Subject specialization requirements:  
One or more subject specialization(s) for teaching in grades 7-12.

**TEACHER EDUCATION CURRICULA**

**GENERAL STUDIES REQUIREMENTS**

The general studies requirements for a Bachelor of Arts (A.B.) degree in the Teachers College are as follows: (44 hours)

**The Humanities** 19 hrs.

*English Language: Grammar, Composition, Speech*
- English 101-102, English Composition  
  (or English 201H*, English Composition Honors, 3 hrs.) 6 hrs.  
- Speech 103, Speech Fundamentals or  
  Speech 305**, Principles of Public Address 3 hrs.

*Literature: English and American Literature*
- Select 2 of the following courses: 6 hrs.  
  - English 210, Biography  
  - English 218, Types of Poetry  
  - English 260, Creative Writing  
  - English 300, English Literature  
  - English 301, American Literature  
  - English 340, Black Literature

*Art Appreciation*
- Art 112, Art Appreciation 2 hrs.

*Music Appreciation*
- Music 175, Music Appreciation 2 hrs.

**The Sciences and Mathematics** 11 hrs.

*Biological Science/Physical Science***
- Biological Science 201, Biology of Plants and  
  Biological Science 202, Animal Biology, or  
- Physical Science 109-110, General Physical Science 8 hrs.

---

*An accelerated course for freshmen selected on the basis of various entrance examinations. Completion of 201H satisfies the university requirement in freshman composition. Students completing 201H substitute an additional English course at the 300-400 level to complete graduation requirements.*  
**Beginning course open to juniors and seniors who have not had Speech 103 or 202 or by permission of the Chairman of the Department of Speech.*  
***Students majoring in home economics, physical education, speech and hearing therapy, and rehabilitation education must complete Biological Science 201-202.*
Mathematics
Mathematics 110*, Introduction to College Mathematics ... 3 hrs.
Curriculum and Instruction 101**, Mathematics for
Elementary Teachers I ........................................... 3 hrs.

The Social Studies ................................................. 12 hrs.

History: Contemporary Civilization
Social Studies 104-105, Western Civilization In Its
World Setting ...................................................... 6 hrs.

Current Problems: Economic, Social, Political

The Physical Education Subjects .................................. 2 hrs.

MEN
Military Science 101-102, Basic Course Military Science or
Physical Education 113-114, Orientation to Physical Education ... 2 hrs.

WOMEN
Physical Education Electives: Select two of the following one-hour
courses:
  Physical Education 100, 125, 127, 132, 140, 141, 142, 145, 160
  205, 240, 241, 242, 300, 305, 330, 403, and 404

DIVERSIFIED SUBJECTS REQUIREMENTS***

Diversified subjects for teaching in a self-contained classroom of an
elementary school shall include: (47 hours)

Children's Literature
Curriculum and Instruction 203, Children's Literature ......... 3 hrs.

American History
History 311-312-313, American History, 1492 to Present .... 9 hrs.

West Virginia History and Government
Social Studies 303, West Virginia History, Geography
  and Government .............................................. 3 hrs.

Global Geography
Geography 317, World Geographical Problems ................. 3 hrs.

Biological Science and Physical Science
(8 hours in addition to those included in the general studies
requirements)
  Biological Science 201, Biology of Plants and

* Students in the secondary school program may select this course or an advanced course.
  All science and business education majors should check with their adviser for the
  mathematics required by their specialization.

** Students in the elementary, special education and early childhood education programs
  must complete this course.

*** Applies to programs for early childhood education, elementary education and special
  education options A and C.
Biological Science 202, Animal Biology or
Physical Science 109-110, General Physical Science .............. 8 hrs.

*Mathematics for Teachers*
Curriculum and Instruction 201, Mathematics Education:
Mathematics for Elementary Teachers II ................. 3 hrs.
Curriculum and Instruction 300, Mathematics Education:
Teaching Arithmetic ................. 3 hrs.

*Music Education*
Music 303, Music Skills for Classroom Teachers .............. 2 hrs.
Music 370, Music Materials and Procedures ................. 3 hrs.

*Art Education*
Art 113, Drawing and Painting ................. 3 hrs.
Art 340, Crafts ................. 3 hrs.

*Health Education*
Physical Education 221, Health Education .............. 2 hrs.

*Physical Education for Elementary Schools*
Physical Education 314, Materials and Methods for
Elementary Schools ................. 3 hrs.

**Subject Specializations**

Programs for preparation for teaching require specializations in subjects which are to be taught in public schools. Specializations are listed in this section beginning with art and concluding with speech and hearing therapy.

**Comprehensives**

A field of preparation which includes one broad field or a combination of related subjects.

Comprehensives are provided in biological and general science, business education, chemistry and general science, home economics, language arts (English, speech and journalism), mathematics, physics and general science and social studies.

**Subject Specializations 7-12**

A single field of preparation for teaching in the secondary schools grades 7-12.

Subject specializations are provided in art, business principles, English, French, German, journalism, Latin, mathematics, physical education, safety education*, secretarial studies, Spanish and speech.

**Subject Specializations 7-9 or 1-9**

A single field of preparation with minimum requirements. A secondary teacher may after the completion of one of these specializations teach that subject in grades 7, 8, and 9 of a junior high school. An elementary teacher after

*Safety education may be used as a second subject specialization for those students completing a comprehensive specialization. For all others it must be completed as a third subject specialization.
the completion of one of these specializations may teach that specialization in a departmentalized elementary school or in grades 7, 8 and 9.

Subject specializations 7-9 or 1-9 are provided in French, general science, German, home economics, language arts, mathematics, social studies, Spanish and speech.

**Subject Specializations 1-12**

A single field of preparation for teaching or school services for all grade levels.

Subject specializations 1-12 are provided in art, library science, music, and speech and hearing therapy.

**ART**

*(Grades 1-12)*

The subject specialization for grades 1-12 affords the student of art the opportunity to reach the greatest competency in the subject. In addition to the course requirements a student must do the following:

1. Submit near the end of the sophomore year a portfolio of art work completed in the freshman and sophomore years for review by the staff of the Department of Art. This must be submitted prior to enrollment in the advanced courses in art.

2. Present during the senior year a satisfactory exhibition of creative work.

**Minimum Requirements for Graduation**

1. General studies requirements for an A.B. degree.
2. Professional requirements:
   - Educational Foundations 218, Human Development .... 3 hrs.
   - Educational Foundations 319, Human Development .... 3 hrs.
   - Curriculum and Instruction 405, Supervised Student Teaching (1-6) ....................................... 4 hrs.
   - Curriculum and Instruction 450, Supervised Student Teaching (7-12) ....................................... 4 hrs.
   - Curriculum and Instruction 468, Teaching Art In The Secondary School .................................. 2 hrs.
   - Curriculum and Instruction 475, Secondary Education ... 4 hrs.

   Total .................................................. 23 hrs.

3. Specialization requirements:
   - Art 101-102, Drawing ........................................ 6 hrs.
   - Art 113, Art Education: Drawing and Painting ........ 3 hrs.
   - Art 203, Composition, Color and Design in Drawing and Painting ........................................... 3 hrs.
   - Art 214, Introduction to Design ......................... 3 hrs.
   - Art 215, Three-Dimensional Design ..................... 3 hrs.
   - Art 307, Sculpture ....................................... 3 hrs.
   - Art 340, Art Education: Crafts .......................... 3 hrs.
Art 350, Watercolor Painting ........................................ 3 hrs.
Art 401-402, History of Art ........................................... 6 hrs.
Art 406, Figure Drawing ............................................. 3 hrs.
Art 455-456, Painting: Acrylic and Oil ......................... 6 hrs.
Art 460, History and Philosophy of Art Education ............ 3 hrs.
Select one course from the following: .......................... 2 hrs.
  Art 305, Ceramics, 2 hrs.
  Art 306, Design in Metals, 2 hrs.
Select one course from the following: .......................... 3 hrs.
  Art 403, Oriental Art, 3 hrs.
  Art 404, 20th Century Art, 3 hrs.
  Art 405, Art in America, 3 hrs.
  Art 407, Primitive Art, 3 hrs.
  Art 408, Black Art, 3 hrs.

Total 50 hrs.

**ART**
(Grades 7-12)

In addition to the art course requirements a student must do the following:

1. Submit near the end of the sophomore year a portfolio of art work completed in the freshman and sophomore years for review by the staff of the Department of Art. This must be submitted prior to enrollment in the advanced courses in art.

2. Present during the senior year a satisfactory exhibition of creative work.

Art 101, Drawing .................................................. 3 hrs.
Art 113, Art Education: Drawing and Painting .................. 3 hrs.
Art 203, Composition and Design in Drawing and Painting .... 3 hrs.
Art 214, Introduction to Design .................................. 3 hrs.
Art 215, Three-Dimensional Design ............................. 3 hrs.
Art 307, Sculpture ............................................. 3 hrs.
Art 340, Art Education: Crafts .................................. 3 hrs.
Art 350, Watercolor Painting .................................... 3 hrs.
Art 401-402, History of Art ...................................... 6 hrs.
Art 406, Figure Drawing .......................................... 3 hrs.
Art 455, Painting: Acrylic and Oil .............................. 3 hrs.
Art 460, History and Philosophy of Art Education .......... 3 hrs.
Select one course from the following: .......................... 2 hrs.
  Art 305, Ceramics; Art 306, Design in Metal

Total 41 hrs.

*Requires a second subject specialization for grades 7-9 or 7-12.*
BIOLICAL AND GENERAL SCIENCE*
(Comprehensive: Grades 7-12)

Biological Science 201, Biology of Plants, and
Biological Science 202, Animal Biology .................. 8 hrs.
Biological Science 306, Field Biology ..................... 4 hrs.
Botany 415, Plant Morphology ........................... 4 hrs.
Botany 416, Plant Taxonomy ............................... 4 hrs.
Chemistry 203-204, General Chemistry I and II or
Chemistry 211-212, Principles of Chemistry I and II and
Chemistry 213-214, Principles of Chemistry Laboratory .... 8 hrs.
Geology 200**, *Physical Geology ......................... 3 hrs.
Geology 201L**, *Earth Materials Laboratory ............... 1 hr.
Physical Science 400**, *Astronomy ...................... 3 hrs.
Physics 201-203, **General Physics ...................... 6 hrs.
Physics 202-204, General Physics Laboratory .......... 2 hrs.
Select 7-8 hours from the following: ..................... 7-8 hrs.
  Biological Science 407, Genetics (4 hour course)
  Biological Science 482, Conservation of Forests, Soil and
  Wildlife (3 hour course)
  Botany 302, General Bacteriology (4 hour course)
  Botany 418, Mycology and Plant Pathology (4 hour course)
  Zoology 315, Human Anatomy and Physiology (4 hour course)

Total ........................................ 54-55 hrs.

BUSINESS EDUCATION
(Comprehensive: Grades 7-12)

Accounting 215-216, Principles of Accounting ............... 6 hrs.
Accounting 311, Intermediate Accounting ................... 3 hrs.
Economics 310, Money and Banking .......................... 3 hrs.
Finance 307, Principles of Business Law ................... 3 hrs.
Finance 323, Principles of Business Finance ................ 3 hrs.
Management 318, Business Statistics ....................... 3 hrs.
Management 320, Principles of Management ................ 3 hrs.
Marketing 340, Principles of Marketing ..................... 3 hrs.
Office Administration 103**, **Typewriting ................. 2 hrs.
Office Administration 104, Intermediate Typewriting .... 2 hrs.
Office Administration 105, Advanced Typewriting .......... 2 hrs.
Office Administration 201, Shorthand ....................... 3 hrs.

*Geology 200-210L and Physical Science 400 may be omitted by a student who
completes a second subject specialization for grades 7-9 or 7-12.
**A student who wishes to qualify for a specialization in Biological Science may omit
Geology 200, 210L and Physical Science 400 but will be required to complete a second
specialization.
***Mathematics 120 and 122 or 122 and 130 or 131 are prerequisites for all courses in
physics.
****No credit if student has had one year or more in high school.
Office Administration 202, Shorthand-Transcription 3 hrs.
Office Administration 301, Intermediate Dictation 3 hrs.
Office Administration 305, Office Machines 3 hrs.
Office Administration 404, Secretarial Training 3 hrs.
Office Administration 421, Office Management 3 hrs.
Electives (to be selected from the areas of advertising, data processing, marketing, finance and management and administration) 6 hrs.

Total 58-63 hrs.

**BUSINESS PRINCIPLES***
(Grades 7-12)

Accounting 215-216, Principles of Accounting 6 hrs.
Finance 307, Principles of Business Law 3 hrs.
Finance 323, Principles of Business Finance 3 hrs.
Management 318, Business Statistics 3 hrs.
Marketing 340, Principles of Marketing 3 hrs.
Office Administration 103**, Typewriting 2 hrs.
Office Administration 104, Intermediate Typewriting 2 hrs.
Office Administration 105, Advanced Typewriting 2 hrs.
Office Administration 305, Office Machines 3 hrs.
Office Administration 421, Office Management 3 hrs.

Total 34-36 hrs.

**CHEMISTRY AND GENERAL SCIENCE***
(Comprehensive: Grades 7-12)

Total 24 hrs.

HOME ECONOMICS
(Comprehensive: Grades 7-12)

Minimum Requirements for Graduation

* Mathematics 120 and 122 or 122 and 130 or 131 are prerequisites for all courses in physics.
** Requires a second subject specialization for grades 7-9 or 7-12.
1. General studies requirements for an A.B. degree. Home Economics majors must complete Biological Science 201-202 to meet the science requirement:

2. Professional requirements:
   - Educational Foundations 218, Human Development 3 hrs.
   - Educational Foundations 319, Human Development 3 hrs.
   - Home Economics 450, Home Economics Education: Student Teaching in Home Economics 8 hrs.

3. Specialization requirements:
   - Chemistry 203-204, General Chemistry I and II 8 hrs.
   - Home Economics 110, Food Selection and Preparation 3 hrs.
   - Home Economics 203, Meal Management 3 hrs.
   - Home Economics 210, Nutrition 3 hrs.
   - Home Economics 212, Textiles 2 hrs.
   - Home Economics 303, Child Development 3 hrs.
   - Home Economics 314, Clothing Selection 3 hrs.
   - Home Economics 351, Housing 3 hrs.
   - Home Economics 354, Home Furnishings 3 hrs.
   - Home Economics 405, Quantity Food Service or Home Economics 413, Experimental Foods 3 hrs.
   - Home Economics 415, Family Relationships 3 hrs.
   - Home Economics 416, Prenatal and Infant Care 3 hrs.
   - Home Economics 420, Household Equipment 3 hrs.
   - Home Economics 427, Home Management Laboratory 3 hrs.
   - Home Economics 461, The Family as Consumers 3 hrs.

Total 54 hrs.

**HOME ECONOMICS**
(Grades 7-9 and 1-9)

Home Economics 110, Food Selection and Preparation 3 hrs.
Home Economics 210, Nutrition 3 hrs.

*Substitute for the professional education requirements listed for secondary school teaching.
**Placement in Home Economics 112 or 213 is determined by score achieved in a clothing construction pretest.
### Home Economics Courses

- **Home Economics 303, Child Development**: 3 hrs.
- **Home Economics 354, Home Furnishings**: 3 hrs.
- **Home Economics 358, Principles of Management**: 2 hrs.
- **Home Economics 415, Family Relationships**: 3 hrs.
- **Electives**: Select 5-6 hours from the following...
  - Home Economics 203, Meal Management (3 hour course)
  - Home Economics 212, Textiles (2 hour course)
  - Home Economics 314, Clothing Selection (3 hour course)
  - Home Economics 420, Household Equipment (3 hour course)
  - Home Economics 461, The Family as Consumers (3 hour course)

**Total**: 24-26 hrs.

### Journalism Courses

**Journalism 201-202, Reporting**: 6 hrs.
- **Journalism 300, History of American Journalism**: 3 hrs.
- **Journalism 301-302, Copy Editing**: 6 hrs.
- **Journalism 360, News Photography**: 3 hrs.
- **Journalism 405, Ethics of Mass Communications**: 2 hrs.
- **Journalism 428, High School Publications**: 3 hrs.

**Journalism electives**: Include one of the following topics:
- Journalism 304 and 305, Editorial Writing
- Journalism 308 and 309, Feature Writing

**Total**: 27 hrs.

### Language Arts Courses

**English 101-102, English Composition or 201 H***, English Composition Honors**: 6 hrs.
- **English 300, English Literature**: 3 hrs.
- **English 301, American Literature**: 3 hrs.
- **English 325, Shakespeare**: 3 hrs.
- **English 405, Study of the English Language**: 3 hrs.
- **English 420, Senior Seminar in Literature**: 3 hrs.
- **English 450 or 451, World Literature**: 3 hrs.
- **English 475, Introduction to Linguistics**: 3 hrs.
- **Journalism 308 or 309, Feature Writing**: 2 hrs.
- **Language, Classic or Modern Foreign**: 6 hrs.

**Speech 103, Speech Fundamentals or**

---

*Requires a second subject specialization for grades 7-12.

**Comprehensive for teaching English, speech, and journalism.

***An accelerated course for freshmen selected on the basis of various entrance examinations. Completion of 201H satisfies the university requirement in freshman composition. Students completing 201H substitute an additional English course at the 300-400 level to complete graduation requirements.
Speech 305*, Principles of Public Address .......................... 3 hrs.
Speech 205, Argumentation and Debate .............................. 3 hrs.
Speech 240, Voice Training .......................................... 3 hrs.
Speech 320, Oral Interpretation of Literature ...................... 3 hrs.
Speech 403, Play Direction ........................................... 3 hrs.
Speech 450, The Direction of Speech Activities ..................... 3 hrs.
Select one of the following: ........................................... 3 hrs.
   Speech 210, Acting or
   Speech 432, Use of Radio and Television in the Classroom
Electives in English in 300-400 series .............................. 6 hrs.
   Include at least one course at the 400 level in English or American literature before 1900.

Total 62-65 hrs.

LANGUAGE ARTS
(Grades 7-9 and 1-9)

English 101-102, English Composition or
   English 201H**, English Composition Honors .................... 6 hrs.
Curriculum and Instruction 203, Children's Literature .............. 3 hrs.
English 300, English Literature ...................................... 3 hrs.
English 301, American Literature .................................... 3 hrs.
English 405, Study of the English Language or
   English 475, Introduction to Linguistics ........................ 3 hrs.
Speech 103, Fundamentals of Speech Communication or
   Speech 305*, Principles of Public Address ....................... 3 hrs.
Speech 250, Storytelling and Dramatization ........................ 3 hrs.
Speech 418, Communication Disorders of School Children .......... 3 hrs.

Total 24-27 hrs.

LATIN***
(Grades 7-12)

Latin 101-102, First Year Latin ...................................... 6 hrs.
Classics 436, Roman Civilization ..................................... 3 hrs.
Electives: Latin courses with the approval of adviser .............. 18 hrs.

Total 33 hrs.****

*Beginning course open to juniors and seniors who have not had Speech 103 or 202 or by permission of the Chairman of the Department of Speech.
**An accelerated course for freshmen selected on the basis of various entrance examinations. Completion of 201H satisfies the university requirement in freshman composition. Students completing 201H substitute an additional English course at the 300-400 level to complete graduation requirements.
***Requires a second subject specialization for grades 7-9 or 7-12.
****May be reduced by advanced placement.
Minimum Requirements for Graduation

1. General studies requirements for an A.B. degree.
2. Professional requirements:
   - Educational Foundations 218, Human Development ..... 3 hrs.
   - Educational Foundations 319, Human Development ..... 3 hrs.
   - Curriculum and Instruction 405, Supervised Student Teaching (1-6) or
   - Curriculum and Instruction 450, Supervised Student Teaching (7-12) ..... 3-5 hrs.
   - Curriculum and Instruction 400, Elementary Education or
   - Curriculum and Instruction 475, Secondary Education ..... 4 hrs.
   - Educational Media 465, Utilization of Educational Media ..... 3 hrs.
   - Educational Media 466, Production of Audiovisual Aids ..... 3 hrs.

   Total 22-24 hrs.

3. Specialization requirements:
   - Educational Media 301, The Teacher and Library Service ..... 3 hrs.
   - Educational Media 310, Organization and Administration of School Libraries ..... 3 hrs.
   - Educational Media 315, Reference and Bibliography ..... 3 hrs.
   - Educational Media 320, Cataloging and Classification ..... 3 hrs.
   - Educational Media 404, Book Selection for Children ..... 3 hrs.
   - Educational Media 405, Book Selection for Adolescents ..... 3 hrs.
   - Educational Media 450, Library Practice ..... 3-5 hrs.
   - Educational Media electives: Select one of the following: ..... 3 hrs.
     - Educational Media 401, History of Books and Libraries
     - Educational Media 410, Foundations of Mass Communications

   Total 24-26 hrs.

Note: Total credit for Curriculum and Instruction 450 and Educational Media 450 shall not exceed 8 hours.

MATHEMATICS
(Comprehensive: Grades 7-12)

Mathematics 122**, Plane Trigonometry ..... 3 hrs.
Mathematics 130**, College Algebra ..... 3 hrs.

* Requires a second subject specialization for grades 7-9 or 7-12. Office Administration 103 or the equivalent is a prerequisite to courses in library science.
** Not required of a student whose high school program in mathematics included equivalent content. In such circumstances the total hours may be lowered accordingly. This decision is to be made by the Chairman of the Department of Mathematics.
Mathematics 131, Calculus With Analytic Geometry I ............... 5 hrs.
Mathematics 230, Calculus With Analytic Geometry II ............. 4 hrs.
Mathematics 231, Calculus With Analytic Geometry III ........... 4 hrs.
Mathematics 448, Fundamental Concepts of Modern Geometry ....... 3 hrs.
Mathematics 449, Projective Geometry ................................ 3 hrs.
Mathematics 450, Fundamental Concepts of Modern Algebra ....... 3 hrs.
Mathematics 451, Linear Algebra .................................... 3 hrs.
Electives: ....................................................................... 3-4 hrs.

Any mathematics course above Mathematics 231 may be elected except Mathematics 400 and 401.

Total 37-38 hrs.

NOTE: All students must complete the mathematics placement examination. The score on the ACT determines the first mathematics course in which a student may enroll.

Physical Education 420, Advanced Practice and Officiating .... 1 hr.
Physical Education 421, Advanced Practice and Officiating .... 1 hr.

Total 2 hrs.

WOMEN (14 hours)

General Studies Requirement:
Physical Education 123, Survey of Physical Abilities .............. 1 hr.
Physical Education 124, Fundamentals of Movement .............. 1 hr.

Total 2 hrs.

Professional Activities:
Physical Education 108, Field Hockey and Badminton ............ 2 hrs.
or
Physical Education 147, Soccer and Bowling .................. 2 hrs.
Physical Education 230, Basketball and Track-Field ............ 2 hrs.
Physical Education 231, Tennis and Intermediate Swimming .... 2 hrs.
Physical Education 232, Golf and Volleyball .................. 2 hrs.
Physical Education 233, Tumbling and Gymnastics .............. 2 hrs.
Physical Education 304, Modern Dance .................. 1 hr.
Physical Education 330, Rhythmic Activities .................. 1 hr.

Total 12 hrs.

Theory Foundations

Physical Education 118, Introduction to Physical Education .... 2 hrs.
Physical Education 222, First Aid ............................. 2 hrs.
or
Physical Education 422, Prevention, Care and Treatment of
ATHLETIC INJURIES ................................... 2 hrs.

Physical Education 322, Adapted Physical Education ............................. 2 hrs.

Physical Education 365, Tests and Measurements in Health and
Physical Education ........................................................................... 3 hrs.

Physical Education 410, Organization and Administration of
Physical Education and Athletics ...................................................... 3 hrs.

Physical Education 470, Curriculum Development in Physical
Education ......................................................................................... 2 hrs.

Total ............................................................................................... 16 hrs.

Total required hours for the specialization ......................................... 39 hrs.

PHYSICAL EDUCATION*
(Grades 1-12)

The completion of a program in physical education for grades 7-12 plus
the addition of the courses listed below will qualify a graduate for teaching
physical education in grades 1-12.

Physical Education 260, Movement Behavior in Children ....................... 3 hrs.

Physical Education 314, Materials and Methods for Elementary
Schools .............................................................................................. 3 hrs.

Physical Education 350, Creative Rhythms ......................................... 2 hrs.

Curriculum and Instruction 405, Elementary Education: Supervised
Student Teaching ................................................................................ 3-5 hrs.

Total ............................................................................................... 11-13 hrs.

Total required hours for Grades 1-12 specialization ............................... 50-55 hrs.

PHYSICS AND GENERAL SCIENCE**
(Comprehensive: Grades 7-12)

Biological Science 201, Biology of Plants and
Biological Science 202, Animal Biology .............................................. 8 hrs.

Chemistry 203-204, General Chemistry I and II or
Chemistry 211-212, Principles of Chemistry I and II and
Chemistry 213-214, Principles of Chemistry Laboratory ....................... 8 hrs.

Geology 200, Physical Geology .......................................................... 3 hrs.

Geology 210L, Earth Materials Laboratory ........................................... 1 hr.

Physical Science 400, Astronomy ....................................................... 3 hrs.

Physics 201-203**, General Physics ..................................................... 6 hrs.

Physics 202-204, General Physics Laboratory ........................................ 2 hrs.

* Requires a second subject specialization for grades 7-9 or 7-12.
** Geology 200-210L and Physical Science 400 may be omitted by a student who
completed a second subject specialization for grades 7-9 or 7-12.
*** Mathematics 120 and 122 or 122 and 130 or 131 are prerequisites for all courses in
physics.
Physics 320, Introductory Modern Physics ................... 3 hrs.
Physics 421, Modern Physics Laboratory ..................... 2 hrs.
Physics electives* ....................................... 7-8 hrs.
  Recommended:
    Physics 314, Electronic Physics and
    Physics 315, Electronics Laboratory
Select 2-3 hours from the following:
    Physics 301, Electrical Measurements (2 hour course)
    Physics 304, Optics (3 hour course)
    Physics 305, Optics Laboratory (2 hour course)
    Physics 308, Thermal Physics (3 hour course)

Total 43-44 hrs.

SAFETY EDUCATION**
(Grades 7-12)

Safety Education 235, Introduction to Safety Education ....... 3 hrs.
Safety Education 385, Traffic Safety and Driver Education .... 3 hrs.
Safety Education 480, Traffic Law and Enforcement ............ 3 hrs.
Safety Education 490, Problems and Practices in Traffic
  Safety and Driver Education ................................ 3 hrs.
Related course electives (Select 6 hours from the following) ... 6 hrs.
  Physical Education 222, First Aid (2 hour course)
  Physical Education 403, Advanced Swimming and Water Safety
    (1 hour course)
  Physical Education 404, Water Safety Instruction (1 hour course)
  Physical Education 422, Prevention, Care and Treatment of Athletic
    Injuries (2 hour course)
  Safety Education 485, Industrial Safety (3 hour course)
  Safety Education 495, Industrial Safety Management
    (3 hour course)

Total 18 hrs.

SECRETARIAL STUDIES***
(Grades 7-12)

Accounting 215-216, Principles of Accounting ............... 6 hrs.
Management 318, Business Statistics ........................ 3 hrs.
Office Administration 103*** Typewriting ................... 2 hrs.

* Mathematics 120 and 122 or 122 and 130 or 131 are prerequisites for all courses in
  Physics.
** Safety education may be used as a second subject specialization for those students
  completing a comprehensive specialization. For all others it must be completed as a
  third subject specialization.
*** Requires a second subject specialization for grades 7-9 or 7-12.
**** No credit if student has had one year or more in high school.
Office Administration 105, Advanced Typewriting ............... 2 hrs.
Office Administration 201* , Shorthand ....................... 3 hrs.
Office Administration 202, Shorthand-Transcription ............. 3 hrs.
Office Administration 301, Intermediate Dictation ............... 3 hrs.
Office Administration 305, Office Machines ....................... 3 hrs.
Office Administration 404, Secretarial Training ............... 3 hrs.
Office Administration 421, Office Management ....................... 3 hrs.

Total 37-42 hrs.

SOCIAL STUDIES
(Comprehensive: Grades 7-12)

Anthropology 301, Cultural Anthropology ....................... 3 hrs.
Economics 300, Survey of Economics ....................... 3 hrs.
Economics 342, Economic Development of the United States ........ 3 hrs.
Geography 203, General Economic Geography ....................... 3 hrs.
Geography 317, World Geographical Problems ....................... 3 hrs.
History 311-312-313, American History, 1492 to Present ....... 9 hrs.
History 321-322, European History, 1492 to Present ................ 6 hrs.
History 375, The Far East or
History 427, Russia in the 19th and 20th Centuries ............... 3 hrs.
Political Science 201, American National Government ............... 3 hrs.
Social Studies 104-105, Western Civilization in its
World Setting ............................................. 6 hrs.
Social Studies 201-202, Fundamental Social Problems ............... 6 hrs.
Social Studies 303, West Virginia History, Geography and
Government ............................................. 3 hrs.

Total 51 hrs.

SOCIAL STUDIES
(Grades 7-9 and 1-9)

Geography 317, World Geographical Problems ....................... 3 hrs.
History 311-312-313, American History, 1492 to Present ............... 9 hrs.
Political Science 201, American National Government ............... 3 hrs.
Social Studies 104-105, Western Civilization in its World
Setting ............................................. 6 hrs.
Social Studies 201-202, Fundamental Social Problems ............... 6 hrs.
Social Studies 303, West Virginia History, Geography and
Government ............................................. 3 hrs.

Total 30 hrs.

*No credit if student has had one year or more in high school.
SPANISH*
(Grades 7-12)

Spanish 101-102, First Year Spanish ........................................ 6 hrs.
Spanish 203-204, Intermediate Spanish ................................... 6 hrs.
Spanish 314, Studies in Language Laboratory Techniques ............ 3 hrs.
Spanish Electives: .............................................................. 15 hrs.
(Must include at least 9 hours of literature)

Total .............................................. 30 hrs.

SPANISH
(Grades 7-9 and 1-9)

Spanish 101-102, First Year Spanish ........................................ 6 hrs.
Spanish 203-204, Intermediate Spanish ................................... 6 hrs.
Spanish 314, Studies in Language Laboratory Techniques ............ 3 hrs.
Spanish Electives: .............................................................. 9 hrs.
(Must include at least 6 hours of literature)

Total .............................................. 24 hrs.

SPEECH*
(Grades 7-12)

Speech 103, Fundamentals of Speech or
   Speech 305**, Principles of Public Address .......................... 3 hrs.
Speech 202, Introduction to Public Address ............................ 3 hrs.
Speech 205, Argumentation and Debate ................................... 3 hrs.
Speech 210, Acting .............................................................. 3 hrs.
Speech 240, Voice Training .................................................. 3 hrs.
Speech 312-313, Play Production ........................................... 4 hrs.
Speech 320, Oral Interpretation of Literature ......................... 3 hrs.
Speech 403, Play Direction .................................................. 3 hrs.
Speech 418, Communication Disorders of School Children ........... 3 hrs.
Speech 432, Use of Radio and Television in the Classroom .......... 3 hrs.
Speech 450, The Direction of Speech Activities ....................... 3 hrs.

Total .............................................. 34 hrs.

SPEECH
(Grades 7-9 and 1-9)

Speech 103, Fundamentals of Speech Communication or
   Speech 305, Principles of Public Address ............................ 3 hrs.
Speech 202, Introduction to Public Address ............................ 3 hrs.
Speech 209, Introduction to the Theatre ................................ 3 hrs.

* Requires a second subject specialization for grades 7-9 or 7-12.
** Beginning course open to juniors and seniors who have not had Speech 103 or 202 or by permission of the chairman of the Department of Speech.

**SPEECH AND HEARING THERAPY**

(Grades 1-12)

**Minimum Requirements for Graduation**

1. General studies requirements for an A.B. degree. Biological Science 201-202 must be completed as the science requirement.

2. Professional requirements:
   - Educational Foundations 319, Human Development .................. 3 hrs.
   - Educational Foundations 435, Tests and Measurements ................. 3 hrs.
   - Curriculum and Instruction 420, Introduction to Exceptional Children ........... 3 hrs.

   **Total** 12 hrs.

3. Specialization requirements:
   - Psychology 201, General Psychology .................................. 3 hrs.
   - Psychology 311*, Psychological Development: Infancy to Old Age .......... 3 hrs.
   - Speech 240, Voice Training ........................................ 3 hrs.
   - Speech 370, Language and Speech Development ......................... 3 hrs.
   - Speech 420, Voice in Communications ................................ 3 hrs.
   - Speech 422, Speech in Communications ................................ 3 hrs.
   - Speech 424, Diagnostic Processes with Communication Disorders .......... 3 hrs.
   - Speech 425, Language in Communication ................................ 3 hrs.
   - Speech 426, Clinical Problems with Communication Disorders .......... 3 hrs.
   - Speech 427, Clinical Practicum with School Children .................. 6 hrs.
   - Speech 429, Anatomy and Physiology .................................. 3 hrs.
   - Speech 439, Phonetics ............................................... 3 hrs.
   - Speech 460, Hearing in Communication ................................ 3 hrs.
   - Speech 463, Methods and Materials with Hearing Disorders .............. 3 hrs.
   - Speech 468, Methods and Materials with Speech Disorders .............. 3 hrs.
   - Speech 470, Therapeutic Processes with Communication Disorders ........ 3 hrs.

*Psychology 311 must be taken before Educational Foundations 319.
Electives (Recommended) ........................................ 9 hrs.
  English 475, Introduction to Linguistics
  Psychology 340, Physiological Psychology
  Psychology 408, Psychology of Abnormal Behavior

Total ..................................................... 60 hrs.
College of Arts and Sciences

To be of the greatest service to society, one must have a liberal view, broad sympathies, and a constructive attitude toward the rights of others. The student who receives a liberal arts education is much more likely to have this broader outlook and is also more likely to see beyond the horizon of his own personal interests than is the individual whose training has been directed along a single line of specialization.

The primary purpose of a liberal arts course is to acquaint the student "with what man has done, that is, history; with what he has thought, that is, philosophy; with what he has found out, that is, science; with what man has created, that is, art; with what he has felt and expressed, that is, literature; and with what he has worshipped, that is, religion." Knowledge alone must not be the purpose and the end of education. Courses of study should produce students able to deal with general as well as specific occasions. This faculty is best acquired by means of a liberal education and so the requirements for the Bachelor of Science degree and those for the Bachelor of Arts degree do not differ widely. In other words, one of the main purposes of the College of Arts and Sciences is to educate rather than to train. Training belongs to the more specialized schools. The person best fitted for life is usually one who combines both of these types of education.

The College of Arts and Sciences offers the following four-year degrees: Bachelor of Arts, Bachelor of Science, and Bachelor of Science in Chemistry; also the two-year degree: Associate in Arts.

Organizations

The various departments from which students of the College of Arts and Sciences may choose courses are grouped as follows:

Division of Humanities: Language, English and the Arts
Classical languages (Latin, Greek), English, modern languages (French, German, Spanish), art, speech, music, philosophy, physical education, Bible and religion.

Division of Sciences: Mathematics and the Natural and Physical Sciences
Mathematics, physics, chemistry, geology, home economics, biological science (bacteriology, botany, zoology).

Division of Social Studies:
History, economics, political science, journalism, psychology, geography, military science, sociology-anthropology, accounting, management, marketing, office administration.

Encouragement of Intellectual Explorations

Juniors and seniors in the College of Arts and Sciences who have made the Dean's List for two succeeding semesters are encouraged to enroll in a 300 or
400 level course which is in excess of the normal class load. Credit for such a course is given, though not to count toward the graduation requirement, and no grade is reported. Superior students are thus afforded the opportunity for intellectual exploration without having to work for a grade. Further details are available at the dean's office.

REQUIREMENTS FOR DEGREES

The Baccalaureate Degree

A student registering in the College of Arts and Sciences may elect to receive one of the following four-year degrees: Bachelor of Arts (A.B.), Bachelor of Science (B.S.), Bachelor of Science in Chemistry (B.S. in Chem.). Each degree requires that 128 hours of credit be earned and that the general and specific requirements for the degree be met. Further the student must meet the requirements of the department in which he is majoring.

Change in Major Subjects

Students who decide to change their major subjects will be governed by the catalog in effect at the time of change. All curriculum requirements must be met.

A.B., B.S., and B.S. in Chemistry Degrees

General Requirements

1. Candidates for graduation must have a quality point average of 2.0 or higher on all work attempted at Marshall University, and the average in the major subject must be 2.0 or higher.
2. Forty-eight hours must be earned in courses numbered 300-499 for all degrees.
3. Candidates for the A.B. and B.S. degrees must earn at least 26 hours in a major subject (see specific departmental requirements) no more than six of which may be selected from courses in the 100 series. The quality point average in the major subject must be 2.0 or higher. Candidates must also earn at least 12 hours in a minor subject, no more than three of which may be from the 100 series. The minor subject may be chosen from any department in the College of Arts and Sciences.

Specific Requirements for the A.B. and B.S. Degree

HUMANITIES

I. English 101, 102 ........................................... 6 hrs.
II. Foreign Languages
    Successful completion of French 224, German 204, Greek 302, Latin 204, or Spanish 204. Science majors taking German will substitute German 323 for German 204 ........................................... 3-12 hrs.
III. Speech 103 ........................................... 0.3 hrs.
This requirement may be waived by the Speech Department for those who have one unit of high school speech or can demonstrate a proficiency in oral communication.

IV. Literature .......................................................... 6 hrs.
Two courses to be selected from a list of literature courses recommended by the various departments within the Humanities Division.

Recommended Courses:
Literature
   English 300, 301, 210, 218, 307, 329, 331, 340
   Modern Languages - French 327, 328, 417, 418, 435, 436
   German 301, 302, 417, 418
   Spanish 312, 313, 320, 410, 485
   Bible and Religion 206, 210, 304, 310, 430
   Classics 321, 322
   Latin - any 300 or 400 level, except Latin 327

V. Bible and Religion, Classics, and Philosophy ..................... 2-3 hrs.
One course to be selected from offerings by the Departments of Bible and Religion, Classics and Philosophy.

Recommended Courses:
   Bible and Religion - any course except Honors
   Classics 200, 319, 435, 436
   Philosophy - any course except 304, 425, 426

SOCIAL SCIENCES

I. Courses to be distributed in at least three fields from economics, history, political science, psychology, and sociology and anthropology .... 15 hrs.
The courses to satisfy this requirement are to be selected from a list provided by each of the above departments.

Recommended Courses:
   Economics - any course
   History 313, 322, for majors other than Social Sciences
   Political Science - any course
   Sociology-Anthropology
      Anthropology 301, 343, 426, 427, 430, 455
      Sociology 101, 102, 200, 313, 332, 342, 400, 401, 412, 413, 421, 433, 439.
   Psychology 201, and any course for which the student has the necessary prerequisite.

SCIENCE AND MATHEMATICS

I. Natural and Physical Sciences
   Courses to be distributed in at least two fields from biological sciences, chemistry, geology and physics ......................... 12 hrs.

II. One course selected from mathematics, depending upon departmental
requirements for a major, or Philosophy 304 or 453 ............ 3-5 hrs.

Total 47-62 hrs.

1. Students may take courses in physical education and R.O.T.C. but they are not required for graduation.
2. Students may count no more than 15 hours from a college other than Arts and Sciences toward graduation with the exception of those departments in other colleges which offer a major toward the Baccalaureate Degree in the College of Arts and Sciences. In such cases students may take the necessary number of hours to fulfill the major requirement in addition to the 15 hours outside the College of Arts and Sciences.

TWO-YEAR CURRICULUM

For those who may not be able, or may not wish to complete four years of college work, a two-year special curriculum is offered. This course serves three purposes: (1) it enables the student to avoid rambling aimlessly through a number of unrelated courses merely to say that he has attended college for a certain length of time; (2) it enables the student to prepare better for some vocation or phase of work in which he may be interested; (3) it gives the student a feeling of satisfaction for having completed a course of study.

Upon the successful completion of this curriculum the student will be granted the degree of Associate in Arts. However, after the completion of a two-year course the student may, if he wishes, continue toward a baccalaureate degree.

GENERAL EDUCATION

A.A. DEGREE

Curriculum

Completion of Specific Requirements for the A.B. or B.S. degree, and total hours to equal or exceed 64 hours.

FOUR-YEAR CURRICULUMS

ANTHROPOLOGY

Anthropology is available as a minor but not as a major. Refer to sociology course listings for individual courses.

ART

Majors in the fine arts must satisfy the following requirements:

1. Art students must submit a portfolio of art work done in the freshman and sophomore years for review by the art staff prior to enrollment in advanced courses in art.

2. A successful exhibition of creative work must be presented by the student during his or her senior year.
Students in the College of Arts and Sciences may major in the fine arts and earn the A.B. degree by meeting the general and specific requirements and by taking the following 41 hours of art courses:

BIBLE AND RELIGION

Courses in the Department of Bible and Religion are open to all students at Marshall University who want a more profound understanding of the nature of religion and its importance to man and his society. Twenty-six hours of course work are required for a major in the department.

BIOLOGICAL SCIENCE

The major in biological science is for students who wish to study in the fields of botany and zoology and whose vocational preparation requires a background in these fields.

The major requirements include Biological Science 201 and 202, 8 hours in botany, 8 hours in zoology and 8 hours chosen under the guidance of the department chairman. Students with this major are urged to work toward the B.S. degree.

Majors are required to meet all degree requirements and to take these courses:

- Biological Science 201 and 202 ........................................ 8 hrs.
- Zoology 212 and 301 or 302 ........................................ 8 hrs.
- Botany 416 and 302 or 415 or Biological Science 404 .......... 8 hrs.
- Additional hours in Botany, Zoology, or Biological Science 403, 404, or 407 ........................................ 8 hrs.

Total 32 hrs.

BOTANY

Professional opportunities in the plant sciences offer excellent possibilities for employment. They include industrial and academic positions with good remuneration.

Graduate study is increasingly demanded. The B.S. degree with botany as a major prepares the student for graduate study in the field.

Majors are required to meet all degree requirements and to take the following courses:

- Biological Sciences 201, 202 and 404 ............................... 12 hrs.
- Botany 302, 415 and 416 ........................................ 12 hrs.
- Botany electives ..................................................... 7-8 hrs.
- Chemistry 211, 212, 213, 214, and 217 ..................... 12 hrs.
- Geology 200 and 210L ........................................ 4 hrs.
- Physics 201, 202, 203, and 204 ................................. 8 hrs.
- Mathematics 120 and 122 or 130 and 131 .................. 6-8 hrs.

CHEMISTRY

Courses offered by the Department of Chemistry provide a program of studies which allows the individuals to:
1. Obtain high quality instruction in chemistry as a scientific discipline.
2. Obtain a sound background in preparation for advanced studies.
3. Meet the qualifications of professional chemists and accrediting agencies.
4. Prepare for a professional career in medicine, dentistry, pharmacy, medical technology, engineering, nursing and other fields.

The curriculum and facilities of the department have been approved by the Committee on Professional Training of the American Chemical Society.

Curriculums

B.S. Degree, Major in Chemistry: The student must meet the general requirements for the B.S. degree, and must present credit for chemistry courses through Chemistry 256, Chemistry 307 or 357, Chemistry 345, 448 and six hours of chemistry electives. The American Chemical Society requires 32 semester hours for admission to full membership without previous experience.

B.S. in Chemistry Degree: This curriculum meets the minimum standards of the American Chemical Society. The student must meet the general requirements for the B.S. degree, and must satisfy the specific requirements for the B.S. degree in the areas of humanities and social sciences. Additional requirements are:

2. Two advanced chemistry electives .......................... 4-6 hrs.
3. Mathematics through integral calculus
4. Two years of German or Russian
5. A minimum of ten hours of Physics (not including Physics 200).

With the approval of his advisor, a student may substitute advanced courses in other science departments for advanced chemistry electives.

Advanced Placement

The Department of Chemistry gives advanced placement to those high school graduates who have taken the College Entrance Examination Board Advanced Placement Examination in Chemistry. Those students scoring 5 or 4 on the CEEB examination are to be given credit for Chemistry 211 and 212 while those scoring 3 on the examination are to be referred to the Chairman of the Department of Chemistry for his decision as to whether credit for Chemistry 211 and 212 is to be given.

Students who have not had the opportunity to take the Advanced Placement Examination may petition the department for permission to take a special departmental examination.

CLASSICAL LANGUAGES

A major in Latin consists of 26 hours in Latin language courses, and includes Classics 436. Courses given in English are valuable but do not fulfill the major requirement.

ECONOMICS

The Department of Economics offers an undergraduate curriculum
through the College of Arts and Sciences. The curriculum provides the student the opportunity to achieve one or more of the following objectives:

1. To help prepare students for effective participation in the decision making processes of society by offering them an opportunity to develop their ability to analyze economic problems and issues and to deepen their understanding of the operation of the economies of the U.S. and other countries. Economics deals with such subjects as economic theory, business fluctuations, distribution of resources and income, international trade, economic development, managerial decision-making, industrial relations, and the growth of national income and welfare.

2. To prepare majors for administration or research positions in business firms, government agencies, labor organizations or private foundations.

3. To provide suitable courses and instruction for those majors who plan to enter law or graduate school.

Economics majors are required to take the Advanced GRE examination in Economics prior to graduation.

Majors may fulfill the general and specific requirements for either the A.B. or B.S. degree and must complete the following course work: Economics 241, 242, 326, 328 and 14 additional hours in economics to be chosen with the advice and approval of the department chairman; Mathematics 120; and Management 318. A minor may be earned by completing 12 hours in economics.

ENGLISH

English 101 and 102 or 201H are required of all freshmen and are prerequisites to all subsequent English courses.

Requirements for the English major: English 101-102, 6 hrs. or 201H; English 300, 3 hrs.; English 301, 3 hrs.; English 450 or 451, 3 hrs.; English 377, or 405 or 455, 3 hrs; English 325 or 411 or 409, 3 hrs.; electives in English, 12 hrs. Total 33 hrs.

FORESTRY

Cooperative Plan of Study

Marshall and Duke Universities have entered into an agreement whereby a student may spend three years at Marshall and two years at Duke. At the end of the fourth year he may be eligible for the B.S. degree with a major in botany from Marshall and at the end of the fifth year, eligible for the Master of Forestry degree from Duke University. The curriculum outlined below shows the courses that must be completed to qualify for admission to Duke University. Marshall University requires a quality point average of 2.5 or higher on the three years of on-campus work. In the fourth year a sufficient number of hours must be successfully completed at Duke University to total 128 when added to those already completed at Marshall.

Forestry majors are required to meet the College of Arts and Sciences requirements for the degree and take the following courses:

- Biological Sciences 201 and 202 ........................................ 8 hrs.
- Botany 415 and 416 ................................................... 8 hrs.
- Biological Science electives (either BSC 404 or Botany) ........... 4 hrs.
- Chemistry 211, 212, 213, 214 and 217 ............................. 12 hrs.
- Physics 201, 202, 203, and 204 ..................................... 8 hrs.
Geology 200 and 210L ................................................. 4 hrs.
Mathematics 120 and 122 or 130 and 131 .................... 6-8 hrs.

GEOGRAPHY

Students in the College of Arts and Sciences may major in geography and earn the A.B. or B.S. degree by meeting the general and specific requirements and by taking the following courses in geography:

Required in this group ........................................... 18 hrs.
  Geography 203, 305, 317, 320, 405, 429

Required in this group ......................................... 3 hrs.
  Geography 309, 408

Required in this group ......................................... 6 hrs.
  Geography 302, 315, 401, 403, 409, 412, 413

Total required .................................................. 27 hrs.

GEOLOGY

The Department of Geology offers work leading toward the B.S. and A.B. degrees and minor work toward the masters degree. The major must meet the university general requirements for either the B.S. or the A.B. The B.S. candidate must complete 37 hours of required course work in the major; the A.B. candidate, 26 hours of selected course work in the major. Summer field camp is strongly recommended for both the A.B. and B.S. degree candidates between their junior and senior year.

The curriculum program can be modified for students preparing for graduate work in interdisciplinary areas of study. In general, this will mean an increase in course work in the basic sciences and a reduction of specific geology courses. This can be done only with the approval of the Chairman of the Department of Geology.

Requirements for the A.B. and B.S. degrees in Geology:

Mathematics
  A.B. degree Mathematics 130
  B.S. degree Mathematics 230 and 231 recommended

Physics
  A.B. not required
  B.S. Physics 202-204

Chemistry
  Both degrees
  Chemistry 212, 214

Biological Science
  Both degrees
  Biological Science 202

Geology
  200, 201, 210, 211, 212, 313, 314, 321, 325, 418, 422, 451, 453, 454

HISTORY

Requirements of history major: 32 semester hours, including History 311, 312, 313, 321, 322.
HOME ECONOMICS

Students interested in home economics for teaching, extension work, home service work with utility companies or other related areas should follow the teacher education curriculum.

Dietitians

Students preparing to be dietitians and qualify for membership in the American Dietetic Association must follow an approved course such as the one listed. Upon successful completion of the course they may apply for admission to an internship program or may substitute preplanned experience to qualify for A.D.A. membership. Graduate internships vary in length at different institutions, the shortest being of six months duration.

Majors in dietetics are required to take the following courses:
- Home Economics 110, 203, 210, 303, 304, 403, 405, 407, 413, 420
- Biological Science 201-202, Zoology 315, Botany 302
- Chemistry 203, 204, 217, 300 and 301
- Management 424
- Accounting 215
- Educational Foundations 319*

INTERNATIONAL AFFAIRS

A major in international affairs combines studies in economics, history, and political science, and emphasizes study of a modern language. The program can be pursued at other schools with graduate work in one of the subjects or combination of subjects.

A major in international affairs must meet the specific and general requirements for the A.B. degree except as altered by the following requirements:

a. The student will concentrate on a single modern language. All available conversational courses should be taken and at least six additional hours at the 300-400 level. A minimum of 16 hours is required of students who receive credit for two years of high school language (the same language as that taken at Marshall) and 22 hours for those who did not.

b. The following courses are required:
- Economics 241, 242, 408, and 420
- Political Science 201, 309, 405, and 406
- History 313-322, 404, 405 and 418
- Geography 405

c. The student must develop a sequence of courses consisting of a minimum of six hours from each of the following:

An appropriate summer workshop may be added or substituted for one of these courses with the approval of the advisor.

*Field experience not required.
2. History 301, 302, 314, 315, 375, 427
d. A regional geography course in the area of the student's interest is highly recommended.

**JOURNALISM**

The Department of Journalism offers a news-editorial sequence to prepare students for employment in the news-editorial departments of daily newspapers. Additional courses are given in advertising, broadcast journalism, industrial publications, magazine article writing, public relations and school publications.

On completion of the requirements of the College of Arts and Sciences and of the news-editorial sequence, the student is awarded the A.B. degree. In addition, a Certificate of Journalism may be awarded on recommendation of the faculty of the Department of Journalism.

A journalism major in the news editorial sequence in Teachers College prepares students for a two-fold career. Graduates will qualify for certification as teachers of journalism and as professional newsmen.

**Curriculum in Journalism**

**News-Editorial Sequence**

Students preparing for careers in the news-editorial departments of daily newspapers should follow the curriculum below along with the requirements of the College of Arts and Sciences. This will lead to the A.B. degree in journalism. In addition to the general arts and sciences requirements students will take the following courses:

- Journalism 101, 201, 202, 300, 301, 302, 304 or 305, 308 or 309, 360, 402 and 405
- Political Science 201 and 202
- History 312 or 313

**Journalism Advertising Sequence**

In addition to the general arts and sciences requirements students will take the following courses:

- Journalism 101, 201, 202, 301, 335, 302, 330, 381, 360, 382, 402
- Office Administration 103*
- Political Science 201, 202, 307
- Art 215
- Management 318, 320
- Marketing 340, 341, 440, 442
- Speech 230

**Broadcast Journalism**

Students in this sequence should follow the curriculum below as well as the requirements of the College of Arts and Sciences.

Journalism 101, 201, 300, 350, 351, 440 (or Speech 330)

*Unless one unit of credit in typewriting from high school.
Speech 103, 230, 237-238 and 337-338 (total of 3 hrs.) 233, 331, 332, 435
Psychology 201, 223, 324
Philosophy 3 hrs.
Recommended electives:
Ant 455; Jrn 202, 301, 302; Sph 240, 430, 431, 433, 437

MATHEMATICS

The Department of Mathematics offers both the B.S. degree and the A.B. degree in the College of Arts and Sciences. The major in mathematics must fulfill the general university requirements and must complete at least 20 hours of course work in mathematics at the 300-400 level.
Transfer students who wish to major in mathematics must complete at least six hours of 300-400 level course work at Marshall University.

MODERN LANGUAGES

French, German, Spanish

A major in one of the modern languages (French, German, or Spanish) consists of thirty semester hours in the same language. Eighteen hours must be in courses numbered above 224, and must include 314 and at least six hours of courses at the 400 level.

MUSIC

Students may major in music and earn the A.B. degree in the College of Arts and Sciences by meeting the general and specific requirements and by taking the following curriculum:

Curriculum

<table>
<thead>
<tr>
<th>Course</th>
<th>Hours</th>
</tr>
</thead>
<tbody>
<tr>
<td>Music Appreciation 175</td>
<td>2 hrs.</td>

</tr>
<tr>
<td>Major Applied (Lower level)</td>
<td>4 hrs.</td>
</tr>
<tr>
<td>Major Applied (Upper level)</td>
<td>8 hrs.</td>
</tr>
<tr>
<td>Total</td>
<td>40 hrs.</td>
</tr>
</tbody>
</table>

Admission to Music Program

All students applying for admission to any program in music must arrange for an audition and be approved by the Department of Music. Appointments should be made for an audition. Students unable to audition on campus may arrange to submit a tape. The audition will cover performance in a major applied music area.
Piano Proficiency: All students entering this curriculum are required to pass a proficiency examination in piano which includes sight reading, simple accompaniment from a given melodic line, simple transposition, and Clementi sonatinas or the equivalent. Students who cannot qualify under this examination as entering freshmen are required to take piano without credit toward the degree until the examination can be passed.

Applied Music: In this curriculum students are required to pursue courses in applied music on one particular instrument or voice for eight semesters leading to a senior recital which must be approved by the faculty of the Department of Music before qualifying for a degree with a major in music.

PHILOSOPHY

A minimum of 30 hours is required for a major in philosophy to include 303, 311, 312, 321, 421 or 422, 455

PHYSICAL EDUCATION AND RECREATION

A major in Physical Education and Recreation prepares the student to enter such professional careers as recreation supervisor, camp director, and director of youth and community agencies.

Students in the College of Arts and Sciences may major in physical education and recreation by meeting the general and specific requirements of the college and by completing a total of 32 semester hours in the Department of Physical Education.

Required Theory Courses

<table>
<thead>
<tr>
<th>Course</th>
<th>Hours</th>

</tr>
<tr>
<td>PE 475, Principles and Techniques of Recreation Leadership</td>
<td>2 hrs.</td>
</tr>
</tbody>
</table>

Electives Courses

The electives may be selected from the following Physical Education courses when approved by the advisor: 100, 108, 115, 116, 205, 209, 210, 230, 231, 232, 233, 251, 252, 253, 254, 300, 304, 306, 309, 330, 403 and 404.

Minimum requirements

PHYSICS

The Department of Physics offers adequate work to prepare students for admission into graduate departments of physics as well as into professional
The physics major is required to complete Physics 211, 212; 213, 214; 300, 302, 320, 330 and 331 plus 10 semester hours of 300-400 courses, including at least 4 semester hours of advanced laboratory courses. Also the major must complete mathematics courses through Mathematics 335 and satisfy all of the requirements for the B.S. degree.

Freshmen should plan to take Mathematics 130 during the summer previous to entering Marshall University and complete Mathematics 131 during the first semester of their freshman year so that they can take Physics 211 and 212 during the second semester of the freshman year.

**POLITICAL SCIENCE**

The political science curriculum has two objectives: First, to provide a basic understanding of the functioning of government and prepare students for democratic citizenship and second, to give a specialized foundation to those planning to enter law school, government service (foreign service, public administration), teaching, research or politics.

A major in political science must fulfill the general and specific requirements for the A.B. degree and must complete 36 hours in political science, including Political Science 201, 205, and 300. In addition, each major must take (1) at least one course in any four of the six fields into which departmental offerings are divided and (2) at least three courses in any one field.

The fields of the political science curriculum with courses in each are as follows:

- **American State, Local, and Urban Politics**: 202, 301, 376, 381, 461 and 440.
- **American National Politics**: 303, 307, 381, 383, 440, 485 and 486.
- **Comparative Politics**: 370, 407, 408, 409, 410 and 411.
- **International Politics**: 309, 405, 406, 415, 418, 419 and 421
- **Political Theory**: 425, 426, 427, and 429
- **Public Administration**: 333, 383, 433

Courses which appear in more than one field may not be counted twice. Recommended electives include economics (especially 241 and 242); History 105 and 106 (for pre-law students), 311, 312, 313; Accounting 215 and 216 (for pre-law students); philosophy; psychology; sociology; Speech 205; and English 408.

**PSYCHOLOGY**

Two major sequences are recognized:

- Nonprofessional major requires minimum of 26 hours in psychology courses approved by the adviser in terms of the student’s interest and objectives. This sequence is not intended to prepare the student for graduate professional study in psychology.
- Preprofessional major in preparation for graduate professional training in psychology. It includes Psychology 201, 223, 311, 323, 324, 340, 406, 417, and 460. Mathematics 120 should be taken before Psychology 417. Additional courses in mathematics and physiology, and Philosophy 304 are recommended.
SOCIOLOGY

The following sequences are available in the department:

Sociology Major—Nonprofessional Option. Math 130 and Soc. 200, 300, 344, 345, 460 and 18 additional hours on the 300-400 level. For students not planning to do graduate work. (31 hours).

Sociology Major—Preprofessional Option. Math 130 and Soc. 200, 300, 344, 345, 403, 445, 460, plus 12 additional hours on the 300-400 level. For students planning to work toward a higher degree in sociology or planning to enter career positions with the federal government. (31 hours).

Sociology Major—Community Development Option. Math 130 and Soc. 200, 300, 305, 344, 345, 332 or 442, 400, 439, 460 plus 6 additional hours on the 300-400 level. For students planning to go into community planning and development or social action programs. (31 hours).

Sociology Major—Preprofessional Social Work Option. Math 130 and Soc. 200, 300, 305, 344, 345, 409, 410, 431, 432, 446, 447, 460. (34 hours)

Sociology Minor. Twelve hours of sociology.

Anthropology Minor. Twelve hours of anthropology.

SPEECH

The Department of Speech provides courses and laboratory work in public address, radio and television, speech pathology and audiology, theatre, and interpretation leading to the A.B. degree. The department’s work is augmented by the forensics program, Speech and Hearing Clinic, University Theatre, the Summer Theatre, and radio station WMUL.

General speech majors are required to have courses 103, 202, 210, 230, 240, 306, 312, 313, 320, 439, and one of the following: 233, 402, 418.

Theatre

Majors in speech with an emphasis in theatre are required to have Speech 103, 209, 210, 240, 312-313, 320, 403, 405 or 447, 446 and one of the following: 321, 440, 445, 448. It is recommended that these students take, at least, two courses in dramatic literature and six hours from the following: Art 101 (for those interested in scene design), Art 112, Music 175, Physical Education 160 and 305, Speech 227, 228, 327, and 328.

Broadcasting

Majors are required to take the following courses in the department: Speech 103, 230, 233, 330, 432, 435, 436, and 437. Courses required in other departments are Mathematics 110 or 120 and Psychology 201 and 223. Courses in the Department of Speech and other departments can be selected by the student with the consent of the Department of Speech advisor to complete the requirements for his major field. It is recommended that the major enroll in Speech 230 in the second semester of his freshman year.

Speech Pathology and Audiology

Majors are required to take the following courses in the department: Speech 103, 240, 370, 420, 422, 424, 425, 426, 429, 439, 460, 463, and 470.
Required courses outside the Speech Department are: Psychology 201, 311, 340 and English 475.

**ZOOLOGY**

The courses in zoology are intended to meet the needs of students who want some knowledge of zoology as part of their general education, those who need work in zoology to satisfy the requirements in other departments, and those who propose to specialize in zoology. A major in zoology serves those who plan to enter medicine, dentistry, veterinary medicine, game management, fisheries biology, entomology, or other related fields. Zoology majors may pursue advanced degrees leading to teaching or research in applied zoology.

Zoology majors must meet the College of Arts and Sciences requirements for the B.S. degree in addition to the following:

- Biological Science 201 and 202 ........................................ 8 hrs.
- Chemistry 211, 212, 213, 214 ........................................ 8 hrs.
- Geology 200 and 210L .................................................. 4 hrs.
- Physics 201, 202, 203, and 204 ........................................ 8 hrs.
- Zoology 212 ................................................. 4 hrs.
- Zoology electives (May include Biological Science 404, 407 and 413) ........................................ 26 hrs.
- Mathematics 120 and 122 or 130 and 131 .......................... 6-8 hrs.

Recommended electives:
- Botany 415 and 416.
- Chemistry 300 and 301
- Geology 418, Philosophy 304 and/or English 408

The College of Arts and Sciences science requirement will be met by completing the basic science requirements above.

**COMBINED COLLEGE AND PROFESSIONAL DEGREES**

A student wishing to study medicine, dentistry or law at a professional school may be granted a leave of absence during his senior year at Marshall University. To secure this leave of absence the student must file a written request in the office of the dean immediately after gaining admission to the professional school and before the termination of his course work at Marshall University. Failure to discharge this responsibility voids candidacy for the degree under this program. At the end of the first year in the professional school the student then is eligible for the baccalaureate degree from Marshall University, provided that all requirements for graduation are met except the completion of a major, and that the student can present certification from the professional school that he has successfully completed the first year at the professional school and that a sufficient number of semester hours of good quality work has been completed to total 128 when added to those earned at Marshall University.

At least 96 hours (100 for pre-law) of study must have been completed and a quality point average of 2.0 earned by the student at Marshall University. Candidates for the degree must attend the regular Marshall University commencement, or have permission to graduate "in absentia."

**PREPARATORY FOR MEDICINE**

Students who expect to engage in premedical or related work should include in their high school subjects: one and one-half units of algebra, one unit
of geometry, one unit of chemistry and one unit of physics.

The minimum requirements for medicine are:

- English ......................................................... 6 hrs.
- Chemistry 211, 213 and 212, 214 ....................... 8 hrs.
- Chemistry 255 and 256 .................................. 10 hrs.
- Biological Science 201 and 202 ........................ 8 hrs.
- Physics 201, 202 and 203, 204* .......................... 8 hrs.
- Social Sciences ............................................... 6 hrs.

These courses should be completed by the end of the second year and no later than the end of the junior year. The junior and senior year must include the courses needed to meet degree requirements and department major requirement.

The present trend among schools of medicine is to recommend against intensive training in the natural sciences. Instead they prefer that the candidate have a broader training with more attention being given to the liberal arts courses.

The tendency among medical colleges is to require four years of premedical preparation, and preference is given to applicants having such preparation. Students should plan undergraduate work toward securing the A.B. or B.S. degree. Premedicine is not a major; therefore the student must select a major field. The curriculum serves as a guide and may be varied to suit individual needs. Certain schools of medicine require specific courses in addition to those listed above. Such courses are best taken as electives during the third or fourth year.

In order to secure a favorable recommendation to a medical or dental college the student must have a scholastic average of 2.5. There are many more candidates for admission to medical schools than can be accepted and, other things being equal, those students with the highest scholastic standing are given preference.

The current trend among schools of medicine is for a scholastic average of 3.0 and better. If the student wishes to be accepted at several medical schools and thus becomes able to choose between schools, a scholastic average of around 3.5 is necessary.

**DENTISTRY**

Students preparing to enter dental college should take the same minimum requirements as outlined under medicine. Current trends are that 50% of the dental college admissions have their degree and 50% three years of college. A few exceptionally brilliant students can gain admission after two years.

**RELATED PROFESSIONAL SCHOOLS**

A student preparing to enter pharmacy, osteopathy, physical therapy, veterinary, optometry, or any related professional school should take a program similar to that suggested for medicine. However, the amount of work required for admission is variable, so a student should consult with the school he plans to attend, or the premedical advisor, to determine the exact minimum requirements for admission.

*Note Mathematics prerequisite.*
College of Applied Science

Academic programs in the College of Applied Science are oriented by professional fields of endeavor. Practical experience and in-service training are integrated with the basic sciences and humanities courses offered throughout the university. Since most professions require qualifying state or national board examination, the course requirements are rigid. Degree requirements are based upon recommendations of criteria required by supervising organizations and agencies. However, some latitude in the selection of elective courses is permitted each student. In general, the College of Applied Science offers courses and integrated programs which have immediate application in the student’s chosen field of endeavor.

The College of Applied Science offers the following degrees: Bachelor of Science in Civil Engineering (B.S.C.E.), Bachelor of Engineering Science (B.E.S.), Bachelor of Science in Medical Technology (B.S. in Medical Technology), Associate in Science in Nursing (A.S. in Nursing), Bachelor of Science in Cytotechnology (B.S. in Cytotechnology), Associate in Science in Cytotechnology (A.S. in Cytotechnology). The Department of Military Science offers courses leading to a commission in the United States Army, contingent upon graduation from the university.

REQUIREMENTS OF DEGREES

General Requirements for all Degrees

(1) Candidates for all degrees must complete all of the specific requirements for their curriculum, as listed below, and must satisfy the requirements of the Qualifying Examination in English Composition.

(2) Candidates for graduation must have a quality point average of 2.0 or higher on all work attempted in the degree department and on all work attempted at Marshall University. (Transfer students must also have an average of 2.0 or higher on all college-level work attempted.)

Specific Requirements

CYTOTECHNOLOGY

Bachelor of Science in Cytotechnology and Associate in Science in Cytotechnology

The following curriculum meets the needs of those people preparing for positions as Cytotechnologists in hospitals, clinics and private physicians’ laboratories. The work of the senior year (twelve months) is given at the Cabell Huntington Hospital in cooperation with Marshall University. The School of Cytotechnology at Cabell Huntington Hospital is accredited by the American Society of Clinical Pathologists to give such training. Upon successful completion of the four year curriculum, the student is granted the degree Bachelor of Science in Cytotechnology.
In some instances a student may be admitted to the School of Cytotechnology twelve month course at Cabell Huntington Hospital before completing the requirements for the B.S. in Cytotechnology degree. However, the minimum entrance requirement is (60) sixty semester hours in selected subjects which must be completed and approved through the Registry of Medical Technology. Students successfully completing the first two years of the curriculum, plus the twelve month clinical program, may elect to receive the Associate in Science degree.

Completion of the curriculum as outlined below leads to the degree of Bachelor of Science in Cytotechnology.

One hundred and twenty-eight semester hours are required for the B.S. in Cytotechnology.

Suggested Electives:

- Office Administration .................................... 4 hrs.
- Psychology 418 ......................................... 3 hrs.

Other elective hours should be selected in the fields of economics, history, political science, sociology, art, English and biological sciences. The student may select on the basis of interests, but, in general, not more than one course should be selected in any one field.

ENGINEERING

The Department of Engineering offers a civil engineering program leading to the Bachelor of Science in Civil Engineering degree (B.S.C.E.) and a general engineering program leading to the Bachelor of Engineering Science degree (B.E.S.).

The civil engineering curriculum is accredited by the Engineers’ Council for Professional Development, the recognized accrediting agency for undergraduate engineering curriculums in the United States.

Students fulfilling degree requirements for the B.S.C.E. and the B.E.S. degrees follow a common course of study for the first year; and, by consultation with their academic adviser, may delay making a final decision as to which of the two degrees to pursue until the end of the sophomore year. The curriculums are designed to provide the student with a foundation of scientific and engineering knowledge, along with training in the engineering method of attacking problems.

The civil engineering curriculum consists of a sequence of courses which develops basic principles and applies these principles to selected problems encountered in the practice of civil engineering in such areas as the design of structures and the utilization of water resources.

The West Virginia Department of Highways and the Department of Engineering offer a cooperative program in highway engineering in which the student divides his time between formal education and practical experience. One or more semesters are spent each year pursuing the standard civil engineering curriculum at Marshall and the remainder of the year is spent in the employment of the West Virginia Department of Highways, where all possible advantage is taken of the engineering theory which the student has studied. The time required to complete the program depends primarily upon the financial status of the student and may vary from four to eight years. Upon successful completion of the educational program the student is awarded the Bachelor of Science in Civil Engineering degree and is offered an engineering position with the West Virginia Department of Highways. Additional information about the program may be obtained by writing the Chairman, Department of Engineering.
The general engineering program prepares a student for general industrial employment by providing instruction in the principles of design, construction, operation, and maintenance of mechanical and electrical devices and systems. A minimum of 147 semester hours of credit is required for graduation in each of these curriculums. A limited amount of specialization along the line of the student’s interest is permitted through the selection of appropriate electives in the senior year. The choice of electives is subject to the approval of the chairman of the Department of Engineering and the Dean of the College of Applied Science. Approved technical electives are listed following each of the curriculums. Nontechnical electives must be chosen from the fields of history, economics, political science, literature, sociology, philosophy, psychology, or fine arts.

Classification of Engineering students

Students who have completed 110 hours of college work are classified as seniors.
Students who have completed 70 hours and less than 110 hours of college work are classified as juniors.
Students who have completed 30 hours and less than 70 hours of college work are classified as sophomores.
Students who have completed the high school or secondary course and less than 30 hours of college work are classified as freshmen.

Engineering Awards

D-Rho D-Theta, honorary engineering fraternity, annually awards an engraved cup to the sophomore engineering student who makes the highest scholastic average during his freshman year.
The Carl E. Bechdolt Award, consisting of a slide rule, is awarded annually to a promising engineering student in the freshman class. This award was established in 1961 by a Marshall engineering graduate and is awarded by D-Rho D-Theta.
The TRASCO Award, consisting of a slide rule, is awarded annually to a worthy engineering student in the freshman class. This award was established in 1964 by the Technical Reproduction and Supply Corporation, to be awarded by D-Rho D-Theta.
The Engineers Club of Huntington annually awards a prize and certificate of award to the engineering student whom they judge to be outstanding in the upper quarter of the sophomore class.
Huntington Chapter, West Virginia Society of Professional Engineers awards a prize and certificate of award to the student whom they judge to be outstanding in the upper quarter of the junior class.
Ohio Valley Section of The Institute of Electrical and Electronic Engineers, Inc., annually awards a prize and certificate of award to the student whom they judge to be outstanding in the senior class.

### MEDICAL TECHNOLOGY

**B.S. In Medical Technology Degree**

The curriculum in medical technology leads to the B.S. in Medical Technology degree. This curriculum prepares students for positions as medical technologists in hospitals, clinics, and private physicians' laboratories.

Training standards for medical technologists are under the general supervision of the Council on Medical Education and Hospitals of the American Medical Association, which inspects, evaluates, and approves schools. The Cabell Huntington Hospital school is so approved. In this field, properly qualified persons, upon passing the required examinations, may be certified by the Board of Registry of Medical Technologists of the American Society of Clinical Pathologists.

Two years of the three-year pretechnology curriculum may be taken in any institution of recognized standing. However, one academic year of residence study at Marshall University is required during this three year period. Students who have taken professional work at some affiliated college or university other than Marshall are subject to an examination in order to qualify for acceptance of

*Approved technical electives: Chemistry 227, GE 480 and 481, any 400 series mathematics courses, and Physics 314, 315, 420, 421, 462 and 463.*
such transfer credits. Work completed at nonaffiliated schools will not be accepted, and must be repeated.

The work of the fourth year is largely clinical in nature and is carried out in the laboratories of Cabell Huntington Hospital. Students take the practical and didactic work at stated hours in the hospital and are subject to the usual regulations and discipline of the regular laboratory staff. They are lectured and instructed by hospital personnel with academic rank in the university. The fourth-year work occupies 12 months (first and second semesters and two summer terms) beginning in September and ending the following year in September.

Credit Requirements

For admission to the fourth-year professional curriculum, three years of college work are required with a total of at least 90 semester hours, including required courses in:

Chemistry:
20 semester hours. One year general chemistry. Quantitative analysis and organic chemistry.

Biological Science:
16 semester hours. One year in biological science. Histology and bacteriology. (One additional course may be selected by the student.)

Mathematics:
6 semester hours. Algebra and plane trigonometry.

Physics:
8 semester hours. One year general physics.

Electives:
37 semester hours. Electives, as for any professional career, are chosen to include broad education in English, social sciences, arts and humanities. Typewriting also is useful.

Other Qualifications

Completion of the three-year pretechnology program outlined above does not of itself assure admission to the fourth year for the technical training. Students wishing to be considered for this training should make application upon forms obtainable from the Director of Medical Technology. Application should be made in January of the third year. They are considered after June 1. At the time of making application the student, if he is not in residence at Marshall University, should request the registrar of his college to send two copies of official transcripts of his work to the director of admissions of Marshall University. All transfer students must have a "C" or better average on all college work attempted to be eligible for admission.

Admission is on recommendation of the Committee on Medical Technology and with the approval of the dean of the College of Applied Science. Each student must be acceptable to the Registry of Medical Technologists.

Preference is given to residents of West Virginia. Scholarship and general fitness are considered in making selection of students. For transfer students, letters of recommendation from responsible faculty members who are qualified to write concerning general fitness may be required.

Eligibility to begin work of the fourth year is contingent upon the
demonstration of personal aptitude for this work and upon full completion of
the curriculum of the previous three years with a grade point average of not less
than 2.0 (C).

Additional electives may be taken in Medical Technology (see course descriptions for Medical Technology 419, 420 and 421.)

One hundred and twenty-eight semester hours are required for the B.S. in Medical Technology degree.

**MILITARY SCIENCE**

**U.S. Army Reserve Officers Training Corps**

The Reserve Officers Training Corps (ROTC) program was established in September 1951, when the Department of the Army placed an Ordnance Corps unit at Marshall University. In order to increase the opportunities for graduates to receive commissions in all branches and services of the Army, this unit was converted to a general military science unit in September 1954.

The objective of the military science course of instruction is to produce commissioned officers—leaders who by their education, training, and inherent qualities are suitable for continued development as officers in the United States Army. This program provides a basic military education and, in conjunction with other college disciplines, develops the individual’s character and other attributes essential to an officer of the United States Army. The program consists of two parts: The Basic Course and the Advanced Course, each of which extends throughout two academic years with an attendance at a summer training camp included in the Advanced Course.

Military Science is an elective and enrollment in the Basic Course is voluntary. In order to obtain an ROTC draft deferment a Basic Course student, must execute an “ROTC Deferment Agreement,” DA Form 1608. The student must agree to complete the Basic Course; enroll in and complete the Advanced Course, if accepted; and upon completion of the course of instruction, to accept a commission in the United States Army, if tendered. Completion of ROTC instruction becomes a prerequisite for graduation unless the student is relieved of this obligation by the university with the approval of the professor of military science under regulations prescribed by the Department of the Army.

Students must meet the following requirements established by the Department of the Army for enrollment in the ROTC.

1. Applicant must be a citizen of the United States.
2. Applicant must be between 17 and 24 years old.
3. Applicant must be a regularly enrolled student.
4. Applicant must be screened and found acceptable by the Department of Military Science.
5. Applicant must be examined and found physically qualified.
6. Applicants for enrollment who have a record of conviction by any civil court or by any type of military court-martial, for other than a minor traffic violation, are not eligible for enrollment in the ROTC without specific approval of the Department of the Army. Request for such approval must be made through the professor of military science.

In addition to the requirements above for Basic students, Advanced students prior to enlistment must:

1. Be less than 27 years old prior to enrollment in the Advanced Course. Be able to qualify for appointment as an officer prior to reaching 28 years of age.
2. Have completed the Basic Course; or be a veteran with 12 or more months service; or attend a Basic Summer Training Camp between the sophomore and junior years in lieu of the Basic Course if entering the two-year program.

3. Execute a written contract with the government to continue the course of instruction for two years and to attend the ROTC Summer Camp of six weeks’ duration, and to accept a commission as a second lieutenant, if offered, and to serve on active duty for a period of two years, if called by the secretary of the army.

4. Be approved by the professor of military science and the president of the University on the basis of previous academic standing and proven qualities of leadership.

5. If a member of the Air Force, Navy, or Coast Guard Reserves, resign from such organization prior to enrollment.

Special Scholarships

One, two, three, or four-year scholarships covering the cost of all university tuition fees, books, and laboratory expenses in all subjects, plus a $100.00 per month allowance are available to qualifying students. For further information, contact the Department of Military Science.

Remuneration

Textbooks and other instructional material required by military science students are furnished without cost to the students. Uniforms, to be worn as prescribed, are issued by the Department of Military Science to all Basic Course students. Advanced Course students are provided, through the university, an allowance by the Department of the Army to purchase for themselves a complete uniform upon selection to enter the Advanced Course. During the two years the student is enrolled in the Advanced Course, he receives a subsistence allowance from the Department of the Army in the amount of $100.00 per month. Students attending the advanced summer training camp are paid at the rate of one half the pay of a second lieutenant per month. All transportation expenses to and from summer camp are borne by the Department of the Army. Together, these remunerations amount to approximately $2,000.00 for the two years of the advanced course.

Credit

Students in the Basic Course attend classes two hours per week and receive two semester hours credit per semester toward graduation requirements. Students in the Advanced Course attend class three hours per week and receive three semester hours credit per semester. In addition, all military science students normally attend a one hour combined period of leadership and command practice each week. Three semester hours nonresident credit is given for attendance at summer camp. Students who have completed two years of the Basic Course and are unable to continue their college education may be granted a Certificate of Training.

Students who attain a high standard of military and academic achievement during the first year of advanced training may be designated Distinguished Military Students. If such standards are maintained until graduation, they may
be designated Distinguished Military Graduates, which permits them to apply for a regular army commission if otherwise qualified.

Two-Year Program

A two-year ROTC program is available to transfer, graduate, and other students who have previously been unable to schedule military science. This program provides the student with all ROTC books and uniforms and a monetary allowance of $100.00 per month. Before starting the two-year program, students are required to complete a six-weeks preparatory summer training camp between their sophomore and junior years. This summer camp is taken in lieu of the Basic Course. The student then participates in the regular Advanced Course during his junior and senior years. Students interested in the two-year program should consult the professor of military science.

Curriculum Notes

1. The military science curriculum is designed to permit completion of the four-year program simultaneously with receipt of the baccalaureate degree in June of the senior year. For this reason, students must be in phase (i.e., to enroll in MS 101, a student must be a first semester freshman; to enroll in MS 302, a student must be a second semester juniors, etc.).

2. The military science curriculum can be pursued in conjunction with any curriculum of the university.

3. Advanced Course students in military science take at least three semester hours per year in an academic field other than military science to replace 45 clock hours of military instruction in their junior and senior year. Students report the title of the academic course selected to the Department of Military Science when requested. Satisfactory completion of these courses with a minimum grade of "C" becomes a prerequisite to receive credit for Military Science 301-302 and Military Science 401-402.

Elective subjects may be chosen from the following general academic areas for utilization in the junior and senior year.

I. Effective communications
II. Science Comprehension
III. General psychology

NURSING

Associate in Science in Nursing Degree

The Department of Nursing offers a program in basic nursing leading to the A.S. in Nursing degree. The purpose of the program is to prepare students for careers as registered nurses. The graduates of this program are eligible to write the state board test pool examinations for registered nurses and to accept beginning positions as registered nurses. The program is approved by the West Virginia State Board of Examiners for Registered Nurses and is accredited by the National League for Nursing.

In addition to the general university requirements regarding application for admission and transcripts, the department requires a personal interview. Prospective students are advised to take high school courses in biology and
chemistry as a part of their preparation for work in nursing. These courses, however, are not required for admission to the collegiate nursing program.

Applicants to this department are urged to complete the American College Test in October of their senior year in high school.

There are no specific age limitations for admission to the program so long as all other entrance requirements are met.

Enrollment in the Department of Nursing is limited to approximately 50 students each year. Applications for this program are considered in the order in which they are received.

Unsuccessful applicants for admission to the nursing program may take university science courses. They should maintain a quality point average of 2.5 or better on all academic work attempted to be considered for admission to the next class.

Academic and nursing courses are given on the Marshall University campus. The clinical nursing experiences are selected at hospitals and other health agencies by the nursing faculty for their educational value to students. Members of the faculty supervise student clinical practice and conduct patient-centered seminars.

Cooperating health agencies include: Cabell Huntington Hospital, Cabell Huntington Health Department, Huntington State Hospital, Huntington Hospital, kindergartens, nursery schools, and rehabilitation centers and other agencies. Students are responsible for their own transportation to and from the health agencies.

Students receive the major portion of their clinical experiences in the Cabell Huntington Hospital which is fully accredited by the Joint Commission on Accreditation of Hospitals and is a member of the American Hospital Association and the West Virginia Hospital Association. It is approved by the Council on Medical Education of the American Medical Association for internships in medicine, surgery, obstetrics and pediatrics and by the American Specialty Boards for residencies in pathology, general surgery, internal medicine and general practice.

Information about ordering uniforms is sent to applicants after they have been accepted into the nursing program. The cost of the uniforms is approximately $60.00, excluding the cost of shoes, hose, scissors and watch. Professional liability insurance coverage is available and recommended.

Field Trips: Required field trips to various health agencies are made each semester. Nursing students must be prepared to pay from $5.00 to $15.00 each semester for their own expenses for these experiences.

School of Business

The purpose of the School of Business is to prepare men and women for careers in business. As a means of accomplishing this purpose, business majors complete a well-rounded curriculum that includes a broad foundation in the liberal arts, a required core of courses in the basic areas of business administration, and a specialization selected from five business areas.

Degree Programs in Business

The following degree programs are offered in the School of Business:

1. Associate in Science degree
   a. Two-year secretarial

2. The Bachelor of Business Administration degree
   a. Accounting major
   b. Finance major
   c. Marketing major
   d. Management major
   e. Office administration major

3. Master of Business Administration degree
   a. Accounting major
   b. Finance major
   c. Management major
   d. Marketing major

A complete description of the MBA program is given in the Catalog of the Graduate School.

Organization

The undergraduate program of the School of Business is organized into five departments:

1. The Department of Accounting
2. The Department of Finance
3. The Department of Management
4. The Department of Marketing
5. The Department of Office Administration

REQUIREMENTS FOR THE B.B.A. DEGREE

General

Candidates for the B.B.A. degree must earn a minimum of 128 semester hours: 54 hours in the General Core area, 27 hours in the Business Core area, and completion of the specific requirements set forth in one of the business administration curriculums.
TWO-YEAR CURRICULUM

Associate in Science Degree

For those who may not be able, or may not wish to complete four years of college work, a two-year special curriculum has been organized. This course serves three purposes: (1) it enables the student to avoid rambling aimlessly through a number of unrelated courses merely to say that he has attended college for a certain length of time; (2) it enables the student to prepare for a vocation or phase of work in which he may be interested; (3) it gives the student a feeling of satisfaction for having completed a course of study.

Upon the completion of this course, the student may be granted the degree of Associate in Science. However, after the completion of the two-year course the student may, if he wishes, continue toward a baccalaureate degree.

Total hours required for degree - 64

*If the student has had one year of either typewriting or shorthand in high school and does not have the competencies to succeed in OAD 104 typewriting or OAD 202 shorthand, he will be required to take OAD 103 and OAD 201. Credit earned in these courses cannot be counted toward graduation or teacher certification by students majoring in office administration or business education.

**If a student has not had one year of typewriting in high school he must take OAD 104 before enrolling in OAD 104.

***If a student has not completed one year of shorthand in high school, he must take OAD 201 before taking OAD 202.
FOUR-YEAR CURRICULUMS

Business Administration

Areas of concentration within the School of Business are: accounting, finance, management, marketing and office administration. All curriculums lead to the B.B.A. degree.

Instructors Adkins, Lish

215. PRINCIPLES OF ACCOUNTING. 3 hrs. I, II, S.
Introduction to principles and procedures of double entry accounting records and reports.

216. PRINCIPLES OF ACCOUNTING. 3 hrs. I, II, S.
Introduction to principles and procedures of double entry accounting records and reports.
PR: Accounting 215.

311. INTERMEDIATE ACCOUNTING. 3 hrs. I, S.
Principles and problems of valuation, analysis, and formal presentation of accounting data.
PR: Accounting 215.

312. INTERMEDIATE ACCOUNTING. 3 hrs. II, S.
Principles and problems of valuation, analysis, and formal presentation of accounting data.
PR: Accounting 311.

347. COST ACCOUNTING. 3 hrs. I, S.
Principles of industrial cost accounting; job order, departmental and process costs.
PR: Accounting 216.

348. FEDERAL TAXATION. 3 hrs. II, S.
Problems and procedures of income tax accounting.
PR: Accounting 216.
412. GOVERNMENTAL ACCOUNTING. 3 hrs. I.
A study of the use of accounting information in the financial
management of governmental and non-profit entities.
PR: Accounting 216.

413. AUDITING. 3 hrs. II, S.
Theory and procedures; legal and social responsibilities of the
auditor.
PR: Accounting 216.

414. ADVANCED ACCOUNTING PROBLEMS. 3 hrs. I, S.
Selected problems in advanced accounting principles and
procedures.
PR: Accounting 312.

418. MANAGERIAL ACCOUNTING. 3 hrs. II, S.
The managerial approach to budgetary control.
PR: Accounting 347.

495H-496H. READINGS FOR HONORS IN ACCOUNTING. 2-4 hrs.
Open only to students of outstanding ability. Both must be taken
to receive credit. See Honors Students.

ART
(ART)

Dr. Arthur Carpenter, Chairman

TEACHERS COLLEGE

Professor Carpenter
Associate Professor Kilgore
Assistant Professors Cornfeld, Demiray, Dolin, Ertresvaag
Instructors Allen, Hutton, McKeegan

101-102. DRAWING. 3;3 hrs. I, II.
Freehand drawing with emphasis on drawing from nature and the
posed model, using a variety of media.
PR: Open to art majors and minors only. Others must have the
permission of the Chairman of the Department of Art.

112. ART APPRECIATION. 2 hrs. I, II, S.
Significance of art in everyday living. Required of all students in the
Teachers College.

113. ART EDUCATION: DRAWING AND PAINTING. 3 hrs. I, II, S.
Creative expression in drawing, painting, graphics and design
directed to the needs of students in elementary education.

203. COMPOSITION AND DESIGN IN DRAWING AND PAINTING. 3 hrs.
Design elements studied as to their use in conveying compositional
ideas and practical use of these ideas and elements in original
compositions in a variety of traditional media.
PR: Art 101 and 102.

214. INTRODUCTION TO DESIGN. 3 hrs.
Basic and related problems in design dealing with the plastic elements -- line, color, form, space, and texture.
PR: Art 101.

215. THREE-DIMENSIONAL DESIGN. 2 hrs.
Design in advertising layouts, merchandise display, and container design.

216. COMMERCIAL ART. 3 hrs.
Projects in advertising layouts, merchandise display, and container design.

305. CERAMICS. 2 hrs.
Advanced design problems in clay. Students will be involved in methods of producing ceramic forms by hand and with the potter's wheel and in problems of firing and glazing.
PR: Art 214 and/or Art 215.

306. DESIGN IN METAL. 2 hrs.
Advanced design in metal. Emphasis on copper, silver, pewter, brass. Problems involve soldering, enameling, and shaping metal by hand.
PR: Art 214 or Art 215.

307. SCULPTURE. 3 hrs.
Emphasis on modeling in clay and exploring the potential of plaster, wood and other materials relevant to the area of sculpture.
PR: Art 101 and 102.

340. ART EDUCATION: CRAFTS. 3 hrs. I, II, S.
Philosophy and methods of art education supplemented by laboratory experiences featuring crafts for students in early childhood and elementary education. 1 lec:3 lab.
PR: Art 113.

350-351. WATERCOLOR PAINTING. 3; 3 hrs.
Watercolor medium in expressing still life, landscape, and the human figure.
PR: Art 101 and 102.

360. PAINTING MEDIA. 3 hrs.
Projects in egg tempera, fresco, mixed media, and gilding.
PR: Junior or senior standing and Art 101 and Art 102.

401-402. HISTORY OF ART. 3; 3 hrs. I, II.
A survey of the development of architecture, sculpture, painting, and the minor arts to ca. 1400 A.D. and from 1400 A.D. to the present.
403. ORIENTAL ART. 3 hrs.
   A historical survey of the architecture, painting, and sculpture of China, Indonesia, and Japan.

404. 20th CENTURY ART. 3 hrs.
   A survey of the development of architecture, painting and sculpture in the western world during the present century.

405. ART IN AMERICA. 3 hrs.
   A survey of the development of architecture, painting, and sculpture from colonial times to the present.

406. FIGURE DRAWING. 3 hrs.
   Practice in drawing from the posed human figure.
   PR: Art 101 and 102.

407. PRIMITIVE ART. 3 hrs.
   An introduction to the unique arts of so-called pre-civilized peoples with a two-fold emphasis: first, the European pre-historic; second, the non-European primitive.

408. BLACK ART. 3 hrs.
   A survey of the development of black arts from ancient Africa to contemporary expressions in both the old and new worlds.
   Open to all qualified students.

455-456. PAINTING: ACRYLIC AND OIL. 3; 3 hrs.
   Study and practice of painting in expressing abstract still life, landscape, and the human figure.
   PR: Art 102 and 203.

460. ART EDUCATION: HISTORY AND PHILOSOPHY OF ART EDUCATION. 3 hrs.
   A survey of the evolution of art education, philosophy, and a study of problems related to art education on the elementary and high school levels.
   PR: Art 340.

461-462-463. SPECIAL TOPICS. 1-3; 1-3; 1-3 hrs.

470. GRAPHIC PROCESSES. 3 hrs.
   Experiments in the media of etching, dry point, lithography, and wood cuts as means of pictorial expression.
<table>
<thead>
<tr>
<th>Course</th>
<th>Title</th>
<th>Credits</th>
<th>Description</th>
</tr>
</thead>
<tbody>
<tr>
<td>210</td>
<td>OLD TESTAMENT HISTORY.</td>
<td>2 hrs.</td>
<td>The growth and development of the Hebrew people, religion, and literature, to the Greek period. Open to freshmen.</td>
</tr>
<tr>
<td>300</td>
<td>INTRODUCTION TO THE STUDY OF RELIGION: NATURE OR RELIGION.</td>
<td>3 hrs.</td>
<td>An analysis of the nature of religious personalities, institutions, literature, philosophies, experiences, and education.</td>
</tr>
<tr>
<td>301</td>
<td>INTRODUCTION TO THE STUDY OF RELIGION: FUNCTION OF RELIGION.</td>
<td>3 hrs.</td>
<td>A correlation of religion with the different areas of life; natural sciences, humanities, social sciences, philosophy, ethics, education.</td>
</tr>
<tr>
<td>302</td>
<td>OUTLINES OF CHURCH HISTORY.</td>
<td>3 hrs.</td>
<td>The historical development of Christianity from the first century to the present.</td>
</tr>
<tr>
<td>310</td>
<td>THE HEBREW PROPHETS.</td>
<td>2 hrs.</td>
<td>The rise of the office of prophet and the contributions of prophecy to religion.</td>
</tr>
<tr>
<td>315</td>
<td>PSYCHOLOGY OF RELIGION.</td>
<td>3 hrs.</td>
<td>An examination of the factors in individual and group religious experiences.</td>
</tr>
<tr>
<td>323</td>
<td>HISTORY OF RELIGIOUS THOUGHT IN AMERICA.</td>
<td>3 hrs.</td>
<td>The rise and development of religion and of religious thinking in America.</td>
</tr>
</tbody>
</table>
418. DEVELOPMENT OF RELIGIOUS IDEAS. 3 hrs.
   A study of the sources of religious thought in western culture.

419. RELIGIOUS THOUGHT IN THE WESTERN WORLD. 3 hrs.
   An analysis of the major schools of religious thought as they have developed in the West.

420. RECENT AND CONTEMPORARY RELIGIOUS THOUGHT. 3 hrs.
   A survey of the major currents of religious thinking in the twentieth century.

430. ORIGIN AND TRANSMISSION OF THE BIBLE. 3 hrs.
   A study of the history of the canonization, textual transmission, and translations of the Bible.

450. SOCIOLOGY OF RELIGION. 3 hrs.
   An investigation into the nature of religion as a social phenomenon.

495H-496H. READINGS FOR HONORS IN BIBLE AND RELIGION. 4; 4 hrs.
   Open only to Bible and religion majors of outstanding ability. Both courses must be taken in order to receive credit.

BIOLOGICAL SCIENCES

Dr. Harold E. Ward, Chairman

COLLEGE OF ARTS AND SCIENCES

(Division of Sciences)

Professors Ward, Fisher, Mills, Plymale, Warren
Associate Professors Ash, Gillespie, Shoemaker, Tarter
Assistant Professors Binder, Bird, Brumfield, Frum, Gain, Jinks, Modlin, Weaks
Instructors Jarrell, Kahle, Raczok

Biological Science

(BSC)

201. BIOLOGICAL SCIENCE (Biology of Plants). 4 hrs. I, II, S.
   The fundamentals of biology, with emphasis on plant structures, functions, and classification, including cellular organization and processes which are common to both plant and animal life. 3 lec-2 lab.

   Biological principles of structure, function, development, growth, classification, and evolution with emphasis on man and other vertebrates. 3 lec-2 lab.
   PR: Biological Science 201.

306. FIELD BIOLOGY. 4 hrs. II, S.
   Identification, classification, habitats, and communities of animal
and plant life in field and laboratory.
PR: 8 semester hours of biological science.

403. BIOLOGICAL MICROTECHNIC. 3 hrs. I.
PR: One year of biological science.

404. CELLULAR PHYSIOLOGY. 4 hrs. I, II, S.
The chemistry of cell functions, including cellular organizations, with special emphasis on intermediary metabolism. 2 lec-4 lab.
PR: 2 years biological science and 1 semester organic chemistry or consent of instructor.

407. (ZOO 407) GENETICS. 4 hrs. I, S.
The fundamental principles and mechanisms of inheritance including their human application.
PR: Biological Science 202.

413. (ZOO 413) PRINCIPLES OF ORGANIC EVOLUTION. 2 hrs. I, S.
The progress of animal life through time and a discussion of known causes.
PR: Zoology 212.

430. ECOLOGY. 4 hrs. II, S.
The interrelationships of plants, animals, and environment. Local and world distribution of biotic communities.
PR: Botany 316 or consent of instructor.

431. LIMNOLOGY. 4 hrs. II, S.
The study of inland waters; ecological factors affecting lake and stream productivity and various aquatic communities.

482. CONSERVATION OF FORESTS, SOIL AND WILDLIFE. 3 hrs. I, S.
Primarily for teachers in the biological, general and applied sciences. Includes field work, seminars, and demonstrations on phases of conservation of forest, soil, and wildlife.

483. HISTORY AND DEVELOPMENT OF BIOLOGY. 3 hrs. II, S.
A study of the men who have developed our knowledge of biology, the philosophy of the period; and work of the foremost men in the field.
PR: 12 semester hours of science.

Botany
(BOT)

302. GENERAL BACTERIOLOGY. 3 hrs. I, II, S.
Basic microbiological techniques, fundamental principles of
microbial action, physiological processes, immunology, serology, disease process. 2 lec-4 lab.  
PR: Biological Science 201 (or equivalent), or one year chemistry.

402. BACTERIOLOGY: SPECIAL TOPICS. 1-3 hrs.  
PR: Botany 302.

405. ECONOMIC BOTANY. 3 hrs. I.  
Plants used by man for food, ornamental purposes, building materials, textiles and other industrial purposes; economic importance of conservation. No laboratory.

410. SPECIAL TOPICS. 1-4 hrs. I, II, S.  
By permission of instructor and consent of department chairman.

415. PLANT MORPHOLOGY. 4 hrs. I, S.  
Characteristics of the great plant groups. Discussion of important steps in the development of plants. 2 lec-4 lab.  
PR: Biological Science 201 or equivalent.

416. PLANT TAXONOMY. 4 hrs. II, S.  
Recognition of our native seed plants and ferns. 2 lec-4 lab.  
PR: Biological Science 201 or equivalent.

418. MYCOLOGY AND PLANT PATHOLOGY. 4 hrs. I.  
Nature, cause and control of plant disease. 2 lec-4 lab.  
Biological Science 201 or equivalent.

Zoology  
(ZOO)

212. ADVANCED GENERAL ZOOLOGY. 4 hrs. I, II, S.  
Classification, structure and relationships of the important animal phyla.  
PR: Biological Science 202.

225. HUMAN BIOLOGY. 4 hrs. I, II.  
Structure and function of the human organism. Open to candidates for the A.S. degree in Nursing.

300. HISTOLOGY. 4 hrs. II.  
Microscopic study of vertebrate tissues. 2 lec-4 lab.  
PR: Biological Science 202.

301. VERTEBRATE EMBRYOLOGY. 4 hrs. I, S.  
Vertebrate development based chiefly on frog, chick and pig embryos. 2 lec-4 lab.  
PR: Biological Science 202.

302. COMPARATIVE VERTEBRATE ANATOMY. 4 hrs. II, S.  
Principles of structure, function and relationships of vertebrate
systems with emphasis on the dogfish and cat. 2 lec-4 lab.
PR: Biological Science 202.

315. HUMAN ANATOMY AND PHYSIOLOGY. 4 hrs. II, S.
The structure and functions of the human body. 3 lec-2 lab.
PR: Biological Science 202. Not open to students with credit in
Zoology 300, 301 or 302.

402. VERTEBRATE NATURAL HISTORY. 3 hrs. II, S.
The origin, classification, life histories, habits and distribution of
fishes, amphibians, reptiles and mammals. 1 lec-4 lab.
PR: Zoology 212.

403. ENTOMOLOGY. 3 hrs. S.
Anatomy, classification, life histories and economic importance of
representative insects. 1 lec-4 lab.
PR: Zoology 212.

407. (BSC 407) GENETICS. 4 hrs. I, S.
The fundamental principles and mechanisms of inheritance
including their human application.
PR: Biological Science 202.

408. ORNITHOLOGY. 3 hrs. II, S.
Identification, distribution, migration and breeding activities of
birds. 2 lec-2 lab.

413. (BSC 413) PRINCIPLES OF ORGANIC EVOLUTION. 2 hrs. I, S.
The progress of animal life through time with a discussion of known
causes.
PR: Zoology 212.

424. ANIMAL PARASITOLOGY. 4 hrs. I, II or S.
Morphology, life histories, classification, and host relationships of
common parasites. 2 lec-4 lab.
PR: Zoology 212.

426. MEDICAL ENTOMOLOGY. 4 hrs. I, II, or S.
Role of certain insects and other arthropods in the transmission of
disease organisms and methods of control. 2 lec-4 lab.
PR: Zoology 212.

450-451-452. SPECIAL PROBLEMS. 1-3; 1-3; 1-3 hrs. I, II, S.
By permission of instructor and department chairman.
CHEMISTRY*  
(CHM)

Dr. Edward S. Hanrahan, Chairman

COLLEGE OF ARTS AND SCIENCES  
(Division of Sciences)

Professors Chakrabarty, Douglass, Hanrahan, Hoback, Lepley  
Associate Professors Kong, Roberts, Sharma  
Assistant Professors Larson, Lemke, Littler, Mosher, Price

100.  ELEMENTARY CHEMISTRY  4 hrs. I, II, S.  
Open to candidates for the A.S. degree in Nursing. Includes topics from chemical principles, inorganic, organic, and biochemistry. Not open to students planning to enter professional schools. 3 lec-3 lab.

190H-191H.  HONORS IN CHEMISTRY.  1 hr. I, II, S.  
Independent study programs for outstanding students.  
PR: Permission of the department chairman.

203.  GENERAL CHEMISTRY I.  4 hrs. I, S.  
An introduction to chemical science, its development, basic concepts and interrelationships with other sciences. Intended primarily for non-science majors and A.B. degree candidates. 3 lec-3 lab.

204.  GENERAL CHEMISTRY II.  4 hrs. II, S.  
A continuation of Chemistry 203 with emphasis on introductory organic and biochemistry. 3 lec-3 lab.  
PR: Chemistry 203 or junior standing.

211.  PRINCIPLES OF CHEMISTRY I.  3 hrs. I, II, S.  
A study of the properties of materials and their interactions with each other. Development of theories and applications of the principles of energetics, dynamics and structure. Intended primarily for science majors and pre-professional students. 3 lec.  
CR: Chemistry 213.

212.  PRINCIPLES OF CHEMISTRY II.  3 hrs. I, II, S.  
A continuation of Chemistry 211. 3 lec.  
PR: Chemistry 211.  
CR: Chemistry 214.

213.  CHEMICAL PRINCIPLES IN THE LABORATORY.  1 hr. I, S.  
An introduction to laboratory methods of experimentation. 3 lab.

214.  CHEMICAL PRINCIPLES IN THE LABORATORY II.  1 hr. I, II, S.  
Introduction to and application of basic experimental methods for the study of matter. 3 lab.  
PR: Chemistry 211, 213.

*The Department of Chemistry is approved by the Committee on Professional Training of the American Chemical Society.
217. INTRODUCTORY ORGANIC CHEMISTRY AND LABORATORY. 5 hrs. I.
   A short study of organic chemistry open to students in home economics, medical technology, and science majors in the Teachers College. 3 lec-6 lab.
   PR: Chemistry 212 and 214 or 204.

227. INTRODUCTORY ORGANIC CHEMISTRY. 3 hrs. I.
   A short study of organic chemistry. Open to students in the college of Applied Science. 3 lec.
   PR: Chemistry 212 and 214 or 204.

255. ORGANIC CHEMISTRY I. 5 hrs. I, S.
   A systematic study of organic chemistry. 3 lec-6 lab.
   PR: Chemistry 212 and 214 or 204.

256. ORGANIC CHEMISTRY II. 5 hrs. II, S.
   Continuation of Chemistry 255 and qualitative organic analysis. 3 lec-6 lab.
   PR: Chemistry 255.

290H-291H. HONORS IN CHEMISTRY I, II. 1 hr. I, II, S.
   Independent study programs for outstanding students.
   PR: Permission of the department chairman.

300. INTRODUCTORY BIOCHEMISTRY. 3 hrs. II.
   An introduction to biochemical systems. 3 lec.
   PR: Chemistry 217 or 256.

301. INTRODUCTORY BIOCHEMISTRY LABORATORY. 1 hr. II.
   Introduction to methods of identification and characterization of biochemical systems. 3 lab.
   PR or CR: Chemistry 300.

305. CHEMICAL LITERATURE. 1 hr.
   PR or CR: Chemistry 256.

307. INTRODUCTORY PHYSICAL CHEMISTRY. 3 hrs. II.
   PR: Chemistry 217, 227 or 256. 3 lec.

331-332. CHEMISTRY SEMINAR. Credit. I, II.
   A graduation requirement for all juniors seeking the B.S. in Chemistry degree. 1 lec.

345. QUANTITATIVE ANALYSIS. 3 hrs. I, S.
   An introduction to the basic principles of analytical chemistry. 1 lec-6 lab.
   PR: Chemistry 212, 214.

357. PHYSICAL CHEMISTRY I. 3 hrs. I.
   A systematic study of physical chemistry. 3 lec.
   PR: Chemistry 256, eight hours of physics, Mathematics 230.
   CR: Mathematics 231.
358. PHYSICAL CHEMISTRY II. 5 hrs. II.
   Continuation of Chemistry 357, 3 lec.-6 lab.
   PR: Chemistry 357, Mathematics 231.

390H-391H. HONORS IN CHEMISTRY. 1 hr. I, II, S.
   Independent study programs for outstanding students.
   PR: Permission of the department chairman.

401-402. RESEARCH FOR UNDERGRADUATES. 1-4; 1-4 hrs. I, II, S.
   PR: Permission of instructor and department chairman.

410. ADVANCED SYNTHESIS AND ANALYSIS. 4 hrs.
   Advanced problems in synthesis, separation and analysis with
   emphasis on modern instrumental methods. 2 lec.-6 lab.
   PR: Chemistry 256.

431-432. CHEMISTRY SEMINAR. Credit I, II.
   A graduation requirement for all seniors enrolled in the B.S. in
   Chemistry program. 1 lec.

440. THERMODYNAMICS. 3 hrs.
   An introduction to chemical thermodynamics and statistical
   mechanics. 3 lec.
   PR: Chemistry 358.

448. ADVANCED INORGANIC CHEMISTRY I. 2 hrs.
   A study of physical and chemical properties and periodic
   relationships of inorganic materials. 2 lec.

449. ADVANCED INORGANIC CHEMISTRY II. 2 hrs.
   A detailed consideration of bonding, structure, reaction rates and
   equilibrium involving inorganic materials, 2 lec.
   PR: Chemistry 448.

456. ADVANCED ANALYTICAL CHEMISTRY. 3 hrs.
   Modern theories and methods of analysis with emphasis on
   instrumental methods. 2 lec.-3 lab.
   PR: Chemistry 345.

460. MOLECULAR SPECTROSCOPY. 3 hrs.
   A study of the emission and absorption of radiant energy and its
   relation to molecular structure. 3 lec.
   PR: Chemistry 358.

462. NUCLEAR CHEMISTRY AND PHYSICS. 3 hrs. II.
   An introduction to the phenomena of nuclear physics and
   chemistry. 3 lec.
   PR: Mathematics 231.

463. NUCLEAR CHEMISTRY AND PHYSICS LABORATORY. 2 hrs. II, 4 lab.
   CR: Chemistry 462.
475. ADVANCED BIOCHEMISTRY. 3 hrs. I.
   A discussion of energy relationships in biological systems and the
   mechanism of metabolism. 3 lec.
   PR: Chemistry 300 or consent of instructor.

476. ADVANCED BIOCHEMISTRY LABORATORY. 2 hrs. II.
   Laboratory methods for the preparation, purification and
   characterization of biochemical systems.
   PR: Chemistry 475.

480. QUANTUM MECHANICS. 3 hrs.
   An introductory course in quantum mechanics. 3 lec.
   PR: Mathematics 231.

482. ADVANCED ORGANIC CHEMISTRY I. 3 hrs. I.
   Studies of the dynamics of organic reactions with emphasis on
   mechanisms and stereochemistry. 3 lec.
   PR: Chemistry 256.

483. ADVANCED ORGANIC CHEMISTRY II. 3 hrs. II.
   A continuation of Chemistry 482 with emphasis on synthetic
   methods. 3 lec.
   PR: Chemistry 482.

495H-496H. HONORS IN CHEMISTRY. 4; 4 hrs. I, II, S.
   Open only to chemistry majors of outstanding ability. Both courses
   must be taken to receive credit.
   See Honors Courses, page 259.

CLASSICAL LANGUAGES

Dr. Louise P. Hoy, Chairman

COLLEGE OF ARTS AND SCIENCES
(Division of Humanities)

Professor Hoy

Greek
(GRK)

   No credit for 201 without 202.

301-302. INTERMEDIATE GREEK. 3; 3 hrs. I, II. Offered 1971-72.
   Homer’s Iliad, Dialogues of Plato, New Testament.
   PR: Greek 202 or equivalent.

Latin
(LAT)

101-102. FIRST YEAR LATIN. 3; 3 hrs. I, II.
No credit for 101 without 102.

Students presenting one unit of high school Latin, enroll in Latin 102.

203-204. INTERMEDIATE LATIN. 3; 3 hrs. I, II.
Cicero's Orations; Vergil's Aeneid I-VI.
PR: Latin 102 or two units of high school Latin.

240. ELEMENTS OF PROSE COMPOSITION. 3 hrs. I.
PR: Latin 204 or 3 units of high school Latin.
The following courses are offered in a cycle of four years:
Prerequisites for all 300-400 courses: Latin 204 or three units high school Latin.

306. SELECTIONS FROM HORACE. 3 hrs.

307. CICERO'S LETTERS. 3 hrs.

309. LIVY'S HISTORY OF ROME. 3 hrs.

312. TACITUS: ANNALS, GERMANIA. 3 hrs.

327. ADVANCED PROSE COMPOSITION. 3 hrs.

329. ELEGIAC POETS: CATULLUS, TIBULLUS, PROPERTIUS, OVID. 3 hrs.

401. ROMAN LIFE: PLINY, MARITAL, JUVENAL. 3 hrs.

402. VERGIL'S AENEID VII-XII. 3 hrs.

403. THE ROMAN STAGE: COMEDIES OF PLAUTUS AND TERENCE. 3 hrs.

450-451. SPECIAL TOPICS IN LATIN. 1-4; 1-4 hrs. I, II.

495H-496H. HONORS IN LATIN. 4; 4 hrs. I, II.
Open only to Latin majors of outstanding ability. Both courses must be taken for credit.
See Honors Courses, page 259.

Classics (CL)

General humanities courses, taught in English, open to all students at the academic level listed.

200. BUILDING ENGLISH VOCABULARY THROUGH LATIN AND GREEK. 3 hrs.
Open to freshmen.

319. CLASSICAL MYTHOLOGY. 3 hrs. II.
321. GREEK LITERATURE IN TRANSLATION. 3 hrs. I.
322. LATIN LITERATURE IN TRANSLATION. 3 hrs. II.
435. GREEK CIVILIZATION. 3 hrs. I.
436. ROMAN CIVILIZATION. 3 hrs. II.

CYTOTECHNOLOGY (CYT)

Dr. Howard L. Mills, Director

COLLEGE OF APPLIED SCIENCE

Clinical Professors Werhammer, Sadler
Associate Clinical Professor Sheils,
Clinical Instructor Eads

431. CYTOLOGICAL METHODOLOGY. 6 hrs. I.
Routine and special methods in cytology including specimen
processing. Clinical microscopy including routine and special
microscopic methods using dark field, phase and polarized light
techniques.

432. ELEMENTARY CYTOLOGY. 6 hrs. I.
General and specific fundamentals of cytology for determining cell
structure and embryology, including the cytology of specialized tissue.

433. GENITAL CYTOLOGY. 6 hrs. II.
Cytology in health and disease of the female genital tract.
Endocrinological considerations.

434. NONGENITAL CYTOLOGY. 6 hrs. II.
Cytology in health and disease of respiratory, urinary and gastro-
intestinal tracts.

435. CYTOLOGY OF SOME GLAND SECRETIONS, EXUDATES AND
TRANSUDATES. 4 hrs.
Breast secretions, fluids from serous cavities, etc.

436. ADVANCED METHODS IN CYTOLOGY. 3 hrs. S.
Elementals of tissue culture, chromosome analysis and photomicrography.

437. SEMINAR. 1 hr. S.
Record keeping, follow-up, administration and professional relations.
ECONOMICS
(ECN)

Dr. Joseph S. La Cascia, Chairman

COLLEGE OF ARTS AND SCIENCES
(Division of Social Sciences)

Professor La Cascia
Associate Professors Akkihal, Cook, Corrie, Westbrook
Assistant Professors Kontos, Pathak, Phillips
Instructor Clauretie

100. INTRODUCTION TO ECONOMICS. 3 hrs.
Offers a rudimentary conception of economic theory, contemporary issues and problems in economics by approaching from an issue and problem standpoint.

241. PRINCIPLES OF ECONOMICS. 3 hrs. I, II, S.
Production, exchange and distribution of wealth and income in capitalistic economy.

242. PRINCIPLES OF ECONOMICS. 3 hrs. I, II, S.
Production, exchange and distribution of wealth and income in capitalistic economy.

300. SURVEY OF ECONOMICS. 3 hrs. I, II, S.
The principles course in one semester for designated students in the Teachers College and the College of Applied Science.

310. MONEY AND BANKING. 3 hrs. I, II, S.
Money, credit and credit institutions in the United States; monetary, fiscal, and banking functions of the Federal Reserve System.
PR: Economics 241-242, 300 or equivalent.

312. THE REGULATION OF PUBLIC UTILITIES. 3 hrs. I.
Public control of industries in the utility field; rate of return, valuation of assets, adequacy of service.
PR: Economics 241-242, 300 or equivalent.

320. PUBLIC FINANCE. 3 hrs. II.
Governmental revenue, expenditures, and debt; the use of fiscal policy.
PR: Economics 241-242, 300 or equivalent.

322. QUANTITATIVE METHODS. 3 hrs.
Modern mathematical methods for use in economics and other social sciences.
PR: Economics 241-242, Mathematics 120 or equivalent.

326. NATIONAL INCOME, EMPLOYMENT, AND GROWTH. 3 hrs. II.
National income accounting; macro-economic theories of output
determination, employment, inflation, and growth; monetary and fiscal policies.
PR: Economics 241-242, 300 or equivalent.

328. INTERMEDIATE PRICE THEORY. 3 hrs. I.
Micro-economic theories of the production and pricing of goods and services, payments to the factors of production.
PR: Economics 241-242, 300 or equivalent.

342. ECONOMIC DEVELOPMENT OF THE UNITED STATES. 3 hrs. I.
History of the economy; political-economic determinants of growth patterns; the evolution of corporations, unions, and other institutions.
PR: Economics 241-242 or equivalent.

346. LABOR PROBLEMS. 3 hrs. I, II.
Ideologies, organizations, and policies of labor and management; impact of labor-management relations on the political economy.
PR: Economics 241-242, 300 or equivalent, or consent of the instructor.

348. LABOR AND GOVERNMENT. 3 hrs.
Relationships between labor and government; economic results of laws affecting labor-management relations.
PR: Economics 241-242, 300 or equivalent, or consent of the instructor.

351. GOVERNMENT AND BUSINESS. 3 hrs.
Business ideologies and organizations; the business system within the economy; anti-trust and other laws.
PR: Economics 241-242, 300, or equivalent, or consent of the instructor.

356. COLLECTIVE BARGAINING PROBLEMS. 3 hrs.
Contract negotiation and administration at plant and industry levels.
PR: Economics 241-242, 300 or equivalent, or consent of the instructor.

360. ECONOMIC DEVELOPMENT. 3 hrs.
A study of the problems, dynamics and policies of economic growth and development in underdeveloped and developed countries.
PR: Economics 241-242, 300 or equivalent.

402. BUSINESS CYCLES. 3 hrs. II.
Description and history of the business cycle; theories of the cycle; forecasting; monetary and fiscal policies for stabilization.
PR: Economics 326 or equivalent.

408. COMPARATIVE ECONOMIC SYSTEMS. 3 hrs.
Marxism, capitalism, communism, fascism and socialism considered as theories, movements and actual political economies.
PR: Economics 241-242, 300 or equivalent.
410. THE SOVIET ECONOMIC SYSTEM. 3 hrs.
Resources and institutions of the U.S.S.R.; ideological and historical background; central planning; economic development.
PR: Economics 241-242, 300 or equivalent.

415. REGIONAL ECONOMICS. 3 hrs.
A study of location theory and regional development within a framework of economic theory.
PR: Economics 241-242, or 300 or equivalent.

420. INTERNATIONAL TRADE AND EXCHANGE. 3 hrs. I.
Movement of goods and balance of payments among nations; exchange rates; exchange controls and tariffs; problems and policies.
PR: Economics 241-242, 300 or equivalent.

430. MANAGERIAL ECONOMICS. 3 hrs. I.
The use of economic principles by management; pricing, sales policies, budgeting, forecasting, inter-firm relations.
PR: Economics 428 or equivalent.

440. HISTORY OF ECONOMIC THOUGHT. 3 hrs.
Economic theories and ideas from the earliest economists to those of Marshall and Keynes.
PR: Economics 241-242, 300 or equivalent.

448. AMERICAN ECONOMIC THOUGHT. 3 hrs. II.
Contribution of American scholars of economic doctrines; emphasis on the Institutional and Neo-Classical Schools.
PR: Economics 241-242, 300 or equivalent.

461. ECONOMIC EDUCATION WORKSHOP. 3 hrs. S.
Intensive review of subject matter and teaching methods in economics designed for elementary and high school teachers.
PR: Consent of instructor or grant of scholarship.

471-472. SEMINAR IN SPECIAL TOPICS. 2-4; 2-4 hrs. I, II.
Members of the department may teach, when necessary, any economics subject not listed among the current course offerings.
PR: Nine hours of economics, senior standing, and consent of the instructor.

481-482. DIRECTED RESEARCH. 2-4; 2-4 hrs. I, II.
A research project conducted by a qualified student under guidance of a member of the department; involves gathering of data, interpretation, and presentation of findings in a written report.
PR: Twelve hours of economics, senior standing, and consent of the instructor, department chairman, and the student’s academic dean.

495H-496H. READINGS FOR HONORS IN ECONOMICS. 4; 4 hrs. I, II.
Open only to economics majors of outstanding ability. Both courses must be taken in order to receive credit.
See Honors Courses, page 259.
ART EDUCATION

Art Education
Listed under Art

Counseling and Rehabilitation (CR)
Dr. Clarke Hess, Chairman

Professors Hess, Wallace
Associate Professor Dingman
Assistant Professors McDowell, Meadows

306. INTRODUCTION TO REHABILITATION. 3 hrs. I.
Introduction to the field of rehabilitation, various mental, physical and social disabilities, careers in rehabilitation, rehabilitation services and orientation process. Two clock hours per week of laboratory.
PR: Sophomore standing and permission of instructor.

406. REHABILITATION SERVICES. 3 hrs. II.
Introduction to services provided by rehabilitation agencies with emphasis upon diagnosis, physical restoration, training and job placement with associated medical, occupational and counseling information as applied to areas of service. Two clock hours per week of laboratory.
PR: Counseling and Rehabilitation 306 and permission of instructor.

407. REHABILITATION PRACTICUM. 4 hrs. S.
Participation in rehabilitation process with a variety of handicapped individuals under supervision of cooperating agencies.
PR: Counseling and Rehabilitation 306 and 406. Senior standing, majors only and overall 2.0 average.

408. SPECIAL PROBLEMS IN REHABILITATION. 3 hrs. I.
A seminar study of the problems in rehabilitating special disability groups (mentally retarded, mentally ill, alcoholic, public offender, disadvantaged) as well as research into these and other unmet needs in rehabilitation today.
PR: Counseling and Rehabilitation 406 and permission of instructor.

425. INTERVIEWING PROCEDURES. 3 hrs. II.
Principles and practices of the interviewing relationship in helping service settings.
PR: Permission of instructor.

482-483-484-485. SPECIAL TOPICS. 1-4; 1-4; 1-4; 1-4 hrs. I, II, S.
PR: Permission of department chairman.
490. PRINCIPLES AND PRACTICES OF GUIDANCE. 3 hrs. I, II, S.
The objectives, principles, and practices of guidance.

CURRICULUM AND INSTRUCTION
(CI)

Dr. Bernard Queen, Chairman

TEACHERS COLLEGE

Professors Jenkins, Queen
Associate Professors Bauer, Campbell, Collins, Fulks, Jervis, Koontz, Regula, Simpkins, Tucker, Turner, Wellman, B. Wright
Assistant Professors Dailey, Davis, Dilley, Everett, Ferguson, Hale, Hall, Hanger, Harvey, Hunter, Jarrett, Morris, Nichols, Pett, Royer, Rummell, T. Smith, Sowards, Vass, Webb, Wideman
Instructors Darst, Gray, K. Wright

101. MATHEMATICS EDUCATION: MATHEMATICS FOR ELEMENTARY TEACHERS, I. 3 hrs. I, II, S.
Study of sets, logic, numeration systems, number systems, and number theory using an inquiry, laboratory oriented approach.

201. MATHEMATICS EDUCATION: MATHEMATICS FOR ELEMENTARY TEACHERS, II. 2 hrs. I, II, S.
Study of the foundations of elementary mathematics in a laboratory setting emphasizing an inquiry and discovery approach; mathematical systems such as groups and fields, structure of the real number system, basic algebraic operations, simple analytical geometry, informal metric and non-metric geometry, probability, and statistics.
PR: Curriculum and Instruction 101.

203. CHILDREN'S LITERATURE. 3 hrs. I, II, S.
Types of poetry and prose appropriate for elementary school pupils, with emphasis on methods of presentation.
May not be used as elective to meet requirements of English major in College of Arts and Sciences.
PR: English 102 or 201H.

300. MATHEMATICS EDUCATION: TEACHING ELEMENTARY SCHOOL MATHEMATICS. 2 hrs. I, II, S.
Investigation of techniques and approaches to helping children learn mathematics with special emphasis on the use of manipulative materials in a laboratory setting.
PR: Curriculum and Instruction 201.

Practical application of modern methods and media in helping children learn more about the earth, physical, and biological sciences.
PR: Six hours of biological or physical science.
320. SPECIAL EDUCATION: INTRODUCTION TO EXCEPTIONAL CHILDREN. 3 hrs. I, II, S.
An introduction to the study of children who deviate from the average in mental, physical, and social characteristics, including a study of the characteristics of such children and the adaptation of educational procedures to their abilities and disabilities.

367. EARLY CHILDHOOD EDUCATION: ORGANIZATION AND ADMINISTRATION. 3 hrs. I, II.
An overview of the development of early childhood education, related research, pre-primary program models, elementary school organizational patterns, program planning and techniques of working with parents.
PR: Educational Foundations 319; Home Economics 303.

400. ELEMENTARY EDUCATION. 2-4 hrs. I, II, S.
The learning environment of the elementary school, problems in the structure and use of knowledge, manners and methods of helping students learn procedures and techniques in teaching in the elementary school, including the undergirding assumptions of the modern elementary school, philosophy of education, guidance, and educational media.
PR: Educational Foundations 319.
CR: Curriculum and Instruction 405.

405. ELEMENTARY EDUCATION: SUPERVISED STUDENT TEACHING. 4-8 hrs. I, II, S.
All-day teaching under supervision in cooperating public schools.
PR: Curriculum and Instruction 443.
CR: Curriculum and Instruction 400.

409. EARLY CHILDHOOD EDUCATION: EARLY CHILDHOOD CURRICULA. 3 hrs. I, II.
Relationship of the kindergarten-elementary school curricula to child growth and development. Recent trends in curriculum organization and adapting curriculum content and methods to maturity levels of children.
PR: Educational Foundations 319, Curriculum and Instruction 367.
CR: Curriculum and Instruction 410.

410. EARLY CHILDHOOD EDUCATION: SUPERVISED STUDENT TEACHING. 8 hrs. I, II.
Practicum for students majoring in early childhood education. All-day teaching under supervision in kindergarten and elementary schools.
PR: Educational Foundations 319, Curriculum and Instruction 367.
CR: Curriculum and Instruction 409.

433. SPECIAL EDUCATION: THE MENTALLY RETARDED CHILD. 3 hrs. I, II, S.
Acquaints teachers with the characteristics and needs of the
mentally retarded child. The status of the mentally retarded in our society and the impact of mental retardation on education.
PR: Curriculum and Instruction 320 or permission of department chairman.

440. SPECIAL EDUCATION: STUDENT TEACHING WITH MENTALLY RETARDED CHILDREN. 4 hrs. I, II, S.
All-day supervised teaching in special classes in the public schools. Required of all students who are completing curriculum for teachers of mentally retarded children.
PR: Educational Foundations 319, Curriculum and Instruction 320 and 433.

441. SECONDARY EDUCATION: LITERARY MATERIALS FOR ENGLISH AND SOCIAL STUDIES. 3 hrs. I, S.
To acquaint teachers of English and social studies with a variety of literary selections suitable for students, grades 7-12.
PR: Educational Foundations 319.

443. ELEMENTARY EDUCATION: TEACHING READING IN ELEMENTARY SCHOOLS. 3 hrs.
Presenting modern techniques and practices in the teaching of reading.
PR: Educational Foundations 319.

444. SPECIAL EDUCATION: CHARACTERISTICS OF CRIPPLED CHILDREN. 3 hrs. I, II, S.
Psychological, social, emotional and educational problems which may accompany crippling conditions, hospitalized and homebound.
PR: Curriculum and Instruction 320.

445. SECONDARY EDUCATION: TEACHING READING IN SECONDARY SCHOOLS. 3 hrs. I, II, S.
Principles underlying the teaching of reading in junior and senior high schools.
PR: Educational Foundations 319 or permission of department chairman.

450. SECONDARY EDUCATION: SUPERVISED STUDENT TEACHING. 3-8 hrs. I, II, S.
All-day teaching under supervision in cooperating public schools.
PR: Methods in teaching area.

453. SPECIAL EDUCATION: CURRICULUM DEVELOPMENT FOR TEACHERS OF THE MENTALLY RETARDED. 3 hrs. II, S.
Principles and current trends in curriculum development are reviewed and evaluated toward the development of specific curriculums for the mentally retarded. Methods and materials are presented in relation to this development.
PR: Curriculum and Instruction 320 or 433 or permission of department chairman.
460-461. SCIENCE EDUCATION: SPECIAL PROBLEMS. 1-3 hrs. I, II, S.
By permission of department chairman.
PR: Junior and senior standing.

467. SECONDARY EDUCATION: TEACHING SOCIAL STUDIES.
2 hrs. I, II, S.
Survey of materials and methods for teaching social studies.
PR: Educational Foundations 319.

468. SECONDARY EDUCATION: TEACHING ART.
2 hrs. I, II.
Survey of materials and methods for teaching art.
PR: Educational Foundations 319.

469. SECONDARY EDUCATION: TEACHING BUSINESS EDUCATION.
2 hrs. I, II, S.
Survey of materials and methods for teaching business subjects.
PR: Educational Foundations 319.

470. SECONDARY EDUCATION: TEACHING ENGLISH.
2 hrs. I, II.
Survey of materials and methods for teaching English.
PR: Educational Foundations 319.

471. SECONDARY EDUCATION: TEACHING FOREIGN LANGUAGES.
2 hrs. I.
Survey of materials and methods for teaching the languages.
PR: Educational Foundations 319.

472. SECONDARY EDUCATION: TEACHING MATHEMATICS.
2 hrs. I, II.
Survey of materials and methods for teaching mathematics.
PR: Educational Foundations 319.

473. SECONDARY EDUCATION: TEACHING PHYSICAL EDUCATION.
2 hrs. I, II.
Survey of materials and methods for teaching physical education in grades 7-12. (men and women)
PR: Educational Foundations 319.

474. SECONDARY EDUCATION: TEACHING THE SCIENCES.
2 hrs. I, II.
Survey of materials and methods for teaching the sciences.
PR: Educational Foundations 319.

475. SECONDARY EDUCATION. 2-4 hrs. I, II, S.
Philosophy of teaching in the secondary school, curriculum planning, philosophy of education, guidance, audiovisual information, and teaching of reading.
PR: Educational Foundations 319.
CR: Curriculum and Instruction 450.

476. SECONDARY EDUCATION: TEACHING SPEECH.
2 hrs. I, II.
Survey of materials and methods for teaching speech.
PR: Educational Foundations 319.
482-483-484-485. SPECIAL TOPICS. 1-4; 1-4; 1-4; 1-4 hrs. I, II, S.

496. SPECIAL EDUCATION: STUDENT TEACHING WITH PUPILS WITH CRIPPLING CONDITIONS. 3 hrs. I, II, S.
Teaching under supervision in cooperating public schools.
PR: Special Education 444 or consent of department chairman.

Educational Foundations (EDF)

Dr. Harold Willey, Chairman

TEACHERS COLLEGE

Professors Arhelger, Irvin, Willey
Associate Professors Khatena, Lichtenstein, Waite, Williams
Assistant Professors Barker, Broadwater, Harless, Morgan, Smith
Instructor Plymale

218. HUMAN DEVELOPMENT. 3 hrs. I, II, S.
A basic course in the study of children’s emotional, social, mental, and physical development. Field experience required.
PR: Sophomore standing.

319. HUMAN DEVELOPMENT (TEACHING AND LEARNING).
3 hrs. I, II, S.
A study of the psychological principles which are the foundation for learning and teaching. Field experience in a school setting is required.
PR: Educational Foundations 218 and junior standing (58 semester hours).

406. FOUNDATIONS OF EDUCATION. 3 hrs. I, II, S.
A survey of the historical, philosophical and sociological foundations of American education with emphasis upon current educational problems and issues.
PR: Junior standing (58 semester hours).

415. HISTORY OF MODERN EDUCATION. 3 hrs. I, II, S.
Our debt to the ancient Hebrews, Greeks, and Romans. Emphasis also is placed upon the movements since the beginning of the Renaissance.

417. STATISTICAL METHODS. 3 hrs. I, II, S.
Descriptive statistics, a foundation course in methods and analysis for students in education and social sciences.
PR: Consent of instructor.

435. TESTS AND MEASUREMENTS. 3 hrs. I, II, S.
History, philosophy and elementary statistical methods for testing, measuring and evaluating pupil behavior are studied.
PR: Educational Foundations 319.
460. PHILOSOPHY OF EDUCATION. 3 hrs. I, II, S.
    Surveys basic philosophic schools and concepts and their
    application to educational practice.
    PR: Educational Foundations 319 or permission of instructor.

482-483-484-485. SPECIAL TOPICS. 1-4; 1-4; 1-4; 1-4 hrs. I, II, S.
    PR: Permission of department chairman.

EDUCATIONAL MEDIA
(EDM)

Professor Walter C. Felty, Chairman

TEACHERS COLLEGE

Associate Professors Felty, Theis
Assistant Professor Terry
Instructors Crowe, Mathews

301. THE TEACHER AND LIBRARY SERVICE. 3 hrs. I, II.
    A study of the resources of the library and how to use them
    effectively with emphasis upon the study of books and magazines for
    young people.

310. THE ORGANIZATION AND ADMINISTRATION OF SCHOOL
    LIBRARIES. 3 hrs. I, S.
    Principles of administration for elementary and secondary school
    materials centers, including schedules, routines, library housing,
    publicity, student assistants, equipment, handling of audiovisual aids;
    weeding; repair and binding of books; professional organizations and
    literature, with definite instruction on teaching the use of books and
    libraries.

315. REFERENCE AND BIBLIOGRAPHY. 3 hrs. II, S.
    Study of the basic reference sources for elementary and secondary
    school libraries with practice in evaluation and use of these materials;
    practical experience in the construction of bibliographies.

320. CATALOGING AND CLASSIFICATION. 3 hrs. I, S.
    Fundamentals of cataloging and classification by the Dewey
    Decimal System, including use of related aids, printed cards and special
    adaptations of the school library catalog, combined with practical
    experience in processing the various types of books and materials.
    Includes some attention to non-print materials.
    PR: Skill in typing.

401. HISTORY OF BOOKS AND LIBRARIES. 3 hrs. S.
    Overview of library development from classical world to the present
    as well as a survey of the development of books, printing and writing.

404. BOOK SELECTION FOR CHILDREN. 3 hrs. I, S.
    Survey of the development of children's literature and emphasis on
    modern books; evaluation of the aids and standards for selection of
    books and materials in this area; techniques of determination of reading
levels and study of reading skills; study and comparison of the work of illustrators of children's books and various editors of individual titles; techniques of story-telling.

405. BOOK SELECTION FOR ADOLESCENTS. 3 hrs. II, S.
Survey of books and other materials adapted to the needs of adolescents and young adults correlated with the school program in all subject areas; critical evaluation of standard, classic and current books with aids and criteria for selection; techniques of reading guidance, including determination of reading levels and study of reading skills; book talks, book reviews and book notes.

410. FOUNDATIONS OF MASS COMMUNICATIONS. 3 hrs. II, S.
Survey of social and psychological causes and effects of reading and mass communications (newspapers, magazines, radio, motion pictures, television) with reference to their importance to the school librarian, educational media directors and other communication professionals.

450. LIBRARY PRACTICE (Field Work). 3 hrs. I, II, S.
Practical experience in the application of techniques of library service, adapted as far as possible to the student's needs.
PR: Fifteen hours of library science.
CR: Curriculum and Instruction 450, except for students in a Comprehensive Subject Specialization or the Elementary Education program.

NOTE: Students must file an application for permission to enroll in Library Practice. Applicants follow the same procedure as prescribed for Student Teaching.

465. UTILIZATION OF EDUCATIONAL MEDIA. 3 hrs. I, II, S.
Utilization of educational media materials, equipment and techniques.

466. PRODUCTION OF AUDIOVISUAL AIDS. 3 hrs. I, S.
Basic techniques in making slides, photographs, dry and wet mountings, transparencies, posters and similar graphic instructional materials.

482. SPECIAL TOPICS. 1-4 hrs.

Home Economics Education
Listed under Home Economics

Mathematics Education
Listed under Curriculum and Instruction

Music Education
Listed under Music
Safety Education
Listed under Health, Physical and Safety Education

Science Education
Listed under Curriculum and Instruction

Special Education
Listed under Curriculum and Instruction

Vocational-Technical Education (VTE)

Dr. Charles I. Jones, Chairman

Professor Jones
Assistant Professors Allen, Culnon, Olson

400. PHILOSOPHY OF VOCATIONAL EDUCATION. 3 hrs.
An overview of the historical origins of vocational education and their relationship to major educational philosophies; study of the philosophical foundations of each area of vocational education; analysis of questions fundamental to an overall philosophy of vocational education.

410. DEVELOPING INSTRUCTIONAL MATERIALS FOR OCCUPATIONAL COURSES. 3 hrs.
Study of procedures for analyzing an occupation to identify essential knowledge and skills; use of the analysis to develop behavioral objectives and an instructional plan for a specific occupation, with emphasis on innovative and multi-media approaches to facilitate student achievement of the stated objectives to a specified level.

479. PRACTICUM IN OCCUPATIONAL EDUCATION PROGRAMS.
1-4 hrs.
Individually designed to provide field experience under supervision of the faculty; such experience to be related to the student’s projected role in vocational education (instruction, administration, program planning, research).

482-483-484-485. SPECIAL TOPICS. 1-3; 1-3; 1-3; 1-3 hrs.
Concentrated study of a special topic in vocational or technical education, to be selected cooperatively by student and faculty adviser; hours of credit to be determined by magnitude of the project and number of hours commitment the student makes to its completion.
COURSES OF INSTRUCTION

ENGINEERING

Professor Samuel T. Stinson, Chairman

COLLEGE OF APPLIED SCIENCE

Professor Stinson
Assistant Professors Adkins, Chen, Eaton, Mendenhall, Morgan, Olson, Smith

Civil Engineering

(CE)

200. SURVEYING. 5 hrs. S (First Term)
Field work with transit, tape and stadia. Field astronomy, triangulation, office computations and plotting.
PR: Mathematics 131 and General Engineering 101.

300. ROUTE SURVEYING. 3 hrs. II.
Simple compound, spiral and vertical curves, and earth work. 1 lec.-2 lab.
PR: Civil Engineering 200 and General Engineering 203.

301. THEORY OF STRUCTURES I. 3 hrs. I.
Analysis of statically determinate structures. 3 lec.
PR: General Engineering 203.
PR or CR: Engineering Machines 300.

302. THEORY OF STRUCTURES II. 3 hrs. II.
Continuation of Civil Engineering 301. Analysis of statically indeterminate structures. 3 lec.
PR: Civil Engineering 301.
PR or CR: Mathematics 335.

303. SOIL MECHANICS. 3 hrs. II.
Mechanics and properties of soils. 2 lec.-3 lab.

400. TRANSPORTATION ENGINEERING. 3 hrs. I,
Location, design, construction, and maintenance of highways, streets, railroads, and airports: planning and economic considerations. 3 lec.

401. REINFORCED CONCRETE DESIGN. 3 hrs. I.
Design of structures and structural members of reinforced and prestressed concrete. 2 lec.-3 lab.
PR: Civil Engineering 302 and Engineering Mechanics 302

402. STRUCTURAL DESIGN. 3 hrs. II.
Design of structures and structural elements of steel and timber. 2 lec.-3 lab.
403. ENGINEERING HYDROLOGY. 2 hrs. I.
   Rainfall stream flow and groundwater; control and utilization of
   water resources. 2 lec.

404. HYDRAULIC ENGINEERING. 3 hrs. II.
   Analysis and design of hydraulic components of engineering
   projects and structures for water control. 3 lec.
   PR: Civil Engineering 403.

405. SANITARY ENGINEERING I. 3 hrs. I.
   Water treatment and supply. 3 lec.
   PR or CR: Civil Engineering 403.

406. SANITARY ENGINEERING II. 3 hrs. II.
   Sewage and sewage treatment. 3 lec.
   PR: Civil Engineering 403 and 405.
   PR or CR: Civil Engineering 404.

420. PROTECTIVE CONSTRUCTION. 3 hrs. I.
   Fallout shelter analysis and design, structural dynamics, and blast
   resistant design, 3 lec.
   PR or CR: Civil Engineering 401.

Electrical Engineering
(EE)

300. BASIC ELECTRICAL ENGINEERING. 3 hrs. I.
   For students in curriculums other than electrical engineering.
   Fundamentals of electric and magnetic circuits. 3 lec.
   PR: General Engineering 103 and Physics 213 and 214.
   PR or CR: Mathematics 231.

301. CIRCUITS I. 3 hrs. I.
   Analysis of electric circuits of intermediate complexity;
   determination of the complete response to first or second order
   systems. 3 lec.
   PR or CR: Mathematics 231.

302. CIRCUITS II. 3 hrs. II.
   Continuation of Electrical Engineering 301, including solution of
   networks by location of poles and zeros in the complex frequency
   plane. 3 lec.
   PR: Electrical Engineering 301, General Engineering 203.
   PR or CR: Mathematics 335.

304. ELECTRICAL MEASUREMENTS LABORATORY I. 1 hr. II.
   Electrical measurements and applications of circuit theory. 3 lab.
   PR or CR: Electrical Engineering 302.
401. CIRCUITS III. 3 hrs. I.
   Continuation of Electrical Engineering 304, including resonance,
   polyphase systems, and Fourier analysis. 3 lec.
   PR: Electrical Engineering 302.

402. ELECTRONIC CIRCUITS. 3 hrs. II.
   PR: Electrical Engineering 302.
   PR or CR: Electrical Engineering 304.

403. ELECTRICAL MEASUREMENT LABORATORY II. 1 hr. I.
   Continuation of Electrical Engineering 304, 3 lab.
   PR: Electrical Engineering 304.
   PR or CR: Electrical Engineering 401.

404. ELECTRONICS LABORATORY. 2 hrs. II.
   Design, construction, and testing of electronic devices and circuits.
   6 lab.
   PR: Electrical Engineering 304.
   PR or CR: Electrical Engineering 402.

Engineering Mechanics
   (EM)

200. STATICS. 3 hrs. I, II.
   Particle and rigid body mechanics for static force systems. 4 lec.
   PR: General Engineering 103.
   PR or CR: Mathematics 230 and Physics 211.

201. DYNAMICS. 3 hrs. I, II.
   Laws of motion, work and energy, impulse and momentum, relative
   motion. 3 lec.
   PR or CR: Mathematics 231.

202. MECHANICS OF MATERIALS I. 3 hrs. I, II.
   Strength of materials; shear and moment diagrams; stress in shafts,
   beams, and columns; combined stress, deflection. 3 lec.
   PR or CR: Mathematics 231.

300. MECHANICS OF MATERIALS II. 3 hrs. I, II.
   Continuation of Engineering Mechanics 202. 3 lec.

301. FLUID MECHANICS. 4 hrs. I, II.
   Principles of hydrostatics and hydrodynamics. 3 lec.-3 lab.
   PR: Engineering Mechanics 201, General Engineering 203, and
   Mathematics 231.

302. ENGINEERING MATERIALS SCIENCE. 3 hrs. I, II.
   Properties of engineering materials and materials testing. 2 lec.-3
   lab.
General Engineering
(GE)

100. ENGINEERING ORIENTATION. Credit. I.
    Required of all engineering freshmen. 1 lec.

101. ENGINEERING GRAPHICS I. 2 hrs. I, II.
    Orthographic projection, lettering, technical sketching. 6 lab.
    PR: Entrance mathematics requirements.

102. ENGINEERING GRAPHICS II. 2 hrs. I, II.
    Descriptive geometry, graphs, graphical analysis. 6 lab.
    PR: General Engineering 101.

103. ENGINEERING PROBLEMS. 1 hr. I, II.
    Engineering computation. 3 lab.
    CR: Mathematics 131.

203. COMPUTATIONAL METHODS. 3 hrs. I, II, S.
    Desk calculators, analog and digital computers, programming, and
    introduction to statistical analysis. 211 lec.-3 lab.
    PR or CR: Mathematics 131.

300. ENGINEERING ECONOMY. 3 hrs. II.
    Investment mathematics, depreciation, economic selection of
    machines, structures, and processes. 3 lec.
    PR: Junior standing and consent of instructor.

301. ENGINEERING SEMINAR I. Credit. I
    Presentation of reports and technical papers. 1 lec.

302. ENGINEERING SEMINAR II. Credit. II.
    Continuation of General Engineering 301. 1 lec.

400. ENGINEERING REPORT WRITING. 2 hrs. I.
    Technical reports, business letters. 2 lec.
    PR: Senior standing and consent of instructor.

401. ENGINEERING SOCIETY I. Credit. I.
    Industrial safety. Presentation of reports and technical papers. 1 lec.
    PR: Senior standing.

402. ENGINEERING SOCIETY II. Credit II.
    History of the engineering profession. Presentation of reports and
    technical papers. 1 lec.
    PR: Senior standing.

403. ENGINEERING PRACTICE. 2 hrs. II.
    Engineering law, contracts, specifications, ethics, and current
    professional problems. 2 lec.
    PR: Senior standing.
480-481. DIRECTED RESEARCH. 1-4; 1-4 hrs. I, II.
Original investigations of special topics.
PR: Senior standing.

Mechanical Engineering
(ME)

301. MACHINE DESIGN I. 3 hrs. I.
Design of machine elements. 3 lec.
PR or CR: Engineering Mechanics 300.

302. MACHINE DESIGN II. 3 hrs. II.
Continuation of Mechanical Engineering 301 including design of a complete machine. 1 lec.-6 lab.
PR: General Engineering 203, Mechanical Engineering 301.
PR or CR: Mathematics 335, Engineering Mechanics 301.

303. THERMODYNAMICS I. 3 hrs. I.
Basic laws of thermodynamics and their application. 3 lec.

304. THERMODYNAMICS II. 3 hrs. II.
Continuation of Mechanical Engineering 303, 3 lec.
PR: Mechanical Engineering 303.
PR or CR: Engineering Mechanics 301.

306. MECHANICAL ENGINEERING LABORATORY. 2 hrs. II.
Mechanical engineering measurements laboratory. 6 lab.
PR or CR: Mechanical Engineering 304.

401. HEAT AND MASS TRANSFER. 3 hrs. I.
Basic principles of heat transmission and mass transfers. 3 lec.

410. MECHANICAL VIBRATIONS. 3 hrs. I.
Vibrations of rotating and reciprocating machines. 3 lec.

420. CREATIVE DESIGN. 3 hrs. II.
Design of engineering systems and projects. 1 lec.-6 lab.
ENGLISH
(ENG)

Dr. Jack R. Brown, chairman

COLLEGE OF ARTS AND SCIENCES
(Division of Humanities)

Professors Brown, Mitchell, Sullivan, Tyson, Williams
Associate Professors Fei, Gerke, Glasgow, Phillips, Pittman, Putz, Stooke, Thorn
Assistant Professors Adkins, Bailey, Chapman, Click, Keenan, Marsteller, McKernan, Milam, Plybon, Ramsey, Sawaniewski, Stickman, Teel, Ten Harmsel, Valentine, Virgallito, Wells, Wooden
Instructors Ardinger, Beasley, Deutsch, Lenning, McClellan, Nordeen, Nunley, Taylor, Waldron, Webster

Advanced placement in English is granted on the basis of College Entrance Examination Board (CEEB) Advanced Placement Test scores (see p. 46). Students who score five or four in English are given credit for English 101 and 102. Students who score three are referred to the chairman of the Department of English for a decision: credit may be given for English 101 or for both 101 and 102.

100. PREPARATORY ENGLISH. 3 hrs. I, II, S.
   Remedial work in English, with emphasis on skills of writing and reading.
   Entrance scores in English determine whether the student enrolls in English 100 or 101. The graduation requirement is increased three hours for students assigned to English 100.

101-102. ENGLISH COMPOSITION. 3; 3 hrs. I, II, S.
   Fundamentals of English usage, with practice in theme writing based on library research, dictionary study, and selected readings.
   PR for 101: Satisfactory entrance scores in English, or English 100.
   PR for 102: English 101.

201H. ENGLISH COMPOSITION HONORS. 3 hrs. II.
   An accelerated course for specially selected freshmen. Completion of 201H satisfies the university requirement in freshman composition. Students completing 201H substitute an additional English course at the 300-400 level to complete graduation requirements.

210. BIOGRAPHY. 3 hrs. I, II, S.
   British, American, and world literature as seen through selected major biographies. The study of biography as a literary type.
   English 102 or 201H.

218. TYPES OF POETRY. 3 hrs. I, II, S.
   Selected works from early examples to the present.
   PR: English 102 or 201H.
260. CREATIVE WRITING. 3 hrs. I, II, S.
   An introduction to the writing of fiction and poetry. Open only on permission of the instructor.
   PR: English 102 or 201H.

300. ENGLISH LITERATURE. 3 hrs. I, II, S.
   Study of the works of major authors from the beginnings to the present, including Chaucer, Shakespeare, Milton, Pope, Wordsworth, Coleridge, Keats, and Eliot.
   PR: English 102 or 201H. Not to be scheduled with English 301.

301. AMERICAN LITERATURE. 3 hrs. I, II, S.
   Study of the works of major authors from the beginning to the present, including Hawthorne, Poe, Emerson, Thoreau, Whitman, Twain, O'Neill, Faulkner, and Frost.
   PR: English 102 or 201H. Not to be scheduled concurrently with English 300 except with special permission of the chairman of the department.

307. MODERN DRAMA. 3 hrs.
   British and American plays since 1870, with their backgrounds in foreign literatures.
   PR: English 102 or 201H.

312. STUDY OF POETRY. 3 hrs.
   Theory and prosody, and principal types, forms, and themes.
   PR: 6 hours beyond English 102 or 201H.

325. SHAKESPEARE. 3 hrs. I, II, S.
   The major comedies, tragedies, and histories.
   PR: 6 hours beyond English 102 or 201H.

329. TWENTIETH CENTURY NOVEL. 3 hrs.
   Criticism and analysis of principal British and American novels since 1900.
   PR: English 102 or 201H.

331. THE SHORT STORY. 3 hrs.
   Criticism and analysis of representative short stories, British and American.
   PR: English 102 or 201H.

340. BLACK LITERATURE. 3 hrs.
   Major types and writers, chiefly American.
   PR: English 102 or 201H.

377. CREATIVE COMPOSITION: POETRY. 3 hrs. I, II.
   Practice in writing the literary forms.
   PR: 6 hours beyond English 102 or 201H.

405. STUDY OF THE ENGLISH LANGUAGE. 3 hrs. I, II, S.
   Growth, structure, and present usage of the English language.
   PR: 6 hours beyond English 102 or 201H.
408. ADVANCED EXPOSITORY WRITING. 3 hrs. II.
Reports, theses, briefs, abstracts and other expository types.
Adapted to the needs of the individual student.
PR: 6 hours beyond English 102 or 201H.

409. MILTON. 3 hrs.
Biographical and critical study, including Milton’s English poetry and prose.
PR: 6 hours beyond English 102 or 201H.

411. CHAUCER. 3 hrs.
Background and influences, with biographical and critical study.
PR: 6 hours beyond English 102 or 201H.

413. ENGLISH NOVEL TO 1800. 3 hrs.
Defoe, Richardson, Fielding, Smollett, and Sterne, with supporting study of their most important predecessors and contemporaries.
PR: 6 hours beyond English 102 or 201H.

415. VICTORIAN POETRY. 3 hrs.
PR: 6 hours beyond English 102 or 201H.

417. ENGLISH DRAMA TO 1642. 3 hrs.
Non-Shakespearean English drama from its beginning to the closing of the theatres.
PR: 6 hours beyond English 102 or 201H.

420. SENIOR SEMINAR IN LITERATURE. 3 hrs. I, II, S.
Advanced study of forms and movements. Individual research required. Limited to English majors with senior class standing.
PR: 6 hours beyond English 102 or 201H.

433. CONTEMPORARY ENGLISH POETRY. 3 hrs.
Principal poetry since the Victorian period.
PR: 6 hours beyond English 102 or 201H.

434. CONTEMPORARY AMERICAN POETRY. 3 hrs.
Principal poetry since 1900.
PR: 6 hours beyond English 102 or 201H.

436. EARLY AND MEDIEVAL LITERATURE. 3 hrs.
Non-dramatic English literature exclusive of Chaucer including old English prose and poetry, early ballads and lyrics, metrical and prose romances, and the works of Langland and Malory.
PR: 6 hours beyond English 102 or 201H.

437. ENGLISH NON-DRAMATIC LITERATURE OF THE SIXTEENTH CENTURY. 3 hrs.
Non-dramatic prose and poetry of the period.
PR: 6 hours beyond English 102 or 201H.

476. MODERN GRAMMAR. 3 hrs.
A descriptive analysis of the structure of present day American English, utilizing the basic theory of generative transformational grammar.
PR: English 475.

480-481-482-482. SPECIAL TOPICS. 1-4; 1-4; 1-4; 1-4 hrs.

495H-496H. READINGS FOR HONORS IN ENGLISH. 2-4; 2-4 hrs. I, II.
Not less than six hours total credit.
Open only to English majors of outstanding ability. Both courses must be taken in order to receive credit. Possible study areas include world literature, modern literature, works of individual authors, etc.
See Honors Courses, page 259.

FINANCE
(FIN)

Dr. N. Paul Bromley, Chairman

SCHOOL OF BUSINESS

Associate Professors Cole, Cyrus
Assistant Professors Bromley, Helwig, Wiswell
Instructors Payne, Stone

307. PRINCIPLES OF BUSINESS LAW. 3 hrs. I, II.
Survey of common law and recent legislation relative to contracts, agency, employment, sales, bailments, common carriers, personal and real property, insurance, negotiable and other credit instruments, partnerships, corporations, and bankruptcy.

308. ADVANCED BUSINESS LAW. 3 hrs. I, II.
PR: Finance 307.

323. PRINCIPLES OF BUSINESS FINANCE. 3 hrs. I, II, S.
Principles, instruments, and procedures involved in the procurement and maintenance of financial capital.
PR: Economics 242, Accounting 216.

324. ADVANCED FINANCIAL ANALYSIS AND PLANNING.
3 hrs. I, II, S.
A study of the kinds of financial analysis generally accepted within the broad meaning of analysis with emphasis on fundamental analysis.
PR: Finance 323.

327. LIFE AND HEALTH INSURANCE. 3 hrs. I, S.
Legal facets of life and health insurance; the insurance contract; programming; mathematics of life and health insurance; business uses of life insurance.
329. PROPERTY AND LIABILITY INSURANCE. 3 hrs. I, II.
   Principles and legal facets of fire and marine; business and personal liability; allied lines; and automobile insurance, with emphasis on the fire and liability insurance contracts.

335. SOCIAL INSURANCE. 3 hrs. II.
   Coverage and limitations of social insurance; social security workman’s compensation; unemployment insurance; medicare, medicaid; programming with private insurance.

430. PRINCIPLES OF REAL ESTATE. 3 hrs. I.
   A broad study of the principles of real estate investment including a real estate valuation procedures, real estate development and urban economics. The course is designed to be general and somewhat legalistic and is not intended to train but rather to educate students interested in one or more of the broad areas of urban economics.

434. PRINCIPLES OF INVESTMENT. 3 hrs. I, II, S.
   A study of the risks and returns of investment media in relation to the primary investment objectives of the investors.
   PR: Finance 323.

435. MONEY MARKETS AND CAPITAL FORMATION. 3 hrs. II.
   An in depth study of federal monetary theory and practices, as well as federal fiscal policies. More emphasis will be placed on the activities of financial institutions than on single businesses or on individual investors. Included in the capital market area is the study in some depth of the operations of registered securities exchanges, the over-the-counter market, and the third market.
   PR: Finance 323.

495H-496H. READINGS FOR HONORS IN FINANCE. 2-4 hrs.
   Open only to students of outstanding ability. Both must be taken to receive credit. See Honors Students.

GEOGRAPHY
(GEO)

Dr. Sam E. Clagg, Chairman

TEACHERS COLLEGE

Professor Clagg
Assistant Professors Adkins, Gillenwater
Instructor Booth

203. GENERAL ECONOMIC GEOGRAPHY. 3 hrs. I, II, S.
   World geography with units built around specific products of agriculture, manufacturing, and mining, as related to human numbers, soil, climate, geology, and other factors of natural environment.
206. GEOGRAPHY OF WEST VIRGINIA. 2 hrs.
   Transportation, population, mining, industry, and agriculture as related to climate, soils, land forms, and other natural environmental items.

302. ECONOMIC GEOGRAPHY OF EUROPE. 3 hrs.
   Relationship between man's activities and natural environment studied by countries, with attention given to inter-relation of countries.

305. ECONOMIC GEOGRAPHY OF NORTH AMERICA. 3 hrs. I,II,S.
   Natural regional divisions emphasizing major economic activities and environmental factors with chief emphasis given to the United States.

309. ECONOMIC GEOGRAPHY OF LATIN AMERICA. 3 hrs.
   Relationship between man's activities and natural relationship studied in each country.

315. ECONOMIC GEOGRAPHY OF AFRICA AND AUSTRALIA. 3 hrs.
   Low latitude and lower middle latitude regions given relationship approach with national and sectional problems stressed with chief emphasis given to Africa.

317. WORLD GEOGRAPHY PROBLEMS. 3 hrs. I, II,S.
   Agriculture, industry, mining and transportation studied on global basis. Physical geography introduced and regional climatic approach clarified.

318. GEOGRAPHY FOR TEACHERS. 3 hrs. I, II.
   A study of elements of geography most essential for effective teaching of geographic content in elementary education and the social studies.

320. CONSERVATION OF NATURAL RESOURCES. 3 hrs. I, II.
   A study of the critical resources approached from the historic, geographical, and ecological viewpoints.

401. HISTORICAL GEOGRAPHY OF THE UNITED STATES. 3 hrs.
   Study of coastal settlements, the population spread through Appalachia and the Mississippi Basin and the development of intermountain and Pacific Coast centers.

403. ECONOMIC GEOGRAPHY OF ASIA. 3 hrs.
   Special attention given activities and environment in representative continental countries and nearby islands.

405. WORLD POLITICAL GEOGRAPHY. 3 hrs.
   A systematic and regional survey of world political problems and international relations stressing studies of the United States, Europe, and the Soviet Union.
408. GEOGRAPHY OF MEXICO. 3 hrs.
Regional study of relation of man’s activities to natural environment.

409. GEOGRAPHY OF CANADA. 3 hrs.
Regional study of relation of man’s activities to natural environment.

410. URBAN GEOGRAPHY. 3 hrs.
Study of city function, patterns, past and current problems confronting the city including planning, zoning, housing, and urban renewal.

412. GEOGRAPHY OF SOVIET LANDS. 3 hrs.
Russian agriculture, mining, grazing, industry, and transportation examined in environmental terms.

413. GEOGRAPHY OF THE BRITISH ISLES. 3 hrs.
Climate, minerals, and land forms explaining major economic activities of the islands.

420. FIELD GEOGRAPHY OF WEST VIRGINIA. 3 hrs.
Type areas in lumbering, mining, agriculture, and industry studied through field methods.

425. CLIMATOLOGY. 3 hrs.
A study of elements of weather and climate, methods of climatic classification, and distribution and characteristics of world climatic regions.

429. MAP INTELLIGENCE AND PROJECTIONS. 3 hrs.
Principles and practice in construction of map grid, relation of map to compass, use of drafting equipment, and understanding of earth features as shown on maps.

430. APPLIED CARTOGRAPHY. 3 hrs.
Map making with regard to projection selection, source materials, compilation, restitution, and air photo interpretation.

495H-496H. READING FOR HONORS IN GEOGRAPHY. 4; 4 hrs. 1,11.
See Honors Courses page 259.

GEOLOGY
(GLY)

Dr. Wiley Rogers, Chairman

COLLEGE OF ARTS AND SCIENCES
(Division of Science)

Professor Rogers
Assistant Professors Bailey, Bonnett
Instructor Sanderson

200. PHYSICAL GEOLOGY. 3 hrs. 1, II,S.
Elementary physical geology; origin and nature of the earth,
geological processes, weathering and erosion, volcanoes, earthquakes, mountain building, common rocks and minerals. Either Geology 210L, 211L, 212L optional. Field trips. 3 lec.

201. HISTORICAL GEOLOGY. 3 hrs. I, II, S.
    Chronological history and development of the earth, sequence of the geologic ages and rock formations, development and evolution of life as revealed by fossils. Either Geology 210L, 211L, 212L optional. Field trips.
    PR: Geology 200.

210L. EARTH MATERIALS LABORATORY. 1 hr. I, II, S.
    An introduction to laboratory methods and materials as applied to the identification, classification, recovery and uses of earth resources. 2 lab.
    Recommended with Geology 200. Required of majors.

211L. EARTH DEVELOPMENT LABORATORY. 1 hr. I, II, S.
    The geologically significant representative of both animals and plants will be studied. Attention is given to elementary morphology, taxonomy, biometrics and paleocology. 2 lab.
    Recommended with Geology 201. Required of majors.
    PR: Geology 210.

212L. GEOLOGIC AND TOPOGRAPHIC MAPS. 1 hr. I, II, S.
    An introduction to geologic mapping and map interpretation, preparations of topographic and geologic cross sections. 2 lab. (Field work).
    PR: Geology 200 or 201. Required of majors.

313. STRUCTURE GEOLOGY. 4 hrs. II, Alternate years (even numbers)
    Analysis, classification and origin of depositional and deformational structures common to all classes of rocks; their structural history, relationships, and stresses which caused them. 3 lec.-2 lab.
    PR: Geology 201.

314. MINERALOGY. 4 hrs. I, Alternate years (odd numbers)
    Identification, classification, origin, occurrence and economic uses of minerals; crystallographic forms and blowpipe analysis. 2 lec.-4 lab.
    PR: Geology 200, Chemistry 212.

321. PETROLOGY. 4 hrs. II, Alternate years (odd numbers)
    Identification and classification of igneous, sedimentary and metamorphic rocks, their origin and occurrence; their geologic and economic. 2 lec.-4 lab.

325. STRATIGRAPHY AND SEDIMENTATION. 3 hrs. I, Alternate years (Odd numbers)
    Formation, organization, sequence, and correlation of sedimentary rocks; study of the origin, transportation and deposition of rock-forming sediments. 2 lec.-2 lab.
    PR: Geology 201.
400. SPECIAL TOPICS AND RESEARCH IN GEOLOGY. 1 or 2 hrs. I,II,S.
Independent field and/or laboratory research in a selected phase of
the major or minor field. Majors and minors only.
PR: 10 hrs. of Geology.

418. INVERTEBRATE PALEONTOLOGY. 3 hrs. I, Alternate years
(even numbers) and S.
Taxonomy and morphology of the major invertebrate phyla with an
introduction to biometrics as applied to paleontology. 2 lec.-2 lab.
PR: Geology 201 and 325 or Zoology 212 and Consent.

422. ECONOMIC GEOLOGY. 4 hrs. II, Alternate years (odd numbers)
Origin, distribution and economics of the metallic and non-metallic
ore deposits. 3 lec.-2 lab.
PR: Geology 201, 314, or Consent.

423. SEDIMENTARY PETROGRAPHY. 3 hrs. II, Alternate years
(even numbers)
Megascopic and microscopic identification and a depositional and
postdepositional interpretation of the sedimentary rocks. 2 lec.-2 lab.
PR: Geology 201 and 314.

425. GEOCHEMISTRY. 4 hrs. I, Alternate years (even numbers)
Introduction to the principles of geochemistry. The application of
elementary chemistry to geologic problems. 3 lec.-2 lab.
PR: Geology 200, Chemistry 101-102 or permission

426. GEOPHYSICS. 3 hrs. I, Alternate years (odd numbers).
Development of seismic, gravity, magnetism, electrical and thermal
methods to study the structure and dynamics of the earth.
PR: Geology 201, Physics 203, Mathematics 131.

451. PRINCIPLES OF GEOMORPHOLOGY. 3-4 hrs. I, Alternate years and
S (even numbers)
Principles of identification and analysis of the world’s surficial
features in terms of stratigraphy, structure, processes, tectonics and
time. 3 lec.-2 lab. Optional laboratory.
PR: Geology 200, Geology 210 or consent.

452. REGIONAL GEOMORPHOLOGY. 3 hrs. II, Alternate years
(odd numbers)
Description and classification of North American surface
morphology and its relationship to bedrock; climate, processes and
history. 3 lec.
PR: Geology 451 or consent.

453-454. SEMINAR. 1 hr. I, II.
A graduation requirement for all seniors seeking the B.S. in Geology
and recommended for seniors seeking the A.B. in Geology.
PR: Permission of chairman.
105. ENGLISH HISTORY TO 1600. 3 hrs. I.

106. ENGLISH HISTORY SINCE 1600. 3 hrs. II.
   A continuation of English 105. Special attention is given to the development of ministerial government and to the growth and decline of the British Empire.

   A survey of the ancient Near East, Greece, and Rome with emphasis on Greek and Roman civilization from Mycenaean times through the Roman Empire of the fifth century. Open to all undergraduates.

220. EUROPEAN HISTORY, 400-1500 A.D. 3 hrs. II. Alternate years.
   A survey of the history of Europe from the later Roman Empire to the end of the Middle Ages with emphasis on religious, cultural, social, political and economic developments. Open to all undergraduates.

301. LATIN AMERICA: DISCOVERY TO INDEPENDENCE.

302. LATIN AMERICA: INDEPENDENCE TO THE PRESENT.

308. SOCIAL AND ECONOMIC HISTORY OF THE SOUTH. 3 hrs. I.
   A survey of Southern history from the founding of Jamestown to the present.

309. SOCIAL AND ECONOMIC HISTORY OF THE WEST. 3 hrs. II.
   A study of the frontier in America with particular emphasis upon its contribution to national culture.

311. AMERICAN HISTORY, 1492-1789. 3 hrs. I, II, S.
   A survey of the English colonies in America from the discovery of America by Columbus to the ratification of the Federal Constitution in 1789.
312. AMERICAN HISTORY, 1789-1877. 3 hrs. I, II, S.
   A survey of the political, economic, social and cultural life of the United States from the formation of its government to the end of the Civil War, a description and explanation of the events, movements, principals and principles which marked the "middle period" of our country's growth.

313. AMERICAN HISTORY SINCE 1877. 3 hrs. I, II, S.
   A general survey of American history from the close of Reconstruction to the present.

314. INDIA AND SOUTHEAST ASIA: MODERN PERIOD.
   3 hrs. I. Alternate years.
   Introduction to the civilization of the area; the establishment of colonial control; liquidation of colonial rule and the readjustment required.

316. HISTORY OF BLACK AMERICA TO 1885. 3 hrs.
   A general survey of the history of the Negro in the United States, beginning with his origins in Africa and the West Indies and extending throughout his development on the North American continent to 1885.

317. HISTORY OF BLACK AMERICA SINCE 1885. 3 hrs.
   A general survey of the history of the Negro in the United States since the end of reconstruction in the South, 1885.

321. EUROPEAN HISTORY, 1492-1815. 3 hrs. I, II, S.
   A survey of European history emphasizing the Renaissance, the Reformation and the rise of the national states.

322. MODERN EUROPE SINCE 1815. 3 hrs. I, II, S.
   A survey of European History. The impact of the French Revolution and the Industrial Revolution; the significance of nationalism and imperialism is particularly noted.

375. THE FAR EAST. 3 hrs.
   A survey of the Far East emphasizing cultural, economic, and political development of China and Japan. Particular emphasis is placed on the 19th century and the impact of Western penetration of Asia.

404. AMERICAN DIPLOMACY, 1789-1900. 3 hrs.
   American foreign policy from colonial times to 1900 emphasizing the gradual development of the United States and its achievement of membership in the family of nations.

405. AMERICAN DIPLOMACY, 1900 TO PRESENT. 3 hrs.
   American foreign relations in the 20th century. The gradual retreat from isolation in the period between World War I and World War II and modern American involvement in international commitments will be stressed.
418. EUROPEAN DIPLOMACY. 3 hrs.
Particular attention is given to the period since the French
Revolution. Diplomatic history of major continental national and
diplomatic relations with non-European nations is emphasized.

421. THE ERA OF THE RENAISSANCE AND REFORMATION. 3 hrs.
The impact of the Renaissance upon esthetic, economic and
political developments especially in the 15th and 16th centuries. The
decline of Catholicism and the growth of the Protestant movement, and
the influence of the two movements upon each other are stressed.

422. THE FRENCH REVOLUTION AND THE NAPOLEONIC ERA. 3 hrs.
Society and government in Europe before the French Revolution
and the influence of the enlightenment; ideas and changes introduced
by the revolution and Napoleon and their effect on the institutions and
economy of Europe.

425. EUROPEAN HISTORY, 1814-1914. 3 hrs.
A century of European political, economic and social history and
its relationship to and influence upon the history of other world areas is
noted. The impact of imperialistic rivalry is emphasized.
PR: Junior standing.

426. EUROPEAN HISTORY, 1914 TO PRESENT. 3 hrs.
The impact of World War I upon Europe; the era between two wars;
the search for world peace, and World War II and its aftermath are
studied.
PR: Junior standing.

427. RUSSIA IN THE 19TH AND 20TH CENTURIES. 3 hrs.
Russia under the Czars, the impact of serfdom, the essential failure
of reforms, the Revolutions and the Communist era stressing the impact
of Communism upon the world. Particular emphasis is placed on
modern Russia foreign policy.
PR: Junior standing.

428. INTELLECTUAL AND CULTURAL HISTORY OF MODERN
EUROPE. 3 hrs.
A survey of the main events in European thought and culture in the
nineteenth and twentieth centuries.
PR: History 322.

432. THE UNITED STATES SINCE 1914. 3 hrs.
A thorough study of the United States since 1914.

495H-496H. READINGS FOR HONORS IN HISTORY. 4; 4 hrs. I, II.
Open to history majors of outstanding ability. Study may deal with
any field of history. Wide reading and comprehensive understanding of
the era is required.
PR: Consent of department chairman.
See Honors Courses, page 259.
COURSES OF INSTRUCTION

HOME ECONOMICS
(HEC)

Dr. Grace Bennett, Chairman

TEACHERS COLLEGE

Professor Bennett
Associate Professors Blankenship, Vickers
Assistant Professor Creighton
Instructors Childers, McGhee, Whitfield

110. FOOD SELECTION AND PREPARATION. 3 hrs. I, II.
Principles of food selection, preparation and preservation.

112. CLOTHING CONSTRUCTION. 2 hrs. II.
Basic principles of clothing construction.

203. MEAL MANAGEMENT. 3 hrs. I, II.
Problems involved in planning, preparing and serving nutritionally
adequate meals. Emphasis on management of time, money, and energy.
PR: Home Economics 110 or consent of instructor.

210. NUTRITION. 3 hrs. I, II.
Principles of human nutrition and their application in planning and
evaluating dietaries for individuals and families.

212. TEXTILES. 2 hrs. I, II.
Natural and man-made textile fibers, weaves, and finishes as related
to the selection, use, and care of clothing and household textiles.

213. ADVANCED CLOTHING CONSTRUCTION. 3 hrs. I, II.
Experiments in construction techniques, fabrics, figure and design
compatibility.
PR: Home Economics 112 or an acceptable score on clothing
construction pretest.

303. CHILD DEVELOPMENT. 3 hrs. I, II.
Care and guidance of young children two to six years old, in
relation to their physical, emotional, mental, and social development.
Observation and participation in nursery school required.

304. DIET THERAPY. 3 hrs.
Present day concepts of the relation of nutrition and diet to the
prevention and treatment of disease.
PR: Home Economics 210 and Chemistry 204.

306. HOME ECONOMICS EDUCATION: METHODS IN HOME
ECONOMICS EDUCATION. 3 hrs. I, II.
Bases for planning junior and senior high school home economics
programs; use and development of resources; technical skills of
teaching.
PR: Educational Foundations 319.
314. CLOTHING SELECTION. 3 hrs. I, II.
   Psychological, sociological, economic, and esthetic aspects of
   clothing selection.

351. HOUSING. 3 hrs. I, II.
   Influence of family needs, social and economic trends, and physical
   environment on housing; analysis of building materials and space
   utilization in housing.

354. HOME FURNISHINGS. 3 hrs. I, II.
   Application of art elements and principles of design in selection,
   arrangement and use of furnishings and interiors of homes.
   PR: Art 112 or consent of instructor.

355. PROBLEMS IN HOME FURNISHINGS. 2 hrs.
   Design and construction of curtains, draperies, and slipcovers with
   emphasis on selection for specific needs; furniture restoration and
   refinishing.
   PR: Home Economics 354 or consent of instructor.

358. PRINCIPLES OF MANAGEMENT. 2 hrs. I, II.
   Identification of management concepts with emphasis on principles
   and interrelationships within framework of the family.

401. MATERNAL AND CHILD NUTRITION. 3 hrs.
   Nutritional requirements during prenatal and early growth periods;
   surveys of nutritional status.
   PR: Home Economics 210 and Chemistry 204.

402. FOODS OF THE WORLD. 3 hrs.
   Characteristics and cultural aspects of the foods of Europe, Mid
   East and Far East.
   PR: Home Economics 203 or permission of instructor.

403. ADVANCED NUTRITION. 3 hrs.
   Metabolism of food nutrients as related to nutritional requirements
   of man. Reports of current research and other topics to add depth and
   perspective in nutrition.
   PR or CR: Chemistry 300.

405. QUANTITY FOOD SERVICE. 3 hrs. II.
   Basic principles of quantity food selection, preparation, and service.
   Laboratory application in local food institutions.
   PR: Home Economics 110 and Home Economics 203 or consent of
   instructor.

406. HOME ECONOMICS EDUCATION: METHODS IN ADULT HOME
    ECONOMICS EDUCATION. 3 hrs. I, II.
    Vocational home economics at the secondary, post secondary and
    adult levels with emphasis on types and organization of programs,
    legislation, and groups served.
    PR: Educational Foundations 319.
407. INSTITUTIONAL MANAGEMENT. 3 hrs.
   Administration of food service in institutions.

413. EXPERIMENTAL FOODS. 3 hrs. I.
   Experimental study of chemical and physical factors affecting food preparation.
   PR: Home Economics 110 and Chemistry 204.

415. FAMILY RELATIONSHIPS. 3 hrs. I, II.
   Relationships in the family during its life cycle, with some consideration of family life in other cultures.

416. PRENATAL AND INFANT CARE. 3 hrs. I, II.
   Prenatal and postnatal care of the mother, development of the fetus and care of the infant to two years of age.

419. TAILORING. 3 hrs.
   Contemporary methods of custom tailoring with emphasis on suitable fabrics and construction processes for particular styles.
   PR: Home Economics 213 or consent of instructor.

420. HOUSEHOLD EQUIPMENT. 3 hrs. I, II.
   Principles underlying the selection, use, and care of household equipment.

427. HOME MANAGEMENT LABORATORY. 3 hrs. I, II.
   Home management laboratory to develop competencies in decision making, activity analyses, use of limited resources, and work simplification through individual and group analysis.
   PR: Home Economics 358.

431. DEVELOPMENT AND GUIDANCE OF THE YOUNG CHILD. 3 hrs.
   Techniques of guidance of young children with emphasis on adult-child interaction.
   Laboratory observation required.

450. HOME ECONOMICS EDUCATION: STUDENT TEACHING IN HOME ECONOMICS. 8 hrs. I, II.
   Directed teaching in an approved off-campus vocational home economics program in a secondary school.

461. THE FAMILY AS CONSUMERS. 3 hrs. I, II.
   Analysis of economic factors related to provision of consumer goods and services; investigation of sources of consumer information; and means of providing economic security for families.

480. SPECIAL TOPICS. 1-3 hrs.
   Independent study in a selected area of home economics. May not be used to replace any listed course.

481-482-483-484-485. WORKSHOP. 2-3 hrs.
   Workshop in selected areas of home economics. Usually, credit for
not more than two workshops may be applied toward the degree.
PR: Senior standing.

INTERDISCIPLINARY STUDIES  
(IS)

201. INTRODUCTION TO COMPUTING. 3 hrs.
Organization and characteristics of computers. Basic programming languages and applications.

JOURNALISM  
(JRN)

Dr. C. A. Oliphant, Chairman

COLLEGE OF ARTS AND SCIENCES  
(Division of Social Sciences)

Professor Oliphant  
Associate Professor Jensen  
Assistant Professors Al-Gailani, Arnold  
Instructors Denbow, Hensley, Hisxon, McCordell, Turner

101. SURVEY OF JOURNALISM. 2 hrs. I, II.
An examination of important facets of mass communications, including newspaper, magazine and broadcast journalism. The course is designed to provide a critical overview of the mass media. Tours to local media are part of the course.

201. NEWS REPORTING I. 3 hrs. I, II, S.
Techniques of good news writing designed to develop the basic skills necessary for a beginning reporter through in-class laboratory experience.

202. NEWS REPORTING II. 3 hrs. I, II.
Practice in gathering and writing news for the newspaper. Emphasis is placed upon beat assignment reporting, interviewing, techniques, and some specialized reporting. A laboratory class which writes for The Parthenon, university student newspaper.
PR: Journalism 201.

300. HISTORY OF AMERICAN JOURNALISM. 3 hrs. I, II.
The development of the press in the United States and the contributions of American journalists. The periods and changes in ethics and practices in American journalism.

301. COPY EDITING I. 3 hrs. I, II, S.
Theory and experience in writing headlines, editing copy, and make up. Laboratory work with the Associated Press teletype copy and student newspaper.
PR: Journalism 201, 202.
302. COPY EDITING II. 3 hrs. I, II, S.
Advanced course in newspaper copy editing and headline writing. Skills learned in Journalism 301 are put into practice with emphasis on learning more intricate mechanics of headline writing and newspaper makeup.
PR: Copy Editing 301.

304. EDITORIAL WRITING I. 2 hrs. I, S.
Planning the editorial page; considerations of structure, style and policy in writing editorials. Practice in writing editorials.

305. EDITORIAL WRITING II. 2 hrs. II, S.
Further considerations of the elements of editorials with theory and practice in broadcasting, magazines and newspapers.

308-309. FEATURE WRITING. 2-2 hrs. I, II, S.
Experience in recognizing, developing and writing news features for student and local newspapers, and other publications, with and without specific assignments. Exercises in fundamental and advanced techniques.

330. FUNDAMENTALS OF PUBLIC RELATIONS. 3 hrs. I, II.
Current ways of disseminating public information as practiced by business, educational, industrial, governmental and social organizations.

335. COMPANY PUBLICATIONS. 3 hrs. I, II.
A study of company publications, trade journals and other specialized periodicals. The duties and work of the industrial editor in preparing internal, external and multi-purpose publications.

350. RADIO NEWS. 3 hrs. I, II.
Practice in compiling, writing and editing news for broadcasting. A laboratory class which makes use of the facilities of WMUL Radio. Students will receive on-air experience as available. Students must discuss course with instructor before enrolling.

351. TELEVISION NEWS. 3 hrs. I, II.
Examination of skills required by the TV journalist: writing, filming, editing and broadcasting. Laboratory phase includes film and broadcast news production. Students must discuss course with instructor before enrolling.

360. NEWS PHOTOGRAPHY I. 3 hrs. I, II, S.
Methods of taking pictures for newspapers and picture editing. Laboratory work in developing and printing required. Enrollment limited to 20 students, with journalism and advertising majors assured of enrollment priority. Students must discuss course with instructor before enrolling.

381. PUBLICATIONS ADVERTISING. 3 hrs. I, II, S.
Organization of newspaper and magazine advertising departments and their relationships to advertising agencies and media.
representatives. An examination of the practices and problems of the three areas.
PR: Marketing 341.

382. ADVERTISING COPY AND LAYOUT. 3 hrs. I, II.
Practice in obtaining material, writing copy and planning layout of advertisements in publications.
PR: Art 216, Marketing 341, Journalism 381.

400. NEWS PHOTOGRAPHY II. 3 hrs.
A course in advanced techniques for newspaper and magazine photography, concentrating on creation, design and use of photo essays and picture stories.
PR: Journalism 360.

402. COMMUNICATIONS LAW. 3 hrs. II, S.
Law governing communications. Considerations of libel, copyright, regulatory agencies, state and federal laws applicable to communications, and current related issues.

405. ETHICS. 2 hrs. I, II, S.
Contemporary issues involving social responsibilities of the mass media. Appraisal of performance of the communications media in society.

406. JOURNALISM INTERNSHIP. 3 hrs. I, II, S.
Supervised reportorial work on Huntington and other daily newspapers, and other areas of mass communications. Conferences for guidance and evaluation at least twice a week.

412. PROBLEMS IN MASS COMMUNICATIONS. 1-3 hrs. I, II.
A course designed to encourage independent investigation of a particular area of mass communications theory. Students must have instructor’s approval of their proposed study prior to enrolling in the course.
PR: Senior standing or permission.

427. JOURNALISTIC ENGLISH. 3 hrs. I, II, S.
Study of the language of mass communications in contemporary society. Designed primarily for Teachers College English majors, but open to students of all colleges.

428. HIGH SCHOOL PUBLICATIONS. 3 hrs. I, II, S.
A study of high school newspapers, including practical experiences in writing for school publications. Designed primarily for Teachers College English majors but open to students of all colleges.

430. MAGAZINE ARTICLE WRITING. 3 hrs. I.
Fundamentals of researching and writing the popular, factual magazine article; techniques of selling articles to magazines.

431. MAGAZINE ARTICLE WRITING II. 3 hrs. II.
Advanced magazine writing. Students will be expected to sell class-produced articles as part of the course requirements. PR: Journalism 430.

495H-496H. READING FOR HONORS IN JOURNALISM. 4,4 hrs. I, II.
For journalism majors of outstanding ability. Both courses must be taken to receive credit.
See Honors Courses, page 259.

MANAGEMENT
(MGT)

Dr. Thomas S. Bishop, Chairman

SCHOOL OF BUSINESS

Associate Professors Alexander, Bishop, Dennis
Instructors Eagan, Elbert, Herden

318. BUSINESS STATISTICS. 3 hrs. I, II, S.
Survey of methods of analysis and presentation of business and economic data; sampling, measures of central tendency and dispersion; index numbers; time series.
PR: Completion of math requirement

320. PRINCIPLES OF MANAGEMENT. 3 hrs. I, II, S.
Basic principles of management, planning, organizing, motivating, deciding, coordinating, directing, and controlling.

420. PRODUCTION MANAGEMENT. 3 hrs. I, II, S.
Managerial organization for production; plant design and layout; problems of procurement; control of plant; investment, working capital, and labor costs. Production operations, including scheduling and routing.
PR: Management 320.

422. HUMAN BEHAVIOR IN ORGANIZATIONS. 3 hrs. I, II, S.
Problems, methods and finding of the behavioral sciences, especially as these relate to an industrial society and to behavior within business organizations.

424. INDUSTRIAL RELATIONS. 3 hrs. I, II, S.
Modern employment relations and manpower management from theoretical and practical viewpoints. Basic methodology techniques involving recruitment, selection, training, labor relations, collective bargaining contracts, wage and salary administration, and personnel research.

426. MANAGEMENT SCIENCE. 3 hrs. I, II, S.
Survey of quantitative techniques used in the solution of management problems. Potentials and limitations of mathematical models and proper areas for their application. Topics include
probability, statistical decision theory, linear programming, waiting lines, and inventory replacement models.
PR: Management 318.

450. BUSINESS RESEARCH. 2 hrs.
Under the direction of an advisor, the student makes a study of a topic related to his field of specialization and submits a written report.
PR: Senior standing.

460. BUSINESS POLICY. 3 hrs.
An integration of knowledge gained in business core subjects and advanced management courses. Designed to develop ability to analyze complex business problems.
PR: Management 320, 420, 422, 424.

495H-496H. READINGS FOR HONORS IN MANAGEMENT. 2-4 hrs.
Open only to students of outstanding ability. Both must be taken to receive credit. See Honors Students.

MARKETING (MKT)

Dr. William F. Ashford, Chairman

SCHOOL OF BUSINESS

Professor Ashford
Associate Professor C. Miller
Assistant Professors Piltz, Kehoe
Instructor Marple

340. PRINCIPLES OF MARKETING. 3 hrs. I, II, S.
Institutions, channels of distribution, functions, federal regulation, and economics of marketing.

341. ADVERTISING MANAGEMENT. 3 hrs. I, II.
Copy layout, production, media and copy research strategy.
PR: Marketing 340.

350. PHYSICAL DISTRIBUTION. 3 hrs. I, II, S.
History, organization, operation, regulation, and management of railways, waterways, highway, pipeline, and air transportation. Theory of rate making, shipping practices, legal and marketing implications, train movements, terminals, port and dock and traffic expediting services.
PR: Marketing 340.

425. RETAIL MANAGEMENT. 3 hrs. I, II, S.
Principles and practices of successful retail merchandising covering merchandise and stock control, buying, marking, pricing, advertising, credit, and retail personnel management.
PR: Marketing 340.
430. MARKETING MANAGEMENT. 3 hrs. I, II.
   A research base for marketing decisions and organizing the market
   functions in relation to company objectives, program planning, and
   products, price, and promotion strategy.
   PR: Marketing 340.

436. MARKETING INSTITUTIONS AND CHANNELS. 3 hrs. I, II.
   Role and role theory in distribution channels systems. Conflicts in
   brands, marketing channels, trade associations, and cybernetic analysis.
   PR: Marketing 340.

440. SALES MANAGEMENT. 3 hrs. I, II.
   Policies and procedures pertaining to produce planning and pricing,
   choice of market, planning sales effort, and the control of sales
   operations.
   PR: Marketing 340.

442. MARKET RESEARCH. 3 hrs. I, II.
   Scope and importance of market and distribution research; product,
   package, brand analysis and social impact; consumer, industrial and
   institutional surveys, quantitative and qualitative analysis of market
   data; situation analysis, sampling, tabulation and presentation methods.
   PR: Marketing 340, Management 318.

495H-496H. READINGS FOR HONORS IN MARKETING. 2-4 hrs.
   Open only to students of outstanding ability. Both must be taken
   to receive credit. See Honors Students.

MATHEMATICS
(MTH)

COLLEGE OF ARTS AND SCIENCES

(Division of Sciences)
Professor Bauserman
Associate Professors Hogan, Jordan, Thompson
Assistant Professors Cusick, Czompo, Hatfield, Keller, Peele,
Reed, Sisarcick, Whitley
Instructor Photiades

105. MATHEMATICS FOR ELEMENTARY SCHOOLS. 3 hrs.
   Language and symbolism of modern mathematics for elementary
   school programs. Emphasis on the structure and development of the
   real number system.

110. INTRODUCTION TO COLLEGE MATHEMATICS. 3 hrs. I, II.
   Introduction to logic, postulational thinking, and mathematical
   models; evolution of the number system; the logic of algebra; numerical
   computation.

120. ALGEBRA. 3 hrs. I, II.
   Modern algebraic concepts including sets, relations, functions.
Study of number systems through the axiomatic approach. Algebraic processes using exponents, radicals, logarithms, solution of equations.

122. PLANE TRIGONOMETRY. 3 hrs. I, II.
   PR: One unit of plane geometry.
   PR or CR: Mathematics 120.

130. COLLEGE ALGEBRA. 3 hrs. I, II.
   Systems of equations, matrices and determinants, complex numbers and vectors, theory of equations and mathematical induction.
   PR: Mathematics 120, or placement test.

131. CALCULUS WITH ANALYTIC GEOMETRY I. 5 hrs. I, II.
   An introduction to analytic geometry and calculus including a study of limits, continuity, differentiation and antiderivatives.
   PR: Placement test and at least 1 1/2 units of algebra and 1/2 unit of trigonometry or Mathematics 130.

190. INTRODUCTORY CALCULUS. 5 hrs.
   Review of pre calculus mathematics. Calculus of one variable with applications for students whose program requires a basic knowledge of differentiation and integration and their application to a variety of problems. May not be used as one of the three calculus course sequence required for mathematics, chemistry, physics, or engineering majors.
   PR: Mathematics 120 or equivalent.

230. CALCULUS WITH ANALYTIC GEOMETRY II. 4 hrs. I, II.
   A study of the conics and transcendental functions using rectangular and polar coordinates, techniques of integration, improper integrals and indeterminate forms.
   PR: Mathematics 131.

231. CALCULUS WITH ANALYTIC GEOMETRY III. 4 hrs. I, II.
   Analytic geometry of three dimensions, partial differentiation, multiple integrals and infinite series.
   PR: Mathematics 230.

335. ORDINARY DIFFERENTIAL EQUATIONS. 4 hrs. I, II.
   An exposition of methods used in solving ordinary differential equations, with applications to geometry, physics, and mechanics.
   PR: Mathematics 231.

337. ELEMENTARY TOPOLOGY. 3 hrs.
   Introduction to the basic concepts of topological spaces including such properties as continuity, connectedness, separability, compactness, and metrization.
   PR: Mathematics 231 or consent of the instructor and department chairman.

400. STRUCTURE OF ALGEBRA. 3 hrs.
   Emphasis on the language of modern elementary algebra. Recommended for pre-service elementary teachers and for elementary
COURSES OF INSTRUCTION

and secondary in-service teachers.
PR: Approval of instructor and department chairman.
May not be used toward a major in mathematics.

401. STRUCTURE OF MODERN GEOMETRY. 3 hrs.
Informal development of plane and solid geometry making use of
sets of modern mathematical language to clarify definitions and
explanations.
PR: Consent of instructor. May not be used toward a major in
mathematics.

427. ADVANCED CALCULUS. 4 hrs. I.
The number system, limits, sequences, partial differentiation with
applications, maxima and minima of functions of several variables.
PR: Mathematics 337 or approval of instructor and department
chairman.

428. ADVANCED CALCULUS. 4 hrs. II.
Theory of definite integrals, multiple integrals, line and surface
integrals, improper integrals, infinite series.
PR: Mathematics 427.

430. VECTOR AND TENSOR ANALYSIS. 3 hrs.
The algebra of vectors, the calculus of vectors with applications,
introduction to tensor analysis.
PR: Mathematics 231.

436. PARTIAL DIFFERENTIAL EQUATIONS. 3 hrs.
An exposition of methods used in solving partial differential
equations with applications to geometry and topics in mathematical
physics.
PR: Mathematics 335.

443. NUMERICAL ANALYSIS. 3 hrs.
The theory and technique of numerical computation involving
interpolation methods, solution of systems of equations, and methods
of solving ordinary differential equations.
PR: Mathematics 335, or consent of instructor and department
chairman.

445-446. INTRODUCTION TO THEORY OF STATISTICS. 3; 3 hrs. I, II.
Probability spaces, random variables, and algebra of expectations;
sampling methods; estimation of parameters; tests of hypotheses;
analysis of variance.
PR: Mathematics 231.

448. FUNDAMENTAL CONCEPTS OF MODERN GEOMETRY. 3 hrs.
Finite geometries, basic background material for the modern
development of Euclidean Geometry, other geometries.
PR: Mathematics 231 or approval of the instructor and department
chairman.
449. PROJECTIVE GEOMETRY. 3 hrs.
    Projective geometry using both synthetic and algebraic methods.
    PR: Mathematics 231 or approval of the instructor and department chairman.

450. FUNDAMENTAL CONCEPTS OF MODERN ALGEBRA. 3 hrs.
    Structure of the abstract mathematical systems: groups, rings, fields, with illustrations and applications from Number Theory.
    PR: Mathematics 231 or approval of the instructor and department chairman.

451. LINEAR ALGEBRA. 3 hrs.
    Vector spaces over the real and complex field, the algebra of matrices, linear transformations in a vector space.
    PR: Mathematics 231 or approval of the instructor and department chairman.

460-461. FUNCTIONS OF A COMPLEX VARIABLE. 3; 3 hrs.
    Complex numbers, analytic functions, properties of elementary functions, integrals, series, residues and poles, conformal mapping.
    PR: Mathematics 231.

495H-496H. READING FOR HONORS IN MATHEMATICS. 2-4; 2-4 hrs.
    Open only to mathematics majors of outstanding ability. Both courses must be taken in order to receive credit.
    PR: Consent of department chairman.
    See Honors Courses, page 259.

MEDICAL TECHNOLOGY (MDT)

Dr. Howard L. Mills, Director

COLLEGE OF APPLIED SCIENCE

Professor Mills
Clinical Professors Werthammer, Sadler
Associate Clinical Professor Sheils
Clinical Instructor Leslie

411. URINALYSIS AND CLINICAL MICROSCOPY (4 weeks). 3 hrs. I.
    Routing urinalysis including microscopic examination. Special chemical analysis such as bile, urobilinogen, prophyrsins. Examination of gastric contents for acidity.

412. BLOOD BANK (7 weeks). 4 hrs. I.
    Maintenance of adequate blood supply including bleeding donors and screening tests for atypical antibodies. Determination of blood types for purposes of crossmatching blood for transfusions, and selecting candidates for administration of RhoGam.
413. HEMATOLOGY AND IMMUNOLOGY (9 weeks). 7 hrs. I.
   Techniques of venipuncture. Analysis of samples for complete
   blood counts including hemoglobin, hematocrit, white cells, blood
   indices, and differential count of strained blood smears. Study of blood
   picture in disease. Special hematological tests: Sedimentation rate,
   fragility, sickling tests, and L. E. cell determinations. Bone marrow
   preparations. Blood coagulation tests. Routine electrophoresis
   immunodiffusion tests for ceruloplasmin, complement, and immune
   globulin quantitations.

414. BACTERIOLOGY (8 weeks). 4 hrs. I.
   Laboratory work includes preparation of smears, cultures and
   subcultures of bacteriological and mycological material from patients to
   identify pathogenic bacteria and fungi. Antibiotic sensitivity testing.

415. PARASITOLOGY (4 weeks). 1 hr. I.
   Exercises in techniques for identification of parasites. Thick film
   preparation for malaria, concentration and flotation techniques for ova
   and cysts, wet and strained preparations for intestinal parasites,
   especially for the common pathological forms.

416. BIOCHEMISTRY (10 weeks). 9 hrs. II.
   Practice in common biochemical tests including blood sugar, urea
   nitrogen, total protein. Special analysis for electrolytes, liver and
   kidney function tests, and toxicological tests. Training and practice in
   use of analytical balance, scanning spectrophotometer, flame photo­
   meter, atomic absorption techniques, and gas chromatography. Blood

417. HISTOTECHNOLOGY (2 weeks). 1 hr. II.
   Fixation, embedding, sectioning, and staining of surgical and
   autopsy tissue specimens. Microtome techniques and mechanical tissue
   processing methods. Frozen section technique.

418. SERIOLOGY (4 weeks). 3 hrs. II.
   Kolmer complement fixation, V.D.R.L. and F.T.A. tests for
   syphilis. Special tests for cold agglutinins, heterophile antibodies,
   febrile diseases.

419. AUTOMATED INSTRUMENTAL ANALYSIS (6 weeks). 4 hrs. II.
   Instruction and practice in use of automated analytical equipment
   for chemical analysis of 19 tests (Chemistry Composite Profile).
   Automated fluorometric procedures including cortisols. Use of
   computerized readout systems for all test results.

420. DIRECTED RESEARCH (4 months). 2 hrs. II.
   Individual project directly concerned with theory and/or technique
   in the clinical laboratory to be completed by each student under the
   direction of the teaching supervisor. Student must complete all lab
   work included in the project, necessary research, and submit a paper
   covering all aspects of his research.
421. SEMINAR. 2 hrs. I, II, S.
Student elective by special assignment.

MILITARY SCIENCE
(MS)

Col. W. E. Shambora, Jr., Chairman

COLLEGE OF APPLIED SCIENCE

Professor Shambora
Assistant Professors Powell, Poole
Instructor Rowe

101-102. BASIC COURSE MILITARY SCIENCE I. 2; 2 hrs.
Introduction to Army organization and its individual weapons, including marksmanship; a study of the role of the U.S. Army in national security and instruction and practice in leadership and command. Three hours per week. No credit is given for Military Science 101 without completion of Military Science 102.

201-202. BASIC COURSE MILITARY SCIENCE II. 2; 2 hrs.
Study of American military history; introduction to operations and basic tactics; map and aerial photograph reading; and continuation of leadership and command training begun in Military Science I. Three hours per week.

301-302. ADVANCED COURSE MILITARY SCIENCE III. 3; 3 hrs.
Advanced instruction and practice in leadership concepts and exercise of command in precommissioned leadership situations; continuation of the study of Army organization to include the roles and missions of its various arms and services; introduction and practice in military teaching methods; and study of small unit tactical operations under nuclear and nonnuclear warfare conditions; counter-insurgency operations. Four hours per week.
PR: Military Science 101-102, 201-202 or equivalent military service.

351. SUMMER TRAINING CAMP. 3 hrs.
Six-week period of realistic applicatory training conducted at an active army post or camp in order to supplement and reinforce the instruction presented on campus. Mandatory for advanced course.
PR: Military Science 301-302.

401-402. ADVANCED COURSE MILITARY SCIENCE IV. 3; 3 hrs.
Continuation of advanced training and practice in leadership concepts and exercise of command in commissioned leadership situations in the Brigade program; study of command and staff, personnel and administration, intelligence, logistical and operational aspects of army operations up to and including the battalion level;
orientation on the role of the United States in world affairs and the present world situation; customs and traditions of the service in preparation for active service; and a study of current military law. Four hours per week.

PR: Military Science 301-302, 351.

403. MILITARY SCIENCE SEMINAR. 1 hr.
Seminars on advanced military science concepts and current national and international issues; advanced practical leadership and military instructional experience. Open to and required of students completing Military Science 402 and having one full year of undergraduate work remaining before receiving degree and being commissioned. Two hours per week.
PR: Military Science 401-402.

MODERN LANGUAGES

Dr. John L. Martin, Chairman

COLLEGE OF ARTS AND SCIENCES
(Division of Humanities)

Professors J. Martin, Lieberman, Perl
Associate Professors Almalei, Murphy, Parrish
Assistant Professors Corum, Knouse, Stump
Instructors Carr, Henry, Vest

French
(FRN)

121-122. ELEMENTARY FRENCH. 3; 3 hrs. I, II.
Pronunciation, conversation, reading and composition with emphasis on the oral approach. No credit for French 121 without 122.
Recommended PR for 122: French 121 or one credit of high school French.

223-224. INTERMEDIATE FRENCH. 3; 3 hrs. I, II.
Reading, composition, grammar review, irregular verbs, dictées, and conversational practice with emphasis on the oral approach.
Recommended PR for 223: French 122 or two units of high school French.
Recommended PR for 224: French 223 or three or four units of high school French.

314. STUDIES IN LANGUAGE LABORATORY TECHNIQUES.
3 hrs. I, II.
Training in the use of laboratory equipment. Clinical practice in the use of laboratory facilities. 2 hour lab to be arranged. Open to majors only.
PR: French 224.
315-316. ADVANCED CONVERSATION, COMPOSITION AND GRAMMAR. 3; 3 hrs. I, II.
Study of idioms and difficult constructions. Translation and free composition together with intensive reading.
PR for French 315: French 224.
PR for French 316: French 315 or consent of instructor.

327. 17TH CENTURY LITERATURE. 3 hrs.
A presentation of the development, spirit, and characteristics of French classicism.
PR: French 224.

328. 17TH CENTURY LITERATURE. 3 hrs.
Racine’s plays, Descartes, Pascal, and other prose classicists together with La Fontaine, Boileau, and others of the Golden Age.
PR: French 224.

341-342. ADVANCED ORAL FRENCH. 3; 3 hrs. I, II.
Pronunciation, phonetics, oral practice with use of tape recorder and records, vocabulary building, and conversational practice.
PR for 341: French 224 or four units of high school French.
PR: for 342: French 224.

355-356. FRENCH CIVILIZATION AND CULTURE. 3; 3 hrs. I, II.
French culture from prehistoric to modern times. This course is conducted in French, and full language credit is given.
PR for French 355 or 356: French 224.

417-418. SURVEY OF FRENCH LITERATURE. 3; 3 hrs.
A study of important literary movements, representative authors and their works.
PR for French 417 or 418: French 224.

435. 19TH CENTURY LITERATURE. 3 hrs.
The French Romantic movement as exemplified in the poetry, drama, and the novel of the period.
PR: French 224.

436. 19TH CENTURY LITERATURE. 3 hrs.
Realistic and naturalistic fiction, realism in the theatre, and selected poems of Baudelaire, the Parnassians, and symbolists.
PR: French 224.

455-456. SPECIAL TOPICS. 2-4; 2-4 hrs. I, II.
A course for advanced students sufficiently prepared to do constructive work in phases of the language or literature of interest to them.
PR: Three hours of literature from courses numbered 327 or above and the consent of instructor.

495H-496H. READINGS FOR HONORS IN FRENCH. 2-4; 2-4 hrs. I, II.
Open only to French majors of outstanding ability. Both courses
must be taken in order to receive credit.
See Honors Courses, page 259.

German
(GER)

101-102. ELEMENTARY GERMAN. 3; 3 hrs. I, II.
Grammar, pronunciation, beginning conversation, reading and comprehension. No credit for German 101 without 102.
Recommended PR for German 102: German 101 or one unit of high school German.

203-204. INTERMEDIATE GERMAN. 3; 3 hrs. I, II.
Grammar, vocabulary, reading and comprehension of written and oral German.
Recommended PR for German 203: German 102 or two units of high school German.
Recommended PR for German 204: German 203 or three or four units of high school German.

301. DRAMA OF THE 19TH AND 20TH CENTURIES. 3 hrs. I.
A survey of literary trends and main authors. Reading and comprehension of selected dramas of the period.
PR: German 204 or 323.

302. PROSE OF THE 19TH AND 20TH CENTURIES. 3 hrs. II.
A survey of literary trends and main authors. Reading and comprehension of selected stories and discussion of novels.
PR: German 204 or 323.

314. STUDIES IN LANGUAGE LABORATORY TECHNIQUES.
3 hrs. I, II.
Training in the use of laboratory equipment. Clinical practice in the use of laboratory facilities. 2 hour lab to be arranged. Open to majors only.
PR: German 204.

315-316. ADVANCED CONVERSATION, COMPOSITION AND GRAMMAR.
3; 3 hrs. I, II.
Advanced conversation, study of idioms, difficult constructions and the finer points of grammar. Student's free composition will be critically analyzed and discussed.
PR 315: German 204 or equivalent.
PR 316: German 315 or equivalent.

323. GERMAN FOR SCIENCE MAJORS. 3 hrs.
Intensive training in comprehension and translation of scientific writings.
Recommended PR: German 203.

417-418. SURVEY OF GERMAN LITERATURE. 3; 3 hrs. I, II.
A study of important literary movements, representative authors
and their work. Reading of significant dramas and novels.
PR: German 417: German 204 or 323.
PR: German 418: German 204 or 323.

419-420. GERMAN LITERATURE OF THE CLASSICAL AGE. 3-3 hrs.
   I, II.
   German literature of the classical age, stressing Goethe, Schiller, and
   romanticism.
   PR for 419: German 204
   PR for 420: German 204.

482-483. SPECIAL TOPICS. 2-4; 2-4 hrs. I, II.
   PR for German 482 or 483: German 204 and permission of
   instructor.

495H-496H. READINGS FOR HONORS IN GERMAN. 2-4; 2-4 hrs. I, II.
   Open only to German majors with outstanding ability. Both courses
   must be taken in order to receive credit.
   See Honors Courses, page 259.

Spanish
(SPNS)

101-102. ELEMENTARY SPANISH. 3-3 hrs. I, II, S.
   Pronunciation, intonation, conversation, composition, and reading.
   Also the indicative and subjunctive moods.
   Recommended PR for 102: Spanish 101 or one unit of high school
   Spanish.
   No credit is given for 101 without 102.

203-204. INTERMEDIATE SPANISH. 3-3 hrs. I, II, S.
   Composition, conversation, and readings. Emphasis on idiomatic
   expressions and their use for cultural or practical purposes.
   Pronunciation and intonation.
   Recommended PR for 203: Spanish 102 or two units of high school
   Spanish.
   Recommended PR for 204: Spanish 203 or three or four units of
   high school Spanish.

310-311. ADVANCED CONVERSATION. 3-3 hrs. I, II.
   Conversation and discourses in Spanish on selected topics. Courses
   conducted in Spanish.
   PR for either 310 or 311: Spanish 204.

312-313. SPANISH-AMERICAN LITERATURE. 3-3 hrs. I, II.
   Readings from representative authors with reports and class
   discussion; from the colonial period to the contemporaries.
   PR for either 312 or 313: Spanish 204.

314. STUDIES IN LANGUAGE LABORATORY TECHNIQUES.
   3 hrs. I, II.
   Training in the use of laboratory equipment. Clinical practice in the
use of laboratory facilities. 2 hour lab to be arranged. Open to majors only.
PR: Spanish 204.

320. SPANISH LITERATURE OF THE 19TH AND 20TH CENTURIES.
3 hrs. I.
Representative readings, lectures, discussions, and reports. Romanticism, realism, and modernism.
PR: Spanish 204.

406. HISPANIC CIVILIZATION. 3 hrs. II.
A study of the civilization of Spain and of the contributions of Spanish speaking nations to world culture. Lectures, discussions, and reports. This course is conducted strictly in Spanish.
PR: Spanish 204.

410. SPANISH LITERATURE FROM THE CID TO THE 17TH CENTURY.
3 hrs. II.
Readings, lectures, reports, and discussions of significant literary works from the Cid to the 17th century.
PR: Spanish 204.

485. THE MODERNIST MOVEMENT. 3 hrs. S.
The precursors of the Modernist Movement, its chief exponents, and its influence on the literature of Spanish America and Spain. Lectures, discussions, readings and reports.
PR: Spanish 204.

488. ADVANCED SYNTAX AND STYLISTICS. 3 hrs. S.
A detailed analysis of Spanish syntax and shades of meaning, with the writing of original compositions in Spanish to perfect the student's own style.
PR: Spanish 204.

490-491. SPECIAL TOPICS. 2-4 hrs. I, II.
Independent research for qualified students who are interested beyond the other courses in the catalog.
PR: Spanish 204 or permission of instructor.

495H-496H. READINGS FOR HONORS IN SPANISH. 4-4 hrs. I, II.
Open only to outstanding majors. Both courses must be taken to receive credit. Refer to page 259 for information about Honors courses.
MUSIC
(MUS)
Dr. C. Lawrence Kingsbury, Chairman

TEACHERS COLLEGE

Professors Kingsbury, Shepherd, Wolff
Associate Professors Balshaw, Barbour, Cerveris, Clark, Creighton,
Davidson, Drescher, Imperi, Jones, Lanegger, O'Connell, Schleicher,
Taggart, Whear
Assistant Professors DeVos, Folsom, Green, Heger, Mead
Instructors Pinkow, Stacy

Requirements for Music Majors

Admission to Music Program
All students applying for admission to any program in music must
arrange for an audition and be approved by the Department of
Music. Appointments should be made for an audition. Students
unable to audition on campus may arrange to submit a tape. The
audition will cover performance in a major applied music area.

Applied Music
MAJOR:
All students following the single music field curriculum are required
to select a major instrument or voice and complete fourteen (14)
semester hours in this field -- eight (8) semester hours of lower
division courses and six (6) semester hours of upper division courses.
Students must pass a proficiency examination at the end of the
fourth semester before being admitted to upper division applied
music courses. If students fail this examination, they may be
required to repeat fourth semester courses until successful in the
examination. Major applied music courses, with two semester hours
credit, require two lessons a week with two hours daily preparation.

SECONDARY PIANO:
All students majoring in music take four semesters of piano courses,
Music 195 a, b, c, d, one semester hour credit each semester, and
pass a proficiency examination at the end of the fourth semester. If
this examination is not satisfactory, the student is required to repeat
piano until the secondary piano requirements are met. The
examination includes sight reading from a community song book,
simple accompaniment from a given melodic line, simple
transposition, and Clementi sonatinas, or the equivalent. Secondary
applied music courses with one hour credit require two lessons per
week and one hour daily preparation. Secondary piano lessons may
be individual or in classes as assigned by the Department of Music.

ELECTIVE:
Students may elect applied music courses, upon approval of the
Department of Music, for one hour credit each semester. Two lessons per week with one hour of daily preparation.

SENIOR RECITAL:
All music majors must appear on a senior recital to be approved by the music faculty before becoming eligible for graduation.

Major Ensembles
All music majors are required to enroll in a major ensemble for seven semesters, representing their applied music as assigned by the Department of Music. Regular attendance at all rehearsals and performances is required. The major ensembles are choir, orchestra and band.

COURSES

107-307. CHORAL UNION. ½; ½ hr. I, II.
The nucleus of the Choral Union is the Symphonic Choir, one or two oratorios or similar works are presented each year. One rehearsal per week.

115-116. ELEMENTARY THEORY. 4; 4 hrs. I, II.
A thorough study of the melodic, harmonic, and rhythmic elements of music through writing, playing singing, and listening. Study of triads, intervals, keys, scales, cadences, sight-singing, melodic and harmonic dictation. Includes seventh chords, modulation, clefs, and modal scales.

122-123. INTRODUCTION TO MUSIC LITERATURE. 2; 2 hrs. I, II.
A survey of music with special emphasis upon the relationship of music and other major arts of each important period of western civilization. Development of listening techniques and music appreciation.

175. APPRECIATION OF MUSIC. 2 hrs. I, II, S.
Development of an appreciation and understanding of music as a fine art and to help the student develop intelligent listening habits.

181a,b,c,d-381a,b,c,d. Applied Music. Saxophone ... 1-2; 1-2 hrs. I, II.
182a,b,c,d-382a,b,c,d. Applied Music. Flute ... 1-2; 1-2 hrs. I, II.
183a,b,c,d-383a,b,c,d. Applied Music. Oboe ... 1-2; 1-2 hrs. I, II.
184a,b,c,d-384a,b,c,d. Applied Music. Clarinet ... 1-2; 1-2 hrs. I, II.
185a,b,c,d-385a,b,c,d. Applied Music. Bassoon ... 1-2; 1-2 hrs. I, II.
186a,b,c,d-386a,b,c,d. Applied Music. French Horn ... 1-2; 1-2 hrs. I, II.
187a,b,c,d-387a,b,c,d. Applied Music. Trumpet ... 1-2; 1-2 hrs. I, II.
188a,b,c,d-388a,b,c,d. Applied Music. Trombone ... 1-2; 1-2 hrs. I, II.
189a,b,c,d-389a,b,c,d. Applied Music. Baritone ... 1-2; 1-2 hrs. I, II.
190a,b,c,d-390a,b,c,d. Applied Music. Tuba ... 1-2; 1-2 hrs. I, II.
191a,b,c,d-391a,b,c,d. Applied Music. Violin ... 1-2; 1-2 hrs. I, II.
192a,b,c,d-392a,b,c,d. Applied Music. Viola ... 1-2; 1-2 hrs. I, II.
193a,b,c,d-393a,b,c,d. Applied Music. Cello ... 1-2; 1-2 hrs. I, II.
194a,b,c,d-394a,b,c,d. Applied Music. String Bass ... 1-2; 1-2 hrs. I, II.
195a,b,c,d-395a,b,c,d. Applied Music. Piano ... 1-2; 1-2 hrs. I, II.
204-404. A CAPELLA CHOIR. 1; 1 hr. I, II.
The A Capella Choir is a mixed choir open to all university students. It is essentially a training group for the Symphonic Choir. It does, however, give frequent public performances.

205-405. WOMEN’S GLEE CLUB. 1; 1 hr. I, II.
The Women’s Glee Club is open to all women students interested in singing. Literature performed ranges from classical to semi-classical.

206-406. MEN’S GLEE CLUB. 1; 1 hr. I, II.
The Men’s Glee Club is open to all male students interested in singing. The repertoire includes a wide variety of literature ranging from the classics to show tunes, folk songs and spirituals.

207-407. SYMPHONIC CHOIR. 1; 1 hr. I, II.
The Symphonic Choir is a mixed group chosen by audition in open competition from the entire student body. This organization comprises the most mature singers on the campus, vocally and musically, and is dedicated to furnishing high level experience in the performance of the great choral literature.

208-408. ORCHESTRA. 1; 1 hr. I, II.
The Marshall Community Symphony is open to all university students, faculty, and interested musicians in the community with permission of the instructor. Concerts are presented each semester. Rehearsals are held each Tuesday evening.

215-216. ADVANCED THEORY. 4; 4 hrs. I, II.
Sight-singing a wide variety of material, part writing including all types of modulation and altered chords, advanced work in melodic and harmonic dictation. Counterpoint in 18th century style.

261. STRING TECHNIQUES. 1; 1 hr. I, II.

262. WOODWIND TECHNIQUES. 1; 1 hr. I, II.

263. BRASS TECHNIQUES. 1; 1 hr. I, II.

264. PERCUSSION TECHNIQUES. 1; 1 hr. I, II.

265-465. BAND. 1; 1 hr. I, II.
The band functions as a marching unit in the fall for football games at home and away. After the football season, the band program includes the Concert Band, Wind Ensemble, Pep Band, Stage Band and Brass Ensemble.

301. ANALYSIS. 2 hrs. I, II.
The study of small and large forms; song form, minuet, variation,
COURSES OF INSTRUCTION 225

fugue, rondo, sonata, etc. Recognition of various forms by ear and by sight.
PR: Music 216.

303. MUSIC SKILLS FOR CLASSROOM TEACHERS. 2 hrs. I, II, S.
Development of fundamental music skills used in reading and teaching music at the elementary school level.
PR: Music 175 and junior standing.

312-313. VOCAL TECHNIQUES. 1; 1 hr. I, II.
Foundation principles of voice usage, interpretation, and problems of vocal pedagogy. For instrumental music major students.

316. KEYBOARD HARMONY. 2 hrs. I, II.
Applied harmony to develop facility in transposition, modulation, and harmonization of melodies with varied styles of accompaniments.

317. COUNTERPOINT. 2 hrs. II.
Techniques of 16th and 17th century counterpoint. Composition in species and free counterpoint, motet, inventions, canon and fugue.

320. INSTRUMENTAL ARRANGING. 2 hrs.
The study of the instruments of the modern orchestra, their history, technical possibilities and limitations, and practical application of technique in public school work.

321. CHORAL ARRANGING. 2 hrs. I, II.
Score writing and arranging for vocal ensembles of two to eight parts.

338. MUSIC EDUCATION: MATERIALS AND METHODS IN SCHOOL MUSIC (GRADES 1-6). 3 hrs.
Intensive study of vocal and instrumental materials and methods of presentation of music in grades 1-6.

340. MUSIC EDUCATION: MATERIALS AND METHODS IN SCHOOL MUSIC (GRADES 7-12). 3 hrs.
Intensive study of vocal and instrumental materials and methods of presentation of music in grades 7-12.

370. MUSIC MATERIALS AND PROCEDURES. 3 hrs. I, II, S.
Materials and procedures for teaching music in nursery school, kindergarten and grades 1-6.
PR: Music 175 and 303.

380. INSTRUMENTAL CONDUCTING. 2 hrs.
Techniques and mechanics of the baton with emphasis on securing attacks, releases, dynamics, and tempo changes. Analysis of band and orchestral scores with practical application.
PR: Junior standing.

422-423. HISTORY AND LITERATURE OF MUSIC. 3; 3 hrs. I, II.
From early music to romantic period, including form and texture in
music, study of major works of music of all periods, listening to music, project reports. Designed for music majors.

424. CHURCH MUSIC. 2 hrs. II.
A study of liturgical music and its uses in the church service. Open to advanced music students or consent of instructor.

430. COMPOSITION. 2 hrs. II.
Experience in writing music compositions in various forms.
PR: Music 216 and 301.

440. PIANO TEACHING TECHNIQUES AND MATERIALS. 2 hrs. II, S.
Materials and techniques of presentation; development of reading skills; basic fundamentals of technique; cultivation of musicianship. Emphasis is on elementary and intermediate levels.

480. CHORAL CONDUCTING. 2 hrs. I.
Continuation of Music 380 with emphasis on interpretations, voice classification, intonation, choral repertoire, and program building. Opportunity for practical experience is provided by the various college choral organizations.

NURSING
(NUR)

Professor Sarah L. Patram, Chairman

COLLEGE OF APPLIED SCIENCE

Associate Professor Patram
Assistant Professors Asher, Bisato, Wilson
Instructors Bertram, Goen, Holliday, Kopp, Parsons, Rhymer
Teaching Assistants Andrews, Giompalo, Paxson

101. NURSING. 6 hrs. I.
Designed to develop understanding, knowledge and skills in nursing care common to all patients. Clinical laboratory experience included.

102. NURSING II. 6 hrs. II.
Theory and application of principles of nursing care used in meeting common nursing needs of patients with medical and surgical conditions. Clinical laboratory experience included.
PR: Nursing 101 and Home Economics 210 and Zoology 225.

204. NURSING III. 5 hrs. I.
Study of nursing care of patients with specific medical and surgical problems based on three principles: Man as a person, Man as an organism and Man and his environment.
PR: Nursing 102.
COURSES OF INSTRUCTION

210. NURSING IV. 3 hrs. II.
A study of historical developments, current issues and problems, nursing organizations, legal aspects and responsibilities of nursing.
PR: Nursing 102.

211. NURSING V. 8 hrs. II.
A study of maternal and child health needs and family centered nursing care to meet these needs.
PR: Nursing 102.

214. NURSING VI. 4 hrs. I.
Study of the interdependence of mental and physical health and illness as related to the patient, family and community and nursing care required by these patients.

OFFICE ADMINISTRATION (OAD)

Dr. Sara E. Anderson, Chairman

SCHOOL OF BUSINESS

Professor Anderson
Instructors Chapman, MacConney, Overholt, Hughes

103. TYPEWRITING. 2 hrs. I, II.
Development of proper technique in the operation of a typewriter. Elementary business letter typing and adaptation of typing skill to personal use.
No credit if student has had one year or more of typewriting in high school.

104. INTERMEDIATE TYPEWRITING. 2 hrs. I, II.
Development of typing speed and accuracy. The typing of business letters, manuscripts, office forms, legal documents and statistical tables.
PR: Office Administration 103 or one year of high school typewriting with a minimum speed of 40 net words per minute.

105. ADVANCED TYPEWRITING. 2 hrs. I, II.
A terminal course for students preparing for employment in office occupations and for teaching typewriting. Advanced typing problems, techniques, knowledges, and skills involved in production typewriting.
PR: Office Administration 104.

201. SHORTHAND. 3 hrs. I, II.
Beginning course which presents fundamental principles of Gregg shorthand. Development of ability to take dictation of unpracticed material at a minimum rate of sixty words per minute for five minutes, and to transcribe with at least 98 per cent accuracy. Emphasis is placed on the development of pretranscription skills.
No credit if student has had one year or more of shorthand in high school.
PR or CR: Office Administration 103.
202. **SHORTHAND-TRANSCRIPTION.** 3 hrs. I, II.
   Development of ability to record dictation of unpracticed material at a minimum rate of eighty words per minute for five minutes and to transcribe notes accurately.
   PR: Office Administration 104 and Office Administration 201.

301. **ADVANCED DICTATION.** 3 hrs. I.
   Development of ability to record dictation of unpracticed material at a minimum rate of 100 words per minute for five minutes and to transcribe notes accurately.
   PR: Office Administration 105 and Office Administration 202.

302. **TRANSCRIPTION FOR THE PROFESSIONAL SECRETARY.** 3 hrs.
   Transcription for the Professional Secretary: This course is to be taken the last semester the student is on campus. The emphasis is placed on increased knowledge and competency needed to assume high-level secretarial positions and to build a foundation required to pass the test for the Certified Professional Secretary Certificate. A minimum skill of 120 words per minute for three minutes with accurate transcription is required.
   PR: Office Administration 301 and Office Administration 105.

305. **OFFICE MACHINES.** 3 hrs. I, II.
   Duplicating, transcribing machines, calculators, adding-listing and small desk machines.

404. **SECRETARIAL PROCEDURES.** 3 hrs. II.
   Development of knowledge of business procedures, techniques, and customs with which a secretary should be familiar. Secretarial skills integrated through problem-type assignments.
   PR or CR: Office Administration 301, Office Administration 305, and 200 hours of office work experience.

421. **OFFICE MANAGEMENT.** 3 hrs. II.
   Principles and practices, approached from the viewpoint of the office manager, through oral and written problems.
   PR: Management 320.

425. **COMMUNICATIONS FOR BUSINESS AND INDUSTRY.** 3 hrs.
   Emphasis is placed on the composition of effective business correspondence, writing business reports, making oral presentations, and developing proper procedures and skills necessary for conducting meetings.

495H-496H. **READINGS FOR HONORS IN OFFICE ADMINISTRATION.** 2-4 hrs.
   Open only to students of outstanding ability. Both must be taken to receive credit. See Honors Students.
201. INTRODUCTION TO PHILOSOPHY. 3 hrs. I, II, S.
Questions and answers concerning the nature of existence and human values and how we come to know them.
Open only to freshmen and sophomores

301. PROBLEMS IN PHILOSOPHY. 3 hrs.
A survey of basic issues in major schools of thought.
Open only to juniors and seniors.

303. ETHICS. 3 hrs. I.
The history of moral ideas and a critical study of different ways of dealing with moral problems.

304. LOGIC AND SCIENTIFIC METHODS. 3 hrs. I, II, S.
The analysis of the correct principles of thinking and observation.

306. AESTHETICS. 3 hrs. II.
Examination of the qualities involved in the appreciation of beauty which serve as standards of taste.

311. SURVEY OF ANCIENT AND MEDIEVAL PHILOSOPHY. 3 hrs. I.

312. SURVEY OF MODERN PHILOSOPHY. 3 hrs. I.
PR: Philosophy 201 or 311 or 410.

315. THE DEVELOPMENT OF AMERICAN PHILOSOPHY. 3 hrs. S.
Great American thinkers from Jonathan Edwards to the present.

320. COMPARATIVE RELIGION. 3 hrs. Alternate Years, S.
The relation of the world’s religion to human culture and the role of religious faith in the establishment of the world community.

321. CURRENT PHILOSOPHICAL TRENDS. 3 hrs. II, S.
Selected reading in contemporary thought embracing such movements as pragmatism, positivism, realism and idealism.
PR: Philosophy 201 or 311 or 312.

410. THE PHILOSOPHICAL SOURCES OF AMERICAN CULTURE.
3 hrs. Alternate years, S.
Attention to the thinkers who are most directly influential in
determining the basic American beliefs and ideals in the realms of religion, science, morality, politics, economics, and education.

419. RELIGIOUS THOUGHT IN THE WESTERN WORLD. 3 hrs.
An analysis of the major schools of religious thought as they have developed in the West.

420. RECENT AND CONTEMPORARY RELIGIOUS THOUGHT. 3 hrs.
A survey of the major currents of religious thinking in the twentieth century.

421-422. PHILOSOPHY SEMINAR. 3-3 hrs.
Shares study and research on a special topic as announced.
PR: Permission of the chairman

425. ANCIENT AND MEDIEVAL POLITICAL THOUGHT. 3 hrs.
Selective study of classics of Western political theory from earliest times through the 15th century, such as that of Plato, Aristotle, the Romans, Augustine, and Aquinas. (Same as Political Science 425. Taught in Department of Political Science.)

426. MODERN POLITICAL THOUGHT. 3 hrs.
Selective study of classics of Western political theory from the 16th through the 18th century, such as that of Machiavelli, Bodin, Hobbes, Locke, Rousseau, Hume, and Burke. (Same as Political Science 426. Taught in Department of Political Science.)

451. PHILOSOPHY OF HISTORY. 3 hrs. II, S.
A critical survey and sharing of research in theories of the meaning of history from ancient thinkers until today, including cyclical, progressive, economic, dialectical and theological types.
PR: Permission of chairman.

453. PHILOSOPHY OF SCIENCE. 3 hrs. II.
Reflections on crucial concepts of modern science relevant to philosophical issues in interpreting man and the universe, special attention given to epistemological and ontological problems of mathematics and physical and social sciences.
PR: Permission of department chairman.

455. THE PHILOSOPHY OF RELIGION. 3 hrs. II.
A survey of the major classical and modern arguments for theism with special attention to modern philosophies of man's religiosity, ranging from Kant and Schleiermacher to Personalism and Existentialism.
PR: Nine hours between philosophy and religion.

495H-496H. READINGS FOR HONORS IN PHILOSOPHY. 4; 4 hrs.
Open only to philosophy majors of outstanding ability. Both courses must be taken in order to receive credit.
See Honors Courses, page 259.
498. DIRECTED READINGS IN PHILOSOPHY. 3 hrs. I or II.
Advanced research adaptable to the needs of the individual student.
PR: Permission of department chairman.

PHYSICAL AND SAFETY EDUCATION
(PE, PEM, PEW, SED)

Dr. Dorothy Hicks, Chairman
Dr. Jimmy Railey, Chairman

TEACHERS COLLEGE

Professor Hicks
Associate Professors Chrietzberg, Mills, Railey
Assistant Professors Cook, Crosbie, Marshall, Prelaz,
Roberts, Saunders, Taylor, Turko
Instructors Abbott, Burgdorf, Fink, Hager, Hosaflook, Lawson, Sager, Stull

100. BEGINNER'S COURSE IN SWIMMING. 1 hr. I, II.
Not open to students having credit in Physical Education 205.

108. FIELD HOCKEY AND BADMINTON (WOMEN). 2 hrs. I.
Instruction and practice in both fundamental and advanced skills
with strategy techniques provided through class competition (majors only).

113-114. ORIENTATION TO PHYSICAL EDUCATION (MEN).
1; 1 hr. I, II, S.
Designed to teach skills in a minimum of four sports or activities.

NOTE: Sections of Physical Education 113-114 are maintained for
those who, because of physical disabilities, are restricted to certain
types of physical activity. It is recommended that such students present
the family physician's recommendation to the university physician.
Upon the university physician's recommendation the student will be
assigned to a restricted class designed to improve the individual's
general physical condition and to correct personal hygiene handicaps as
far as possible.

115. ORIENTATION TO PROFESSIONAL PHYSICAL EDUCATION.
1 hr. I, II, S.
A survey of physical fitness and motor educability interpreted to
physical education needs; teaching of weight training and circulo-
respiratory conditioning. (Majors only - in lieu of Physical Education
113).

116. ORIENTATION TO PROFESSIONAL PHYSICAL EDUCATION.
1 hr. I, II, S.
A survey of motor ability and sports skills interpreted to physical
education needs; teaching of conditioning activities and wrestling.
(Majors only - in lieu of Physical Education 114).
118. INTRODUCTION TO PHYSICAL EDUCATION. 2 hrs. I, II, S.
   Provides an orientation to the profession emphasizing history, philosophy, preparation, competencies and opportunities.

123. SURVEY OF PHYSICAL ABILITIES AND MOTOR SKILLS (WOMEN). 1 hr. I.
   Teaching of calisthenics and conditioning activities with emphasis on physical fitness concepts including muscular development of the body. The measurement of individual motor abilities and skills (majors only).

124. FUNDAMENTALS OF MOVEMENT (WOMEN). 1 hr. II.
   To develop an understanding of the theory and analysis of human movement (majors only).
   PR: Physical Education 123.

125. BEGINNING GYMNASTICS (WOMEN). 1 hr. I, II.

127. SLIMNASTICS (WOMEN). 1 hr. I, II.

132. VOLLEYBALL (WOMEN). 1 hr. I, II.

140. BEGINNING TENNIS (WOMEN). 1 hr. I, II, S.

141. BEGINNING GOLF (WOMEN). 1 hr. I, II, S.

142. BEGINNING BADMINTON (WOMEN). 1 hr. I, II, S.

145. BOWLING (WOMEN). 1 hr. I, II, S.

147. SOCCER AND BOWLING (WOMEN). 2 hrs. I, II.
   Instruction and practice in both fundamental and advanced skills in soccer with strategy techniques provided through class completion. Development and practice of fundamental skills in bowling. (Majors only)

160. BEGINNING MODERN DANCE. 1 hr. I, II.

205. INTERMEDIATE SWIMMING. 1 hr. I, II, S.
   Theory and practice of fundamental strokes and diving; opportunity is given for skill ratings of the American Red Cross. Certificates of intermediate swimmer or advanced swimmer (according to ability) may be earned.

209. INDIVIDUAL AND DUAL SPORTS (MEN). 1 hr. I, II, S.
   Theory, rules, and techniques of golf and badminton.

220. PERSONAL HYGIENE. 2 hrs. I, II.
   Study of those phases of hygienic living which should be understood by all university students. Special emphasis placed on the personal aspects of hygiene.
221. HEALTH EDUCATION. 2 hrs. I, II, S.
   The course should provide the prospective teacher with opportunity
to recognize health problems and to organize methods and materials in
order to develop basic health courses.

222. FIRST AID. 2 hrs. I, II, S.
   First aid, safety and survival education in the home, in the school,
and on the playground. Practical demonstrations, discussions, lectures.
Standard and Advanced Red Cross First Aid Certificates will be issued
to students successfully completing the course.

230. BASKETBALL AND TRACK, FIELD (WOMEN). 2 hrs. I, II.
   The development and practice of fundamental and advanced skills
in basketball with strategy techniques provided through class
competition. Instruction and practice of fundamental skills in various
track and field events (majors only).

231. TENNIS AND INTERMEDIATE SWIMMING (WOMEN). 2 hrs. I, II.
   Instruction in basic fundamentals and simple strategy; emphasis on
etiquette and rules. Theory and practice of fundamental strokes and
diving (majors only).
   PR: Physical Education 100 or equivalent.

232. GOLF AND VOLLEYBALL (WOMEN). 2 hrs. I, II.
   Instruction and practice in golf fundamentals; golf course
experience with particular emphasis on etiquette and rules. Practice of
volleyball fundamentals with additional insight into offensive and
defensive techniques used in competitive volleyball (majors only).

233. TUMBLING AND GYMNASTICS (WOMEN). 2 hrs. I, II.
   To prepare students to teach gymnastics and tumbling and to
organize gymnastics programs by providing them with adequate skills
and knowledge (majors only).
   PR: Physical Education 304.

235. SAFETY EDUCATION: INTRODUCTION TO SAFETY EDUCATION.
   3 hrs. II., S.
   The child accident problem: basic courses, types and areas of
accidents; home, farm, recreation, school and vacation accidents; safe
practices, control and prevention in the school and the general
environment.

240. INTERMEDIATE TENNIS. 1 hr. I, II, S.
   PR: Physical Education 140 or 231 or 253.

241. INTERMEDIATE GOLF. 1 hr. I, II, S.
   PR: Physical Education 141 or 232 or 254.

242. INTERMEDIATE BADMINTON. 1 hr. I, II.
   PR: Physical Education 108 or 142 or 254.

251. PROFESSIONAL ACTIVITIES I (MEN). 2 hrs. I, II, S.
Techniques and skills of basketball, baseball and soccer taught with emphasis on participation in the activities. (majors only)
PR: Physical Education 115 and 116.

252. PROFESSIONAL ACTIVITIES II (MEN). 2 hrs. I, II, S.
Techniques and skills of touch football, track, and volleyball taught with emphasis on participation in the activities. (Majors only)
PR: Physical Education 115 and 116.

253. PROFESSIONAL ACTIVITIES III (MEN). 2 hrs. I, II, S.
Techniques and skills of tennis, archery, and handball taught with emphasis on participation in the activities. (Majors only)
PR: Physical Education 115 and 116.

254. PROFESSIONAL ACTIVITIES IV (MEN). 2 hrs. I, II, S.
Techniques and skills of golf, badminton, and bowling taught with emphasis on participation in the activities. (Majors only)
PR: Physical Education 115 and 116.

260. MOVEMENT BEHAVIOR IN CHILDREN. 3 hrs. I, II, S.
Introduction to the understanding of physical and motor development of children from pre-school age to adolescence, case studies, observation, and experiences with children at various age levels.
PR: Sophomore standing.

300. RECREATION SWIMMING. 1 hr.
The development of skills in the use of small water craft, and in water related activities, such as scuba, snorkel, and skin diving, water skiing, and other aquatic activities of a recreational nature.

301. SCIENTIFIC FOUNDATIONS FOR PHYSICAL EDUCATION.
3 hrs. I, II, S.
Instruction and laboratory experiences in basic anatomy, physiology, and biomechanics as applied in human movement.
PR: Biological Science 202.

303. OUTDOOR RECREATION EDUCATION. 2 hrs. I, II, S.
To include both lecture and field experiences. Experiences in organization, administration and participation in outdoor activities, such as camping, hiking, exploring, and related activities.
NOTE: Student must allow for time (usually on selected weekends) for laboratory experiences to be scheduled by the instructor.

304. MODERN DANCE I. 1 hr. I, II.
Analytical and practical study of elementary modern dance technique with some experience in the basic elements of composition.

305. MODERN DANCE II. 1 hr. I, II.
A continuation of Modern Dance I with an emphasis on analysis and discipline.
PR: Modern Dance I or approval of instructor.
COURSES OF INSTRUCTION

306. TUMBLING AND GYMNASTICS (MEN). 1 hr. I, II, S.
Fundamentals and practice in stunts, tumbling, and apparatus.

309. ADVANCED TUMBLING AND GYMNASTICS. 1 hr. I, II, S.
Separate sections for men and women.
PR: Physical Education 233 or 306.

312. LEADERSHIP IN SPORTS. 1 hr. I, II.
Designed to give the prospective physical education teacher an opportunity to gain leadership skills in conducting activities. The student will be assigned as an assistant to the instructor of an activity. (Majors only)
PR: Completion of 12 hours of activity courses.

314. MATERIALS AND METHODS FOR ELEMENTARY SCHOOLS.
3 hrs. I, II, S.
Students will experience the selection, adaptation, organization and presentation of games, story plays, stunts and rhythmic materials on the elementary level from the kindergarten through grade 9.

321. KINESIOLOGY. 3 hrs. I, II, S.
Applied anatomy of the human musculature in relation to physical activity. 2 lec.-2 lab.
PR: Physical Education 301.

322. ADAPTED PHYSICAL EDUCATION. 2 hrs. I, II, S.
Theory of remedial exercise and individualizing of physical activities to meet the needs of the physically and postural cases.
PR: Physical Education 321.

330. RHYTHMIC ACTIVITIES. 1 hr. I, II, S.
Instruction, practice and teaching of social, square and folk dance.

335. ORGANIZATION OF THE INTRAMURAL PROGRAM. 2 hrs. I, II.
Problems of policy and administration of intramural programs on the elementary, secondary, and college level.

350. CREATIVE RHYTHMS. 2 hrs. I, II, S.
A theoretical and practical course of study designed to aid the elementary school physical education specialists in developing a functional knowledge, understanding, and proficiency methods, principles, and teaching techniques in creative rhythmic activities for grades 1-6.
PR: Physical Education 260.

365. TESTS AND MEASUREMENTS IN HEALTH AND PHYSICAL EDUCATION. 3 hrs. I, II, S.
A study of the nature and purpose of measurements and evaluation in the fields of health and physical education. Evaluation of available tests and practice in administration of tests. 2 lec.-2 lab.

370. NATURE AND BASES OF MOTOR SKILLS. 2 hrs. I, II, S.
A study of the factors contributing to the acquisition, improvement, and retention of gross motor skills. Stages of motor development and learning of motor skills will be examined from a behavioral approach.

PR: Physical Education 118.

385. SAFETY EDUCATION: TRAFFIC SAFETY AND DRIVER EDUCATION. 3 hrs.
An introductory course in the teaching of safety and driver education, including techniques of classroom and behind the wheel instruction. 2 lec.-2 lab. Non-drivers may enroll for this course as auditors in order to learn to drive an automobile.

PR: Safety Education 235, ability to drive an automobile, and the possession of a valid driver’s license.

401. DANCE COMPOSITION I. 1 hr. I, II.
A study of the basic principles of beginning dance composition; improvisations and studies in rhythmic, spatial, and dynamic designs.

PR: Modern Dance II.

403. ADVANCED SWIMMING. 1 hr. I, II, S.
Instruction and tests for American Red Cross Senior Life Saving. Upon satisfactory completion, Senior Life Saving Certificate issued.

404. WATER SAFETY INSTRUCTION. 1 hr. I, II, S

PR: Physical Education 403 and Senior Life Saving Certificate.

405. ADVANCED ROUND AND FOLK DANCING. 1 hr. I.
Theory and practice of folk dancing and round dancing.

PR: Physical Education 330.

410. PRINCIPLES, ORGANIZATION, AND ADMINISTRATION OF HEALTH AND PHYSICAL EDUCATION. 3 hrs. I, II, S.
Principles of health and physical education, procedures in the organization and administration of the physical education program, including purchase, care, and use of equipment.

PR: All movement experience courses.

420-421. ADVANCED PRACTICE AND OFFICIATING. 1; 1 hr. I, II.
Separate sections for men and women.

422. PREVENTION, CARE AND TREATMENT OF ATHLETIC INJURIES. 2 hrs. I, II.
Massage, conditioning, first aid, and treatment of injuries both theory and practice.

PR: Physical Education 321.

426. METHODS OF COACHING BASKETBALL. 2 hrs. I, II, S.
Different styles and systems of playing, methods of selecting and
teaching players, officiating, scouting techniques, and a scientific analysis of the player and the methods of playing basketball. Separate sections for men and women.
PR: Physical Education 230.

427. METHODS OF COACHING FOOTBALL (MEN). 2 hrs. II., S.
Different styles and systems of playing, methods of selecting and teaching players, officiating, scouting techniques, and a scientific analysis of the player and the methods of playing football.

428. METHODS OF COACHING BASEBALL. 2 hrs. II, S.
Methods and coaching techniques in baseball theory and fundamentals including scouting, rules interpretation, officiating, selection of players, and construction and maintenance of baseball facilities.

430. CAMP COUNSELING. 3 hrs. II.
Discussion of types of camps, objectives of camping, principles and practice in program making. Evaluation activities, description of programs, policies, health and safety problems.

431. CAMP PROGRAMS FOR THE HANDICAPPED CHILD. 3 hrs. II, S.
A study of camp procedures for the handicapped and practice in the development of camp programs for atypical individuals.

440. PHYSIOLOGY OF EXERCISE. 3 hrs. I, II.
Analysis of physiological changes which occur in the body during exercise. 2 lec.-2 lab.
PR: Physical Education 301.

450. PLAYGROUND AND COMMUNITY RECREATION. 2 hrs. I, II, S.
Problems involved in organization and administration of playground and community recreational programs.

470. CURRICULUM DEVELOPMENT IN PHYSICAL EDUCATION. 2 hrs. I, II, S.
A study of principles, objectives and procedures in a curriculum construction in the elementary and secondary school programs. Typical programs studied and evaluated.
PR: All movement experience courses.

475. PRINCIPLES AND TECHNIQUES OF RECREATIONAL LEADERSHIP. 2 hrs.
Emphasis will be placed upon methods and materials, applicable to planning and directing various types of activities in recreational situations.

480. SAFETY EDUCATION: TRAFFIC LAW AND ENFORCEMENT. 3 hrs. II, S.
A course designed to study and evaluate the varied and complex system of laws governing the control of all forms of traffic; the influences and responsibilities of traffic law enforcement in present day society.
482-483-484-485. SPECIAL TOPICS. 1-3; 1-3; 1-3; 1-3 hrs.
Physical education majors only, with permission of department chairman. May not be used as a substitute for any other required course.

485. SAFETY EDUCATION: INDUSTRIAL SAFETY. 3 hrs.
Safety functions in industry. Principles of organization and application of safety programs. Prevention, correction and control methods are outlined and evaluated.

490. SAFETY EDUCATION: PROBLEMS AND PRACTICES IN TRAFFIC SAFETY AND DRIVER EDUCATION. 3 hrs.
A survey course designed for supervisors of traffic accident prevention programs. Examines and evaluates problems, attitudes, philosophies, activities and administrative practices in school, city and state traffic safety programs. Supplements basic teacher training courses in traffic safety.
PR: Safety Education 235 and 385.

495. SAFETY EDUCATION: INDUSTRIAL SAFETY MANAGEMENT. 3 hrs.
Emphasis is placed on principles, facts, and methodology rather than incidental detail concerning safety management.
PR: Safety Education 485.

PHYSICS AND PHYSICAL SCIENCES

Dr. Donald C. Martin, Chairman

COLLEGE OF ARTS AND SCIENCES

(Division of Sciences)

Professor D. Martin
Associate Professors Dii, Dumke, L. Plymale, Manakkil
Assistant Professors Oberly, Rutherford, Shanholtzer

Physics

(PHY)

200. INTRODUCTORY PHYSICS. 4 hrs. I, II, S.
A course which covers the basic principles of classical and modern physics for non-science majors. 3 lec.-2 lab.
PR: Mathematics 110 or 120.

201-203. GENERAL PHYSICS. 3; 3 hrs. I, II, S.
A course in general physics for all science majors with the exception of physics and engineering majors. 3 lec.
PR: Mathematics 120 and 122 or equivalent.

202-204. GENERAL PHYSICS LABORATORY. 1; 1 hr. I, II, S.
Required of all students taking Physics 201-203, unless exempt by special permission. 3 lab.
211-213. PRINCIPLES OF PHYSICS. 4;4 hrs. I, II.
A course in the basic principles of physics for physics, mathematics, and engineering majors. 4 lec.
PR: Mathematics 131
CR: Mathematics 230.

212-214. LABORATORY METHODS IN PHYSICS. 1; 1 hr. I, II.
A laboratory course to accompany Physics 211-213. 3 lab.

300. ELECTRICITY AND MAGNETISM. 3 hrs. I.
A course including the study of electrostatics, multiple expansions, magnetostatics, electromagnetic induction, introduction to Maxwell’s equations and electromagnetic waves. 3 lec.
PR: Physics 203 and Mathematics 231.

301. ELECTRICAL MEASUREMENTS. 2 hrs. I.
This course deals with the theory and use of instruments to measure electrical and magnetic quantities. 4 lab.
PR or CR: Physics 300.

302. ELECTRICITY AND MAGNETISM. 3 hrs. II.
A study of Maxwell’s equations and electromagnetic waves, radiation theory, optional phenomena, and electrodynamics. 3 lec.
PR: Physics 300.

303. ELECTRICAL MEASUREMENTS. 2 hrs. II.
A continuation of Physics 301. 4 lab.
PR: Physics 301.

304. OPTICS. 3 hrs.
An intermediate course in geometrical and physical optics. 3 lec.
PR: Physics 203.

305. OPTICS LABORATORY. 2 hrs.
Accompanies or follows Physics 304. 4 lab.
PR: Physics 203 and 204.

308. THERMAL PHYSICS. 3 hrs.
A study of thermodynamics, kinetic theory of gases, and an introduction to statistical mechanics. 3 lec.
PR: Physics 203 and Mathematics 231.

314. ELECTRONIC PHYSICS. 3 hrs.
A study of electron tubes, transistors, and associated circuits. 3 lec.
PR: Physics 203 and 204.

315. ELECTRONICS LABORATORY. 2 hrs.
Accompanies or follows Physics 314. 4 lab.
PR: Physics 203 and 204.

320. INTRODUCTORY MODERN PHYSICS. 3 hrs. I, II.
(Formerly 401).
An introductory study of atomic and molecular theories, relativity, quantum theory, and nuclear physics. 3 lec.
PR: Physics 203 and Mathematics 131.

330. MECHANICS. 3 hrs. I. (Formerly 306).
   An intermediate study of the fundamental principles of statics of particles and rigid bodies, momentum and energy, dynamics of particles, harmonic oscillations, and wave motion. 3 lec.
   PR: Physics 203 and Mathematics 231.

331. MECHANICS. 3 hrs. II.
   A study of rigid-body dynamics, central force motion, accelerated systems, and an introduction to the equations of Lagrange and Hamilton. 3 lec.
   PR: Physics 330 and Mathematics 335.

420. ADVANCED MODERN PHYSICS. 3 hrs.
   Introduction to relativity and quantum mechanics, with detailed exposition of special atomic and nuclear effects. 3 lec.
   PR: Physics 320 and Mathematics 335.

421. MODERN PHYSICS LABORATORY. 2 hrs. (Formerly 405).
   A series of experiments in atomic physics and related fields to accompany or follow Physics 320 or 420. 4 lab.
   PR or CR: Physics 320 or 420.

462. NUCLEAR CHEMISTRY AND PHYSICS. 3 hrs. II.
   An introduction to the phenomena of nuclear chemistry and physics. 3 lec.
   PR: Physics 320 and Mathematics 231 or consent of instructor.

463. NUCLEAR CHEMISTRY AND PHYSICS LABORATORY. 2 hrs. II.
   Accompanies or follows Physics 462. 4 lab.
   PR: Physics 203, 204, and Mathematics 231.

470. MATHEMATICAL METHODS OF PHYSICS. 3 hrs.
   Applications of advanced topics in mathematics to problems in physics. 3 lec.
   PR: Physics 203 and Mathematics 335.

471-472. SEMINAR. 1 hr. I, II.
   One semester required of physics majors.

476. SOLID STATE PHYSICS. 3 hrs.
   A study of such topics as the crystalline state, specific heats, electronic properties, superconductivity, and related properties of solids. 3 lec.
   PR or CR: Physics 320 or Chemistry 447 and Mathematics 231.

480. QUANTUM MECHANICS. 3 hrs. Offered on demand.
   A study of waves and particles, the Schroedinger and Heisenberg formulations, particles in potential fields, scattering and perturbation
theories, and applications to atomic and nuclear structure. 3 lec.
PR: Physics 470 or Chemistry 447 or consent of instructor.

482-483-484-485. SPECIAL TOPICS. 1-4; 1-4; 1-4; 1-4 hrs. I, II, S.
By permission of department chairman

Physical Science
(PS)

109-110. GENERAL PHYSICAL SCIENCE. 4; 4 hrs. I, II, S.
The universe, energy and its various forms, force and motion. The
crust of the earth, rocks, minerals, weather, and wave motion. For
Teachers College students only.
PR: Mathematics Education 101 or equivalent.

400. ASTRONOMY. 3 hrs. I, S.
A study of the stars and planets and galaxies, planetary motion,
cosmology, cosmography. Designed to assist teachers and others to
develop an interest in astronomy.
PR: Physics 200-203 or Physical Science 109-110.

483. DEVELOPMENT OF SCIENTIFIC THOUGHT. 3 hrs. II, S.
A study of the men and ideas which have influenced science: the
philosophy of their periods; the economic conditions leading to
scientific advancement; and the works of the foremost men in this field.
PR: A total of twelve hours in physical science, physics, and
chemistry courses.

POLITICAL SCIENCE
(PSC)

Dr. Paul D. Stewart, Chairman

COLLEGE OF ARTS AND SCIENCES

Professors Choi, Perry, Stewart
Associate Professor Abbas
Assistant Professors Carson, Feuerle, Matz, Rosswurm

201. AMERICAN NATIONAL GOVERNMENT AND POLITICS.
3 hrs. I, II, S.
The American federal government system, with emphasis on
constitutionalism, governmental structure, and the political process.

202. AMERICAN STATE GOVERNMENT AND POLITICS. 3 hrs. I, II.
Study of the institutions, processes, and significance of this level of
political life in America.

205. FUNDAMENTALS OF POLITICS. 3 hrs.
Comparative survey of major concepts; institutions; processes; and
governments, including the British, French, and Soviet, as seminal
models of modern political systems.
300. SCOPE AND METHOD IN POLITICAL SCIENCE. 3 hrs.
   Study of the development of political science as a distinct science and discipline, and of the fundamentals of research in political science, such as bibliographical techniques; use of scientific method; textual and case-study approaches; and decision-making, power, communications and systems analysis.

301. URBAN GOVERNMENT AND POLITICS. 3 hrs.
   Political systems in American cities and metropolitan areas.

303. AMERICAN POLITICAL PARTIES. 3 hrs.
   Examination of the American party system, its origins, its development, and some of its major characteristics, as well as such topics as party organization, leadership recruitment, campaigns and elections, party impact on public policy, and party reform.
   PR: Political Science 201 or 202.

307. PUBLIC OPINION AND PROPAGANDA. 3 hrs.
   Study emphasizing the major determinants of attitudes and of opinion formation and change, analysis and measurement of opinions, and the linkage between opinions and official decision-making.

309. FUNDAMENTALS OF INTERNATIONAL RELATIONS. 3 hrs.
   Survey of major concepts and approaches in the study of international relations and analysis of processes, institutions, strategies, and trends in world politics.

333. PUBLIC ADMINISTRATION. 3 hrs.
   Introduction to modern theories of administration; the relation of administration to the political system and process; and analysis of administrative organizations and functions, including planning, personnel, and finance.
   PR: Political Science 201 or 202.

370. THE POLITICS OF TRANSITIONAL SOCIETIES. 3 hrs.
   Study of major concepts, institutions, and processes in political modernization, with comparative illustrations from various developing nations.

376. BLACK POLITICS. 3 hrs.
   Study emphasizing power structures in black sub-committees, dissent and protest, problems and trends, and the uniqueness of black politics as compared with the politics of other ethnic groups.

381. THE AMERICAN LEGISLATIVE PROCESS. 3 hrs.
   Structure and behavior of American national and state legislative systems; the impact of constituencies, parties, interest groups, interpersonal relations, and other factors on the legislative policy-making process; the role of the legislature as a subsystem in the larger political system; and problems and trends.
   PR: Political Science 201 or 202.
THE AMERICAN EXECUTIVE PROCESS. 3 hrs.
Study of governmental executives in the American political system, with emphasis on the president, including analysis of constitutional status and powers, recruitment, administrative responsibilities, political and legislative leadership, accountability, and problems and trends.
PR: Political Science 201.

SELECTED TOPICS. 3; 3; 3; 3; 3 hrs.
To offer a course seminar or workshop on some special topic in the field of political science which is not adequately treated in the regular course offerings.

INTERNATIONAL ORGANIZATIONS. 3 hrs.
Study of world and regional organizations as reflections of world politics, as instruments of foreign policies, and as forces for change and order, with emphasis on their role as channels for management of cooperation and conflict.
PR: Political Science 309.

INTERNATIONAL POLITICS. 3 hrs.
Study of major issues in world politics, with emphasis on theoretical approaches, problems of war and peace, and contemporary trends.
PR: Political Science 309.

ASIAN POLITICS. 3 hrs.
Study of such nations as India, China, Japan, and Korea in the contemporary setting.

MIDDLE EASTERN POLITICS. 3 hrs.
Study of the Arab States and such nations as Israel, Iran and Turkey in the contemporary setting.

WESTERN DEMOCRATIC POLITICS. 3 hrs.
Study of such nations as Canada and those of Western Europe, particularly Great Britain and France.

EUROPEAN COMMUNIST POLITICS. 3 hrs.
Study of the Soviet Union and Eastern Europe.

LATIN AMERICAN POLITICS. 3 hrs.
Study of selected Latin American nations in the contemporary setting.

INTERNATIONAL LAW. 3 hrs.
Study of theories, origins, sources, development, present state, and trends of international law as a factor in various aspects of international politics.
PR: Political Science 309.

FOREIGN POLITICS OF WESTERN NATIONS. 3 hrs.
Study of the formulation, implementation, and consequences of the
foreign policies of selected Western nations such as the U. S., Great Britain, and France, with consideration of variables influencing the content and direction of their international behavior.

419. FOREIGN POLICIES OF COMMUNIST NATIONS. 3 hrs.
Study of formulation, implementation, and consequences of the foreign policies of selected Communist nations such as the Soviet Union and China, with consideration of variables influencing the content and direction of their international behavior.

421. FOREIGN POLICIES OF DEVELOPING NATIONS. 3 hrs.
Study of the formulation, implementation, and consequences of the foreign policies of selected developing nations such as India, Nigeria, and Brazil, with consideration of variables influencing the content and direction of their international behavior.

425. ANCIENT AND MEDIEVAL POLITICAL THOUGHT. 3 hrs.
Selective study of classics of Western political theory from earliest times through the 15th century, such as that of Plato, Aristotle, the Romans, Augustine, and Aquinas.

426. MODERN POLITICAL THOUGHT. 3 hrs.
Selective study of classics of Western political theory from the 16th through the 18th century, such as that of Machiavelli, Bodin, Hobbes, Locke, Rousseau, Hume, and Burke.

427. RECENT POLITICAL THOUGHT. 3 hrs.
Selective study of political thought of the 19th and 20th century, such as the philosophy, theory and ideology of democracy, socialism, elitism, communism, and fascism.

429. THE POLITICS OF CONFLICT AND REVOLUTION. 3 hrs.
Study of major theories of conflict and revolution, and analysis of conflict-inducing and conflict-inhabiting factors related to system maintenance, with emphasis on the relevance of the literature in this area to the black community.

433. PUBLIC ADMINISTRATION AND POLICY DEVELOPMENT. 3 hrs.
Study of economic, sociological, psychological, and political factors in the shaping of public policy and planning, with stress on inter-relationships between politics, administration, and planning.
PR: Political Science 201 or 202.

440. POWER IN AMERICAN SOCIETY. 3 hrs.
Study of the distribution of power in American society at the community and national level, with emphasis on the various methods employed by social scientists to portray the community and national power structures.

461. THE FUNCTIONAL DIMENSION OF URBAN POLITICS. 3 hrs.
Study of policy problems of metropolitan political systems in terms of the functional requirements of a viable urban community, with emphasis on problems having special relevance to the black community.
485. AMERICAN CONSTITUTIONAL LAW: POWERS AND RELATIONSHIP. 3 hrs. I.
The basic structural and functional principles of American constitutional government, with emphasis on leading cases relative to judicial, congressional, and presidential powers; separation of powers; and federalism.
PR: Political Science 201.

486. AMERICAN CONSTITUTIONAL LAW; CIVIL LIBERTIES. 3 hrs. II.
The basic substantive and procedural principles of American constitutional liberty, with emphasis on leading cases and readings relative to the freedoms, equality, and due process of law.
PR: Political Science 201.

495H-496H. READINGS FOR HONORS IN POLITICAL SCIENCE. 2-4; 2-4 hrs. I, II.
Open only to political science majors of outstanding ability. Both courses must be taken in order to receive credit.
See Honors Courses, page 259.

PSYCHOLOGY (PSY)

Dr. George Ward, II., Chairman

COLLEGE OF ARTS AND SCIENCES
(Division of Social Sciences)

Professors Ward, Wolf
Assistant Professors Alsip, Chezik, Collen, Cooperman, Schwendiman

201. GENERAL PSYCHOLOGY. 3 hrs. I, II, S.
The principles and methods in the scientific study of behavior.

204. PERSONALITY AND ADJUSTMENT. 3 hrs. I, II, S.
Modes of personal and social adjustment; assessment and treatment techniques.
PR: Psychology 201.

223. INTRODUCTION TO PSYCHOLOGICAL METHODS. 3 hrs. I, II, S.
Orientation to the philosophy of science; survey of methods in behavior study; elementary statistics.
PR: Psychology 201.

302. SOCIAL PSYCHOLOGY. 3 hrs. I, II.
Psychological interrelationships in group behavior.
PR: Psychology 201.
311. PSYCHOLOGICAL DEVELOPMENT: INFANCY TO OLD AGE. 3 hrs. I, II, S.
   Psychological characteristics and personal and social problems of developmental periods of life span.
   PR: Psychology 201.

323. EXPERIMENTAL PSYCHOLOGY OF LEARNING AND MOTIVATION. 3 hrs. I.
   Methodology and research in learning and motivation. 2 lec-2 lab.
   PR: Psychology 223.

324. EXPERIMENTAL PSYCHOLOGY OF SENSATION AND PERCEPTION. 3 hrs. II.
   Methodology and research in sensory and perceptual processes. 2 lec-2 lab.
   PR: Psychology 223.

340. PHYSIOLOGICAL PSYCHOLOGY. 3 hrs. II.
   The relationships between physiological functions and biochemical processes and behavior.
   PR: Psychology 201.

402. ADVANCED SOCIAL PSYCHOLOGY. 3 hrs. II.
   Advanced study of selected topics in social psychology.
   PR: Psychology 223, Psychology 302 or consent of instructor.

406. MENTAL ABILITIES: TEST INTERPRETATION. 3 hrs. I, S.
   The nature of intelligence; interpreting mental test data.
   PR: Psychology 223, 311; for education majors, Education 435 and consent of instructor.

408. PSYCHOLOGY OF ABNORMAL BEHAVIOR. 3 hrs. II.
   A bio-social approach to the nature, conditions and modification of ineffective human behavior.
   PR: Psychology 311.

416. PSYCHOLOGY OF LEARNING. 3 hrs. II.
   Critical study of the major theories of learning and the related research.
   PR: Twelve hours of psychology including Psychology 323.

417. PSYCHOLOGICAL STATISTICS. 3 hrs. II.
   An intermediate level presentation of descriptive and inferential statistics as applied in behavioral research. 2 lec-2 lab.
   PR: Psychology 323, 324, 406, Mathematics 120.

418. PSYCHOLOGY OF PERSONNEL. 3 hrs. I, II.
   Psychological principles and methods applied to functions in personnel administration.
   PR: Psychology 201.

460. HISTORY AND SYSTEMS OF PSYCHOLOGY. 3 hrs. I.
   PR: Twelve hours of psychology.
490. PROBLEMS IN PSYCHOLOGY. 1-4 hrs.
Independent study and research.
PR: Senior standing, 20 hours of psychology, and consent of department chairman.

495H-496H. READINGS FOR HONORS IN PSYCHOLOGY. 4; 4 hrs. I, II.
Open only to psychology majors of outstanding ability. Both courses must be taken to receive credit.
See Honors Courses, page 259.

SOCIAL STUDIES
(SOS)

Dr. Edwin Cubby, Chairman

TEACHERS COLLEGE

Professors Cubby, Brown
Associate Professors Callebs, Cleveland, Coffey
Assistant Professors Cox, Karr, Paynter
Instructors Burchett, Goen, Gruber, Peters, Riddel

104-105. WESTERN CIVILIZATION IN ITS WORLD SETTING.
3; 3 hrs. I, II, S.
An interpretative historical survey of the development of the contemporary world with emphasis on western civilization. A division is made at 1660.

201-202. FUNDAMENTAL SOCIAL PROBLEMS. 3; 3 hrs. I, II, S.
An interdisciplinary approach emphasizing the sociological aspects of major problem areas in the first course, and the political and economic aspects of major problem areas in the second course.

295. THE NEGRO IN AMERICAN CULTURE. 3 hrs.
The Negro’s role in American history, literature, music, art, theater, and the nature of racial problems as viewed by the sociologist.

296. THE NEGRO: MEN AND ISSUES IN AMERICA. 3 hrs.
Political, economic, social, psychological, and philosophical aspects of American racial problems, past and present.

303. WEST VIRGINIA HISTORY, GEOGRAPHY AND GOVERNMENT.
3 hrs. I, II, S.

482-483-484-485. SPECIAL TOPICS. 1-3; 1-3; 1-3; 1-3 hrs. I, II, S.
Social studies majors and minors with permission of the department chairman.

495H-496H. READINGS FOR HONORS IN SOCIAL STUDIES.
2-4; 2-4 or not less than 6 hrs. total credit.
See Honors Courses page 259.
SOCIOL OGY AND ANTHROPOLOGY

Dr. O. Norman Simpkins, Chairman

COLLEGE OF ARTS AND SCIENCES

(Division of Social Sciences)

Professors Simpkins, Comfort, Habel, Sill
Assistant Professors Adams, Singh
Instructors Araza, Dixon, Ohgren

Anthropology

(ANT)

301. CULTURAL ANTHROPOLOGY. 3 hrs.
Introduction to the scientific study of culture with emphasis on the
cultures of small-scale societies.

343. PRIMITIVE CULTURES. 3 hrs.
Comparative analysis of selected small-scale cultural systems.
PR: Anthropology 301.

405. COMMUNITY DEVELOPMENT. 3 hrs.
Principles of applied anthropology in community development.
PR: Six hours of anthropology and sociology.

426. AFRICAN CULTURES. 3 hrs.
Comparative analysis of the tribal cultures of Africa.
PR: 6 hours of anthropology or departmental permission.

427. ETHNIC RELATIONS. 3 hrs.
Analysis of cultural contact situations with emphasis on the role of
Western European cultures.
PR: Six hours of anthropology or permission of instructor.

430. THE AMERICAN INDIAN. 3 hrs.
Comparative analysis of Indian tribal cultures of the Americas.
PR: Six hours of anthropology or permission of instructor.

455. APPALACHIAN CULTURE. 3 hrs.
Analysis of the culture of Appalachia.
PR: Six hours of anthropology or permission of instructor.

456. APPALACHIAN FIELD EXPERIENCE I. 6 hrs.
Supervised field work in an Appalachian community studying the
social and cultural characteristics of the area. Four afternoons each
week plus one class hour.
PR: Anthropology 455.
COURSES OF INSTRUCTION

Sociology
(SOC)

101-102. INTRODUCTION TO THE BEHAVIORAL SCIENCES. 3,3 hrs.
   An interdisciplinary introduction to the basic behavioral sciences.

200. INTRODUCTORY SOCIOLOGY. 3 hrs.
   Introduction to the study of human society. (Open to freshmen).

208. MARRIAGE RELATIONS. 3 hrs.
   A functional course in the personal, social, and cultural factors
   involved in courtship and marriage. (Open to freshmen). (May not be
   taken for credit on major.)
   PR: None.

300. PRINCIPLES OF SOCIOLOGY. 3 hrs.
   Analysis of sociological conceptual systems and theories. (Required
   of all majors.)
   PR: Sociology 101 or 102 or 200.

302. SOCIAL PSYCHOLOGY. 3 hrs.
   (Same as Psychology 302. Taught in the Department of
   Psychology.)
   PR: Psychology 201.

305. COMMUNITY ORGANIZATION. 3 hrs.
   Comparative analysis of the social organization of various types of
   communities with emphasis on communities in large-scale societies.
   PR: Sociology 200.

307. PUBLIC OPINION AND PROPAGANDA. 3 hrs.
   (Same as Political Science 307. Taught in the Department of
   Political Science.)

310. SOCIAL BEHAVIOR. 3 hrs.
   The sociology of the individual.
   PR: Sociology 200.

311. DEVIANT BEHAVIOR. 3 hrs.
   Study of the basic concepts and theories of deviant social behavior
   and the correlative social disorganization.
   PR: Sociology 310 or Sociology or Psychology 302.

313. CONTEMPORARY SOCIAL ISSUES. 3 hrs.
   Sociological analysis of current social issues. Specific issues studied
   will vary from time to time.
   PR: Sociology 101 or 102 or 200 or Social Studies 201.

320. CRIMINOLOGY. 3 hrs.
   Introduction to the social aspects of criminal behavior.
   PR: Sociology 311.
325. **SOCIOMETRY OF THE NEGRO.** 3 hrs.
   Sociological analysis of the Negro in American society.
   PR: Sociology 101 or 102 or 200.

332. **RURAL-URBAN COMMUNITIES.** 3 hrs.
   Sociology of rural and urban communities with emphasis on the
   process of urbanization.
   PR: Sociology 101 or 102 or 200.

342. **AMERICAN SOCIETY.** 3 hrs.
   Sociological analysis of the basic social and cultural features of
   contemporary American society.
   PR: Sociology 101 or 102 or 200.

344. **SOCIAL RESEARCH I.** 3 hrs.
   Introduction to systematic sociological research methodology. 2
   lec-2lab.
   PR: Sociology 300.
   CR: Sociology 345.

345. **SOCIAL STATISTICS I.** 3 hrs.
   Introduction to statistical analysis of social data. 2lec-2lab.
   PR: Mathematics 130.
   CR: Sociology 344.

400. **HUMAN ECOLOGY.** 3 hrs.
   Study of the ecological structure and processes of human
   communities, regions, and areas.
   PR: Sociology 101 or 102 or 200.

401. **POPULATION PROBLEMS.** 3 hrs.
   Study of population characteristics, growth, and trends with
   emphasis on the social and cultural implications.
   PR: Six hours of sociology.

403. **SOCIAL RESEARCH II.** 3 hrs.
   Intermediate social research methodology with emphasis on
   research design. 2 lec-2lab.
   PR: Sociology 345.

408. **THE FAMILY.** 3 hrs.
   Theoretical analysis of the family as a primary social institution.
   PR: Six hours of sociology.

409. **SOCIAL WELFARE.** 3 hrs.
   The development of social welfare as a contemporary social
   institution and of social work as a profession. (Limited enrollment.)
   (Advance permission required.)
   PR: Sociology 305.
   CR: Sociology 431.
410. SOCIAL WORK. 3 hrs.
Preprofessional introduction to social case work and to social group work. (Limited enrollment.) (Advance permission required.)
PR: Sociology 409 and 431.
CR: Sociology 432.

412. SMALL GROUPS. 3 hrs.
Study of the dynamics of small groups with emphasis on role theory.
PR: Psychology or Sociology 302 or Sociology 310.

413. COLLECTIVE BEHAVIOR. 3 hrs.
Analysis of non-rational uninstitutionalized social behavior.
PR: Six hours of sociology or permission of department.

421. SOCIOLOGICAL THEORY I.
The development of social thought and early sociological theory.
PR: Six hours of sociology or departmental permission.

429. SOCIAL LEGISLATION. 3 hrs.
Contemporary social welfare legislation and its social implications.
PR: Six hours of sociology or departmental permission.

431. FIELD STUDY I. 3 hrs.
Supervised field experience in a welfare agency or community action organization with regular conference with instructor. Two afternoons each week plus one class hour. Must be registered for Sociology 409.
PR: Sociology 305 and permission of instructor.
CR: Sociology 409.

432. FIELD STUDY II. 3 hrs.
Supervised field experience in a welfare agency or community action organization with regular conferences with instructor. Two afternoons each week plus one class hour. Must be registered for Sociology 410.
PR: Sociology 409, 431, and permission of instructor.
CR: Sociology 410.

433. INDUSTRIAL SOCIOLOGY. 3 hrs.
Study of the organization and structure of the work plant as a social system; the meaning and organization of work; managerial functions; management-labor relations; and human relations in industry.
PR: Sociology 412.

435. JUVENILE DELINQUENCY. 3 hrs.
Theories of delinquency causation and prevention; organization and functions of social agencies operating in the field.
PR: Sociology 311.

436. AGING IN WESTERN CULTURE. 3 hrs.
Study of the problems associated with maturity, retirement, and old age in contemporary industrial societies.
PR: Six hours of sociology or departmental permission.

439. SOCIAL STRATIFICATION. 3 hrs.
Analysis of various theories of stratification, with emphasis on the American class system.
PR: Six hours of sociology or departmental permission.

442. METROPOLITAN COMMUNITIES. 3 hrs.
Sociology of metropolitan communities.
PR: Sociology 200, Sociology 332.

445. SOCIAL STATISTICS II. 3 hrs.
Intermediate level statistical analysis, including analysis of variance and covariance. 2 lec.-2 lab.
PR: Sociology 345.

446. SOCIAL INTERVENTION. 3 hrs.
Study of the major approaches used in the alleviation of social problems: (1) working with the individual and/or family; (2) working with groups; and (3) working with the community.
PR: Sociology 409, 410, 431, 432.
CR: Sociology 447.

447. FIELD STUDY III. 3 hrs.
Supervised field experience in a welfare agency or community action organization with regular conferences with instructor. Two afternoons each week plus one class hour.
PR: Sociology 409, 410, 431, 432.
Sociology 446.

448. CHILD WELFARE. 3 hrs.
Survey of the development of children's services from colonial times to the present.
PR: Sociology 409, 410, 431, 432.
CR: Sociology 449.

449. FIELD STUDY IV. 3 hrs.
Supervised field experience in a welfare agency or community action organization with regular conferences with instructor. Two afternoons each week plus one class hour.
PR: Sociology 409, 410, 431, 432.
CR: Sociology 448.

450. SOCIOLOGY OF RELIGION. 3 hrs.
Sociological analysis of religion as a social institution.
PR: Six hours of sociology or departmental permission.

460. SENIOR SEMINAR. 1 hr.
Seminar on sociology as a profession; including the passing of a comprehensive examination of all major courses and taking the
COURSES OF INSTRUCTION

Graduate Record Examination. (Required of all majors.)  
PR: Graduating senior status, majors only.

495H-496H. READINGS FOR HONORS IN SOCIOLOGY. 2-4; 2-4 hrs. I, II.  
Open only to sociology majors of outstanding ability. Both courses must be taken to receive credit.  
See Honors Courses, page 259.

SPEECH  
(SPH)

COLLEGE OF ARTS AND SCIENCES  
(Division of Humanities)

Professors Harbold, Buell, Dedmon, Garrett, Hoak, Hope, Novak, Olson, Page  
Associate Professors Cortes, Kearns, Kellner  
Assistant Professors Broh, Denman, East, Harrod, D. Johnson, Lustig, Milicia  

103. FUNDAMENTALS OF SPEECH-COMMUNICATION. 3 hrs. I, II.  
Not open to juniors and seniors.

202. INTRODUCTION TO PUBLIC ADDRESS. 3 hrs. I, II.  
Source credibility, lines of reasoning, psychological appeals, attention factors, methods of topic and audience analysis, style and the application of this basic theory to the practice of various forms of public address.

205. ARGUMENTATION AND DEBATE. 3 hrs. I, II.  
Basic principles of argument; practice in discussion and debate. Recommended but not a prerequisite for intercollegiate debating.  
PR: Speech 103.

207. BUSINESS AND PROFESSIONAL SPEAKING. 3 hrs. I, II.  
The use of conversation, conference speaking, and public speaking in business and the professions, with primary emphasis upon the first two types of speaking. Including parliametary law.  
PR: Speech 103.

209. INTRODUCTION TO THEATRE. 3 hrs.  
Fundamentals of theatre arts.

210. ACTING. 3 hrs. I, II.  
Working theories of acting. Development of technical skill through use of various techniques.  
PR: Speech 103, or permission of department chairman.

225-226. INTERCOLLEGIATE DEBATE. 1; 1 hr. I, II.  
PR: Permission of instructor.
227-288. ACTING OR DIRECTING IN UNIVERSITY THEATRE PRODUCTIONS. 1 hr. each.
   Those cast in major roles of Marshall University Theatre productions, chosen by audition in open competition from the entire student body, are eligible to take this course. Also eligible are student directors.
   PR: Permission of instructor only after tryouts which are held in the first week of the semester.

230. INTRODUCTION TO RADIO AND TELEVISION. 3 hrs. I, II.
   A survey course which provides an overview of the field of broadcasting.
   PR: Speech 103.

231. RADIO PRODUCTION AND BROADCAST SPEECH. 3 hrs. II.
   Training in the operation of radio equipment, microphone technique, tape editing and radio production. One hour of laboratory studio work at WMUL-Radio is required.
   PR: Speech 230.

233. INTRODUCTION TO TELEVISION PRODUCTION. 3 hrs. I, II.
   An introduction to the fundamentals of television production dealing with cameras, microphones, lighting, and staging.
   PR: Speech 103 and 230.

237-238. PRACTICE IN BROADCASTING. 1 hr. each. I, II.
   Staff responsibility on campus broadcast facilities, WMUL-FM or WMUL-TV.
   PR: Written permission before registration and the satisfactory completion of one year of service on WMUL.

239. HISTORY AND DEVELOPMENT OF FILM. 3 hrs. II.
   To acquaint the student with the historical development of the motion picture as an art form from its first development to present day.
   To analyze the technical, social, economic and cultural factors which have influenced the medium.
   PR: Speech 103 and Speech 230 or permission of instructor.

240. VOICE TRAINING. 3 hrs. I, II.
   Theory and practice of speech production and improvement.
   PR: Speech 103.

250. STORYTELLING AND DRAMATIZATION. 3 hrs. I, II.
   Training in creative dramatics and telling of stories primarily for teachers of nursery schools, kindergartens and elementary schools.
   PR: Speech 103.

301. PARLIAMENTARY PROCEDURES. 1 hr. I, II.
   A study of the rules of parliamentary law with practice in their usage.

305. PRINCIPLES OF PUBLIC ADDRESS. 3 hrs. I, II.
Beginning course, open to juniors and seniors who have not had Speech 103 or 202, or permission of department chairman.

306. ADVANCED PUBLIC SPEAKING. 3 hrs. I, II.
Advanced forms and practice of exposition and persuasion.
PR: Speech 202 or 305.

307. ORAL COMMUNICATION IN SOCIAL CRISSES. 3 hrs.
Investigation of the functions, ethics, responsibilities and social impact of oral communication in periods of social unrest, with particular emphasis on black rhetoric.
PR: Speech 103.

312-313. PLAY PRODUCTION. 2; 2 hrs. I, II.
Elementary scene design, construction painting, lighting, make-up, work coordinated with University Theatre production.

320. ORAL INTERPRETATION OF LITERATURE. 3 hrs. I, II.
The fundamentals of reading, analyzing, and interpreting literature.
PR: Speech 103 and 240.

321. DRAMATIC READING AND PLATFORM ART. 3 hrs.
Oral interpretation with emphasis on public performance.
PR: Speech 320.

325-326. INTERCOLLEGIATE DEBATE. 1; 1 hr. I, II.
Continuation of Speech 225-226.
PR: Permission of instructor.

327-328. ACTING OR DIRECTING IN UNIVERSITY THEATRE PRODUCTIONS. 1 hr. each.
Those cast in major roles of Marshall University Theatre productions, chosen by audition in open competition from the entire student body, are eligible to take this course. Also eligible are student directors.
PR: Permission of instructor only after tryouts which are held in the first week of the semester.

330. RADIO, TELEVISION AND SOCIETY. 3 hrs. I.
The unusual effects of these agents upon society and their place in modern communications.
PR: Speech 230.

331. RADIO-TELEVISION ANNOUNCING AND NEWSCASTING.
3 hrs. II.
Specialized training in the interpretative skills of announcing and newscasting.
PR: Speech 240.

332. RADIO-TELEVISION CONTINUITY WRITING. 3 hrs. I.
Analysis of the forms and practices in the writing of commercials,
music and talk continuities, with special emphasis on the difference between writing for broadcast and writing for the print media.
PR: Speech 230.

333. HISTORY OF BROADCASTING. 3 hrs. II.
A survey of the history of radio and television in the United States, including the development of educational broadcasting.
PR: Speech 102 and 230.

337-338. PRACTICE IN BROADCASTING. 1 or 2 hrs. I, II.
Staff responsibility on campus broadcast facilities WMUL-FM or WMUL-TV.
PR: Written permission before registration and the satisfactory completion of one year of service on WMUL.

370. LANGUAGE AND SPEECH DEVELOPMENT. 3 hrs.
Sequential patterns in the acquisition of language and speech in relationship to general child development.

403. PLAY DIRECTION. 3 hrs. I.
Primarily for those who will produce plays in schools, churches, and communities.
PR: Speech 210, 312, 313, except for language arts majors.

405. ADVANCED ACTING. 3 hrs. II.
Styles of acting. Interpretation of roles from classical, romantic, and modern dramas.

407. PERSUASION. 3 hrs.
A study of persuasive methods with special attention to the techniques of well-known contemporary speakers.
PR: 202 or 205 or 207.

408. DISCUSSION AND CONFERENCE LEADERSHIP. 3 hrs.
Advanced practical problems in group discussion, symposium, panel, public forum, and conference. The place of public discussion in the democratic process.

418. COMMUNICATION DISORDERS OF SCHOOL CHILDREN. 3 hrs.
A survey of the causes, symptoms, and treatment of communication disorders encountered in the classroom. Not open to speech pathology majors.

420. VOICE IN COMMUNICATIONS. 3 hrs.
Theories of voice production and control; a survey of problems as they relate to phonation and vocal resonance with an emphasis upon voice disorders, laryngectomy and cleft palate.
PR: Speech 370, 429, 439.

422. SPEECH IN COMMUNICATIONS. 3 hrs.
Communication theories underlying the processing and monitoring
of speech signals; a survey of speech disorders as a disruption in this system with emphasis upon articulation and stuttering.  
PR: Speech 370, 429, 439.

424. DIAGNOSTIC PROCESSES WITH COMMUNICATION DISORDERS  
3 hrs.  
Evaluation of procedures for securing behavioral information to differentiate among various communication disorders; a study of symptom complexes. Observation and practice in evaluating communication disorders. 2 lec-2 lab.  
PR: Speech 420, 422, 425, 460.

425. LANGUAGE IN COMMUNICATION. 3 hrs.  
Theories of language as communicative behavior; linguistic processes in language; a comparison between normal and impaired language with emphasis on aphasia in children and adults.  
PR: Speech 370, 429, 439.

426. CLINICAL PROBLEMS WITH COMMUNICATION DISORDERS.  
3 hrs.  
Case study method; detailed analysis of diagnostic and therapeutic procedures appropriate to an assigned clinic patient.  
PR: Speech 470.

427. CLINICAL PRACTICUM WITH SCHOOL CHILDREN. 6 hrs.  
Supervised clinical practice with school-aged children; fulfills student teaching requirement for West Virginia Certification in Speech and Hearing.  
PR: Speech 470.

429. ANATOMY AND PHYSIOLOGY OF THE SPEECH AND HEARING MECHANISM. 3 hrs.  
Study of the anatomical and physiological characteristics of the normal speech and hearing mechanism  
PR: Speech 370.

430. BROADCAST DOCUMENTARY AND DRAMATIC WRITING.  
3 hrs. II.  
Writing techniques for preparing scripts for the documentary, film and dramatic show.  
PR: Speech 103 and 332.

431. ADVANCED TELEVISION PRODUCTION. 3 hrs. I, II.  
Advanced theory and practice in the elements of producing the complete television program.  
PR: Speech 233.

432. USE OF RADIO AND TELEVISION IN THE CLASSROOM.  
3 hrs. II.  
Development of instructional broadcasting; production and utilization of instructional programs.
433. RADIO AND TELEVISION PROGRAMMING. 3 hrs. II.
Planning the individual program for radio and television broadcast.
A study of the fundamentals of program structure. Analysis of program
forms of local and network shows.
PR: Speech 230.

435. BROADCAST LAW AND REGULATION. 3 hrs. II.
Development and present status of the legal structure of broad­
casting in the United States.
PR: Speech 103 and 230.

436. COMPARATIVE SYSTEMS OF BROADCASTING. 3 hrs. I.
Development of various systems of broadcasting practiced in other
countries of the world and comparison with our own. Including recent
trends in international broadcast systems and communications
satellites.
PR: Speech 103 and 230.

437. BROADCAST MANAGEMENT AND ECONOMICS. 3 hrs. I.
Problems and practices in the organization of and operation of
radio and television stations, including study of the economics of the
broadcast industry.
PR: Speech 230.

439. PHONETICS. 3 hrs.
Introduction to the science of speech sounds; study of the phonetic
alphabet and practice in broad transcription. Formerly 339.
PR: Speech 240 or equivalent and Speech 429.

440. PLAY WRITING. 3 hrs.
Principles of dramatic construction. Writing of one-act plays and
sketches for experimental and public performance.

445. CHILDREN'S THEATRE. 3 hrs.
Theory, direction, and staging of plays for children. Creative
dramatics is included. Laboratory work on a production for the public
and individual design-productions.

446. THEATRE HISTORY. 3 hrs.
A survey of mankind's activities in the theatre from primitive times
to the present.

447. SCENE DESIGN. 3 hrs.
The fundamental aesthetic and technical principles of staging are
applied to the educational theatre. Specific attention is given to the
generation of a design from the play manuscript. Laboratory work is
provided through the University Theatre.
PR: Speech 312 and 313.

448. ADVANCED TECHNICAL THEATRE. 3 hrs.
Advanced work in technical phases of mounting a stage production.
PR: Speech 312-313.
450. DIRECTION OF SPEECH ACTIVITIES. 3 hrs. II.
   For those responsible for extra-curricular speech: debate, extempore speaking, oral reading, discussion, oratory.
   PR: 15 hours of speech or permission of department chairman.

460. HEARING IN COMMUNICATION. 3 hrs.
   Psychophysical processes underlying auditory perception; basic audiometry; a survey of hearing disorders.
   PR: speech 370, 429, 439.

463. METHODS AND MATERIALS WITH HEARING DISORDERS. 3 hrs.
   Auditory training and speech reading procedures with the hearing handicapped.
   PR: Speech 460, 470.

468. METHODS AND MATERIALS WITH SPEECH DISORDERS. 3 hrs.
   Organization and administration of school programs for speech and/or hearing handicapped children; therapeutic procedures in a school setting.
   PR: Speech 470.

470. THERAPEUTIC PROCESSES WITH COMMUNICATION DISORDERS. 3 hrs.
   A study of interpersonal behaviors involved in a therapeutic relationship; a survey of learning theories relative to speech and hearing therapy procedures. 2 lec. 2 lab.
   PR: Speech 420, 422, 425, 460.

475. SEMINAR IN SPEECH EDUCATION FOR SECONDARY TEACHERS. 6 hrs.
   A seminar in speech education for secondary and future teachers: a joint teacher-student program where theories and techniques can be studied, applied, and evaluated through practical experiences with high school students.
   PR: By permission only.

479-480. SPECIAL TOPICS IN SPEECH. 1-3 hrs.
   PR: Permission of department chairman.

495H-496H. READINGS FOR HONORS IN SPEECH. 4; 4 hrs. I, II.
   Open only to speech majors of outstanding ability. Both courses must be taken to receive credit.
   See Honors Courses, p. 259.

UNIVERSITY HONORS (UH)

Professor Eric P. Thorn, Director

Seminars designed to provide gifted university students an exciting and demanding course of study; a Great Issues curriculum which cuts across many areas of knowledge and permits the pursuit of individual research projects.
A student may enroll for three to twelve hours in interdisciplinary honors seminars and for a maximum of eight hours in departmental readings for honors. No honors seminar serves as a prerequisite for any of the other seminars, which may be taken individually or sequentially. Qualified students become eligible to graduate with honors in Interdisciplinary Studies, Departmental Honors, or both.

195H-196H. INTERDISCIPLINARY HONORS. 3; 3 hrs.
Open to distinguished freshmen selected on the basis of their ACT scores, high school records, and a personal interview with the Director of University Honors.

395H-396H. INTERDISCIPLINARY HONORS. 3; 3 hrs.
Open to distinguished sophomores and upper classmen of the four undergraduate colleges and schools. Such students may apply for admission to the seminar through the Director of University Honors.

495H-496H. DEPARTMENTAL READINGS FOR HONORS. 6-8 hrs. total.
See individual departmental listings.
