FOREWORD

For the first time in Marshall history this booklet has been prepared for *all* the students, and for the first time it has been published by a college organization. The Y.M.C.A. appreciates the honor and responsibility which have been conferred upon it by the Student Council, and hopes that the finished product is worthy of the Student Body and the College.

Every owner of this Handbook will find in it a store of handy information and useful facts. Let it be used to the advantage of every student, the College and the State! Let the user remember that he is not only *preparing* for life, but actually *living* it!

Dr. M. P. Shawkey, President of
Marshall College.

THE PRESIDENT'S GREETING

Last year an aggregate of 700 Freshmen came together on the Marshall campus where you are now assembled. This convocation of so large a number entering upon a college career constitutes an event of state-wide importance. The event is crucial. To every individual it is critical. It is a time for decisions, new understandings and permanent plans. To be right in all these will mean much. It is our hope that you each and all escape the mistake of a wrong start. We cheerfully proffer you all the assistance we can give.

You who belong to this group belong to the largest class in the college. Your numbers give you prestige and power. The test will be in your using this power and prestige properly and to the advantage of yourselves and the college.

It is an intriguing concept that among the milling dozens of "first timers" in your freshman group you will doubtless meet for the first time some who will become lifelong friends. To look ahead and see the development of these priceless friendships would be an inspiration. That you will not be able to do, but you can have the heartening assurance that such friendship will develop.

We hope you will catch the Marshall spirit quickly. That will help you get a good start and it will help you all along the way. Just remember that these first, or "Freshman days," are for the purpose of showing you a good time and letting you get started in the best way. Don't miss your chance.

MORRIS P. SHAWKEY,
President.

Harper Grimm was elected President of the Student Body after a marked career of service to the students and the college. He has served as President of his class in its Junior year; as a member of the Inter-Fraternity Council for three years and as its President for one year; and as President of the Alpha Kappa Pi Fraternity for two years. He is a member of the Harlequin Club and of the Y. M. C. A.

STUDENT PRESIDENT'S MESSAGE

Throughout the pages of this handbook are briefly explained the various organizations and activities of Marshall College. At the top or centralizing point of the various organizations, so far as the students are concerned, is a student government represented by a Student President, a Student Council, and a Student Court. Through your efforts in matriculating at Marshall you have expressed your willingness to become a member of this student association and therefore must assume your responsibilities and duties as such.

It is to your greatest advantage to become thoroughly acquainted with the newly adopted Constitution of the Student Body. Your own participation in collegiate affairs will depend entirely upon the extent to which you become acquainted with the functions of the Student Body, together with your sincerity of purpose in doing well that which should be done for the benefit of all.

It is the Freshman Class that brings from year to year the new influences that find further development on Marshall's campus. It is this class that in 1935 will find entrusted to them the guardianship of all that which we hold good for Marshall College. It is for this reason that you are experiencing a period of orientation, that you may more ably enter into the life of the college with credit both to yourself and to your Alma Mater.

The Freshman Class will submit to the Election Board on or before September 23, 9 o'clock A.M., the various nominees for three class officers and two Student Council representatives. The names of the nominees for class president and Student Council representatives must be submitted in

petition form accompanied by the signatures of at least ten per cent of the total membership of the class. The nominees for the other class officers, vice president and secretary-treasurer, are not selected by this procedure, it being only necessary to file announcement of candidacy with the Election Board. Under no circumstances will a student be permitted to sign more petitions than there are representatives to be elected from his class. Briefly, a student may sign but two petitions for representatives to the Student Council, and but one for the class president, comprising a total of three petitions. On September 30, from 10 A.M. to 12 M. the election shall be held by secret ballot in a specially designated voting place. Start now! Organize your class! See that your best men fill these important positions.

Freshmen, in conclusion, I trust that you will consider it a privilege to observe the rules and regulations as adopted by the Student Council and enforced by a duly selected committee. You will find this enforcing group willing to aid you in whatever way possible and at all times courteous, honorable, and gentlemanly in their actions.

Respectfully yours,
HARPER GRIMM,
President Student Body.

CONSTITUTION of the STUDENT BODY of MARSHALL COLLEGE

PREAMBLE

We, the regularly enrolled students of Marshall College, comprising the Student Body of Marshall College, in order to encourage active cooperation in the work of student government, to uphold the highest standards of honor and integrity in all matters of personal conduct, to strengthen cordial relations between faculty and students, to enact and enforce laws according to the grant of powers, to provide for the formation of an official body known as the Student Council, to give adequate and effective expression to the opinion of the Student Body in matters of general college interest, do hereby ordain and establish this constitution for student government of Marshall College.

ARTICLE I—LEGISLATIVE

Section 1. All executive and legislative powers herein granted shall be under the direction of the President of the Student Body and the several members of the Student Council, elected as hereinafter provided.

Section 2. The several members of the Student Council shall be:

(a) Two representatives from the Freshman class, elected for a term of one year by and from the class.

(b) Three representatives, one to serve for a term of two years and two for a term of one year, elected by the Sophomore class from its membership.

(c) Two representatives (each to serve for a term of two years) from the Junior class, elected by the class, thus making a total of three with the hold-over member.

(d) Two representatives, each to serve for a term of one year, elected by and from the Senior class, thus making a total of four with the two hold-over members.

(e) The President of the Student House Government Association.

(f) The editor-in-chief of the official college year book, The Mirabilia, and the Council editor of the official college newspaper, The Parthenon, as ex-officio, non-voting members.

Section 3. Representatives to the Student Council shall be elected as follows:

(a) Candidates shall be nominated by a petition of ten per cent of the membership of the class. These petitions shall be presented to the Election Board by 9:00 A. M., on the third Wednesday after the first Monday of the fall term of school. No student may sign more petitions than there are representatives to be elected from his class.

(b) The Election Board shall consist of the President of the Student Body, the hold-over members of the Student Council, and one of the regularly appointed faculty class advisers who shall be designated by the President of the College for each of the four classes.

(c) The Election Board shall announce all nominees at once, and shall appoint five persons for each class to supervise the election.

(d) The election shall be held by secret ballot from 10:00 A. M. to 12:00 M., one week after the final date for presentation of petitions, each class having a separate voting place. Nominees shall be listed in the order in which their petitions are presented. Each candidate shall be entitled

to a challenger within the voting room. In elections to choose representatives for terms of varying lengths, candidates receiving the largest number of votes shall receive the longer terms.

(e) The Election Board shall count the votes immediately after election. All protests shall be filed with the President of the Student Body within one week after the election and shall be considered by the Student Council.

(f) When vacancies occur in the representation, such vacancies shall be filled by the body represented as heretofore provided.

(g) Any member of the Student Council or officers of the Student Body with the exception of the Student President may be removed from office upon a three-fourths vote of the Student Council. Charges shall be preferred by any member of the Student Body. The charges shall have been brought two weeks prior to the date of the vote, and each member of the Council shall be notified of the nature of the meeting at least one week prior to the date of the meeting.

Section 4. The first regular meeting of the Student Council shall be held the day following the election of Council members. At this meeting the Council shall designate the time of its meetings. The Student Council shall meet regularly every two weeks following the initial meeting, except during vacations. Nine regular members present at any meeting shall constitute a quorum.

Section 5. The Student Council shall have the following powers and duties:

(a) To conduct during the college year four assemblies, which may or may not include such assemblies as may be necessary for the election of the President of the Student Body.

(b) To elect the editor-in-chief and business manager of The Mirabilia upon recommendation of the retiring editor and business manager.

(c) To arrange for the publication and circulation of a yearly handbook containing the constitution of student government, traditions and laws of Marshall College, and such other material as may seem advisable. The publication of this handbook may be delegated from year to year to college organizations at the discretion of the Council.

(d) To present awards in the name of the Student Body.

(e) To make and control freshman rules provided that enforcing authority may be delegated to an organization composed of students who indicate their desire to participate in enforcement by presenting their names to the President of the Student Body. Only students whose scholastic average the previous year at Marshall College has been C or better shall be eligible for membership in this enforcement organization.

(f) At its discretion, the Council may draft a point system for student offices.

(g) To approve the appointment of a Council editor of The Parthenon, who shall be an ex-officio non-voting member of the Council and a regular member of The Parthenon staff.

(h) The Council may at any time ask an explanation of policies of college publications if the said policies seem contrary to college interests, and may recommend the removal of staff members.

(i) The Student Council, as representative of the Student Body, shall have the power, subject to the approval of the Administration and the State Board of Education, to enact rules and regulations in all matters of student activity not strictly academic, and shall have the further pow-

er to enact rules as may be necessary to carry out the provisions of this constitution.

ARTICLE II—EXECUTIVE

Section 1. Nominations for the office of President of the Student Body of Marshall College shall be made at the first regular meeting of the Student Body in May of each year. There shall be at least two nominees for the office of President, all nominees being academic Juniors. The President of the Student Body, upon the assumption of his office, shall be an academic Senior. A secret ballot shall be taken one week from the date of nominations and in case no candidate receives a majority, another ballot shall be taken one week later on the two candidates having the highest number of votes. A majority shall be necessary for election. The election for Student President shall be conducted by an Election Board appointed by the President of the Student Body, provided that each candidate shall be entitled to a representative on the Board. Each candidate shall also be entitled to two challengers within the voting place. If the President be ineligible at the time of his assumption of office, the vacancy shall be filled by a regular election as provided for above, to be held the third week of the fall term of school.

Section 2. To remove the President of the Student Body, a petition signed by twenty-five per cent of the Student Body shall be submitted to the Student Court. At the discretion of said Student Court, a new election may be called at which the President may stand for re-election. If the Student Court does not consider that there are grounds for calling a new election, any further action to remove the President shall require a petition signed by fifty per cent of the Student Body. This petition will automatically call a new election.

Section 3. The President of the Student Body shall have the following powers and duties:

(a) Preside over all Student Council meetings, and call special meetings when he deems it necessary. He shall vote in the Council only in case of a tie.

(b) Appoint all special committees.

(c) Appoint two members of the Student Body on the college Athletic Board, two on the college Social Activities Committee, and three on the college Assembly Committee. Each of these appointments shall be confirmed by the Student Council.

(d) The Student President shall act for and represent the Student Body on all official occasions.

Section 4. The Student Council at its first meeting shall choose from its membership a vice president who shall have the same qualifications as the President, a Secretary, a Treasurer, and any other officers deemed necessary.

Section 5. The powers of these Council officers shall be as follows:

(a) The Vice President of the Student Body shall assume the powers and duties of the President in the absence of, or at the request of, the President of the Student Body.

(b) The Secretary of the Student Body shall write and preserve records of all Student Council meetings. At the end of the Secretary's tenure of office, he shall deliver to the President-elect his records, which shall in turn be entrusted to the new duly elected Secretary.

(c) The Treasurer of the Student Body shall be in general charge of all collections and disbursements of the finances of the Student Body; said collections and disbursements to be authorized by the Student Council. Two weeks before the end of his tenure of office, the Treasurer shall present his records to the College Auditing Committee.

Section 6. Elections for all class officers shall be held by secret ballot at the same time and under the same supervision that Student Council representatives are elected. Presidents of classes shall be nominated by petitions of ten per cent of the membership of their respective classes. Each class shall also elect a vice president and a secretary-treasurer, candidates for which shall be nominated by filing an announcement of candidacy with the Election Board. All class officers must be academic members of that class, and petitions for president and announcements for other officers shall be presented to the Election Board not later than the final date for Student Council petitions as set forth in Article I, Section 3 a.

ARTICLE III—STUDENT COURT

Section 1. There shall be a Student Court composed of three faculty members appointed by the President of the College and four students appointed by the President of the Student Body and confirmed by a two-thirds majority of the total membership of the Student Council. Of these student members, all of whom shall be academic Juniors or Seniors, one shall be a fraternity man, one a sorority woman, one a non-fraternity man, and one a non-sorority woman. The Court shall meet within a week after the organization of the Student Council and shall elect its own officers. At this first meeting the Court shall designate the time of its meetings.

Section 2. The powers and duties of the Student Court shall be:

(a) To consider cases of dishonesty, breaches of social etiquette, infringements of college traditions, and all matters contrary to the best interests of the college.

(b) The Court shall have final judgment as to the constitutionality of acts of the Student Council and as to the interpretation of this constitution.

(c) To render decisions and pass sentences concerning all matters before it.

Section 3. All college organizations shall submit a report of any social function, through the highest ranking official of the organization present, to the Chairman of the Student Court within four days after the function. Regulation forms shall be provided for this purpose, and any organization failing to make a report shall be held responsible as well as such individuals as may have been delinquent.

Section 4. All students and faculty members shall be privileged to prefer charges or submit reports to the Student Court concerning any matter within its jurisdiction.

Section 5. The Court shall, as individuals, take the juror's oath of secrecy. No records except final decisions of the Student Court shall be recorded and preserved. Final appeal in all matters may be taken to the President of the College.

ARTICLE IV—AMENDMENTS AND BY-LAWS

Section 1. Amendments to this constitution may be proposed either by the Student Council or by a petition signed by ten per cent of the members of the Student Body.

Section 2. Amendments to this constitution shall become valid and integral parts of the constitution through ratification by a two-thirds majority of the members of the Student Body at a meeting called for that purpose, or by a two-thirds vote of the ballot upon the proposed amendment. The method of voting shall be decided upon by the Student Council.

Section 3. An amendment must be proposed at least two weeks before action can be taken upon it. The proposed amendment shall be given public notice on the college bulletin board or advertised in the college newspaper at least ten days before a vote can be taken.

Section 4. By-laws and rules of the Council may be adopted or amended by a majority vote of the Council, provided that the matter shall have been submitted in writing at a previous meeting. By-laws or rules may be passed by unanimous consent without having been previously submitted.

ARTICLE V—DATE OF EFFECT

This constitution shall become effective upon its ratification by a two-thirds majority of the Student Body voting, provided that previously elected members of the Student Council, President, Vice President, Secretary, and Treasurer of the Student Body, and class officers shall serve out their full terms.

STUDENT GOVERNMENT

Marshall's student government has been developing from year to year, and it is now the responsibility of every student to do his part in choosing capable representatives of the student body for every student office. To be able to exercise good judgment in this choice, every student should be thoroughly familiar with the Constitution of the Student Body and the various duties of the Student President, the Student Council, and the Student Court.

Any suggestions for a better student government or new student activities will be appreciated by the officers of the Student Body. Cooperation is essential in every successful enterprise; the officers alone cannot be expected to do all the work. Every loyal Marshallite should feel it his duty to take an active part in at least one campus activity. The President of the Student Body or any other officer will be glad to answer questions or supply information about any student activity.

A BRIEF HISTORY OF THE COLLEGE

"Marshall Academy" was established in 1837, shortly after the death of Chief Justice John Marshall, of the Supreme Court of the United States, in whose honor the school was named. It was organized as a private institution. In 1856 the work of the Academy was enlarged and reorganized, and the name changed to Marshall College.

But little information concerning the early days of the institution is now at hand. None of the records of the school during the time it was an academy are preserved. From the year 1867 to the present time, however, we have a fairly satisfactory record.

At the close of the Civil War a number of the leading citizens in the southwestern part of the new State of West Virginia succeeded in having the legislature take it over as a "State Normal School." Though "Normal" in name, it was wholly academic in its work, and such it remained, with varying fortunes, save a little teaching of pedagogy, school management, and the like, until 1897,

when a practice school of one grade was organized. This the State refused support; and, accordingly, it was abandoned after two years of unappreciated effort, and the school went on again wholly as an academic institution.

In January, 1902, the Department of Education was organized, and a practice school for teachers was opened. In February, 1920, by action of the State Board of Education, the institution became a State Teachers College, conferring its first degrees in June, 1921.

Under authority of the State Board of Education, a further expansion of the institution was effected in June, 1924. At that time the College of Arts and Sciences was formally organized. With the College of Arts and Sciences are affiliated the two-year course in engineering, and the pre-medical and the pre-law courses.

Into the fray
They'll win today
They'll win for you and me.

Worn o'er hearts so true
Every man of Marshall
Will fight the fight for you.
You're the inspiration

All hail! Alma Mater,
Thy cherished name we sing.
All hail gracious mother,
To thee our voices ring!
Through glad days yet fleeting,
Through years that are to be,
We laud thee, O Marshall,
Our hearts sing to thee!
Thy walls rise in beauty
'Mid shade of vine and tree.
They shelter thy children
And bind them safe to thee.
Thy spirit, O Marshall,
In every heart beats high,
Live on, Alma Mater,
Thy name ne'er shall die.

INVOCATION

Thou art most kindly, thou art all

O gracious mother, hear!
In all thy power, in all thy might,
O gracious mother, hear!
We come to thee, we call aloud,
For thy great light!

Long may thy children be true and
brave.

MISS FRANCES E. NAPIER
Dean of Women

GREETINGS FROM THE DEAN OF WOMEN'S OFFICE

Freshmen! Your college career has begun!

We must first learn to live together, to understand each other, and share with one another good will.

The real problems of life cannot be solved from books alone but to them must be added experience. A little laugh now and then adds zest.

We hope your dreams of college life will be realized this year and that friendship, success and happiness gained will be of value to you in the future.

The office of the Dean of Women is on the first floor of the Main Building. You are always welcome and you must feel free to discuss your problems with us. My sincere wish is that you may have a happy and worthwhile time in Marshall College from your Freshman days to the time when you shall depart as a graduate of this, our Alma Mater.

Yours very sincerely,

MRS. ISABELLE PLOYER,
Social Director, College Hall.

DO

1. Forget that you came from any particular high school or prep school. You are a Marshallite now.

2. Get into at least one useful activity.

3. Talk Marshall wherever you go.

4. Get the habit of saying "Hello."

5. Keep your eyes open by reading the Parthenon and bulletin board.

6. Pay all bills promptly. You'll need to establish a reputation for meeting obligations.

7. Go to all games. Support your team, but be clean in your cheering. Give your opponents a hand.

8. Keep quiet about your high school records.

9. Make the Y.M. recreation room your headquarters.

10. Vote in all the elections. It's good training for later years.

11. Learn the songs and yells and join in the rooting. It's your duty.

12. See your queen on Friday, Saturday, or Sunday. Study during the week.

DON'T

1. Don't forget to patronize our advertisers.

2. Don't throw papers on the campus.

3. Don't fail to write home at least once every week.

4. Don't smoke in the buildings.

5. Don't leave magazines and reference books lying on the library tables. Some one else may want them.

6. Don't forget that the library building is a place for silence.

7. Don't applaud in assembly when it is of a religious nature.

8. Don't be afraid to talk over your problems with your instructors and dean.

9. Don't postpone writing your term papers until the last week. You'll have exams to think about then.

10. Don't let the organization officers do all the work. Cooperation is as desirable and necessary as leadership.

11. Don't mumble a half-hearted greeting. Call everyone by name if you can, and let him know you are interested in him.

12. Don't think it old-fashioned to "boost."

THE PARTHENON

CHET ANDERSON
Editor

Away back in 1902 the Parthenon first made its appearance—a literary magazine published by one of the literary societies which existed then. That was about the same time that tandem bicycles and straw-

berry soda water figured in "a big time."

The Parthenon has changed since then. From a literary organ published spasmodically and containing essays on "Across the Alps Lies Italy" and "Set Adrift in Mid-Ocean," the Parthenon has evolved into a weekly newspaper which mirrors campus life and offers an up-to-the-minute chronicle of student activities.

The Parthenon is published every Wednesday and is distributed to the various campus buildings directly following assembly. Subscriptions are provided for in the enrollment fee.

The staff for this year includes: Wallace Myers, managing editor; Wayne "Barney" Cubbedge, news editor; Howard Bennett, sports editor; Mary Magee, feature editor; Janet Miller, society editor; Joe Holley, circulation manager; Oscar Newman, assistant sports editor; Max Burns, advertising manager.

A number of staff reporters and editorial assistants will be named in the near future. Any student desiring to try-out for a place on the editorial or business staff will be welcome to attend the first meeting of the staff Monday, September 14.

CHET ANDERSON,
Editor-in-Chief, '31-'32.

Howard Walls, who is a member of the Phi Kappa Nu fraternity, has been elected editor of the 1932 Mirabilia.

THE MIRABILIA

The Mirabilia is published annually a few days before the close of school in the spring. The year-book is the most permanent and the most attractive record of college activities on the campus. Every student should own one, and value it for the memories which it will forever hold between its covers.

The editor and business manager are elected by the Student Council upon the recommendation of their predecessors. The 1932 edition will be published by Howard Walls and Charles Peoples, both of whom have previously served on the staff. It is their privilege and duty to appoint all assistants, and every student who desires to work either on the editorial or business staff should see them as soon as possible after school opens.

A better Mirabilia is every year the goal of every student who believes in a bigger and better Marshall!

DEBATE AND ORATORY

Public speaking ability is an asset to anybody. There are no extra-curricular activities which are better qualified to develop speaking talent than debate and oratory. The Speech Department, under the direction of Prof. G. Harry Wright, will sponsor again this year debates with other colleges, and will send a representative from Marshall to the state inter-collegiate oratorical contest.

For two years Marshall's orator has been the best in the state. Last year Stanley Gould won the state contest, while the year before the honor was held by Tim Hollandsworth. Each year the Student Council grants a gold non-athletic award to the best Marshall orator.

Both Debate and Oratory are open to the entire student body. Everyone interested should see Mr. Wright in Room 24 of the Main Building.

FRANKLIN L. BURDETTE.

SPEECH DIRECTOR

PROF. G. HARRY WRIGHT

Head of the Department of Speech. He has been very successful in directing the productions of the College Theatre and in coaching Debate and Oratory.

PUBLICATION COMMITTEE

This Handbook has been published under the auspices of the Y.M.C.A. for the Student Council by a committee of students working without pay. All profit will go to the treasury of the Y.M.C.A.

Franklin L. Burdette, Editor, Sophomore in the College of Arts and Sciences, is Secretary of the Y.M.C.A., and has served on the Student Constitutional Committee.

J. Alfred Wallace, Business Manager, Senior in the College of Arts and Sciences, is President of the Y.M.C.A., Vice President of the Alpha Theta Chi fraternity, and representative to the Inter-Fraternity Council. Y. M. C. A.

It is a privilege for me to welcome personally, on behalf of the Y. M. C. A., every student enrolling in Marshall for the first time, and also to welcome the old students returning to take up their various activities.

I want to encourage all men students to make an effort to become acquainted with the activities of this organization. You will find help in practically any phase of college life and may have upon request any personal aid available.

Our organization is a melting pot. There is a wonderful chance to know practically every boy in school by taking a part in college activities. Get the habit of meeting the fellows and studying in our recreation room. There are many kinds of games and a comfortable room for study. You will enjoy the fellowship with us.

Officers for the year 1931-32 are John Largent, Vice President; Franklin L. Burdette, Secretary; and Prof. R. P. Hron, Treasurer.

Respectfully yours,

A Word to Freshman Girls

A great class about to make its debut as a pillar in a great institution. Marshall extends a welcome enthusiastic. You have a most eventful four years awaiting you. The men and women of almost a century past have shaped and assembled stones of advancement which make up Marshall's present traditions and developments; the product you leave will have much to do with her future progress. Create an early sense of honour and truth to your college and let nothing destroy it.

To the young women of the class of 1935 we extend a most cordial invitation to the Y. W. C. A. Let us share burdens by our working with you, and you with us.

Sincerely,
FRANCES WOLFE,
Pres. Y. W. C. A.

THE BAND

Last year the Marshall College band with fifty boys left the city with the football team for Bluefield, where they paraded the streets prior to the Marshall-Emory & Henry football game. The band won a place in the hearts of the people who were at the game. This is an annual affair and is worth all the time and work that are put into the band.

Uniforms of Green and White are worn by the boys in the band, and each semester the band gets a chance to strut itself in a college assembly. The band plays at all the football games and every Marshallite who plays or owns an instrument should see Prof. Harry E. Mueller as soon as possible and get enrolled. It's worth the time that is put into it.

Awards were made last year for those doing band work. Letters of a special design were given to the first year men and a dark green blazer with a letter was given to the second year men.

Don't forget to answer the first call for the band.

ARTHUR L. STARKEY.

FRESHMAN PLAYERS

To all Freshmen interested in dramatics an introduction to College Theatre via the Freshman Players group is advisable both because you gain the necessary experience for partaking in major plays, and in finding the correct phase of dramatics which suits your abilities.

During the past years this group has presented many plays, among which were "Good Medicine," "Gas, Air and Earl," "When the Horns Blew," "Suppressed Desires," "Thank You, Doctor," "Maizie," and "When in Spring a Young Man's Fancy." These plays were well received and attained high measures of success. Next year should see more good work from the group because more time will be devoted to its interests.

Last year College Theatre embarked upon unknown seas with G. Harry Wright as Director. Because of the successful voyage under Director Wright's guidance, more time can be given to the efforts of the Freshman Players.

Several enjoyable trips are made over the State by one or more play casts during the school year. Included among these is the Intercollegiate One-act Play and Oratorical Contest, which will be held at a place yet to be decided upon. All Freshmen who secure College Theatre tickets automatically become members of the Freshman Players, are entitled to try out for major and minor plays and to partake of College Theatre activities.

For a truly happy, unusual experience in College dramatics all Freshmen are sincerely invited to join Freshman Players.

WITCHER McMILLEN.

COLLEGE THEATRE

College Theatre, a student organization, offers distinctive entertainment to students and the faculty of Marshall College and at the same time provides opportunity for those wishing to participate in play production.

The College Theatre staff is composed of Prof. G. Harry Wright, Director, and A. Otis Ranson, Assistant. This year an unusual program of plays is being offered, combining a high aesthetic quality with genuine entertainment value.

Membership in College Theatre entitles the holder of the membership card to admission, with a seat in the reserved section, to all major performances put on by the Theatre. Membership for the entire year is only \$1.50 and should be secured at once to insure all privileges offered. This affords unusual opportunity for those interested in dramatic art, both the experienced and inexperienced—for the former a continuation of that begun and for the latter an excellent and perfectly supervised training.

Come to Room 24 for information concerning membership, activity in production, etc.

RUTH SCHLEGEL.

INDEPENDENTS

Last year the Independent students of Marshall College organized for the purpose of promoting social, athletic, and political activities for Marshallites who are not members of fraternities or sororities. It has been generally recognized that at least two-thirds of Marshall's students are independent of these organizations, while by far the larger part of all student activities have been participated in or directed by fraternity or sorority members. Realizing that superior organization has made this possible, the Independent leaders are planning to so organize that through concerted effort Independent students may share in an increasingly larger number of campus activities.

Every Independent student is strongly urged to take part in this new movement. Meetings and further plans, interesting to the entire student body, will be announced early in the year. Every effort will be made to cooperate with fraternities and sororities in existing campus projects, and other activities will be arranged for the benefit of the many students who rarely participate in college affairs.

Connect yourself with an organization which is aiming for a stronger Marshall and a peppier student spirit! Don't forget that extra-curricular activities have their place in every well-rounded college life!

HARRY PAXTON.

PAN HELLENIC ASSOCIATION

Sorority activities at Marshall College are governed by the Pan Hellenic Association, composed of representatives from each sorority on the campus. Pledging and rushing are governed by the following rules:

1. No girl shall be initiated into a Pan Hellenic sorority until she has been a student at Marshall College for at least one semester, and during that time maintained an average of C or more in at least 12 hours of college work.

2. Rush week is the fourth week in each semester beginning Monday at 8:00 A. M., and ending Saturday night at 12:00 o'clock. After three weeks of silence from the day of pledging, there shall be open bidding. (That is, a sorority may bid a person at its will, but no parties are to be given.)

3. Invitations to rush parties must not be given before the Wednesday preceding rush week.

4. Rushees shall designate their preference of sororities to a designated member of the faculty who will notify the sorority of the acceptance.

5. Individual rushing prior to rush season is forbidden.

6. Any pledge of a sorority dropping a course within a month prior to examinations taking place just before initiation time will be considered as failing the course dropped.

7. A mass meeting of possible rushees will be called by the Dean of Women just before rush season opens. All rushees must attend this meeting.

8. Silence shall be maintained between rushees and sorority members from Saturday at midnight at the close of rush week until the following Monday at 3:00 o'clock in the afternoon.

The Pan Hellenic Constitution is being revised, and representatives from the sororities are unavailable at press time.

Janet Miller is President of the Pan Hellenic Association. She is also President of the Sigma Sigma Sigma sorority, Vice President of the Y. W. C. A., and a member of the Parthenon staff.

ATHLETICS

The athletic teams of Marshall College during the past decade have risen to undreamed heights and have won victories over teams from colleges that are much older in the sports world.

Since Roy M. Hawley has been director of athletics, the athletic department has broadened its program until schedules each year include football, basketball, baseball, tennis, wrestling and track. The college authorities have indicated that within the next few years golfing, boat racing, swimming and boxing will be on the sports schedule with other colleges.

Intra-mural athletics during the past year and summer have been expanded until volley ball, basket ball, swimming, wrestling, baseball, tennis, horseshoes and track are included as a means whereby every student who is not an athlete may participate in a sport. Otto A. Gullickson, who came to Marshall last year, is responsible for the rapid advance of this phase of student athletics. He gave his whole heart to make intra-murals a great part of the student's life.

Thomas E. Dandeleit, known to almost every Marshallite as "Dan" was appointed head coach for this year after being an assistant coach last year. "Dan" coached at Ceredo-Kenova for six years and this

year starts on his eleventh year of coaching. Last year "Dan" acted as assistant coach of football, coach of the "B" basketball team and assistant coach of baseball. In the spring practice, Dandeleit was well satisfied with the outlook for the 1931 football success. His popularity as a coach lies in his cheery "Hello Kid" and his big smile.

John D. Stuart, known as "Dick Merriwell," will be coach of baseball. The tennis coach has not been designated, but during the past few years Carl G. Campbell has been coach. Wrestling and boxing will be coached by "Skeets" Farley and "Doc" Fitch.

The varsity teams this year will play West Virginia Wesleyan, West Virginia University, Wittenberg, Bethany, University of Louisville, Marietta, Salem, and others.

Every student is expected to attend all athletic contests and the Freshmen are to sit in a separate cheering section.

The success of the athletic teams depends upon your cooperation. Come out to the practices and cheer for them. They will appreciate it!

Roy McKinley Hawley, known as "Legs" or the "Big Handshaking Man," has been at Marshall for quite a number of years and has been able to place athletics at the peak of popularity. He seems to have special ability to get good schedules, good players and good coaches. It may be due to his knowing what move to make next or something else. Regardless of what it is, stay in and pitch, "Legs."

VARSITY "M" CLUB

The Varsity "M" Club is composed of men who have won their letters in one of the major or minor sports and have been voted on and accepted by a majority of the club members. Players, managers and trainers of the sports are the only ones who are eligible for the club.

There were forty-eight active and honorary members in the "M" Club during the past year and most of these will return for this coming year with many others who are eligible for admittance due to their winning letters in the spring sports for the first time.

In the east end of the gymnasium is the Varsity "M" Club room which is for the use of the club members only and where they can meet and have their social functions. The pictures of old athletic teams and trophies in the room have made it very valuable.

Officers for the year 1931-32 are: Marvin Laird, Pres.; Ramey Hunter, Vice Pres.; and Arthur Starkey, Sec. and Treas. The purpose of the club is "To create a stronger bond of fellowship and to promote athletics at Marshall." The officers are looking forward to the biggest and best year that the club has ever known.

INTRA-MURAL ACTIVITIES

The past school year Marshall College realized the value of its Intra-Mural program both for physical improvement and social enjoyment. This year an added effort will be made to include every student at Marshall in some phase of Intra-Mural activity. In order to make a program that will meet the needs and desires of each student there will be organized leagues in the following sports: Soccer, touch football, speed ball, archery, horseshoes, basketball, boxing, wrestling, handball, swimming, baseball, and track and field events.

Last year Marshall's male enrollment was about 650. Of this number over 525 men took part in some intramural sport. This year it is the aim of the Physical Education Department to try for a 100 per cent student participation. We need your help to attain this objective. Come and join us.
