Resolution to Reject HB 4182, Prorating Additional Tuition Charges for Students Taking Higher Education Credit Hours per Term beyond a Certain Number

Whereas, this bill will allow for increased tuition and/or fees for students taking more than 16 credit hours per semester;

Whereas, many MU students take more than 16 credit hours per semester and would therefore have increased costs assessed to them;

Whereas, many MU students are of low to moderate income and take additional courses in order to avoid borrowing more money for subsequent semesters;

Be it resolved, that the Faculty Senate of Marshall University urges defeat of HB 4182, which would allow for an assessment of increased tuition and/or fees for students taking more than 16 credit hours per semester.

We so resolve.
