President of Marshall College

### THE PRESIDENT'S GREETING

College is a new and complex life to those just entering it. The freedom from home restraint and the responsibilities of self direction will be new experiences for you; the degree to which you take advantage of these opportunities will determine to a large extent your success not only in college but in your life career.

However varied the motives which have actuated you in enrolling in Marshall College, you have, I hope, this aim in common — to prepare yourselves for greater service to the society in which you live, your state, your country, your world.

I cannot hope for an intimate acquaintance with each of you, but I shall be interested in your activities as a class and your personal success.

Marshall College will be seriously concerned in your welfare. From your ranks must come the future leaders of the student body. If you make the most of your opportunities for leadership and self development your college course will prove a profitable investment.

MORRIS P. SHAWKEY,  
President.

## STUDENT PRESIDENT'S MESSAGE

HAMILTON

This handbook which is published by the Y. M. C. A. for the benefit of the Freshman Class and members of the Student Body explains briefly but fully the various organizations and activities of Marshall College. At the head or central point of the organizations and activities is the Student Government, represented by a Student President, a Student Council, which is elected by the Student Body, and a Student Court appointed by the President of the Student Body in conjunction with the

President of the College. In matriculating at Marshall you will be expected to assume responsibilities and duties. It is my sincere hope that you will become acquainted thoroughly with the constitution of the Student Body. It will be to your advantage, for your individual participation in the affairs of Marshall College will depend entirely upon the extent of your knowledge of the functions of the Student Body, together with the sincere purpose of doing something to benefit the student body as a whole.

To the Freshman Class of 1936 will depend the growth and further development on the Marshall campus. The Freshman Class has the largest numbers in the College and will bring the class much prestige and power, which I hope you will use for the benefit and advantage of yourselves and your College. For this you will experience a period of orientation, so that you may enter the life and the functions of the College with credit to yourself and your Alma Mater.

Freshmen, in conclusion, I trust that you will consider it a privilege to observe and obey the rules and regulations as adopted by the Student Council and enforced by a duly selected committee. You will find this group willing to aid you in whatever way possible and at all times courteous, honorable, and gentlemanly in their actions.

Respectfully,

BEN HAMILTON.

of the  
STUDENT BODY  
of  
MARSHALL COLLEGE**

**PREAMBLE**

We, the regularly enrolled students of Marshall College, comprising the Student Body of Marshall College, in order to encourage active cooperation in the work of student government, to uphold the highest standards of honor and integrity in all matters of personal conduct, to strengthen cordial relations between faculty and students, to enact and enforce laws according to the grant of powers, to provide for the formation of an official body known as the Student Council, to give adequate and effective expression to the opinion of the Student Body in matters of general college interest, do hereby ordain and establish this constitution for student government of Marshall College.

**ARTICLE I—LEGISLATIVE**

Section 1. All executive and legislative powers herein granted shall be under the direction of the President of the Student Body and the several members of the Student Council, elected as hereinafter provided.

Section 2. The several members of the Student Council shall be:

(a) Two representatives from the Freshman class, elected for a term of one year by and from the class.

(b) Three representatives, one to serve for a term of two years and two for a term of one year, elected by the Sophomore class from its membership.

(c) Two representatives (each to serve for a term of two years) from the Junior class, elected by the class, thus making a total of three with the hold-over member.

(d) Two representatives, each to serve for a term of one year, elected by and from the Senior class, thus making a total of four with the two hold-over members.

(e) The President of the Student House Government Association.

(f) The editor-in-chief of the official college year book, The Mirabilia, and the Council editor of the official college newspaper, The Parthenon, as ex-officio, non-voting members.

Section 3. Representatives to the Student Council shall be elected as follows:

(a) Candidates shall be nominated by a petition of ten per cent of the membership of the class. These petitions shall be presented to the Election Board by 9:00 A. M., on the third Wednesday after the first Monday of the fall term of school. No student may sign more petitions than there are representatives to be elected from his class.

(b) The Election Board shall consist of the President of the Student Body, the hold-over members of the Student Council, and one of the regularly appointed faculty class advisers who shall be designated by the President of the College for each of the four classes.

(c) The Election Board shall announce all nominees at once, and shall appoint five persons for each class to supervise the election.

(d) The election shall be held by secret ballot from 10:00 A. M. to 12:00 M., one week after the final date for presentation of petitions, each class having a separate voting place. Nominees shall be listed in the order in which their petitions are presented. Each candidate shall be entitled to a challenger within the voting room. In

elections to choose representatives for terms of varying lengths, candidates receiving the largest number of votes shall receive the longer terms.

(e) The Election Board shall count the votes immediately after election. All protests shall be filed with the President of the Student Body within one week after the election and shall be considered by the Student Council.

(f) When vacancies occur in the representation, such vacancies shall be filled by the body represented as heretofore provided.

(g) Any member of the Student Council or officers of the Student Body with the exception of the Student President may be removed from office upon a three-fourths vote of the Student Council. Charges shall be preferred by any member of the Student Body. The charges shall have been brought two weeks prior to the date of the vote, and each member of the Council shall be notified of the nature of the meeting at least one week prior to the date of the meeting.

Section 4. The first regular meeting of the Student Council shall be held the day following the election of Council members. At this meeting the Council shall designate the time of its meetings. The Student Council shall meet regularly every two weeks following the initial meeting, except during vacations. Nine regular members present at any meeting shall constitute a quorum.

Section 5. The Student Council shall have the following powers and duties:

(a) To conduct during the college year four assemblies, which may or may not include such assemblies as may be necessary for the election of the President of the Student Body.

(b) To elect the editor-in-chief and business manager of The Mirabilia upon

recommendation of the retiring editor and business manager.

(c) To arrange for the publication and circulation of a yearly handbook containing the constitution of student government, traditions and laws of Marshall College, and such other material as may seem advisable. The publication of this handbook may be delegated from year to year to college organizations at the discretion of the Council.

(d) To present awards in the name of the Student Body.

(e) To make and control freshman rules provided that enforcing authority may be delegated to an organization composed of students who indicate their desire to participate in enforcement by presenting their names to the President of the Student Body. Only students whose scholastic average the previous year at Marshall College has been C or better shall be eligible for membership in this enforcement organization.

(f) At its discretion, the Council may draft a point system for student offices.

(g) To approve the appointment of a Council editor of The Parthenon, who shall be an ex-officio non-voting member of the Council and a regular member of The Parthenon staff.

(h) The Council may at any time ask an explanation of policies of college publications if the said policies seem contrary to college interests, and may recommend the removal of staff members.

(i) The Student Council, as representative of the Student Body, shall have the power, subject to the approval of the Administration and the State Board of Education, to enact rules and regulations in all matters of student activity not strictly academic, and shall have the further power to enact rules as may be necessary to carry out the provisions of this constitution.

## ARTICLE II—EXECUTIVE

Section 1. Nomination for the office of President of the Student Body of Marshall College shall be made at the first regular meeting of the Student Body in May of each year. There shall be at least two nominees for the office of President, all nominees being academic Juniors. The President of the Student Body, upon the assumption of his office, shall be an academic Senior. A secret ballot shall be taken one week from the date of nominations and in case no candidate receives a majority, another ballot shall be taken one week later on the two candidates having the highest number of votes. A majority shall be necessary for election. The election for Student President shall be conducted by an Election Board appointed by the President of the Student Body, provided that each candidate shall be entitled to a representative on the Board. Each candidate shall also be entitled to two challengers within the voting place. If the President be ineligible at the time of the assumption of office, the vacancy shall be filled by a regular election as provided for above, to be held the third week of the fall term of school.

Section 2. To remove the President of the Student Body, a petition signed by twenty-five per cent of the Student Body shall be submitted to the Student Court. At the discretion of said Student Court, a new election may be called at which the President may stand for re-election. If the Student Court does not consider that there are grounds for calling a new election, any further action to remove the President shall require a petition signed by fifty per cent of the Student Body. This petition will automatically call a new election.

Section 3. The President of the Student Body shall have the following powers and duties:

(a) Preside over all Student Council meetings, and call special meetings when he deems it necessary. He shall vote in the Council only in case of a tie.

(b) Appoint all special committees.

(c) Appoint two members of the Student Body on the college Athletic Board, two on the college Social Activities Committee, and three on the college Assembly Committee. Each of these appointments shall be confirmed by the Student Council.

(d) The Student President shall act for and represent the Student Body on all official occasions.

Section 4. The Student Council at its first meeting shall choose from its membership a vice president who shall have the same qualifications as the President, a Secretary, a Treasurer, and any other officers deemed necessary.

Section 5. The powers of these Council officers shall be as follows:

(a) The Vice President of the Student Body shall assume the powers and duties of the President in the absence of, or at the request of, the President of the Student Body.

(b) The Secretary of the Student Body shall write and preserve records of all Student Council meetings. At the end of the Secretary's tenure of office, he shall deliver to the President-elect his records, which shall in turn be entrusted to the new duly elected Secretary.

(c) The Treasurer of the Student Body shall be in general charge of all collections and disbursements of the finances of the Student Body; said collections and disbursements to be authorized by the Student Council. Two weeks before the end of his tenure of office, the Treasurer shall present his records to the College Auditing Committee.

Section 6. Elections for all class officers shall be held by secret ballot at the same time and under the same supervision that

Student Council representatives are elected. Presidents of classes shall be nominated by petitions of ten per cent of the membership of their respective classes. Each class shall also elect a vice president and a secretary-treasurer, candidates for which shall be nominated by filing an announcement of candidacy with the Election Board. All class officers must be academic members of that class, and petitions for president and announcements for other officers shall be presented to the Election Board not later than the final date for Student Council petitions as set forth in Article I, Section 3 a.

#### ARTICLE III—STUDENT COURT.

Section 1. There shall be a Student Court composed of three faculty members appointed by the President of the College and four students appointed by the President of the Student Body and confirmed by a two-thirds majority of the total membership of the Student Council. Of these student members, all of whom shall be academic Juniors or Seniors, one shall be a fraternity man, one a sorority woman, one a non-fraternity man, and one a non-sorority woman. The Court shall meet within a week after the organization of the Student Council and shall elect its own officers. At this first meeting the Court shall designate the time of its meetings.

Section 2. Powers and Duties of Student Court shall be:

(a) To consider cases of dishonesty, breaches of social etiquette, infringements of college traditions, and all matters contrary to the best interests of the college.

(b) The Court shall have final judgment as to the constitutionality of acts of the Student Council and as to the interpretation of this constitution.

(c) To render decisions and pass sentences concerning all matters before it.

Section 3. All college organizations shall submit a report of any social function, through the highest ranking official of the organization present, to the Chairman of the Student Court within four days after the function. Regulation forms shall be provided for this purpose, and any organization failing to make a report shall be held responsible as well as such individuals as may have been delinquent.

Section 4. All students and faculty members shall be privileged to prefer charges or submit reports to the Student Court concerning any matter within its jurisdiction.

Section 5. The Court shall, as individuals, take the juror's oath of secrecy. No records except final decisions of the Student Court shall be recorded and preserved. Final appeal in all matters may be taken to the President of the College.

#### ARTICLE IV—AMENDMENTS AND BY-LAWS

Section 1. Amendments to this constitution may be proposed either by the Student Council or by a petition signed by ten per cent of the members of the Student Body.

Section 2. Amendments to this constitution shall become valid and integral parts of the constitution through ratification by a two-thirds majority of the members of the Student Body at a meeting called for that purpose, or by a two-thirds vote of the ballot upon the proposed amendment. The method of voting shall be decided upon by the Student Council.

Section 3. An amendment must be proposed at least two weeks before action can be taken upon it. The proposed amendment shall be given public notice on the college bulletin board or advertised in the college newspaper at least ten days before a vote can be taken.

Section 4. By-laws and rules of the Council may be adopted or amended by a majority vote of the Council, provided that the matter shall have been submitted in writing at a previous meeting. By-laws or rules may be passed by unanimous consent without having been previously submitted.

#### ARTICLE V—DATE OF EFFECT

This constitution shall become effective upon its ratification by a two-thirds majority of the Student Body voting, provided that previously elected members of the Student Council, President, Vice President, Secretary, and Treasurer of the Student Body, and class officers shall serve out their full terms.

### STUDENT COUNCIL

The Student Council is an elective organization established to govern student activities in accordance with the Constitution of the Student Body. The President of the Student Body presides over meetings of the Council and votes in case of a tie. The Editor of the *Mirabilia* and a representative of the Parthenon are non-voting members of the Council.

Last year the Council was headed by Harper Grimm, president of the Student Body. Voting members were:

William L. Branch  
Franklin L. Burdette  
Max Burns  
Carl Halbert  
Raymond V. Humphreys  
Sam Metzger  
Ralph Mullens  
Elmer Patton  
Harry L. Paxton  
Ruby Roache  
J. Alfred Wallace  
Edgar White  
Olin "Dave" Williamson

Franklin L. Burdette, Carl Halbert and Ralph Mullens, elected last year for two year terms, will serve as hold-over members this year.

### Y. M. C. A. DORMITORY

This year the Marshall College Young Men's Christian Association will venture into a new field—that of providing room and board to men students at the lowest reasonable cost possible. The Y. M. C. A. has leased a fine furnished home at 1608 Sixth Avenue (near the college) to serve as a dormitory. The organization expects to run this house on a non-profit basis, furnishing the student room and board at actual cost.

This project has been undertaken because of a shortage of proper housing facilities for male students near Marshall College, and the "Y" feels that a house operated under proper management and Christian principles will be a success from the start. Any student, whether a member of the Y.M.C.A. or not, who wishes to secure good accommodations should apply at the house, 1608 Sixth Avenue. Phone 22171.

## A BRIEF HISTORY OF THE COLLEGE

"Marshall Academy" was established in 1837, shortly after the death of Chief Justice John Marshall, of the Supreme Court of the United States, in whose honor the school was named. It was organized as a private institution. In 1856 the work of the Academy was enlarged and reorganized, and the name changed to Marshall College.

But little information concerning the early days of the institution is now at hand. None of the records of the school during the time it was an academy are preserved. From the year 1867 to the present time, however, we have a fairly satisfactory record.

At the close of the Civil War a number of the leading citizens in the southwestern part of the new State of West Virginia succeeded in having the legislature take it over as a "State Normal School." Though "Normal" in name, it was wholly academic in its work, and such it re-

mained, with varying fortunes, save a little teaching of pedagogy, school management, and the like until 1897, when a practice school of one grade was organized. This the state refused support; and, accordingly, it was abandoned after two years of unappreciated effort, and the school went on again wholly as an academic institution.

In January, 1902, the Department of Education was organized, and a practice school for teachers was opened. In February, 1920, by action of the State Board of Education, the institution became a State Teachers College, conferring its first degrees in June, 1921.

Under authority of the State Board of Education, a further expansion of the institution was effected in June, 1924. At that time the College of Arts and Sciences was formally organized. With the College of Arts and Sciences are affiliated the two-year course in engineering, and the pre-medical and the pre-law courses.

We laud thee, O Marshall,  
Our hearts sing to thee!  
Thy walls rise in beauty  
'Mid shade of vine and tree.  
They shelter thy children  
And bind them safer to thee.  
Thy spirit, O Marshall,  
In every heart beats high,  
Live on, Alma Mater,  
Thy name ne'er shall die.

Worn o'er hearts so true  
Every man of Marshall  
Will fight the fight for you.

We will remember  
Marshall's Green and White.  
It's the same old story  
Marshall's won more glory  
While we are singing  
They are bringing  
Home the victory!

#### GREETINGS FROM THE OFFICE OF THE DEAN OF WOMEN

We are glad to welcome Freshmen and new upperclass girls to Marshall College. And of course, we are only too happy to have our old girls back with us.

This year College Hall will be mostly a Freshman dormitory, where we will live together, work together, play together, and if we have any problems, solve them together. We are all one big family helping each other in every possible way.

"College life is the supreme privilege of youth." The transition from high school to college is almost like the transition from youth to womanhood. The first feeling of a Freshman is confusion, but do not worry about that or feel any timidity for we are here to help you. Please feel free to come to my office which is Room 9, on the first floor of the Main building at any time. You are always welcome. I know you will be happy at Marshall College and we will be glad to have you with us.

Most cordially yours,  
FRANCES E. NAPIER,  
Dean of Women.

### **YOUR YEAR BOOK**

The Mirabilia is the Marshall College year book or annual and is published by students who are elected by the Student Council. It contains the story and photographic record of the school and student body in regard to campus activities and organizations. The members of the faculty are also included for the benefit of the students who wish to become better acquainted with those whom they have not had the fortune to know in the class room.

The year book is the most permanent and most attractive record of college activities on the campus. Every student should own one, and value it for the memories which it will forever hold between its covers.

This year the students are permitted to have their pictures taken without cost to the student. Go now to Salyers' Studio, at 941½ Third Ave., and he will serve your needs.

Subscriptions for the Mirabilia are now available. To facilitate the publishing of the book, please buy now. The price of the book has been reduced to \$2.00.

The staff elected by the Student Council to edit the Mirabilia consists of Ted Martufi, editor-in-chief, and Max Burns, business manager. The heads select their own assistants. If any of the Freshmen or other persons on the campus are interested in working on this project, please see the Editor or Business Manager.

**TED MARTUFI**, Editor-in-Chief.

**CHARLES McGHEE**  
Editor of The Parthenon

### THE PARTHENON

The Parthenon is the student newspaper of Marshall College. It had its origin as a literary publication before the beginning of the present century. Then The Parthenon, like the college of which it is an inseparable part, was small. Both have grown. It is particularly gratifying to record that The Parthenon has chronicled, advocated and encouraged this growth. That the same constructive policy will be pursued in the future goes without saying.

Now, The Parthenon, like Marshall College, has grown up. It is recognized as one of the foremost college weeklies in the United States. This enviable position has been attained by emphasizing an interesting presentation of student news and opinions coupled with a fair interpretation of the policies and views of the college's administrative officials. This, we feel, makes The Parthenon a representative student publication.

This year we want you to read The Parthenon. You will find that it carefully mirrors the life of which you are now a part. We want you to feel free at all times to offer comments, suggestions and criticisms. We want you to feel that it is your newspaper, and that it is only with your cooperation and assistance that it will continue as such.

CHARLES McGHEE, Ed.-in-Chief

### Y. M. C. A.

It is a privilege for me to welcome personally, on behalf of the Y. M. C. A., every student enrolling in Marshall for the first time, and also to welcome the old students returning to take up their various activities.

The Y. M. C. A. has attempted each year to become of greater service to the Student Body. Our recreation room in the basement of the Morrow Library is open to all men who desire to read, study, or enjoy games.

This year our organization will operate a dormitory for the convenience of students who wish to room near the college. Inquiries about these facilities will be very welcome. We hope to be of service to you in any of the campus problems which you meet.

I want to encourage all men students to become familiar with the activities of the Y. M. C. A. You will find help in practically any phase of college life, and you may have upon request, any personal assistance available. May you have a profitable, enjoyable year at Marshall.

Respectfully yours,

FRANKLIN L. BURDETTE,  
President.

### Y. W. C. A.

The Young Women's Christian Association extends to every student and faculty member of Marshall College its most sincere greeting.

In every Marshall girl, and especially in every freshman girl, we are personally interested. In the first place the Y. W. C. A. is a group of girls who are finding Christian attitudes about ordinary incidents. "What has religion to do with men and women's relations? With my cultural standard? With the way I spend my time? With my friendships in my group?" As the religion of a girl determines her thoughts and actions, it is her way of dealing with all the everyday matters.

It helps her find knowledge and understanding, and gives her the fellowship in which she may experiment day after day in the situations which she meets, judging and rebuilding as her understanding grows.

We cordially welcome you to our meetings and desire that you may become a member of this national organization.

Consider us as your sister and let us help you in every way possible.

The Y. W. C. A. challenges you to a well rounded life of activity, service, enjoyment, prayer and trust in God.

ANNA JARRETT,  
President.

Y. M. C. A.  
The Young Men's Christian Association  
is the most important organization  
in the college life.

### PUBLICATION COMMITTEE

This handbook has been published under the auspices of the Y. M. C. A. for the Student Council.

Franklin L. Burdette, Editor, Junior in the College of Arts and Sciences, is President of the Y.M.C.A., and is serving his second year on the Student Council. He has edited the handbook for two years, was secretary of the Y. M. C. A. for two years, and served in 1931 on the Student Constitutional Committee.

Evert C. Hines, Jr., Managing Editor, Sophomore in the College of Arts and Sciences, is Vice President of the Y. M. C. A.

Raymond V. Humphreys, Business Manager, Sophomore in the College of Arts and Sciences, has completed one year of service on the Student Council.

### BURDETTE

HINES

HUMPHREYS

**DIRECTOR OF  
COLLEGE THEATRE**

**PROF. G. HARRY WRIGHT**

Head of the Department of Speech. He has been very successful in directing the productions of the College Theatre.

**COLLEGE THEATRE**

There are three organizations which are included in the College Theatre. These are Freshman Players, Harlequin Club, and Alpha Psi Omega. Freshman Players offers all Freshmen an opportunity to become active members of College Theatre. Harlequin Club membership is extended to all persons who show an interest in the work of the theatre. Alpha Psi Omega is an honorary dramatic fraternity which is the goal of all College Theatre participants.

Each year the College Theatre sponsors four major plays and the Commencement Festival, and takes part in the Intercollegiate One Act Play Contest. Last year the plays presented were "Captain Applejack," "Romance," "Berkeley Square," "The Romantic Young Lady," "The End of the Dance," and Shakespeare's "Tempest." "Berkeley Square" was presented both in Huntington and Charleston. This was the first time that the theatre has ever taken a three-act drama on the road. The One-Act Play Contest at Shepherdstown afforded an opportunity for enjoying a four hundred mile trip through our state.

Next year the theatre wishes to carry forward and develop even higher standards of dramatic production for the benefit of our audiences and patrons. College Theatre extends a greeting of fellowship and welcome to all incoming students. The organization would appreciate your closer acquaintance, and wishes you happy days at Marshall.

WITCHER McMILLEN.

## COLLEGE THEATRE

### FRESHMAN PLAYERS

To all Freshmen interested in dramatics an introduction to College Theatre through the Freshman Players group is advisable because of the necessity for experience before participation in major plays and because of the need for finding the phase of dramatics which best suits the talents of the individual.

During past years the Freshman Players have presented a number of well-received plays. This year the program will be continued and expanded. Early in the year interested Freshmen will be asked to meet in Room 24 in order to plan dramatic production and to organize for that purpose.

For a truly happy, unusual experience in college dramatics, all Freshmen are sincerely invited to join Freshman Players.

## DEBATE AND ORATORY

### THE BAND

The Marshall College band is an institution inseparable with the campus spirit. Every year the band wins a place in the hearts of those who are stirred with the enthusiasm of football. And as a climax of this enthusiasm comes the annual parade down the streets of Bluefield before the Marshall-Emory and Henry game.

Every Marshallite who owns or plays an instrument should see Professor Harry E. Mueller as soon as possible and get enrolled. Uniforms of Green and White are worn by the boys in the band, and each semester the student body in an assembly is given a chance to show its appreciation for the good work. It's worth every bit of effort put into it.

Nor are those who help in the band forgotten. Letters of a special design are given the first year men, and a dark green blazer with a letter is given to each second year man. Don't forget to answer when you hear the first call for the band.

## DEBATE AND ORATORY

Public speaking ability is an asset to anybody. There are no extra-curricular activities which are better qualified to develop speaking talent than debate and oratory. The Speech Department, under the direction of Professor G. Harry Wright and Otis Ranson, will sponsor again this year debates with other colleges, and will send a representative from Marshall to the state inter-collegiate oratorical contest.

The college, in cooperation with the Speech Department, will grant two hours credit to students who lend their assistance to the work of the debate team. As a course which combines the merits of extra-curricular activity with faculty leadership, the debate schedule can be made one of the most profitable items in the student program.

Both Debate and Oratory are open to the entire student body. Everyone interested should see Mr. Wright or Mr. Ranson in Room 24 of the Main building.

FRANKLIN L. BURDETTE.

It is the aim of Marshall College to furnish a friendly atmosphere among all students and with that in mind the Independent League of Marshall College has been organized and functioning. It is not possible for every student to be a member of either a sorority or a fraternity, consequently some students would ordinarily be deprived of some of the privileges of a normal college career, were it not for some group seeking to champion their interests.

The Independent League wants to help the non-fraternity man and the non-fraternity woman. This organization will play an important part in the extra-curricular activities of the college this year, inasmuch as the independent organization was successful in electing the student president.

Students who are interested in becoming members of this league will have an opportunity to do so soon after the opening of school.

We extend a hearty welcome to every freshman and a friendly greeting to every upper-classman who shall enter Marshall this year. Understand that it is our intention to foster your needs and desires.

RAYMOND V. HUMPHREYS,  
Pres. Marshall College  
Independent League.

### **PAN-HELLENIC ASSOCIATION**

ELAINE WAYBRIGHT, President

Sorority activities at Marshall College are governed by the Pan-Hellenic Association, composed of three representatives from each sorority on the campus. Pledging and rushing are governed by the following rules:

1. A list of candidates considered shall be in the dean's office on Wednesday of the fourth week of school, also a list of parties and the date of each.
2. Formal Rush Week begins on Monday of the fifth week of school.
3. On Monday of the fifth week prospective rushees will meet with the dean.

4. An invitation to a third or last party means the same as a bid to that sorority. Accordingly the girl's acceptance of a bid to a third party signifies her intention to accept a bid to that sorority. Three parties may be given the first semester on which a sum of fifty dollars may be spent. Two parties may be given the second semester on which a sum of twenty-five dollars may be spent.

5. No men are invited to rush parties. Parties end at eleven o'clock on week nights and on twelve o'clock on Saturday night. Girls must be home by midnight.

6. Monday 8 A.M., a list of girls who are receiving bids must be turned in to the dean, 6th week. By three o'clock of the same day girls must sign their preference.

7. Open rushing may exist until Rush Week; then closed rushing will begin. Breaking of the rules of closed rushing will entail a penalty to be decided upon by a council.

8. This council will be composed of the president of each sorority. The Dean of Women will preside at the meeting.

9. A written accusation concerning broken rules shall be presented at the special meeting which shall be called by the president upon the request of some group.

10. Open bidding: Open bids may be given any upper classman who has been on Marshall campus through one rush week. The name of the girl must be approved by the Dean of Women. Freshmen may be given an open bid three weeks after rush week.

11. A girl must make twelve hours of C before she can be initiated into a sorority. These grades must be made the previous semester.

## DO

1. Forget that you came from any particular high school or prep school. You are a Marshallite now.
2. Get into at least one useful activity.
3. Talk Marshall wherever you go.
4. Get the habit of saying "Hello."
5. Keep your eyes open by reading the Parthenon and bulletin board.
6. Pay all bills promptly. You'll need to establish a reputation for meeting obligations.
7. Go to all games. Support your team, but be clean in your cheering. Give your opponents a hand.
8. Keep quiet about your high school records.
9. Make the Y.M. recreation room your headquarters.
10. Vote in all the elections. It's good training for later years.
11. Learn the songs and yells and join in the rooting. It's your duty.
12. See your queen on Friday, Saturday, or Sunday. Study during the week.

## DON'T

1. Don't forget to patronize our advertisers.
2. Don't throw papers on the campus.
3. Don't fail to write home at least once every week.
4. Don't smoke in the buildings.
5. Don't leave magazines and reference books lying on the library tables. Some one else may want them.
6. Don't forget that the library building is a place for silence.
7. Don't applaud in assembly when it is of a religious nature.
8. Don't be afraid to talk over your problems with your instructors and dean.
9. Don't postpone writing your term papers until the last week. You'll have exams to think about then.
10. Don't let the organization officers do all the work. Cooperation is as desirable and necessary as leadership.
11. Don't mumble a half-hearted greeting. Call everyone by name if you can, and let him know you are interested in him.
12. Don't think it old-fashioned to "boost."

## ATHLETICS

The athletic teams of Marshall College during the past decade have risen to undreamed heights and have won victories over teams from colleges that are much older in the sports world.

Since Roy M. Hawley has been director of athletics, the athletic department has broadened its program until schedules each year include football, basketball, baseball, tennis, wrestling and track. The college authorities have indicated that within the next few years golfing, boat racing, swimming and boxing will be on the sports calendar with other colleges.

Intra-mural athletics have been expanded as a means whereby every student who is not an athlete may participate in a sport. Otto A. Culickson is responsible for this rapid advance. He has worked unsparingly to make the intra-murals a great part of each student's life.

Thomas E. Dandelet, known to almost every Marshallite as "Dan," is beginning his second year as head coach. "Dan" coached at Ceredo-Kenova for six years, and this year starts on his twelfth year of coaching. Dandelet was well satisfied with the outlook for the 1932 football success. His popularity as a coach lies in his cheery "Hello Kid" and his big smile.

The varsity football teams this year will play University of Louisville, Morris Harvey, Western Maryland, Georgetown, University of Dayton, Geneva, Emory and Henry, Salem, and West Virginia Wesleyan. Next year Marshall will be a member of the Ohio Conference.

Tom Stark has been especially successful in coaching the Freshman football team. This year he expects a bigger season than ever.

Every student is expected to attend all athletic contests, and the Freshmen are to sit in a separate cheering section. The success of the athletic teams depends upon your cooperation. Come out to the practices and cheer for them. They will appreciate it!

## DIRECTOR OF ATHLETICS

Roy McKinley Hawley, known as "Legs" or the "Big Handshaking Man," has been at Marshall for quite a number of years and has been able to place athletics at the peak of popularity. He seems to have special ability to get good schedules, good players, and good coaches. Stay in and pitch, "Legs."

## INTRA-MURAL ACTIVITIES

For two years Marshall's intra-mural program has developed under the direction of Otto A. Gulickson. This year an added effort will be made to include every student at Marshall in some phase of intra-mural activity. Organized competition will be offered in the following sports: Speed ball, volley ball, basketball, baseball, track and field, swimming, handball (singles and doubles), tennis (singles and doubles), quoits, wrestling and boxing.

To the championship team in each sport will be awarded individual medals, plus a plaque for the team. A silver loving cup will be awarded the student intra-mural manager, a position for which anyone may try out.

The intra-mural program is designed for the entire student body. Any group of interested students may organize a team in any sport. Last year more than 500 men out of Marshall's male enrollment of 650 enjoyed some part of the intra-mural program. Boys interested in the intra-murals should get in touch with Mr. Gulickson at the gymnasium.

**THOMAS E. DANDELET**  
**HEAD COACH**

**DANDELET**

"Dan" expects the support of every Marshallite at every game—and he'll get it.

## VARSIITY "M" CLUB

The Varsity "M" Club is composed of men who have won their letters in one of the major or minor sports and have been voted on and accepted by a majority of the club members. Players, managers, and trainers of the sports are the only ones who are eligible for the club.

In the east end of the gymnasium is the Varsity "M" Club room which is for the use of the club members only, and where they can meet and have their social functions. The pictures of old athletic teams and trophies in the room have made it very valuable.

The purpose of the club is "To create a stronger bond of fellowship and to promote athletics at Marshall." Ramey Hunter is president of the Varsity "M" for this year, and he is looking forward to the biggest and best year that the club has ever known.

## FOOTBALL TEAM MANAGER

Randal Kincaid, '34, was Student Manager of the B Football Squad last year and because of his meritorious work was given the position of Student Manager for the Thundering Herd for this season. Dependability and faithfulness to his duties are characteristics of Randal's work with the team.
