GFWC West Virginia President's Message

What a wonderful time we had at Summer Conference! The workshops were full of information, they were fun, and they were serious. There were jokes, stories, and projects. We played games at the District Get-Togethers and went crazy at the Dollar Auction. The

meals were very good and tasty. It took a village to pull it together. The Central District was the hostess, and they were led by Cynthia Kolsun; the Meetings Planner, Patricia Walker, and the Registration Chairman, Georgianna Tillis, kept everything in order; and the Program and Committee Chairmen presented the workshops. Wow, what a cast!

Now we are on to another club year with meetings starting in September. You will enjoy being with your club members, and working to make your communities greater than ever.

The District Fall Conventions will begin in September and continue through October. Helen Moren, President-Elect, and I will visit each district, and be a part of your meeting. We look forward to these meetings. It is the highlight of Autumn. We will be bringing some fundraising items along.

The Southeastern Region (SER) meeting will be held in Winston-Salem, NC, the weekend of November 1-4. The meeting will be at the Doubletree by Hilton, phone: 336-767-9595, Group Code: GFW. It is a pretty drive down I-77 from West Virginia to North Carolina, and the meeting offers an expansion of your knowledge about GFWC. Members who would like the registration form and other info, please contact me.

I encourage everyone who receives the new State Directory and a Packet from Summer Conference to read the material. Additional State Directories are available for sale. There are some changes on the Dues and Contributions form about reporting. Pearl S. Buck Birthplace and Anna Jarvis Home are to be reported under Public Issues; because they are historical buildings, and they come under the purview of Public Issues. The other change on the form is the

addition of a Membership Update Fee which is a fee of 25 cents per club member annually. The fee will be included in the check written for Dues and Contributions, and sent to the Treasurer by the December 1 deadline. The Strip List Charge will no longer be collected. A recommendation from the Strategic Committee to the GFWC West Virginia Executive Board in July requested that the annual Membership Update Fee be instituted in place of the Strip List Fee. With the changes to our Clubwoman delivery between email and USPS mail, a third Master Membership List needs to be maintained. Therefore, the change was approved. This eliminates the Strip List Charge.

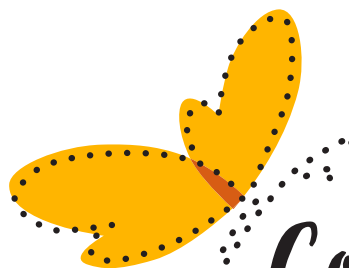

The Arts and Crafts listing has a few changes. Under "quilting" there is an addition of "long arm quilting" in five different quilt entries. Under "wreaths" there is an addition of 2 more categories – the use of "mesh ribbon" and "miscellaneous". Also, under "photography" all photographs are to be either 5"x7" or 8"x10" size and only mounted. There is not to be a frame or glass used. This change will be in line with the GFWC Photography Competition.

The Honor Club form has the change on the Membership Update Fee (#5) listed. Please observe these changes and use the most recent forms! It is important for all clubs to use the updated forms for 2018-2019.

The new Reporting Guide is in the packet and contains valuable information. Be sure to check it out. Don't forget to open your packet and enjoy reading everything.

Travel this Fall to see the beauty of West Virginia.

Yours truly,
Pamela

Recruitment is like planting a tree from a seed. The seed demonstrates that we are all grafted from many diverse backgrounds. Neighbors, friends, co-workers, and family all deserve the chance to be a part of GFWC, because GFWC has, does, and will continue to change lives for the better.

It is vital to our success in recruiting members that GFWC be recognized in all communities across the country and beyond. Recruiting, welcoming, and incorporating new members into your club must involve everyone. Member recruitment is an ongoing process that requires the focus and commitment of all members. The most important thing during this process is to be determined to succeed with your recruitment efforts. Without dedication and follow-through, no recruitment program will be as successful as it could be. Recruitment must have the full support of every club member and viewed as a responsibility of all to increase their club's membership.

Join GFWC clubs nationwide and participate in our popular membership recruitment campaign, "United by Our Diversity".

Clubs achieving and reporting three new members as a result of their recruiting efforts will be recognized in GFWC Clubwoman Magazine. But even if you recruit only 1 or 2 new members, still report, every member counts.

To help your club's membership recruitment plans, GFWC offers grants. GFWC grants are available to clubs to assist with recruitment efforts and to districts to assist with club building efforts. Funds are designated each GFWC fiscal year beginning July 1 and ending June 30 to help underwrite membership recruiting and rebuilding in your community. GFWC offers \$50 for club member recruitment programs and \$100 for district new club building programs.

To apply for a club membership grant, please visit www.GFWC.org/Membership.

GFWC WV Director of Jr. Clubs' Message

As the summer months go behind us, we look forward to the beautiful season of fall. Life tends to go back to a normal schedule in the fall; school starts again, fairs and festivals come to an end, and vacations were enjoyed.

It was great seeing everyone at Summer Conference in Flatwoods, WV. Thank you

to everyone who attended and to everyone who made it a great success. I also want to thank everyone for their donation to WV Children Hospitals at the luncheon. We raised \$1,275. This is fantastic. Please don't forget to report your donation, and remember that whatever you report under the President's/Director's Special Project can also be reported under Advocates for Children.

I want to announce that Melissa Matheny has graciously accepted the Advocates for Children Chairman position. Pam

sent her contact information to all the Club Presidents in an e-mail. Please make sure you update your directory. Melissa is a member of the GFWC Bridgeport Junior Woman's Club. Thank you Melissa for taking on this leadership position.

Advocates for Children's Week is October 21-27 so start planning your projects to make a difference in a child's life. You can support our partners, St. Jude's Children's Research Hospital and March of Dimes or consider our General and Junior Special State Project, West Virginia Children Hospitals. Our Purple for a Cause project for the March of Dimes made the top 10 project list for GFWC. Way to go West Virginia!

District Conventions are fast approaching and I'm looking forward to traveling the state with our President and joining you during your District Convention.

With GFWC love,

Dana Richardson
