WEST ENTRANCE TO COLLEGE HALL

FOREWORD

This year the Student Council of Marshall College has undertaken the responsibility of publishing the official student handbook. Heretofore, various organizations of the campus have been delegated by the council to publish the handbook. This year however the council in publishing the handbook, feels that it will thereby benefit the entire student body rather than any one organization.

Every owner will find in these pages a store of useful information. To the new student the handbook is an introduction to Marshall spirit and tradition; to the old student it is a convenient summary of campus life.

It is the sincere desire of the editors that the finished product is again worthy of the student body of Marshall College.

PRESIDENT'S GREETINGS

To Our New Friends:

The new is ever the interesting. The Freshmen are the newest elements in our college life. For the present at least they are the centre of more interest than the Seniors even. What will be your reaction when you realize that you are the subjects of such keen interest? There is a disposition for people to grow haughty or conceited when they become the objects of unusual interest. I hope you will not to that. It will be much better for you to remain modest and gather wisdom. In any case, this situation will be your first college test. Meet it firmly and thoughtfully.

Now let me welcome you cordially. We are all happy to have you here and it is our wish that your stay may be both useful and happy. Freshman week is a strange mixture of play and work. Each is equally important. Don't neglect either. The harder you work the more you will like college, and the more real fun you will have in your college course. Good luck to you.

MORRIS P. SHAWKEY.

JAMES B. SHOUSE, A. M.
Dean of Teachers' College

Teachers College welcomes all freshmen to Marshall campus. Prospective teachers are no more and no less welcome than are those who are not going to be teachers. But Teachers College works especially with those who are to become elementary or high school teachers. Teachers College wants to be particularly well acquainted with its own students. We wish to help them follow the intricacies of the teacher training curricula. The catalogue tells the whole story, but sometimes needs unraveling. Let's get acquainted by working over your plans and problems. Come around to the office any time.

JAMES B. SHOUSE.

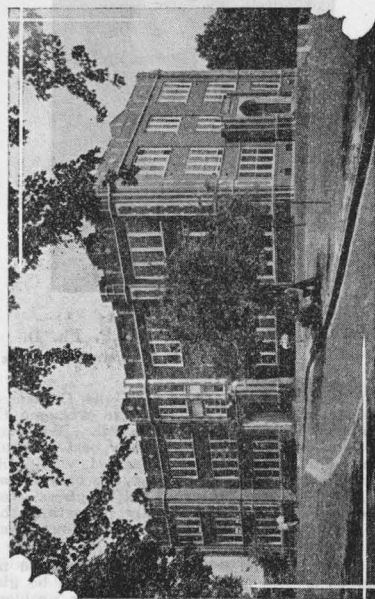

WILLIAM E. GREENLEAF, Ph. D.
Dean of the College of Arts and Sciences

On behalf of the faculty of the College of Arts and Sciences I am glad to welcome the incoming Freshmen to Marshall. We hope that you will learn quickly how best to profit from your college associations. I would like to emphasize that your studies are only a part of your college training, although a very important part! It is equally important that you learn to know and understand your teachers and your fellow students.

I hope that you will feel free to call in my office to see me at any time. I shall be glad to consult with you concerning your problems of adjustment to your new life.

WILLIAM E. GREENLEAF.

THE FACULTY

The Faculty of Marshall College now numbers over one hundred, and the average academic training for the individual members is much higher than formerly. At the present time an M. A. degree is the minimum for any regular position. The men and women in the college teaching body have taken their degrees from universities in all parts of the nation and some of the better known European institutions. This group includes scholars of exceptional ability and has a fixed scholastic atmosphere that greatly impresses itself upon the student.

CHIEF JUSTICE MARSHALL

"And so they named it Marshall after the great chief justice whose unselfish devotion to justice and every high ideal the successive generations of Marshall College men and women go forth to emulate."

Marshall college had its beginnings shortly after the death of the great Jurist for whom it was named. Like all schools with extremely limited funds it came into existence with many handicaps, among which were: 1—No endowment; 2—No wealthy man or men to guide it through the shoals incident to building a college on faith and hope; 3—Its decided isolation from urban sources of patronage and from even thickly settled

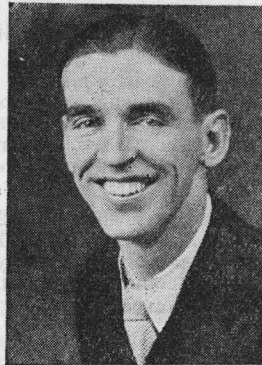

rural conditions; 4—Scarcity of men (as has always been the case) who were willing cheerfully and effectively for years long, to give time, brains, and hard work to constructive building when conditions were so discouraging.

Marshall grew in spite of disadvantages and discouragements because it was seed sown in good season, in good ground, nourished by men of faith and patience and of tireless effort.

First an academy, so-called 22 years later a college, still 10 years later a State Normal school, still nearly three score years a college in reality. In 1936 we are to celebrate its 100th anniversary.

It is doubtful whether any college in America has had a more romantic career in the way of struggles for existence, changing scenes of historic and literary development, changes in environment, ups and downs in outlook, and in organic evolution. It is distinctly a product of the Virginia's measurably so of the mother state, eminently so of the daughter state, West Virginia, and perchance reflects the life and character of the state as a whole, its people and its ideas, as does not other institution within the bounds of our commonwealth.

STUDENT PRESIDENT'S MESSAGE

VIRGIL D. TIPPETT
Student President

GREETINGS FRESHMEN

It is with the deepest sincerity I bring to you this message, welcoming you into the folds of Marshall College. As a member of such a large and prosperous Student Body, you will be expected to assume responsibilities carried on toward the advancement and betterment of our school. To do so it will be necessary that you know something concerning its Government and activities. It is with this purpose in mind that we bring to you this Marshall College Handbook.

The Student Government of Marshall College is carried on through official representatives of the Student Body. The Student President heads the Government; in addition, there is the Student Council which is made-up of representatives of the different classes, and a Student Court appointed by the President of the Student Body, with the approval of the Council, and the President of the College. The constitution is presented to you in this Book. It will be necessary that you make yourself acquainted with it in order that you may understand the functions of your Government.

To the Freshmen college life is just beginning. The short time that you are here serves only as a stepping stone in the progress toward making a more intellectual individual. Begin your training to meet the tasks of life while yet in school. Take an active interest in the activities of your College; see every phase of College life; get the most out of the opportunity of which many are deprived. College life can be made one of the greatest things of your entire existence. It is up to you.

It is my most sincere desire that the Freshmen Class of 1933 will do everything within its power to obey the rules which are set forth in this book. The world loves a good sport. Begin your College life by being one in obedience to the rules we have adopted for your benefit. An enforcement committee will be at hand to see that every rule is carried into effect. Fair play and discretion will be used as nearly as possible. And so, Freshmen, let's start out by showing we can take as well as give.

In conclusion, I say to you make the most out of your College life, and the memory of it will serve an eternal joy throughout the rest of your life.

Sincerely yours,
VIRGIL D. TIPPETT, Student Pres.

STUDENT GOVERNMENT

In a large measure the students of Marshall College govern themselves. To maintain traditions and provide the machinery necessary for handling the business and social affairs of the student body, a system of student government was set up a few years ago. From year to year the organization has been perfected in its functions till it now exercises a large degree of control over student affairs.

All executive and legislative duties of the student body are vested in the President of the student body and the several members of the Student Council, which is an elective organization.

Student government at Marshall enjoyed a happy year of success and accomplishment for 1932-33. Many things were done—some of which had failed to materialize in past years. The students expressed greater interest, were more loyal to the cause and the college, and at the same time stood firmly for their rights and privileges.

With the cooperation of the Athletic department the annual Dads day was sponsored by the council. Again this year the council as well as the entire student body carried out their share of the Home Coming activities on Thanksgiving. The fraternity and sorority having the best decorated

houses were awarded loving cups. The best decorated float in the annual parade was also awarded a beautiful loving cup. The regular student council dances and the Beauty Ball were put over in great style. Several thuses for football were conducted by the council. One hundred dollars was given to the Student loan fund for the purpose of helping needy students. Special keys for all members of the council were designed and presented.

Last year the Council was headed by Ben Hamilton, president of the Student Body. Voting members were:

Alva Thomas Ball,
Franklin Burdette,
Earl Hager,
Carl E. Halbert,
Evert Hines,
Ramey Hunter,
Harry F. Jackson,
Gerald I. Jordan,
Marshall Martin,
Garland Ray,
Elanor A. Smith,
T. S. Thornburg,
C. J. Trippy.

Ramey Hunter, Evert Hines, and Cosmo Trippy, elected last year for two-year terms, will serve as hold-over members this year.

STUDENT BODY**

PREAMBLE

We, the regularly enrolled students of Marshall College, comprising the Student Body of Marshall College, in order to encourage active cooperation in the work of student government, to uphold the highest standards of honor and integrity in all matters of personal conduct, to strengthen cordial relations between faculty and students, to enact and enforce laws according to the grant of powers, to provide for the information of an official body known as the Student Council, to give adequate and effective expression to the opinion of the Student Body in matters of general college interest, do hereby ordain and establish this constitution for student government of Marshall College.

ARTICLE I—LEGISLATIVE

Section 1. All executive and legislative powers herein granted shall be under the direction of the President of the Student Body and the several members of the Student Council, elected as hereinafter provided.

Section 2. The several members of the Student Council shall be:

(a) Two representatives from the Freshman class, elected for a term of one year by and from the class.

(b) Three representatives, one to serve for a term of two years and two for a term of one year, elected by the Sophomore class from its membership.

(c) Two representatives (each to serve for a term of two years) from the Junior class, elected by the class, thus making a total of three with the hold-over member.

(d) Two representatives, each to serve for a term of one year, elected by and from the Senior class, thus making a total of four with the two hold-over members.

(e) The President of the Student House Government Association.

(f) The editor-in-chief of the official college year book, The Mirabilia, and the Council editor of the official college newspaper, The Parthenon, as ex-officio, non-voting members.

Section 3. Representatives to the Student Council shall be elected as follows:

(a) Candidates shall be nominated by a petition of ten per cent of the membership of the class. These petitions shall be presented to the Election Board by 9:00 A. M. on the third Wednesday after the first Monday of the fall term of school. No student may sign more petitions than there are representatives to be elected from his class.

(b) The Election Board shall consist of the President of the Student Body, the hold-over members of the Student Council, and one of the regularly appointed faculty class advisers who shall be designated by the President of the College for each of the four classes.

(c) The Election Board shall announce all nominees at once, and shall appoint five persons for each class to supervise the election.

(d) The election shall be held by secret ballot from 10:00 A. M. to 12:00 M., one week after the final date for presentation of petitions, each class having a separate voting place. Nominees shall be listed in the order in which their petitions are presented. Each candidate shall be entitled to a challenger within the voting room. In elections to choose representatives for terms of varying lengths, candidates receiving the largest number of votes shall receive the longer terms.

(e) The Election Board shall count the votes immediately after election. All protests shall be filed with the President of the Student Body within one week after the election and shall be considered by the Student Council.

(f) When vacancies occur in the representation, such vacancies shall be filled by the body represented as heretofore provided.

(g) Any member of the Student Council or officers of the Student Body with the excep-

tion of the Student President may be removed from office upon a three-fourths vote of the Student Council. Charges shall be preferred by any member of the Student Body. The charges shall have been brought two weeks prior to the date of the vote, and each member of the Council shall be notified of the nature of the meeting at least one week prior to the date of the meeting.

Section 4. The first regular meeting of the Student Council shall be held the day following the election of Council members. At this meeting the Council shall designate the time of its meetings. The Student Council shall meet regularly every two weeks following the initial meeting, except during vacations. Nine regular members present at any meeting shall constitute a quorum.

Section 5. The Student Council shall have the following powers and duties:

(a) To conduct during the college year four assemblies, which may or may not include such assemblies as may be necessary for the election of the President of the Student Body.

(b) To elect the editor-in-chief and business manager of The Mirabilia upon recommendation of the retiring editor and business manager.

(c) To arrange for the publication and circulation of a yearly handbook containing the constitution of student government, traditions and laws of Marshall College, and such other material as may seem advisable. The publication of this handbook may be delegated from year to year to college organizations at the discretion of the Council.

(d) To present awards in the name of the Student Body.

(e) To make and control freshman rules provided that enforcing authority may be delegated to an organization composed of students who indicate their desire to participate in enforcement by presenting their names to the President of the Student Body. Only students whose scholastic average the previous year at Marshall College has been C or bet-

ter shall be eligible for membership in this enforcement organization.

(f) At its discretion, the Council may draft a point system for student offices.

(g) To approve the appointment of a Council editor of The Parthenon, who shall be an ex-officio non-voting member of the Council and a regular member of The Parthenon staff.

(h) The Council may at any time ask an explanation of policies of college publications if the said policies seem contrary to college interests, and may recommend the removal of staff members.

(i) The Student Council, as representative of the Student Body, shall have the power, subject to the approval of the Administration and the State Board of Education, to enact rules and regulations in all matters of student activity not strictly academic, and shall have the further power to enact rules as may be necessary to carry out the provisions of this constitution.

ARTICLE II—EXECUTIVE

Section 1. Nomination for the office of President of the Student Body of Marshall College shall be made at the first regular meeting of the Student Body in May of each year. There shall be at least two nominees for the office of President, all nominees being academic Juniors. The President of the Student Body, upon the assumption of his office, shall be an academic Senior. A secret ballot shall be taken one week from the date of nominations and in case no candidate receives a majority, another ballot shall be taken one week later on the two candidates having the highest number of votes. A majority shall be necessary for election. The election for Student President shall be conducted by an Election Board appointed by the President of the Student Body, provided that each candidate shall be entitled to a representative on the Board. Each candidate shall also be entitled to two challengers within the voting

place. If the President be ineligible at the time of the assumption of office, the vacancy shall be filled by a regular election as provided for above, to be held the third week of the fall term of school.

Section 2. To remove the President of the Student Body, a petition signed by twenty-five per cent of the Student Body shall be submitted to the Student Court. At the discretion of said Student Court, a new election may be called at which the President may stand for re-election. If the Student Court does not consider that there are grounds for calling a new election, any further action to remove the President shall require a petition signed by fifty per cent of the Student Body. This petition will automatically call a new election.

Section 3. The President of the Student Body shall have the following powers and duties:

(a) Preside over all Student Council meetings, and call special meetings when he deems it necessary. He shall vote in the Council only in case of a tie.

(b) Appoint all special committees.

(c) Appoint two members of the Student Body on the college Athletic Board, two on the college Social Activities Committee, and three on the college Assembly Committee. Each of these appointments shall be confirmed by the Student Council.

(d) The Student President shall act for and represent the Student Body on all official occasions.

Section 4. The Student Council at its first meeting shall choose from its membership a vice president who shall have the same qualifications as the President, a Secretary, a Treasurer, and any other officers deemed necessary.

Section 5. The powers of these Council officers shall be as follows:

(a) The Vice President of the Student Body shall assume the powers and duties of the President in the absence of, or at the request of the President of the Student Body.

(b) The Secretary of the Student Body shall write and preserve records of all Student Council meetings. At the end of the Secretary's tenure of office, he shall deliver to the President-elect his records, which shall in turn be entrusted to the new duly elected Secretary.

(c) The Treasurer of the Student Body shall be in general charge of all collections and disbursements of the finances of the Student Body; said collections and disbursements to be authorized by the Student Council. Two weeks before the end of his tenure of office, the Treasurer shall present his records to the College Auditing Committee.

Section 6. Elections for all class officers shall be held by secret ballot at the same time and under the same supervision that Student Council representatives are elected. Presidents of classes shall be nominated by petitions of ten per cent of the membership of their respective classes. Each class shall also elect a vice president, a secretary, and a treasurer, candidates for which shall be nominated by filing an announcement of candidacy with the Election Board. All class officers must be academic members of that class, and petitions for president and announcements for other officers shall be presented to the Election Board not later than the final date for Student Council petitions as set forth in Article I, Section 3-a.

ARTICLE III—STUDENT COURT

Section 1. There shall be a Student Court composed of three faculty members appointed by the President of the College and four students appointed by the President of the Student Body and confirmed by a two-thirds majority of the total membership of the Student Council. Of these student members, all of whom shall be academic Juniors of Seniors, one shall be a fraternity man, one a sorority woman, one a non-fraternity man, and one a non-sorority woman. The Court shall meet within a week after the organization of the Student Council and shall elect

its own officers. At this first meeting the Court shall designate the time of its meetings.

Section 2. Powers and Duties of Student Court shall be:

(a) To consider cases of dishonesty, breaches of social etiquette, infringements of college traditions, and all matters contrary to the best interests of the college.

(b) The Court shall have final judgment as to the constitutionality of acts of the Student Council and as to the interpretation of this constitution.

(c) To render decisions and pass sentences concerning all matters before it.

Section 3. All college organizations shall submit a report of any social function, through the highest ranking official of the organization present, to the Chairman of the Student Court within four days after the function. Regulation forms shall be provided for this purpose, and any organization failing to make a report shall be held responsible as well as such individuals as may have been delinquent.

Section 4. All students and faculty members shall be privileged to prefer charges or submit reports to the Student Court concerning any matter within its jurisdiction.

Section 5. The Court shall, as individuals, take the juror's oath of secrecy; No records except final decisions of the Student Court shall be recorded and preserved. Final appeal in all matters may be taken to the President of the College.

ARTICLE IV—AMENDMENTS AND BY-LAWS

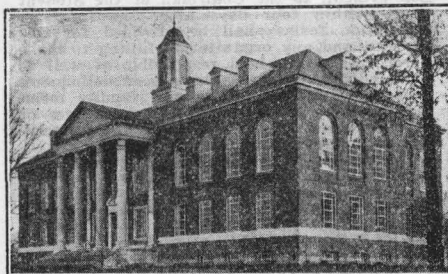

Section 1. Amendments to this constitution may be proposed either by the Student Council or by a petition signed by ten per cent of the members of the Student Body.

Section 2. Amendments to this constitution shall become valid and integral parts of the constitution through ratification by a two-thirds majority of the members of the Student Body at a meeting called for that purpose, or by a two-thirds vote of the ballot upon the proposed amendment. The method

of voting shall be decided upon by the Student Council.

Section 3. An amendment must be proposed at least two weeks before action can be taken upon it. The proposed amendment shall be given public notice on the college bulletin board or advertised in the college newspaper at least ten days before a vote can be taken.

Section 4. By-laws and rules of the Council may be adopted or amended by a majority vote of the Council, provided that the matter shall have been submitted in writing at a previous meeting. By-laws or rules may be passed by unanimous consent without having been previously submitted.

VARSIITY "M" CLUB

The Varsity "M" club, one of the most active clubs on the campus, is composed of athletes who have won letters in some sport and who have been voted on and accepted by a majority of the club members. Only players, managers, and trainers of sports are eligible for the club. The activities of this club were widely recognized last year, not only by Marshall but also by other colleges and universities.

Last year this club accepted the rules of the other similar clubs in the Buckeye Conference, and is now abiding by them. The club members hold their meetings in a room in the east end of the gymnasium which is set of for their private use. Here they make their plans for dances and other social functions and elect new members. The walls of this room are decorated with the pictures of former teams and players.

The Varsity "M" club's purpose is to create a stronger bond of fellowship between the present day members of the club and those of days gone by.

Len Priode, lanky right-hand pitcher on the Varsity baseball team, was elected president for this year, and he is looking forward to a great year for the club.

THE PARTHENON

The Parthenon is the student newspaper of Marshall College. It has had as its primary purpose the complete coverage of all campus activities and events. It had its origin as a literary publication before the beginning of the present century. Then

MARY MAGEE WRIGHT
Editor in Chief

the Parthenon, like the college of which it is an inseparable part, was small. Both have grown and it is particularly gratifying to record that the Parthenon has chronicled, advocated and encouraged this growth.

Now, the Parthenon, like Marshall College, has reached a high level of development. It is recognized as one of the foremost college weeklies in the United States.

It is YOUR paper and it is only with your cooperation and assistance that it will continue to be recognized as an integral part of campus life.

MAX BURNS

Business Manager, 1932

THE MIRABILIA

The Mirabilia is the Marshall College year book or annual and is published a few days before the close of school in the spring. It contains the story and photographic record of the school and student body in regard to campus activities and organizations.

The editor and business manager are elected by the Student Council upon the recommendation of their predecessors. The 1933 edition was published by Ted Martufi and Max Burns and is considered one of the most beautiful and extensive books ever published. The 1934 editors have as yet not been chosen but this will be done as soon as school opens.

FRESHMAN PLAYERS

Freshman Players, as the name indicates, is a dramatic organization for Freshmen students alone. It is a wide-awake organization and produces several one-act plays as well as one three-act production. It serves as an introduction to College Theatre giving valuable experience to the student before his participation in major plays. However any Freshman is eligible for College Theatre but it is deemed advisable to become a member of Freshman Players because of the necessity for finding the phase of dramatics which best suits the talents of the individual.

Last year Freshman Players presented three one-act plays in assembly. One three-act play, "The Ninth Guest," a mystery drama by Owen Davis, was presented to the public. It was well received and met with very favorable comment from several dramatic critics. This year the program will be continued and expanded.

I want to encourage all Freshmen interested in Dramatics to join Freshman Players. You will find it a great asset in any phase of your college life and will look upon it as one of the happiest parts of your college career. Hoping that you have a profitable and happy year at Marshall, I am—

Dramatically yours,

GERALD I. JORDAN,
President, '32.

COLLEGE THEATRE

Dramatic activities at Marshall center around College Theatre, a wide-awake producing organization which all students and faculty members are invited to join. Regular membership, price of which has been reduced this year to one dollar, carries with it a season ticket to all major productions, and gives the student the privilege of participating in College Theatre plays.

Each year College Theatre produces four major plays, numerous one-act plays, represents the college in the state one-act play contest, and co-operates in the presentation of the Commencement Festival. Last year, "The Queen's Husband," "The Cradle Song," "R. U. R.," and "Androcles and the Lion," were the major plays produced. The theatre took O'Neill's "Where The Cross is Made" to the state contest at Fairmont, and won first prize in competition with other state colleges. In addition one of Marshall's boys was adjudged the best male actor in the state, and one of our girls took second place among the women.

We predict an active and successful season in dramatics this year, and invite the participation of every student. We expect to carry out more fully than ever before our three-fold purpose: to give authentic training in dramatics, to develop the personality of each individual student, and to provide high-class entertainment for the college. Remember that Freshmen are eligible for work in College Theatre, and that membership gives admission to four excellent shows at less than average movie prices. Our motto for the year is "Dramatics for Everybody."

G. HARRY WRIGHT,

Director of College Theatre.

THE BAND

The Marshall College band is an institution inseparable with the campus spirit. Every year the band wins a place in the hearts of those who are stirred with the enthusiasm of football. And as a climax of this enthusiasm comes the annual parade down the streets of Bluefield before the Marshall-Emory and Henry game.

Every Marshallite who owns or plays an instrument should see Professor Harry E. Mueller as soon as possible and get enrolled. Uniforms of Green and White are worn by the boys in the band, and each semester the student body in an assembly is given a chance to show its appreciation for the good work. It's worth every bit of effort put into it.

Nor are those who help in the band forgotten. Letters of a special design are given the first year men, and a dark green blazer with a letter is given to each second year man. Don't forget to answer when you hear the first call for the band.

DEBATE AND ORATORY

The most ambitious debate schedule in the history of Marshall College is being planned for this year. Marshall will again participate in the debates of the Buckeye Conference, including the leading colleges and universities in Ohio, and tentative agreements have been reached to debate Waynesburg College and the University of Pennsylvania. In addition, Marshall will meet the leading teams in the West Virginia Conference.

The college, in cooperation with the Speech Department, will grant two hours credit to students who lend their assistance to the work of the debate team. As a course which combines the merits of extra-curricular activity with faculty leadership, the debate schedule can be made one of the most profitable items in your program.

This year as usual, the speech department will send a representative from Marshall to the state inter-collegiate oratorical contest. Both Debate and Oratory are open to the entire student body. Mr. Wright and Mr. Ranson are especially interested in interviewing these Freshmen who have had experience in either or both fields. If you have not had experience along this line now is the time to gain it; the ability to debate or speak adequately will reach out into every field of work and without it one is lost.

YMCA . AND . YWCA

The Young Men's and Women's Christian Associations extend to every student and faculty member of Marshall College their most sincere greetings.

In every Marshall student, and especially in every freshman, they are vitally interested. In the first place the organizations are groups of students who are finding Christian attitudes about ordinary incidents. "What has religion to do with men and women's relations? With my cultural standard? With the way I spend my time? With my friendships in my group?" As the religion of a student determines his thoughts and actions, it is his way of dealing with all every-day matters.

They help the students of Marshall to find knowledge and understanding, and give them the fellowship in which they may experiment day after day in the situations which they meet, judging and rebuilding as their understanding grows.

The YMCA and the YWCA cordially welcome you to their meetings and desire that you may become a member of their national organizations.

They challenge you to a well rounded life of activity, service, enjoyment, prayer and trust in God.

DO

1. Forget that you came from any particular high school or prep school. You are a Marshallite now.
2. Get into at least one useful activity.
3. Talk Marshall wherever you go.
4. Get the habit of saying "Hello."
5. Keep your eyes open by reading the Parthenon and bulletin board.
6. Pay all bills promptly. You'll need to establish a reputation for meeting obligations.
7. Go to all games. Support your team, but be clean in your cheering. Give your opponents a hand.
8. Keep quiet about your high school records.
9. Always attend assembly, you will benefit greatly thereby.
10. Vote in all the elections. It's good training for later years.
11. Learn the songs and yells and join in the rooting. It's your duty.
12. See your queen on Friday, Saturday, or Sunday. Study during the week.

DON'T

1. Don't forget to patronize our advertisers.
2. Don't throw papers on the campus.
3. Don't fail to write home at least once every week.
4. Don't smoke in the buildings.
5. Don't leave magazines and reference books lying on the library tables. Some one else may want them.
6. Don't forget that the library building is a place for silence.
7. Don't applaud in assembly when it is of a religious nature.
8. Don't be afraid to talk over your problems with your instructors and dean.
9. Don't postpone writing your term papers until the last week. You'll have exams to think about then.
10. Don't let the organization officers do all the work. Cooperation is as desirable and necessary as leadership.
11. Don't mumble a half-hearted greeting. Call everyone by name if you can, and let him know you are interested in him.
12. Don't think it old-fashioned to "boost."

FRANCES E. NAPIER
Dean of Women

**GREETINGS FROM THE OFFICE
OF THE DEAN OF WOMEN**

We are glad to welcome the Freshmen and the new upperclass girls to Marshall College. And of course, we are only too happy to have our old girls back with us.

College Hall is our Freshman dormitory where we live together, work together, play together and if we have any problems solve them together as one big family.

The transition from high school to college is almost like the transition from youth to womanhood. The first feeling of a Freshman is confusion but do not feel worried or troubled for we are here to help you. Please feel free to come at any time to my office which is Room 9 on the first floor of the administration building. You are always welcome. I know you will be happy at Marshall College and we will be glad to have you with us.

Most cordially yours,

FRANCES E. NAPIER,
Dean of Women.

III.

Repledging

A pledge is binding for one calendar year during which interval a girl may not be invited to join any other sorority. The word "pledge" is defined as meaning a promise to join a sorority in the form of a written acceptance, or the wearing of the sorority colors.

If a girl fails to make her grades, or to fulfill other initiation requirements, or if the sorority, for any reason, does not initiate within one calendar year from the date of her pledging, her pledge automatically expires and she is then eligible to pledge any sorority.

If at any time a girl who has been pledged and dropped by a sorority because of failure to make her grades, meets the grade requirements, she may be re-pledged and immediately initiated into the sorority to which she was formerly pledged, provided the sorority votes her in.

If, however, her pledge is released by the sorority, or if she herself "breaks" her pledge prior to the end of the calendar year from date of her pledging, she is then not eligible to pledge any sorority until one calendar year from the date on which her pledge was released or broken.

This regulation shall cover any campus, the one on which the girl was originally pledged or one to which she may transfer.

The releasing or breaking of a pledge shall be reported to the local panhellenic and a record of such action kept for one calendar year.

If unusual campus rulings, illness, or finances prevent initiation within stated period the situation may be presented to the president of local panhellenic.

IV.

Rush Rules

Sec. 1. Rules on rushing shall be printed and may be as widely distributed as local needs and conditions may demand, and may be posted in a conspicuous place.

V.

Open Bids

Open bids may be given any girl who has been on Marshall campus through one rush week. Freshmen may be given an open bid three weeks after rush week is over.

VI.

Dues and Fines

Sec. 1. The annual dues of each sorority in the local panhellenic association shall be \$5.00 payable within one month after the opening of school. Fines not to exceed \$25.00.

VII.

Sec. 1. Local panhellenic association may make local by-laws to meet local conditions provided they do not conflict with the rulings found in the constitution and by-laws for local panhellenic associations.

VIII.

A scholarship chairman shall be elected to check scholastic standing of panhellenic representatives and report all dropped members to panhellenic.

IX.

Panhellenic will not require any officer other than the President to be a former member of panhellenic.

MESSAGE OF THE HEAD CHEER-LEADER

Freshmen! The complete development of a good Football team depends upon the support rendered by the school's cheering section. Marshall's Thundering Herd has a wonderful supply of material and with your wholehearted cooperation in the cheering section it will be invincible. Our coach, Tom Dandelet, has said that good cheering doubles the courage of his men when the going is rough and has often meant success when failure seemed certain. The primary success of our cheering section this year depends upon you. Success will be enjoyed if you memorize your yells at once, and carefully follow the instructions of your cheerleaders. Since Marshall is now a member of the Buckeye Conference our cheering standards must be on a par with the members of that conference if we are to obtain recognition. So, speaking for myself and assistants, I ask that you lend your untiring efforts to the development of Marshall's cheering section. If this is done we will have the best cheering section and the best football team in the Buckeye conference.

Your friend,

GEORGE L. GARNER,

Head cheer leader.

WEST VIRGINIA

O child of the storm clad in thunder
Of a nation's lurid light,
Arise to thy glory in wonder,
In thine armor flaming bright
Thy righteous sword is gleaming
With the truth that made us free,
And our God with might will protect
the right,
West Virginia, for thee.
West Virginia! West Virginia!
The home of the brave and the free,
Our God with might will protect the right,
West Virginia, for thee!
(Words and music by Dr. C. E. Haworth)

FOREVER, GREEN AND WHITE

Cheer the men of Marshall
They're fighting for Marshall
Into the fray
They'll win today
They'll win for you and me.

Chorus

Green and White for Marshall
Worn o'er hearts so true
Every man of Marshall
Will fight the fight for you,
You're the inspiration
From early morn till night,
May or December
We will remember
Marshall's Green and White,
It's the same old story
Marshall's won more glory
While we are singing
They are bringing
Home the victory!

ALMA MATER

All hail! Alma Mater,
Thy cherished name we sing.
All hail gracious mother,
To thee our voices ring!
Through glad days yet fleeting,
Through years that are to be,
We laud thee, O Marshall,
Our hearts sing to thee!
Thy walls rise in beauty
Mid shade of vine and tree.
They shelter thy children
And bind them safer to thee.
Thy spirit, O Marshall,
In every heart beats high,
Live on, Alma Mater,
Thy name ne'er shall die.

Hear thy children as they call.

Hear us as we call,
O gracious mother, hear!
In all thy power, in all thy might,
O gracious mother, hear!
In all thy power, in all thy might,
O gracious mother, hear!
We come to thee, we call aloud,
For thy great light!

'GAINST THE GREEN AND WHITE

'Gainst the Green and White of
Marshall
Let all give way;
Fling forth her banners; 'neath her
colors gay.
We come, we come, we come,
We come to honor thee, O Marshall!
Long may thy banners wave,
Long may thy children be true and
brave.
Rah! Rah! Rah!

**DIRECTOR OF ATHLETICS
ROY M. HAWLEY**

When "Legs" Hawley came to Marshall, this institution was known only in a very limited locality—Southern West Virginia. Now Marshall has an excellent reputation over a more considerable area having played Ohio Wesleyan University, Western Maryland, University of Dayton, Penn State, West Virginia University, Washington and Lee and many other large institutions. Owing to Mr. Hawley's unrestrained efforts, Marshall is now a member of the Buckeye Conference having joined it following the 1932 football season. Marshall made an enviable record in both Basketball and Baseball having tied for the conference pennant in the latter sport. Marshall owes a great deal to Roy M. Hawley.

BASEBALL

Roy "Legs" Hawley directed the baseball activities of Marshall for the first time last season. Hawley took over the reins when the post was vacated by Johnny Stuart, manager of the Huntington Boosters, at the conclusion of the 1932 season. "Legs" was quite a diamond star at West Virginia University and consequently was well capable to assume the coaching duties. He had gained much valuable information from study and experience and this was promptly transferred to his players. The wealth of material they received is proved by the wonderful success enjoyed by the team. They won first place in the Buckeye conference. The schedule and scores are:

29	Marietta College	1
14	Morris Harvey	12
4	Ohio Wesleyan University	0
6	Miami University	5
5	Ohio University	11
4	Miami University	8
12	University of Cincinnati	2

THOMAS E. DANDELET
Head Coach

"A builder of character and men as well as successful athletic teams."

FOOTBALL

Thomas E. Dandellet came to Marshall in 1930 from Ceredo-Kenova High School where he had made an unprecedented name for himself in coaching all sports by turning out the best teams in the state in high school circles. He then became assistant coach at Marshall and did such excellent work that when Head Coach Maulbetsch resigned, Athletic Director Hawley immediately appointed "Dan" as Head Football Coach. When Dandellet succeeded to the position, he soon became popular with his players and fans as well, and, during the first year turned out a team that was considered one of the best in West Virginia. Last year the football team was much better than the year before. In the first game Marshall defeated the University of Louisville 66 to 0. Then came the tilt with Morris Harvey with Marshall on the long end of the score of 13-0. Marshall's next game, that with Western Maryland, was quite a surprise. Marshall went into the game very much an underdog but when the final whistle blew the score was 13-13. On October 14 the Thundering Herd defeated Georgetown 7-0. The University of Dayton was the first to mess up Marshall's clean white slate, trouncing them 13-7. On October 28th Geneva beat Marshall 12-0. Then came the Emory and Henry game with Marshall emerging on the favorable end of 14-6 score. The game with the Salem Tigers is one game that will never be forgotten. The score three minutes before the final whistle was Marshall 13, Salem 7. Then Salem shoved over for another touchdown leading the score 14-13. Before Marshall fans realized what had happened the Thundering Herd had tossed two passes and made another touch down as the game ended 19-14. Marshall finished the season with West Va. Wesleyan on Turkey day giving the Bobcats their worst defeat in history. John Zontini, Half back, turned in the most brilliant game of his career, running the pigskin over the line three times. Score: Marshall 22, West Virginia Wesleyan 0.

Intramural Manager

INTRAMURALS

During the past three years Marshall College has broadened its intramural program a hundred percent. This has been due to the untiring efforts of a man who has a thorough knowledge of all sports and the ability to arouse interest and see things through, Prof. Otto Gullickson. Under the expert guidance of "Swede" Gullickson the program has grown by leaps and bounds to the place where seventy-five percent of the male enrollment has enjoyed participation in the college's intramural program.

Teams have been formed in speed-ball, touch-football, tennis, volleyball, handball, swimming, wrestling, basketball, baseball, horseshoe, and track.

With the view in mind of making the program as much a student activity as possible "Swede" appointed Alva Ball student manager. Alva was a senior in the College of Arts and Sciences, Vice president of the Student Body, and a member of Alpha Kappa Pi fraternity. Mr. Gullickson also appointed Kenneth Dunham, Alpha Kappa Pi, secretary-treasurer of the organization. Both boys have done a fine piece of work.

In the first week of September the third annual pentathlon was held with

334 contestants entered. The championship was won by Charles Wellman, Alpha Theta Chi.

In the speed-ball contest the Alpha Theta Chi fraternity again won first place.

In the tennis tournament (singles) Salisbury of Alpha Theta Chi won first place.

Volley-ball had a very successful season. 213 contestants competed on 11 teams. The championship was won by Phi Tau Alpha.

Eight teams participated in swimming, which was won by Phi Tau Alpha with a total of 18 points.

In volley-ball, the Wolfpack barely defeated the faculty for the championship.

Twenty-four contestants took part in the handball singles. The championship was won by Guy Fisher, Alpha Theta Chi.

BASKETBALL

Last year Coach Dandeleit was also called upon to tutor the Basketball team and as a result a fair team was placed on the floor. Ten games were won and nine lost. The Big Green finished fifth in the Buckeye conference, winning three games and losing seven. The schedule and scores follow:

FRESHMAN FOOTBALL

Freshman Football during the past season has been in charge of Tom Stark, who acted as coach. Johnny Watson was his assistant and it was because of their efforts that the Freshman enjoyed such success in the three games that they played.
