COUNCIL - MANAGER GOVERNMENT

Summer used to mean long days of idleness. The days were still long this past summer, possibly even longer, because of Council-Manager Government. Proof that the days were not spent idly should be in your hands in the form of our outline of Council-Manager Government, sent to 500 interested citizens, officials and League members. We are in process of completing earlier plans, but would prefer to announce the results when they are final.

Anne Margaret Havens, Chairman
Council-Manager Government

SPEAKERS

. . . . Or in other words, SOS. We need help! We have dates galore! All you need to do is to speak. On Council-Manager Government, what else! No crowding please, just line up quietly, and we'll line you up.

Louise Swan, Public Relations

VOTERS SERVICE

So much interest was shown in the candidates' questionnaires published in The Advertiser and The Herald-Advertiser before the Primary Election, that these newspapers have asked the League of Women Voters to prepare similar questionnaires for publication before the General Election. Naturally, we are pleased and flattered that the questionnaire met with public approval, however, hours and hours of work go into compiling and assembling these, as the 26 members who faithfully worked on the first project can attest. Letters containing new questions have already been sent to all the candidates running in the General Election. Replies should be in by the end of September, and we will spend the first two weeks in October compiling the answers. This is really interesting work to do--even if it does take lots of time--so if you have an hour, afternoon or evening, free during October 1-15, please call me at 33726 and I'll be delighted to have your assistance. A meeting of candidates for Mayor and Councilman-at-Large will be held sometime during October, as will several T.V. programs for State and National candidates. Unfortunately, definite dates have not been set, so please watch the papers for times and places.

Betsy Broh, Voters Service Chairman

DUES ARE OVERDUE

Second notices of dues will be sent the first of October to members who have not as yet sent in their \$3.00. Those members who have not paid by October 31st will be dropped from the membership roll at the request of the national office. Your \$3.00 this year entitles you to mimeographed and printed material developed by the unit study groups in addition to your local bulletin and the West Virginia and National Voters. So don't forget to mail your checks to the Treasurer, Mrs. E. R. Mook, 1112 12th Street, Huntington, and support your League of Women Voters.

LEAGUE OF WOMEN VOTERS OF HUNTINGTON, W. VA.

CONTINUED

Each board member serves as chairman of the committee responsible for carrying out that part of the program included in her particular assignment. She is depending upon the membership to serve as committee members. If you have not marked and returned your ID Cards sent to you by the membership committee, please do so immediately. Also, feel free to call and board member at any time to express your interest in her committee. Remember that this is your League, Its program shall be as successful as your participation will make it!

DUES ARE DUE

Membership dues of \$3.00 were payable for the new fiscal year as of April 1, 1953. Your dues help to support the Local, State, and National Leagues. In addition to this, each paid member receives "The West Virginia Voter" and "The National Voter". Receipts from dues alone are not sufficient to meet the annual budget. This year's budget is based upon \$335.00 additional contributions from members and non-members. Mail dues and contributions to the treasurer, Mrs. Elmer Mook, 1112 12th St., or pay them at your next Unit Meeting.

PRESIDENT'S MESSAGE

Dear Members:

On the mark! Get set! Go! We're off on the race for active, informed citizen participation in government. Voters Service, with Broh up, has been running, is running and will continue to run, breaking all previous newspaper and television records. Fuller's stable of better polling places is lining up. The featured daily-double, Unit Meetings and World Trade, trained by Frischkorn and Dillon, is the exciting event of the season. Haven's Council Manager is in top form, being touted and promoted under the direction of Swan. United Nations, under Oxley, is a dark horse, expecting to show his colors in October. Gate receipts are above expectations, with additional revenues anticipated by Mook from increased attendance sparked by Fernsler. Spectators, officials and entries are keyed-up in readiness for what promises to be a photo-finish.

Roberta Emerson
