President's Message

Isn't it great to be 75 years old — A DIAMOND ANNIVERSARY! Our Federation reaches its seventy-fifth birthday on April 22, 1979, and we are STARTING that club year now! We must make this Federation Birthday year the best ever!

New officers, new ideas, new challenges are all a part of the plans for our over 15,000 clubwomen working on the many projects to continue to improve life in our beautiful state, West Virginia! Begin planning now to attend and be part of our BIG, BEAUTIFUL, BOUNTIFUL BIRTHDAY PARTY at The Greenbrier March 29-31, 1979, the Annual Convention.

"Sow Today And Reap Tomorrow" is the theme for this 1978-79 administration, and how fitting that we can look back and see the wonderful seeds of progress clubwomen have sown for the past 75 years — a bountiful harvest we are reaping now through their efforts. Our Federation has grown to be the largest volunteer women's organization in the state, and we are continuing to work to alleviate suffering of mankind, to improve the way of life, to build on past accomplishments, and to make new paths for those who come after us.

During this administration we will definitely involve sowing the seeds of HEALTH, clubmembers' personal health. We want to emphasize good health habits — eating the right foods, regular medical checkups. Cancer, heart disease, high blood pressure and especially obesity have taken too many of our hard working women and we cannot spare another one through our neglect. There will be a President's Award for the clubwomen who loses the most weight (under her doctor's care, please).

Think SLIM! Think HEALTH! Think of the many years you can add to your life by BEING GOOD TO YOURSELF.

The major project for the next two years is our Educational Seed for Physicians Trust Fund. West Virginia needs more practical medical help. The Trust Fund will be used to help educate family physicians, general practioners, who can do the most good for the most people needing medical services.

In each edition of THE CLUBWOMAN in this administration, there will be articles by Department and Division as well as Special Committee Chairmen which will enable you to have more interesting club meetings, expansion of projects in your community, and better communication between your club and the public. Too, the editor, Mrs. Harold Springer, is expecting news items from your club. What have you done? What are you planning to do? Our 15,000 readers want to know.

As we START this administration, let us think positive. We CAN make this world a better place in which to live if we continue sharing the ideals set forth by our predecessors seventy-five years ago and setting higher goals for ourselves today.

Best Wishes for a Healthy, Happy Club Year — Our Diamond Anniversary!

Ottie Mae Perdue

WEST VIRGINIA CLUBWOMAN

Mrs. Manuel Giampocaro, president, is shown presenting a West Virginia State Flag, donated by the Bluefield Civic League, to Mr. E.R. Johnson, District representative of the Christian Record Braille Foundation, Inc. Rep. Nick J. Rahall is pictured presenting the American flag. These flags are to be used in teaching blind children to carry the flags when they march: to raise them, lower them, and fold them in the correct manner. This is one of the projects at Camp Blue Ridge, Montebello, Virginia.

Run With Juniors

On May 27, for the second year in a row, Wheeling Juniors and their families were on hand to man two of the six aid stations during the Wheeling Distance Race. All hands were in motion filling and passing out an estimated 2000 cups of water and Gatorade to thirsty runners of the rugged 12 mile course on a 90+ degree day.

About the same time, the club launched a campaign to encourage members and their husbands to jog. Discarding the slogans "Save Your Husband" (not all of the members had one) and "Jog with FALL, 1978

Juniors," they opted for "Run with Juniors" as an invitation to membership as well as physical fitness.

Underway now are plans for the 1st Annual 10,000 Meter Heart Fund Run, which the Juniors are co-sponsoring with the Wheeling YMCA, Heart Association and a local sporting goods store. The Wheeling club is handling publicity, manning of the aid stations, and is giving a special award for the couple entering the race who have the best combined time. Several club members and their husbands will be competing in the race also.

West Virginia Federation Cookbooks

Clubwomen are the best cooks in the state, and the West Virginia Federation's Seventy-fifth Anniversary Cookbook will prove it.

Coming off the press about September 1, the cookbook will contain nearly 700 recipes — appetizers, soups, main dishes, casseroles, salads, pies, cakes, desserts, beverages, canning — the most finicky cook can find her favorite recipe.

In addition to the recipes, the cookbook will have 26 pages containing over 400 household hints.

Dedicated to the Past Presidents of the West Virginia Federation, the cookbook will have recipes from practically every club, general and junior, in the state, as well as favorite recipes of State Officers, District officers, and Club presidents.

The WVFWC Cookbook will have a laminated, yellow cover, black lettering and plastic binding for convenient use in the kitchen and will sell for \$5.00 each or \$5.50 if it is to be mailed. The order form is below and you may place your order with Mrs. Donald Sypolt, Ways and Means Chairman, Box 236, Masontown, W. Va. 26542.

SUGGESTION: The WVFWC Cookbook will make a lovely and useful gift, especially for Christmas. Order early since not too many will be kept on hand and it takes a few weeks to get a re-order.

MRS. DAVID MESSINGER

Junior Director's Message

The beginning of a new administration is an exciting time — developing new projects, learning new themes, evaluating past accomplishments, and reassessing our goals. We are all involved in this busy process, taking the good from what we have learned, and adding our own innovations.

There are several new programs just waiting for some enthusiastic support; our State Junior Project, "**We Can Make You a S.T.A.R.**", is one of them. Working with the West Virginia Library Commission, Services for the Blind and Physically Handicapped, we hope to develop a state-wide sub-channel radio network for our non-print citizens. We also plan to work more closely with our local community libraries in their special services divisions. Our National Junior Project, "**Abused Persons**," will concern itself with public education about, and responsive action for, abused children and spouses. As long as there are abused persons in our society, none of us are truly free.

Federation Awareness is a theme we will be hearing a lot about. All of us need to better understand the aims of our State and General Federations, as well as their history and growth. **Communications** will also receive special emphasis during this two years, for communication equals understanding. The special **F.R.E.E.** national emphasis will explore our Federation's Role in Enterprise Economy — and help us to better understand and take part in the American enterprise system.

Membership, as always, is a continuing project. As our membership changes, we need not only to add more members, but to learn the best ways to meet the needs of our continuing membership. And you'll be hearing 'cheers' for our **Juniorette** program as we attempt to instill an enthusiastic and creative attitude toward community volunteer service in our teenage

members. Through our Department and Special Division projects, we will be working with and for the **Legislative** process in order to learn how to better govern ourselves. And our **C.I.P.** projects will continue to improve the communities where we live and work.

Our Departments and Divisions are still the backbone of our clubwork: each strives to meet the special needs in their long-standing areas of concern. **Conservation** is the department for our time — energy and the environment are the passwords of the 70's; Project Share for the developmentally disabled remains a strong emphasis under **Education**; **Home Life** is the department that hopes to keep the families of America strong, healthy, and together; **International Affairs** will maintain work with the various countries of the world, as well as working on their new special emphasis of the International Olympics; **Hands Up** and crime reduction in America will be receiving attention in **Public Affairs**; and **The Arts** will continue its goals of exposing and educating the public to the beauty of the world around them.

Surely there is something here for everyone — there are possibilities for leaders and followers, for doers and thinkers, for innovators and continuity seekers; there are projects for both urban and rural communities, for all club sizes, and for working and non-working members alike. There's definitely something here for YOU.

Our West Virginia Junior Theme for this administration is **LOVE MADE VISIBLE**. Show your concern...regard...compassion...empathy...show your love — by the projects you do for your communities, state, nation and the world. Make your Love Visible.

Wishing you butterflies of Enthusiasm, Creativity, and Love.

Linda

Bicycle Rodeo

A sunny day aided a great turnout at the second annual Bicycle Rodeo held on May 20 at Riverbend Park. This event was sponsored by the Clarksburg Juniors in cooperation with the Clarksburg Police Dept. and the Central WV Auto Club.

A total of 107 bicyclists participated in the Rodeo with ages ranging from 4 to 15.

An objective of the Rodeo was the improvement of each participant's knowledge of bicycle safety. Control of the bike by the bicyclist had to be exercised at all times. The five skill tests challenged each rider's ability at handling his bike.

Judges were careful to point out what the rider had done well as well as how he could improve on that particular skill. An example would be maneuvering a bike through a series of cones, alternating to the right and left of each cone in the line without hitting any of the cones. A scale of ten was used for scoring each skill test.

Each bicycle had to pass a safety inspection checklist. Each rider was also given information on bicycle safety and shown a seven minute Walt Disney film on the topic. Free bicycle flags were distributed. Two ten-speed bikes and many other prizes were given away at the closing of the rodeo.

Consumer Concern...Freedom

by Eugene Chandler [Lue], Chairman
FREEDOM, and what it grows...is every Consumer's Concern...Freedom is the nourishment of the human soul. It fed America from the beginning, and freed our people to create the greatest nation this world has ever seen.

A fruit of freedom is free enterprise. With it, American business grows. Today, America's free enterprise system is threatened by too much governmental regulation and bureaucracy. Still, America's businesses continue to flourish, continue to grow.

GFWC supports the free enterprise system through our Resolution number 137 adopted at the 1974 Convention. Therefore, it is most appropriate for us as Consumers to make an all out effort to

understand and support this important economic system.

One of the objectives of this division is to strengthen the family through teaching financial stability. Women need to be knowledgeable in budgeting, life insurance, wills, retirement and business finance. GFWC/American Council of Life Insurance Co-sponsor.

Family Financial Planning Awards Program. National awards will be to One General Club and one Junior Club with Citations for state awards to one General Club and one Junior Club.

Sperry and Hutchinson Company is sponsoring a Consumer Action Awards Program. National Awards for first place — \$500.00 or 250 books S&H Green Stamps, second place — \$250.00 or 125

WALK-A-THON FOR NEW LINCOLN HIGH SCHOOL

The Shinnston Junior Woman's Club GFWC, sponsored a Walk-A-Thon Saturday May 20. The purpose of this walk was to raise funds to help purchase athletic uniforms for the New Lincoln High School. Approximately \$950 was raised.

Each of the 46 participants were busy signing up sponsors who pledged to pay a set amount of money for each of the thirteen miles walked. The walkers ranged in age from 6 to 29.

Pictured are [left to right] Mrs. Mark Toth, 1st Vice President and Mrs. John B. Spadafore, President, presenting a check for \$961 to Mr. Jerry Toth, principal of the new Lincoln High School.

from the editors desk . . .

by Mrs. Harold G. Springer

With this issue you will note that again I am back as your "CLUBWOMAN" editor...and it is with great pleasure that I accept this responsibility. As with any change in chairmen or officers, new ideas and projects go into affect...and some features that I hope to print in this and coming issues are "Department and Committee Profiles,"...summaries of different projects from various state chairmen. "Important Dates"...a calendar of events. "CLUB NEWS"...News in brief about club projects. I hope you will enjoy them.

"Orchids" to Mrs. Carroll E. Miller, past GFWC and WVFWC president, for being named to serve with the GFWC Executive Committee on the GFWC Headquarter's Committee. This is a new committee and quite an honor for "our Mary Katherine."

Summer projects around the state worthy of note are The

Bridgeport Junior Woman's Clubs annual "Dolphin Water Show." This is their main summer project and features the entire Bridgeport club plus their Juniorettes.

The Fayette Study Club was honored with the appearance of the State's first lady as speaker. Mrs. Rockefeller spoke as a member of the Corporation for Public Broadcasting. The Hurricane Woman's Club...as well as the Juniors...are busy on a city beautification project...300 seedlings will be planted.

Mrs. Maxine Scarbro announces the annual Fall Nature Tour sponsored by the Dept. of Natural Resources is scheduled for Sept. 8, 9 and 10th at Tygart Lake State Park. Ask your president or write Mrs. Scarbro in Charleston for details.

Remember...to check the date of your district's fall convention on the first page of this issue. You will want to be sure to attend.

Mrs. Harold G. Springer, Editor

Wheeling Junior's Welcome AFS Students

When Wheeling Park High School's first foreign exchange student was the guest speaker at a Junior Woman's Club meeting last February, she sparked the Wheeling club's interest in the American Field Service. This non-profit organization last year arranged for about 3000 students from all over the globe to attend school in the United States. Rose Hernandez, Wheeling's visitor from Venezuela, gave the Wheeling Juniors an insight into life in her South American home. She also told them about the "AFS Bus Stop," July 5-8, when

41 students who had spent a year in America would stop in Wheeling during a two week tour of the U.S. before returning to their home countries. Students would be assigned to "host families" for the duration of their stay in Wheeling, and the local AFS club was looking for volunteer families, as well as other kinds of assistance with the bus stop.

The Juniors eagerly contacted Wheeling Park High School's AFS club to see how they could help with the Bus Stop. Club members were on hand to greet the students with packets of information on Wheeling which they had collected and a crystal candleholder for each donated by Fostoria Glass of Moundsville. Several club members attended a picnic for the students and their host families to distribute nametags and be of assistance wherever they were needed.

One club member and her family hosted two students, girls from Denmark and Israel. The Juniors gave these two students West Virginia Junior T-shirts to wear in their native lands (and spread the word about Juniors!)

So enthused was the club that their participation has not ended with the AFS Bus Stop. They are planning an August "Hole-in-One" Golf Contest to raise money for the local AFS chapter, and are already planning to make next year's visiting student, a young lady from Switzerland, an honorary member of the Wheeling Juniors.

Clarksburg Club Participates In

"Miss WV Pageant"

When the Miss West Virginia Scholarship Pageant was awarded to Clarksburg by the Miss America Pageant, the task of recruiting volunteers to assist in the actual execution of the pageant began.

One of the most important jobs in any "Miss America Preliminary" pageant is that of the state hostess committee and hostess chairman. The Woman's Club of Clarksburg, under the presidency of Mrs. Harold Springer, accepted the responsibility of joining the pageant in a club project to serve as the state hostess committee.

Mrs. A.O. Robinson, Public Affairs Chm. served as Hostess Chairman of the pageant.

Serving as hostesses for the 1978 Miss West Virginia Scholarship Pageant were Mrs. Perry Stout, Jr., Mrs. Bernice Hovatter, Mrs. Fred Ross, Mrs. Herbert Hanlan, Mrs. Dewitt Wyatt, Mrs. Mildred Chrisman, Mrs. Jennie Buffington, Mrs. Beulah Nicholas, Mrs. Robert Masonheimer, Mrs. R.E. Conrad, Mrs. Otha Compton Jr. and Mrs. William M. Compton.

These members of the Woman's Club of Clarksburg, comprised the one element of the pageant that made the contestants return home with appreciation of their experiences as a contestant in a Miss America preliminary and the warm hospitality of the people of Clarksburg.

Summer Conference Great Success

Over 500 members of the W. Va. Federation convened in Morgantown on August 4 through 6th for the Fifth Annual Summer Conference and all agreed the time was well spent. Truly a "learning and planning" experience, the conference included instructions, ideas and work shops for the coming two years on every department and committee. Mrs. Kendall Elliott was conference chairman and the key-note speaker was Dr. John W. Traubert, chairman of the Dept. of Family Practice at WVU Medical Center. Mrs. Dexter Otis Arnold, past president of the GFWC delighted her audience with her talk on Saturday evening...all in all...the conference was tagged "A GREAT SUCCESS."

W. VA. MEMBERS ATTEND NATIONAL CONVENTION Thirty three members of the W. Va. Federation, along with four husbands and several children, journeyed to Phoenix, Arizona in early June to attend the General Federation of Women's Club's annual convention. With outstanding speakers and exciting plans for the coming two year administration, and with the theme of "Unity in Diversity" and "Free Enterprise," our members returned home with many fresh ideas and plans. Pictured are Mrs. Diana Smith Immediate past Jr. Director and Mrs. Hersel Perdue, State President as they appeared at the "Phoenix Night Banquet."

But They Did It . . .

Last April, Fairmont's Civic League took on the American Cancer Society Breast Examination Clinic at the annual Middletown Mall Health Fair. They set their goal at 100 exams.

Civic League was told that last year 18 breast examinations were done, "You'll do well if you have 25 or 30."

Over 101 women had the breast examinations — 18 were referred to family physicians for further studies.

Civic League members registered the women and using the Betsi B teaching model, showed them how to do breast self-examination. Specially trained registered nurses then did the breast examinations.

Civic League is a department of the Woman's Club of Fairmont.

WEST VIRGINIA CLUBWOMAN

Pictured left to right: Mrs. Donna Lycan, president of Woman's Club of Wayne, Mrs. Henry A. Ray, president of Lavalette Woman's Club, Mrs. Perdue, Mrs. Edwin Phillips, Wayne Inter-Club Council president, and Mrs. Erma Asbury, president of Ceredo-Civic League. Mrs. Perdue is wearing a "money" corsage from the Council which gave it to the ESP Trust Fund.

Courtesies to Speaker

by Mrs. Thomas N. O'Dell
WVFWC Protocol Chairman

If possible give the guest two dates to consider and include the following information in your invitation:

- * Time, place, type of meeting (luncheon, dinner, tea, etc) and the name of the club president.
- * Dress — formal, informal, etc.
- * If speech is to be given — the time allowed (do not say short greeting).
- * If invited to conduct a ceremony (initiation or installation) give complete details. If theme is to be used, mention this. Ask if there are any arrangements she will require.

Offer overnight accommodations if guest is traveling a great distance and ask if she will be accompanied by anyone. Advance arrangements should be made regarding fee, expenses, travel and other possible obligations.

FALL, 1978

The Visit — Be sure there is someone to meet the guest on arrival and take her to a place where she can freshen up. Give her a copy of the agenda for her stay or the day's program. If there is time before the meeting, introduce the guest to some of the members. Escort her to her seat and make sure she is taken care of during the meeting. (Guests are usually seated in the front row) **Never** allow guests to stand in line for refreshments — serve them or place them in front of the line. Regardless of title and background your guest is human, so don't be afraid to talk and ask questions. Be sure your guest leaves with a good impression and don't forget the "thank you note" written as soon as possible after the visit.

(Note: If a top official is to be the key speaker, no other program should be planned except maybe a short musical one).

President's Reception

The Wayne County Inter-Club Council, consisting of six clubs, hosted a reception May 21 for Mrs. Hersel M. Perdue, newly elected President of the West Virginia Federation of Women's Clubs.

Friends from practically all of Southwestern District came to bring greetings to Mrs. Perdue on the beautiful Sunday afternoon at the Lavalette Woman's Clubhouse. Mrs. Edwin Phillips, President of the Council, coordinated the event through the six clubs of the council which include Fort Gay Area Woman's Club, Woman's Club of Wayne, Lavalette Woman's Club, Westmoreland Woman's Club, Woman's Club of Kenova, and the Ceredo-Kenova Civic League.

Mrs. Perdue founded the Kermit Area Woman's Club and is a member of the Woman's Club of Wayne.

RULES FOR ADVERTISING NEEDS

Each club member who sells \$100 or more in advertising by March 1, 1979 will receive a sterling silver charm. Members selling \$200 or more, will receive in addition to the charm, a charm bracelet.

Club selling the most advertising will receive a check for \$25. The District selling the most ads will also receive a check for \$25. All advertising **must** be paid for by March 1, 1979.

As an **added incentive** (this is new) the West Virginia Federation is giving a **\$500 Savings bond**. This will go to the member selling the most ads **over \$500**. These ads must also be paid by March 1, 1979.

The contest period runs from March 1, 1978 to March 1, 1979. The awards will be presented at the Spring convention at the Greenbrier.

When sending in ads, for identification purposes, always show members name to whom ads are to be credited.

Thank you,
Ruby Henritze

ESP Trust Fund

Family Physicians for West Virginia — that is the major project or program for the West Virginia Federation of Women's Clubs for the new administration 1978-80.

The West Virginia Federation is establishing an Educational Seed for Physicians Trust Fund which will provide grants to young men and women planning to be family physicians, general practitioners, and who plan to stay in West Virginia once they are licensed to begin practice.

The Federation recognizes the need for qualified medical help in many rural communities and is encouraging more West Virginia men and women to go into the medical field, a costly training that many parents cannot afford for their children. It has been stated that 75% of the medical students in our state now in training need financial help. The Federation also recognizes another solution to the medical services in the state: Training doctors who will give the most medical help for the most people. The family practitioner can treat 85 to 90 percent of all medical problems a family might have.

The Educational Seed for Physicians Trust Fund will be administered by a Board of Directors representing the West Virginia Medical Association, the West Virginia Academy of Family Physicians, West Virginia medical schools, the WVFWC, and other reputable organizations. Mrs. Harry L. Findley, Chairman, has established the ESP Trust Fund Account at the National Bank of Commerce, Charleston, West Virginia. The **minimum** goal the Federation has set for the ESP Trust Fund is \$50,000.

How Can the Clubs and Members Help?

1. All checks are to be made payable to WVFWC — ESP Trust Fund and mailed to Mrs. Maurice Cordray, Three Fairway Hill, Weirton, W. Va. 26062.
2. Use the list of suggested activities you received at Summer Conference or encourage your clubmembers to use their own ingenuity and create original and unique ways in which to raise your club's money for the project.
3. Each club is asked to have at least one project each of the two years and contribute the proceeds to ESP.
4. Each clubwoman who obtains a \$1,000 donation from a company, a professional person (doctor, lawyer, banker, etc.) will receive two days at the WVFWC Convention at The Greenbrier. The clubwoman who obtains \$500 will receive one day's stay at the convention at The Greenbrier. (This will not be included in the club's contribution).
5. All persons contributing \$100 or more to the ESP Trust Fund will receive a beautiful Certificate of Appreciation.
6. Contributions of \$10 (either in honor of a person's birthday, a thank gift, in memory of an outstanding member of your club) will be listed in The Clubwoman on the "Honor Scroll."
7. A portion of the profit from the sale of West Virginia stick pins will go to the ESP Trust Fund. Clubs will receive 50 cents from each stickpin sold in their clubs. The profit the clubs make may be used any way they choose. (The stickpins are truly beautiful and the Federation has exclusive rights to sell them.)

Awards

1. Individual award for obtaining the most donations — Silver Award.
2. Club award for having the most unique project for raising money for the ESP Trust Fund regardless of amount — Silver Award
3. District having the highest percentage of clubs participating in the ESP project. — Silver Award to District Chairman of ESP.
4. Club contributing the most money — Silver Award.
