You are receiving the magazine at the beginning of a wonderful and joyful season...Christmas. It's a busy time for us. A time to look at the lights that decorate our trees and homes and think of that special light that led the Shepherds and Wise Men to the stable where the Baby Jesus was born. A time for our hearts to be with our loved ones, whether we are near or far. A time for sharing, caring, and loving. A time for hope and meditation.

I hope you will put your magazine in a safe place and read it when you get a free moment. It maybe an hour tonight, sometime next week, or after the holidays. Save it, and benefit from the valuable information and club news that's inside.

M is for the manger where Jesus lay
E is for the Eve before Christmas Day
R is for rejoicing each and everyday
R is for reindeers coming round the bend
Y is for the year that's coming to an end

C is for the Christ Child that was born
H is for the holly that adorns
R is for the ribbons on the gifts wrapped so carefully
I is for the icicles on the tree
S is for the star that shone so bright that night
T is for the trees - Oh what a sight!
M is for the merry bells we ring
A is for the angels that sing
S is for Santa and the toys he will bring

Merry Christmas to each of you.
Diana

Christmas is, so I've been told
A time for children, young & old.
People scurry to and fro
Through the newly fallen snow.
Baking scents fill the air
Bright lights twinkle everywhere.
Presents sparkle with foil and bows
What's inside - only Santa knows.
For me it is a time of commotion
And gifts made with lots of devotion.
To all my friends - both old and new
I send this poem - just for you.
And thoughts of love and of cheer
For now and for the coming year.

MRS. WILLIAM B. BRIGHT

Since our last correspondence in September, members of the WVFWC have been busy.

Summer Conference Committee members, Mary Trader, Joy Elliott and Mary Jo Thomas report the attendance at the Conference was 703 General and Junior club members on August 9 in Morgantown. Many thanks to the committee for their efforts and to club members for attending.

In early September, Maxine Scarbro, Linda Messinger, Diana Smith, Ottie Mae Perdue and I represented you at the GFWC Board Meeting in Washington, D.C. We met with Senator Byrd, Congressmen Hutchinson, Rahall and Staggers on Capitol Hill and were received by First Lady Rosalynn Carter at the White House.

The FREE (Federation Role in Enterprise Economy) Workshop was also held in Washington and was attended by Jeannine Taylor and Jo O'Dell.

Southeastern Conference, Lexington, Kentucky was attended by 31 West Virginians. Virginia will host the Conference at The Homestead on November 8-9-10, 1981. I hope many more can attend!

The first of the eight District Conventions was held on September 20, the last, November 8. I appreciate Eastern and Central Districts for having their meetings on a

Thursday and a Friday which allowed me to attend a meeting for The Arthritis Foundation and a Junior Convention.

Thank you for all the courtesies extended to me at the Conventions and thanks to my traveling companions Mary Alice Summerfield, Virginia Stump, Lois Phillips, Jean Seldomridge, Boots King, Ollie Harvey, Sally Carter, Carol Gandee, Becky Bright and Margaret Field.

Six Highway Safety Workshops have been held in various parts of the state. A special thanks goes to the West Virginia Safety Council the Governor's Highway Safety Administration, Carol Gandee and Kackie Eller for their travels and presentations that made these meetings so worthwhile.

Plans are being made for the WVFWC Convention at The Greenbrier, March 19-21, 1981. Hope to see you there.

I hope Thanksgiving was truly a Family Time of sharing and caring and as we approach the Christmas Season, what could be nicer than sharing my family with you on the cover of this issue of the Clubwoman and sending Greetings from our "homes" to your home to wish for you and yours a **SAFE AND HAPPY HOLIDAY SEASON.**

Junior Director's Message

How relaxing it is to sit in front of a fireplace, listen to Christmas Carols, reminisce about days of old, and make plans for the future. Unfortunately, over the years, Christmas has become so commercialized there is little time for relaxing. Hours and hours are spent in preparation for a one day celebration and more and more money is required to purchase gifts and entertain friends. It is no wonder many people feel depressed and let down as the holiday season comes to an end. However, there is one way to avoid the "post holiday blues." When preparing your Christmas list this year, substitute a few materialistic gifts for "gifts of love." What are "gifts of love"? They are free, long-lasting expressions of love given from the heart. Included in this holiday message are a few suggestions for those special "gifts of love."

A "gift of love" is establishing family traditions. Family customs instilled in children when they are young will remain with them forever. The type of cookies you bake, the way you decorate your house and tree, shopping for gifts, preparing Christmas dinner, worshipping together, and entertaining and visiting friends are all part of establishing Christmas traditions. In comparing your adulthood Christmas with your childhood ones, you will find they are very similar. Why? Because your parents took the time to establish family customs. Let us be sure to do the same.

A "gift of love" is taking time to share our family with those who have none. Too often, we become so involved with the many festivities of the holiday season that we forget about the many people who are spending Christmas alone. With your family, make time to visit the residents of a local nursing home or an elderly shut-in. A tin of homemade cookies or a poinsetta would help to brighten their day. At the same time, you will be teaching your children a valuable lesson on giving gifts from the heart.

A "gift of love" is teaching your family the true meaning of Christmas. All over the world and in various religions, Christmas is celebrated differently. Time should be spent explaining your beliefs about the holiday season to family members. It is only natural to shower your family with gifts on Christmas morning, but do they understand what these gifts represent. All children should realize there is much more to Christmas than Santa Claus, toys, decorations, and lots of goodies.

These are just a few suggestions for "gifts of love." I am sure you can think of many more. How do they compare with materialistic gifts? While a materialistic gift can be broken, gifts of love will last forever. Even though "gifts of love" require more time on our part, they won't put your family budget in the red. When the holiday season is over and the reminders are packed away for another year, you will be one of the lucky ones avoiding the "post holiday blues" because your gifts were given from the heart and not the pocket book.

And by the way, I don't have a fireplace, our stereo is on the blink, and I cracked our favorite Christmas album, but I have a wonderful husband, a beautiful baby boy, and a home filled with happiness and love. Could one ask for more "gifts of love"?

Much Junior Love,
Judy

Warwood Juniors Have a Busy Fall

Under the direction of President, Jacquie Kaniecki, the **Warwood Juniors** have been very busy on many projects.

This past August we sponsored our Second Annual Warwood Open Tennis Tournament. The amount participating was 148. Unpredictable weather caused a few problems but fun was had by all and over \$600 was made for our club.

September 14th was the date of Warwood's First 10 kilometer Road Race. It was sponsored by the Warwood Juniors and Fresch and Reed Insurance Company. Free T-Shirts which advertised our race were given to pre-registered runners. Over \$100 was made for our club, but most importantly, the Warwood Community shared in our excitement and were enthusiastic to help.

October 11th the Junior Woman's Club of Warwood will sponsor their semi-annual dance. Donations from the community are collected and given as door prizes. A raffle for a "basket of booze" is also being used as an extra money-maker. The money from the raffle is to be used by the Education Committee to purchase a closed-captioned television instrument for Wheeling's Crippled Children's Home.

The club's annual mini-convention was October 24-26. It was held at the Oglebay Park cabins. Members are charged admittance fee and bring a covered dish for the evening meal. A craft is planned for those attending and "grab-bag" gift items are furnished for the girls. After costs are taken care of, the money left is to be donated to Wheeling's Abuse Center.

ded at Lost Creek

On Saturday, August 8th at 5:15 p.m. an unusual storm descended upon the quiet little town of Lost Creek. Within 50 minutes some 125 homes were flooded, many of them almost submerged. Almost the entire town was under water. Two lives were lost, fourteen homes and small businesses were condemned and torn down. People lost their entire possessions.

One of the dearest possessions of the towns people was the library. Nearly 8,000 books were destroyed in the flood. The furniture and carpet was also ruined. The damage was estimated at \$54,000. Less than 300 books were saved.

The Lost Creek Woman's Club is the sponsoring group for the Southern Area Library.

To date we have received from friends and members of three Women's clubs 350 books.

Any one desiring to contribute money or books to help us rebuild our library may contact Mrs. Creel Cornwell (Beulah) President of Lost Creek Woman's Club at Rt. 2, Box 325 Lost Creek, West Virginia 26385 or call 745-3757.

Any books or donations will be welcomed.

For the past several years the GFWC, Woman's Club of South Charleston has honored its local policemen during National Police Officers Week. This year a cake was presented to each shift. The cakes were made by Millie Fleming, a member of the South Charleston club. Each cake was decorated with the inscription, "Our Number 1 Police Officers, Woman's Club of South Charleston."

At one time, Gilmer was the only county in the state without benefit of a public library. Due to the hard work of some county residents, cooperation from the W. Va. Library Commission, GFWC Woman's Club of Glenville, and enlightened thinking of city and county officials on April 2, 1979, Gilmer Public Library joined the ranks as the last "instant" library in the state.

Various items have been donated by individuals, civic groups, and friends groups. These include a mail box, flower boxes, and rhododendrons from the GFWC Woman's Club of Glenville.

The facility's size and shape makes for an informality hopefully reinforcing for the children that the library is a fun place.

Halloween Party Held in Wheeling

The GFWC Child Study Club of Wheeling held a very successful Halloween party.

The party was held at the United Methodist Church of Elm Grove in the fellowship room.

Our special guests were Big Bird and Cookie Monster. They did a little skit for the children, then they judged the best costumes in the different age groups. Prizes were awarded by the club members for the costuming and for winning various games conducted by the members.

Later, the children were given a treat of cupcakes, made by club members and friends, and orange drink, donated by McDonalds, along with some candy.

The tickets were sold for one dollar by members of the club before the party and also at the door. Proceeds went to support The Educational Seed for Physicians.

Become A "GFWC General" in 1980-82

Let's explode into action for new members. Club members now have an opportunity to become a "ONE STAR GENERAL" for bringing in ten new members. For these ten new members, a clubwoman will earn a GFWC Pin with ONE STAR giving her the rank of a "One Star General." For each additional ten members brought into GFWC, she will earn an additional star and be elevated to the rank of a "Two Star General, Five Star General" etc. Each clubwoman's rank will depend upon her interest and dedication in securing new members.

The awards period for the first year is **June 1, 1980 through May 1, 1981**. Those obtaining ten or more new members will be recognized at the GFWC Convention to be held in Cedar Rapids, Iowa next June, when Mrs. Donald L. Shide, President, General Federation of Women's Clubs will personally present the pins sometime during the convention. Those members earning pins but cannot be in attendance at the GFWC Convention will receive their pins at a later date from their State President.

Members may obtain their "One Star General" pin at the 1981 Convention and receive additional stars at the 1982 Convention to be held in Bismarck, North Dakota. It is a two-year program and pins may be earned throughout the two years. So get loaded with ammunition, including plenty of TNT (Today, not Tomorrow) and start seeking those new members. They can be found everywhere.

To be eligible for the GFWC pin and star/s, forward a list of the ten new members secured along with their complete addresses to:

General Clubs - Mrs. James A. Scarbro, 266 Oakwood Road, Charleston, West Virginia 25314.

Junior Clubs - Mrs. Richard Gomes, Ridgevale Road, Box 372, South Harwich, Massachusetts 02661.

The list must contain the name, address and telephone number of clubwoman submitting new members. It must be signed by both the club president and the state treasurer.

The GFWC, South Parkersburg Woman's Club endorses highway safety program at Wood County Fair in July. A booth was staffed by club members during the fair where literature was distributed pertaining to child restraint and seat belt use as well as highway safety. Also, shown was a film and slide presentation entitled "Child's Safe." The film stresses to parents of infants the importance of protecting their baby with a child restraint from the moment they leave the hospital. The picture shows a mother and her two daughters who stopped by for safety literature.

New GFWC Program

Mrs. Don L. Shide, GFWC President announced the formation of a new program co-sponsored by GFWC and The Experiment in International Living. The General Federation of Women's Clubs, the largest community volunteer service organization of women in the world, established in 1898 — and The Experiment in International Living, created in 1932 will be co-sponsoring a program to provide an opportunity for GFWC clubs to become "host communities" for foreign visitors from some 60 nations.

The new program will offer an opportunity for each GFWC club to display its hospitality to provide three-week homestays for EIL visitors with families drawn from their membership. Coupled with the club's participation is its privilege — on a state-wide basis, to select one or more young American adults to receive a scholarship for The Experiment's Outbound Ambassador program — which includes a trip to a foreign country and a homestay.

Mrs. Bright, WVFWC President stressed that clubs in West Virginia become involved in this co-sponsored program.

NEWS to use

by Alta Hoylman, President
Pearl S. Buck Birthplace

The new Fund Raising Brochure that the Pearl S. Buck Birthplace Foundation had printed this fall is being distributed, one to each club President for her clubs' use, at the District Conventions, when possible. Unfortunately the printer did not have them ready for some of the earlier conventions, so they are being mailed to these clubs. They are being mailed to the clubs whose conventions are in November, also.

Remember the goal for the Pearl Buck Project this administration is for each club to raise \$1.00 per member for both years of this term. This is the club's special project. In addition to the club's group project we also need individual memberships, individual donations and money designated for our new Pearl Buck Birthplace Trust Fund.

Slide-Sound Show

The Pearl S. Buck Birthplace Foundation now has an outstanding Audio-Visual production entitled, "My Mother's House." It is 20 minutes in length, contains 90 slides, and is most professionally done with Ann V. Wyatt of Clarksburg as producer, and narrator. Also we hear the voice of Mike King, of WPDH Radio Studios, and Miss Buck herself, from a previous tape she made while in West Virginia several years ago.

Over a year in the making, this show was conceived a long time ago as a show to be used at the Birthplace for Orientation of visitors.

Equipment you will need: Kodak Carousel Auto Focus Projector 760H, an Audiotronics Cassette 152 S tape player (or similar sync equipment in the "1000 Hertz Pulse Range"). Tape is "pulsed" (you can't hear it) to automatically change slides. However, a plain cassette tape player can be used, if you manually change slides according to script, which accompanies carousel and tape.

We are hoping to have five (5) Premier Showings in early November in some of the larger cities, with a Foundation representative bringing the equipment and materials. We would like to use Charleston, Parkersburg, Beckley, Clarksburg, and Huntington. Plans are tentative at this time. Contact Mrs. George Hoylman, 940 Riverside Drive, Gassaway, W. Va., (Phone 304-364-2340) for bookings of this Show for Progress or public.

Boots King Crime Reduction Chairman

Each club president should have received a packet direct from the National Coalition on Shoplifting Material for entering the awards program and lists of available material that may be ordered from the National Coalition on shoplifting for a small fee.

This material is very good and will be very helpful in your program. In your instructions it states that your entry should be to me by March 15th, because our convention is March 19th. I will need your entries by March 10th for judging. There will be only one winner selected regardless of size of club. There will be a monetary award for the winner and Certificates for second and third place winners. The winners will be submitted to the National Coalition for judging nationally. The winner will be announced at the General Federation Convention in June in Cedar Rapids, Iowa.

Several states now have a state Coalition on Shoplifting and hopefully through our State Retailers Association and the DECA Chapters in our schools we will be able to accomplish this goal. This involves your club contacting your local retailers association, DECA Clubs in your local high schools, PTA's other federated clubs, local Chamber of Commerce, fraternal organizations, lions clubs, law enforcement, news media and the courts. It is suggested your have brainstorming sessions with these groups.

Please check with the immediate past president of your club as this material could have been mailed to her.

Press releases are a means of presenting to the general public the story of the W. Va. Federation of Women's Clubs. A press book then becomes a record and in turn a history of individual clubs. No matter how simple or extensive, I believe a record should be preserved.

There will be three categories of certificates to be presented for the efforts expanded by the participating clubs:

Category I: Skillful presentation: Three certificates each for small, medium and large club.

Most inches: including pictures; one certificate each club classification.

Most pictures: one certificate each club classification.

Category II: Qualifications: Any pressbook receiving 95-100 qualifying points will receive a certificate.

1. **Size:** no larger than 14" x 18" or smaller than 10" x 12" . . . 5 points (Expensive binding and art work not judges. Neatness is important.)

2. **Cover:** Must identify club, town and district. 5 points

3. **First Page:** Identify category entered, list of news 5 points (Media used and total club membership).

4. **Date line** at beginning of each article. To be arranged chronologically 25 points.

(From March 15, 1980 through March 15, 1981)

5. **Use only newspaper pictures**, no snapshots. Do not use ads in pressbook, even through club name is mentioned. 5 points

6. **Club name underlined** in each article. You may include articles and pictures from the "Clubwoman" 30 points

7. **Number of inches.** Each page should have its total number of inches totaled.. show in upper right hand corner of each page. Grand total should be shown on inside of last sheet in your pressbook 20 points.

8. **Masthead:** From each newspaper used. Paste masthead or mastheads on outside of last sheet in your pressbook 5 points.

*In publication of news reports on district meetings, all newspapers do not list each club separately. If this is the case, you may use the item on district conventions, **if your club** was represented.

Category III: Quality Awards

Presentation of Club story	25
Honor Points	15
Scholarships	15
Club projects	50
State Projects	25
Use of Club, District, State Themes	10
Community Involvement	25

(Three certificates in each club size)

From the qualified books the judging will be made on the finer points showing the clubs participation in community, district, state and General Federation. If the preparer wishes to index and list items that the judges will be looking for, they may do so. This index should be on a loose sheet of typing paper, paper-clipped to the second page of the book. This courtesy will not be counted for, or against, a book. It is an option. If it is used the page number should be on the lower corner of each page.

The Barboursville Volunteer Fire Department will benefit greatly from the Hometown USA projects that the Barboursville Juniors have planned. One event has already been held and was a fun afternoon as well as a money-making success. A Donkey Baseball Game was held with the proceeds going towards the purchase of a new rescue truck for the Fire Department. Cabell County politicians helped this event by agreeing to be the players and making it a Republicans vs Democrats game. We were able to give the Fire Department over \$500.00 from this project.

Peterstown Junior's Establish Play Park

Why should the residents of a growing active West Virginia community have to travel as far as 25 miles or to a neighboring state to enjoy swimming, tennis and playgrounds? In 1978 the newly formed GFWC **Peterstown Junior Woman's Club** asked that question about their community. As their CIP project members chose the establishment of a recreation park. However, the unavailability of suitable land, little funding and community support contributed to minimal progress. Then in mid 1979 the local Jaycee chapter began efforts in the same direction.

The Juniors and Jaycees got together and are now working closely with other organizations and governing agencies to make this part a reality. Property has been secured and fund raisers are underway to pay for the land with application for matching funds to be made as soon as possible.

Hamlin Juniors Aid Community

The GFWC Junior Department, Woman's Club of Hamlin extended a helping hand to the Hamlin Lions Club during the past summer. Hamlin Juniors feel this is one step in community building.

For the third year the Hamlin Juniors gathered all the advertising for the Annual Lions Club Horse Show. Members solicit advertising, collect materials for the program, oversee the printing of the program, and handle the billing. This year the club collected approximately \$800 in advertising. In the past this was a project of the Woman's Club of Hamlin.

The Hamlin Lions sponsored the Fourth Annual Tobacco Fair held Labor Day week-end. The Hamlin Juniors organized and supervised the parade. Juniors worked in the ticket booth for the carnival and attended all activities that were part of the festival.

Ripley Clubs Launch CIP Project

The GFWC-Woman's Club of Ripley held a White Elephant Sale with 100% club participation that netted \$400.00 for their County's Sheltered Workshop. The Workshop will provide employment as well as social involvement for some thirty (30) handicapped citizens of

Jackson County. Items were donated by local businesses, club members and local clubs. Refreshments were provided by the Board, the GFWC Junior Woman's Club of Ripley and Ripley Junioresettes.

Weirton Club has "Bucks for Buck"

The GFWC Weirton Woman's Club has a new project entitled "**Bucks For Buck**." When a member contributes \$1.00 to the Pearl Buck Foundation her name is assigned a number on a master copy.

At the February meeting, a number will be drawn and that member's name which was placed beside the winning number will receive the book for her own personal library.

Standing (with slacks), Mrs. Margaret McGrogan; Sitting, Mrs. John Applegate, Chairman; Standing with book, Mrs. Joseph Yanacha.
