"THE ADVOCATES"

Have you been watching "THE ADVOCATES" on WMUL-TV, Channel 13 at 8:00 P. M. on Tuesdays? Take a look--you'll find league programs and interests frequently are the topic of this excellent program.

STATE PROGRAM

At our October units we discussed suggestions for state program and at the November board meeting two items were recommended and will be passed on at the state board for consideration. They are:

1. Study of the Juvenile Court System
2. Further study of Election Laws

LEAGUE MEMBERS IN ACTION

We're very proud to report on League members who have been appointed to local government boards or who are representing our League with local agencies and groups.

Sue Carlson has been appointed to the Huntington Zoning Appeals Board.

Joan Bassford has been appointed as community representative to the Parent Policy Committee of the Full Year Head Start Program.

Beth Bauserman is attending the Southwestern Community Action meeting being held for the purpose of fostering cooperation between agencies.

Florence Oxley and Bernice Steirn are attending the Critical Issues meetings.

It's good to have so many Leaguers involved in action programs and we're sure there are many more. Let us know what you're doing - we'd like to report it.

A very special thanks to the following Leaguers who served as ABC network reporters for the election:

Judy Scrudato	Sally Barrett
Sara Kelly	Bea Lingenfelter
Ruth Sullivan	Beth Bauserman
Pat Kleinknecht	Nancy Mathews, State Director
Jean Dickinson	and Mr. D. C. Carlson

The proceeds from this work help the State Board provide more services for all of us, so we all benefit from the efforts of these people. We're very grateful. Thank you.

EVENING WITH THE LEGISLATORS

Our meeting on December 2 with our legislators will be open only to League members and their husbands. This is a great opportunity to talk with our legislators informally and all League members should take advantage of it. Husbands in particular should enjoy this evening, so do bring them along! It will be interesting, informative - and fun! We hope to see you all at Joan Weisberg's, 1505 McCoy Rd., at 8:00 p. m. on December 2!!!

RIGHT ON, LADIES

Two recent books are strongly recommended by your editor as being of interest and importance to all women. Both are fairly short and completely fascinating, as well as extremely thought-provoking.

The first is Education of a WASP, by Lois Mark Stalvey. Mrs. Stalvey was active in "The Panel of American Women" program in Kansas City and then in Philadelphia. Her story is sometimes distressing, sometimes encouraging, but always moving, and every woman will identify with at least parts of it. This book is an experience you really must not miss.

The second book is Unbought and Unbossed, by Shirley Chisholm, the first black woman ever elected to the Congress of the United States. This one should inspire every woman to work a little harder for the kind of government we meant it to be. While Mrs. Chisholm's book is frankly political in parts, her experiences apply to any political party anywhere and you'll come away from it with a better understanding of how its done and how it should be done, and a better understanding of the part women, black and white, must play in the affairs of our country.
