LEAGUE OF WOMEN VOTERS OF HUNTINGTON, W. VA.

September

1955

Mrs. Elmer R. Mook, President

Mrs. David M. Baker, Editor

PRESIDENT'S MESSAGE

The summer lull is over and autumn enthusiasm is gaining momentum! All the heat generated these past summer months on the subject of our City and County budgets should assure record breaking attendance at our first three units. In November, we will be brought up to date on the developments in the national trade policies. We have received our first call to the 22nd National Convention to be held April 30 - May 4, 1956, at the Sherman Hotel in Chicago, Ill. Right now is the time for all of us to be thinking about the National Program for 1956-58. Our official recommendations to the National Board must be sent in by November 30th of this year. So let each of us be thinking about which issues on a national level she would like to study. Please bring your suggestions to the unit meetings or send them to me for Board consideration. Please bring an interested non-member friend to the tea on September 22nd. New members help us to grow not only in numbers but in ideas.

Yvonne Mook

MEMBERSHIP

Don't forget to star Thursday, September 22, 1955, on your calendar and plan to attend our Membership Tea at the Y W C A Auditorium from 3:30 to 5 O'clock. At 4:15 there will be a short resume of our ideas, ideals and policies. Come and bring an interested friend, or two, or three.

If you haven't already sent in your interest card, please do so immediately. Don't let a misplaced card distress you. A call to Ethel Hepner at 8385 will get you another.

Ethel Hepner, Membership Chairman

DUES ARE OVERDUE

If you have not already paid your 1955-56 dues, \$3.00, bring your money to the Membership Tea, or mail directly to the Treasurer, Mrs. George L. Chedsey, 134 Olive St. Support your League of Women Voters!

COUNCIL-MANAGER PLAN

Hold onto your hats, girls, here we go! On September 8th a Citizen's Association for Council-Management Government took its first breath. As with all babies it will need a lot of nourishment, but only a little time before it crawls. It's alive and kicking - though still unnamed.

Robert~~a~~ Emerson, Chairman  
Council-Manager Plan
