HISTORY OF MARSHALL

Marshall Academy was established in 1837 and named after Chief Justice John Marshall of the Supreme Court. John Laidley, after whom Laidley Hall has been named, was one of the leading spirits who brought about the founding.

Marshall Academy was started in a four room building erected on the original one and one-fourth acres of land which were purchased for forty dollars. The first teacher was Mr. John N. Peck.

In 1850, the Academy passed under the control of the Methodist Episcopal Church, South, and was later changed to Marshall College. Marshall was never a denominational school, and the act of making it a college prohibited the establishment of a theological school.

In the midst of some financial difficulties in 1867, a bill was passed for the establishment of a "State Normal School at Marshall." Thirty thousand dollars was provided for this purpose and local subscriptions brought ten thousand more.

Since the cornerstone was laid in 1869 by West Virginia Masons, the College has had thirteen presidents. Later years have brought a number of attractive buildings to the campus. The college passed thru the stages of elementary, secondary and normal school work, later being granted the power to give the A. B. degree.

In 1937 Marshall celebrated her centennial year.

In 1938 Marshall was given permission to offer B. S., M. A., and M. S. degrees and in June, 1940, Marshall granted its first two Master Degrees.

From fewer than 100 students in the nineties, more than 3000 students enrolled in the undergraduate college during the past year. Approximately 350 students graduated during 1940.

PRESIDENT JAMES E. ALLEN

PRESIDENT'S MESSAGE

It is a pleasure at this time of unrest and confusion to welcome to the campus of Marshall College so large an incoming class of freshmen.

The state and national governments are exerting every effort to prepare for national defense in case it should be necessary. However, state and national defense can be effectively maintained provided the masses of the people are qualified by information, observation, and patriotism to sustain those whom we have elected to lead us in times of war as well as times of peace. A college campus is an excellent training school for self-government, obedience to law, and inspiration for loyalty to local, state, and national governments.

The future always follows the past. It is but a continuation; therefore, a knowledge of the history and the literature, the science and the philosophy of this and other countries, gives us a good foundation from which to direct our paths in the days ahead. Let me urge you on this page to set yourselves seriously to the task of finding out just why yours is the greatest democracy of all time, and how you can assist in maintaining this superior form of modern governments.

You will need all of your time to achieve the goal for which you came. Learn early to use the Library. It is the place for the student. What you learn in the classroom is but a fraction of what you may learn in the Library.

In view of my long experience and close observation, let me urge you to devote your whole time to your studies unless it is absolutely necessary to earn part of your expenses while here. If it took four years to get a degree in a good American college 150 years ago, it would certainly seem necessary to give full time to your studies now when there is so much more to learn than there was 150 years ago.

I extend to you my personal and official greeting, and wish you every success which a serious effort on your part will merit.

JAMES E. ALLEN

E. V. BOWERS
Dean of College of Arts and Science

DEAN OF COLLEGE OF ARTS AND SCIENCES' MESSAGE

The Faculty of the College of Arts and Sciences extends a sincere welcome to each of the individual members of the Freshman class.

The Liberal Arts College fills many needs of young men and women: (1) It gives them a broader viewpoint of the outside world; (2) It prepares them for making a better living and moulding a better life; (3) It offers them a cultural background so essential for real success and a richer life; (4) It aids them in making a more satisfactory adjustment to the everyday situations in life; (5) It offers them a foundation which is basic to vocational success; (6) It serves them as a guide in choosing a vocation for which they are best qualified.

How much a college education will benefit the student depends upon his own eagerness for a worthwhile education, and his willingness to apply himself, to make personal sacrifices, and to cooperate with the administration, the faculty, and other organizations on the campus.

The Faculty will be found very cordial and willing to help whenever called upon to do so, and the student should consult frequently with the instructor. The Dean will be glad to discuss any personal problems of adjustment at any time. It is sincerely hoped that this year will prove to be both a happy and profitable one to each Freshman.

E. V. BOWERS, Dean
College of Arts and Sciences

OTIS G. WILSON

Dean of Teachers' College

DEAN OF TEACHERS' COLLEGE'S MESSAGE

Freshmen who plan to be teachers are welcome as students of Teachers College. Such persons should register for courses leading either to elementary or secondary teaching.

The teacher of the future will be obliged to meet stiffer requirements than the teacher of today. The length of the period for education and training may not be materially extended but more attention will be paid to the development desirable of desirable personal traits. These will include correct use of oral and written English, right attitudes and the correction of undesirable personal habits. In other words, emphasis will be placed upon personality traits as well as academic achievement.

It is hoped that only those Freshmen will plan to be teachers who have sufficient native ability to master the subject matter of the teachers' course and who have sufficient interest to want to become superior teachers.

Facilities at Marshall College for the development of young men and women into the service of teaching are adequate. This includes a sympathetic competent faculty; a laboratory school on the campus for observation and teaching; and other factors necessary for the purpose of teacher education and training.

The faculty of Teachers College extends a welcome to young men and women who wish to prepare for this excellent service.

OTIS G. WILSON, Dean Teachers College

LEE FAIRCHILD BACON

Dean of Women

DEAN OF WOMEN'S MESSAGE

A happy welcome to the incoming Freshmen.

As Dean of Women it is my pleasure and privilege to assist the women students of Marshall College to so balance their academic and social lives, their living conditions and their financial and time budgets so that each student may attain the highest possible development through her college career. No one person alone can do all this. It will take your efforts and mine to make an effective plan. So, please, give us your friendly cooperation; come into the office, get acquainted with us and let us give you all the help we can.

Again, my very best wishes for a happy and profitable life at Marshall College.

Cordially,

LEE FAIRCHILD BACON
Dean of Women

K. K. LOEMKER

Dean of Men

DEAN OF MEN'S MESSAGE

Greetings, and sincere wishes for a happy and successful college year at Marshall.

In entering Marshall College you have indicated an interest in taking advantage of the opportunities provided here to prepare yourself for a happier and more effective life. Over one hundred years of growth and experience, and many millions of dollars have contributed to the development of the College and have made it possible to provide these opportunities. As a consequence, you have certain inestimable privileges and certain important responsibilities.

Your first responsibility is to use the academic facilities of the College to the limit of your capacity. That means work, but you owe it to the commonwealth, to your family, and to yourself. You should also make the most of the social opportunities provided here. Get to know your classmates and the members of the faculty. Learn to live, to work, and to play with people. Learn also to make the most profitable use of the recreational facilities of the College and of Huntington.

Your college experience should help you to learn to know yourself, your capacities, your special talents, your personal peculiarities; it should enable you and stimulate you to develop those capacities and talents; and it should prepare you to find a place in the social order which will be mutually beneficial to you and to society.

The office of Dean of Men was established for the purpose of aiding men students to make satisfactory adjustments to the requirements of college life, and to help them to utilize their college opportunities to the greatest advantage. You are urged to utilize the facilities of this office for advice or information on problems of scholarship, of social adjustment, of finance, of employment, of vocational selection; in short, problems of living. Come to this office when you have a question which needs answering!

We want to know you individually, so drop in and let's get acquainted.

KENNETH KARL LOEMKER
Dean of Men

WEST ENTRANCE TO COLLEGE HALL

BURTIS ANDERSON
Student President 1940-41

STUDENT PRESIDENT'S MESSAGE

It is with great pleasure that I take this dual opportunity, as president of the student body and as a fellow student, to heartily welcome you to Marshall College and to sincerely hope that your college life here will be most profitable and enjoyable.

Being the largest class on campus, you are the most important element in the student body. It is upon your shoulders that the future success or failure of Marshall rests. We expect you to accept this challenge and to make the class of 1944 the greatest class that Marshall ever had. And a great class, like a great individual, must become great through service to the whole of which it is a part.

Don't wait to enter into the fine things that college has for you. Start at once to make friends, to get the most out of your classes, to enter freely into campus life.

Through our combined efforts I am confident that we will be proud of Marshall and Marshall will be proud of us.

BURTIS ANDERSON
Student President

NORTHCOTT SCIENCE HALL

FRESHMAN SECTION

ATTENTION FRESHMEN!

For the past three years there have been no compulsory Freshman Rules at Marshall.

The day of old fashioned hazing has past, and in its place has come a new spirit—a spirit of cooperative friendliness and college loyalty to carry on the fine tradition that Marshall has.

It is not the intention of the upper class to dominate the freshmen, but it is rather in the hope of creating friendship and college spirit among the entire student body that we offer these Freshman Suggestions.

We are confident that the Class of '44 will continue this tradition and will adopt a true Freshman Spirit!

We suggest that you:

1. Adopt a friendly attitude. Speak to everyone. The "Hello Lane" is between the Library and the Music Hall.
2. Wear your Freshman Cap and be proud of it.
3. Carry your Student Handbook—it is of value to you.
4. Sit together at the football games. Behave like college students, and support your team to the limit.
5. Learn all the Marshall songs and cheers before the first football game—show that you know them well, especially your "Alma Mater."

6. Attend all assemblies and respond eagerly to all special meetings. (For regular assemblies, Freshmen seats are in the balcony).

7. Make use of the walks.

8. Join in the spirit of things and make the Class of '44 the finest class ole Marshall has ever seen.

A GUIDE WILL HELP YOU

Each year a number of Upper classmen are selected as guides or advisors to aid incoming Freshman students. Their aim is to assist Freshmen in making the adjustments necessary for happy college life by friendly advice and direction in individual problems.

Your Freshman guide stands by to help you through, particularly, the first weeks and throughout the first year. Each is identified, the first week, by a green ribbon and is eager to help you in any way that he can. Please, don't be afraid to ask questions—make yourself at home. "Look for the man or woman with the green ribbon."

HELPS AND SUGGESTIONS

1. Forget that you came from any particular high school or prep school. Be "Marshall" to the core.
2. Get the "HELLO" habit. Consider everyone your friend and don't hesitate to ask questions of upper classmen and professors.
3. Get into some useful activities. Participate in the Intra-Mural Program.

4. Read the Parthenon and the bulletin board and be well informed of campus activities.
5. Attend all assemblies and special meetings. Remember, "Lost time is never found again."
6. Go to all games. Support your team and be clean in your cheering.
7. Learn the college songs and cheers, especially your "Alma Mater." Sing right along with the band.
8. Vote in the election. It's YOUR Student Government.
9. Keep your tuition receipt.
10. Accept academic advice only from official academic advisors—they will be properly identified.
11. Don't wear your freshman cap in the buildings.
12. Athletic books should be obtained from the athletic department, in the gym immediately after paying tuition. Present tuition receipt.
13. Lost and found headquarters is in the Secretary's office.
14. Lockers are available in the Main Building. Register them at the Dean of Men's.
15. Psychology clinic is in room 12.
16. The Green Room (college theatre) is across the hall from the Psychology clinic.
17. Cars must not be parked in the driveway of the college. Fire precautions make this rule necessary.

18. Help keep the campus and buildings clean. Please use the walks.
19. Go to your professors to talk over your problems and any time you need help. Maybe you can teach them something—who knows?
20. Don't postpone writing your term papers, etc., until the last week. You'll have those d—n exams to think of them—to say nothing of formals and other important items. Budget your time.
21. At least find out the location of both the Union and the Library.
22. Carefully read your Student Handbook.

GENERAL REGULATION FOR WOMEN

1. Women students are not expected to visit men's chapter houses and rooming places without a chaperon approved by the Dean of Women.
2. Women students may receive permission to spend the night away from the student residences only on Friday and Saturday nights. In each case, the hostess must call the head of the house for this permission.
3. Students leaving town any time must get permission from home and have this permission approved in the office of the Dean of Women or by the head of the house.
4. Dancing is not permitted on Sunday in any of the women student residences.
5. All cases of illness are to be reported by the student to the head of the house.

6. All house directors and chaperons have the same power of government given them by the college through the office of the Dean of Women.

7. Any woman student who changes her residence must get the approval of the Dean of Women.

8. All women students are expected to come to the office of the Dean of Women before they select their rooms.

SWINGS AND MIXES

For several years the student body has eagerly looked forward to the regularly occurring "Swings" and "Mixes" sponsored by the student council. Their purpose was and is to provide good entertainment and an opportunity for the students to get-together and to have a royal good time.

The "Swings" are entertainment nights consisting of campus talent staging programs. Local dance bands and all kinds of talent and performances are given which put the "Swings" on the "must go" list of campus entertainment.

This year awards will be presented to the organization sponsoring the best "Swing" in an effort to create keener interest and competition. All organizations are invited and welcome to participate.

Everyone is welcome to attend at no charge.

The "Mixes" are weekly dances held at the Student Union usually on Friday nights. Local dance orchestras furnish the music to a depend-

able large group of Marshallites. Mixes have proven to be of great popularity and provide an excellent opportunity for students to get better acquainted.

Freshmen, grab a girl and rush to that first "Mix" which will be held at the Union Friday night, September 13. A good time is guaranteed to all.

P. S.—As a special introductory inducement all freshmen will be allowed to go to the first Mix at half price, 30c a couple, that possess an identification card issued at the Freshman Reception, Wednesday, the 11th.

SONGS AND CHEERS

Alma Mater is sung at every football game to a beautiful accompaniment by the band. Learn it.
IT'S YOUR MOST IMPORTANT SCHOOL SONG.

ALMA MATER

Marshall gracious Alma Mater,
We thy name revere;
May each noble son and daughter
Cherish thine honor dear.
May thy lamp be ever bright,
Guiding us to truth and light;
As a beacon o'er dark water
This is for thee our prayer.

May the years be kind to Marshall
May she grow in fame;
May her children fail her never,
True to her beacon flame.
May her spirit brave and strong
Honor right and conquer wrong;
This the burden of our song,
Ever her truth proclaim.

SONS OF MARSHALL

Marching along we sing the song
Of a very famous man;
They named our college for him because
That's the kind of a man he was.
Revolution to constitution,
His rise to fame began;
He was the third Chief Justice
And a true American.

Chorus

We are the sons of Marshall;
Sons of the great John Marshall.
Year after year we go to Marshall College
Cheering for the team
And gaining lots of knowledge.
Proudly we wear our colors,
Love and loyalty to pledge.
Sure from far and near you'll always hear
"The Wearin' of the Green",
But it's the Green and White of Marshall
College.

MARSHALL FIGHT SONG

Fight, fight, fight, for the Green and White
Fight, fight, fight, with all your might;
Hold'em, Hold'em, Hold'em
And we will celebrate tonight.
M A R S H A double L
We're for you, you know darn well.
The eyes of Marshall are upon you
Fight for the Green and White.

YELLS!**Thundering Herd**

Yea Green! Yea White!
Yea Herd! Let's Fight!

Green and White

Green and White! Fight Fight!
Green and White! Fight Fight!
Green and White! Men of Might!
Fight! Fight! Fight!

Fight! Green and White! Fight!
Fight! Green and White! Fight!

SHAWKEY STUDENT UNION

### STUDENT UNION

Devoted wholly to social life, the Union is the common meeting ground of all the students. The building was erected in 1932. It is not state owned, but belongs to the citizens of Huntington who raised the money through a bond issue. These bonds are now more than half paid off. The building was named in honor of Dr. Morris P. Shawkey, Marshall's president for twelve years.

The Union is the nucleus of campus social life. Outstanding on the social calendar at Marshall are the Student "Mixes"—dances sponsored by the Student Council on Friday nights. Many fraternity and sorority parties and dances are held in the Union. The most recent of Union successes are the "10c Dances" held each Monday night after the various campus organization meetings.

The Union boasts a Ping-Pong room, a Club Room, a large Soda Fountain, and a large ball room which serves as a lounge when not in use.

The Union is capably managed by Cecil Ferguson, a former student, and to whom last year's Chief Justice was dedicated. He is assisted by Mrs. Frank N. Mann who acts as hostess. She is a second Mother to all students.

### HEALTH SERVICE

A student clinic is maintained in which are located the offices of the resident physician and nurse. The physician is available only for such services as may be rendered at the clinic, except in emergency cases. Students who wish to have health service are expected to call at the clinic. The nurse is available at the infirmary in Laidley Hall. Medical examinations are given every student entering Marshall College. We strongly advise all freshmen students to get this examination as soon as possible. The address of the clinic is 1712 Fifth Avenue.

### THE PARTHENON

The Parthenon is the student newspaper of Marshall College. It was organized as a literary publication in the late 1800's and has been an inseparable part of the college with which it grew. It is recognized as one of the foremost college semi-weeklies in the United States. Read your Parthenon, comment on it and criticize it, because only through your help, can the Parthenon continue the growth which has made it a success.

The Parthenon is distributed to students each Tuesday and Friday. Robert Crumdlar, a senior, is this year's Editor in Chief; Frances Cober is managing editor.

### RELIGIOUS LIFE

The religious life of the students is largely entrusted to the many well organized churches in

Huntington. Devotional exercises are held in conjunction with the regular assembly period. Other ample opportunities for students are provided in association with the young peoples' organizations in the Huntington churches. In addition, the Christian Alliance of Men and Women, a campus organization, meeting weekly, has been very helpful in the spiritual life of the College. Churches of most all denominations may be found within half a mile of the Campus. (List of churches may be found in rear of book.)

#### STUDENT EMPLOYMENT

In normal times, a large percentage of the needy and deserving students at Marshall can be employed. In any case, it is advisable for them to be prepared to meet their expenses during the first few months while efforts are being made to place them.

Marshall enjoys substantial assistance from NYA, by which system it is possible for students to earn a maximum of \$15.00 per month. Consult your Dean.

#### FAIRFIELD STADIUM

Marshall is fortunate in being joint owner with the Park Commission and the Cabell County Board of Education of Fairfield Stadium, splendidly located about eight blocks from the campus. This is a modern concrete structure with seats accommodating about twelve thousand spectators.

#### IN YOUR COLLEGE LIBRARY

Greetings from the James E. Morrow Library!

##### How To Get Books

All the books in the library are shelved in closed stacks except a few reference books which are in the main reading room along the wall. When you want to get a book, look in the card catalog in the main reading room to the right of the desk, where you will obtain the information necessary to procure any book in the Library. In general, you can find any book which the Library has, by author, subject, or title. For example, you can find Harap's "Technique of Curriculum Making" under the author card, Harap; under the title card, "Technique of Curriculum Making"; under the subject card, "Education—Curricula" (typed in red). Next, copy the call number, which you find in the upper left hand corner of the card, and present it to the desk attendant, and she will get the book for you. These books may be charged out for two weeks. Sign your name and address on the book card and the attendant will stamp the book and card with the date due.

#### REFERENCE BOOKS AND MAGAZINES

When you want factual information ready at your finger tips, you will refer first to the encyclopedias, indexes, dictionaries, handbooks of all kinds and bibliographies. Many reference books are shelved in the main reading room and others

are in the stacks. In those rare instances, when they seem loathe to impart their secrets, one of the librarians will gladly show you how to get the most out of them. Subject matter in magazines may be located through the indexes, such as: Education Index, Industrial Arts Index, International Index, Readers' Guide. There is a list of magazines in the front of each separate index and those found in this library are checked. All reference books and magazines must be used in the reading room, and a fine will be imposed upon borrowers who remove them.

#### RESERVE BOOKS

For your required reading in certain courses, come to the reserve window at the foot of the stairway which leads to the main reading room. To the right of the window you will find an author card file in which you can secure the call number of the book which you want by looking under the author's name, then present the call number to the attendant at the window and she will get the book for you. During the day these reserve books may be taken out for 2 hours only. For home use, these books are available from Monday through Thursday between 4:00 and 9:00 p. m. and Friday between 4:00 and 6:00 p. m. and must be returned by 9:00 a. m. the next morning. On Saturdays they may be taken out for the week-end between 11:00 and 1:00 and must be returned by 9:00 Monday morning.

#### LIBRARY RULES

(Ignorance of rules does not excuse one from fines)

1. Quiet must be observed in the library.
2. Two-week-books may be taken out at any time during library hours.
3. Fines on overdue reserve books are 25 cents for the first hour or any part of an hour which the book is overdue, and 10 cents for each additional hour or fraction of an hour that book is overdue. Fines on the two-week books are 2 cents per day from date due to date returned. Students who neglect or refuse to pay fines (a.) do not receive credit for courses until fine is paid; (b.) do not receive honorable dismissal from the college! (c.) forfeit the privilege of using the library until fine is paid.
4. Every book should be returned to the desk from which it is taken. Borrowers remain responsible for books as long as they are charged to them.
5. Borrowers who mark, mutilate or lose books belonging to the library will be required to pay full replacement value of book in addition to any fines which may have been incurred.
6. No one is permitted to draw books to be loaned to other people.

7. Students who cannot be relied upon to return books promptly will be deprived of the privilege of drawing books.

8. Failure to comply with these rules governing the use of the library will mean the withdrawal of all library privileges.

Just one thing more, we ask that you look upon the James E. Morrow Library as your own and use it in accordance with the rules.

#### LIBRARY HOURS

Hours will be posted on library bulletin board at the beginning of each term.

## STUDENT ORGANIZATIONS

Outside of daily class work a number of scholastic, professional, and social organizations and fraternities offer opportunities in preparation for citizenship following college graduation.

It must be remembered that a complete education in college is not secured in books alone. Studies are only a part of the life on the campus, and though they are by far the most important they should not crowd out entirely other activities.

Closely consider the following organizations and choose at least two of them that you are seriously interested in. Then inquire about them in more detail. They will help you and enable you to help Marshall by your work.

1. A student may be allowed to represent Marshall College in extra-curricular activities if he (or she) meets the following standards:

(1) He (or she) must be a REGULAR STUDENT of Marshall College as specified in the catalogue: "Each regular student shall carry at least twelve hours a semester."

(2) He (or she) must have passed, the preceding semester, in at least twelve hours of work and have attained a total of at least twelve credit points (A grade of A counts three credit points an hour, B two, C one, and D none.)

2. Standard (1) shall effect all extra-curricular activities. Standard (2) shall cover all extra-curricular activities, EXCEPT the intra-mural sports program, which is a health program.

### STUDENT GOVERNMENT

In a large measure the students of Marshall College govern themselves. To maintain traditions and to provide the machinery necessary for handling the business and social affairs of the student body, a system of student government was set up in 1926. That organization has been perfected in its functions until it now exercises a large degree of control over student affairs.

All executive and legislative duties of the student body are vested in the president of the stu-

dent body and the several members of the student council, which is an elective organization.

The Student Council is very active in the promotion of weekly dances, maintaining school spirit by pep meetings, etc., holding of elections, and conducting school affairs of all kinds.

THE STUDENT COUNCIL ACTS AS THE VOICE OF THE STUDENTS AND AT ALL TIMES AS A SOUNDING BOARD FOR STUDENT OPINION. ITS MEMBERS WILL GIVE ALL SUGGESTIONS THOUGHT AND CONSIDERATION.

Successful student government requires large responsibility on the part of the students and a willingness to exercise this responsibility promptly. On the other hand, successful student government requires cooperation from all students and a willingness to submit without undue complaint, to the rules of the official body.

Each class has several representatives on the council. Seats are held by girls as well as boys. Each student is on an equal basis and each has an opportunity to represent his or her class. Annual elections are held near the close of the second semester in which officers for the coming year are selected. Your freshman class will elect three members shortly after the beginning of the semester.

This year's Student Council is headed by Student President Burtis Anderson and Gordon Kin-

ney, vice president, with the following council members:

Seniors: Ruth Buck, Betty Parrish, Bill Scott, Roger Tricot, Sam Kayser.

Juniors: Virginia Winn, Harry Price, Raymond Dean, Edward Straight.

Sophomores: John Purdon, Bob Drexler, Reba Asbury, Bob Stone.

Dorm Representatives:

Agnes Givens (Laidley Hall)

Naomi Agnew (College Hall).

Charles Leftwitch (Hodges Hall).

We, the regularly enrolled students of Marshall College, comprising the Student Body of Marshall College, in order to encourage cooperation in the work of student government, to uphold the highest standard of honor and integrity in all matters of personal conduct, to strengthen cordial relations between faculty and students, to enact and enforce laws according to the grant of powers listed herein, to provide for the adequate and effective expression of the opinion of the Student Body in all matters of general college interest, do hereby ordain and establish this constitution for student government at Marshall College.

#### Article I—Legislative

Section 1. All executive and legislative powers herein granted shall be under the direction of the President of the Student Body and the several members of the Student Council, elected as hereinafter provided.

Section 2. The several members of the Student Council shall be:

(a) Three representatives, to serve for a term of one year, elected by and from the first semester Freshman as hereinafter provided in Article I, Section 3, Sections (a) and (e).

(b) Four representatives, one to serve for a term of two years and three for a term of one year, elected by and from the outgoing Freshman Class to serve during their Sophomore year.

(c) Three representatives, two to serve for a term of two years and one for a term of one year, elected by and from the Sophomore Class to serve during their Junior year, thereby making a total of three holdover members, and a total of four members to serve during their Junior year.

(d) Three representatives, each to serve for a term of one year, elected by and from the outgoing Junior Class to serve during their Senior year, this making a total of five to serve during their Senior year.

Section 3. Representatives to the Student Council shall be elected as follows:

(a) Candidates shall be nominated by a petition signed by ten per cent of the membership of their respective classes. These petitions shall be presented to the Election Board in session assembled from 10:00 to 10:30 A. M. on the Second Wednesday in May, except those of the first semester Freshman Class matriculating the following fall term, whose petitions shall be presented to the Chairman of the Election Board by 10:00 A. M. on the third Wednesday after the first Monday of the fall semester.

(b) The election board shall consist of the holdover members of the Student Council, a faculty member appointed by the President of the College, who shall be Chairman of the Board, and the President of the Student Body, as an ex-officio member with a vote only in case of tie.

Seniors graduating before the following September (as listed by the academic deans), post-graduates, and students not regularly enrolled shall not be allowed to vote for any candidate for student office.

(g) The Election Board shall count the votes immediately after the election. All protests shall be filed with the Student Court for consideration. The ballots and any other election records shall be preserved for a period of six months by the chairman of the Board.

(h) When vacancies due to withdrawal from college\* occur in the representation of the council, such vacancies shall be filled by appointment by the President of the class in which the vacancies occur, such action to be subject to ratification by the Student Council by a two-thirds vote.

(j) If the office of the President be vacated, the Vice-President shall succeed to that office, becoming President, with all the powers and duties invested in that office.

Section 4. The first regular meeting of the Student Council shall be held the day following the inauguration of the Student President. At this meeting the council shall designate the time and place of its meetings. The Student Council shall meet regularly every two weeks following the initial meeting, except during vacation. This petition will automatically call a new election.

Section 4. The President of the Student Body shall have the following powers and duties:

JENKINS TRAINING SCHOOL

#### FRATERNITIES AND SORORITIES

Fraternalities and Sororities have long played an important part in the social life of Marshall. With few exceptions each organization maintains a chapter house in which out-of-town members reside, after their freshman year. Group life is planned to benefit every member, to share work and recreation, to strengthen friendship, to develop leadership and to render an appreciation of practical house management. These organizations take an active part in the social and student events on campus.

High standards are maintained by the Greeks due to the excellent supervision of the Social Deans. An Intra-Fraternity Council and a Pan-Hellenic Council act as the governing body of the Greek organizations. These two organizations are socially active themselves.

#### PAN-HELLENIC OFFICERS OFFICERS

|                |       |                  |
|----------------|-------|------------------|
| President      | ----- | Jacquelin Wagers |
| Vice-President | ----- | Virginia Maxwell |
| Secretary      | ----- | Dora Jo Chambers |
| Treasurer      | ----- | Ester Boyce      |

"In Union There Is Strength," and to all appearances that is the principle behind the Pan-Hellenic Council, other than that of regulation.

The Council was founded in 1927 and is now sponsored by Miss Lee Fairchild Bacon, dean of women.

Its purpose is two-fold "to regulate matters pertaining to local pan-hellenic life—and to encourage all chapters to take an active interest in all school and college activities for the common good of all."

Activities sponsored by the council include many of the most important events of the college calendar.

Each year, at the beginning of the fall semester, Sept. 21, the Pan-Hellenic Council sponsors a freshman reception in the form of a tea given at the Student Union for all freshmen women, which serves as a sort of preliminary rush party for all sororities. It is here that the "Young Hopefuls" for sorority membership are sized up, sorted out and the cream of the crop selected for rush parties by the various individual sororities. It is here, too, where the new girls are given an opportunity to get better acquainted and to size up the sororities a bit themselves. September 28, the following Saturday, is the date for the rush parties.

#### Women's Rush Rules for the Year 1940-1941

1. All freshmen women will be registered after the Freshman Women's Assembly. They will be given a ballot when they go in and will drop it in a box, signifying whether or not they are interested in taking a sorority.

2. The Freshmen Tea will be held the first Saturday after the beginning of school and rushing will begin one week later. The afternoon parties will be two hours in limit, and will be held on Monday and Tuesday afternoons. The afternoon parties must be over by six o'clock. The evening parties will be held on Thursday and Friday evenings, the time to be decided later.

3. Silence will be observed on Wednesday. After the parties on Friday night, until the preference slips go into the office will also be silence period.

4. Rushing is open, however, no rushees may spend the night out and no meals may be served to rushees.

5. If any rush rule is broken, the breach shall be reported to a committee, composed of the presidents of Pan-Hellenic and Dean Bacon. The committee shall investigate the report and shall decide, after a fair trial, whether or not the rule was broken.

6. If any rule is broken, the penalty shall be that the guilty sorority shall have no social privileges for one semester.

Omicron Chapter of Pi Kappa Sigma was installed June 3, 1923. The sorority was founded at Michigan State Normal College, Upselanti, Michigan, November 17, 1894. It now has 27 chapters. The central offices are in Cincinnati, O.

“ . . . to promote a well-rounded social life to train women to work together for educational improvement and social training, to encourage greater interests in extra-curricular activities, to stress character development, and in general to provide a fuller and better balanced mode of living for college women . . . ” is the purpose of the Pi Kappa Sigma sorority.

The sorority obtained a new chapter house last year at 1715 Fifth Avenue. This is the scene of many social gatherings. Other social functions of Omicron chapter include a winter formal, January 16, and a spring formal, May 17, two informal dances, luncheons, teas and banquets.

Mrs. Cyrus Van Bibber acts as faculty advisor of the sorority.

Six women were responsible for organizing Psi chapter of Sigma Sigma Sigma on March 17, 1922. The purpose of the organization was to promote sisterhood within the group, to promote campus interests and activities, and to set higher standards in the teaching profession. Today there are thirty-nine active members and four pledges at Marshall. The national chapter of Sigma Sigma Sigma was founded on April 20, 1898, at Farmville State Teachers college, Farmville, Virginia.

Each year the actives hold two formal and two informal parties, and a faculty reception.

Back in 1922, the charter members gave a Saturday morning hike as their first rush party. From this get-to-gether Psi chapter's rush parties have evolved. This year a tea at the home of Mrs. George I. Neal, patroness of the sorority, opened rush week. The second party was a "hobo" picnic at the home of Dottie Sammons Duncan, alumnae member. The traditional mock wedding at the home of Mrs. C. L. Cavendish, another patroness, ended rushing.

Completing 18 years of college life, Theta Rho, local social sorority, has come to be the largest social Greek-letter group on the campus.

The chapter's house is a large brick home at 1665 Fifth Avenue, excellently equipped to house 15 women in addition to the house mother. Miss Charlotte Berryman has acted as advisor of the organization for the past nine years.

Coeds from the Theta Rho house are active in almost every phase of campus life. The social activities of the sorority are most varied and colorful. The Theta Rhos are found to be cooperative and eager to participate in all student activities.

The sorority's colors are gold and purple, a royal combination which exemplifies the standards which members of Theta Rho have set for themselves. They aim toward good scholarship and attempt to develop wholehearted cooperation with the ideals of the college for student life, to serve the college community, and to maintain a fine social standing.

Lambda Chapter of Delta Sigma Epsilon Sorority was established June 14, 1921, at Marshall College. It has the honor of being the first sorority organized on Marshall campus.

High scholarship plays an important part in the sorority as well as athletic and social activities. Athletically the sorority participates in all the intramural sports and socially, a winter and spring formal dance highlight the season. Also in the social line are the annual Greek Letter Reception and Faculty Reception.

Faculty sponsor, Miss Ruth Flower, has been a great help in promoting good fellowship and high scholastic standards among the girls and housemother, Mrs. Floyd Chapman, has made the Delta Sigma Epsilon Sorority house at 1745 Fifth Avenue a real home for the Lambda girls.

Alpha Sigma Alpha was founded by five Virginia co-eds on November 15, 1901 "... to produce women of poise, power, personality and purpose."

At the present time there are thirty-three chapters with national headquarters in Buffalo, New York. Alpha Sigma Alpha is governed by a national council and a national convention; regional conventions are held biannually. The official open magazine of the sorority is the Phoenix.

The pin of Alpha Sigma Alpha is made up of a crown, the Greek letters of the organization, and a star on a diamond shaped bit of black enamel and gold. The flower is the rose; the jewel, the pearl; and the colors, red and white.

Rho Rho chapter made its debut on the Marshall campus in 1927 with six charter members. Meetings of the sorority are now held in the chapter rooms in College Hall. During the past year members have taken an active part in W. A. A., the Homecoming day parade, informals and formals, as well as many rush parties.

Alpha Sigma Alpha has already made plans for several interesting rush parties, formals, and informals for the coming year.

The object of this sorority is to organize a group of women to be active during the college year, composed of persons of high ideals, good moral character, and high scholarship, in order that they may enjoy each other's companionship, to the pleasure and profit of all. Secondly, we strive to provide an organized group of women interested in the welfare of all girls, who will give sisterly aid to other girls in the college, individually, in the form of little kindnesses and advice. Our organization has always been a small group. This is probably due to the fact that it used to be an honorary group rather than a social group, as it is now. This year we shall attempt to build a larger and more worthwhile organization, and to secure a sorority house. Whatever our course may chance to be, we shall always hold forth the high ideals that our founders saw fit to establish. We, as a group hope for bigger and better things as the sorority assumes another year of pleasant responsibility.

Work of Council:

In an effort to provide more competition and close harmony within the group of fraternities on the Marshall Campus the Council has brought forth several things which will work toward the betterment of the Greek Alliance.

The past year a loving cup was donated by the council for the fraternity having the highest scholastic standing each semester. The first fraternity winning this cup for three semesters will be the permanent possessor of the cup.

The intramural department donated a loving cup for the fraternity having the highest number of points attained in the intramural program for the year. The fraternity winning this cup for one year will have permanent possession.

The council work for the good of the Greek organizations and while not wholly academic it turns toward the social side twice a year for the annual interfraternity dances. Often featuring big name bands.

The Interfraternity Council will have a table in the library registration days for those interested in fraternities to state their intentions.

Thursday night, September 12, the Interfraternity Council will hold a reception the Union for all boys interested in fraternities.

Phi Tau Alpha was organized March 26, 1926, by Dr. Virgil B. Heltzel of the Marshall College department of English. Today Dr. Heltzel is a professor of English literature at Northwestern University. Previous to 1925 fraternities were not allowed at Marshall College. The following year the college received several bids for fraternity charters. Phi Tau Alpha received their charter first, due to a technicality in the application of Alpha Theta Chi, and is today the oldest social fraternity at Marshall College. During its fourteen years of existence Phi Tau Alpha has had seven different chapter houses. The fraternity was organized for the purpose of bringing together a group of boys to promote their scholastic, fraternal, and social positions.

Phi Tau Alpha is active in intramural sports at the college participating in nearly every event offered, including touch football, basketball, baseball, water polo and many others.

The social activities as well as other activities is very active and well rounded.

The Phi Nappa Nu fraternity was organized in 1927 under the sponsorship of Prof. T. E. Dandellet. It was organized on the basis of brotherhood and friendship. This purpose is augmented through the fraternity's efforts in attempting to increase the social as well as the academic standing of the members.

The fraternity last year won the intramural cup awarded to the fraternity having the greatest number of points in intramural participation during the year.

To increase the incentive for a higher academic average among the members worthwhile prizes have been offered to the ones attaining the highest standing.

A feature added to the social activities of the members has been the formal dinners given each month honoring active members of the various social sororities on the campus.

Highlights of the social season: the Bowery Ball, the Founder's Day Dinner Dance, the Spring Formal, and the Spring picnic.

..Beta Upsilon Chapter of the Kappa Alpha Order represents the largest national fraternity on the campus—having in its nation wide organization approximately 70 chapters from Virginia to California, with 28,000 members.

K. A. was founded in 1865 at what is now Washington and Lee University at Lexington, Va. General Robt. E. Lee, the president of the college, was the type of southern gentleman that exemplified all the ideals for which the Order was to stand and he was influential in its organization and still is a spiritual example and prototype for the group.

The local chapter founded in 1927 endeavors to cultivate and edify its members socially, scholastically, morally, culturally and spiritually.

With its strong organization, its heritage of traditions, its excellent ideals and its close fraternal spirit, the Kappa Alpha Order truly has much to offer the man who seeks to gain the true fullness of his college life.

The Mu Chapter of Alpha Kappa Pi fraternity was organized on the campus December 16, 1929, taking as its essential purpose that of the national organization—"to instill in its members the spirit of true fraternalism and loving brotherhood, to give to the man rather than to take from him and to do all in its power to develop men strong in body, mind, and heart, who shall devote their life's energy to things worth while."

Participating in many of the extra-curricular activities of campus life the fraternity enters teams in all the intramural sports of the program, last year winning the intramural basketball tournament.

Social activities are of equal importance with the sports competition. Each year after the Thanksgiving Day football game with West Virginia Wesleyan college, the Mu Chapter stages a Thanksgiving Eve Ball sponsoring the members of Psi chapter of Wesleyan college.

Prof. Otto "Swede" Gullickson is faculty sponsor of the group. The house is located at 1672 Third Avenue.

The Alpha Theta Chi, the second fraternity on the campus, was founded on March 16, 1926. Nine students were charter members of the group.

The fraternity was founded to further the social activities and to raise the academic standards of those who make up the personnel of the organization.

Members take part in all the intramural sports offered. Almost always among the winners in the several fields, "Alpha Theta's" have become well-known for their sports record.

Various types of social events highlight the "Alpha Theta's" calendar. Informals as well as smokers and rush parties lead to the winter formal for the first semester.

The Founder's Day banquet on March 16, is an outstanding event of mid-year society. Capping the year's activities is the spring formal held late in the season.

Attesting the prowess in college activities of all kinds is the fraternity's "Hall of Placques" in the chapter house at 1518 Fourth Avenue, on whose walls placques awarded for one honor or another are hung.

Dr. H. G. Toole acts as faculty sponsor for the group.

**GAMER GAMMER**

The Gamer Gammer is a mock sorority organized in 1930, without a sponsor. It is growing, has grown and holds a definite social position on the campus ten years later, still without a sponsor.

"To make up a sorority of all sororities plus at least independent woman—to increase friendship on the campus—principally among all sororities," that is the purpose of the Gamer Gammer.

Last fall several of the men who were closely connected with each other agreed that a fraternity binding them closer together would be beneficial to each and to the group. From this the Digamma, a social club, was established, October 1, 1939.

Meeting every Wednesday night in the east room of the Student Union, with Prof. A. G. Moseley, Jr., as faculty sponsor, the members plan various social activities for entertainment of the group.

The Digammas have also been active in intramural sports and entered a float in the Homecoming Celebration.

### CAMPUS HONOR SOCIETIES

**KAPPA DELTA PI.** An Honor Society in Education, was organized in 1911 in Illinois. Phi Chapter was organized at Marshall in 1923.

**KAPPA OMICRON PHI.** Honorary Professional Home Economics Fraternity, was founded at Northwest Missouri State Teachers College in 1922, and Epsilon Chapter was established at Marshall in 1925.

### COLLEGE THEATRE

College Theatre is one of the oldest and most popular student organizations on the campus. Under the sponsorship of the speech department, College Theatre has for years produced the best of modern and classic plays. Many who received their theatrical start in College Theatre have gone on to fill positions of importance on the professional stage.

Anyone who is interested in drama and the workings of the stage is eligible to join this group. No acting ability or experience is necessary, as there are many interesting and important jobs around the stage and "Green Room."

College Theatre's officers are elected by the group at the beginning of the season, and several plays are chosen for production. There are usually four major productions each season, and occasionally there are extra one-act plays and out-of-town productions. The plays given during the past year were "Fashion," "Our Town," "Winter-set," and "Three Cornered Moon."

There are not dues in College Theatre, and new names are always welcomed. Anyone can tryout for parts in College Theatre Plays.

### MADRIGAL CLUB AND BAND

Under the leadership of Dr. Harry Mueller, the Madrigal Club is the campus glee club and is frequently invited to sing on programs, both in Huntington and out of the city. Tryouts will be announced shortly.

The Band is another popular organization performing on many public occasions, particularly at football games. Several trips are taken each season to out-of-town games, etc. Any boy with musical ability is eligible and welcome to enter. Dr. Mueller also has charge of this organization.

### THE MARSHALL COLLEGE CHAMBER OF COMMERCE

The primary purpose of the Chamber is "to afford a common and socialized basis upon which college commerce majors and minors meet with business men in address and discussion." Method of achieving this purpose is to have as guest speakers at bi-monthly meetings in Library lecture room outstanding business men from Huntington and vicinity. Other activities of the organization include a survey and placement service. A picnic and a banquet are also popular with the members of the Chamber.

Professor Lee A. Wolfard, head of the commerce department, is the instigator and sponsor of the Chamber. There has been a continuous growth of the Chamber since its beginning in

1924. Last year the Chamber hit a new high in membership with a total of 181 students. Charles Hedrick is the elected president for the present year. The membership fee is 25c a semester. All commerce majors and minors are welcome. Watch the commerce bulletin board and Parthenon.

### THE CHIEF JUSTICE

For seven years Marshall College has been without a permanent record of its growth, development and additions to the physical plant, the increased student body, and the enlarged rostrum of student activities.

The Mirabilia, Marshall's former year book, ceased publication after 1933, during the depression. Since then students have come, made their impression upon college life by their extra-curricular work, and have gone, while no record of the happenings of college life have been kept.

Last year marks the memorable date of the reappearance of the Marshall College year book—"The Chief Justice," named in honor of Chief Justice John Marshall for whom our college was also named. To Elmore S. Mossman, the Editor-in-Chief, Bob Early, Business Manager, and to their staff of ardent workers goes the great honor for the publication of last years' "Chief Justice."

The 1940 Chief Justice was a great success—all were tremendously pleased with the results. For the convenience of the student body an installment subscription plan was developed and

approved by the students with the result of 1000 subscriptions being sold. The Chief Justice sold at \$3.00 a copy, plus the 50c fee for the student's picture.

Plans for the 1941 Chief Justice are well under way with Gladys Mitchell, former Art Editor, as Editor-in-Chief and John Sinnett as Business Manager of the 1941 Chief Justice.

The hopes for a bigger and better Chief Justice are well within reach, with the wholehearted cooperation and spirit of the entire student body.

An installment subscription plan similar to that of last year's will be used. Take out your subscription or pay it up immediately. Tables and salesman will soon be in evidence. Watch for notices in the Parthenon.

#### ALUMNI ASSOCIATION

If one's education is never complete, then the alumni of an institution are the off-campus students. They are still Marshall representatives wherever they are. Freshmen, when you leave Marshall, whether it be one year or four years from now, you will be a Marshall alumnus. It will be up to you, as it has been up to those who have gone before you, to support Marshall to the limit, to continue and to further the progress of Marshall College.

Gene Brown is the president of the Alumni Association.

CAM HENDERSON  
Athletic Director and Head Coach

### ATHLETICS

Marshall College can be proud of its athletic teams on gridiron and basketball court. Coach Cam Henderson can be thanked for this accomplishment. By his keen judge of boys, his ability as a coach, and hard work has brought our athletic teams to this new high.

No place in West Virginia or any school the size of Marshall does the students enjoy as many good home games in football or basketball as at Marshall. For this the students can enjoy and be thankful.

This year our basketball team takes a trip to the west coast. While on this trip they play Indiana University, Denver University, Colorado State College, Colorado University. Games at Huntington include Tennessee University, Mexico University, the first international game to be played in Huntington, St. Francis College, Dayton University, Centre College, West Virginia Wesleyan College, and others.

### VARSIITY "M"

The Varsity "M" is an organization composed of all students that make a letter in any major sport. Ray Truitt from West Union, W. Va., is president of the organization. The aim of the organization is clean sportsmanship, better athletics, and higher scholastic standard of all Varsity "M" members. Don't at any time be afraid to stop any Varsity "M" member for information or help, as they will be only too glad to do so. Athletic Business Manager Kerr Whitfield is the sponsor of this organization.

### MEN'S INTRAMURALS

Ten years ago an intramural program was organized at Marshall College. The first year eleven teams competed in twelve different sports, with 53.3% of the men students competing. The program has grown from year to year until this past year 96.2% of the men students competed in at least one activity on a forty-four sports program. This past year only thirty-five boys in the entire Marshall student body did not compete in at least one sport.

This year the slogan of the intramural sports program will be "100% Participation." All freshmen, as well as the upper classmen, are encouraged to get on some team, or organize a new team. With all working together, let us be the first college in the United States to get 100% participation.

There will be tournaments and leagues in: Archery, Badminton, Baseball, Basketball, Bowling, Bicycling, Boxing, Checkers, Chess, Croquet, Cross Country, Golf, Handball, Horseshoe, Ping Pong, Rod and Reel, Pool, Speedball, Square Dancing, Swimming, Tennis, Touch Football, Track and Field, Volley Ball, Mixed Volley Ball, Water Polo and many other activities.

Arrangements have been made for all students interested in Ice Hockey to practice and play at no charge.

Medals are awarded to all members on championship teams and other first place winners. Also plaques are given to each sport championship.

Last year there were forty-four different sports on the Marshall College Intramural Program. This year there will be fifty-five different sports—something for each student to enjoy. So let's get together and put the Intramural Program on the map by having 100% participation.

The intramural department is under the energetic and enthusiastic guidance of Prof. Otto "Swede" Gullickson, one of the best-liked personalities on campus.

We feel certain that you, the members of the freshman class, will support "Swede" 100%. Walk up to him, stick out your hand, and tell him that he can count on you. You'll have a friend for keeps. We're counting on you Frosh.

### WOMEN'S INTRAMURALS

Women's Intramurals are sponsored by the Women's Athletic Association and are carried on throughout the year. The activities offered are: tennis, hockey, volley ball, basketball, baseball, badminton, aerial darts, bowling, swimming, handball and ping pong.

Any girl enrolled at Marshall is eligible for participation and information concerning the intramural program may be gotten at the office in the Department of Physical Education for women, or from any member of the W. A. A.

Notices pertaining to tournaments are generally found on the bulletin board in the gymnasium.

## ARTISTS' SERIES

The Marshall Artists' Series Committee has been very successful in bringing to the College Students, and to the people of Huntington as well, the very best talent on the American platform.

This year the Artists Series Committee will bring to Huntington seven brilliant programs, including ten Metropolitan Opera stars, a leading symphony orchestra, three instrumental solists, two of the best authorities and most gifted speakers ever presented on the series.

Every Marshall student will have the opportunity of obtaining a special season ticket for the small amount of \$1.50 (other season tickets sell up to \$7.50), which will admit students to all of the season's programs.

*Hats ON Smart Girl!*

*You're Going Places*

Hats will play an important part in your wardrobe this season—pin-head calots—up on one side sport felts—bretons with a flare—all sporting gay slanting quills—furriest hats when the snow flies—and, of course, bewitching little bonnets for datetime.
