IMPORTANT MEETING

One of the most important General Meetings of the League will be held on September 20, 8:00 P. M., at the Hotel Prichard. Phares Reeder, Executive Secretary, WVEA, and Ruth Shiny will speak on the Taxation and Finance Amendment. The League has invited representatives from 150 clubs and all PTAs in Huntington to attend this meeting. We feel this amendment will be the most important West Virginia issue the electorate will be asked to vote on in November.

We urge every League member to be present at this meeting, not only for your own information, but for the assistance we need. We are the hostesses; let's have a good representation from our own organization.

In units last year we studied this subject briefly. However, the time has now come to VOTE. When you go to the polls in November you must signify YES or NO!

VOTERS SERVICE

Voters service is one of the most exciting branches of the League during an election year. Plans for this year include radio, television and newspaper coverage on points of view of candidates. 10,000 "I Will Vote, Will You?" tags have been ordered and will need distribution. Two information centers will be open all day Election Day manned by League members. Posters on issues which the League has studied and on which it takes a stand will be displayed at every polling place.

If you have an idea, a minute, a car, a house or telephone to spare between now and November 6, please call Peggy Lewis, 31930.

Hite Compton  
Vice President
