"Sue's News and Views

The second year of this Administration finds us facing new projects, new avenues of service, and new areas of endeavor. Elsewhere in this issue the projects that are to be stressed this year are presented for consideration. All of these projects are in line with the theme of Mrs. Arnold's Administration and truly give us an opportunity to "Strengthen the Arm of Liberty."

Mrs. Scott

At the base of the Statue of Liberty there is being established the American Museum of Immigration "to pay tribute to the millions of immigrants in our history who have contributed to our unique heritage," says Mrs. Arnold. Please note that each club woman is asked to have a part in this by giving ten cents by February 12, 1964. Each club in the West Virginia Federation should send these "Dimes for Liberty" to Mrs. John R. Davis, 222 E. Third St., Weston.

Contribution to the only Memorial for American Servicewomen the Bell Tower at the Cathedral of the Pines are to be sent to Mrs. A. D. Cooke, 312 Clyde St., Beckley by November 11, 1963. This Bell Tower is to be a shrine for people of all faiths, and is the first memorial to American women who lost their lives in the service of our country.

We are hopeful that the West Virginia Clubwomen will support the National Cultural Center to be built in our Nation's Capitol. This is a proposed national showcase for the performing arts — Music, drama, opera, ballet and poetry.

Contributions for the center should be sent to Mrs. Edward Kapp, 812 Main St., Charleston by January 25, 1964.

While we are supporting these projects on the General Federation level we must also keep in mind that we have our own state and local club plans and projects to support. The West Virginia Federation in convention voted to establish a headquarters fund and asked the women to make contributions toward it. We are also vitally interested in the Mental Health and Mental Retardation program. These along with our concern and interest in the new Youth Conservation program, state beautification, the abolition of unsightly shacks and buildings in West Virginia, Adult Education, the Pan-American Scholarship, the scholarship loan fund and the Shell Oil Education program the Care-Literacy program are all high on the priority list.

Many of our clubwomen have been busy throughout the summer months with club activities, centennial programs and community services. Twenty-five of our women

were able to enjoy one of the most glamorous projects ever undertaken by our state Federation — the Hawaiian Tour. Their reports of the tour and the experiences they had are proof positive that it was worth all the effort expended. Your president must admit that this was a real disappointment for her — but doctors orders are just that — doctors orders.

New Projects Announced

STATUE OF LIBERTY . . MEMORIAL BELL TOWER . . CULTURAL HERITAGE

Goal To Complete Towering Testimonial

For seventy-six years the Statue of Liberty has stood as a global beacon of hope and international friendship on Bedloe's Island (now Liberty) in the New York Harbor. A symbol of welcome—of freedom and opportunity, an eternal reminder to all "Yearning to be breathe free," a towering testimonial to the country's highest ideals — and indeed those of the entire free world.

Many Americans do not realize that this most significant statue in history remains unfinished as originally conceived. The ornamental base designed for it was never completed for lack of funds.

The Statue of Liberty, a gift from the people of France to the people of the United States, was presented in 1886 and it was understood between the two countries that France would present the statue and that we would provide the pedestal.

But due to public apathy America has not completed its part of the bargain to this day. The National Park Service, Department of the Interior, charged with the care and custody of the Statue has been very concerned with the importance of finishing this work.

The General Federation of Women's Clubs has been offered the opportunity to help provide the funds for, not only the completion of the pedestal, but to build the American Museum of Immigration at the base of the Statue.

The purpose of the museum is to dramatize the Story of Immigration from the time the Asiatics came across the Bering Strait down to the present. Through the means of dioramas, models, paintings, murals, charts, maps and cultural material will be shown how all these people from all over the world melded together in a harmony of purpose.

Mrs. Dexter O. Arnold, President of the General Federation of Women's Clubs says — "We want to encourage and aid the effort to present an important contribution to our way of life." If each member of the General Federation of Women's Clubs will contribute 10c it will show that we not

To Honor Women Who Sacrificed Lives For Our Country

In all America there is no special War Memorial honoring All American Women who sacrificed their lives in the service of their country.

The Memorial Bell Tower is being erected at the Cathedral of the Pines at Rindge, New Hampshire. GFWC members are invited to have a part in the project. The Cathedral is an outdoor international shrine for people of all faiths. The beautiful Altar of the Nation contains stores of historic and geologic interest sent as tributes from every state in the Union and from all over the world.

The Memorial Bell Tower will be seen for miles in all directions. The message of the Bells will be heard over a wide area; they will be a vital means of forwarding the Cathedral of the Pines effort to serve God and all men and great instruments to help rekindle in the hearts and minds of many visitors the sense of appreciation of and obligation to their Creator as well as being a help in rekindling the spark of devotion to God in the hearts and minds of some who question, doubt or deny a Supreme Being.

Governors of the states and territories, patriots, organizations, civic, service and fraternal groups, business organizations and individuals are participating in this effort.

It seems fitting that the largest woman's organization in the world should have a part in this project. It is my earnest hope that every club will want to contribute. Mrs. Dexter O. Arnold, President of the General Federation was at the groundbreaking ceremony on May 30th. We want her to be proud of clubwomen in this activity.

This is a new project and one of the Honor Points. It is hoped that the contributions will amount to not less than one cent per member. I feel that the date of November 11th is most appropriate for the project.

Send contributions direct to Mrs. A. D. Cooke, Chairman, Veterans Division, WVFWC, 312 Clyde Street, Beckley, West Virginia.

National Cultural Center For Arts

The State's Centennial Year has brought much publicity and widespread interest in the cultural area. Also, with a rapidly growing interest in the Performing Arts showing itself across the country, the need for a national center to reflect the finest in our Country's artistic achievements was recognized.

In 1958, Congress passed an Act authorizing the creation of such a National Center for music, drama, opera, ballet and poetry.

The National Cultural Center will stand in a parklike setting on the banks of the Potomac River upon a site designated by Congress. President Eisenhower signed the Act, and both he and President Kennedy are strongly supporting the campaign to make the Center a reality. Mrs. Kennedy and Mrs. Eisenhower serve as honorary co-chairmen.

For the first time in history, the government has authorized a voluntary nationwide fund-raising campaign on behalf of a cultural enterprise. A thirty-million dollar goal has been set to construct our National Cultural Center within walking distance of the Lincoln, Washington and Jefferson Memorials.

Designed by the distinguished American architect, Mr. Edward Durell Stone, the Center will belong to all the people. Cooperating fully with the General Federation of Women's Clubs our President, Mrs. John Scott, has included as one of the Honor Points, a contribution from each Club towards the National Cultural Center. In the Club Calendar for 1963-64 of the General Federation of Women's Clubs, January 25, 1964, has been set as the date to plan a fund-raising event for the proposed Center.

By early September there will be available two club programs: one entitled "Our Heritage in Architecture"; the other, "Our Heritage in Costume." Write to General Federation of Women's Clubs Headquarters, 1734 "N" Street, N.W., Washington, D. C.

Contributions are to be sent direct to Mrs. Edward Kapp, 812 Main St., Charleston.

COMMUNITY IMPROVEMENT OUTDOOR LIGHTING

GFWC Director Gives Community Improvement Data

By

Virginia Stitzenberger, Director

When you read this your club will have only a few weeks left to enter the 1962-1964 Community Improvement Program. November 15, 1963 is the deadline for mailing in your entry to GFWC headquarters.

Most clubs are now aware of the details of the effort to improve the communities of America but sometimes we get questions from a new club as to what this program is and how it developed.

Since 1955, the General Federation and The Sears-Roebuck Foundation have joined hands in a program of citizen action to improve the economic, social, and cultural conditions of our communities. National cash awards ranging from \$1,000 to \$10,000 and state prizes from \$50 to \$300 are offered as incentives to local clubs. In addition, percentage prizes are offered to state federations for participation. (If your state enters and reports 100% your federation receives \$500.)

In talking with clubwomen at the Milwaukee convention and at other meetings around the country, we came to the conclusion that most clubs are already engaged in work which would qualify as entries. In those cases, why not join the program, receive advice and assistance in developing projects, and become eligible for a prize?

We have heard some people say that their club does not stand a chance of becoming a winner because their community is a small one. We reminded them that two national winners in the 1960-1962 Program, Arcola, Mississippi, and Manvell, North Dakota, were town with populations of less than 400.

We have also been told that a big city does not have the same possibility of becoming a winner as a smaller community. This is refuted by the fact that New Orleans won a national prize in the last program as did other cities of somewhat smaller populations. The size of the town is not a factor.

Some club presidents say that they do not enter because they do not have

Crime Prevention Thru Adequate Lighting

The GFWC-Reader's Digest Outdoor Protective Lighting Contest is being continued with similar awards to be presented at the 1964 convention as this year. The FBI has endorsed the projects in the Law Observance and Crime Prevention Division and gave special emphasis to improve lighting as an effective way to prevent and reduce crime.

The film "Dark is the Night," the Public Action Guide, and folders are available without charge from the Street and Highway Safety Lighting Bureau, 55 Public Square, Cleveland 13, Ohio.

This administration for the first time, the National Council of Juvenile Judges will present a citation in each state — to the club with the best Club-court project. The project must be a cooperative one between the club and the court. In some states clubwomen are assisting with counseling of youth, some are arranging for all teenagers in the community to visit an arraignment session of court other than non-juvenile so youth may see the austerity and dignity of a court in action. Juvenile judges will doubtless be glad to help a club initiate an effective club-court program and it might well be that he would be interested in helping with the problem of school drop-outs (Indianapolis clubs have been real active in this area). Judging will be in the spring on the basis of essay type reports.

It is hoped that clubs will become, or continue, active in the fight against the sale and distribution of pornographic literature.

Clubwomen are urged to visit all types of courts. Again Indianapolis sets a fine example as they have clubwomen officially observing every session of court in the area and the judges are most grateful and cooperative.

If there are questions about any of these projects, please write to Mrs. Carroll E. Miller, GFWC Chairman Law Observance and Crime Prevention, 820 Hastings Avenue, Missoula, Montana - 59801.

New Pan-American Student

Martha Madrid

Martha Madrid comes from Quito, Ecuador. She has been working for the American Embassy in Quito as secretary to Mr. Wilkinson, who is the Cultural Affairs officer. He says, "Martha is an intelligent, serious and hard working girl who has struggled to attain this well merited prize. She will make the most of her opportunity.

She has served the Embassy with devotion. I shall miss her but am happy she has this wonderful opportunity. I do want to assure your clubs that you have made a wise choice."

Martha writes she is deeply appreciative of the honor to have been chosen. She wants to convey her appreciation and thanks to all the West Virginia Clubwomen. She is looking forward to attending the University where she will take work in Political Science.

Martha is a petite girl, five feet, weights 108 pounds, wears size 12 in clothing and 8½ in hose.

Martha will stay in Arnold Hall but send all gifts in care of Mrs. E. D. Conaway, 667 Price St.

ATTENTION CLUB PRESIDENTS

Miss Betty D'Aiuto, state treasurer would like to remind you that during the last state convention the dues were raised to \$1.00. Please see that your club treasurer sends the correct amount when paying state dues.

They Had a LUAU . . . WOW

By Mrs. John R. Davis
Tour Chairman

The clubwomen taking the tour flew to Hawaii on August 1 with Mrs. John R. Davis as the tour chairman. She sent some of the high lights of the trip during the first few days they were there.

Friday, Aug. 2 — We needed the day to rest. In the evening we had dinner at the beautiful Reef Hotel and were entertained by a Polynesian Water Ballet. The varied colored lights on the performers, the poetry and rhythm of their performance in the water to soft Hawaiian music made it an evening long to be remembered. To our surprise we found the announcer, Mr. Flynn was from Fairmont. He welcomed the "West Virginia Federation of Women's Clubs" group, enthusiastically.

Saturday, Aug. 3 — We, among other groups were special guests at the "Hawaii Calls" Radio Broadcast and luncheon in the Hilton Hawaiian Village Hotel. This was a delightful affair, good food and the top entertainers of the Island. We are sure many of you listen to this program at home. It is beamed all over the world. Maybe some West Virginia boy's heart will be warmed when he hears over the radio in some far off place that West Virginians were at the broadcast.

Sunday, Aug. 4 — Today most of us went to church. Several attended services at the Kawaihau Church called "The Westminster Abbey of Hawaii." It was founded in 1820. The ground on which the church is built

is the first acknowledged place of Christian worship in Honolulu. Historians have assessed the work done here as "the most significant influence in Honolulu's whole development."

All the service except the sermon was in the Hawaiian language. The songs were familiar tunes even if we could not follow the words. All the music was beautiful, there is a delightful rhythmic quality to the Hawaiian language. This evening we are to be guest at the Royal Hawaiian Hotel Luau. Here we will be served Hawaii's most exotic delicacies. We were told an Hawaiian "mumu" was a must for this occasion, so every woman in our group bought one. In my mother's day they were called "Mother Hubbards" subdued and inconspicuous in color but not so this "mumu." The louder the more fashionable. However from my observance like slacks — some can wear them and some cannot.

On our arrival here we were given the traditional Hawaiian Welcome with beautiful orchids leis accompanied by a kiss. We have been welcomed everywhere, really making them conscious of the fact there is a West Virginia Federation of Women's Clubs. Our group reflects credit on our state I am happy to say.

The Polynesian people, the real natives of the island, are happy and pleasant. The young women are beautiful. We are impressed by their sparkling white teeth, which in comparison to their brown skins look even whiter.

We are in the beautiful Hawaiian

Village Hotel on Waikiki Beach. We can walk out of the lobby to the beach on the Pacific Ocean or if we prefer swim in the hotel pool.

This is a delightful and exotic hotel. All our women, three husbands and one 17 year old boy are pleased with everything about the tour. Not one complaint from any of the 26 in the group.

As I write this on Sunday afternoon I look at "Diamond Head" in the distance, the beautiful Pacific in the foreground.

Next week we tour the Outer Islands for two days. When the end of the week comes all too soon, we shall be reluctant to leave this Island Paradise.

The following made the trip: Mr. and Mrs. Oran Criss, Mrs. Geo. Harrison, Mrs. E. A. Trinkle, Mrs. Hunter M. Bennett — Weston; Mrs. Irene Brooks — Jane Lew; Mrs. John R. Davis — Weston; Mrs. Geo. B. Edmiston, Mrs. Ray A. Prilliam, Mrs. Jack Hunter, Mrs. Chester A. Roberts, Miss Sara Lee Parker — Beckley; Mrs. Herbert Newman — Pittsburgh, Pa.; Mrs. Ruth Marlin, Dayton, Ohio; Mrs. N. J. Hartlieb, Wheeling; Mrs. John Ford, Morgantown; Mrs. Donna M. Tubbergen, Parsons; Mr. and Mrs. F. W. Pickering, Mrs. Eugene Moore, Joseph Marris — E. Rainelle; Mr. and Mrs. Claude R. Brown, Dunbar; Mrs. Luther Pigott, Mrs. Dorothea Weber of West Union.

From the Editor's Desk

Greetings to all. Hope every one had a nice summer. Time now for club meetings. Each club president and her committees have been busy with plans for a new club year.

Mrs. Muntzing

Several changes in the District meetings are listed in this issue. Please note. Do plan to attend. Each district president has planned a good program. You will be glad you took the day from your busy schedule and attended.

May we extend congratulations to the new clubs. We had several last year. If you know of a group of women interested in organizing a club, write Mrs. Delmas Miller, Morgantown, who

is chairman of Federation Extension. Then lend a helping hand to get them off to a good start.

Congratulations to Mary Katharine Barnes and Carroll Miller who were married in June. Rooming with the bride at GFWC convention was an exciting time. We are glad she plans to continue as state convention chairman during this administration. Granted, she left a beautiful state and moved to a beautiful one but we shall always welcome her back with us.

All who attended the Adult Institute had a fine time. Vacation time is all too short. How well we know. If you missed this year, plan to attend next year.

Our sympathy to the Hinton Wednesday Club upon the death of one of its charter members, Mrs. Emma Wysor Dunlap. She was one of Hinton's most prominent citizens, an outstanding leader in civic, church and social affairs.

SUE'S NEWS AND VIEWS (Continued from page 3)
the proper frame of mind as we approach this club year. We were stimulated and challenged by the excellent speakers, wonderful music and the sharing of ideas.

May we be as determined in 1963-64 as we were in 1962-63 to make this truly a banner administration. This is possible if every member of every club will observe daily the —

CREED FOR CLUBWOMEN

- Take time to pray —
it is food for the soul.
- Take time for work —
it is the price of success.
- Take time to think —

Mrs. John Scott, our State President, is very anxious that West Virginia clubs be 100% in participation in this GFWC project. To this end it will be made one of the Honor Points for 1963-64.

You are requested to send your contribution to the State Chairman of Citizenship, Mrs. John R. Davis, 222 E. Third St., Weston, W. Va., not later than February 12, 1964.

the time or talent in their group to prepare an elaborate scrapbook. Scrapbooks need not be elaborate. Two of the 1862 National winners told their stories in simple composition books.

To those who say they are too busy with the GFWC Program to enter the Community Improvement Program, we reply that they are working on Community Improvement when they work on Literacy, Hospitality, Safety, Education, Conservation, and many other phases of the GFWC program. Since they are already working on these things which improve their community, they might as well fill out an entry card and become eligible for the prizes and honor which goes with winning.

The prize money is important because it can be plowed back into further improvements. But in addition, entering the program assures that yours is an organized group working for an alive, strong, united community. What better way to help Strengthen the Arm of Liberty!

Press Book Contest Rules

Three awards and three honorable mentions will be given in the Press Book contest which will be judged at the 1964 Convention.

Awards will be made in three categories: clubs with membership of 1 to 75; clubs with membership of 76 to 200; clubs with membership of 201 and above.

Only published news stories (not club letters or publicity sheets) from newspapers or the GFWC and state Clubwoman may be used.

The name of the paper and the date must be shown with each article and **THE NAME OF THE CLUB UNDERLINED.**

PRESS BOOK SIZE: A loose leaf book is recommended, no larger than 14 x 18 or smaller than 10 x 12. Expensive bindings and art work are not judged. Neatness is considered.

COVER: must identify club and town.

FIRST PAGE: Club yearbook must be mounted on first inside page.

NEWS STORIES must be arranged chronologically, showing advance stories, news coverage and follow-ups.

NUMBER OF INCHES must be marked on each page of book and total number of inches listed on back page of book. Total number of pictures must also be listed on back page — this means pictures published by the newspapers, not photographs or glossy prints.

Where more than one club is referred to, as the Federated Clubs in Huntington, each club may use the publicity.

Press books must be brought to Convention and registered with the committee. Please attach a 3 x 5 card temporarily to the cover of your Press book, labeling the category in which it belongs.

Publicity items may begin immediately following the 1963 Convention and include items dated the day before the 1964 Convention convenes.

Literature and Drama Contest

PURPOSE: Program of Activities and Achievements (1963-64)

"To Strengthen the Arm of Liberty" through a newly awakened awareness of our achievements in the past, which will provide a motivating faith — an "ultimate concern" for a broader prospective for the future.

To Seek, through the intellectual and emotional stimulation, of literature and drama, a more realistic concept of our changing world.

To Move in tempo with our times by accepting or adapting to new ideas of privilege and responsibility in order that we may, "In Ourselves — Triumph."

STUDY:

The traditional role of literature and drama in America's cultural progress through appreciation, participation and creation.

The works of those writers who stress the worth and freedom of the individual and express a deep and abiding faith in the Creator.

The historical dramas, novels, folk tales and poetry of the past century as a means of developing appreciation and judgement of contemporary literature and drama.

The literary efforts of present-day writers, not only on the national and state level but also on the local scene.

The basic techniques necessary to become involved creatively in some phase of drama or literature.

ACTION:

Schedule book reviews for club meetings.

Invite local authors to present readings of their works.

Secure co-operation of a local newspaper to print weekly book reviews of current "best-sellers" for children and adults.

Emphasize the value of good books in the home through local displays and exhibits.

Observe National Book Week with club-members preparing displays for windows of places of business.

(Old books, first editions, author-autographed, unusual bindings, specific subject areas, books from many religions, new publications, etc.)

Sponsor a book tea or collection day to add books to a community or school library.

Present programs over local radio and T.V. stations using timely topics of National Date Observances. Include poetry, book reviews, and drama for adults or children.

Organize a volunteer group to conduct weekly story-hours for children at the public library or in a local recreation center.

Sponsor a Fine Arts Festival Day or Week. Include: exhibits by local artists; plays by community Little Theatre Group, Children's Theatre and High School Thespian Troupe; concerts by local orchestra, choir, band, etc.; displays of local crafts and hobbies; etc.

Participate actively in local program for National Education Week. Secure speaker from county schools on Theme, "The Challenge of Change."

Attend and contribute to the school's visitation program.

Observe American Home Life Week. This is a good opportunity to bring to club members an outstanding speaker.

Provide programs for the club, church groups, neighboring Woman's Clubs, Golden Age Clubs, and other civic organizations.

Sponsor a creative writing contest in the local schools. Offer awards for best essay, poem, short story and one-act play based on the Theme — "In Ourselves — Triumph."

Support and participate in productions of community little theatre, children's theatre, Penwoman's Club, etc.

Organize a volunteer group to read to hospital patients, home-bound invalids and in homes for the aged.

(Continued to next page)

LITERATURE AND DRAMA CONTEST (Continued from page 10)

Sponsor or participate in a program for tape-recording novels, poetry and drama for the blind.

Encourage members to be better informed through reading by distributing purse-size mimeographed book lists at each meeting. (From the library — newly-arrived fiction or non-fiction, month's best sellers, collection of titles on subjects of current interest, etc.)

Stimulate creativity in club members by urging "every member participation" in the club's **DRAMA, SHORT STORY AND POETRY CONTEST**. Dr. W. W. Bauer, Emeritus Director of Health Education of the A.M.A. states, "we must fight the natural tendency to regard our own accomplishments as puny." We must not sell ourselves short. The club must sell participation to its membership and it must give encouragement and recognition to those who do participate.

CONTEST RULES

Format: All material should be typed on one side of the paper only. The name and address of the author should be in the upper left hand corner of each page. All entries must be original, unpublished and never before entered in a State Federation Contest.

Theme: "In Ourselves — Triumph"

Entries may be based upon an interpretation pertaining to the individual, the state or the nation. Last year's interpretation looked back over the past, in particular, the Centennial Theme. This year the Theme should be interpreted with the future in mind.

DRAMA

Area I. One Act Play

- A. Playing time should be not less than fifteen minutes nor more than twenty-five.
- B. It would be desirable (but not required) that the play be produced, directed and presented by club members at a regular or extra club meeting.

Area II. Outstanding Program of Dramatic Activity

- A. Wide participation of club in suggested Division Study and Action program.
- B. Sponsor youth classes in drama or creative writing.
- C. Present awards to outstanding high school writers, actors and production technicians.
- D. Sponsor workshop with instruction in creative writing, radio, T.V. writing, acting, etc., for club members of the community.

SHORT STORY

Length: Not less than 1,000 words nor more than 4,000.

POETRY

Type: Any form of poetry may be entered, rhymed lyric, narrative, free, blank verse, etc.

Length: Not over 24 lines.

Prizes: Area I. One Act Play

First: \$10.00 — Second: \$5.00
Honorable mention: At discretion of Judges

Area II. Dramatic Activity

First: \$10.00 (clubs of 100 or more members)
First: \$10.00 (clubs of 99 or fewer members)

Junior Director's Message

Dear Juniors:

Hats off! Orchids to you! And my most sincere congratulations for the

Mrs. Springer

Wonderful year that the West Virginia Juniors have just completed! as most of you know by now, we received the top national award (a lovely gold trophy) at the General Federation convention in Milwaukee last June for winning more first place progress awards than any other state. I cannot begin to tell you how very proud I was to be representing West Virginia when I went forward to accept these awards. This is just further proof that West Virginia Junior Clubwomen produce the finest and are interested and active in public affairs.

As we begin the second year of this administration, I know it is not necessary to urge you to continue the good work. Knowing you as I do, as dedicated clubmembers and citizens, you will continue the activities that have been a tradition with our group. Our "Link in the Chain" of clubs across the nation is indeed strong. As we continue our activities this coming year, it will be strengthened only more.

Plans are well underway for another successful year. Your Junior Council met in July and planned many activities. Included in these were plans for another Conservation Outing scheduled this month.

Plans for our new state project of Dental Health are outlined by your Associate Director Evelyn Carpenter, in this issue. And of course our plans include participation in CARE, SALK INSTITUTE, STAMPS FOR THE WOUNDED AND PROJECT HOPE. One of the newest being the sale of the PROPECT HOPE Christmas Cards.

We will work with the General Federation on the "Dimes for Liberty" project. This program calls for a 10c contribution from each clubwoman in the country toward the installation of

ATTENDING THE JUNIOR BANQUET AT THE GFWC CONVENTION IN MILWAUKEE are Mrs. Harold G. Springer, State Director of Juniors and Mrs. James Scarbro, GFWC Director of Juniors. State Junior Directors reported in costume depicting the history of each state.

an "American Museum of Immigration" in the base of the Statue of Liberty. This museum, which we have been asked to furnish will be a tribute to our great American heritage. You are urged to continue the outstanding work on the Literacy program (this is one of the fields in which we received a progress award). Remember that we would like 100% participation in the Community Improvement program. Every club in the state does something under this program and all we need is a brief report of what you have done to improve your community. It is so easy, so please do your part.

The new Presidents Handbook (the second issue) is now ready and in the hands of the club presidents. Addi-

tional copies are available for department chairmen at a small fee. Perhaps you might ask your club president to let you see her copy. There is much information in it that you, as an interested clubwoman, would like to know.

It does not seem possible that District Convention time is here. But they are all scheduled and soon will be underway. I am looking forward to seeing each of you again. Won't you try to come? Many of you are unable to come to state convention because of baby-sitting or other complications, most all of you could get away for just one day. You would find it both enjoyable and interesting. It will give

Juniors Top Winners At GFWC Convention

Approximately 12 West Virginia Juniors journeyed to Milwaukee, Wisc. in June for the annual General Federation of Women's Clubs convention. The Junior Sessions, which were held on Saturday and Sunday were of course the highlights for the Juniors attending. The West Virginia Juniors were awarded the GFWC Trophy for winning more first place department and division awards than any other state.

The trophy was presented to Mrs. Harold G. Springer, Junior Director by Mrs. Dexter O. Arnold, president of the General Federation of Women's Clubs. Mrs. Arnold when making the presentation said "This was the highest honor that can come to a state in Women's Club work." Progress awards won by the West Virginia Juniors were the first place awards in the following five departments — Conservation, Fine Arts, Public Affairs, Council of International Clubs and International Affairs.

The seven divisional awards received included Cultural Heritage, Literature and Drama, Status of Women, Citizenship, Literacy, House Improvement and Modern Food Trends and Europe and NATO Division.

The Junior Conference opened with a luncheon on Saturday at which Mrs. James Scarbro, GFWC Director of Junior Clubs presided. Mrs. Dexter O. Arnold, president of General Federation greeted the Juniors and discussed the new "Dimes For Liberty" project. Under this project the room at the base of the Statue of Liberty will be furnished by contributions from clubwomen across the country depicting our great Heritage.

The Junior Conference continued through Saturday and closed Sunday night with the banquet at which time all awards were presented. Activities during the two days included reports by the Department Chairman, and discussion periods.

"Prevention Thru Education" Jr. Project

School administrators, teachers, public health personnel, the dental profession and interested lay people recognize dental health education as an integral part of the overall health education program of the school and community. Nowhere is the old saying "an ounce of prevention is worth a pound of cure" more applicable than in this area.

Through education a large percentage of dental ills can be prevented and eliminated. But this education must include more than distributing pamphlets. Past history has shown that you cannot control a disease by treating the effects but you can control it by preventing it. All these facts led to the selection of our project theme "Prevention through Education."

Juniors will place emphasis on second grade students throughout the state. Seat belts will be encouraged since the majority of automobile accidents involve facial injury and damage to the teeth and supporting structures.

25 Years of Quality Finishing Service

Pictures record the happy time of Fall — that final picnic, the new outfit, the last swim, that exciting vacation, or Dad raking the leaves. Whatever you are doing snap a picture in color — you will be glad you did.

Mail your exposed rolls to Best Photo for expert processing and printing — our prices are low — our quality is high and its so easy to send them through the mail.
