FROM THE PRESIDENT . . .

We are pleased the Superintendent of Cabell County Schools, Dr. Garth Errington, has accepted our invitation to speak at the Annual Meeting. Because of League's long and active interest in local and state education, we welcome this opportunity to hear Dr. Errington's thoughts and discuss with him our concerns.

As you are aware, State League completed its study on "Pupil Evaluation in West Virginia" last year and is currently studying "Teacher Certification and Evaluation in West Virginia" which can directly affect us locally. Join us with your questions!

It's time to pass on the "files" . . . and I do so with mixed feelings. The past two years have re-enforced my high regard for this organization and increased my admiration for the dedication and spirit of its members. The personal support and on-going energy received from many individuals has made this interesting commitment challenging, fulfilling and fun. Thank you all!

There is much work to be done just to hold on to many of League's hard-fought positions. It is vital for the next several years to actively support our new officers and board members in these efforts.

. . . Janice McNearney

1982 is an important election year! We need to get ready now for the June Primary when we'll have candidates for the U.S. House and Senate, all members of the West Virginia House of Delegates, half the State Senate, plus many county offices.

The services the League provides to voters are many, varied and fun to do. Please attend our March 2 and 3 units to help us plan and share the jobs.

We will need members to do large or small, long-term or one-time jobs. A lot of our work is with newspapers, television and radio projects. It's fun to have family and friends say, "I saw you on TV last night." And who knows that new talents will be discovered!

Please look at the list of a few activities we've presented, or could develop, and come prepared to help provide the League's most noticed and appreciated Voter Services.

°Newspaper questionnaires

°Get out the vote letters, TV programs, posters, radio spots

°Town Hall or TV (or a public rally, as has been suggested)

°Voting device demonstrations.

°Election Day Call-In Service

°Talk shows

°Candidates' meetings on TV or radio.

If you can't join us in March, call and offer ideas or help! The more workers we have, the more we can accomplish.

. . . Betty Barrett, 525-5908
