**FACULTY SENATE  
RESOLUTION**

**SR-09-10-(45) 91 FS**

The Marshall University Faculty Senate and the University President, Dr. Stephen Kopp, jointly express our condolence to the families and to the communities of the 29 underground heroes of West Virginia who recently lost their lives in a coal mine explosion. Their brave contribution to the prosperity of this State and this Nation will long be remembered.

The entire Marshall University community pledges our support to the survivors, the active and retired coal miners, and the coal mine industries for their educational needs, their health care needs, and to the improvement in the technology for safe coal mining. Furthermore, we urge the governmental agencies at the State and Federal levels to closely monitor the operational safety and prevent any further happenings of such a tragic event.
