MEETING WITH OUR LEGISLATORS

The annual meeting with our legislators is scheduled for December 7, 7:30 pm at the home of Joyce Levy, 699 13th Avenue. Please bring finger foods for our refreshments (if you have time to buy or prepare them). We will review with the legislators the WV League's 1999 legislative priorities. The meeting is an opportunity for you to become more knowledgeable about the League's state issues for emphasis and better acquainted with our delegates and senators. Visitors are welcome, but personal agendas are to be voiced only on a one-to-one basis, not during the group discussion.

LEGISLATIVE GAME

In January, we may schedule a legislative game to be played with Marshall University students. For more information, contact Martha Woodward, 525-7404, home, or 696-2475, work.

GLOBAL WARMING

On December 2, 4 pm, we will meet with some Marshall University students to talk about the possibility of a forum on Global Warming. Please contact Helen Gibbins, 736-3287, if you are interested in attending the December 2 meeting or have ideas which should be explored.
