Higher Education Faculty Legislative Agenda

- ♣ Increase legislative funding of Higher Education to the National Average in order to support
 - improved student access and retention at each institution;
 - improved programs and facilities;
 - hiring new full-time and tenured faculty positions;
 - raises for all faculty, including adjunct faculty.

- ♣ Provide Advisory Council of Faculty representation on the HEPC and CTCC.
(The law states that the ACF “advises” the HEPC and CCTC but no formal mechanism exists for that purpose.)

- ♣ Allow Higher Education Faculty the right to serve in the Legislature.
