JOHN MARSHALL

"The services of Marshall will always remain as an inspiration to young America as well as to the older generations. He stands as an example of courage, perseverance, and self-sacrifice. He ranks among the founders of the Nation; he early formed definite habits of thinking which crystallized his character. To these principles he remained adamant. As a lawyer, he knew the drudgery incident to the careful preparation of an argument in court. As a legislator he studied the fundamental principles upon which a democracy must be founded. As a member of Congress he rose to the defense of a President who was carrying out the duties of his office. As an envoy he outwitted the craftiest statesman of France. As Secretary of State he gave the first outlines of a strong foreign policy. As Chief Justice of the Supreme Court he rendered decisions which have influenced and molded the character of the American Nation. John Marshall, born of humble parentage in Virginia, rose to a position of power and prominence equal to that of the presidency . . . His memory will be an inspiration in the years to come to the thousands of students of this University who will take with them into the world the influence of this great American which is still a vital living force in our Nation."

(Above quote from J. F. T. O'Connor from
One Hundred Years of Marshall College.)

DR. STEWART H. SMITH

ALMA MATER

Marshall gracious Alma Mater
We thy name revere;
May each noble son and daughter
Cherish thine honor dear.
May thy lamp be ever bright,
Guiding us to truth and light;
As a beacon o'er dark water
This is for thee our prayer.

Second verse:

May the years be kind to Marshall
May she grow in fame;
May her children fail her never,
True to her beacon flame.
May her spirit brave and strong
Honor right and conquer wrong;
This the burden of our song,
Ever her truth proclaim.

"WE ARE THE SONS OF MARSHALL"

We are the sons of Marshall
Sons of the great John Marshall
Year after year we go to Marshall U
Cheering for the team and gaining knowledge too
Proudly we wear our colors, Love and Loyalty we share,
Sure from far and near you'll always hear the
wearing' of the green
For it's the Green and White of Marshall U.

THE HISTORY OF MARSHALL

When you step onto the campus of Marshall University this fall of '65, you will be confronted with the school's interesting past and promising future. Her past began in 1837 when John Holderby purchased one and one half acres of land for \$40.00. He requested that the estate always be used for school purposes. 1965-1966 marks the 128th year of the estate as an educational institution.

John Laidley is considered to be the Founder of Marshall University; it was then called Marshall Academy after Laidley's close friend, Chief Justice John Marshall. By an act of the Virginia Assembly in March, 1858, the Academy became Marshall College and was given the authority to confer degrees.

The school was sold because of debts during the Civil War, but a private school was housed at this time because of the terms of the original deed. When the new state of West Virginia was created, Marshall was soon revived under State control.

Today, with over 35 acres in the heart of Huntington, Marshall is a multimillion dollar institution, possessing twenty-two permanent buildings and several temporary structures. Our newest building, the women's dorm, was opened last year for the first time. Marshall also provides housing for its married couples in the new University Heights apartments. We have more land out on Route 60 which is now being planned for our campus. A new classroom building is being erected on the ROTC field, and where Old Main Annex stands, a music and concert building will be built.

Marshall maintains an Evening School, a college extension program and off-campus workshops as well as our four colleges: the College of Arts and Sciences, the Teachers' College, the College of Applied Sciences, and the Graduate School. Marshall has two branches which are located in Logan and Williamson.

We are accredited by the North Central Association of Colleges and Secondary Schools and the National Council for accrediting of Teaching Teacher Education. The university is approved by the American Association of University women and is a member of the Association of American Colleges and the American Council on Education.

Marshall has grown beyond all expectations and she is still expanding. Her future lies unlimited.

TRADITIONS

In front of Old Main stands the **BUST OF JOHN MARSHALL**. Our University was named after Marshall who was Chief Justice of the United States Supreme Court. His principles and ideals are also those of Marshall: Equality, Democracy, and Individual Freedom.

The **OLD BEECH TREE**, standing for more than 300 years, is symbolic of the tree of life. It also represents the growth of Marshall from an Academy to its present University status. The Beech Tree is located in front of Old Main.

Omicron Delta Kappa, men's leadership honorary, has enriched our campus with their contribution of the **ODK VICTORY BELL** and the **ODK CIRCLE**.

Sounding from beside the Music Building, day or night, you may hear our ODK Victory Bell. It is traditionally rung after each victory in the field of sports or knowledge. The bell is rung to remind us that victory is not always won at Fairfield Stadium or Memorial Field House, but also in the every day trials and tribulations of college life.

Located in front of the Student Union tennis courts is a red brick circle enclosed by concrete benches with the emblem ODK in the center. This is our ODK Circle which is sometimes used by organizations for public initiations. Many students find the circle a place for conversing, resting, meetings, or just sunning.

The traditional **TUG OF WAR** between the Freshman football team and a group of upperclassmen symbolizes the quest of the Freshmen to be accepted. The battle will take place during a half-time football game which will be announced. Good luck, but, remember, Win or Lose — Be a Good Sport!

One of Marshall's most unforgettable and enjoyable weekends is **HOMECOMING**. It promises to be a weekend that will leave your head swimming from all the excitement. Many of our alumni return to the campus to renew bonds, to observe the changes, and to live it up with us, the undergraduates!

A week prior to Homecoming, an election is held to choose class queens and "Miss Marshall." All full-time women with an

overall "C" average are eligible to run for queen in her respective class. The girls must secure a petition from the Student Government office. Marshall's best are chosen at the polls with the senior queen reigning over the festivities as "Miss Marshall."

On Friday of the big weekend at the intramural field, our pep rally is held. Maybe "Swede" will preside again to start off the fun-filled Homecoming weekend with a bang! On Saturday the House decorations of the dorms and sororities are judged. That afternoon, the colorful parade, starting at noon travels through downtown Huntington. The elected campus beauties ride on a float built by one of the fraternities. The other fraternities are in competition with their float entries. The Band, Majorettes, Cheerleaders, and ROTC also join in to put on the parade.

Next, it's off to the game. Unlike our others, everyone dresses up for Homecoming. The Greenbackers and an enthusiastic crowd will be all the support for a victory that any team could desire. After the game, there's a dance at the Memorial Field House where you can dance to the music of a "name" band.

Marshall is known for her great and exciting Homecomings, and this year's promises to be the best yet!

One week of our college life is set aside during second semester for you, the student, to evaluate yourself, your life, and your future. This is our **IMPACT**. A main theme is selected and speakers from all parts of the nation are brought to speak with various classes, the entire student body, and "fireside" groups. This week deals with life's confusing problems, and we hope that it will aid you in your quest of finding "yourself."

The Greek fraternities and sororities unite to provide entertainment in antics and contests in their annual **GREEK WEEK**. On a Saturday afternoon at the intramural field, the Greeks compete in games for a trophy. The highlight of the week is the Greek Week Dance at which the Greek women and men of the year are presented. This week is held to promote better relations among the Greeks.

The highlight of second semester is **PARENTS' WEEKEND**. On one spring weekend our parents are invited to visit the campus and participate in the series of entertaining and informative activi-

ties presented by the departments and the student body. Sunday afternoon offers for a closing the Mothers' Day Sing.

As a tribute to our mothers the Greek Organizations provide music entertainment at the close of Parents' Weekend. This is our **MOTHERS' DAY SING**. Each fraternity and sorority spends months preparing a song for their group to sing. This has become a friendly rivalry to determine which one sings the best. The winners carry off permanent trophies. The dormitories and Greeks hold open house for the public afterwards.

LEADERSHIP CAMP is a weekend retreat for the student Senate, president and vice-president of the student body, members of the administration, and officers of campus organizations. Last year the retreat was held in the spring and the theme was "Marshall University; An Academic Community."

UNIVERSITY ADMINISTRATION

There is one building on Marshall's campus that all students should know — Old Main. In her halls you will find classrooms, a bookstore, the administrative offices, and various other offices. The first floor houses the administrative personnel. Office hours are from 8:00 A. M. to 4:30 P. M. Your individual instructor's office may differ as to location and hours open, so check with them to be sure.

Room 108 is open to all. If you happen to stick your head in for a peek, a pleasant looking man who has guided Marshall for several years will greet you with a smile. This man is Dr. Stewart H. Smith, our **PRESIDENT**. Once he has met you, he does not often forget your name or face. He will be glad to aid you at anytime with problems which your advisor or dean cannot solve.

Mr. Joseph S. Soto is our **VICE-PRESIDENT OF BUSINESS AND FINANCE**. He is in charge of money and building and grounds.

At college, like at home, you will have a guardian who will take care of you from the time you enter until you graduate. He is Mr. Luther E. Bledsoe, **REGISTRAR**, assisted by Mr. Ray Cumberledge, **ASSISTANT REGISTRAR**. They can be found in Room 105.

Serving as ADMINISTRATIVE ASSISTANT AND DIRECTOR OF ADULT EDUCATION is Mr. Paul H. Collins. He is assisted by Mr. Olen Jones, **ASSISTANT DIRECTOR OF ADMISSIONS**. They are in charge of the extension classes and the University's evening program. They are in Room 107.

The **OFFICE OF STUDENT AFFAIRS**, which is located in the east end of Old Main on first floor handles loans and scholarships, lost and found, traffic and parking violations, housings, fraternities, and counselling. **DEAN OF STUDENT AFFAIRS** is Mr. John E. Shay, Jr., who handles traffic and parking violations, fraternities and counselling. Whenever you men are having difficulties, he is the man to see. **ASSOCIATE DEAN OF STUDENTS** is Lillian Helmes Buskirk who is always willing to help you girls at any time. The **ASSOCIATE DEAN OF STUDENTS** who is ready and willing to help the boys is James R. Vanders Lind. The **FINANCIAL AID OFFICE**, headed by Mr. George O. Fraley handles all loans and scholarships. Mr. Kenneth R. Cohen, **HOUSING DIRECTOR**, takes care of all outside housings.

If you are in the Arts and Sciences College, Dean J. Frank Bartlett will aid you in your academic problems. He is also the person to see about changing your major or obtaining a credit evaluation. The **DEAN** of the **ARTS AND SCIENCES** office is located in Room 115.

The **DEAN** of the **TEACHERS' COLLEGE**, in Room 113, serves in the same capacity for those in the teaching field as Dean Bartlett does for those in the field of Arts and Sciences. He is Dean Robert Hayes.

The **COLLEGE OF APPLIED SCIENCES** may be found in Room 116. The **DEAN**, Dr. A. E. McCaskey, is in charge of engineering, Reserved Officers' Training Corps, nursing education, and medical technology.

After receiving your University diploma, you may decide to do graduate work. Dr. John R. Warren handles your affairs as the **DEAN** of the **GRADUATE SCHOOL**. His office is in Room 111.

PLACEMENT DIRECTOR, Mr. Robert Alexander, handles the difficult job of go-between for students seeking both full and part-time jobs, and employers seeking personnel. Room 114 contains his office.

The James E. Morrow Library, named for a former president of Marshall, is directed by Dr. Harold Apel, LIBRARIAN. Ours is the third largest in the state and contains over 150,000 volumes.

Located in the southeast corner of Old Main is Room 129, the office of Mr. John Sayre. He is DIRECTOR OF DEVELOPMENT AND ALUMNI AFFAIRS.

STUDENT GOVERNMENT

The purpose of Student Government is to provide an instrument which will make it possible for all students to have a voice in any program which would make Marshall a better University. It is constructed to represent democratically all members of the Student Body. It is designed to reflect student opinion, and to crystallize and make effective any constructive program. It encourages initiative and civic development; it trains for intelligent citizenship.

The Student Government of Marshall University is composed of three branches: The EXECUTIVE, The LEGISLATIVE, and The JUDICIAL.

The EXECUTIVE branch of the government is directed by the President of the Student Body. Under the President, serving in executive capacity, are the STUDENT EXECUTIVE CABINET COMMISSIONERS. The Student Cabinet acts as an advisory group to the President, and its members include the Commissioners of Academic Affairs, Athletic Affairs, Publications and Public Relations, Social Affairs, and Student Government Affairs, and the Executive Secretary, Business Manager, and the Vice President of the Student Body. The Committee heads, better known as the co-ordinators, serve over the various Student Government committees. The coordinators, five cabinet secretaries, the Business Manager, and the Executive Secretary are all appointed by the Student Body President and are subject to approval of the Student Senate.

ACADEMIC AFFAIRS COMMISSION

The Academic Affairs Commission is headed by Terry Steiner. This commission is in charge of such things as the Book of the Year, Commencement and Honorary degrees, Freshman activities, Freshman Court, Student Scholarships and Loans, Who's Who, and Life Planning Week.

ATHLETIC AFFAIRS COMMISSION

Under the direction of Dale Lowther, the Athletic Affairs Commission oversees the cheerleaders, Greenbackers, the United Fund drive, University athletics (in conjunction with the University), Dad's Day, Intramural finance, and the Robe, men's leadership honorary.

PUBLICATION AND PUBLIC RELATIONS COMMISSION

Janet Ratcliff is the commissioner who takes over the responsibility for publication of the ET CETERA, Student Handbook, Student Directory, and the CHIEF JUSTICE. She also oversees the Hospitality, State Awareness, and Public Relations and Publicity committees.

SOCIAL AFFAIRS COMMISSION

Under this commission, Homecoming and Parents' Week-end are planned and supervised. This commission sends representatives to the Artists Series Corporation, Student Activities Board, Student Conduct and Welfare Commission, and the Student Union Corporation. Jim Thompson is commissioner.

STUDENT GOVERNMENT AFFAIRS COMMISSION

Don Cottrill, commissioner, guides his co-ordinators in the Blood Drive, Civil Service system, elections, Leadership Camp, and the West Virginia Federation Committee.

There are many commissions which are formed during the first few months of school, so come in the Student Government Office, and fill out an application. Commission coordinators always consult the file of appointments in selecting their commissions.

LEGISLATIVE BRANCH

The Legislative Branch of Student Government is the Student Senate, and it is presently composed of representatives from every class along with Graduate School representatives.

Members of the Student Senate are elected by members of their Class or by the Student Body (in the case of President and Vice President). The student who is seeking membership to the Senate must not be on Social Probation and/or Academic Probation and must have a 2.0 "C" average before being seated. He must also take an oral and/or written examination concerning the Constitution and Senate rules. All of these requirements must be met in order to become an officer in the Student Government.

Representation is now based upon the total percentage of Class members voting in the General Elections. For example, if 40% of a class votes, their class is entitled to four representatives. Forty-one to fifty-five per cent entitles a class to five senate seats. This fall the freshmen elect four regular senators and a freshman Class president.

Participation in extra-curricular activities is an asset to an individual's education and the Student Senate offers a fine opportunity for developing leadership. If you want to participate actively in your University's growth, this is the place to be. If you think you

might be interested in entering the Freshman Senate elections, try to attend a Senate meeting. These meetings are held on Wednesdays at 6:30 P. M. and are presided over by the Vice President of the Student Body and Speaker of the Senate, Carolyn Fleming.

JUDICIAL BRANCH

The Judicial power of the Student Government is vested in the Student Court. The problem of enforcing the rules of the Student Government and seeing that the rights of the students are protected is the duty and function of this branch.

The Student Court has the authority to make decisions concerning the constitutionality of any act passed by the Student Senate, and original jurisdiction in cases involving the constitutionality of actions of the President of the Student Government or of the

Student Cabinet. The court is also a body before which disputes between organizations may be heard and resolved. Infraction of University rules and regulations by students may be heard before the court. The Student Court may hear cases referred to it by the administration. Thus, the court has a wide range of duties.

STUDENT PUBLICATIONS

CHIEF JUSTICE — Presenting a pictorial review of the academic, social, and athletic year plus interesting sidelights is the job of the Marshall University yearbook, the **CHIEF JUSTICE**. Its editor and business manager are selected by a Faculty-Student Committee and approved by the Student Senate. With such a gigantic job as covering the entire college year, the Chief Justice affords freshmen an excellent opportunity to display their talents and still have fun at the same time. Your copy of the Chief Justice is paid for in your activity fee, so be sure to get it. Last year was the first year the Chief Justice has been the responsibility of the Student Government.

THE PARTHENON — Written and edited by students in the Journalism Department, the **PARTHENON** is published twice weekly during the regular school year and once a week during the summer terms. The Parthenon covers everything from club meetings and intramural games to the State Board of Education and varsity athletic contests. It is distributed each week on Wednesday and Friday in the Union, Science Hall, Old Main, and University Cafeteria. Your activity fee also pays for your subscription to the Parthenon.

STUDENT DIRECTORY — This book published by the Marshall University Student Government contains the name, home address, phone number, and local address of students, faculty, and administration members. It is an invaluable aid to all students.

ET CETERA — This is the campus literary magazine published in the spring by the Et Cetera Committee of Student Government. It contains poetry, short stories, and essays. Any student may contribute material to be judged for publication in this magazine.

STUDENT HANDBOOK — This handbook is published by the Student Government as an aid to transfer students and incoming freshmen.

GENERAL INFORMATION

BOOKSTORE — Snuggling under Old Main in the basement, rests the Bookstore. Here, under the efficient management of Mr. Percy L. Galloway, you buy your textbooks, drafting equipment, art supplies, and desk supplies. The hours are from 8 A. M. to 4:15 P. M. during week. On Saturdays, the bookstore is open from 8:30 A. M. to 12 P. M.

BUILDING AND GROUNDS — If you need something repaired, want to borrow a tool, or need paint for your room, this is the place to go. The office is located under Old Main, and it is open from 6 until 4:30. These are the people who keep our campus so clean and attractive all during the year.

CAFETERIAS — The main cafeteria is located between Laidley and Hodges Halls at the east end of the campus. Meal hours are: Week Days — Breakfast from 7-9 A. M., Lunch from 11-1:30 P. M., and dinner from 5-6:30 P. M. Saturday lunch is served from 11-12. On Sunday, breakfast hours are from 8:30-9:30 A. M., lunch from 12-1 P. M., and dinner is not served. The South Hall Cafeteria observes the same hours Monday through Friday noon. It's closed from Friday evening through Sunday.

DEVELOPMENT AND ALUMNI AFFAIRS — This department, which acts as a link between the University, it's alumni, and all other interested groups is located in Room 129 in Old Main. It is supervised by John Sayre, who will be working with us on Homecoming and Parents' Week End. It is open from 8-12 A. M. and 1-4:30 P. M.

DUPLICATING DEPARTMENT — Our University also offers a duplicating department which will print material for your dormitory, organization, or committee. The department is located under Old Main across from the Bookstore. It is open from 8-12 A. M. and 1-4:30 P. M.

HEALTH SERVICE — All full-time students receive the health service free after they have paid their health fee during registration. The clinic is located in the basement of Gullickson Hall. Dr. T. Craig McKee and Mrs. Mary D. Summers have office hours of 9-12 A. M. and 1-4 P. M. on weekdays, and 9-12 A.M. on Saturdays. If you need a shot, medicine, or a physical examination, the clinic will be glad to help you.

INFORMATION SERVICE — If you need anything along the line of publicity, publications, or public relations of Marshall, this office can help you. It is located in Room 112 of Old Main. The office is open from 8-12 A. M. and 1-4:30 P. M.

JAMES E. MORROW LIBRARY — Like most students of Marshall, you will soon become acquainted with this building. There is unlimited reference material available in the library which will be of value to you in your classwork and a great supplement to your learning in the classroom. Try to spend more time in the library, both to accomplish studying and to broaden your scope of knowledge. Library hours are from 8 A. M. to 9:30 P. M. Monday through Thursday from 8 A. M. to 5 P. M., Fridays and Saturdays, and possibly on Sundays from 5:30-9:30 P. M. Whenever you

may need assistance, ask the person on duty at the desk; they will be quite helpful.

The journalism department is located in the basement of the library. Here is where the school newspaper, the PARTHENON, is published.

PARKING — The problem of where to park will hound you car owners as you hunt for a place when you bring your car to school. Daytime parking in the University behind the Science Hall is reserved for the faculty and those cars with special permits issued by the Supt. of Buildings and Grounds. The lot is open to everyone after school hours. Dorm residents park behind their dorms after school hours. Students may park whenever it is legal on the streets. There is no parking on Fifth Avenue between the hours of 3 P. M. and 6 P. M. Make sure that you move your car before three on Fifth Avenue or you will find yourself with a \$5 parking ticket. Limited parking is available in the Engineering Building Lot on the corner of Fifth Avenue and 19th Street.

If you violate any of the campus parking rules, you MUST report to the Office of Student Affairs within 24 hours after the issuance of a ticket. All tickets given by city police concerning parking on the city streets must be handled at the city police station. A first ticket (on campus) is a warning; second offense means an appearance before the traffic committee; third offense means an appearance before the Administrative Cabinet and a possible suspension from school or dismissal. Cars parked illegally on campus may be towed away at owner's expense.

PLACEMENT OFFICE — Another helpful department at Marshall is the Placement Office managed by Mr. Robert P. Alexander. Checking at his office, Room 114 of Old Main, will save you a lot of trouble finding a job. Here you also may look for an on-campus job as well as an off-campus one. Office hours are from 8-4:30 P. M.

POST OFFICE — The Post Office, located adjacent to the Bookstore, handles all of the University's mail. Mr. Galloway runs the Post Office. There packages may be mailed if you have the correct change. It is best to take all packages to the subdivision of the downtown post office, located on Third Avenue above 20th Street.

PSYCHOLOGY CLINIC — In Room 307 of Old Main is the Psychology Clinic. They can help you by consultation with your scholastic, vocational, social, and personal problems. Tests are given by appointments made with Dr. Wolf at no charge to regular students.

RELIGIOUS COUNSELING — Another place open to students for consultation on all phases of life, religious or non-religious, is the Campus Christian Center. The staff of ministers here will do all they can for you.

SHAWKEY STUDENT UNION — Our Student Union is named after Morris P. Shawkey, one of our past presidents at Marshall. It is managed by Mr. Don Morris. The Union is the center of social activity on campus. On the first floor are found a lunch counter, a lounge, and a dance area. Bridge, checkers, and chess facilities are available. In the basement are found pool and ping-pong tables. On the second floor are found the office of the University annual staff — The Chief Justice — two conference rooms, and a music room where television and record facilities are available. The Student Government Office is found in the west wing of the Student Union, and you are urged to take an interest in and to participate in the campus government.

CULTURAL PROGRAMS

Now that you are a university student, you have the choice of accepting or rejecting the various culture programs offered on Marshall University's campus. We hope you will take advantage of the entertainment made possible by your student activity card.

At least once a month convocations are held in Old Main Auditorium on Thursdays at 11:00 A. M. There programs range in variety from art lectures to jazz sessions.

This year on campus, several types of forums will be held. Some will be exclusively for students, while the Community Forums will be for all interested people of the community.

The Open End Forum is a bi-monthly forum in which students, faculty, and administrative members participate in discussing any subject of interest to the campus. This will be a continuation of a program begun last year.

Forums which will be started this year are the International Students Forum, a program in which foreign students will pre-

sent a talk on their native countries; the West Virginia Topic Forum held twice a semester, dealing with West Virginia problems exclusively; and the Great Issues Forum, discussions on great issues, etc.

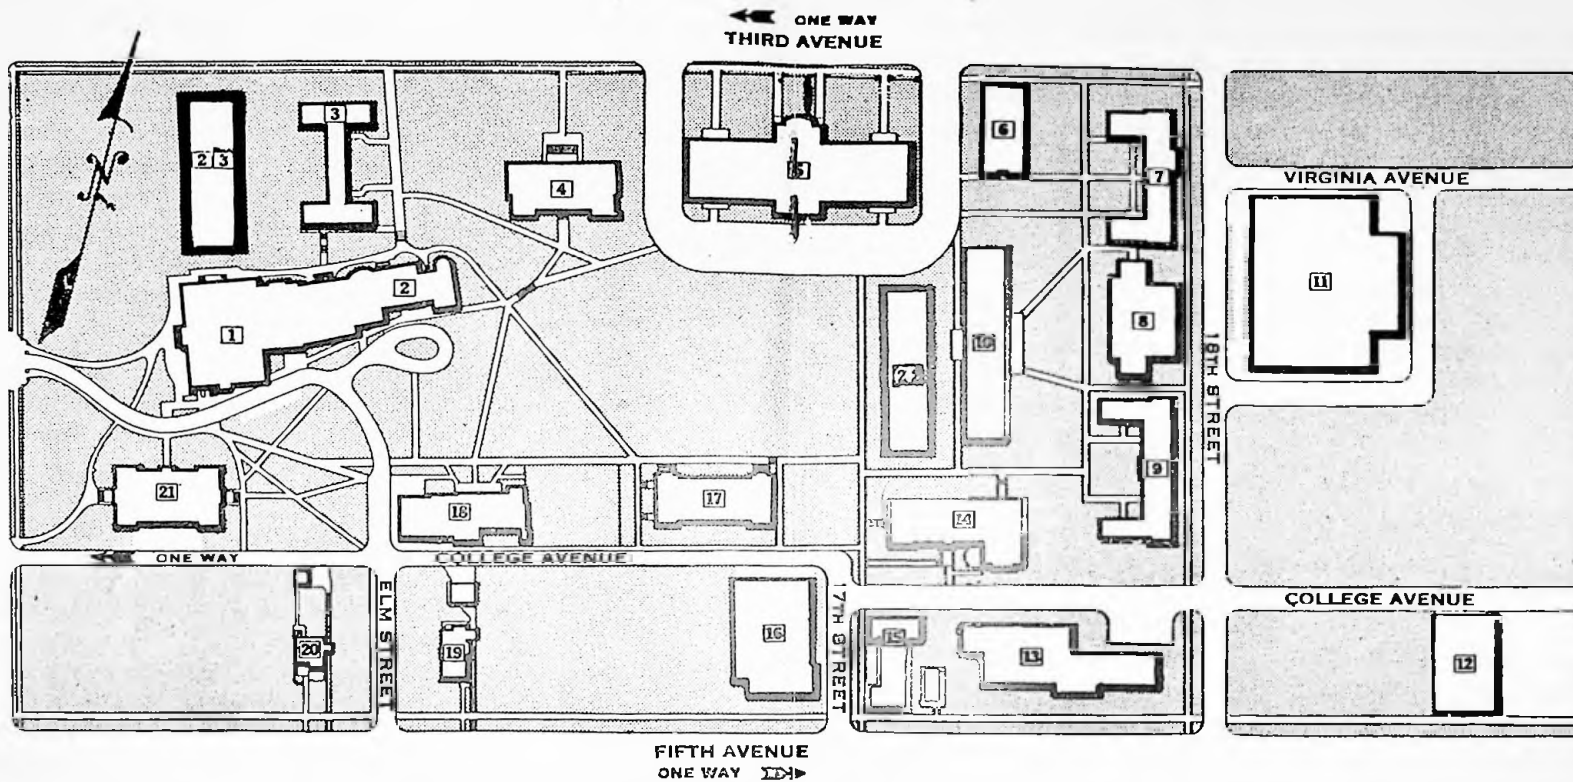

Community Forums are held in the evenings in Old Main Auditorium. This year ten major programs ranging through the world's cultural heritage will be presented. These programs will feature Korea, Japan, Ireland, the Nile, Iceland, and our own America. Don't miss the first of this interesting series held on October 25!

The Artists Series are held downtown at the Keith-Albee Theatre at various times during the year. These are professional performances of national and international fame. Some of the programs for this year will be "Madam Butterfly" presented by the Metropolitan Opera National Touring Company, the Roumanian National Folk Festival and Gypsy Orchestra, and the Norwegian Festival Orchestra.

Besides attending the convocations, Forums and Artists Series, save time for the University Theatre too. Don't underestimate your own talents, maybe you will be the next leading lady or man. Normally there are four full-length plays produced each year. Tryouts are open to the entire student body regardless of experience, so give yourself a chance — you might discover just how talented you really are!

If art is of interest to you, you will be glad to learn that West Virginia's only art museum is located right here in Huntington on Eighth Street Road. Various special exhibits are offered during the year as well as the standard exhibits. Why not take an art class if you're really interested in it? You'd be surprised at what you could learn.

Music lovers will find all types of record albums offered on the second floor lounge of the Student Union. If you wish to check any out, just see Mr. Don Morris, Student Union manager.

LET'S GET ACADEMIC

If you are to achieve your purpose at Marshall University, you must learn how to study now. Studying is a term representing various activities, and thus there are various methods of study. There is no recipe or surefire solution to passing your next four years at Marshall.

Buy your books early. Be sure to read the preface and introduction before going to class the first time.

Note-taking is a necessity at college and quite different from high school. Take notes in ink on standard size paper, then you can read them at exam time. Keep them organized, dated, and in a notebook so you won't lose half a semester's work if you drop a book sometime.

You can usually detect possible test questions by the emphasis put on certain points in lecture. MARK IT IN RED OR STAR IT.

Speaking of exams, find out what type your professor will give — essay or objective. Knowing what to study makes your studying easier. You may also have "pop quizzes" so be prepared each day.

For each hour in class, two out-of-class hours of preparation are recommended. Some classes may not require this while, in others, you will have to devote far more time.

Unfortunately, final exams are a necessary evil. We hate 'em, but we take 'em. A final can be a complete review of the semester's work or merely cover the segment since the last test. After you're through that first final week, you're one of the gang. Finals will be tough. They can raise or lower a grade, so study, but don't PANIC when this week rolls around. It is best to begin studying early and to get plenty of sleep.

Your big academic aim is the Dean's list. This is for the students each semester making a 3.0 average or better. Work for it.

We don't advise cutting class. However, if you find it necessary to miss class, be sure you know the policy of your professor before doing so, or you may get a grade cut. When you're sick, call your dean's office and they will contact your professor. However, this does not automatically excuse you from class. Upon returning to class, be sure to explain why you were absent, and then you will be responsible for making up the work you missed. You may find it necessary to crawl to class for some professors, so do it without question. If you miss a class because of a school activity such as intercollegiate sports, debates, choir trips, etc. the department head will notify your instructors.

A final word, remember your first and primary aim in coming to Marshall is TO OBTAIN AN EDUCATION. The responsibility now lies upon YOU.

RESERVE OFFICER TRAINING CORPS

The ROTC consists of men who are divided into six different companies. The group has regular drill every Tuesday morning at 11 A. M. A Second Lieutenant's commission awaits the student who participates in the ROTC for four years and supplements his experience with summer boot camp. The group acts as an organization, taking part in Homecoming and the annual blood drive. Student military leadership is developed through the battle group program. Student leaders are chosen to head each company on the basis of academic ability, military skill, extra-curricular activities, and work in summer camp.

The Pershing Rifles is an honored group open only to freshmen and sophomores. The purpose of the organization is to develop a highly skilled drill team and to promote brotherhood among the members of the ROTC unit.

A new two-year program now extends the advantages of ROTC to juniors who have not participated in the ROTC program during their first two years. A basic six-week summer training period after the sophomore year takes the place of the Basic Course required of students in the traditional four-year program.

The ROTC unit publishes its own newspaper. This publication is called SHAVETAIL.

NEARBY CHURCHES

Just because you are away from home, you must not neglect your spiritual life. No matter what your church preference might be, Huntington can accommodate you. In fact, it has sometimes been called "the city of churches" and you will soon realize why. There are over one hundred and fifty churches and one will suit you.

Following is a list of churches that most of our students attend. The entire list of churches can be found in the yellow pages of the telephone directory. You can always find someone on campus who will go with you, so don't worry about being by

yourself. Many churches are within walking distance and most of the outlying churches will be glad to furnish transportation if you are interested in attending their services.

CAMPUS CHRISTIAN CENTER

The Campus Christian Center is an interdenominational co-operating group open to all students and is sponsored by nine denominations: Baptist, Christian, Church of Christ, Church of God, Evangelical, United Brethren, Episcopal, Lutheran, Methodist, and Presbyterian. The staff consists of Rev. Lander Beal, Dr. Elmer E. Dierks, Rev. Hardin (Corky) King, and Rev. William R. Villers. These campus pastors have offices in the Campus Christian Center and welcome students to come to discuss personal matters.

Sunday morning campus worship services are held at 11 a. m. each Sunday. These are led by the campus pastors and visiting theologians. A discussion class precedes at 9:30 a. m. and coffee and donuts are served. On Sunday evening all students are welcome to attend the "cost supper" at 6:00 and the "Encounter Series" at 7:00 at which a large variety of subjects of concern to students will be discussed by students, faculty, guest leaders, and campus pastors.

During the week there are study and discussion groups and also groups of a social nature. The Center sponsors a deputation team to local churches. The Roman Catholic-Protestant dialogue on Christian Unity will continue this year. The Proctor project is open to all students for work with local underprivileged children. A special organization is offered for married couples. The Center's choir is also open to all students. On Friday and Saturday evenings the Coffee House is open. A large variety of programs consisting of folk music, classical music, art interpretations, or poetry readings are given by students and guests.

Several special events are held throughout the year. In the fall, the annual Marshall Ecumenical Retreat is held off campus and is open to all Marshall students. There are also various denominational student conferences and seminars held in Washington, D. C., and New York late in the year.

During the summer orientation sessions the Center will be open at announced hours for students, parents, and friends to come to meet the campus pastors and to enjoy the lounge facilities. Also, the Incoming Students Dinner will be held September 12 at 6:00. This is a complimentary banquet for freshmen or transfer students so that they may meet each other and learn of the Campus Christian Center and its programs.

ENTERTAINMENT

Believe it or not, you'll find you have some leisure time. To fill it, try the wide range of entertainment which is abundant in the Tri-State Area. Entertainment will naturally differ with the individual, but here are some suggestions on how to use your leisure time in our city.

Fourth Avenue is the main street of the city. On this street about seven blocks from the campus is located the theatre area. Three theatres are located in this section; they offer special student rates, if you present your ID card. There are several drive-in theatres in Huntington or the surrounding areas.

The city maintains Ritter Park and several other smaller parks, with their recreational facilities. In Huntington is also found several swimming pools, superior recreational sites. If the tennis courts on campus are filled, try the ones in Ritter Park. Camden Park also offers many fun-filled amusements.

Huntington also offers horseback riding, golf, swimming, hiking, bowling, car rentals, airplane rides, and boating facilities. Miniature golf is one of our most popular recreations.

Nationally known entertainers often visit Huntington. All you need to do is read the ads in the newspapers to find out when they are to appear.

If show business is your calling, you'll find collegians have an opportunity to try their talents in front of the footlights of the

Community Players, located at the Abbot Theatre, which is on West Fourteenth Street.

Students are always welcomed as helpers with such activities as the Campfire Girls, Girl Scouts, Boy Scouts, and related youth groups.

Just so you won't get lost, remember that the avenues run east and west and are numbered beginning at the river. The streets run north and south and are numbered in both directions from First Street, which is located fifteen blocks west of the campus. Buses make regular runs and taxis are always available.

EXTRA-CURRICULAR ACTIVITIES

UNIVERSITY THEATRE — For thirty-eight years the University Theatre has given training in dramatic skills and techniques, and has helped students to develop such qualities as poise, initiative, self-reliance, confidence, and cooperativeness. It helps to encourage appreciation of dramatic literature, and it keeps alive the plays which have made dramatic history.

The theatre presents three plays each year. Students are admitted to each of these productions by their student activity card. All students are eligible for parts or work as directors, stage hands, etc. If you are a student interested in dramatics, you should participate in University Theatre. Tryouts for the first production will be held the first week after classes start.

RADIO — The Marshall University Radio Station (WMUL) has been a success. The station broadcasts on 88.1 megacycles on the FM band, Monday through Friday. The programs vary from popular, jazz, and classical music to news, sports, weather, and other campus activities.

All Marshall students are invited to participate in the University Radio Station. This gives the student an opportunity for a background and knowledge in radio and TV.

After football season, the marching band, with a few minor changes, becomes the symphonic band, which will make a spring tour to West Virginia high schools this year.

Dr. Howard Bell is the director of both the marching and the symphonic bands with Mr. Thomas O'Connell and Dr. Eddie C. Bass as associate directors.

Membership is open to all students of the university with no auditions required for either band. Rehearsal is held each Tuesday and Thursday from 2-4 p. m. Credit of one hour per semester is given to all participating students.

MARSHALL UNIVERSITY DEBATE TEAM — Debating at Marshall is an intercollegiate activity. It offers one a chance to gain recognition both for himself and his school and is an invaluable opportunity for all students, especially those in law, political science, or economics, to develop and further their ability to think and speak effectively under pressure.

Marshall teams enter about eight intercollegiate debate tournaments each year. Individual speakers also compete in contests in oratory, extemporaneous speaking, discussion, and after-dinner speaking. The State Intercollegiate Tournament and the National or Regional Pi Kappa Delta Tournament conclude each year's debate season. Outstanding debaters may gain membership in Pi Kappa Delta, national debate fraternity.

SOCIAL ORGANIZATIONS

A fraternity is a group of men or women joined together in common bond who have pledged themselves to the pursuit of the highest standards of achievement and conduct. The best fraternities manifest a commitment to those standards in their daily operations.

A fraternity is closely associated with and considered an integral part of the University community. The principles and objectives of a fraternity complement the expressed aims of institutions of higher education. Membership gives rise to an inter-personal growth, engenders a spirit of co-operation, and develops a sense of responsibility.

Whether or not to join a fraternity is a decision that each individual must make for himself. The value of association with any group is only as beneficial as the individual himself chooses to make it.

ATHLETICS

Marshall University is a member of the National Collegiate Athletic Association and of the Mid-American Conference, which includes Bowling Green University, Kent State University, Marshall University, Miami University, Ohio University, Toledo University and Western Michigan University. Marshall competes with all the conference schools in football, basketball, baseball, golf, tennis, wrestling, and track. Since freshmen cannot participate in varsity athletics, a fine program has been set up to introduce freshmen into the Marshall athletic program.

FOOTBALL — There are thirteen returning seniors from last year's squad. Among these are Tom Good, first team all M. A. C., and quarterback Howie Miller. Built around this nucleus of experienced men, Marshall expects to have another winning season like last year's (7-3).

Fairfield Stadium will be the scene of many outstanding home football games. Added to this, most of the away games are within easy traveling distance.

WRESTLING — Wrestling is becoming one of the fastest growing sports on the college level. It is a highly scientific and an exciting sport. Matches are decided by either falls or points gained during the match. Coach Edward Prelaz can look forward to an outstanding season with this group of returning veterans: Davie Cramp, Jim May, Tom Busbee, Clyde Owens, and George Cyrus.

BASKETBALL — This will be the third year that Coach Ellis Johnson will be leading our varsity team. Coach Johnson has been very active in recruiting in this past year. Tom Langfitt, who made the all M. A. C. team and was second leading scorer in the Conference, will be returning to the team. We urge you to come out and support the fine varsity and freshmen teams. Many members of the undefeated freshman team should brighten this year's outlook. There will be many exciting evenings at home games played at Memorial Field House.

BASEBALL — This past spring the Marshall team experienced a difficult season.

Outlook for the next year is bright, because there are many returning seniors. They are: Charles Coffman, Don Hartley, David Judd, Jerry Katz, Dale Lowther, John Mullens, and Don Upton. Come out and support the fine team this year.

GOLF — Last year the golf team had an excellent record (12-7), under the leadership of Coach "Buddy" Graham. In addition to playing the Mid-American Conference teams, Ohio State, University of Dayton, University of Cincinnati, Xavier, and University of Kentucky are among other competitors. Dick Shepherd, Joe Feaganes, and Pete Donald will be returning to the team. The home matches are held at the Guyan Country Club.

TENNIS — Tennis is one of the popular sports on campus. Our varsity team competes in the tough game with both conference and non-conference teams. The team is coached by John Noble. Freshmen interested in this active sport are urged to tryout for the varsity team.

TRACK AND FIELD — The Big Green, while failing to produce a winning season last year have bright hopes this year, with five seniors and twelve juniors on the team. Marshall may look forward to a good year in track.

MAJORETTES — The beautiful Majorettes who will lead the Big Green band are: Sharon Gaddy, Ann Richardson, Sharon Wsyatchi, Gloria Prichard, Betty Sue Chafin, Becky Mollahan, Marla Tout, and Rose Mary Fisher. These girls were chosen for the honor last spring by a series of practices and tryouts. The basis on which they were selected were marching, twirling, and smiling. Freshmen girls will have their chance next spring!

CHEERLEADERS — The Big Green cheerleading squad is headed this year by Karen Agee, who is captain, and co-captain Judy Varnum. Others on the squad are Betty Theis, Betsy Rich, Sunny Sharp and Peggy Edwards. Miss Marion Barone, a former member of the Olympic gymnastics team, will serve as the squad advisor and coach. There will be new uniforms, new cheers, lots of pep rallies, and enthusiasm. There are tentative plans for two boy members on the squad. Tryouts for Freshmen interested in cheering on a freshmen squad will be held in late October. Requirements are that you be single, attain a 2.0 average, attend practices, and be really interested. Freshmen with tumbling ability are welcome on the squad also.

GREENBACKERS — The Greenbackers will be organized this year under the leadership of David Sherrill and assisted by Rupert Smith and the Robe. There is also possibility of the Greenbackers becoming an organized club instead of a committee. At the

present time, it is a volunteer organization, dedicated to the promotion of school spirit. This group is responsible for the M. U. card section at home football games. Eighteen members of the Robe are permanent row captains for the card section, filling their own rows with nineteen other students. Each row captain will be responsible for filling his own row. A list of row captains is posted in the Student Government Office in case you wish to participate and have not been contacted. The card stunts are simple and can be executed by following directions accompanying each card. Freshmen are urged to participate!

INTRAMURALS — The Marshall intramural program is directed by Robert Dollenger. A student may choose from over 20 sports or activities. These sports are conducted on both a competitive and enjoyment level. Some of the sports are football, basketball, softball, track and field, soccer, volley ball, aerial darts, and cageball. To add depth to the program, many individual sports are added to the program. Examples of these are shuffleboard, foul shooting, tennis, horseshoes, billiards, and wamo throwing.

UNION SPORTS — This will be the third year for the Union Sports program. The program is under the direction of Don Morris, director of the Student Union, and assisted by John Beaver. The Union Sports consist of about twenty popular pastimes; table tennis, billiards, bridge, chess, checkers, and many other table game. The competitions will be posted in the Union.
