## THE PLEDGE OF ALLEGIANCE TO THE FLAG OF THE UNITED STATES OF AMERICA

I pledge allegiance to the flag of the United States of America and to the Republic for which it stands, one Nation under God, indivisible, with liberty and justice for all.

## THE STAR SPANGLED BANNER

By Francis Scott Key

Oh say can you see by the dawn's early light  
What so proudly we hailed at the twilight's last gleaming;  
Whose broad stripes and bright stars, through the perilous flight,  
O'er the ramparts we watched, were so gallantly streaming,  
And the rockets' red glare, bombs bursting in air;  
Gave proof through the night that our flag was still there,  
Oh, say does the star-spangled banner yet wave  
O'er the land of the free and the home of the brave

Oh, thus be it ever, when freeman shall stand  
Between their loved homes and the war's desolation;  
Blest with victory and peace, may the heaven-rescued land  
Praise the Power that hath made and preserved us a Nation!  
Then conquer we must, when our cause it is just,  
And this be our motto—"In God is our trust";  
And the Star-Spangled Banner in triumph shall wave  
O'er the land of the free and the home of the brave.

## THE AMERICAN'S CREED

I believe in the United States of America as a government of the people, by the people, for the people; whose just powers are derived from the consent of the governed; a democracy in a republic; a sovereign Nation of many sovereign States; a perfect Union, one and inseparable; established upon those principles of freedom, equality, justice and humanity for which American patriots sacrificed their lives and fortunes.

I therefore believe it is my duty to my country to love it; support its Constitution; to obey its laws; to respect its flag; and to defend it against all enemies.

—William Tyler Page

## GREAT SEAL OF WEST VIRGINIA

The Great Seal of West Virginia, which also is the Coat of Arms, symbolizes the principal pursuits and resources of West Virginia. Described briefly, the obverse side of the Seal bears the legend, "State of West Virginia," together with the motto, "Montani Semper Liberi" (Mountaineers Are Always Free); a farmer stands to the right and a miner to the left of a large ivy-draped rock bearing the date of the state's admission to the Union; in front of the rock are two hunter's rifles upon which rest a Phrygian Cap, or "Cap of Liberty."

The reverse side of the Seal is not in common use today. It was intended to be employed when the Seal was attached to documents by ribbons and suspended in the manner of a medal.

Joseph H. Diss Debar, of Doddridge County, designed the State Seal in 1863 at the request of the first West Virginia Legislature.

## STATE FLAG

Before the design of the present State Flag was officially adopted by the Legislature on March 7, 1929, West Virginia had been represented by several flags which had proved impractical.

Prominently displayed on the pure white field of today's flag and emblazoned in proper colors is the Coat of Arms, the lower half of which is wreathed by Rhododendron. Across the top, lettered on a ribbon, is the constitutional designation—"State of West Virginia." The white field is bordered on four sides by a strip of blue, and for parade purposes all but the staff side are to be trimmed with gold fringe.

## **65th WEST VIRGINIA STATE SOCIETY OF DAUGHTERS OF AMERICAN REVOLUTION CONFERENCE, OCTOBER 22, 23, 24 1970, HOTEL MORGAN**

**Morgantown, West Virginia**

Theme: If a sparrow cannot fall without God's knowledge, how can an empire rise without His Aid? Benjamin Franklin

**Thursday, October 20, 1970**

The Executive Board of the West Virginia State Society met at 10 A.M. in the State Regent's reception Room in Hotel Morgan, Morgantown, W. Va. Mrs. C. William Moore, State Regent presided.

Miss Ruth Seibert, State Chaplain, gave the invocation. Mrs. D. P. Caulkins State Recording Secretary, called the roll and found all 11 State officers present.

The minutes of the Executive Board meeting held in Jackson's Mill on June 26, 1970 were read and approved as read.

The pictures of the officers in the Proceedings were discussed and it was decided they may be the glossy print or the plates formerly used.

West Virginia will be having a tea at the Mayflower during Continental Congress in April, 1971. After some discussion it was agreed that all in the Receiving Line would wear long dresses for this function.

Mrs. Moore suggested that we welcome our successor in office and offer help to her. The pins of office are to continue to be worn by present officer until April, 1971. It might be well for the new officer to take her badge home with her after the conference so that it will not be damaged in the mail. However, she can not wear it until April 1971.

An increase in dues was discussed. Assessments amount to 55 cents. It will be necessary to have a change in the By-laws to meet this change.

Miss Joan Adams moved that we recommend the By-laws be revised to change the State dues from 55 cents to 75 cents. Mrs. William Cunningham seconded the motion. This recommendation will be brought to the State conference.

Mrs. James A. Baritell  
Chairman

Mrs. William W. McClaugherty, Honorary Vice President General and Mrs. Carl C. Galbraith, Vice President General from West Virginia, discussed various points of DAR work. Many ideas were brought out. The discussion was very interesting. Mrs. Galbraith spoke of the broken Atheist cross. Mr. Winston Churchill used the V for victory but the present generation use the symbol as V-Victory over the Establishment. A printed discussion of this symbol was distributed and Mrs. Galbraith said copies could be purchased from "The Network of Patriotic Letter Writers" Box 2003D Pasadena, California 91105.

We also learned that American History has been removed from curriculums in some schools. We should write our Legislature about Russia controlling the north rivers. We should see that they can not or will not be able to control the Panama Canal.

Another high light for our outgoing State Regent came when Miss Lucille Stutler asked for and received the approval of the Conference to confer on Mrs. Moore, the title of Honorary State Regent.

Report of the Courtesy Resolutions Committee:

This Conference wishes to thank the Central District Chapters, Mrs. Charles I. Rhodes, General Chairman and all the committees for their generous hospitality.

Our sincere appreciation to our honor guests, Mrs. Douglas G. Drayer, Mrs. Walter E. Ward, Mrs. William W. McClaugherty, Mrs. Carl C. Galbraith, Mrs. Robert P. Leonard and Mr. Jack Kinder who brought impressive messages to the Conference delegates.

Our thanks to Rev. Clifford Sutherland, Associate for Campus Ministry, who gave the invocation; to Honorable Terry T. Jones, Mayor of the City of Morgantown; Mrs. V. Eugene Holcombe who brought greetings; to Mrs. Gladys B. Jones and Mrs. Charles T. Holland who gave us such delightful music.

Our deep appreciation to Mrs. C. William Moore, W. Va. State Regent and her very efficient staff that has served for the last three years.

Signed: Mrs. Harry S. Weeks, Chairman  
Mrs. H. LaRue Robb

## INVITATION TO 1971 STATE CONFERENCE

Miss Ruth Seibert, State Chaplain and member of Shenandoah Valley Chapter, Martinsburg, W. Va. invited the West Virginia Society, NSDAR, to hold the 1971 State Conference in Martinsburg, W. Va. The invitation was accepted.

## ANNOUNCEMENT OF MEETINGS

West Virginia State Conference will be held in October, 1971 at Martinsburg, W. Va.

The District meetings are to be held as follows:

Central — May 1, 1971  
Northern — May 8, 1971  
Southern — May 15, 1971  
Western — May 15, 1971  
Eastern — June 5, 1971

The District meetings are to be held as follows:

Summer meeting will be held June 25 and 26, 1971 at Jackson's Mill. Wheeling Chapter will serve as hostess.

Mrs. Charles T. Holland led the group in singing "Blest Be the Tie That Binds".

The 16 Pages retired the Colors and the 65th West Virginia State Conference was adjourned.

Our two National guests graciously sent "thank you" notes.

Mrs. D. G. Dwyer, Hon. State Regent, NSDAR, wrote, "It is indeed a privilege and pleasure for me to bring greetings to the West Virginia Daughters from the 57 Chapters of the District of Columbia DAR.

We, in the District, are a little different than other states. Our 3400 members are from 50 states of the Union, as well as the District of Columbia. From this melting pot we have every characteristic feature, trait, quality, disposition and temperament known to women.

Yet we have one thing in common—togetherness especially in the work of the DAR.

Mrs. Walter E. Ward, Vice President General, NSDAR, gave the following message: "It is always a pleasure to visit other State DAR Organizations and to see in how many ways our members interpret the program and adapt the vital DAR program to their own localities. Such a visit brings a revelation of the appeal of the work, and of the principles of patriotism and service. Getting away from the turmoil of the Nation's Capital gives perspective, and an insight into how effectively the DAR is carrying out its objectives of historic preservation, education and patriotism.

Although I had heard much of your splendid American Heritage Camp, the reports coming, chapter after chapter, made much more of an impact on me than the more general picture I previously had. Reports from your very small chapters in towns or rural areas showed how well they can "Tell the DAR Story."

## RESOLUTIONS

Adopted by the Seventy-ninth Continental  
Congress  
National Society  
Daughters of the American Revolution  
April 20-24, 1970

### SAFE RETURN OF THE APOLLO 13 ASTRONAUTS

Whereas the awesome week-long drama of the critically damaged Apollo 13 spacecraft has intensified world-wide appreciation of the consummate skills, the technological marvels and teamwork and the individual courage which helped achieve safe return to earth of the Nation's imperiled astronauts; and

Whereas the Nation in anguish has experienced a renewed sense of the infinite greatness and protection of Divine Providence in answer to our humble prayers and supplications for the endurance and delivery of these heroic men from hardships, tensions and dangers;

Resolved, That the National Society, Daughters of the American Revolution express admiration for the dedication, fortitude and resourcefulness of the Apollo 13 astronauts and those who manned the Spacecraft Center, as well as for the courage of the families of the astronauts and join the Nation in great thanksgiving for the protection and mercy of Almighty God.

### REDEDICATION

Whereas this Nation, founded by God-fearing people who dared to dream of liberty for all individuals, who "weariest not in well doing" (Gal. 6:9) through trials and suffering whose faith and courage made this dream a reality; and

Whereas upheld, sustained, and guided by a never faltering faith in Almighty God, they bequeathed to us a government of law—a written Constitution—that allowed each individual to worship God freely as he chose and to pursue his life unhampered by tyranny in any form, disciplined through this law by responsibility, duty, and respect for the rights of others; and

Whereas on this foundation of spiritual and moral principles, the United States of America became the greatest Nation the world has ever known—truly a "land of the free and the home of the brave"; and

Whereas this foundation has been weakened by forces introducing doubts not only of the presence of God, but also of His very existence—doubts that destroy all moral codes, turning liberty into license, ignoring the fact that only moral men can be free; and

Whereas "God grants liberty only to those who love it and are always ready to guard and defend it" (Daniel Webster);

Resolved, That the National Society, Daughters of the American Revolution dedicate itself to rekindling in the hearts and minds of men a staunch determination to preserve and to perpetuate the priceless heritage of freedom and liberty bequeathed to us by our Founding Fathers.

## VOLUNTARY SCHOOL PRAYER

Whereas there are children in many public schools expressing the desire to hold voluntary prayer before classes begin each day; and

Whereas many of these children have met by themselves and read a prayer each day from the Congressional Record; and

Whereas these actions have been challenged as being against the ruling of the Supreme Court; and

Whereas our national tendency to rely upon the power of prayer is evidenced by the suggestion from our Senate for all of us to pray for the safety of the astronauts;

**Resolved**, That the National Society, Daughters of the American Revolution support these children who wish to hold voluntary prayer;

**Resolved**, That the National Society, Daughters of the American Revolution urge proper steps be taken to clarify the ruling of the Supreme Court in order that all children, who so desire, may participate each day in a voluntary prayer before the opening of school.

## MARXIST—SOCIALIST—COMMUNIST MANIPULATION OF YOUTH

Whereas the United States of America is subjected to an intensified revolutionary Marxist-Socialist-Communist movement to overthrow the country; and

Whereas this movement is waged through youth, through colleges and through religious and welfare organizations, also through loss of parental control and through college and court permissiveness, and a crime-ridden society which can destroy the younger generation; and

Whereas the program of corruption involves:

Street demonstrations masking as peace movements, but led by militant activists dedicated to the violent overthrow of our government and destruction of our society;

"Rock Festivals" characterized by music of hypnotic rhythm and subtle lyrics tending to break down moral restraints and to expose the young to the dangers of communal living and illicit sex;

Experimentation with drugs leading to moral, mental and physical deterioration and often to addiction and crime;

Rebellion throughout school systems attended by acts of violence against administrators, destruction of records, costly damage to buildings and serious disruption of education for the majority of students;

Permissiveness at all levels of education, depriving students of the control and leadership essential to effective preparation for life, abolishing moral standards and developing hedonism as the new life style; the destruction of draft records; teaching young men to avoid the draft; and

Whereas, the costs of these activities are inestimable in terms of damage to property, destruction of moral purpose and loss of spiritual values;

**Resolved**, That the National Society, Daughters of the American Revolution regard as imperative that parents, legislators, courts, and colleges and other authorities exercise more strict moral and fiscal control over youth, associates and activities, that as individual taxpayers they force stronger college standards of admission and rejection and stress educational emphasis on the great moral, spiritual and historical values of this country.

## TOTAL ENVIRONMENT

- Whereas the real problem of pollution of our environment is being distorted by emotional declarations and by intensive propaganda; and
- Whereas many of the underlying sources of pollution exist because of the demands of the public for modern products and conveniences—not to mention individual thoughtlessness and neglect; and
- Whereas antagonism is directed toward American industry as the cause of pollution in spite of the fact that it is upon that industry that American strength depends; and
- Whereas the correction of the problem of pollution of our environment is not beyond the power of our technology to solve; and
- Whereas the new COUNCIL ON ENVIRONMENTAL QUALITY may be the vehicle through which the Federal Government will assert vast new powers over our personal habits and create added controls over the individual; and
- Whereas consideration of the factors involved in pollution of our total environment completely ignores the most dangerous aspect of them all—pollution of the mind;
- Resolved, That the National Society, Daughters of the American Revolution call upon our policy makers to urge the Federal Government to refrain from adopting unnecessary and harmful control programs which the Nation would later regret;
- Resolved, That the National Society, Daughters of the American Revolution suggest personal responsibility of the individual citizen be emphasized as one of the most effective ways of decreasing pollution;
- Resolved, That the National Society, Daughters of the American Revolution recommend that the COUNCIL ON ENVIRONMENTAL QUALITY direct attention and emphasis to the dangers of pollution of the mind in its considerations and studies of the dangers and threats to our total environment.

## GENOCIDE CONVENTION

- Whereas Article VI, Section 2, of the Constitution of the United States of America provides that "all treaties . . . made under the authority of the United States shall be the supreme law of the land" and treaty law may, therefore, be used to supersede the Constitution; and
- Whereas contrary to general opinion, the United Nations Genocide Convention or Treaty is directed largely toward individuals rather than nations and opens a new concept of international law whereby domestic crimes would be converted to international crimes by treaty law; and
- Whereas from the scope of the definition of genocide as contained in Articles II and III of the Convention, it is apparent that this Nation's handling of a broad field of internal matters such as civil rights, education and equal opportunity legislation would be subject to review by the International Court of Justice; and
- Whereas the compulsory jurisdiction of the World Court in disputes relating to "the interpretation, application or fulfillment" of the Convention would be without benefit of any reservation whatever; and
- Whereas the dangers inherent in the Genocide Convention are greatly increased because the accusation of genocide now is raised so freely that the word can no longer be fully or accurately defined;
- Resolved, That the National Society, Daughters of the American Revolution affirm that the Genocide Convention constitutes a threat to National Sovereignty and to the freedoms thus far secured by the Constitution of the United States.

## NATIONAL DEFENSE

- Whereas the chances for real success in the Strategic Arms Limitation Talks (SALT) are minimal and the risks of imprudent agreement so great as to threaten national disaster, since there is no evidence that the Soviet Union will relinquish its ambition to achieve a global military capability; and
- Whereas the Secretary of Defense has reported that the Soviet Union is pulling abreast of this Nation in many areas of military strength and is already ahead of the United States in others; and
- Whereas our need for additional Safeguard Anti-Ballistic Missile (ABM) defense is dictated by the Soviet Union's growing arsenal of massive nuclear warheads which already threaten land-based missiles and nuclear bomber bases in the United States, and also our cities; and
- Whereas a new nuclear strategy for America is now being urged which would include an expanded sea-based nuclear force to provide greater mobile protection against sneak attack;
- Resolved**, That the National Society, Daughters of the American Revolution warn that Strategic Arms Limitation Talks (SALT) may end in disaster for the United States, support a more sophisticated strategy which would offer greater protection to the United States, and favor a massive effort which would restore the United States to full nuclear superiority.

## REPUBLIC OF RHODESIA

- Whereas the United States has not only joined Britain in backing the United Nations sanctions toward friendly Rhodesia, but has also closed the United States Consulate and ended diplomatic relations with Rhodesia; and
- Whereas the United States makes no objections to other nations aiding the Viet Cong with continued shipments to the enemy; and
- Whereas these sanctions, imposed without public knowledge or approval, penalize a friendly nation, are inimical to American defense and economic interests, and give an extraordinary price monopoly to Soviet Russia on a vital commodity, chrome, thereby rewarding the Soviets who are the chief source of supplies to the forces killing American men in South Vietnam;
- Resolved**, That the National Society, Daughters of the American Revolution support the economic and strategic interests of the United States of America and urge the immediate establishment of diplomatic relations and resumption of trade with the Republic of Rhodesia.

## INTERNAL SECURITY

- Whereas the decisions of the Supreme Court in the past ten years nullified the treason and sedition laws of the United States, thereby allowing communists and Saboteurs to infiltrate our defense facilities, including ports, harbors, ships and other installations thus impairing internal security; and
- Whereas defense-related industrial plants and laboratories are and have been a prime target for communist espionage, subversion, and possible sabotage and adequate safeguards are not possible if subversives are not screened from these sensitive installations; and
- Whereas official investigating committees have served as powerful weapons in protecting the United States against subversion by listing subversive

organizations as an important guide in hiring government personnel, which listing has proved to be an effective tool in exposing disloyal aspects of various organizations; and

Whereas there is mounting evidence that members of violence-prone organizations have been permitted to work for sensitive governmental agencies, in part, because such groups are no longer designated as subversive by the Attorney General;

Resolved, That the National Society, Daughters of the American Revolution approve a personnel program of checking individuals in sensitive positions and urge the restoration of loyalty oaths for employees in defense plants, ports, waterfront facilities, and on merchant marine vessels;

Resolved, That since the principle of exposure is the most effective weapon against communism, the National Society, Daughters of the American Revolution urge that all official investigating committees reinstate and update the listing of subversive and radical groups.

## **SUPPORT OF OUR ARMED FORCES**

Whereas the many brave men and women of the Armed Forces of the United States of America in the fulfillment of their military duties, are under fire not only from the enemy abroad but also from dissident groups within this country; and

Whereas various accusations have been leveled against the conduct of certain soldiers on the battlefield, and irresponsible news coverage has virtually convicted them without benefit of formal trial; and

Whereas there is evidence of Marxist penetration of the Armed Forces through various organizations and by determined revolutionaries; and

Whereas many of these revolutionaries have joined the Armed Forces with the expressed purpose of demoralizing and sabotaging the military establishment;

Resolved, That the National Society, Daughters of the American Revolution support the loyal and courageous members of the military who are performing their duty in the defense of our country in spite of the limitations imposed upon them and the subversive influences directed against them.

## **POPULATION CONTROL AND IMMIGRATION**

Whereas it is predicted the decade of the 1970's will be known as the Era of Ecology—in which, to survive, we must prevent the further pollution of our environment; and

Whereas pollution increases in proportion to the growth of our population—the current crisis in housing, schools, welfare, unemployment and crime being the outcome of the “population explosion” of one hundred million persons in the past fifty years in the United States of America; and

Whereas there are now proposals to limit our population by scientific or even compulsory measures, implemented by subsidies for birth control or by fiscal restrictions on larger families—to be under the newly established “COMMISSION ON POPULATION GROWTH AND THE AMERICAN FUTURE”; and

Whereas these proposals are negated by requests to increase immigration into this country from the present 130,000 to 380,000 by 1974, on a “first come, first served” basis;

- Resolved**, That the National Society, Daughters of the American Revolution advocate a reexamination of these critical but conflicting proposals;
- Resolved**, That the National Society, Daughters of the American Revolution recommend first and foremost a substantial curtailment of all immigration until such time as corrective measures have solved our environmental dilemma and improved conditions for these now resident within our national confines.

## **TAXATION AND THE GENERAL WELFARE CLAUSE**

- Whereas the "promotion of the general welfare," mentioned in the Preamble of the Constitution of the United States of America, would seem to mean the welfare of the people as a whole—and not the welfare of any particular segment at the expense of the rest; and
- Whereas influential citizens have adopted the socialist philosophy of taxing the productive Middle Class (to which the majority of our population has belonged) to the point of confiscation of earnings and savings—and for the specific benefit of the less productive; and
- Whereas these influential citizens now talk of releasing any theoretical surplus left from de-escalation of the Vietnam War for use in a specific order of local welfare priorities; and
- Whereas history proves that confiscatory taxes for the benefit of an ever increasing unproductive segment of a nation destroys the Middle Class upon whom the stability of the national economy ultimately depends and results in the destruction of the nation itself; and
- Whereas any such theoretical surplus used to reduce the national debt would relieve the general population by slowing down and eventually stopping inflation and at the same time equally serve those in need of welfare;
- Resolved**, That the National Society, Daughters of the American Revolution deplore the distortions of the general welfare clause and urge our national leaders to keep in mind the danger of weakening by excessive and relentless taxation that vast Middle Class—the target of international socialism—upon whose existence the general welfare of this Nation depends.

## **THOUGHT CONTROL**

- Whereas throughout this entire century, collaborating Fabian Socialists and others are indoctrinating large groups of people to accept socialism under any name or guise as a way of life, and to discard as outmoded and useless such virtues as hard work and the love of God and country; and
- Whereas the unswerving goal to change the unique values of a free nation upon which this country was founded is being foisted upon an apathetic and uninformed citizenry through scientifically proved techniques which have been adopted in every phase of theology, education and economics; and
- Whereas an interlock of innumerable powerful organizations, corporations and various agencies pursues in every way the original intention: Thought Control through methods of brain washing in all areas of communications and publishing: textbooks for all ages, film, radio, TV, with emphasis on Educational Television (ETV), advertising, drama, the arts and sciences; and
- Whereas the progress of this design to destroy the United States of America is evident through the increasing acceptance of the semantic changes of the English language, of sensitivity training in its variety of forms,

of sex aberrations and education, the growing use of drugs producing hypnotic states, and overt cries of "Revolution"—all with increasing rejection of moral and religious principles declared in the Bible;

**Resolved,** That the National Society, Daughters of the American Revolution plead with its members to inform themselves fully of the clear and present danger to this Republic, and to take the leadership in exposing these "Masters of Deceit" and thwart their plan.

## **AMERICAN PRISONERS OF WAR**

Whereas unknown numbers of servicemen have suffered long terms of imprisonment or the ambiguous status of "missing in action" in North Vietnam and other parts of Southeast Asia; and

Whereas apparently nothing stronger than the usual words and platitudes from United States and United Nations officials has led Hanoi to believe that in its treatment of American prisoners it has nothing to fear from the United States of America; and

Whereas it is known that numerous members of the Armed Forces of the United States of America have been murdered or allowed to die from malnutrition, disease or wounds; and

Whereas the North Vietnamese have stated that all captured Americans are regarded as war criminals and they will be tried by the "Peoples Court"; and

Whereas it is known that Hanoi is showing a complete disregard for the welfare of prisoners of war as outlined by the Geneva Convention, and with no timely action increasing more servicemen are in danger of capture;

**Resolved,** That the National Society, Daughters of the American Revolution express grave concern for the treatment and fate of United States prisoners of war and other Americans wrongfully held;

**Resolved,** That the National Society, Daughters of the American Revolution believe that this Nation must take all necessary steps to obtain the release of these American prisoners of war and in no circumstances abandon these brave men.

## **EDUCATIONAL TRENDS—THE DECLINE OF QUALITY**

Whereas perceptible declines in educational achievement and standard proficiency norms are reported by major school systems, despite massive federal programming initiated in the 1965 Elementary and Secondary Education Act or Head Start programs; and

Whereas the quality of education, which should be a primary national goal, has been ignored in proliferating or duplicative programs, misspent funds, and by bureaucratic preoccupation with costly busing or arbitrarily calipered ethnic ratios; and

Whereas literary standards, verbal comprehension and historic content are sacrificed to innovative ideas of dubious merit; and

Whereas the climate of learning has been impaired in many schools by a lack of discipline evident in needed armed protection for teachers, by the drug cult increase, assaults, rape, and rampant vandalism; and

Whereas education has not benefited by student attempts to dictate course contents, free time programming or to assert authority, nor by a determined down-grading of American institutions by some disloyal teachers or young revolutionaries;

**Resolved,** That the National Society, Daughters of the American Revolution find that federal pre-emption of education has been a massive failure for which proposed new billions of taxes will provide no basic cure;

**Resolved,** That the National Society, Daughters of the American Revolution recommend that control of schools be restored to states and localities and that effective disciplines be re-established at local levels for students, curricular contents, and loyalty standards, so as to improve educational climate and achievement norms.

## **THE UNITED STATES SPACE PROGRAM**

Whereas the successes of the United States Space Program have advanced the world's scientific and technological understanding of the universe and have provided the expanding population with a wide array of new products and inventions which represent an investment for present and future generations; and

Whereas the frontiers of the 20th Century lie in the hostile environment of outer space and under the sea where the nation's defense, and even survival, compel leadership in exploration;

**Resolved,** That the National Society, Daughters of the American Revolution, taking pride in the American creative genius which makes possible these historic achievements in space exploration, recognize the emphasize the national defense potential of the space program;

**Resolved,** That the National Society, Daughters of the American Revolution extend deep admiration and gratitude for the valor of the astronauts and the courage of their families.

## **STATE REGENT'S REPORT—STATE CONFERENCE**

**October 23, 1970**

The 65th State Conference marks the third and final year of this administration.

All invitations which your State Regent received and which did not conflict with a previous engagement, were accepted and carried out with the exception of one. Because of illness she was unable to meet with Col. Charles Lewis Chapter. All District meetings were attended but one. She represented the state on many occasions, the Memorial Service in Shepherdstown for our Honorary State Regent, Mrs. W. H. S. White, a tea for the benefit of the Adam Stephen House, a meeting in Martinsburg of the Sons of the American Revolution, several grave markings and other special occasions where the State Regent was expected to represent the State.

Your Regent attended all National Board meetings in Washington during the past year, presided over the West Virginia Luncheon held at the Mayflower during Continental Congress and conducted the Board meeting held at Jackson's Mill in June.

She was pleased at Continental Congress with the honors won by our state, especially with the 100% chapter participation in Magazine advertising and the large increase in Chapters making the Honor Roll.

In reviewing the reports sent in by the chapters, your State Regent is pleased and impressed with the increased interest and number of programs put on carrying out our three objectives, Historical, Patriotic and Educational. It has also been most encouraging to learn that there is a marked increase in Jr. Membership.

The highlight of the past year was the Regent's visit to our American Heritage Week Camp where it was her privilege and honor to speak to the girls. Our President General remarked that the operation of the American Heritage Week Camp is one of the finest things being done by DAR. Miss Virginia B. Johnson and her staff are to be highly commended for their dedicated service to our young people.

Thanks and appreciation is expressed for the love and loyalty shown her and for the tremendous amount of work done by the West Virginia DAR ladies. If one-half of all you have done had been reported, this state conference would last two weeks.

Florence H. Moore, State Regent

### **STATE VICE REGENT**

As West Virginia State Vice Regent, I have carried out the duties of my office during the past year. I attended National DAR Congress in April, four of the five District Meetings, the annual Jackson's Mill Luncheon, and several special meetings upon the invitations of the chapters.

I served as Membership Chairman and spent a week as teacher at American Heritage Week Camp.

Serving as your State Vice Regent during the past three years has been a very rewarding and enjoyable experience. I offer my thanks to all who have made this possible. It has been a true pleasure to work with our beloved State Regent, Mrs. C. William Moore.

Lucile Stutler  
State Vice Regent

### **WEST VIRGINIA SOCIETY DAUGHTERS OF THE AMERICAN REVOLUTION STATE CHAPLAIN**

**October 1970**

Your State Chaplain has attended and conducted devotionals at all State Board and Executive meetings. She attended Continental Congress and was in her place with all other State Chaplains in the Memorial Service. She attended Jackson's Mill and the Eastern District Meeting where she conducted devotionals and a Service of Remembrance for those of the District.

Our hearts are saddened by the passing away of eighty valuable members. A memorial Service was conducted at State Conference in Memory of these departed Daughters.

On August 7, 1970, your State Chaplain conducted a candle light Memorial Service at the Sudley Funeral Home, Shepherdstown, W. Va., assisted by the State Regent and Chapter Regent of Pack Horse Ford Chapter, in memory of Grace Yoke White (Mrs. W.H.S.), Honorary State Regent, where she was a member. Many members in the Eastern panhandle attended this service to pay tribute to our devoted Daughter and beloved Mrs. White.

In response from the chapters, more than 100 Certificates of Honor have been presented to the families in our State of young men killed in the Vietnam War.

It has been my privilege and I want to thank each of you for the honor of serving as your State Chaplain. It has been a real pleasure to serve with our faithful and efficient State Regent, Mrs. C. William Moore, and the wonderful State Board. May God Bless each of you.

(Miss) Ruth E. Seibert

## STATE RECORDING SECRETARY

Your Secretary has attended meetings of the Executive Boards, Boards of management, West Virginia State Conferences, and National Conference. It was a pleasure to attend many District meetings, also.

Your Secretary appreciates the co-operation of the State officers, State chairmen and Chapter officers.

Your secretary thanks the State Regent, Mrs. C. William Moore, for her assistance and cooperation in filing the recorded minutes. She also appreciated the delightful and warm fellowship with members of the West Virginia State officers. It has been a wonderful experience.

Mrs. D. P. Caulkins  
Recording Secretary

## STATE CORRESPONDING SECRETARY

The State Packet was prepared in Bluefield and put together by the Executive Board at Jackson's Mill. Honorary State Regents, all State Officers, State Committee Chairmen, District Directors, and Chapter Regents received a State Packet. State Directories were sent to the proper National Officers.

Your Corresponding Secretary attended Continental Congress in Washington, April 1970; Jackson's Mill Executive Board and Board of Management Meetings in June 1970; Southern District Meeting in Welch in May 1970; and the West Virginia State DAR Conference in Charleston in October 1969.

It is a pleasure to work with our State Regent and it has been a pleasure and privilege to serve our West Virginia Society for the past three years.

Mrs John E. Corbitt  
State Cooresponding Secretary

\*In May 1970, I gave a report on Continental Congress to the Captain James Allen Chapter of Beckley at a delightful luncheon meeting at the Black Knight Country Club.

In June another report on Continental Congress was given to the Matthew French Chapter in Princeton.

I spent one week at American Heritage Camp as chauffeur to meet VIP's at airports.

## STATE ORGANIZING SECRETARY

Your State Organizing Secretary has two major interests: Organization of New Chapters and preventing disbandment of older chapters. She has spent much time this year with chapters who are in danger of disbandment by personal visits, telephone calls and letters to regents in order to help them increase membership, inform them of the DAR work, and to create more interest in the work of the National Society.

This State Officer has attended all Executive Committee Meetings and State Board of Management meetings during the year. She attended Continental Congress for the twenty-first consecutive year, Jackson's Mill Luncheon, Eastern and District Meetings where she spoke on Promoting and Conserving our Chapters.

West Virginia has fifty-five Chapters. This year we have had no disbandments, and no new Chapters. An Organizing Regent has been appointed in Glenville, and a preliminary organization meeting is to be held on October 31, 1970.

Your Organizing Secretary would like to recommend to the State Society that a Membership Committee be named next year, and a Lineage Research Seminar be held in the State to train members in this work.

It has been a pleasure to serve the West Virginia Society as your Organizing Secretary the past three years. I wish to express my gratitude to the West Virginia Daughters for their cooperation and devotion.

Mrs. Grant P. Hall, Jr.  
State Organizing Secretary

## STATE REGISTRAR

For my final report I wish again to thank each of the many fine loyal Chapter Registrars who have not failed to report their Chapter's membership changes as they occur. It is this regular attention to keeping their records up to date that enables the DAR State files to be dependable and to be kept in line with the National Society's records.

I wish to thank all the Registrars who have "weeded their records" and brought them up to date. This was a large undertaking for the Registrars of Chapters with many members. But the work was done cheerfully and I am sure with a feeling of satisfaction.

It is my sincere hope that by the time the State records are turned over to my successor all Chapters will have completed updating their membership files so that every Daughter in West Virginia will be accurately accounted for in the West Virginia DAR records.

I have thoroughly enjoyed my association with the Chapter Registrars. It has been a pleasure to receive their letters and cards and to get acquainted with them through their correspondence.

I appreciate so much the helpful suggestions and encouragement of our State Registrar, Mrs. C. William Moore. It has been a most enjoyable experience to work with her.

Irene E. Eib (Miss)  
State Registrar

## STATE LIBRARIAN'S REPORT

Since October 1969 10 books and 4 pamphlets have been given to our National Library from our West Virginia Daughters. One pamphlet, Volume III of the Jefferson County Historical Society Magazine has been on the National Library's "Most Wanted" List for some time.

As you know, \$.02 per member is contributed to the State Library Fund from dues of each member. This netted us \$78.16 plus \$5.00 which was sent directly to National, instead of to the State, by one chapter. Almost all chapters contributed to the microfilming fund and \$68.50 was sent to National. Each year the Librarian General asks that each state buy 4 new books of her own choosing. Our 4 requested books amounted to \$36.15.

Your State Librarian hopes to have 55 Chapter Librarians by April 1971. We have almost reached this goal—only 4 to go. Many chapters have been active in furnishing books on genealogy to public libraries, placing the Washington D.A.R. Story in hospitals and schools and in giving D.A.R. Magazine subscriptions. I have suggested that several Chapter Librarians send reports to local papers and our West Virginia D.A.R. News telling of their Library projects.

At this State Conference in Morgantown Award Cards will be presented by the State Librarian for the first time. Pack Horse Ford Chapter, first place winner, has given 13 volumes out of a total of 42 during this term of office. Daniel Davison Chapter, second place winner, gave 3 and John Young and Nathan Davis Chapters tied for third place with 2 each. The State Society has given 12 of the 42. The remaining volumes have been don-

ated by 9 other chapters. We still have 5 more months to add to the good record.

Your State Librarian was a guest at the Maryland State Conference, attended Continental Congress, Eastern District Meeting, Jackson's Mill Conference, several Pack Horse Ford Chapter meetings and the 65th State Conference.

It has been a real pleasure to have served as West Virginia State Librarian.

Mrs. William H. Cunningham  
State Librarian

### BY-LAWS REVISION COMMITTEE

Due to the rising costs of postage, printing, stationery, etc., the State Financing Committee is proposing a raise in State Dues \$.55 to \$.75.

According to the By-Laws to do this it is necessary to change the By-Laws at State Conference in Oct. 1970 and the recommendation be included in the Call to State Conference.

You are hereby notified of the proposal which we plan to present to State Conference.

Mrs. Wm. E. Coocy  
Chairman

### AMERICAN HERITAGE COMMITTEE

A summary of the work of this committee for the past 3 years shows that most Chapter Chairmen now know what to stress in helping their program chairman plan our American Heritage programs.

For 1969-70 programs included all phases of this committee's work. From 32 reports received, there were 53 programs particularly apropos. A new report form was devised almost identical to that sent by the National Chairman.

Some programs were slides and talks concerning the DAR Museum; rare books, biographies of famous and local men and women, American Heritage in Music and crafts and art programs such as those on pressed glass, decoupage, the artistry of the Indians, and a comprehensive review of the development of drama and the Theater in America. Several chapters had a "one man show" of the paintings of one of their members.

The girls, counselors and all W. Va. DARs are singularly proud of "OUR Camp", 1970 was its most successful year to date. Every phase of this committee's work included. E. L. Art, Crafts, Drama, Literature and Music.

Mrs. Fennell E. Anderson  
Chairman

## AMERICANISM AND DAR MANUAL FOR CITIZENSHIP

A great deal has been accomplished by all of the Chapters in the State.

All chapters are using the Americans Creed at every meeting and most members can repeat it from memory. DAR Manuals for Citizenship have been placed in Junior and Senior High Schools, Libraries, Federal Courts, and have been given to prospective citizens and Youth Organizations.

DAR members have attended naturalization ceremonies in Wheeling, Charleston, and Martinsburg. Anne Bailey Chapter chairman arranged for groups from several schools in the city of Charleston to attend these ceremonies, gave out 100 pledge and American Creed cards to young boys and girls, sent out Xmas cards to all new citizens.

Following Naturalization Ceremonies at Martinsburg, each new citizen was presented with an American Flag and DAR Manual for Citizenship by the Chapter Regent and Chairman of Americanism and DAR Manual for Citizenship.

I would like to repeat the words from a chairman of DAR Manual for Citizenship included in her yearly report: "knowledge, love of country, and loyalty are the goals of Americanism. Helping others to become good citizens, to cooperate with all people in churches, schools, public life and in our homes."

Thank you for your good work the past year and your fine reports.

Mrs. William T. Mooman  
Chairman

## CHILDREN OF THE AMERICAN REVOLUTION

12 West Virginia DAR chapters are sponsoring eight C.A.R. societies. 3 chapters are striving to reactivate Morgantown's Kern's Fort Society.

37 DAR members served as senior leaders this year. Buford Chapter assisted in entertaining the State Society in Huntington in March, at which time your chairman was honored with an Endowment pin presented by Colonel Andrew Donnelly Society. There are 7 State and 2 National Promoters.

Jennie S. Davis, State President, led a delegation of 6 members and 3 senior leaders to National in Washington in April, at which time your chairman was installed Senior National Vice President of the Mid-Atlantic

Region and Mrs. John R. Kauff was named Senior State President by the Senior National Board. 5 members accompanied your chairman to Regional in Gaithersburg, Md., in August.

No one could conceive of a youth organization better fitted to cope with the 1970s than the C.A.R., founded 76 years ago for the descendants of those matchless Americans who brought a new nation into being in the 1700s. We must keep it strong for America's sake.

Mrs. J. Marion Bailey  
Chairman

## CONSERVATION COMMITTEE

23 chapters donated \$129.60 to Ross Garden Project. 33 Chapters reported 4,145 pounds bird seed, 3 bushels corn, all costing \$297.30, radio announcements for bird feeding in winter, 500 pounds corn to wild turkeys, feeding rabbits and deer, 759 trees and shrubbery planted, 67 letters to legislators, programs using 19 speakers, 10 slides, 1 film, reading of Resolutions on Conservation, panel discussions, \$5 to J.A.C. for elementary conservation education, guides to high school in North Bend State Park, ratification to increase sewer rates to purify local rivers, petitions to clean creeks and help Food Control of Elk Creek, charts and map to high school, a Conservation Scholarship, and sending speakers to other places. Each year's report shows improvement — next year 100%?

Our appreciation and thanks.

Gladys E. Pitzer  
Chairman

## GOOD CITIZENS COMMITTEE

We were very much pleased with the interest shown by the high school senior girls this year. 105 took part in the DAR Good Citizens Questionnaire Contest. Out of 207 eligible high schools, 54 schools participated. Major William Haymond Chapter sent in the greatest number of Questionnaires. The judges were; a college teacher, one high school history teacher and one grade school teacher.

The state winner was Miss Margaret Zirk of the Moorefield High School. The South Branch Valley was the sponsoring Chapter. Mrs. Lowell Alt - Regent. The state pin was given to the winner at the Eastern District meeting in Romney in June. A \$100.00 bond was given to Miss Zirk at the summer meeting at Jackson's Mill.

102 Good Citizens pins and certificates were given to senior girls.

Mrs. Charles S. Lawrence  
Chairman

## DAR MAGAZINE

As we close a very pleasant and productive term we want to sincerely thank the Chapter Regents and Chairmen for their prompt and excellent reports and for their interesting letters. Subscriptions fell a bit short of the 100% but we have had a healthy increase.

With a State membership of 3321 among our 55 chapters, we list 698 subscribers which is around 20% nationally. A 25% chapter rating gives you a point on the Honor Roll. Of the chapters reporting only twelve earned this point. We have one chapter who have over 100% magazine subscription rating and that cannot be beaten. This chapter includes a magazine sub-

scription with annual dues and it is a recommended policy for other chapters to copy.

Regular reading of our attractive monthly national magazine will give you a keener knowledge of the aims and purposes of our Society and a broader and deeper sense of pride in our heritage. Won't you please try it.

Lois H. K. Smith (Mrs. Thorne V.)  
Chairman

## MAGAZINE ADVERTISING

The goal of 100% chapter participation in magazine advertising was reached this year. My sincere thanks go to all chapter members for their splendid cooperation in helping achieve our goal.

Some chapters have already sent their contributions to help pay for the co-op page in the February 1971 issue of the DAR Magazine.

We are working on the format, and we are quite certain each chapter will want to contribute toward making the planned lay-out possible.

A special note of appreciation is due those chapters who did such a fine job in obtaining the commercial ads.

Mrs. T. W. McLaughlin  
Chairman

## DAR MUSEUM

Two Chinese VASES made during the Ca-Tao-Kuang period (1821-1850). The VASES are 18 1/4" high. Blue ground w/pilychrome enamel scenic paintings in reserves. Each panel done in style of a different Chinese artist of various periods. Writing specifies artist copied. Had double circle mark and was in all probability made for export.

The DONOR was Mrs. James Phillips of Pack Horse Chapter at Shepherdstown, West Virginia.

The DONOR offers this gift to the DAR Museum unconditionally.

Mrs. Aubrey Ferguson  
Chairman

## ADAM STEPHEN MEMORIAL

As Chairman of the Adams Stephen Memorial in Martinsburg, I am happy to report that the restoration of this lovely old stone house, sitting high on its hill, overlooking the city, is moving along nicely. The West Virginia Daughters will be very proud of the general's bedroom when "moving in" day arrives.

We are still in need of bric-a-brac and small items to make the room look "lived in". A few old books on medicine would add much as Adam Stephen was first a Dr. before becoming involved in the Revolutionary War. A highboy or chest is about the only large piece of furniture we need for the room.

My thanks and appreciation to the following chapters for their cash contributions this year: Blackwater, Charleston, William Henshaw, Wheeling, Elizabeth Ludington Hagan, James Wood, West Augusta, Bee Line and Shenandoah Valley.

Mrs. Augusta Phillips, Regent of Pack Horse Ford Chapter of Shepherdstown has come through again this year with the gift of Peter Renche's

Deed for 271 acres of Land Grant signed by Lord Fairfax. This is a very valuable document and certainly appreciated.

Please continue your gifts to this project.

Mrs. Lawrence W. Lloyd  
Chairman

## GENEALOGICAL RECORDS

The National and State Chairmen have emphasized the collecting of "source records" during this administration so in rating the excellent and varied material contributed original source records are given first consideration, then the value to West Virginians and their descendants, quantity and quality of preparation in that order.

The project of the Grandfather forms has been completed by the Col. John Evans Chapter and the members who prepared these 461 papers are to be commended for their interest, perseverance, and many hours of exacting work.

Chapters contributing material evaluated on the above four qualifications and in order of their ratings are: Blennerhassett Chapter—"Abstracts of Wood Co. Deed Book 2 (1803-04); Kanawha Valley Chapter - 90 original certificates of marriages performed by the Reverend Josiah Keely of Saco, Me. 1853-62; John Chapman Chapter - Epitaphs from old Johnson, Ballard, and Ellison graveyards in Monroe Co., Kean family epitaphs and Bible record of Alleghany Co., Va.; Elizabeth Ludington Hagans Chapter - abstracts of 12 early Monongalia Co. deeds naming many heirs; Wilson Cary Nicholas Chapter - some early Nicholas Co. marriages, records from Hill, Mullins, and Dotson Bibles, Notes on the early Swisher family, and the Young family of Upshur Co.; Buford Chapter - early Cabell Co. deed naming numerous heirs; Col. John Evans Chapter - 3 early Monongalia Co. estate records; James Wood Chapter - Brief Outline of the Cheuvront Family in America; Fort Lee Chapter - Notes on the Hatfield Family; Matthew French Chapter - Clark Family Notes; Bee Line Chapter - Sketch of Burwell Carter 1716-1756.

Anne Bailey Chapter is collecting Kanawha Co. burial records and epitaphs.

My sincere thanks are extended to the members of these 12 chapters whose evident interest and many hours of work made possible this excellent report.

Chairman

## JUNIOR MEMBERSHIP

171 Juniors now are members of West Virginia Society, NSDAR. 8 of these Juniors have been approved by the National Society since October, 1967 - an unusual increase!

23 chapters turned in their annual report. A completion of that report is as follows:

## JUNIOR MEMBERSHIP

There are four main projects of the Junior Committee: increased membership, the sale of junior jewelry and notepaper, the participation in the Outstanding Junior Member Contest, and the goal of \$1.00 per member contribution which benefits the Helen Pouch Memorial Scholarship Fund.

Additionally, this year I've attempted to file an index card with the name, address, chapter and birthday of each junior member. It would be most helpful if each chapter would appoint a junior member as junior membership chairman.

According to my file of members, we have fulfilled our goal of \$1.00 per member. If your chapter made no answer to my query mailed in January to each chapter, I've assumed you have no Junior members. 23 chapters reported to me so I hope that the rest of our chapters will endeavor to include women under 35 as members.

Please understand that the sale of junior jewelry and notepaper is the sole approved method of raising funds and those hand-made items which you so kindly contribute, benefit American Heritage Camp which is completely separate from Junior Membership.

Continental Congress does have an approved bazaar of many items but this is unique to Continental Congress as a Junior project.

Please help us with the sale of our jewelry.

Tonight, I shall present the pin to our State Outstanding Junior member for 1970. This contest was participated in by four chapters and my judges were our governor's wife, Mrs. Arch Moore, the American Legion Commander, Mr. Thomas Malloy of Parkersburg and a prominent West Virginia Businessman, Mr. Earle T. Andrews of Berkeley Springs.

National has pledged \$45,000 to build the Junior Membership Library at KDS and the scholarships provided at both DAR-owned schools are from the sale of junior jewelry and notepaper.

Mrs. Frank W. Rogers  
Co-Chairman

## MEMBERSHIPS

Were I to report only those chapters who sent their reports to me, the picture would indeed be bad, for only twenty-nine of the fifty-five chapters made a report.

However, when I compare the June 1969 report from National with the June 1968 report, I find a slight gain in membership. The picture can change quickly.

We still need to capture the Juniors and, at the same time, hold the members we have. Once a lady becomes a Daughter, let's cultivate her so she will become an enthusiastic worker.

Lucile Studler  
Chairman

## MOTION PICTURES

Motion Picture Committees of all the chapters in the state were contacted and urged to show many types of films such as patriotic, problems of democracy, history, drivers education, sociology, highway safety, science films, mental health, civics, water safety, and American History films.

A page of names and addresses where films could be ordered was sent and I offered a prize to the chapter showing the greatest number of films. This prize was won by the Jenny Wiley Chapter, Mrs. Lee Brewer, Regent, Kermit, West Virginia.

Jenny Wiley Chapter showed the following films: Mental Health, Virginia and Its Resources, Conservation, West Virginia, Colonial Williamsburg, C & P Telephone Co., The American Flag, "Old Glory", Alaska, Canada and It's Resources, West Virginia Mining Institute.

The Jenny Wiley Chapter was entered in the National Motion Picture Contest. A prize to the chapter showing the greatest number of films continues.

Mrs. John Preston Walker  
Chairman

Mrs. Samuel Solius  
Chairman

## PROGRAM COMMITTEE REPORT

38 Chapters have made possible the following Program Committee Report.

19 Yearbooks, 4 Supplementals and 5 inserts have been received. Only complete yearbooks were judged. Of these, 13 received Blue Ribbon Awards, 4 Red and 2 Honorable Mention.

Most Chapters used our National Theme and considered Honor Roll requirements and the National Program Outline when preparing their Programs. 22 Chapters have ordered a total of 29 manuscripts and 22 slide programs from the National Program Office.

29 Chapters will have covered the work of the 24 DAR Committees by the end of this administration, either with a complete program or a 5-minute report on the work of each Committee.

36 Chapters have had a complete program on National Defense and all have had 5-minute or more report at each Chapter Meeting. All Chapters have the President General's Message read and 33 have had a report on State Conference and Continental Congress.

Of the 19 Blue Ribbon Award Yearbooks sent to the National Program Office in April 1970, 6 received a National Award for an "Outstanding Yearbook". Chapters receiving these awards were Colonel Charles Lewis, Ohio Valley, Vandalia, West Augusta, Wheeling and William Henshaw.

The National Program Committee will only judge a complete yearbook with the Chapter Computer Code Number on the outside cover. 4 books did not carry this number.

According to our National Chairman of Program, West Virginia Chapters have made a decided improvement in both their programs and yearbooks. Thank you for making this possible.

## NSDAR AMERICAN HISTORY SCHOLARSHIP

Application blanks for the NSDAR American History scholarship award were distributed to chapters desiring them at the 1969 state conference. Blanks were mailed to chapter chairmen of the Student loan and scholarship committee when requested.

2 chapters sponsored students and 3 districts were represented,—Central, Southern and Western.

The applicants ranked high in scholarship rating and leadership. NEED was stressed and 20 hours of American history were required at the college level.

The NSDAR established this scholarship in the amount of \$8000.00 to be awarded over a period of 4 years.

Miss Mary Alice Deveny was the first place winner sponsored by Buford Chapter. A senior at Huntington East High school, Miss Deveny was graduated in June 1970. In high school she has maintained a 4 point average. Mary is the oldest child in a family of 9 children, was a camper at the American Heritage Camp in her sophomore year and a counselor in her junior year, also a member of the executive council of the National Honor society, a student council representative, vice president of the Spanish club, a member of the A Capella choir and was chosen Miss East Huntington and rode in the Christmas parade sponsored by the East Huntington Business Men's Association.

Our second place winner was Miss Rebecca Sue Poe of Fairmont Senior high school and sponsored by the Colonel Morgan Morgan Chapter of Fairmont.

Chairman

## THE FLAG OF THE UNITED STATES OF AMERICA

We had 35 Chapter's reports.

Five Large and 70 small flags were presented to churches, schools, libraries, 250 Flag Codes—schools, meetings — Federal Court.

50 members fly the flag every day, but 357 fly their flags on National Holidays. I strongly urge each member to fly their flag every day—Daughters, let's stand up and be counted.

10 chapters gave special programs on the flag.

It is my sincere hope that the next Chairman will be able to report that every chapter gives the pledge of Allegiance, sings the National Anthem and gives a fact about the flag at each chapter meeting.

Due to the limited time I have placed a copy of the words to a song at each plate. "This is a Great Country." I feel the words to this song express my plea much better than I ever could. Please take it home with you and make plans for your chapter to do a little or rather a lot of flag waving.

Mrs. John R. Kauff  
Chairman

## CONSTITUTION WEEK

The Chairman of Constitution-Week reports 38 Chapters reported. And ten of this number sent in only the "rating-sheet."

In going over these reports, and many news-paper clippings and pictures, evidence is that much time and effort has been given to make this Society rate high in the observance of the 193 Anniversary of the signing of the Constitution of the United States. There is greater evidence that many chapters did very little, if anything, to observe this anniversary of this great document under which we have so much.

Again Colonel Morgan Morgan Chapter in Fairmont achieves first place with 20,580 points. This Chapter has one hundred members. Receives the blue ribbon award and \$10.00.

The second place winner is one we all should salute; it is Lt. Daniel Shuman Chapter in Mullens with 16 members attaining 82,020 points, receives the red ribbon award and \$8.00.

The Chapter winning the third award, white ribbon and \$5.00, is Buford Chapter in Huntington with 167 members, attaining 53,200 points.

Again Borderland Chapter in Mount Hope wins Honorable Mention attaining 30,925 points with 50 members.

The scrapbook is on the display table. When the Area Chairman returns it your scrapbook for the past three years will be sent to you. Sometime after National Congress.

It has been a pleasure working with you these three years. You have made the Society proud of your work and pleasure. The committee working with me was two past chapter regents; Mrs. J. C. Gwinn of Mount Hope; Mrs. J. M. Francesa of Fayetteville and Mrs. W. J. Wilkins of Mount Hope a past chapter historian.

Mrs. Claude R. Hill  
Chairman

## PRESS BOOK

The judges wish to commend the Chapters and their Public Relations Chairmen for the many hours of loving labor which went toward, not only the clipping and pasting up of the material, but more importantly, the filing of the chapter activities which make up the news.

The judges wish especially to mention those things which contributed to easing the work of judging:

Listing of inches in pencil at the bottom of the page;

Colorful matting for news stories and pictures;

Plastic covers for pages;

Attractively designed book covers.

Regretfully several books had to be eliminated from consideration for the following technical faults:

Use of Staples, scotch tape.

Inclusion of unpublished material which properly belongs in a historical scrapbook

Omission of news source

Interlining of news stories.

Inclusion of stories mentioning chapter members without the Chapter name.

Because of the foregoing the judging committee recommends that the State Public Relations Chairman hold a pressbook class of instruction at a state or district meeting explaining the requirements so that all chapters will understand and can be judged on a more equal basis.

The committee wishes to commend highly the first and second place award pressbooks. If we had national competition we would certainly urge their entry.

The awards are:

1. John Chapman Chapter
2. Anne Bailey Chapter
- 1st H. M. Matthew French Chapter
- 2nd H. M. Col. Andrew Donnelly Chapter
