*Your New
Personal
Memorandum*

Among the many handy features you will find in this calendar are an area code and time zone map, a list of zip codes for major cities, a phone index, a page to record notes for next year, and three complete yearly calendar blocks — one for this year, one for last year, one for next year. And just for good measure, there are blank sheets in the back for recording notes you want handy and for those hurried moments when you need a sheet of paper and all your note pads have mysteriously disappeared.

May the New Year be your best ever.
