OCTOBER 27

MEET THE CANDIDATES AND LET THEM MEET YOU

OCTOBER 27

## YOU

Be at the Junior League Community Center at 8:00 p.m. on Thursday, October 27. Bring friends and neighbors; this is a public meeting. Presidents of all organizations have been invited and asked to inform their members.

Each candidate will have the floor for two minutes. They will then be open to questioning. An informal coffee hour will follow.

The list of candidates is at right. All but two have replied. Eighteen expect to attend; two will be represented or send a statement. Giovanna Deveny will be in charge of the meeting.

## SEEKING NEW WATER WAYS

is our task at an important meeting to reach consensus on the National Water item. This will be on Thursday, November 10, at 8:00 p.m. at the home of Joyce Levy, 699 Thirteenth Avenue.

As indicated in the last Bulletin, see your August, 1966, NATIONAL VOTER to review background. The basic question for consensus is "Should the Federal Government offer financial incentives to private industries to reduce their water pollution?" and reasons for the answer. Mary Daniel will discuss arguments favoring federal assistance and Chloe Dunfee will present thinking on private industries assuming the responsibility.

## FOLLOW-UP ON DHR

On Saturday, November 19, a conference will be held as a REPORT TO THE PEOPLE ON THE COMMUNITY ACTION PROGRAM. Although primarily engineered by Cabell County Community Action, Inc., Marshall University and the Huntington Labor Council will be co-sponsors and meetings will be in the Marshall Science Auditorium.

At our DHR meeting on October 11, during which Mrs. Norma Wisor, CCCA Director, gave us invaluable basic information on the CAP, it was suggested that attendance at this conference could serve as a follow up meeting for us. All members are urged to attend all or - more realistically - some parts of the conference. Watch the newspapers for specific sections and times.

18 members have not paid dues. Are YOU one? Unless you pay immediately, this is the last delightful bulletin you'll get to read. Send to Mrs. Richard Bannon, 835 Twelfth Avenue.		

## FIRST ROUND

Initial suggestions for the new biennial State Program are due November 10. The present State Items are as follows:

- 1) Constitutional Revision
- 2) Vocational Education: A study of present programs and future needs in W. Va. through the post-secondary level. (This is a one-year emergency item adopted last year at Council.)

Send suggestions to Peg. Schroeder.

## TAKE A FLYER

Approximately 5000 copies of the enclosed flyer on the Constitutional Amendments are available for distribution. Several organizations have requested them in quantity. If you have any outlets for them, call Peg Schroeder.

WE WERE THERE

Four members of the Huntington League - Peg Schroeder, Lila Thompson, Nancy Matthews and Harmony Phillips - attended the Committee on Economic Development policy forum in Charleston on Wednesday, October 5. Invitations were issued by David Francis, who was in charge of the meeting. We thank him and his organization for their hospitality and the stimuli to further productive labor.

We were proud to see and hear our State League President, Ruth Jackson, as one of the speakers. Also, some very nice things were said by others about the League.

The theme of MODERNIZING LOCAL GOVERNMENT is, of course, right up the League's alley. Its emphasis on county reorganization is timely in view of our local County item. The CED does research and presents findings, but does not implement. Its materials will be useful; many goals we have in common, but prodigious efforts on the part of leagues, business and industry and all facets of American society will be required to achieve the over-all goal of, in the words of one speaker, "making living together tolerable."

WE EXTEND THE WARMEST OF WELCOMES TO THE FOLLOWING NEW MEMBERS:

Mrs. D. C. Carlson  
2009 N. Englewood Road

Mrs. M. R. Chakrabarty  
1737 Crestmont Drive

Mrs. Thomas Bauserman  
616 South Terrace

Mrs. Joseph A. Kowalski  
1525 Franklin Street  
(Kathleen was a Leaguer in Knoxville, Tenn., about three moves ago.)

Mrs. Stanley Wolf  
RD #2 Garden Lane  
Proctorville, Ohio  
(Grace is a transfer from Huntington, L.I. Appropriate, no?)

A BUDGET "TURNS UP ITS TOES"

She has been suffocated, strangled, and garrotted, but has a few gasps in her yet.

Because the finance drive fell so far below expectations, \$300 must be cut from the budget adopted at the last Annual Meeting. The Board decided on cuts in allotments for Committees, delegates (this was cut to zero, which means if League members attend out-of-town meetings, they're on their own), operating costs (e.g. postage), community action (Voters Service and Know Your County), and Bulletin (there will be no issue in November or January). Also, \$160 must be taken from our savings account to help fill the deficit.

We are all guilty of this assassination.
