THE PLEDGE OF ALLEGIANCE TO THE FLAG OF THE
UNITED STATES OF AMERICA

I pledge allegiance to the flag of the United States of America and to the Republic for which it stands, one Nation under God, indivisible, with liberty and justice for all.

THE STAR SPANGLED BANNER

By Francis Scott Key

Oh, say, can you see by the dawn's early light
What so proudly we hailed at the twilight's last gleaming;
Whose broad stripes and bright stars, through the perilous flight,
O'er the Ramparts we watched, were so gallantly streaming.
And the rockets red glare, the bombs bursting in air;
Gave proof through the night that our flag was still there.
Oh, say, does the star-spangled banner yet wave
O'er the land of the free and the home of the brave?

Oh, thus be it ever, when freemen shall stand
Between their loved homes and the war's desolation;
Blest with victory and peace, may the heaven-rescued land
Praise the Power that hath made and preserved us a Nation!
Then conquer we must, when our cause it is just,
And this be our motto—"In God is our trust;"
And the Star-Spangled Banner in triumph shall wave
O'er the land of the free and the home of the brave.

THE AMERICAN'S CREED

I believe in the United States of America as a government of the people, by the people, for the people whose just powers are derived from the consent of the governed, a democracy in a republic; a sovereign Nation of many sovereign States; a perfect Union, one and inseparable; established upon those principals of freedom, equality, justice and humanity for which American patriots sacrificed their lives and fortunes.

I therefore believe it is my duty to my country to love it; to support its Constitution, to obey its laws, to respect its flag; and to defend it against all enemies.

—William Tyler Page

GREAT SEAL OF WEST VIRGINIA

The Great Seal of West Virginia, which also is the Coat of Arms, symbolizes the principal pursuits and resources of West Virginia. Described briefly, the obverse side of the Seal bears the legend, "State of West Virginia," together with the motto, "Montani Semper Liberi" (Mountaineers Are Always Free); a farmer stands to the right and a miner to the left of a large ivy-draped rock bearing the date of the state's admission to the Union; in front of the rock are two hunter's rifles upon which rests a Phrygian Cap, or "Cap of Liberty."

The reverse side of the Seal is not in common use today. It was people, by the people, for the people; whose just powers are derived intended to be employed when the Seal was attached to documents by ribbons and suspended in the manner of a medal.

Joseph H. Diss Debar, of Doddridge County, designed the State Seal in 1863 at the request of the first West Virginia Legislature.

STATE FLAG

Before the design of the present State Flag was officially adopted by the Legislature on March 7, 1929, West Virginia had been represented by several flags which had proved impractical.

Prominently displayed on the pure white field of today's flag and emblazoned in proper colors is the Coat of Arms, the lower half of which is wreathed by Rhododendron. Across the top, lettered on a ribbon, is the constitutional designation—"State of West Virginia." The white field is bordered on four sides by a strip of blue, and for parade purposes all but the staff side are to be trimmed with gold fringe.

ANNUAL MID-SUMMER MEETING—JACKSONS MILL

Executive Board Meeting, June 22, 1973

The Executive Board, West Virginia Society, Daughters of the American Revolution, met Friday, June 22, 1973 at 8:00 p.m. Jackson Lodge, Jackson's Mill, with the State Regent, Miss Lucile Stutler, presiding. Mrs. A. M. Foose, State Chaplain, gave the Invocation. The Pledge of Allegiance to the Flag of the United States of America was given.

The Roll was called and the following members were recorded present: Miss Lucile Stutler, State Regent; Mrs. John E. Corbitt, State Vice-Regent; Mrs. A. M. Foose, State Chaplain; Mrs. William Moomau, State Recording Secretary; Miss Louise Hickman, State Corresponding Secretary; Mrs. Homer P. Martin, State Treasurer; Mrs. Therne V. Smith, Parliamentarian.

Miss Stutler announced the State Conference will be held at the Stonewall Jackson Hotel in Clarksburg on October 18, 19, 20. Hostess Fairmont. Mrs. Hugh Wright is the General Chairman. At this time some suggestions were made for the Conference program.

Mrs. A. M. Foose, State Chaplain announced that she would try to have the printed programs for the Memorial Service at the Conference.

Miss Stutler announced that the DAR News is doing well but news must be sent to the Editor, Miss Pearl Jett, before September 1.

There was some discussion of what contribution we could make to Bi-Centennial. It was suggested the DAR might plant a tree someplace in the state, and we might cooperate with other organizations in their celebration.

Mrs. Homer Martin, State Treasurer, reported a balance of \$11,803.41 as of May 31st, 1973.

She gave a detailed report of receipts and disbursements.

Two recommendations were made by the board:

1. Motion by Mrs. Homer Martin, that we place the balance in the Eleanore H. Smith Fund in a savings account. Seconded by Mrs. W. M. Foost. Motion carried.

2. Motion made by Mrs. John E. Corbitt, that we increase the Blanch L. Reyman Scholarship from \$100.00 to \$150.00 as soon as the interest permits. Seconded by Miss Louise Hickman. Motion carried.

Mrs. Homer Martin stated that the Genealogical records in the University Library have been Microfilmed by the Mormons and the present plan is to destroy the original records due to over-crowding in the library. According to one of the employees of the library, some of the records may have been missed on the film, which would mean that when the records are destroyed the original information will be gone forever. It was decided to present this information to the Board of Management.

Meeting adjourned at 9:00 p.m.

STATE BOARD OF MANGEMENT MEETING

Memorial Service

A memorial Service for deceased members of the West Virginia Society, Daughters of the American Revolution, from Oct. 1, 1972 to October 1, 1973 was held at United Presbyterian Church, Clarksburg, W. Va., 2:30 p.m. Mrs. A. M. Foose, presiding.

A tribute to Christine Blackwell Bergen (Mrs. Russell J) was given by Miss Ruth Seibert. In the twilight of August 1, 1973, Christine Blackwell Bergen (Mrs. Russell J.) National Number 304269 slipped quickly into the Great Beyond. The National Society, the State Society, and the Shenandoah Valley Chapter Daughters of the American Revolution have lost one of their most loyal and devoted members and our hearts are saddened by the passing of our beloved friend.

She had served the State Society as Chaplain 1956-1958; Secretary of the State Officers Club; past National vice-chairman and was holding the State Chairmanship of Lineage Research at the time of her death.

Her services and work in many other patriotic societies, too numerous to mention, reflected her devotion to country, her love for her fellowman, and her loyalty to all that she believed was good.

Her faithful and untiring services of her knowledgeable references of un-limited genealogical research will be long remembered by many, the country wide.

She was a gentlewoman and had great love for her Church, home and family.

The world is richer because she lived and her entrance into a higher service has left a vacancy none other can fill.

There is a land that is fairer than day,
And by faith we can see it afar;
For the Father waits over the way.
To prepare us a dwelling place there.

She is resting in the Old St. Luke's Church Yard, Smithfield, Virginia, a place serene, of great beauty and everlasting peacefulness.

REPORTS OF STATE OFFICERS

STATE REGENT'S REPORT

The 68th State Conference marks the third and final year of this administration. The past year, as the two preceding ones, has been full, diverse, and rewarding for your State Regent.

It isn't the hours spent in work and travel that come to mind when she recaps her year, but it's the warm remembrance of new friendships made and old ones strengthened; of generous hospitality offered and enjoyed; of the awareness of hopes that by working together we are achieving a new high in interest and dedication among the Daughters of the American Revolution in West Virginia.

The carefully planned 67th State Conference held in Wheeling, October 26, 27, 28, 1972, was most successful. The many fine reports given by the State Officers, State Chairmen, and Chapter Regents indicated a continued determination on the part of the Daughters in the promotion of the Patriotic, Historical, and Educational objectives of our Organization.

All sessions of Continental Congress held in Washington in April were attended by your State Regent. She was guest of several State Regents at their state functions. On Wednesday she presided over the well-attended West Virginia State luncheon held in the Mayflower.

During May and June your State Regent attended all five District meetings as well as the mid-year meeting at Jackson's Mill where she presided over both the Executive Board and the Board of Management meetings to discuss projects and to give instructions.

Visiting so many of the West Virginia chapters has been a source of inspiration and a real pleasure to your State Regent. She is truly grateful for your gracious hospitality. Lest an omission occur in naming individuals and chapters for their thoughtfulness, your State Regent chooses to express gratitude to all who have extended her any courtesy. However, she must express sincere appreciation to all who helped in any way to prepare for this 68th State Conference. To Mrs. Hugh Wright and Mrs. Louis Wilson, co-chairman, along with the chapters of the Central District, she owes a deep debt of gratitude that can never be repaid.

In August your Regent attended the American Heritage Week Camp where she taught Swedish embroidery. The President General, Mrs. Spicer, spoke on opening night to the campers. Miss Virginia B. Johnson and her staff are to be highly commended for their dedicated service to our young people.

In October your Regent was a guest in Pittsburgh at the Pennsylvania State Conference where she was most warmly received by the State Regent, Mrs. Harold Russell, and the Pennsylvania Daughters.

This year has been filled with work, pleasure, and sheer delight as your State Regent has tried to carry out her responsibilities to the Daughters who had enough confidence in her to elect her to this high office. She is very grateful for your generosity showered in gifts—in hospitality—in the innumerable courtesies extended her—But greatest rewards are found in your continuing devotion to the Society—and in the pleasure of your friendship. **THANK YOU!**

Lucile Stutler
State Regent

STATE VICE REGENT

Your State Vice Regent wishes to thank the West Virginia Daughters for the confidence you have placed in me and to assure you that I count it a very great privilege to serve you.

The duties of my office have been carried out, as well as the duties of being State Honor Roll Chairman. I was present at DAR Continental Congress in Washington, April 1973; State Conference in Wheeling, October 1972; Southern and Western District Meetings; the annual meeting at Jackson's Mill, June 1973; and meetings of various Chapters, when invited.

These past three years have been very rewarding working with the State Organization and our beloved State Regent, Miss Lucile Stutler. My very best wishes to our Chapter Regents.

Cordially,
Frances A. Corbitt
(Mrs. John E.)

CHAPLAIN'S REPORT

Twenty seven chapter chaplains have made a report of deceased members. The West Virginia State Organization has lost 88 members this year, from October 1, 1972 to October 1, 1973. We are saddened by their loss.

From reports received chapter chaplains have performed meritoriously this year. Besides reporting deaths of members they have performed the following duties:

1. Prayers at meetings;
2. Prayers at Board Meetings;
3. Conducted Ritual at meetings;
4. Sent notes of condolence to members who had bereavement in their families;
5. Sent cards to members who were ill or hospitalized;
6. Sent flowers to homes of deceased members;
7. Attended funerals of deceased members;
8. Conducted Memorial Services for deceased members;
9. Placed DAR markers on graves of deceased members;

This, my last year as State Chaplain is almost ended. I thank those who have cooperated and made the office of Chaplain more meaningful.
Ruby Calvert Foose (Mrs. A. Maurice)

STATE RECORDING SECRETARY

Your Recording Secretary has attended all meetings of Executive Board, State Board of Management, and West Virginia State Conference the past three years. She also attended Continental Congress in Washington D. C. in 1973.

The Secretary wishes to thank the State Officers, State Chairman, and Chapter Regents for their efforts to get the reports in on time. The minutes were prepared for the permanent record and for the Proceedings.

My sincere thanks to Miss Lucile Stutler, State Regent, for her understanding and assistance during my term of office.

It was a pleasure to serve with the West Virginia Daughters.

Mrs. William T. Moomau
State Recording Secretary

CORRESPONDING SECRETARY

Madam State Regent, State Officers, Honored Guests and Members:

Your Corresponding Secretary has attended meetings of the Executive Boards, Boards of Management, West Virginia State Conference and attended two District Meetings. It was a pleasure to attend each of these meetings.

Your Corresponding Secretary appreciates the co-operation of the State Officers, State Chairman and Chapter Officers.

The State Packet was prepared in Huntington, W. Va. and assembled by the Executive Board, Chairman of Committees and Regents at Jacksons' Mill. All State Officers, State Committee Chairman, District Directors and Chapter Regents received a State Packet and State Directories were sent to the proper National Officers.

It has been a pleasure to work with our State Regent, Miss Lucile Stutler and all the Daughters in West Virginia.

Louise Hickman (Miss)

ORGANIZING SECRETARY

The State Organizing Secretary is happy to report that the group of interested women at Peterstown, West Virginia is well on the way to becoming a DAR Chapter.

We have spent many hours working with them and seven application papers have already been sent to the Treasurer General. We now have six more papers ready for Miss Stutler's signature. After verification of these papers we will organize the first DAR Chapter in Monroe County.

Many thanks to members in the Matthew French, the Colonel Andrew Donally and the John Chapman Chapters that have given me help and encouragement in the effort it has taken to get this chapter on the way.

It has been a pleasure and a privilege to work with Miss Stutler and the fine members of the Executive Board during this term of office. It will always be a pleasant memory.

Louisa McClaugherty
(Mrs. William N.)

STATE REGISTRAR

May I say first—it has been a great pleasure and privilege to have served with our gracious State Regent, Miss Stutler, and the other State Officers in this administration.

And my thanks to the Chapter Registrars for their wonderful cooperation which I have received. There is still a great deal of work to be done to bring the State files up to date and you will all be contacted in the next few months to get this work done before I relinquish the files.

I have attended all State Meetings possible in the past three years and enjoyed them very much.

May I again remind all Chapter Registrars to pass on every piece of instructive material you have received to your new Registrar and help her to learn the duties of her office.

LIBRARIAN'S REPORT

Mrs. Bertram Lempenau, Librarian General praised W. Va. Daughters for their generous gift of \$250.00 which was used to purchase four expensive books for the National DAR Library. These were purchased at her suggestion with part of the accumulated Library fund. They were:

"Index to 1850 Federal Population Census of Ohio"

"The Mudd Family of the U.S." Vol. 1&2

"Anne Arundel Gentry of Maryland"

"Genealogies in the Library of Congress" Vol. 1&2

In addition to the above, books on genealogy were placed in the National DAR Library by ten chapters. Also the three books suggested by Mrs. Lempenau for the W. Va. Daughters to contribute to National DAR Library have been ordered.

Thirty one chapters reported having chapter Librarians.

Sixteen reported they contributed to micro-filming, ranging from \$25.00 by Major Wm. Haymond to several with \$1.00.

John Chapman's Chapter has its own section in their local library and have contributed six additional books this year.

Anne Bailey chapter furnished the History of W. Va. Libraries written by one of their members to the Governor's Conference on Public Libraries.

Nineteen chapters have helped their local libraries by donating both books and services.

Elizabeth Ludington Hagan's chapter held another Genealogy Workshop this summer from which they contributed \$70.00 to the local library to purchase more genealogy materials. Under the leadership of Miss Marion Tapp they are continuing this project with a study session once a week in which two of their members are present to help anyone interested in genealogy.

I want to thank all chapter librarians and Regents for their splendid help and cooperation. You have made this report possible and have made these last three years so rewarding.

REPORT OF BICENTENNIAL CHAIRMAN HARRISVILLE, W. Va.

FOCUS FOR '76 must be to insure West Virginia participation in the historic Bicentennial. Therefore I am urging you to assist sponsor and promote state-wide and local celebrations, ceremonies and observances.

Those members serving from their respective Districts are:

Mrs. Aaron J. Pancake	Mrs. C. D. Pruett
Mrs. Herman Rollins	Mrs. V. W. Miller
Miss Dorothy Harshbarger	Mrs. Lora E. Ambler
Mrs. H. K. Debendarfer	Mrs. Paul Hite
Miss Pearl Jett	Mrs. Paul Scott
Mrs. Walter Zimmerman	Mrs. H. W. Craddock
Mrs. Rudolph Stayer	

The above will serve until the District Meeting in 1972 at which time they will report their findings. Others will then be chosen to serve for the following year. This rotation of members will insure that all will be able to serve on this meaningful project.

Sometime ago I asked Miss Mary Lucille DeBerry, who is the Continuity Chief for the West Virginia University TV, about getting some early TV help for the Bicentennial. She summarized our conversation for Paul Yeazell the Programming Operations Manager, and said he reacted favorably, and hopes "we can do something significant."

Miss DeBerry's summarization said; "She (meaning your State Chairman) would like very much for us to have something in the way of a program—perhaps about the men who signed the Declaration of Independence. There might well be an approach unique to West Virginia—either in the historic happenings or in the events included in the 1976 celebration."

A program in the near future about the plans for '76 would be fine; but she wanted to make her request now for the Bicentennial year itself.

"She would also like to know, in advance, of programs related to the Bicentennial that we plan to broadcast. She will then 'spread the word' to DAR members within our coverage area."

One of my interesting correspondents has been Mrs. Robert Lacy Jackson of New Mexico, the U. S. A. Bicentennial Chairman. She wrote recently "Your contact with West Virginia University TV relative to programming for the Bicentennial is a timely and good project. To get started early is a MUST and I do hope you are fully successful . . . Presently I know of no NSDAR releases, but some may become available. One of the proposed projects is to have spots for TV and radio, and I hope this develops for all who wish."

I have had two written requests from the DAR members for the restoration of Prickett Fort. I hope this will be among the matters discussed.

The Bicentennial year promises to be one which emphasizes "Where There Is Vision."

However, I would like for you to be sure before you commence any projects. I urge you to clear it through the President General, tell her what it is you intend to commemorate, and any further plans about it. As to date, we are in good standing. Let us keep it that way!

Respectfully submitted,
Mrs. Aubrey Ferguson

AMERICAN HERITAGE COMMITTEE

It would be impossible to give here a full report of the American Heritage Committee with 54 Chapters reporting 72 programs on every phase of American heritage, and countless projects including, to mention a few, a commemorative plate; gathering material on early churches; furnishing rooms in historical buildings, restoration of historical homes; giving aid to museums; donating old log buildings still standing to Professor Randolph for the "Mountain Heritage" where students may live in a primitive manner while attending college; listing of old cemeteries; we even had two new members reported as a direct result of their daughters "Our American Heritage Camp."

The National chairman asked that interest be centered on quilts — to describe a few of the more interesting ones . . . there is "The Road to California," made in 1849 — the materials dyed from wild berries and hulls of black walnuts. One was woven on a double loom, perhaps made near Wheeling, W. Va. One was made from scraps of velvet and taffeta and the best remaining remnants of a great grandmothers wedding dress. Another with history in the scraps — a silk campaign ribbon of "Harrison and Morton 1888," with the likeness of Benjamin Harrison woven in the silk. This is especially interesting since President Harrison's wife, Caroline Scott Harrison was our first President General.

This is just a sample of the things accomplished by our committee. It has been a joy to work with this fine group.

DAR GOOD CITIZEN COMMITTEE

From the reports of 48 Chapters, 42 have actively sponsored DAR Good Citizens in 115 high schools, an increase of 22 over last year. All 105 Good Citizens were awarded official pins and Certificates of Award. Twenty-five Chapters entertained their Good Citizens at Chapter meetings, or at a special luncheon or tea; some included parents of contestants; some added a Chapter gift of recognition; many assisted in the Awards Assembly of the schools.

We have had problems beyond our control; policy of some schools in not announcing the Good Citizen until the end of the year—too late for state or national competition; unpredictable postal service, both in correspondence and pin orders from national office; confusion between Good Citizens Award and Good Citizenship Medals.

Six mimeographed communications have been made available to the Chapter chairmen: State Committee Chairman's letter in Regent's package, order forms, Good Citizen Questionnaire for state contest, September 15 report form, February 1 report form, and now a sample high school information sheet.

Chapter chairmen have frequently requested questionnaires and other forms in advance. The 1974 forms are all available now. Pins and certificates are slower in arriving, but will be available soon. Chapter chairmen are urged to send in their orders by November 1, whenever possible.

The 1973 State DAR Good Citizen was Miss A. Jane McCauley, a senior of Philip Barbour High School at Philippi, sponsored by James Barbour Chapter. She will be honored officially by the State Society at the 1974 Summer Leadership Conference. Four other Good Citizens received honorable mention ratings for the questionnaires and folios.

Our report for the year is good, but let us continue to increase the number of Good Citizens in West Virginia. May I congratulate you for your cooperation in promoting so successfully the work of our committee.

Virginia Laughlin,
State Chairman

MAGAZINE CHAIRMAN

It is a pleasure to bring this report which closes this term of office, especially since I can report that 55 of the 56 Chapters responded this year. Our 3,297 members within the state are receiving 795 copies of the National Magazine, according to Chapter reports. This is 24.1 per cent of the total membership.

These Chapters having a percentage between 50 per cent and 100 per cent are: Elk River—50 per cent; Captain James Allen—67 per cent, and General Andrew Lewis—100 per cent.

Those between 50 per cent and forty per cent are: James Wiley—45 per cent; Charleston—44 per cent; and Vandalia—44 per cent.

We are most appreciative of each Magazine Chairman, regent, or daughter who so faithfully try to promote the sale of our National Magazine. We hope that each Chapter will strive to have the subscription list well above the 50 per cent mark by time for the February, 1974 report.

National is sponsoring another contest this year and details will come to you in the West Virginia News. National urges "each Chapter to enter the contest with the desire to win." Also, National urges all Chapters to send articles of interest in the fields of History, Education, or Patriotism as feature articles to the Magazine.

Through the NSDAR Magazine, let us promote the objectives which will broaden our horizons; enrich our lives; and improve, we pray, the quality of the history for the year 1973-1974. With the help of each member we shall be able to implement the theme chosen by our President General, Mrs. Eleanor Spicer—"They go from strength to strength, everyone of them." Psalm 84:7.

To share the "best magazine in the land," send your subscription in today.

Mrs. G. Clark Mills, Sr.

MAGAZINE ADVERTISING

Your State Chairman of Magazine Advertising is proud to report that for the fifth consecutive year West Virginia reached the goal of 100 per cent participation. For the June-July issue of our National magazine which West Virginia helps to sponsor, the 55 chapters submitted a total of \$1,340.00.

The two-page spread featuring a map showing West Virginia State parks elicited many favorable comments from conservationists and the Department of Recreation.

Your chairman thanks each one who worked to secure commercial advertising and each chapter that generously supported the co-op page.

DAR SCHOOLS

All members of the Daughters of American Revolution should be proud of their organization's efforts in the field of education. The NSDAR has the full responsibility of the support of two schools. Kate Duncan Smith and Tamassee. The Daughters also assist in the support of other schools.

From the reports, that have been sent from twenty-four chapters, the following information has been gathered:

- 16 Chapters have had programs about the schools.

VETERANS' HOSPITAL REPORT MARCH 1973

We come thanking you for all your efforts during the past year and asking for continued assistance for DAR Services For Veteran Patients. This committee was created to promote Patriotism by aiding Veterans Patients in Veteran Administration Hospitals and to educate the public of its responsibilities to our many American War Veterans.

This is the report of West Virginia's DAR Services For Veteran Patients as sent to the National Vice Chairman, East Central Division, Mrs. Howard E. Byrne, Jr., Birmingham, Michigan, March 1, 1973. I'm sure there has been work and services performed for the Veteran Hospitals that has gone unnoticed and unreported. Please report the exact amount of money given in checks to the hospitals so credit can be given to your local chapter.

During the summer we wrote to each DAR Chapter within the radius of forty miles of Clarksburg Veteran Hospital asking them to send representatives to meet us at the hospital at a set time for a tour of the institution, conducted by the personnel representative, Mr. Bonasso. Several chapters responded. We were rewarded with two hours of very valuable touring and an enlightening question and answer period concerning the hospital—its capacity, philosophy and needs. Miss Lucile Stutler, State Regent, accompanied us on the tour. Other tours are planned for the southern part of the state at a later date.

On May 12th Northern District at North Ben State Lodge. On May 26th, Southern District at Oceana, W. Va. and on June 2nd the Eastern District Meeting at Fort Ashby. We talked with the ladies at these meetings and especially stressed the National Vice Chairman, Mrs. Howard E. Byrne's plea for knitted lap robes for Veteran wheel chair patients. We gave out dozens of knitting instruction for the lap robes. Mrs. Byrne emphasized the importance of working with Veteran patients in private homes or where ever they are and to be sure to tell the DAR story as they go among them proving to these men and women that DAR cares.

Mrs. Harold Fetty
 DAR Chairman
 Service for Veteran Patients

There are 70 Veterans Hospitals in the United States. The National chairman would like to secure a DAR representative on the Veteran Service Committees. Each hospital may have a representative and deputy to represent the DAR. These members must take an active part in the work and are also required to attend Board Meetings. They must arrange to have DAR members actively serving as volunteer workers in the hospital. If you are interested, please contact your Regent and she will recommend you to the State Regent.

We have enjoyed meeting the Daughters at the different District Meetings and will be looking forward to the future meeting coming up. Thanking you, in behalf of the hundreds of Veterans that you have aided with your generous time and gifts, I am,

Mrs. Harold Fetty
Veterans Patient Chairman

I am sure that the 13 Chapters who reported and received no award will try next year to receive one and do let us try for 100 per cent reporting in 1974. Your Chapters are listed in the October 1973 issue of the DAR Magazine, beginning on page 782.

JUNIOR MEMBERSHIP

Educating the Chapters regarding the nature and importance of the Junior Membership Committee and the Helen Pouch fund has been the aim of this committee for this three years. In this area, we have had a good deal of success.

However, getting Chapters to report, is another story all together. Out of 56 Chapters, only 14 sent in a report, giving us 72 Juniors, 10 of these being approved since October 1, 1972-1973. This time last year, we had 225 Juniors 37 having been approved that year. Of the 14 reporting, 5 had no members under 36 years of age. One of these Chapters had a membership of 205.

4 Juniors are serving their Chapters as officers and 9 as Chapter chairmen.

We donated \$631.33 to the Helen Pouch Fund which is a giant step from the \$158.25 year before last.

Mrs. Charles I. Rhodes was named Outstanding Junior member. However, due to a lack of interest from the Chapters, there will be no contest this

year. There is so much work involved, getting judges, meeting deadlines, and too much paper work involved to have one contestant, and this really is not a contest.

To those faithful Chapters who have been so loyal to support the Juniors, we say thank you, you are greatly appreciated.

Just a reminder to Chapter Regents that honor roll requires that you either admit one new Junior member, or purchase notepaper or and jewelry to qualify for gold honor roll.

This has been a most interesting and enlightening three years. Your next Junior Chairman will especially need your interest and support at the beginning of her term. We have come a long way, let's keep up the good work.

Thank you.
Mrs. William A. Cracraft,
Chairman

MEMBERSHIP

Fifty-three membership chairmen reported for their Chapters. As this is my last year, I wish to say thank you to these chairmen for their fine cooperation in helping to keep accurate records for the West Virginia State Organization. I also wish to thank the regents and other members of Chapters who assisted me in obtaining membership reports.

It was gratifying to find that twenty-one Chapters had increased their membership, that thirty-two new Junior members were accepted, and that five former C. A. R. members came into DAR.

But deaths, resignations, and dropped members took their toll. So the decrease in membership exceeded the increase. This is not a happy situation.

It is my sincere wish that every Chapter during the coming year will make an all-out effort to gain new members and to keep the members they have. It is imperative that members be added to our rolls and that we do our best to discourage members from resigning or from dropping their membership.

It is my happy privilege to present the State Conference Award of the National Membership Chairman for the greatest per cent net increase in membership to Fort Ashby Chapter of Keyser. This Chapter also receives the first place State Award.

Trans-Allegany Chapter has earned second place recognition for net increase in the state, and Colonel Andrew Donnally Chapter has third place recognition.

My sincere congratulations go to these Chapters and to all others for the good work they are doing. Let's keep membership growing for it is the lifeline of DAR.

Irene E. Eib,
State Chairman

NATIONAL DEFENSE CHAIRMAN

Fifty-four of the fifty-six Chapters in the state made a response to the questionnaire sent to the chairman of each Chapter. We are happy to report the findings from the various questions asked.

49 Chapters had at least one entire program devoted to National Defense. 51 used at least five minutes for a special report to the regular meetings. 44 Chapters read and discussed the "Resolutions for National Congress." 47 had National Defense materials available at Chapter meetings and most of those made the materials available for interested individuals. 107 Good Citizenship Medals were presented to students within the state.

Four Chapters participated in the ROTC program. We would like to call your attention that ROTC scholarships are available to many senior boys in the high schools of the state. Inquire if any boy in your high school has entered the ROTC program as he enters college. Then you might recognize him for having selected the program as he leaves high school. Two gold ROTC medals were given to graduating students in junior colleges or colleges.

Only eight Chapters made a donation to "Dollars for Defense," but their total was \$56.35. We do hope that this amount can be enlarged during the coming year.

Twenty-four Chapters made an effort to increase the subscriptions as individuals for the **National Defender**.

We do appreciate those Chapters who are able to get special programs included in the local newspapers, who send a copy along with the report.

Reports will be called for in January, 1974, and we trust that your program has been so interesting that you are just waiting for the time to send in your record of it.

Because of the total picture of work done by this committee within Chapters, special recognition is being given to five Chapters. They are: Buford Chapter, Blue Ribbon; Colonel Charles Lewis and Blennerhassett, Red; Colonel John Evans and Anne Bailey, White.

It has been a pleasure to work with you these three years. We trust that many of you have become "National Defense" minded at this continued critical time for our country. Working with you has enlarged your chairman's view of the work that needs to be done and challenges for the future.

Respectfully submitted,
Mrs. Ralph Hedrick,
Chairman

NSDAR AMERICAN HISTORY SCHOLARSHIP AND CAROLINE E. HOLT NURSING SCHOLARSHIP

The NSDAR AMERICAN History Fellowship award for graduate students who would major in American history was changed last year to the NSDAR American History Scholarship for high school seniors who will during their four years in college or university major in American history. This is a \$8,000.00 scholarship with \$2,000.00 given to the winner each year.

Miss Linda B. Fominko, a senior in the University High School at Morgantown was our West Virginia winner. To receive this scholarship Miss Fominko will compete with a winner from each of the 49 states. You chairman received only six applications from all over West Virginia. Application blanks had been sent to 30 high schools. Some were returned stating this for a reason, "We do not wish to major in American History."

Your chairman is happy to report that for the first time we had an applicant for the Caroline E. Holt Nursing scholarship. This scholarship or educational fund provides nursing training for eligible applicants. Miss Agina Marie Bohrer, a senior at Weirton High School, met all the requirements and will enter training at a Pittsburgh hospital.

TRANSPORTATION

Terrific gesture — Colonel Charles Lewis Chapter, 5 cars pick up 15 members on "CARE and WALKERS" — Had program on Safety of Seat Belts; have ask their delegate to House of Representatives to pass a bill on Traffic Control inside the city. Anne Bailey, John Cook, Mound and Charles Lewis had programs on Traffic Safety Material. Anne Bailey had a 100 per cent report, having made several trips to rededicate Trees and Markers, Historical research, Naturalization Court, Heritage Camp, Constitution Week, Veterans' Hospital, Press, Delegates to Congress, Conference Meetings. Trips were made to visiting Chapters.

No questionnaire in the Packet this year as questions were about the same. The National Chairman suggests recently that I have more questions on "A STUDY OF SAFETY AND TRAFFIC" which she thinks is more important than bussing members to and fro.

I hereby declare the following suggestions: "FOR ACTION BEFORE FEBRUARY 1, 1974" in time for Congress.

Have programs on Traffic Safety, stressing Drunken Drivers.
Highway death traps.
Promote Defensive Driving courses.
Organize Safety Bug Clubs—for children "The Bike Book."
Use booklet on "Better Highway Transportation" Order D. St.: 1776, D. C.
Contact your State Highway Commissioner for DDC information.
Discussion on motorcycles and pedestrian program, causes of death are due to old age, children, darkness and alcohol. Let me hear from you before Congress.

Thank you for past co-operation and remember — N is for NEVER to fail to extend a helping hand to any chairman who is trying to promote an objective. As each of you scattered as you shall be in years to come, to time and place yet unknown, be bound by mystic cords of DAR FRIENDSHIP, which shall link lives beyond the billows of eternity.

I will give the winners at this time.

1st—Ann Royal, 75,455 points, \$10.00.
2nd—Blennerhassett, 37,855 points, \$8.00
3rd—Matthew French, 36,965 points, \$5.00.

John Cook, 21,150 points.
Ann Bailey, 20,150 points.
Wheeling, 19,150 points.
Colonel Charles Lewis, 18,450 points.

The many letters written by chairmen to the Schools, Civic Clubs, News Media, Radio, TV Channels and Churches show that we have many patriotic and dedicated women in our society.

Proclamation signed by Governor Arch Moore and thirty-seven mayors with pictures and articles were outstanding. Many of these are in scrapbook. Many Chapters earned extra points by urging the flying of the Flag and making displays of patriotic materials. Literature distributed, programs presented and many other activities makes the week a success.

It has been a pleasure working for all the Chapters and their chairman these past three years. Thanks for your cooperation.

From both of us—Millie and Pauline.

WHEELING CHAPTER

Delegates represented Wheeling Chapter, NSDAR, at the Eighty-Second Continental Congress, National Society Daughters of the American Revolution, and the sixty-seventh Annual State Conference. It was a hostess chapter at the latter. It had representation at the Annual Mid-Summer Meeting of the West Virginia State Organization at Jackson's Mill, American Heritage Camp, and Northern District Meeting. Five members represented the Chapter at the luncheon meeting of Chautauqua Circle, Daughters of the American Revolution, Chautauqua, New York, July 26, 1973 when Judge R. L. Thorburgh spoke on "The Crises in Criminal Justice." This is an example of our members' willingness to "lengthen the cords of our tent" and to hear and tell the DAR story.

Programs constituted the highlight of the year. The Chapter followed the objectives of our National Society—Historic Preservation, Educational Pursuit, and Patriotic Endeavor—and produced outstanding programs. Emphasis was placed on National Defense. A 10 minutes report was given at each meeting and one meeting was "National Defense."

Activities were varied. Observance of Constitution Week had the widest coverage. Through courtesy of WWVA Broadcasting Station, the Chapter had a 15 minute broadcast of our script, "Constitution Week" which was written by a member and delivered by two members and WWVA's Program Director. In response to the request of the Coordinator of Ohio County Schools, 900 pieces of Constitution Week Literature were given for use in schools. Teachers and pupils were receptive and "very interested." Posters were placed in public places and letters and announcements, with enclosures of literature, were mailed to ministers of the Upper Ohio River Valley churches, and presidents of civic and patriotic organizations. There was good response.

Youth activities were rewarding. We presented Good Citizenship Medals, a function of the National Defense Committee, to four pupils of the local 6th, 7th and 8th grades who showed outstanding qualities of leadership, honor, courage, patriotism, and service. Principals, teachers, and press representatives were cooperative, and, the chairman of this project was delighted with "my favorite project." Just as rewarding was the Good Citizen Pins and Certificates project. Five senior high school girls with qualities of good citizenship received these awards. Last, but not least, was the sponsoring of five girls at the American Heritage Camp at Cedar Lakes. They were absorbed by activities at camp and exhilarated by them.

Financial support was given to all National projects listed on the Honor Roll questionnaire. Support was given to State, District, and Chapter projects.

Official copies of the 1973 Resolutions of the 82nd Continental Congress, National Society Daughters of the American Revolution, were given to each member following the briefing given by the representatives who attended the Congress.

Pertinent information on membership was given to each member with suggestion that she become a committee of one to interest prospective members in the DAR work.

Paid in full is the President General's Project.

Initial interest is shown by Junior members, for reactivation of the Childrens of the American Revolution Chapter.
